PROXY STATEMENT OF
VILLAGE BANK AND TRUST FINANCIAL CORP.
15521 Midlothian Turnpike
Suite 200
Midlothian, Virginia 23113

General Information

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of Village Bank and Trust Financial Corp. to be used at the 2010 annual meeting of shareholders to be held on May 26, 2009 at 10:00 a.m. Eastern Daylight Time at Village Bank at Watkins Centre, 15521 Midlothian Turnpike, Midlothian, Virginia. The notice of annual meeting, the proxy card, and this proxy statement are being first mailed on or about April 23, 2010, to shareholders of record of Village Bank and Trust Financial Corp. common stock as of the close of business on April 9, 2010.

Who Can Vote

You can vote at the annual meeting if you owned shares of Village Bank and Trust Financial Corp. common stock, par value \$4.00 per share, as of the close of business on April 9, 2009 (Record Date). Each share of common stock is entitled to one vote. The number of shares outstanding on the Record Date was 4,230,628. When you give Village Bank and Trust Financial Corp. your proxy, you authorize Village Bank and Trust Financial Corp. to vote your shares per your instructions whether or not you attend the annual meeting. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of common stock is necessary to constitute a quorum at the annual meeting.

Executing Your Right to Vote

By completing and returning the enclosed proxy card in time to be voted at the annual meeting, the shares represented by it will be voted in accordance with the instructions marked on the card. Signed but unmarked proxies will be voted on all business matters as recommended by the board of directors. A shareholder may abstain or (only with respect to the election of directors) withhold his or her vote (collectively, "Abstentions") with respect to each item submitted for shareholder approval. Abstentions will be counted for purposes of determining the existence of a quorum. Abstentions will not be counted as voting in favor of or against the relevant item.

A broker who holds shares in "street name" has the authority to vote on certain items when it has not received instructions from the beneficial owner. Except for certain items for which brokers are prohibited from exercising their discretion, a broker is entitled to vote on matters presented to shareholders without instructions from the beneficial owner. "Broker shares" that are voted on at least one matter will be counted for purposes of determining the existence of a quorum for the transaction of business at the Annual Meeting. Where brokers do not have or do not exercise such discretion, the inability or failure to vote is referred to as a "broker nonvote." Under the circumstances where the broker is not permitted to, or does not, exercise its discretion, assuming proper disclosure to Village Bank and Trust Financial Corp. of such inability to vote, broker nonvotes will not be counted as voting in favor of or against the particular matter. A broker is prohibited from voting on the election of directors without instructions from the beneficial owner; therefore, there may be broker nonvotes on Proposal One. We expect that brokers will be allowed to exercise discretionary authority for beneficial owners who have not provided voting instructions with respect to Proposals Two and Three; therefore, no broker nonvotes are expected to exist in connection with these proposals.

Abstentions and broker nonvotes will not count as votes cast in the election of directors or in the votes on approving executive compensation and ratifying the appointment of independent public accountants. Therefore, abstentions and

broker non-votes will have no effect on the voting on these matters at the meeting.

The board of directors does not know of any other matters that are to come before the annual meeting except for incidental, procedural matters. If any other matters are properly brought before the annual meeting, the persons named in the accompanying proxy card will vote the shares represented by each proxy on such matters as determined by a majority of the board of directors.

Costs of Proxy Solicitation

The cost of soliciting proxies will be borne by Village Bank and Trust Financial Corp. In addition to the solicitation of proxies by mail, Village Bank and Trust Financial Corp. also may solicit proxies through its directors, officers, and employees. Village Bank and Trust Financial Corp. also will request persons, firms, and corporations holding shares in their names or in the name of nominees that are beneficially owned by others to send proxy materials to and obtain proxies from those beneficial owners and will reimburse the holders for their reasonable expenses in doing so.

Changing Your Vote

Your presence at the annual meeting will not automatically revoke your proxy. However, you may revoke a proxy at any time prior to its exercise by 1) filing a written notice of revocation with C. Harril Whitehurst, Jr., Secretary, which may be sent to Mr. Whitehurst's attention at 15521 Midlothian Turnpike, Suite 200, Midlothian, VA 23113; or 2) delivering to Village Bank and Trust Financial Corp. a duly executed proxy bearing a later date; or 3) attending the annual meeting and casting a ballot in person.

PROPOSAL ONE – ELECTION OF DIRECTORS

The board of directors consists of twelve directors. Four members of the board of directors have been nominated for election as directors at the annual meeting for a three-year term ending in 2013. Eight other directors are serving terms that end in either 2011 or 2012, as indicated below.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of common stock cast in the election of directors. If the proxy is executed in such manner as not to withhold authority for the election of any or all of the nominees for directors, then the persons named in the proxy will vote the shares represented by the proxy for the election of the nominees named below. If the proxy indicates that the shareholder wishes to withhold a vote from one or more nominees for director, such instructions will be followed by the persons named in the proxy.

Each nominee has consented to being named in this proxy statement and has agreed to serve, if elected. The board of directors has no reason to believe that any of the nominees will be unable or unwilling to serve. If, at the time of the annual meeting, any nominee is unable or unwilling to serve as a director, votes will be cast, pursuant to the enclosed proxy, for such substitute nominee as may be nominated by the board of directors. There are no current arrangements between any nominee and any other person pursuant to which a nominee was selected. No family relationships exist among any of the directors or between any of the directors and executive officers of Village Bank and Trust Financial Corp.

The following biographical information discloses each nominee's age, business experience in the past five years and the year each individual was first elected to the board of directors of Village Bank and Trust Financial Corp. or its predecessor and current subsidiary, Village Bank. In addition, the following information includes the particular experience, qualifications, attributes or skills that led the board of directors to conclude that the person should serve as a director. CORPORATE GOVERNANCE

General

The business and affairs of Village Bank and Trust Financial Corp. are managed under the direction of the board of directors in accordance with the Virginia Stock Corporation Act and Village Bank and Trust Financial Corp.’s Articles of Incorporation and Bylaws. Members of the board are kept informed of Village Bank and Trust Financial Corp.’s business through discussions with the President and Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the board of directors and its committees.

Board Leadership

The positions of Chairman of the board of directors and President and Chief Executive Officer of Village Bank and Trust Financial Corp. are held by separate persons due to the distinct and time consuming natures of these roles. The principal role of the President and Chief Executive Officer is to manage the business of the company in a safe, sound, and profitable manner. The role of the board of directors, including its Chairman, is to provide independent oversight of the President and Chief Executive Officer, to oversee the business and affairs of the company for the benefit of its shareholders, and to balance the interests of Village Bank and Trust Financial Corp.’s diverse constituencies including shareholders, customers, employees, and communities.

Eleven of our twelve board members are independent of management. Each board member of Village Bank and Trust Financial Corp. also serves as a director of its sole subsidiary, Village Bank. Our directors are also actively involved in our strategic planning process and the management of our nonperforming assets.

Independence of the Directors

The board of directors has determined that the following 11 individuals of its 12 current members are independent as defined by the listing standards of the NASDAQ Stock Market (“NASDAQ”): R. T. Avery, III, Donald J. Balzer, Jr.,

Craig D. Bell, William B. Chandler, R. Calvert Esleeck, Jr., O. Woodland

Hogg, Jr., Michael A. Katzen, Michael L. Toalson, Charles E. Walton, John T. Wash, Sr. and George R. Whittemore. In reaching this conclusion, the board of directors considered that Village Bank and Trust Financial Corp. and its subsidiaries conduct business with companies of which certain members of the board of directors or members of their immediate families are or were directors or officers.

In addition to the matters discussed below under “Certain Relationships and Related Transactions”, the board of directors considered the following relationships between Village Bank and Trust Financial Corp. and two of its directors to determine whether such directors were independent under NASDAQ’s listing standards:

- Donald J. Balzer, Jr. is member of the board of directors of Balzer & Associates, Inc., an architectural, engineering, surveying and landscape architectural firm. Village Bank and Trust Financial Corp. paid Balzer & Associates approximately \$25,392 to provide engineering and landscape design services in 2009.
- Craig D. Bell is a partner with the law firm of McGuire Woods LLP. Village Bank and Trust Financial Corp. paid McGuire Woods, LLP approximately \$4,182 in legal fees in 2009.

There were no other relationships between Village Bank and Trust Financial Corp. and its directors except as disclosed below under “Certain Relationships and Related Transactions”.

Code of Ethics

Village Bank and Trust Financial Corp. has a Code of Ethics for directors, officers and all employees of Village Bank and Trust Financial Corp. and its subsidiaries, and a Code of Ethics applicable to Village Bank and Trust Financial Corp.’s Chief Executive Officer, Chief Financial Officer and other principal financial officers. The Code addresses such topics as protection and proper use of Company assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting and conflicts of interest. A copy of the Code will be provided, without charge, to any shareholder upon written request to the Secretary of Village Bank and Trust Financial Corp., whose address is P.O. Box 330, 15521 Midlothian Turnpike, Suite 200, Midlothian, Virginia 23113.

Board and Committee Meeting Attendance

There were 12 meetings of Village Bank and Trust Financial Corp.’s board of directors in 2009. Each incumbent director attended greater than 75% of the aggregate number of meetings of the board of directors and meetings of committees of which the director was a member in 2009.

Executive Sessions

The board of directors expects to hold executive sessions of independent directors at each board meeting. At least one executive session is held for the purpose of evaluating the President and Chief Executive Officer. Any independent director can request that an executive session be scheduled.

Board’s Role in Risk Oversight

The board of directors oversees risk management to be reasonably certain that Village Bank and Trust Financial Corp.’s risk management policies, procedures, and practices are consistent with corporate strategy and functioning appropriately.

The board of directors performs its risk oversight in several ways. The board of directors establishes standards for risk management by approving policies that address and mitigate Village Bank and Trust Financial Corp.’s most material risks. These include policies addressing credit risk, interest rate risk, capital risk, and liquidity risk, as well as Bank

Secrecy Act/Anti-Money-Laundering compliance. The board of directors also monitors, reviews, and reacts to risk through various reports presented by management, internal and external auditors, and regulatory examiners.

The board of directors conducts certain risk oversight activities through its committees with direct oversight over specific functional areas. The risk oversight activities of the Audit, Compensation, Executive and Loan Committees are described in the “Committees of the Board” section of this proxy statement, below; in the “Executive Compensation” section, beginning on page 16; and in the “Audit Information” section, beginning on page 24.

The board of directors is empowered to create additional standing and ad hoc committees to facilitate regular monitoring and deeper analysis of matters that may arise from time to time. The board of directors also meets regularly in executive session to discuss a variety of topics, including risk, without members of management present.

In the foregoing ways, the full board of directors is able to monitor Village Bank and Trust Financial Corp.’s risk profile and risk management activities on an ongoing basis.

Committees of the Board

Village Bank and Trust Financial Corp. has an Audit Committee and a Compensation Committee. Village Bank and Trust Financial Corp. does not have a standing nominating committee.

Audit Committee

Village Bank and Trust Financial Corp.’s Audit Committee assists the board of directors in fulfilling its oversight responsibility to the shareholders relating to the integrity of Village Bank and Trust Financial Corp.’s financial statements, Village Bank and Trust Financial Corp.’s compliance with legal and regulatory requirements and the qualifications, independence and the performance of the internal audit function. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for Village Bank and Trust Financial Corp. The board of directors has adopted a written charter for the Audit Committee. A copy of the charter is available at our website at <http://www.villagebank.com> under “Investor Relations,” “Governance Documents”.

The members of the Audit Committee are Messrs. Esleeck, Walton, Chandler and Toalson, all of whom the board of directors, in its business judgment, has determined are independent as defined by NASDAQ’s listing standards regulations of the Securities and Exchange Commission. The board of directors also has determined that all of the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee and that Mr. Esleeck and Mr. Walton qualify as audit committee financial experts as defined by SEC regulations.

The Audit Committee met 4 times in 2009. For additional information regarding the Audit Committee, see “Audit Information – Audit Committee Report” later in this Proxy Statement.

Compensation Committee

Village Bank and Trust Financial Corp.’s Compensation Committee assists the board of directors in fulfilling their responsibility to the shareholders to ensure that Village Bank and Trust Financial Corp.’s officers, key executives, and board members are compensated in accordance with Village Bank and Trust Financial Corp.’s total compensation objectives and executive compensation policy. The Compensation Committee shall advise and recommend for approval compensation policies, strategies, and pay levels necessary to support organizational objectives. The board of directors has adopted a written charter for the Compensation Committee. A copy of the charter was attached to our

2007 proxy statement and is also available at our website at <http://www.villagebank.com> under “Investor Relations,” “Governance Documents”.

The members of the Compensation Committee are Messrs. Chandler, Hogg, Bell, Katzen, Toalson, Walton and Whittemore, all of whom the board in its business judgment has determined are independent as defined by NASDAQ's listing standards.

The Compensation Committee's primary objective is to provide competitive levels of compensation to attract, retain and reward outstanding executive officers. In a highly competitive community banking marketplace, excellent leadership is essential. Our executive officers are expected to manage the business of Village Bank and Trust Financial Corp. in a manner that promotes its growth and profitability for the benefit of our shareholders. To that end, we believe that:

- Our key executives should have compensation opportunities at levels that are competitive with peer institutions.
- Total compensation should include significant "at risk" components that are linked to annual and longer term performance results.
- Stock-based compensation should form a key component of total compensation as a means of linking senior management to the long term performance of Village Bank and Trust Financial Corp. and aligning their interests with those of shareholders.

The Compensation Committee's compensation philosophy with respect to its executive officers is one of pay for performance. Accordingly, an executive officer's annual compensation consists of a base salary, an annual monetary bonus and stock-based compensation. The annual monetary bonus is utilized to reward our executives for achieving short-term financial and productivity goals, and stock-based compensation is utilized for achieving long-term financial and productivity goals.

The Compensation Committee has engaged Lockton Companies, LLC as an independent executive compensation advisor. The compensation advisor advises the Compensation Committee on matters relating to compensation benchmarking, staying current with regulatory and legal issues related to executive compensation, and designing appropriate compensation programs. As part of its consultation with the Compensation Committee, the compensation advisor provides the Committee with peer group comparisons. The Compensation Committee has direct access to the consultant and control over its engagement.

The Compensation Committee met 4 times in 2009.

Executive Committee

When the board of directors is not in session, the Executive Committee is authorized to exercise all of the board of director's power except for certain responsibilities of the board of directors, such as approval of an amendment of the articles of incorporation, a plan of merger or consolidation or the issuance of stock.

The members of the Executive Committee are Messrs. Bell (Chairman), Balzer and Winfree. The Executive Committee met 7 times in 2009.

Loan Committee

The functions of the Loan Committee are to (i) approve and ratify new loans over a predetermined dollar limit; (ii) provide oversight of Village Bank's lending policies; and (iii) monitor the overall quality of Village Bank's loan portfolio.

The members of the Loan Committee are Messrs. Avery (Co-Chairman), Wash (Co-Chairman), Balzer, Esleeck, Hogg, Katzen, Whittemore and Winfree. The Loan Committee met 17 times in 2009.

Director Nomination Process

The independent members of the board of directors perform the functions of a nominating committee. The board of directors does not believe it needs a separate nominating committee because the independent directors (as that term is defined in the NASDAQ listing standards) have the time and resources to perform the function of recommending nominees to the board of directors. The board of directors has adopted a resolution that provides that it will not nominate any person who has not been recommended for nomination by a majority of the independent directors.

In identifying potential nominees, the board of directors takes into account such factors as it deems appropriate, including the current composition of the board of directors, the range of talents, experiences and skills that would best complement those that are already represented on the board of directors, the balance of management and independent directors and the need for specialized expertise. The board of directors considers candidates for board membership suggested by its members and by management, and the board of directors will also consider candidates suggested informally by a shareholder of Village Bank and Trust Financial Corp.

In the consideration of director nominees, including any nominee that a shareholder may submit, the board of directors considers, at a minimum, the following factors for new directors, or the continued service of existing directors:

- The ability of the prospective nominee to represent the interests of the shareholders of Village Bank and Trust Financial Corp.;
 - The prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- The prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;
- The extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the board of directors; and
- The prospective nominee's involvement within the communities Village Bank and Trust Financial Corp. serves.

Shareholders entitled to vote for the election of directors may recommend candidates for the independent directors to consider formally in connection with an annual meeting as long as the recommendation is made on or before the last date on which a shareholder may nominate an individual for election to the board of directors under Village Bank and Trust Financial Corp.'s Bylaws.

Under the process used by Village Bank and Trust Financial Corp. for selecting new board candidates, the President and Chief Executive Officer and the board of directors identify the need to add a new board member with specific qualifications or to fill a vacancy on the board. The Chairman of the board of directors will initiate a search, working with staff support and seeking input from board members and senior management, hiring a search firm, if necessary, and considering any candidates recommended by shareholders. An initial slate of candidates that will satisfy criteria and otherwise qualify for membership on the board may be presented to the board of directors. A determination is made as to whether board members have relationships with preferred candidates and can initiate contacts. The President and Chief Executive Officer and the Chairman of the board of directors interview prospective candidates. The board of directors meets to conduct further interviews of prospective candidates, if necessary or appropriate, and to consider and recommend final candidates for approval.

Director Compensation

Members of the board of directors of Village Bank and Trust Financial Corp. do not receive fees for their service as directors. However, all of the directors of Village Bank and Trust Financial Corp. also

serve as directors of Village Bank. As compensation for his service to Village Bank, each member of the board of directors receives fees as follows:

- a retainer fee of \$300 for each meeting of the board (\$450 for the Chairman of the board),
- an attendance fee of \$200 for each meeting of the board that he attends (\$200 for the Chairman of the board), and
- an attendance fee of \$200 for each meeting of a committee that he attends (\$300 for the Chairman of the committee).

Board members who are also officers do not receive any additional compensation above their regular salary for board service or attending committee meetings.

During the year, all directors of Village Bank and Trust Financial Corp. also served on the board of Village Bank Mortgage Corporation and received \$100 per meeting for attending such meetings.

In 2005, Village Bank and Trust Financial Corp. adopted the Outside Directors Deferral Plan under which non-employee directors of the Bank have the opportunity to defer receipt of all or a portion of their compensation until retirement or departure from the board of directors. Any amounts deferred under this plan are maintained in an account for the benefit of the director and are credited annually with interest on the deferred amount at a rate established by the board of directors in its sole discretion prior to the beginning of each plan year.

The following table provides information concerning the compensation of all non-employee directors for the year ended December 31, 2009:

Mr. Winfree has an employment agreement with Village Bank and Trust Financial Corp. and Village Bank, and Messrs. Whitehurst and Sanders have employment agreements with Village Bank. Additional information on these employment agreements is described later in this Proxy Statement. Information on the components of executive compensation is set forth below.

Salary. A competitive salary for senior management is essential. Furthermore, flexibility to adapt to the particular skills of an individual or the specific needs of Village Bank and Trust Financial Corp. is required. Proposed salary adjustments for senior management are presented to the Compensation Committee by Mr. Winfree, typically during the second quarter. The Compensation Committee reviews the recommendations, makes any further adjustments and generally approves the recommendations with input from the Compensation Committee's external compensation advisor. Recommendations regarding adjustments to Mr. Winfree's salary are reviewed and, if appropriate, approved by the Compensation Committee in executive session. Management received no salary increases in 2009. The Compensation Committee reviewed management salaries in 2009 and deferred increases until 2010.

Stock-Based Compensation. The Compensation Committee recommends for approval by the board of directors stock option and restricted stock awards to employees under the 2000 Incentive Plan, as amended and restated. These awards of stock options and restricted stock are utilized to attract new employees as well as to reward existing employees for performance.

In December 2008, the Compensation Committee asked its external compensation advisor to propose a 2008 restricted stock award for senior management. At the January 2009 meeting of the Compensation Committee, the compensation advisor recommended restricted stock awards for each executive intended to compensate them for not accepting cash compensation they could have received in 2007 and 2008. The Compensation Committee approved restricted stock awards of 8,667 shares, 4,333 shares and 4,333 shares to Mr. Winfree, Mr. Whitehurst and Mr. Sanders, respectively. In approving these awards, the Compensation Committee concluded that they should all be time-vested stock awards. In accordance with FASB ASC Topic 718 the compensation expense for these restricted stock awards was recognized in the 2009 fiscal year.

Non-Equity Incentive Plan Compensation. We offer senior management an opportunity to receive an annual target non-equity incentive bonus of 15 to 20 percent of their year-end base salary, depending on the executive's responsibilities. To determine an executive officer's non-equity incentive, the Compensation Committee adopted the 2009 Management Incentive Plan (the "Plan"). Under the Plan, an executive officer can earn a bonus by achieving short-term financial and productivity goals established by the Compensation Committee. These goals are customized for each executive before the beginning of the Plan year to reflect a mix of corporate and individual initiatives and reflect a minimum, target and maximum amount of incentive. For example, Mr. Winfree's targeted incentive awards under the Plan are weighted between corporate (70%) and individual (30%) goals. For others in senior management, the mix of corporate and individual weights is generally 60% / 40% or 50% / 50%, respectively, depending on the organizational responsibility of each executive. At a meeting of the Compensation Committee, usually in December, the Compensation Committee's external compensation advisor recommends award targets and the award schedule (minimum to maximum awards and their relationship to performance intervals), for the upcoming year. A Performance Success Plan was also established for 2009 based on the unusual financial year with the current economy. The Plan was a temporary arrangement replacing the Management Incentive Plan for 2009. The purpose was to reward management participants for achieving performance objectives versus the peer group. The strategic initiatives were approved by the Compensation Committee. Management advised the Compensation Committee that management would decline any amounts if earned. There were no payments for 2009 made under this Plan.

For 2008, Mr. Winfree presented performance results for corporate and individual measures and corresponding proposed incentive amounts that were calculated in accordance with the award schedule in the Plan. The Compensation Committee reviewed the performance of Village Bank and Trust Financial Corp. and each executive's performance against the Plan. At the request of the Compensation Committee, the external compensation advisor validated the award calculations prior to the Compensation Committee's approval of the Plan award amounts. Following approval by the Compensation Committee, the named executive officers all declined their awards under the Plan for both 2008 and 2009.

In general, the target award opportunities under the Plan were below comparative practices of our peer group. As with all components of pay, the Compensation Committee will consider future increases to each executive's annual target incentive opportunity to bring total cash compensation in line with targeted compensation levels and mix as defined in Village Bank and Trust Financial Corp.'s executive compensation philosophy.

Supplemental Executive Retirement Plan. We believe that retirement compensation plays an important role in retaining key executives, as well as helping them provide for retirement. The Compensation Committee retained the compensation advisor to analyze the total retirement benefits provided by Village Bank and Trust Financial Corp. and Social Security to employees with various levels of compensation and years of service so that the Compensation Committee could determine the projected replacement ratio of income at retirement compared with active employment. Because of limits under our qualified retirement plan on the amount of deferrals that our executives can make, several of our executives can expect to have a lower retirement replacement ratio than we have targeted for all employees. Consequently, as a matter of "pension equity", we have adopted a supplemental plan which should provide a benefit for designated executives that will help approach the targeted retirement replacement ratio.

For that reason, we provide a benefit for senior management, including each of the named executive officers. Village Bank and Trust Financial Corp. provides a potential supplemental retirement plan benefit of \$50,000 annually for 15 years to Mr. Winfree and a potential benefit of \$25,000 annually for 15 years to Messrs. Whitehurst and Sanders. To qualify for the benefit, the executive must remain in the employment of Village Bank and Trust Financial Corp. for a stated period of time. Under the plan's vesting schedule, Mr. Winfree has completed six years of a six year vesting schedule. Messrs. Whitehurst and Sanders have completed five years of a ten year vesting schedule. In the event of a pre-retirement death, vesting is accelerated and the executive's named beneficiary receives the benefit over the 15 year payout schedule. In the event of a post-retirement death, the executive's named beneficiary receives any remaining benefit payments of the 15 year payout schedule. In the event of a termination of employment resulting from a change in control of Village Bank and Trust Financial Corp., vesting is accelerated and the benefit is paid under the 15 year payout schedule.

Employment and Change-in-Control Agreements with Named Executive Officers

Securing the continued service of key executives is essential to the successful future of Village Bank and Trust Financial Corp. Employment agreements and management continuity agreements (which help retain key executives during a possible change of control situation) assist Village Bank and Trust Financial Corp. by providing security to key executives.

Village Bank and Trust Financial Corp. and Village Bank have entered into an employment agreement with Mr. Winfree and Village Bank has entered into employment agreements with Messrs. Whitehurst and Sanders. Mr. Winfree's employment agreement was entered into May 1, 2001 with an initial term of three years. Under the agreement, Mr. Winfree agrees to perform the services and duties appropriate to his capacity as the Chief Executive Officer of Village Bank and Trust Financial Corp. and Village Bank, responsible for all day-to-day operations. Annually, the executive committee of the board of directors reviews Mr. Winfree's performance for the immediately preceding year and, after such review, may extend the employment agreement for an additional three year period. Mr. Winfree's current employment agreement covers the period from September 16, 2009 to September 15, 2012.

Messrs. Whitehurst's and Sanders' employment agreements were automatically renewed pursuant to their terms on January 1, 2010 with automatic annual renewals thereafter. Under the agreements, the executives agree to perform the services and duties appropriate to their capacities as Senior Vice Presidents of Village Bank. Annually, the Compensation Committee of the board of directors reviews Messrs. Whitehurst's and Sanders' performance for the immediately preceding year and, after such review, may extend their employment agreements for twelve months by an appropriate written instrument executed by Messrs. Whitehurst and Sanders and on behalf of Village Bank. If the employment agreement is not extended in writing before the end of its term or expressly terminated, it automatically renews for an additional term of twelve months. Messrs. Whitehurst's and Sanders' current employment agreements cover the period from January 1, 2010 to December 31, 2011.

Under the terms of the agreements, each of the named executive officers is entitled to severance payments equal to his respective salary for the balance of the term of his agreement if he is terminated without "Cause" or if he terminates with "Good Reason", each as defined in the respective agreement. In addition, for a period of six months, he will continue to receive benefits under all other employee benefit plans or programs in which he was participating prior to termination or, if continued participation is not possible, an equivalent value. At December 31, 2009, the value of the severance payments following termination without Cause or with Good Reason was:

	Salary	Benefits	Total
Winfree	\$528,125	\$4,260	\$532,385
Whitehurst	260,000	3,228	263,228
Sanders	260,000	4,938	264,938
Total	\$1,048,125	\$12,426	\$1,060,551

The agreements also provide for termination benefits following a change in control of Village Bank and Trust Financial Corp. If Mr. Winfree's employment is terminated for any reason other than for Cause during the term of the employment agreement and any renewal term following a change of control of Village Bank and Trust Financial Corp., he will be entitled to a severance payment in an amount equal to 2.99 times his salary and bonus received during the twelve months ending with the termination of the his employment to be paid in equal monthly installments over the thirty-six months succeeding the date of termination. Additionally, for a period of 2.99 years following termination or until such time that Mr. Winfree has secured full time employment with another employer, he is

entitled to continued participation in all group, life, health, accident and disability insurance programs and other employee benefit plans that he was eligible to participate in prior to his date of termination. If any other named executive officer's

employment is terminated for any reason other than for Cause during the term of his employment agreement and any renewal term following a change of control of Village Bank and Trust Financial Corp., he will be entitled to a severance payment in an amount equal to his monthly base salary plus an amount equal to the monthly cost for the group health and welfare benefits in which he participated immediately prior to such termination in equal monthly installments for twenty-four months succeeding the date of termination.

Had Mr. Winfree's employment terminated on December 31, 2009 following a change of control of Village Bank and Trust Financial Corp., he would be entitled to approximately \$583,000 (2.99 times his 2009 base salary and bonus, given that his agreement restricts payments that would constitute an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code) payable in equal monthly installments over 36 months (plus the value of benefits of approximately \$8,500). Had any of the other named executive officer's employment terminated on December 31, 2009 following a change of control of Village Bank and Trust Financial Corp., Mr. Whitehurst and Mr. Sanders would be entitled to approximately \$260,000 (plus the value of benefits of approximately \$6,500 and \$9,900, respectively).

On May 1, 2009, each of Messrs. Sanders, Whitehurst and Winfree executed consent letter agreements in connection with Village Bank and Trust Financial Corp.'s participation in the TARP Capital Purchase Program pursuant to which each of them agreed to be subject to the executive compensation and corporate governance requirements of section 111 of the Emergency Economic Stabilization Act of 2008 ("EESA"). As a result, the ability of Village Bank and Trust Financial Corp. to pay the severance and change in control payments described above will be limited by EESA. These limitations will only apply so long as the U.S. Treasury holds the preferred stock issued pursuant to the TARP Capital Purchase Program. For more information about these restrictions, see "TARP Standards on Executive Compensation" below.

TARP Standards on Executive Compensation

In May 2009, Village Bank and Trust Financial Corp. sold a series of its preferred stock to the U.S. Treasury under the TARP Capital Purchase Program. As a result of this transaction, Village Bank and Trust Financial Corp. became subject to certain executive compensation and corporate governance requirements under section 111 of EESA, as implemented by Treasury regulations. Those requirements apply to certain of our executive officers and employees, including Thomas W. Winfree, C. Harril Whitehurst, Jr. and Raymond E. Sanders (the "SEOs"). Those requirements include:

- Prohibiting the payment of any severance payments to our SEOs and next five most highly compensated employees;
- Prohibiting the payment or accrual of any bonus payment to Mr. Winfree, our most highly compensated employee, except for (i) an award of long-term restricted stock with a value not exceeding one-third of his annual compensation and (ii) a payment contractually required to be paid and to which he had a legally binding right as of February 11, 2009;
- Subjecting our SEOs and our next twenty most highly compensated officers to recovery of any bonus or incentive compensation paid to them where the payment was later found to have been based on statements of earnings, gains, or other criteria which prove to be materially inaccurate; and
- Limiting Village Bank and Trust Financial Corp.'s tax deduction for compensation paid to any SEO of \$500,000 annually.

In addition, the regulations generally require the Compensation Committee to meet at least every six months with senior risk officers to evaluate compensation plans to ensure that these plans do not encourage unnecessary and excessive risk taking that threaten the value of Village Bank and Trust Financial Corp., to consider ways to limit those risks, and to evaluate these plans to ensure that they do not encourage the manipulation of reported earnings.

Equity Compensation Plans

The following table sets forth information as of December 31, 2009, with respect to compensation plans under which shares of Common stock are authorized for issuance.

Certain Relationships and Related Transactions

Some of the directors and officers of Village Bank and Trust Financial Corp. are customers of Village Bank and Trust Financial Corp., and Village Bank and Trust Financial Corp. has had banking transactions in the ordinary course of its business with directors, officers, and their associates, on substantially the same terms, including interest rates, collateral and repayment terms on loans, as those prevailing at the same time for comparable transactions with others. All outstanding loans to such officers and directors and their associates are current as to principal and interest and do not involve more than the normal risk of collectability or present other unfavorable features. None of such

outstanding loans are classified as non-accrual, past due, restructured or potential problems. As of December 31, 2009, all loans to directors, executive officers and their affiliates totaled approximately \$9,725,000 or approximately 20% of stockholders' equity at such date.

There are no legal proceedings to which any director, officer or associate is a party that would be material and adverse to Village Bank and Trust Financial Corp.

PROPOSAL TWO
ADVISORY (NON-BINDING) VOTE TO APPROVE EXECUTIVE COMPENSATION

The American Recovery and Reinvestment Act (“ARRA”) of 2009 includes a provision requiring Capital Purchase Program (“CPP”) participants like Village Bank and Trust Financial Corp., during the period in which any obligation arising from assistance provided under the CPP remains outstanding, to permit a separate and non-binding shareholder vote to approve executive compensation as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission. Such a proposal, commonly known as a “say-on-pay” proposal, gives shareholders the opportunity to endorse or not endorse Village Bank and Trust Financial Corp.’s executive pay program. Accordingly, shareholders of Village Bank and Trust Financial Corp. are being asked to approve the following resolution:

“RESOLVED, that the shareholders of Village Bank and Trust Financial Corp. approve the compensation of executive officers as disclosed in this proxy statement pursuant to the rules of the Securities and Exchange Commission.”

As provided in the ARRA, this is an advisory vote only. Approval of the proposed resolution requires the affirmative vote of a majority of the shares present at the annual meeting and entitled to vote.

The Board of Directors believes that Village Bank and Trust Financial Corp.’s compensation policies and procedures are strongly aligned with the long-term interests of its shareholders. Because your vote is advisory, it will not be binding upon the board of directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.
