THE BOARD OF DIRECTORS

Composition of the Board

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

Our Board of Directors has a maximum of nine and a minimum of six members. Within this range, the number is set by the Board of Directors. The board currently consists of seven directors who are divided into three staggered classes. The Class I director (Mr. Yother) will serve until the annual stockholder meeting in 2006. The terms of the Class II directors (Messrs. Kirkland, Newsome and Saunders) will serve until the annual stockholder meeting in 2007. The Class III directors

- 6 -

(Messrs. Anderson, Compton and Parks) expire at the close of the Annual Meeting this year. Of the Class III directors, Mr. Anderson and Mr. Parks have been nominated for re-election at the Annual Meeting, and if elected, they will serve until the annual meeting of stockholders in 2007. Because of Mr. Compton's retirement, the board is expected to have six members following the annual meeting on May 31, 2005.

Director Compensation

Under the Bylaws, each non-employee director is entitled to an annual fee of \$18,000 plus \$1,000 for each board meeting and each meeting of any committee of the board, with the exception of the director serving as the Chairman of the committee, who receives \$1,500 per meeting. At their regularly scheduled meeting on November 18, 2004, the board voted to increase its annual fee to \$25,000.

In addition, directors who are not employees of the company or their affiliates (Eligible Directors) have received awards of nonqualified stock options under the Stock Plan for Outside Directors. Under the adopted amendment to the current Director Plan, Mr. Saunders, as an employee and affiliate of Saunders Karp & Megrue, L.P. became an Eligible Director on May 13, 2003.

As originally adopted, the plan provided that each eligible director is granted an option to purchase 5,000 shares of common stock upon his/her initial election to the board and, on the last day of each fiscal year, an additional option for 2,500 shares of common stock. The annual grant is pro-rated for directors who have served less than a full fiscal year by the date of grant. Beginning for the fiscal year ended February 1, 2003, an Eligible Director, upon appointment is granted an option to purchase 7,500 shares and the annual grant amount was raised to 3,750 shares.

The board has the option to change these amounts, but any adjustments would be subject to 10,000-share limit upon initial election and 5,000-share limit on annual grants previously approved by the Company's stockholders.

Meetings of the Board of Directors and Committees

The Board of Directors has scheduled seven regular meetings in the current fiscal year and will hold special meetings when company business requires. During the fiscal year ended January 29, 2005, the Company's Board of Directors held seven meetings. Meetings may be held at a specified location or by teleconference. Each director was present for at least 75% of the regularly scheduled meetings of the board and the meetings held by all committees of the board on which he served during the fiscal year.

Committees of the Board of Directors

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

The board has established a Nominating Committee, an Audit Committee and a Compensation Committee. The memberships and functions of these committees are set forth below. The board has no standing Executive Committee.

Nominating Committee. The Nominating Committee is authorized to exercise oversight with respect to the nomination of candidates for the board in such fashion as determined from time to time by the board. The members of the Nominating Committee are Mr. Anderson, Chairman of the Committee, and Messrs. Kirkland and Saunders. The Nominating Committee met once in fiscal year ended January 29, 2005. The Board of Directors has adopted a written charter for the Nominating Committee.

Audit Committee. The duties of the Audit Committee are to assist the board in fulfilling its oversight responsibilities relating to the integrity of our consolidated financial statements, our compliance with legal and regulatory requirements, our selection and determination of independent registered public accounting firm's qualifications and independence and the performance of our independent registered public accounting firm.

The Audit Committee appoints, compensates, retains and oversees the work of the independent registered public accounting firm employed by us to conduct the annual audit examination of our consolidated financial statements. The members meet with the independent registered public accounting firm and financial management to review the scope of the proposed audit for the year, the audit procedures to be utilized, audit fees and at the conclusion of the audit, the audit

- 7 -

reports. In addition, the Audit Committee reviews the consolidated financial statements, related footnotes, management's report on internal control over financial reporting and the independent registered public accounting firm's reports thereon, and makes related recommendations to the board as the committee deems appropriate.

The members of the Audit Committee are Mr. Compton, Chairman of the Committee, and Messrs. Parks, Saunders and Yother. Mr. Compton will step down as Chairman in May 2005 at which time he will be replaced by Mr. Yother. The Audit Committee met seven times during the fiscal year ended January 29, 2005. The Board of Directors has adopted a written charter for the Audit Committee which it periodically reviews. The current version of the charter is available on our website at www.hibbett.com under Investor Relations.

Our board has reviewed the composition of the Audit Committee and determined that the independence of and the financial literacy of its members meet the listing standards of the NASDAQ Stock Market and regulations of the Securities and Exchange Commission. In addition, our board has determined that Mr. Compton, who chairs the Audit Committee, and Mr. Yother who will replace Mr. Compton as chairman in May 2005, by virtue of their career experiences serving in financial capacities of publicly traded companies as well as other experiences, qualify as audit committee financial experts within the meaning of applicable regulations of the SEC promulgated pursuant to the Sarbanes-Oxley Act of 2002. In addition, the board has determined that Mr. Saunders, who also sits on our Audit Committee, qualifies as an audit committee financial expert because of his experience managing investments in private and public companies.

Compensation Committee. The duties of the Compensation Committee are to make recommendations and reports to the board with respect to the salaries, bonuses and other compensation to be paid to the Company's officers and to administer all plans relating to the compensation of such officers. The members of the Compensation Committee are Mr. Kirkland, Chairman of the Committee, and Messrs. Parks and Yother. The Compensation Committee met once during the fiscal year ended January 29, 2005. The Board of Directors has adopted a written charter for the Compensation Committee which is available on our website at www.hibbett.com under Investor Relations.

How Nominees to Our Board are Selected

The Nominating Committee of our Board of Directors is responsible for identifying, evaluating and recommending to the board all persons to be nominated to serve as a director of the company. Our board is responsible for nominating the slate of directors for the annual meeting, upon the committee's recommendation.

This year, all director nominees are current directors who are standing for re-election. Mr. Yother, whose term ends in 2006, was recommended by the Nominating Committee and elected by the board to fill a vacancy caused by the resignation of F. Barron Fletcher, III, who resigned from the board to pursue other interests.

The Nominating Committee identifies, recruits and recommends to the board only those candidates that the committee believes are qualified to become board members consistent with the criteria for selection of new directors adopted from time to time by the board. We endeavor to have a board representing diverse experience in areas that are relevant to our business. The committee recommends candidates, including those submitted by shareholders, only if the committee believes the candidate's knowledge, experience and expertise would strengthen the board and that the candidate is committed to representing the long-term interests of all stockholders. The Board of Directors has adopted a written charter for the Nominating Committee which is available on our website at www.hibbett.com under Investor Relations.

The committee assesses a candidate's independence, background and experience, as well as the current board skill needs and diversity. With respect to incumbent directors selected for re-election, the committee also assesses each director's contributions, attendance record at board and applicable committee meetings and the suitability of continued service. In addition, individual directors and any person nominated to serve as a director should possess all of the following personal

- 8 -

characteristics and be in a position to devote an adequate amount of time to the effective performance of director duties: integrity and accountability, informed judgment, financial literacy, cooperative approach, record of achievement and ability to consult and advise.

The committee will give due consideration to candidates recommended by stockholders. Stockholders may submit such recommendations using the methods described under Communicating with our Board Members on page 9. The committee applies the same criteria to the evaluation of those candidates as the committee applies to other director candidates.

Director Independence

We are committed to principles of good corporate governance and the independence of a majority of our Board of Directors from the management of our company. All members of our Audit Committee, our Compensation Committee and our Nominating Committee have been determined by our board to be independent directors within the applicable listing standards of the NASDAQ Stock Market. Our board has reviewed the various relationships between members of our board and the company and has affirmatively determined that none of our directors or nominees have material relationships with the company, other than Mr. Newsome who is a member of management. See Certain Relationships and Related Transactions on page 16 for a discussion of relationships between the company and certain directors.

If the slate of directors proposed to be elected at the 2005 Annual Meeting is elected, all committees of our board will continue to be comprised solely of independent directors. The basis for such determination by our board is either that the independent director has no business relationship other than his or her service on our board, or that while an independent director may have some involvement with a company or firm with which our company does business, our board has determined that such involvement is not material and does not violate any of part of the definition of independent director under NASDAQ listing standards. Mr. Newsome does not sit on any of our committees as an official member.

During meetings of our Board of Directors, the board periodically exercises its right to hold an executive session of non-management members only.

Code of Ethics

Our board has adopted a code of ethics for all our employees, officers and directors, including our Chief Executive Officer and senior financial officers. A copy of this code may be viewed at our corporate website, www.hibbett.com, under the heading Investor Information. In addition, a printed copy of our code of ethics will be provided to any shareholder upon request submitted to Investor Relations at the company's address listed elsewhere in this proxy statement.

Charters of Our Board Committees

The charters of our board committees are available on our corporate website, www.hibbett.com, under the heading Investor Information. In addition, printed copies of any of our board committee charters will be provided to any shareholder upon request submitted to Investor Relations at the company's address listed elsewhere in this proxy statement.

Communicating with Our Board Members

Our stockholders may communicate directly with our Board of Directors. You may contact any member (or all members) of our board, any board committee or any chair of any such committee by mail. Any stockholder desiring to communicate to our directors may do so by sending a letter addressed to the person, persons or committee the stockholder wishes to contact, in care of Investor Relations, Hibbett Sporting Goods, Inc., 451 Industrial Lane, Birmingham, Alabama 35211. The letter should state that the sender is a current stockholder. We intend to disclose any future changes to this shareholder communication process on the Investor Information portion of our website located at www.hibbett.com.

- 9 -

All mail received as set forth in the preceding paragraph will be examined by management and/or our general counsel for the purpose of determining whether the contents actually represent messages from stockholders to our directors. We will also examine the mailing from the standpoint of security. Any contents from a stockholder that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee.

It is our board's policy that each of our directors should attend the Annual Meeting. Five of seven of our directors were in attendance at the 2004 annual meeting of our shareholders.

REPORT ON EXECUTIVE COMPENSATION
Compensation Committee

The Compensation Committee was established by the Board of Directors on January 10, 1997, to oversee the Company's compensation program for the officers of the Company. The Compensation Committee is comprised of Messrs. Kirkland, Chairman of the Committee, Parks and Yother. The primary function of the Compensation Committee is to make recommendations and reports to the Board of Directors with respect to salaries, bonuses and other compensation to be paid to the Company's officers and to administer all plans relating to the compensation of such officers.

Compensation Policy

The Company's total compensation structure is comprised of annual base salary, annual cash bonus payments and long term equity-based compensation granted pursuant to the Option Plans. The Company's overall compensation program has been designed to attract and retain key executives and to provide appropriate incentives to these executives to maximize the Company's long-term financial results for the benefit of the stockholders. A significant portion of the executive compensation package is comprised of equity-based compensation in order to align the interests of management with those of the stockholders. Individual compensation levels are based not only upon the relative success of the Company, but also upon the duties and responsibilities assumed by each officer, individual performance and their attainment of individual and business unit goals.

Base Salary. The salary levels for the Company's executive officers for the fiscal year ended January 29, 2005, including the salary of Mr. Newsome as President, Chief Executive Officer and Chairman of the Board, are based upon individual performance and responsibility, as well as the salary levels paid by other similarly situated sporting goods and specialty retail companies. Based upon a review of such companies, the base salary levels approved by the Board of Directors are generally lower than the average salary levels of such companies.

Cash Bonuses. The Company's cash bonus program is designed to provide short-term incentive compensation to the Company's officers based upon pre-established performance goals for both the Company and each officer. The Compensation Committee determines the amounts of annual bonus awards for each officer based upon Company and individual performance. For the fiscal year ended

- 14 -

January 29, 2005, the Compensation Committee approved the payment of cash bonuses to executive officers of the Company, which bonuses ranged from approximately 57% of annual base salary to approximately 75% of annual base salary and were based upon the standards described above, with certain emphasis on individual contribution to the success of the Company during the year and on the performance of those aspects of the Company's business for which each officer has responsibility.

Stock Options. The Option Plans provide for grants of stock options to the Company's key employees. The payment of equity-based compensation to the Company's officers under the Option Plans is designed to focus their attention on the enhancement of stockholder value. During fiscal 2005, options to purchase a total of 232,875 shares of the Company's common stock at an average exercise price of \$22.69 were granted under the 1996 Stock Option Plan to 151 employees, including a grant of 101,250 options to a total of four executive officers. Options granted under the 1996 Plan vest over a five-year period, in equal installments, beginning on the first anniversary of the grant date. The awards granted to the Company's officers in fiscal year 2005 represent the Company's desire to align the interests of these individuals with the interests of the Company's stockholders and to provide incentives to these individuals to enhance the Company's growth and success. The size of the awards to individual executive officers was determined by the Compensation Committee based upon a subjective assessment of each officer's performance and individual contribution to the Company, his or her position and level of responsibility and other factors.

Future Equity-Based Compensation. In order to give the Company maximum flexibility in crafting future awards of equity-based compensation, the Compensation Committee concurred in the board's adoption of the 2005 Equity Incentive Plan. Upon approval by the stockholders, this plan would allow the Company to grant a variety of awards including stock options, stock appreciation rights, performance units, and restricted and other stock. The committee believes such flexibility is desirable, particularly given proposed changes in accounting for equity-based

compensation and certain limitations on deductibility of non-performance based compensation for Federal income tax purposes.

Compensation of the President, Chief Executive Officer and Chairman of the Board. The Compensation Committee reviews and approves the compensation of Michael J. Newsome, the Company's President, Chief Executive Officer and Chairman of the Board. For the fiscal year ended January 29, 2005, Mr. Newsome earned compensation comprised of each of the components of the Company's executive compensation program described above. In evaluating the compensation of Mr. Newsome, the Compensation Committee considered not only the salaries of the presidents and chief executive officers of comparably sized retail companies with similar sales volume and number of stores, but also the importance of Mr. Newsome's influence on the continued financial growth and success of the Company in the future. The Compensation Committee believes that compensation under the various plans, both for Mr. Newsome and for the other executive officers, brings the total potential compensation to appropriate levels relative to their positions and levels of responsibility.

In addition, the Compensation Committee approved a Retention Agreement with Mr. Newsome to secure his continued employment as an advisor to the Company following his future retirement from the duties of President and Chief Executive Officer. Such retirement is not currently planned but could possibly occur within several years.

Deductibility of Compensation

Section 162(m) of the Code imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to executive officers. The Compensation Committee does not believe that the limitations on deductibility imposed by Section 162(m) will be implicated by the Company's executive compensation program during fiscal year 2006, and the Compensation Committee believes it will be able to manage the Company's executive compensation program in a manner which will preserve federal income tax deductions for the foreseeable future.

OTHER INFORMATION RELATING TO DIRECTORS, NOMINEES AND EXECUTIVE OFFICERS

Certain Relationships and Related Transactions

The Company has entered into a sublease agreement (Sublease Agreement) with Books-A-Million, Inc. (Books-A-Million), a book retailer, whose Chairman of the Board, Clyde B. Anderson, is on the Company s Board of Directors, pursuant to which the Company will sublease certain real estate from Books-A-Million in Florence, Alabama for one of its stores. The term of the Sublease Agreement expires in June 2008. Under the Sublease Agreement, the Company will make annual lease payments to Books-A-Million of approximately \$191,000. We believe that the terms of this transaction is comparable to, or more favorable to, the company than the terms that would have been obtained in an arms length transaction with an unaffiliated party.

Mr. Yother is an Executive Vice President and the principal accounting officer of Amsouth Bank, one of the banks which participates in the Company s primary credit facility.

The Board of Directors has determined that neither relationship described above prejudices the independence of these directors, whether under the listing standards of the NASDAQ Stock Market or otherwise.

Employment Agreements

There are currently no employment agreements in force between the Company and Ms. Pryor or Messrs. Newsome, Rosenthal or Smith. On March 9, 2005, we entered into a Retention Agreement with Mr. Newsome to secure his continued employment as an advisor to the Company following his future retirement from the duties of President and Chief Executive Officer. Such retirement is not currently planned but could possibly occur within several years.

Compensation Committee Interlocks and Insider Participation

No present or former officer of the Company or its subsidiaries serves as a member of the Compensation Committee. During fiscal year 2005, there were no interlocking relationships between any executive officers of the Company and any entity whose directors or executive officers serve on the Company's Board of Directors and/or Compensation Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that executive officers and directors of the Company file reports of stock ownership and changes in ownership with the Securities and Exchange Commission on Form 3 (initial statement of ownership), Form 4 (monthly report) and Form 5 (annual report). Based solely upon a review of copies of such reports, the Company believes that Section 16(a) filing requirements applicable to its officers and directors were complied with during said fiscal year ended January 29, 2005 without exception.

AUDIT MATTERS

Independent Registered Public Accounting Firm

The firm of KPMG LLP has been selected by the Audit Committee to be the Company's independent auditors for fiscal year 2006. Representatives of KPMG LLP are expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if they so desire.

Fees Paid to KPMG LLP

The table below shows the aggregate fees billed by our principal auditors for professional services rendered in connection with the audit of our annual financial statements set forth in our Annual Report on Form 10-K for the fiscal years ended January 29, 2005 and January 31, 2004, and the review of our quarterly financial statements set forth in our Quarterly Reports on Form 10-Q for each of our quarters during the two fiscal years then ended, as well as fees paid to our principal accountants for audit-related work, tax compliance, tax planning and other consulting services:

Total KPMG LLP Fees	\$ 442,450	\$ 161,842

Audit Fees represent services rendered for the audit of the Company's consolidated annual financial statements and reviews of the Company's consolidated quarterly financial statements.

Audit Related Fees include accounting consultation, certain attest services, comfort letters, consents, audits of benefit plans, internal control reviews and fees associated with our restatement of consolidated financial statements as discussed below in our Audit Committee Report.

Other fees include consulting services. We did not engage our principal auditors to provide any professional services in connection with implementing, operating or supervising the operation of any information system that aggregates source data underlying the financial statements or generates information that is significant to the company's financial statements taken as a whole. The Audit Committee has determined that the non-audit services rendered by our principal accountants during our most recent fiscal year are compatible with maintaining their independence.

- 17 -

The Audit Committee is directly responsible for determining the compensation of the independent auditors and has established pre-approval policies and procedures for all KPMG LLP work. All audit work performed by KPMG LLP is approved in advance by our Audit Committee, including the amount of fees due and payable to them for such work. In addition, our Audit Committee also approves all non-audit related work performed by KPMG LLP in advance of the commencement of such work. In 2004, all fees paid to KPMG LLP were approved by our Audit Committee in advance of the performance of work by KPMG LLP, and no fees were approved after the services were rendered by our principal accounting firm.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is comprised of independent directors as required by the listing standards of the NASDAQ Stock Market. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors which is available at www.hibbett.com under Investor Relations.

The role of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements, management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's evaluation of the Company's system of internal control over financial reporting included in the

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

annual report on Form 10-K with management and with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements and such other matters as are required to be discussed by the Statement on Auditing Standards No. 61, *Communication with Audit Committee*, as amended.

In addition, the Audit Committee has discussed with the independent registered public accounting firm their independence from management and our Company, including the matters in the written disclosures that the audit committee received from the independent registered public accounting firm, required by the Independence Standards Board's Standard No. 1 *Independence Discussions with Audit Committees* and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the independent registered public accounting firm the overall scope and plans for their audits. The committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of our financial reporting.

The Audit Committee was consulted in connection with the Company's conclusion, on March 9, 2005, to restate certain previously issued financial statements in relation to its accounting for certain types of leasing transactions and the Company's announcement, on such date, that the previously issued consolidated financial statements as of and for the fiscal years ended January 31, 2004, and February 1, 2003, and for the previously issued interim financial information for fiscal year 2005 and fiscal year 2004. In connection with such restatement, the Company's management also concluded that the control over financial reporting was not effective and that the control deficiency that resulted in the incorrect lease accounting represented a material weakness in internal control over financial reporting as of January 29, 2005. The Audit Committee received and considered the reports of management and the independent registered public accounting firm with respect to these matters.

- 18 -

Based on the reports and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements, including the restated financial statements for the prior periods identified above, be included in the Company's Annual Report on Form 10-K for the year ended January 29, 2005 for filing with the Securities and Exchange Commission.

Submitted on April 25, 2005 by the members of the Audit Committee of the Company's Board of Directors.

PROPOSAL NUMBER 1

ELECTION OF DIRECTORS

At the 2005 annual meeting of shareholders, the terms of three Class III directors are expiring. They are Clyde B. Anderson, H. Ray Compton and Ralph T. Parks. Mr. Compton has declined to stand for re-election so that he may pursue other interests. The Board of Directors proposes the re-election of Messrs. Anderson and Parks at the 2005 annual meeting of shareholders. If so elected, these Class III directors will hold office for a three-year term expiring at the annual meeting of stockholders to be held in 2008 and until their successors are elected and qualified. Proxies may not be voted for a greater number of persons than the nominees named herein.

If the nominee becomes unavailable for election, which is not anticipated, the directors' proxies will vote for the election of such other person as the Board of Directors may recommend.

All other directors will continue in office following this annual meeting and their terms will expire in 2006 (Class I) and 2007 (Class II). Officers are appointed by the board.

The nominees have indicated their willingness to serve as directors. If a nominee becomes unable to stand for reelection, the persons named in the proxy will vote for any substitute nominee proposed by the Board of Directors unless the board reduces the number of directors.

Vote Required

A director will be elected, so long as a quorum is present, if he receives the affirmative vote of a majority of the shares of our common stock present, in person or by proxy, at the Annual Meeting and entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT

YOU VOTE FOR EACH OF THE NOMINEES FOR DIRECTOR.

PROPOSAL NUMBER 2

APPROVAL TO ADOPT THE 2005 EMPLOYEE STOCK PURCHASE PLAN

The board has adopted, subject to stockholder approval, the Hibbett Sporting Goods, Inc. 2005 Employee Stock Purchase Plan (2005 ESPP), which is intended to replace an existing plan established in 1996.

The 2005 ESPP will qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code (the Code) and would provide eligible employees with an opportunity to purchase our common stock through quarterly payroll deductions.

Summary of the 2005 ESPP

ADMINISTRATION. The 2005 ESPP will be administered by the Board of Directors or a committee designated by the Board currently the Compensation Committee which will have the authority to administer the plan and to resolve all questions relating to the administration of the plan.

STOCK SUBJECT TO 2005 ESPP. As a roll-over plan, no new shares of common stock are reserved for issuance under the 2005 ESPP. Rather, all shares reserved for issuance under the company's existing employee stock purchase plan will be rolled forward and become available for purchase under the 2005 ESPP. This amount is subject to adjustment in the event of a stock split, stock dividend or other similar change in common stock or our capital structure. As of April 1, 2005, there were 139,251 such shares available under the existing plan.

ELIGIBILITY. All employees of Hibbett Sporting Goods, Inc. and its subsidiaries (including officers) who have been continuously employed for one year or more, whose customary employment is for more than 30 hours per week are eligible to participate in the 2005 ESPP. Non-employee directors are not eligible, nor are holders of five percent or more of the company's common stock. As of April 1, 2005, we had approximately 900 employees who would be eligible to participate in the 2005 ESPP.

OFFERING PERIOD. The 2005 ESPP designates purchase periods, accrual periods and exercise dates. Purchase periods are generally successive periods of three months. The first purchase period will begin on July 1, 2005, and end on September 30, 2005. Thereafter, purchase periods will begin on January 1, April 1, July 1, and October 1 of subsequent years.

PURCHASE PRICE. On the first day of each purchase period, a participating employee is granted a purchase right which is a form of option to be automatically exercised on the last day of the purchase period (the exercise date). During a purchase period, deductions are to be made from the pay of participants in accordance with their authorizations and credited to their accounts under the 2005 ESPP. When the purchase right is exercised, the participant's withheld salary is used to purchase shares of our common stock. The price per share at which shares of common stock may be purchased under the 2005 ESPP during any purchase period (the option price) is the lesser of: (a) 85% of the fair market value of common stock on the date of the grant of the option (i.e., the first day of the purchase period), or (b) 85% of the fair market value of common stock on the exercise date (i.e., the last day of the purchase period).

PAYMENT OF PURCHASE PRICE; PAYROLL DEDUCTIONS. Payroll deductions may range from 1% to 10% (in whole percentage increments) of a participant's gross pay exclusive of annual bonuses. Participants may not make direct cash payments to their accounts. The market value of shares of common stock that any employee may purchase under the 2005 ESPP during any calendar year may not exceed \$25,000 under restrictions imposed by the Code.

- 22 -

RIGHT OF FIRST REFUSAL. The 2005 ESPP contains a limited holding period and buy-back provision relating to shares purchased under the plan. Upon purchase of shares by an eligible participant under the 2005 ESPP, the Company may hold the certificates representing the shares for a period of up to two years from the date of grant. The 2005 ESPP permits the Company to impose either a holding period or a right of first refusal on such shares should the participant desire to sell any of them during the two-year period. The purchase price would be at the lesser of the current market price or the same discounted price paid by the participant for the shares, thereby negating any unrealized gain of such shares. Hibbett will be requesting a Private Letter Ruling from the Internal Revenue Service that the inclusion of these provisions in the 2005 ESPP will not affect the plan's qualification under Section 423 of the Internal Revenue Code. Should we not receive a favorable Private Letter Ruling, appropriate action will be taken to either abandon the 2005 ESPP or make changes that would insure that the plan is qualified under Section 423 of the Internal Revenue Code.

United States Federal Income Tax Consequences of Awards under the Plan

The Federal income tax consequences of participation in the 2005 ESPP we are submitting for approval are complex and subject to change. The following discussion is only a summary of the general rules applicable to the plan, not a complete description of the Federal income tax aspects. The summary is based on current provisions of the Internal Revenue Code and does not cover any state or local tax consequences of participation in the plan. Participants should consult their own tax advisors since a taxpayer's particular situation could result in some variation of the rules described below.

The 2005 ESPP is intended to qualify as an employee stock purchase plan within the meaning of Section 423 of the Code. Under a plan which so qualifies, a participant recognizes no taxable income upon either the grant or the exercise of the purchase rights. The participant will not recognize taxable income until there is a sale or other disposition of the shares acquired under the 2005 ESPP or in the event the participant should die while still owning the purchased shares.

The tax treatment of a sale or disposition of shares acquired under the 2005 ESPP will depend on whether the holding period requirements are satisfied. Generally, these requirements are satisfied if a participant does not sell or dispose of shares acquired in a given purchase period within two years after the beginning of such period, or within one year after the end of such period.

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

If a participant sells or disposes of shares before the holding period requirements are satisfied with respect to such shares, then the participant will recognize ordinary income at the time of such sale or disposition equal to the lesser of (1) the fair market value of such shares on the last day of the purchase period from which they were acquired minus the option price, or (2) the amount realized on the sale or disposition minus the option price. Any gain in excess of this amount can be treated as capital gain.

If a participant sells or disposes of shares after the holding period requirements are satisfied with respect to such shares, then the participant will recognize ordinary income in the year of sale or disposition equal to the lesser of: (1) the fair market value of such shares on the sale or disposition date minus the option price or (2) 15% of the fair market value of such shares on the first day of the purchase period from which they were acquired. Any additional gain upon the disposition will be taxed as a long-term capital gain.

If the participant owns shares acquired under the 2005 ESPP at the time of death, then, regardless of whether the holding period requirements are satisfied, the amount of ordinary income equals the lesser of: (1) the fair market value of such shares on the date of death minus the option price or (2) 15% of the fair market value of such shares on the first day of the purchase period from which they were acquired.

Hibbett is not allowed any deductions upon either the grant or exercise of the purchase rights. If the holding period requirements are not satisfied with respect to the sale or disposition of any shares acquired under the 2005 ESPP, then we will be entitled to a tax deduction in the year of such sale or disposition equal to the amount of ordinary income recognized by the participant as a result of such sale or disposition. In all other cases, we are entitled to no deduction.

Benefits to Executive Officers

No new plan benefits table for the 2005 ESPP is included in this document. Participation in the 2005 ESPP is voluntary and is dependent on each eligible employee's election to participate and his or her determination as to the level of payroll deduction. Accordingly, future purchases under the 2005 ESPP are not determinable. In addition, the amounts that would have been allocated under the 2005 Stock Purchase Plan if it had been in effect during fiscal year 2004 cannot be determined. No purchases have been made under the 2005 ESPP since its adoption by the Board of Directors.

Information with respect to securities issued and available for issuance under existing equity compensation plans is set forth in the equity compensation table on page 16.

PROPOSAL NUMBER 3

APPROVAL TO ADOPT THE 2005 DIRECTOR DEFERRED COMPENSATION PLAN

The Board has adopted the 2003 Director Deferred Compensation Plan, subject to shareholder approval. This plan permits any directors who receive a retainer or other fees for Board or committee service to make an election:

to defer all or a portion of such fees until a future date, when they may be paid in either cash or in shares of our common stock or to receive all or a portion of such fees in non-statutory stock options.

Summary of the Director Deferred Compensation Plan

ADMINISTRATION. The plan will be administered by the Board, which shall have discretion both to carry out the plan and to determine the amount and form of payment of the annual retainer and any additional fees payable by the company to directors for their services. Currently only non-employee directors receive a retainer and fees. For a discussion of these amounts, see page 7 of this proxy statement.

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

DEFERRAL ACCOUNTS. Any director who is to receive fees for service may elect to defer all or a portion of those fees by delivering a deferral election to the company. Generally, the election must be delivered by December 31 and will take effect for the next calendar year. The election remains in force until changed or revoked. Any change or revocation will take effect for the following calendar year. The election must state:

- the amount or portion of the fees to be deferred;
- whether and to what extent such fees are to be deferred in cash or in shares;
- whether the pay out shall be in installments or a lump sum; and
- the date on which the pay out shall commence.

Deferred fees which are to be paid out in cash shall earn interest at the 30-year Treasury Bond Rate. If a director elects to be paid in shares, then the company will credit the director's deferred account with a book entry for a number of shares determined by dividing the amount of deferred fees by the then-current market price of a share.

We will not segregate or earmark any funds or shares with respect to deferred fees. Rather, we intend to make available, as and when required, a sufficient number of shares or cash to meet the requirements of the plan.

STOCK OPTIONS. Directors may choose to receive non-statutory stock options, in lieu of any remaining fees which are not deferred as described above. The method of making this election, or changing or revoking it, is the same as for a deferral of fees. The number of options issued to a director will equal the dollar amount of the portion of his or her fee which is to be paid in options, divided by thirty-three percent (33%) of the price of a share. The exercise price of the option may not be less than 100% of the fair market value of the common stock on the date the option is issued. The options shall be fully vested when issued and the term of such options shall be ten (10) years.

Non-employee directors electing to receive options in lieu of cash fees will receive options issued under, and subject to the terms and conditions of, the Stock Plan for Outside Directors. Directors who are company employees do not currently receive fees and therefore could not take advantage of the Director Deferred Compensation Plan. However, should the Board permit those directors to receive fees in the future, and they elected to receive options in lieu of cash fees, they would receive non-statutory options issued under, and subject to the terms and conditions of, the Equity Incentive Plan, provided it is approved by the stockholders.

- 25 -

SHARES TO BE ISSUED UNDER THE PLAN. The maximum number of shares of our common stock that may be paid out under the Director Deferred Compensation Plan is 75,000. (This number does not include options received in lieu of cash fees, which are subject to the limitations in the Stock Plan for Outside Directors and the Equity Incentive Plan.) The Board may adjust the maximum amount to account for any future stock split, reverse stock split, stock dividend, combination, or reclassification of common stock or any similar transaction effected for which we do not receive any payment. No options may be granted after the tenth anniversary of the effective date of the plan.

CHANGE OF CONTROL. In the event of a change of control of the company, the Board has discretion to pay out any outstanding balance in a director's deferral account in a lump sum or to arrange to have the surviving corporation or another entity assume the deferred accounts, making such adjustments as the Board deems appropriate.

AMENDMENT. The Board may amend or terminate the Director Deferred Compensation Plan at any time. We must obtain shareholder approval for any change that would require such approval under listing standards of the NASDAQ Stock Market and any regulatory or tax requirement with which the Board desires to comply. However, no rights under an outstanding award may be impaired by such action without the consent of the holder.

Text of the Plan

The preceding summary of the Director Deferred Compensation Plan is qualified in its entirety by reference to the complete text of the plan which is set forth in Appendix B to our definitive proxy statement as filed with the Securities and Exchange Commission. Our filings with the SEC may be found through our corporate website at www.hibbett.com under the heading Investor Relations.

United States Federal Income Tax Consequences of Awards under the Plan

The Federal income tax consequences of participation in the Director Deferred Compensation Plan we are submitting for approval are complex and subject to change. The following discussion is only a summary of the general rules applicable to the plan, not a complete description of the Federal income tax aspects. The summary is based on current provisions of the Internal Revenue Code and does not cover any state or local tax consequences of participation in the plan. Participants should consult their own tax advisors since a taxpayer's particular situation could result in some variation of the rules described below.

ELECTION TO DEFER. An election to defer compensation made by a participant prior to the calendar year in which services are performed results in a deferral of federal income tax until such time as the compensation is paid. The company will have a corresponding deduction when the participant includes the compensation into income.

NON-QUALIFIED OPTIONS. The election to receive a non-qualified option ("NQO") will not result in taxable income to the participant. The participant will realize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares acquired over the exercise price for those shares, and the company will be entitled to a corresponding deduction. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of exercise. For more information relating to the U.S. federal tax consequences of NQOs received under the Deferred Compensation Plan, see **United States Federal Income Tax Consequences of Awards under the Plan** under Proposal No. 3.

Benefits to Executive Officers and Directors

No new plan benefits table for the Director Deferred Compensation Plan is included in this document. Participation in the plan is voluntary and is dependent on each eligible director's election to participate. Accordingly, future elections to receive options under the Director Deferred Compensation Plan are not determinable. No such elections have been made under the plan since its adoption by the Board of Directors. See "Director Compensation" at page 7 for detailed information on cash payments to non-employee directors during the most recent and future fiscal years.

Vote Required

The Director Deferred Compensation Plan will be adopted, so long as a quorum is present, if it receives the affirmative vote of a majority of the shares of our common stock present, in person or by proxy, at the Annual Meeting and entitled to vote.

PROPOSAL NUMBER 4

APPROVAL TO ADOPT THE 2005 EQUITY INCENTIVE PLAN

The board has adopted, subject to stockholder approval, the Hibbett Sporting Goods, Inc. 2005 Equity Incentive Plan ("Equity Incentive Plan").

The Equity Incentive Plan is intended to replace our existing Amended and Restated 1996 Stock Option Plan ("SOP"), under which we currently grant options to company employees and independent contractors. As of April 1, 2005, approximately 508,000 shares remain available for issuance under the existing plan. This number of shares is insufficient to achieve the ongoing purposes of the plan. In addition, the Board wishes to expand the types of equity awards the company may make to include options, stock appreciation rights, performance units, restricted stock,

and other stock.

Therefore, the Board has adopted the Equity Incentive Plan under which 500,000 shares will become available for issuance. In addition, the approximately 508,000 shares available for future awards under the SOP shall be rolled into the Equity Incentive Plan. No additional awards shall be granted under the SOP after the 2005 Equity Incentive Plan has been adopted by the stockholders.

The new plan permits us to grant a variety of equity awards. Its purpose is to promote our interests and the interests of our shareholders by motivating key employees to work towards achieving our long-range goals and by attracting and retaining exceptional employees. By motivating key employees to share in our long-term growth and financial success, employee interests are more closely aligned with those of our shareholders.

ADMINISTRATION. The plan is administered by the Compensation Committee of the Board (the "Committee"). The Committee is authorized to, among other things:

- determine which employees will be granted awards;

- determine whether awards will be for non-qualified stock options, incentive stock options (which qualify for special treatment under Section 422 of the Internal Revenue Code), stock appreciation rights, performance units, restricted stock and other stock;

- determine the terms and conditions of each participant's individual award agreement, including vesting schedules, lapsing conditions, and transfer restrictions for each award; and

- make all other determinations necessary or advisable to administer the plan.

STOCK OPTIONS. Options to purchase shares of common stock granted under the Equity Incentive Plan may be incentive stock options that qualify for favorable income tax treatment or non-statutory stock options. The purchase price of common stock covered by an option may not be less than 100% of the fair market value of the common stock on the date of the option grant. On April 4, 2005, the closing price of the common stock was \$29.81 per share. Options may be exercised only at such times as may be specified by the Committee in the participant's stock option agreement. If the option so provides, a participant exercising an option may pay the purchase price through cash payments, by the delivery of shares of stock, or by such other methods of exercise as may be approved by the Committee from time to time.

- 28 -

STOCK APPRECIATION RIGHTS. The Compensation Committee may award stock appreciation rights alone or in tandem with non-statutory stock options, and impose such conditions upon their exercise as it deems appropriate. When the stock appreciation right is exercisable, the holder may surrender all or a portion of his unexercised stock appreciation right and receive in exchange an amount equal to the excess of (i) the fair market value on the date of exercise of the common stock covered by the surrendered portion of the stock appreciation right over (ii) the fair market value of the common stock on the date of grant. The payment may be in cash or shares of stock. The Committee may limit the amount that can be received when a stock appreciation right is exercised.

Repricing of options and stock appreciation rights after the date of grant is not permitted.

RESTRICTED STOCK. Restricted stock issued pursuant to the Equity Incentive Plan is subject to the following general restrictions: (i) none of such shares may be sold, transferred, pledged, or otherwise encumbered or disposed of until the restrictions on such shares shall have lapsed or been removed under the provisions of the plan, and (ii) if a holder of restricted stock ceases to be employed by the company, such holder will forfeit any shares of restricted stock on which the restrictions have not lapsed or been otherwise removed. The Committee establishes as to each share of restricted stock issued under the Equity Incentive Plan the terms and conditions upon which the restrictions on such shares shall lapse. Such terms and conditions may include, without limitation, the lapsing of such restrictions at the end of a specified period of time, the meeting of performance goals, or as a result of the disability, death or retirement of the recipient.

STOCK UNITS AND RESTRICTED STOCK UNITS. The Committee may award participants either the right to receive shares in the future or the right to receive restricted stock in the future. Any such awards are subject to conditions, restrictions and contingencies as the Committee may determine.

PERFORMANCE UNITS AND SHARES. The Committee may establish performance programs with fixed goals and designate employees as eligible to receive either a number of shares or a dollar amount of shares if the goals are achieved. Performance units and shares will be issued only in accordance with the program established by the Committee. More than one performance program may be established by the Committee. Such programs may operate concurrently or for varied periods of time, and a participant may participate in more than one program at the same time. A participant who is eligible to receive performance units or shares has no rights as a stockholder until shares are received.

The Compensation Committee may establish performance programs with fixed goals and designate employees as eligible to receive either a number of shares or a dollar amount of shares if the goals are achieved. Performance units and shares will be issued only in accordance with the program established by the committee. Achievement of goals relating to the following measures, to be set by the Compensation Committee in connection with any particular award, shall be necessary for the receipt of payouts under performance awards:

- sales increases (including comparable store sales);
- profits and earnings (including operating income and EBITDA cash flow;
- shareholder value; or
- financial condition or liquidity.

Such goals may be stated in absolute terms, relative to comparison companies or indices, as increases over past time periods, as ratios (such as earnings per share), or as returns on any of the foregoing measures over a period of time.

AWARD LIMITS. Subject to adjustments that the Committee may make upon future stock splits, share dividends and certain other transactions:

Incentive stock options and restricted stock grants granted under the Equity Incentive Plan may cover no more than 1,000,000 shares each during the life of the plan.

One individual may receive options or stock appreciation rights to no more than 100,000 shares during any one calendar year period.

However, if an option is in tandem with a stock appreciation right, then the tandem option and stock appreciation right shall be counted as covering the same shares.

One individual may receive awards (other than options or stock appreciation rights) for no more than 30,000 shares (or \$600,000 in value in the case of performance units) during any one calendar year period, if the awards are intended to be "performance-based compensation."

OTHER TERMS AND CONDITIONS. All company employees, including our executive officers, and independent contractors selected by the Committee are eligible to participate in the plan. As of April 4, 2005, we employed approximately 4,100 persons. Generally, awards may only be transferred upon death, but the Committee may provide for broader transferability in the award agreement. The Committee also has the authority to determine the vesting and expiration of the awards.

SHARES TO BE ISSUED UNDER THE PLAN. The maximum number of shares of our common stock that may be granted as awards under the Equity Incentive Plan is 500,000, plus any shares available for future awards under the SOP, which terminates on July 1, 2005. (As of April 1, 2005, there were approximately 508,000 shares issuable under the old plan.) The Committee may, however, adjust this maximum amount to account for any future stock split, reverse stock split, stock dividend, combination, or reclassification of common stock or any similar transaction effected for which we do not receive any payment. When an award is forfeited or lapses, including awards under the old plan, the shares subject to that award become available for future awards under the new plan. Also, shares tendered in payment for the exercise price or the related withholding obligation will increase the number of shares available for awards under the plan. No awards may be made after July 1, 2015, the tenth anniversary of the effective date of the plan.

CHANGE OF CONTROL. In the event of a change of control of the company, the Committee has discretion to accelerate the vesting or exercisability of any awards and to cash-out any and all outstanding awards, subject to limitations imposed by the Internal Revenue Code. The Committee also has the right to substitute or assume awards in connection with mergers, reorganizations, or other transactions.

AMENDMENT. The Board may amend or terminate the Equity Incentive Plan at any time. We must obtain shareholder approval for any change that would require such approval under listing standards of the NASDAQ Stock Market and any regulatory or tax requirement with which the Board desires to comply. However, no rights under an outstanding award may be impaired by such action without the consent of the holder.

Text of the Plan

The preceding summary of the Equity Incentive Plan is qualified in its entirety by reference to the complete text of the plan which is set forth in Appendix C to our definitive proxy statement as filed with the Securities and Exchange Commission. Our filings with the SEC may be found through our corporate website at www.hibbett.com under the heading Investor Relations.

United States Federal Income Tax Consequences of Awards under the Plan

The Federal income tax consequences of participation in the Equity Incentive Plan we are submitting for approval are complex and subject to change. The following discussion is only a summary of the general rules applicable to the plan, not a complete description of the Federal income tax aspects. The summary is based on current provisions of the Internal Revenue Code and does not cover any state or local tax consequences of participation in the plan. Participants should consult their own tax advisors since a taxpayer's particular situation could result in some variation of the rules described below.

- 30 -

NON-QUALIFIED OPTIONS. The grant of a non-qualified option ("NQO") will not result in taxable income to the participant. The participant will realize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares acquired over the exercise price for those shares, and the company will be entitled to a corresponding deduction. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of exercise.

INCENTIVE STOCK OPTIONS. The grant of an incentive stock option ("ISO") will not result in taxable income to the participant. The exercise of an ISO will not result in taxable income to the participant provided that the participant was, without a break in service, an employee of the company or a subsidiary during the period beginning on the date of the grant of the option and ending on the date three months prior to the date of exercise (one year prior to the date of exercise if the participant is disabled, as that term is defined in the Internal Revenue Code).

If the participant does not sell or otherwise dispose of the stock within two years from the date of the grant of the ISO or within one year after receiving the transfer of such stock, then, upon disposition of such shares, any amount realized in excess of the exercise price will be taxed to the participant as capital gain, and the company will not be entitled to any deduction for Federal income tax purposes.

If the foregoing holding period requirements are not met, the participant will generally realize ordinary income, and a corresponding deduction will be allowed to the company, at the time of the disposition of the shares, in an amount equal to the lesser of (i) the excess of the fair market value of the shares on the date of exercise over the exercise price, or (ii) the excess, if any, of the amount realized upon disposition of the shares over the exercise price. If the amount realized exceeds the value of the shares on the date of exercise, any additional amount will be capital gain. If the amount realized is less than the exercise price, the participant will recognize no income, and a capital loss will be recognized equal to the excess of the exercise price over the amount realized upon the disposition of the shares.

Special rules apply if a participant pays the exercise price for a NQO or ISO in shares previously owned by the optionee rather than in cash.

STOCK APPRECIATION RIGHTS. The grant of a SAR will not result in taxable income to the participant. Upon exercise of a SAR, the amount of cash or the fair market value of shares received will be taxable to the participant as ordinary income, and a corresponding deduction will be allowed to the company. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of exercise.

PERFORMANCE UNITS. A participant who has been granted performance units will not realize taxable income at the time of grant, and the company will not be entitled to a deduction at that time. The participant will have compensation income at the time of distribution equal to the cash and the then fair market value of the distributed performance shares, and the company will have a corresponding deduction.

RESTRICTED AND OTHER STOCK. A participant who has been granted a restricted stock award will not realize taxable income at the time of grant, and the company will not be entitled to a deduction at that time, assuming that the restrictions constitute a "substantial risk of forfeiture" for Federal income tax purposes. Upon the vesting of shares subject to an award, the holder will realize ordinary income in an amount equal to the then fair market value of those shares, and the company will be entitled to a corresponding deduction. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of vesting.

A participant may elect, pursuant to Section 83(b) of the Internal Revenue Code, to have the income recognized and measured at the date of grant of restricted stock and to have the applicable capital gain holding period commence as of that date. If a Section 83(b) election is made, the company will be entitled to a corresponding deduction at the time of grant.

- 31 -

A participant who has been granted a stock award that is not subject to a substantial risk of forfeiture for Federal income tax purposes (for example, bonus stock) will realize ordinary income in an amount equal to the fair market value of the shares at such time, and the company will be entitled to a corresponding deduction.

LIMITATIONS ON DEDUCTIONS. The company's deductions described above may also be subject to the limitations of Section 162(m) of the Internal Revenue Code. The company does not currently expect to be subject to such limitations.

CHANGE OF CONTROL. Any acceleration of the vesting or payment of awards under the plan in the event of a change of control of the company may cause part or all of the consideration involved to be treated as an "excess parachute payment" under the Internal Revenue Code, which may subject the participant to a 20% excise tax and which may not be deductible by the company.

Benefits to Executive Officers and Directors

No new plan benefits table for the Equity Incentive Plan is included in this document. Participation in the Equity Incentive Plan is made at the Compensation Committee's discretion and is based on our company's performance. Accordingly, future awards under the plan is not determinable at this time. See "[Report on Executive Compensation](#)" on page 14 for detailed information on awards to certain executive officers

under the company's Stock Option Plan during the most recent fiscal year.

Vote Required

The Equity Incentive Plan will be adopted, so long as a quorum is present, if it receives the affirmative vote of a majority of the shares of our common stock present, in person or by proxy, at the Annual Meeting and entitled to vote.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR

OTHER BUSINESS

The Company's Board of Directors knows of no other matters to be brought before the meeting other than as described in this Proxy Statement. However, if any other proper matters are brought before the meeting, the persons named in the enclosed proxy, or in the event no person is named, Michael J. Newsome and Gary A. Smith, will vote in accordance with their best judgment on such matters.

GENERAL INFORMATION ABOUT VOTING

A quorum of shareholders is necessary to hold a valid meeting. If a majority of the outstanding shares of common stock that are entitled to vote are present, in person or by proxy, a quorum will exist. Abstentions and broker non-votes (described below) are counted for establishing a quorum.

On certain routine matters, brokers may, at their discretion, vote shares they hold in street name on behalf of beneficial owners who have not returned voting instructions to the brokers. Routine matters include the election of directors (Proposal 1). In instances where brokers are prohibited from exercising discretionary authority, brokers will not vote the shares of beneficial owners who fail to provide instruction (so-called broker non-votes). These shares are not included in the vote totals and, therefore, have no effect on the vote. At the 2005 annual meeting, we

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

believe brokers will be prohibited from exercising discretionary authority with respect to approving the 2005 Employee Stock Purchase Plan (Proposal 2), approving the 2005 Director Deferred Compensation Plan (Proposal 3) and approving the 2005 Equity Incentive Plan (Proposal 4).

Broker non-votes will not be counted as votes "for" or "against" any proposal and will not affect the outcome with respect to any matter to be voted on. Any abstention or vote withheld will have the same effect as a vote against a nominee or proposal.

If no specification is made on a properly executed proxy form, the proxies will vote for the election of each of the nominees for Director (Proposal 1) and in favor of the approval of the 2005 Employee Stock Purchase Plan (Proposal 2), approval of the 2005 Director Deferred Compensation Plan (Proposal 3) and approval of the 2005 Equity Incentive Plan (Proposal 4).

SUBMISSION OF STOCKHOLDER PROPOSALS FOR THE 2006 ANNUAL

MEETING OF STOCKHOLDERS

In accordance with Rule 14a-8 of the Securities and Exchange Commission, we are not required to include any proposal by a stockholder in the proxy statement and proxy form for the 2006 annual meeting of stockholders unless we receive the proposal at our executive offices, 451 Industrial Lane, Birmingham, Alabama 35211, on or before January 12, 2006. If a stockholder desires to bring before the company's 2006 annual meeting of stockholders a proposal that is not submitted for inclusion in our proxy statement in accordance with Rule 14a-8, notice of the proposal must be received by the Company at least 45 days before the one-year anniversary of the date of mailing of this Proxy Statement in order for such notice to be considered timely for purposes of SEC Rule 14a-4(c). We expect to mail this Proxy Statement beginning on or about April 29, 2005, in which case we would have to receive such notice by March 27, 2006 for it to be considered timely under Rule 14a-4(c). The proxies we solicit for next year's annual meeting may confer discretionary authority to vote on any shareholder proposals that were not submitted in a timely manner, and no description of such proposals will be included in the proxy statement for that meeting.

- 33 -

SOLICITATION OF PROXIES

The company will bear cost of this solicitation of proxies. In addition to solicitation by mail, our directors, officers and other employees may solicit proxies personally or by telephone or other means of communication. We will request certain banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares of the company held of record by such persons, and we will reimburse reasonable forwarding expenses.

Householding

In some cases, only one proxy statement is being delivered to multiple stockholders sharing an address unless the company has received contrary instructions from one or more of the stockholders. Upon written or oral request, we will deliver a separate copy of the proxy statement to a stockholder at a shared address to which a single copy of the proxy statement was delivered. A stockholder can notify the company's Investor Relations department at the above address that he or she wishes to receive a separate copy of the proxy statement in the future, or alternatively, that he or she wishes to receive a single copy of the materials instead of multiple copies.

ANNUAL REPORT AND 10-K REPORT

This Proxy Statement is being mailed together with our annual report to stockholders for the fiscal year ended January 29, 2005. A copy of our Annual Report on Form 10-K for the fiscal year ended January 29, 2005, as filed with the Securities and Exchange Commission, will be furnished upon request. The exhibits to the Form 10-K will be furnished upon request and payment of the cost of reproduction. Such written request should be directed to Investor Relations, 451 Industrial Lane, Birmingham, Alabama 35211. ARTICLE 5

OFFERINGS AND OPTION GRANTS

5.1. *Duration of Offerings.* The Plan shall be implemented in a series of quarterly Offerings which shall continue until all shares of Common Stock reserved for this Plan have been issued to the Participants. Notwithstanding anything to the contrary, this Plan shall terminate and there shall be no further Offerings upon the earlier of: (1) the issuance of all shares reserved under Section 9.1 of Common Stock or (2) the end of the fortieth (40th) quarterly Offering.

5.2. *Number of Option Shares.* On each Offering Commencement Date, a Participant shall be granted an Option to purchase on each Offering Termination Date up to a number of shares of Common Stock of the Company determined by dividing such Participants accumulated payroll deductions as of the Offering Termination Date by the applicable Option Price; provided that in no event shall a Participant be permitted to purchase during each Offering more than 1,000 shares of Common Stock of the Company, and provided further that such purchase shall be subject to the limitations of Sections 4.4 and 10.1. The Committee may for future offerings, increase or decrease, in its absolute discretion, the maximum number of shares of Common Stock that a Participant may purchase during each Offering. Exercise of the Option shall occur as provided herein, unless the Participant has withdrawn pursuant to ARTICLE 8. The Option shall expire on the Offering Termination Date.

ARTICLE 6

PAYROLL DEDUCTIONS

6.1. *Amount of Deduction.* Upon filing the Option Agreement, the Participant shall elect to have deductions made from his paycheck on each payday during the time he is a Participant in an Offering at the rate of 1, 2, 3, 4, 5, 6, 7, 8, 9 or 10% of his compensation as determined for each applicable paycheck.

6.2. *Participant's Account.* The Company shall establish a bookkeeping account for each Participant and all payroll deductions made for a Participant shall be credited to his account under the Plan.

6.3. *Changes in Payroll Deductions.* A Participant may discontinue his participation in the Plan as Provided in ARTICLE 8, but no other change can be made during an Offering and, specifically, a Participant may not alter the amount of his payroll deductions for that Offering.

ARTICLE 7

EXERCISE OF OPTION

7.1. *Automatic Exercise.* Unless a Participant gives written notice to the Company as hereinafter provided, his Option for the purchase of Common Stock with payroll deductions made during any Offering will be deemed to have been exercised automatically on the Offering Termination Date applicable to such Offering, for the purchase of the number of full shares of Common Stock which the accumulated payroll deductions in his account at that time will purchase at the applicable Option Price (but not in excess of the number of shares for which Options have been granted to the employee pursuant to Section 5.2) and any excess in his account at that time will be returned to him, except as provided in Section 7.3.

7.2. *Withdrawal of Account.* By written notice to the Administrator, at any time prior to the Offering Termination Date applicable to any Offering, a Participant may elect to withdraw all the accumulated payroll deductions in his account at such time.

7.3. *Fractional Shares.* Fractional shares will not be issued under the Plan and any accumulated payroll deductions which would have been used to purchase fractional shares shall, unless otherwise requested by the Participant, be held in the Participant's account for the purchase of Common Stock during the next Offering.

- 40 -

7.4. *Transferability of Option.* During a Participant's lifetime, Options held by such Participant shall be exercisable only by that Participant.

7.5. *Delivery of Stock.* Subject to Section 7.6 below, as promptly as practicable after the Offering Termination Date of each Offering, the Company shall arrange the delivery to each Participant, as appropriate, of a record of the shares purchased. The administrator may permit or require that such shares be deposited directly with a broker designated by such officer or to a designated agent of the Company, and the Administrator may utilize electronic or other automated methods of share transfer. Common Stock will be issued in the name of the Participant, or, if the Participant so directs by written notice to the Administrator prior to the Offering Termination Date applicable thereto, in the names of the Participant and one such other person as may be designated by the Participant, as joint tenants with rights of survivorship or as tenants by the entirety, to the extent permitted by applicable law. No Participant shall have any voting, dividend, or other shareholder rights with respect to shares of Common Stock subject to any Option granted under the Plan until such shares have been purchased and delivered to the Participant as provided in this Section 7.5.

7.6. *Restriction on Resale* . The Committee may require that shares purchased by a Participant pursuant to an Offering be held in escrow as provided in Section 7.6(a) and be subject to a holding period or repurchase right as provided in Section 7.6(b). The Committee may impose this requirement on any Offering and such requirement, if imposed, shall be imposed on all Options granted during such Offering.

(a) As promptly as practicable after each Exercise Date on which a purchase of shares occurs, the Committee or its delegate may instruct its transfer agent to prepare and deliver to the Administrator or its designee, one or more certificates representing the shares purchased upon exercise by each Participant in the Plan, which shall be held in escrow by the Company for the benefit of each such Participant until the expiration of the holding period and/or repurchase right described in Section 7.6(b) below. As promptly as practicable after the termination of such holding period or repurchase right, the Company shall deliver to each Participant each certificate held in escrow by the Company for which the holding period or repurchase right has so terminated.

(b) The Committee may, at its election, impose on any shares obtained under the Plan a holding period during which the sale, transfer or other disposition of such shares shall be prohibited, a right of first refusal to repurchase such shares if a Participant or former Participant proposes to dispose of such shares, or both. Such holding period or the duration of such repurchase right shall terminate no later than (i) two years after the date on which the option to purchase such share of Common Stock was granted, and (ii) one year after the Exercise Date on which the option to purchase such share of Common Stock was exercised. If a right of first of refusal is imposed, each Participant or former Participant must immediately deliver to the Administrator written notice of such proposed disposition. Upon receipt of such notice, the Company shall have the exclusive option, for a period of ten (10) days after receipt of such notice, to purchase such Common Stock for a price equal to the lesser of (i) the Purchase Price for such shares or (ii) the Fair Market Value of such Common Stock on the date of such repurchase. If the Company does not elect to exercise its option to purchase such Common Stock, then the Participant or former Participant may proceed with the proposed disposition.

(c) The Administrator shall notify all Eligible Recipients of the Committee's election to impose any holding period or repurchase rights under this Section 7.6 at least six (6) months in advance of any such imposition.

- 41 -

ARTICLE 8

WITHDRAWAL

8.1. *In General*. Under procedures established by the Committee, a Participant may withdraw all but not less than all the payroll deductions credited to his account and not yet used to exercise his or her Option under the Plan by submitting to the Administrator a notice of withdrawal in the form and manner prescribed by the Committee for such purpose. Unless otherwise determined by the Committee on a uniform and non-discriminatory basis, any election to withdraw from an Offering will be effective only with respect to the Offering Termination Dates that are at least five (5) business days after the properly completed election is received by the Administrator. All of the Participant's payroll deductions credited to his account shall be paid to such Participant as promptly as practicable after the effective date of his or her withdrawal and such Participant's Option for the Offering shall be automatically terminated, and no further payroll deductions for the purchase of shares shall be made for such Offering. Once a Participant has withdrawn from an Offering, the Participant may not re-enroll in the same Offering. Moreover, payroll deductions shall not resume at the beginning of the succeeding Offering unless the Participant re-enrolls in the Plan in accordance with provisions of Section 4.3.

Edgar Filing: HIBBETT SPORTING GOODS INC - Form DEF 14A

8.2. *Effect on Subsequent Participation.* A Participant's withdrawal from any Offering will not have any effect upon his eligibility to participate in any succeeding Offering or in any similar plan which may hereafter be adopted by the Company.

8.3. *Termination of Employment.* Upon termination of the Participant's employment for any reason, including retirement (but excluding death while in the employ of the Company or any Subsidiary Corporation), the Participant shall be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such Participant's account during the Offering but not yet used to exercise the Option shall be returned to such Participant or, in the case of his death, to the person or persons entitled thereto under Section 10.2, and such Participant's Option shall be automatically terminated.

8.4. *Termination of Employment Due to Death.* Upon termination of the Participant's employment because of his death, his beneficiary (as defined in Section 10.2) shall have the right to elect, by written notice given to the Administrator prior to the earlier of the Offering Termination Date or the expiration of a period of sixty (60) days commencing with the date of death of the Participant, either:

8.4.1. to withdraw all of the payroll deductions credited to the Participant's account under the Plan, or

8.4.2. to exercise the Participant's Option for the purchase of Common Stock on the Offering Termination Date next following the date of the Participant's death for the purchase of the number of full shares of Common Stock which the accumulated payroll deductions in the Participant's account at the date of the Participant's death will purchase at the applicable Option Price, and any excess in such account will be returned to said beneficiary, without interest.

In the event that no such written notice of election shall be duly received by the treasurer of the Company, the beneficiary shall automatically be deemed to have elected, pursuant to paragraph 8.4.2, to exercise the Participant's Option.

ARTICLE 9

STOCK

9.1. *Maximum Shares.* The maximum number of shares of Common Stock which shall be issued under the Plan, subject to adjustment upon changes in capitalization of the Company as provided in Section 10.6 shall be equal to the sum of (i) the amount of any shares of Common Stock available for future awards under any prior employee stock purchase plan of the Company (the Prior Plans) as of the Effective date; and (ii) any shares of Common Stock that are represented by options granted under any Prior Plans which are forfeited, expired or are canceled without delivery of shares of Common Stock or which for any reason result in the forfeiture of the shares of Common Stock back to the Company. If the total number of shares of Common Stock for which Options are exercised are exercised on any Offering Termination Date in accordance with ARTICLE 5 exceeds the maximum number of shares reserved for this Plan, the Company shall make a pro rata allocation of the shares of Common Stock available for delivery and distribution in as nearly a uniform manner as shall be practicable and as it shall determine to be equitable, and the balance of payroll deductions credited to the account of each Participant under the Plan shall be returned to him as promptly as possible.

9.2. *Participant's Interest in Common Stock.* The Participant will have no interest in the Common Stock covered by his Option until such Option has been exercised on the applicable Offering Termination Date.

ARTICLE 10

MISCELLANEOUS

10.1. *Compliance with Applicable Laws.* The Plan, the grant and exercise of Options to purchase shares under the Plan, and the Company's obligation to sell and deliver shares upon the exercise of Options to purchase shares shall be subject to compliance with all applicable federal, state and foreign laws, rules and regulations and the requirements of any stock exchange on which the shares may be listed. If the Company receives a determination from the Internal Revenue Service that the provisions of Section 7.6 adversely affect the plan's qualification under Section 423 of the Code, then Section 7.6 shall be deemed null and void or the Company may amend Section 7.6 in a manner acceptable to the Company that preserves qualification under Section 423 of the Code.

10.2. *Designation of Beneficiary.* The designated beneficiary pursuant to a qualified plan (as described in Section 401(a) of the Code) maintained by the Company shall be the designated beneficiary for the Plan, unless a Participant files a written designation of a beneficiary pursuant to this Plan. Such designation of beneficiary may be changed by the Participant at any time by written notice to the Administrator. Upon the death of a Participant and upon receipt by the Company of proof of identity and existence at the Participant's death of a beneficiary validly designated by him under the Plan, the Company shall deliver such Common Stock and/or cash to such beneficiary. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such Common Stock and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Common Stock and/or cash to the spouse or to any one or more dependents of the Participant as the Company may designate. No beneficiary shall, prior to the death of the Participant by whom he has been designated, acquire any interest in the stock or cash credited to the Participant under the Plan.

10.3. *Transferability.* Neither payroll deductions credited to a Participant's account nor any rights with regard to the exercise of an Option or to receive Common Stock under the Plan may be assigned, transferred, pledged, or otherwise disposed of in any way by the Participant other than by will or the laws of descent and distribution. Any such attempted assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 7.2.

10.4. *Use of Funds.* Any payroll deductions received or held by the Company under this Plan may be used by the Company for any corporate purpose and the Company shall not be obligated to segregate such payroll deductions.

10.5. *Interest.* No interest will be paid or allowed on any money paid into the Plan or credited to the account of any Participant.

10.6. *Adjustment Upon Changes in Capitalization.*

10.6.1. In the event of any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares, rights offering, extraordinary dividend or divestiture (including a spin-off) or any other change in the corporate structure or shares of the Company, the Committee (or, if the Company is not the surviving corporation in any such transaction, the Board of Directors of the surviving corporation) shall make appropriate adjustment (which determination shall be conclusive) as to (i) the number and kind of securities which thereafter may be made subject to Options under the Plan, (ii) the number and kind of securities which are subject to outstanding Options or (iii) the purchase price with respect to the foregoing. Without limiting the generality of the foregoing, in the event that any of such transactions are effected in such a way that holders of Common Stock shall be entitled to receive stock, securities or assets, including cash, with respect to or in exchange for such Common Stock, all Participants holding outstanding Options shall upon the exercise of such Option receive, in lieu of any shares of Common Stock they may be entitled to receive, such stock securities or assets, including cash, as have been issued to such Participants if their Options had been exercised and such Participants had received Common Stock prior to such transaction.

- 43 -

10.6.2. Upon: (a) the sale, lease, exchange or other transfer of all or substantially all of the assets of the Company (in one transaction or in a series of related transactions) to a corporation that is not controlled by the Company, (b) the approval by the shareholders of the Company of any plan or proposal for the liquidation or dissolution of the Company, (c) a successful tender offer for the Common Stock of the Company, after which the tendering party holds more than 30% of the issued and outstanding Common Stock of the Company, or (d) a merger, consolidation, share exchange, or other transaction to which the Company is a party pursuant to which the holders of all of the shares of the Company outstanding prior to such transaction do not hold, directly or indirectly, at least 70% of the outstanding shares of the surviving company after the transaction, the holder of each Option then outstanding under the Plan will thereafter be entitled to receive at the next Offering Termination Date upon the exercise of such Option for each share as to which such Option shall be exercised, as nearly as reasonably may be determined, the cash, securities and/or property which a holder of one share of Common Stock was entitled to receive upon and at the time of such transaction. The Board of Directors shall take such steps in connection with such transactions as the Board shall deem necessary to assure that the provisions of this Section 10.6 shall thereafter be applicable, as nearly as reasonably may be determined, in relation to the said cash, securities and/or property as to which such holder of such Option might thereafter be entitled to receive.

10.7. *Amendment and Termination.* The Board may suspend or terminate the Plan or any portion thereof at any time, and may amend the Plan from time to time in such respects as the Board may deem advisable in order that Options under the Plan shall conform to any change in applicable laws or regulations or in any other respect the Board may deem to be in the best interests of the Company; provided, however, that no such amendment shall be effective, without approval of the shareholders of the Company, if shareholder approval of the amendment is then required to comply with or obtain exemptive relief under any tax or regulatory requirement the Board deems desirable to comply with or obtain exemptive relief under, including without limitation, pursuant to Rule 16b-3 under the Exchange Act or any successor rule or Section 423 of the Code or under the applicable rules or regulations of any securities exchange or the NASDAQ, and provided further that no such amendment shall change the terms, conditions or eligibility requirements of an Option granted under the Plan. No termination, suspension or amendment of the Plan shall alter or impair any outstanding Option without the consent of the Participant affected thereby; provided, however, that this sentence shall not impair the right of the Committee to take whatever action it deems appropriate under Section 10.6.1 or Section 10.6.2 of the Plan.

10.8. *No Employment Rights.* Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate the employment or service of any Eligible Recipient or Participant at any time, nor confer upon any Eligible Recipient or Participant any right to continue in the employ or service of the Company or any Subsidiary.

10.9. *Effect of Plan.* The provisions of the Plan shall, in accordance with its terms, be binding upon, and inure to the benefit of, all successors of each employee participating in the Plan, including, without limitation, such Employee's estate and the executors, administrators or trustees

thereof, heirs and legatee, and any receiver, trustee in bankruptcy or representative of creditors of such Employee.

10.10. *Governing Law.* The place of administration of the Plan shall be conclusively deemed to be within the State of Delaware, and the rights and obligations of any and all persons having or claiming to have had an interest under the Plan or under any agreements evidencing Options shall be governed by and construed exclusively and solely in accordance with the laws of the State of Delaware without regard to conflict of laws provisions of any jurisdictions. All parties agree to submit to the jurisdiction of the state and federal courts of Alabama with respect to matters relating to the Plan and agree not to raise or assert the defense that such forum is not convenient for such party.

10.11. *Construction and Headings.* The use of the masculine gender shall also include within its meaning the feminine, and the singular may include the plural and the plural may include the singular, unless the context clearly indicates to the contrary. The headings of the Articles and Sections of the Plan are for convenience of reading only and are not meant to be of substantive significance and shall not add or detract from the meaning of such Article or Section.

(a) Any Eligible Director may elect to defer in either cash or Shares all or a portion of the Fees for any calendar year by delivering a deferral election (the "Deferral Election") to the Company not later than (i) December 31 of the year immediately preceding the year to which the Deferral Election related, or (ii) with respect to an Eligible Director's first year or partial year of service as a director, thirty days following the date on which such director first became a director. The Deferral Election shall specify the amount or portion of the Fees to be deferred; whether and to what extent such Fees are to be deferred in cash or in Shares; the manner of payment with respect to such deferred amounts; and the date on which the deferred amounts shall be paid and whether paid in lump sum or in which installment payment shall commence. An election to defer Fees shall remain in force for such calendar year thereafter until changed or revoked by the director by written notice to the Company not later than December 31 immediately preceding the year to which such change or revocation relates. A Deferral Election to delay the timing or change the form of payment cannot take effect for at least twelve (12) months and shall be made at least twelve (12) months prior to the first scheduled payment. A Deferral Election may not be changed or revoked after the beginning of the year to which it relates.

(b) For the year in which the Plan is first implemented, any Eligible Director may make an election to defer Fees for services to be performed subsequent to such election within 30 days after the effective date set forth in Section 5.1.

3.2. Accounts; Interest and Dividend Credits. On the first day of each calendar quarter (the "Credit Date"), an Eligible Director who elects to defer his or her Fees shall receive a credit to his or her deferred compensation accounts (the "Deferred Compensation Accounts") under the Plan as hereinafter provided. Any portion of a Participant's Fees which are deferred in cash shall be credited to the Participant's Cash Deferral Account. The amount of the credit shall equal the amount of Fees deferred in cash by the Participant during the immediately preceding calendar quarter. Any portion of a Participant's Fees which are deferred in Shares shall be credited to the Participant's Deferred Stock Account. The amount of the credit to such Deferred Stock Account shall be the number of Shares (rounded to the nearest one hundredth of a Share) determined by dividing the amount of the Participant's Fees deferred in Shares during the immediately preceding quarter by the closing price of a Share as reported on the principal stock exchange where the Common Stock is listed on the trading date immediately preceding the Credit Date.

On the first day of each calendar quarter, an amount shall be credited to each Participant's Cash Deferral Account equal to the Interest Rate (as hereinafter defined) on the balance credited to the Cash Deferral Account during the immediately preceding calendar quarter. Interest shall accrue on the balance of each Participant's Cash Deferral Account commencing with the date the first payment is credited thereto and ending with the final payment therefrom. For this purpose, "Interest Rate" shall mean, with respect to any calendar quarter, 30-year Treasury Bond Rate then in effect.

Each time any dividend is paid on the Stock, a Participant who has a positive balance in his or her Deferred Stock Account shall receive a credit to such Account. The amount of the dividend credit shall be the number of Shares (rounded to the nearest one-hundredth of a Share) determined by multiplying the dividend amount per Share by the number of Shares credited to the Participant's Deferred Stock Account as of the record date for the dividend and dividing the product by the closing price per Share reported on the principal stock exchange where the Common Stock is listed on the dividend payment date.

3.3. Payment . The balance of an Eligible Director's Deferred Compensation Accounts shall be paid to the director (or, in the event of death, to his or her designated beneficiary or estate) according to his or her Deferral Election, provided, however, notwithstanding the Deferral Election distributions shall commence as soon as practicable following the date on which the director ceases to serve as a director of the Company. If an eligible Director's Cash Deferral Account is paid in installments, the amount of each installment shall be (1) the balance of the Cash Deferral Account on the Distribution Date divided by the number of installments plus (2) interest credits. A cash payment will be made with the final installment for any fraction of a share of Common Stock credited to the Eligible Director's Deferred Stock Account. Upon the death of an Eligible Director, the Company may elect to pay any remaining benefits in a single lump sum.

3.4. Designation of Beneficiary. Each Eligible Director may designate in writing a beneficiary to receive such portion, if any, of the director's Deferred Compensation Accounts as remains unpaid at the director's death. In the absence of a valid beneficiary designation, that portion, if any, of an Account remaining unpaid at the director's death shall be paid to his or her estate.

3.5. Nature of Promise . The Company shall not be required to segregate or earmark any funds or Shares in respect of its obligations under Section 3 of the Plan. No Eligible Director nor any other person shall have any rights to any assets of the Company by reason of amounts deferred or benefits accrued under this Plan, other than as a general unsecured creditor of the Company. The Plan constitutes a mere promise by the Company to make payments in the future and is unfunded for purposes of Title I of ERISA and for tax purposes. The Co
