All reports and definitive proxy or information statements filed pursuant to Section 13(a), 13(c), 14 or 15(d) of the 1934 Act, after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which de-registers all securities then remaining unsold shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents. Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

The Registrant's Amended and Restated Articles of Incorporation limit the personal liability of its directors for monetary damages to the fullest extent permitted by the California General Corporation Law. Under California law, a director's liability to a company or its shareholders may not be limited:

for acts or omissions that involve intentional misconduct or a knowing and culpable violation of law;

for acts or omissions that a director believes to be contrary to the best interests of the company or its shareholders or that involve the absence of good faith on the part of the director;

for any transaction from which a director derived an improper personal benefit;

II-1

for acts or omissions that show a reckless disregard for the director's duty to the company or its shareholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing the director's duties, of a risk of serious injury to the company or its shareholders;

for acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to the company or its shareholders;

under Section 310 of the California General Corporation Law concerning contracts or transactions between the company and a director; or

under Section 316 of the California General Corporation Law concerning directors' liability for improper dividends, loans and guarantees.

In addition, under California law a director's liability to a company or its shareholders may not be limited for any act or omission (i) occurring prior to the date when its amended and restated articles of incorporation becomes effective or (ii) as an officer, notwithstanding that the officer is also a director or that his or her actions, if negligent or improper, have been ratified by the directors.

The limitation of liability does not affect the availability of injunctions and other equitable remedies available to the Registrant's shareholders for any violation by a director of the director's fiduciary duty to the Registrant or its shareholders.

Edgar Filing: SIMPLETECH INC - Form S-8

The Registrant's Amended and Restated Articles of Incorporation also include an authorization for it to indemnify its "agents" (as defined in Section 317 of the California General Corporation Law) through bylaw provisions, by agreement with the agents, vote of the Registrant's shareholders or disinterested directors, or otherwise, to the fullest extent permitted by law. Pursuant to this provision, the Registrant's Amended and Restated Bylaws provide for indemnification of its directors, officers and employees. In addition, the Registrant may, at its discretion, provide indemnification to persons whom the Registrant is not obligated to indemnify. The Amended and Restated Bylaws also allow the Registrant to enter into indemnity agreements with individual directors, officers, employees and other agents. The Registrant currently maintains directors' and officers' liability insurance. Indemnity agreements have also been entered into with all directors and certain executive officers and provide the maximum indemnification permitted by law. These agreements, together with the Registrant's Amended and Restated Bylaws and Amended and Restated Articles of Incorporation, may require the Registrant, among other things, to indemnify its directors and executive officers, other than for liability resulting from willful misconduct of a culpable nature, and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and obtain officers' and directors' liability insurance if it is maintained for other officers and directors. These agreements do not require us to indemnify our directors and officers in situations where:

the remuneration rendered against the Registrant's officer or director is determined by final judgment or other final adjudication that such remuneration was in violation of law;

a judgment is rendered against the Registrant's officer or director for an accounting for profits made from the sale of the Registrant's securities under the provisions of Section 16(b) of the 1934 Act, as amended, or similar provisions of any federal, state or local statutory laws;

the officer's or director's conduct is adjudged to have been knowingly fraudulent or deliberately dishonest, or constitutes willful misconduct; or

a court determines that indemnification under the circumstances is not lawful.

Section 317 of the California General Corporation Law and the Registrant's Amended and Restated Bylaws and its indemnification agreements make provision for the indemnification of officers, directors and other corporate agents in terms sufficiently broad to indemnify such persons, under

II-2

certain circumstances, for liabilities, including reimbursement of expenses incurred, arising under the Securities Act of 1933, as amended (the "1933 Act").

Item 9. Undertakings

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the 1933 Act, (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference into this Registration Statement; (2) that for the purpose of determining any liability under the 1933 Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Registrant's 2000 Stock Incentive Plan or the Employee Stock Purchase Plan.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-3

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
