NovaGold Resources Inc.
Offer to Purchase
all of the outstanding common shares of
Copper Canyon Resources Ltd.
on the basis of 0.0425 of a NovaGold Share for each Copper Canyon Share

REASONS TO ACCEPT THE OFFER

- x **Compelling Premium:** On December 17, 2010, which is the last trading day prior to the date on which NovaGold announced its intention to make an offer, the closing price of Copper Canyon Shares on the TSXV was \$0.42. Based on the closing price of NovaGold Shares on the TSX on December 17, 2010, the Offer represents a premium of approximately 41.8% over the closing price of Copper Canyon Shares on the TSXV on the same date.
- x **Participate in Upside of Galore Creek Project:** Copper Canyon's principal asset is its 40% joint venture interest in the Copper Canyon copper-gold-silver property which is adjacent to the Galore Creek project, owned equally by NovaGold and Teck Resources Ltd. through the Galore Creek Partnership. The Offer will permit Copper Canyon Shareholders to more directly participate in any upside to the Galore Creek project. Given the difficult topography, the small size and inferred category of the known resource and the low copper grade on the Copper Canyon property, the Copper Canyon resources are not currently and are not anticipated to be part of the mine plan for Galore Creek.
- x **Exposure to Other Attractive Mineral Projects:** Copper Canyon Shareholders who tender to the Offer will gain exposure to NovaGold's other world-class projects including the Donlin Creek project in Alaska, one of the world's largest undeveloped gold deposits, owned equally by NovaGold and Barrick Gold U.S. Inc.

- x **Greater Financial Capabilities and Liquidity:** Copper Canyon Shareholders who tender to the Offer will benefit from NovaGold's greater financial capability and the significantly greater liquidity afforded by NovaGold Shares.
- x **Tax-Efficient Structure:** The Offer has been structured as an all-share offer that will allow certain Copper Canyon Shareholders who tender to the Offer to do so on a tax-efficient basis. Canadian resident Copper Canyon Shareholders may receive NovaGold Shares on a tax-deferred basis.

EXPIRY OF THE OFFER

The Offer will be open for acceptance until 5:00 pm (Eastern Time) on February 23, 2011, unless the Offer is extended or withdrawn by NovaGold.

The cost for tax purposes to shareholders of NovaGold Shares received on the Offer will generally be

SUMMARY OF THE OFFER (CONT D)

The following is a summary of certain provisions of the Offer and Circular and is qualified entirely by the detailed provisions therein.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS (CONT D): Alternatively, such shareholders will be entitled to recognize for Canadian federal tax purposes a capital gain or capital loss, otherwise determined, from such exchange. With respect to any capital gain realized on the sale of Copper Canyon Shares to NovaGold under the Offer, the gain will not be subject to tax pursuant to the *Tax Act* unless those shares constitute taxable Canadian property (within the meaning of the *Tax Act*) to such Copper Canyon Shareholders and the gain is not exempt pursuant to an applicable income tax treaty.

The foregoing is a brief summary of Canadian federal income tax consequences only and is qualified by the more detailed general description of Canadian federal income tax considerations under Certain Canadian Federal Income Tax Considerations in Section 19 of the Circular.

SOLICITATION FEES: NovaGold has agreed to pay any member of the Soliciting Dealer Group (including the Dealer Manager) properly identified in the Letter of Transmittal a solicitation fee of \$0.01 per Copper Canyon Share deposited by or on behalf of a beneficial owner of Copper Canyon Shares resident in Canada and taken up and paid for by NovaGold under the Offer. A minimum fee of \$100 and a maximum fee of \$1,500 will be paid in respect of any one beneficial owner, provided that the minimum fee of \$100 shall only be payable in respect of Copper Canyon Shares deposited by a single beneficial owner where the number of Copper Canyon Shares deposited is equal to or greater than 10,000. For greater certainty, no solicitation fee will be paid if the Offer is withdrawn or terminated and no Copper Canyon Shares are taken up thereunder. Where Copper Canyon Shares deposited and registered in a single name are beneficially owned by more than one person, the minimum fee will be applied separately in respect of each such beneficial owner if a Soliciting Dealer provides proof of the beneficial ownership of Copper Canyon Shares in respect of which a fee is claimed.

NovaGold will not be required to pay a fee to more than one Soliciting Dealer in respect of any one beneficial owner of Copper Canyon Shares. If more than one Soliciting Dealer requests payment in respect of any single beneficial owner, no fee will be payable by NovaGold except upon the written direction of all such Soliciting Dealers.
