PROXY STATEMENT

FOR THE 2005 ANNUAL MEETING OF SHAREHOLDERS

About the Annual Meeting

Why have I received these materials?

We are mailing the accompanying proxy to shareholders on or about March 21, 2005. The proxy is solicited by the Board of Directors of S.Y. Bancorp Inc. (referred to throughout this Proxy Statement as S.Y. Bancorp or we or our) in connection with our Annual Meeting of Shareholders that will take place on Wednesday, April 27, 2005. We cordially invite you to attend the Annual Meeting and request you to vote on the proposals described in this Proxy Statement.

What am I voting on?

Approving the action of the Board of Directors fixing the number of directors at thirteen and electing five directors.

Approving the action of the Board of Directors adopting the 2005 Stock Incentive Plan.

Where can I find more information about these voting matters?

Information about nominees for reelection is contained in ITEM 1.

Information about the proposed 2005 Stock Incentive Plan is contained in ITEM 2.

What is the relationship of S.Y. Bancorp and Stock Yards Bank & Trust Company?

S.Y. Bancorp is the holding company for Stock Yards Bank & Trust Company (referred to throughout this Proxy Statement as the Bank). S.Y. Bancorp owns 100% of Stock Yards Bank & Trust Company. Because S.Y. Bancorp has no operations of its own, its business and that of Stock Yards Bank & Trust Company are essentially the same.

Who is entitled to vote at the Annual Meeting?

Holders of common stock (Common Stock) of S.Y. Bancorp as of the close of business on March 11, 2005 will be entitled to vote at the Annual Meeting. On March 11, 2005, there were 13,950,934 shares of Common Stock outstanding and entitled to vote, each of which is entitled to one vote except that cumulative voting applies in the election of directors.

How do I vote my shares at the Annual Meeting?

If you are a record shareholder of Common Stock (that is, if you hold Common Stock in your own name in S.Y. Bancorp's stock records maintained by our transfer agent, Stock Yards Bank & Trust Company), you may complete and sign the accompanying proxy card and return it to S.Y. Bancorp or deliver it in person. Shares will be voted as you instruct. If you return your proxy card and do not mark your voting instructions on your signed card, David Heintzman and Kathy Thompson as proxies named on the proxy card, will vote FOR the election of the five director nominees and FOR approval of proposed 2005 Stock Incentive Plan.

Street name shareholders of Common Stock (that is, shareholders who hold Common Stock through a broker or other nominee) who wish to vote at the Annual Meeting will need to obtain a proxy form from the institution that holds their shares and to follow the voting instructions on such form.

If you are a participant in the Stock Yards Bank & Trust Company 401(k) Profit Sharing Plan, you will receive a proxy card for the shares that you own through that savings plan. That proxy card will serve as a voting instruction card for the trustee of the plan. If you own shares through the plan and do not vote, the plan trustees will vote the plan shares in the same proportion as shares for which instructions were received under the plan.

Can I change my vote after I return my proxy card?

Yes. After you have submitted a proxy, you may change your vote at any time before the proxy is exercised by submitting a notice of revocation to the Secretary of S.Y. Bancorp or a proxy bearing a later date. Or you may attend the annual meeting, revoke your proxy and vote in person. In each event, the later submitted vote will be recorded and the earlier vote revoked. Your attendance at the Annual Meeting will not revoke your proxy unless you provide written notice of revocation.

What constitutes a quorum for purposes of the Annual Meeting?

The presence at the Annual Meeting in person or by proxy of the holders of a majority of the voting power of all outstanding shares of Common Stock entitled to vote shall constitute a quorum for the transaction of business. Proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted upon by shareholders will be treated as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on such matters.

What vote is required to approve each item?

Directors will be elected by a plurality of the total votes cast at the Annual Meeting. Assuming five directors are to be elected, a plurality means that the five nominees receiving the highest number of votes will be deemed elected. The proposed 2005 Stock Incentive Plan and any other item to be voted upon at the Annual Meeting will pass if votes cast in its favor exceed votes cast against it.

How do I cumulatively vote for directors?

In the election of directors, shareholders have cumulative voting rights. Under cumulative voting rights, each shareholder is entitled to cast as many votes in the aggregate as equal the number of shares of S.Y. Bancorp Common Stock owned by him or her multiplied by the number of directors to be elected. Each shareholder, or his or her proxy, may cast all of his or her votes, as thus determined, for a single nominee for director or may distribute them among two or more nominees, in the shareholder's discretion.

Who counts the votes?

Judges appointed for the meeting will tabulate votes cast in person or by proxy at the Annual Meeting. These judges also certify the results of the voting. The judges will also determine whether or not a quorum is present at the meeting.

How are abstentions and broker non-votes treated?

A shareholder entitled to vote for the election of directors may withhold authority to vote for all nominees for directors or may withhold authority to vote for certain nominees for directors. A shareholder may also abstain from voting on the proposals to fix the number of directors and to approve the proposed 2005 Stock Incentive Plan. The judges will treat votes withheld from the election of any nominee for director and abstentions from any other proposal as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast for or against any matter. If a broker does not receive voting instructions from the beneficial owner of shares on a particular matter and indicates on the proxy that it does not have discretionary authority to vote on that matter, the judges will treat these shares as present at the meeting for purposes of determining a quorum but will not be counted as votes cast on the matter.

What information do I need to attend the Annual Meeting?

We do not use tickets for admission to the Annual Meeting. If you are voting in person, we may ask for photo identification.

How does the Board recommend that I vote my shares?

The Board recommends a vote FOR the Directors proposal to fix the number of directors at thirteen and to elect the nominated Directors set forth in this document and a vote FOR the proposed 2005 Stock Incentive Plan.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion in the best interests of S.Y. Bancorp. At the date this Proxy Statement went to press, the Board of Directors had no knowledge of any business other than that described herein that would be presented for consideration at the Annual Meeting.

Who will bear the expense of soliciting proxies?

S.Y. Bancorp will bear the cost of soliciting proxies in the form enclosed. In addition to the solicitation by mail, proxies may be solicited personally or by telephone, facsimile or electronic transmission by our employees. We reimburse brokers holding Common Stock in their names or in the names of their nominees for their expenses in sending proxy materials to the beneficial owners of such Common Stock.

Is there any information that I should know about future annual meetings?

Any shareholder who intends to present a proposal at the 2006 Annual Meeting of Shareholders (the 2006 Annual Meeting) must deliver the proposal to the Corporate Secretary at 1040 East Main Street, Louisville, Kentucky 40206 not later than November 26, 2005, if the proposal is submitted for inclusion in our proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934. In addition, S.Y. Bancorp's Bylaws impose certain advance notice requirements on a shareholder nominating a director or submitting a proposal to an Annual Meeting. Such notice must be submitted to the secretary of S.Y. Bancorp no later than January 26, 2006. The notice must contain information prescribed by the Bylaws, copies of which are available from the secretary. These requirements apply even if the shareholder does not desire to have his or her nomination or proposal included in S.Y. Bancorp's proxy statement.

ITEM 1. ELECTION OF DIRECTORS

Directors Proposal to Fix the Number of Directors and to Elect Directors

The articles of incorporation and bylaws of S.Y. Bancorp provide that the Board of Directors be composed of nine to twenty-five members. Each year the Board of Directors recommends the number for the coming year and presents a resolution to be adopted by the shareholders at the Annual Meeting. The Board of Directors has recommended that the number of directors constituting the Board be fixed at thirteen for the ensuing year, subject to approval by shareholders at the Annual Meeting. If the five individuals nominated are elected, there will be eleven individuals serving on the Board following the date of the 2005 Annual Meeting. The Board of Directors may appoint individuals to fill vacancies. Our Board of Directors has determined that Messrs. Carrico, Edinger, Herde, Madison, Simon and Tasman and Drs. Gall and Taylor satisfy the independence requirements of the American Stock Exchange. As a recently retired employee, Mr. Brooks does not satisfy these requirements nor do Mr. Heintzman and Ms. Thompson who are employees of the Bank.

Our Board of Directors consists of three classes, as nearly equal in size as possible. Each class generally serves a three-year term. Messrs. Edinger, Heintzman and Tasman and Ms. Thompson are nominees for reelection. Mr. Herde was elected as a director of Bancorp and the Bank at the December 2004 meetings of the Board of Directors of each entity. Length of terms and term expiration dates are included in the table below.

CORPORATE GOVERNANCE AND RELATED MATTERS

BOARD OF DIRECTORS MEETINGS, COMMITTEES AND FEES

During 2004, the Board of Directors of S.Y. Bancorp held ten regularly scheduled and special meetings. All directors of S.Y. Bancorp are also directors of the Bank. During 2004 the Bank's Board of Directors held fourteen regularly scheduled and special meetings.

All directors attended at least 75% of the number of meetings of the Board and committees of the Board on which they served. All directors are encouraged to attend annual meetings of shareholders, and all attended the 2004 Annual Meeting with the exception of Mr. Carrico who was on vacation.

S.Y. Bancorp has an Audit Committee, Compensation Committee and a Nominating and Corporate Governance Committee of the Board of Directors.

Audit Committee

The Board of Directors of S.Y. Bancorp, Inc. maintains an Audit Committee comprised of four directors who are not officers of S.Y. Bancorp. The Audit Committee is comprised of Messrs. Carrico, Madison, Herde and Simon. Each of these individuals meets the American Stock Exchange independence requirements for membership on an audit committee. The Board of Directors has adopted a written charter for the Audit Committee, and this charter is included as Appendix A to this proxy statement.

The Audit Committee oversees S.Y. Bancorp's financial reporting process on behalf of the Board of Directors. Management has primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee, among other things, considers the appointment of the independent auditors for S.Y. Bancorp, reviews with the auditors the plan and scope of the audit and audit fees, monitors the adequacy of reporting and internal controls, meets regularly with internal and independent auditors, reviews the independence of the independent auditors, reviews S.Y. Bancorp's financial results as reported in Securities and Exchange Commission filings, and approves all auditing and non auditing services performed by its independent auditors. The Audit Committee meets with our management at least quarterly to consider the adequacy of our internal controls and the objectivity of our financial reporting. This Committee also meets with the independent auditors and with our own appropriate financial personnel and internal auditors regarding these matters. Both the independent auditors and the internal auditors regularly meet privately with this Committee and have unrestricted access to this Committee. The Audit Committee held six meetings during 2004.

The Board of Directors has determined that Carl G. Herde is an audit committee financial expert for S.Y. Bancorp and is independent as described in the paragraph above. See CORPORATE GOVERNANCE AND RELATED MATTERS REPORT OF THE AUDIT COMMITTEE for more information.

Nominating and Corporate Governance Committee

S. Y. Bancorp formed the Nominating and Corporate Governance Committee in 2004. This committee is comprised of three independent non-employee directors and responsibilities of the committee are set forth in a written charter satisfying the American Stock Exchange's corporate governance standards, requirements of federal securities law, and incorporating other best practices. The Board of Directors adopted the charter for the Nominating and Corporate Governance Committee and this charter is included as Appendix B to this proxy statement.

Among the committee's duties are identifying and evaluating candidates for election to the board of directors, including consideration of candidates suggested by shareholders. This committee had one meeting during 2004.

Compensation Committee

The members of the Compensation Committee are Messrs. Madison and Tasman and Drs. Gall and Taylor, all of whom are independent non-employee Directors. The functions of this committee include making recommendations to our Board of Directors establishing the compensation of executive officers and reviewing the compensation of Directors. The Compensation Committee held one meeting during 2004.

How are Directors compensated?

For 2004, non-employee directors received an annual retainer of \$3,600. All Bancorp s directors received \$900 for each meeting of S.Y. Bancorp s Board of Directors he or she attended, if the meeting was not held

immediately before or after a meeting of the Board of Directors of the Bank. S.Y. Bancorp's directors are also directors of the Bank, and received \$900 for each Bank board meeting attended.

Non-employee directors of S.Y. Bancorp and the Bank who are members of the various committees of the Board of Directors received \$400 per meeting of S.Y. Bancorp's Audit Committee, \$400 per meeting of S.Y. Bancorp's Compensation Committee \$400 per meeting of S.Y. Bancorp's Nominating and Corporate Governance Committee, \$400 per meeting attended of the Bank's Trust Committee, and \$300 per meeting attended of the Bank's Loan Committee.

Directors may defer all or a portion of their fees under our deferred compensation plan.

Under the 1995 Stock Incentive Plan non-employee directors received a one-time grant of options to purchase 1,000 shares of S.Y. Bancorp Common Stock. In addition in 2004 shareholders approved an additional grant to each director of options to purchase 1,000 shares of S.Y. Bancorp Common Stock. These options were granted at the fair market value of S.Y. Bancorp Common Stock at the time of the grant and are adjusted for subsequent stock splits, stock dividends, etc.

Shareholders may communicate directly to the Board of Directors in writing by sending a letter to the Board at: S.Y. Bancorp Board of Directors, P.O. Box 32890, Louisville, KY 40232-2890. All communications directed to the Board of Directors will be received and processed by the Nominating and Corporate Governance Committee without any editing or screening.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee acts under a written charter approved and adopted by the Board of Directors. The Audit Committee reviews S.Y. Bancorp's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

The Committee discussed with management, the internal auditors and the independent auditors the quality and adequacy of S.Y. Bancorp's internal controls and the internal audit function's organization, responsibilities, budget and staffing. The Committee reviewed both with the independent and internal auditors their audit plans, audit scope and identification of audit risks. The Committee also discussed the results of the internal audit examinations.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that S.Y. Bancorp's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the quarterly and year end consolidated financial statements contained in filings with the Securities and Exchange Commission with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, Communication With Audit Committees.

Edgar Filing: S Y BANCORP INC - Form DEF 14A

In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from S.Y. Bancorp and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No.1, *Independence Discussions with Audit Committees*. The Audit Committee has also considered whether the independent auditors' provision of non-audit services to S.Y. Bancorp is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited consolidated financial statements be included in S.Y. Bancorp's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the SEC.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is comprised of four members of the Board of Directors who are not, nor have they been, employees of S.Y. Bancorp or the Bank and who satisfy the independence requirements of the American Stock Exchange. The Committee is responsible for establishing and administering S.Y. Bancorp's executive compensation programs and the Board of Directors has adopted a written charter for the Compensation Committee. The compensation philosophy of the Committee supports S.Y. Bancorp's primary objective of creating value for its shareholders. The Compensation Committee strives to ensure the compensation of S.Y. Bancorp's executive officers is adequate to attract and retain talented individuals with proven abilities to lead S.Y. Bancorp and the Bank so growth and profitability are realized while maintaining stability and capital strength. The Committee believes the following compensation strategies for S.Y. Bancorp's executive officers, including the Chief Executive Officer (the CEO), achieve this objective.

The committee has periodically contracted with compensation consulting firms to study the Bank's executive officers' compensation. These reviews have identified compensation practices as well as peer banks based on size, complexity, and demographics. The reviews also identified similar positions within each peer bank to compare with each of the Bank's executive officers. Factors considered when comparing other institutions' compensation information to that of the Bank include growth of earnings per share, and return on average assets and equity. The Compensation Committee updated the information in these studies by reference to 2004 proxy information for peer banks, and the peer group has been modified to delete and add peers as circumstances (eg. acquisitions) change. For 2004 the peer group was comprised of 16 banks. Because there is a qualitative relationship between performance and executive officer compensation, the salary increases noted in the Summary Compensation Table were made in light of S.Y. Bancorp's and the Bank's market and earnings growth and other favorable factors. Salaries are based on individual performance contributions within a competitive salary range. Pay levels are competitive within a range the Committee considers reasonable and necessary.

Base Salary. Executive officers' salaries are determined by evaluating both the most recent comparative peer data as described above and the role and responsibilities of their positions. Individual salary increases are reviewed annually and are based on the Bancorp's comparative performance to the peer group and the executive's individual performance during the preceding year. In light of Mr. Heintzman's being named by the Board of Directors as successor to the CEO beginning in 2005 his salary was based on a formula which called for his salary in 2004 to be 90% of the Chief Executive's salary.

Annual Incentive Compensation. The objective of annual incentive compensation is to deliver competitive levels of compensation for the attainment of annual financial objectives and operating results. The Committee believes these to be primary drivers of stock price performance over time. Therefore, the Committee established an incentive program based upon the achievement of earnings per share goals. The annual determination as to whether incentives will be paid is based upon the achievement of earnings per share growth of at least 10%. Because that growth goal was not met in 2004, no executive incentives were paid with the exception of Kathy Thompson who received incentive compensation based upon achieving financial goals of Stock Yards Trust Company.

Long Term Incentives. The Committee believes the granting of stock options to executives best serves the interests of shareholders by providing those persons having responsibility for the management and growth of S.Y. Bancorp and the Bank with an opportunity to increase their ownership of S.Y. Bancorp Common Stock. By increasing executive officer ownership, these individuals will have an added incentive to maximize shareholder value. Executive officers are granted options, from time to time, giving them the right to purchase S.Y. Bancorp Common Stock at a specified price in the future. The number of stock options granted is based upon individual performance contributions and comparative practices. Based on review of peer data, the Compensation Committee determines the number of shares available for the granting of stock options to each executive officer. These grants have an option price of 100% of the market value on the date of the grant. See the discussion under "Stock Incentive Plan" below.

Chief Executive Officer's Compensation. In determining the base pay for Mr. Brooks, the Committee used the factors detailed above. Considering his retirement at the end of 2004, Mr. Brooks suggested the Committee not increase his salary in 2004. Accordingly, his salary was \$404,000 in both 2003 and 2004. At this level in 2003 Mr. Brooks salary approximated the targeted 80th percentile of peers. The Committee established this target based on S.Y. Bancorp's earnings per share growth and return on average assets and equity exceeding the 90th percentile of

its peer group.

As described above, Mr. Brooks' annual incentive compensation was determined under an incentive plan which required at least a 10% increase in S.Y. Bancorp's corporate earnings per share over the prior year. Because that goal was not met in 2004, Mr. Brooks did not receive compensation for 2004.

In summary, the Committee believes the total compensation program for S.Y. Bancorp's executive officers is competitive with programs offered by similar institutions, and executive compensation is appropriate to further the goals and objectives of S.Y. Bancorp and the Bank.

Stock Incentive Plan

S.Y. Bancorp has a stock option plan under which options may be granted to officers, other key employees of the Bank, and non-employee directors. Key employees are those persons who, in the judgment of the Compensation Committee, are mainly responsible for the success of the Bank. Options under this plan are granted at the fair market value of S.Y. Bancorp's Common Stock at the time of the grant.

The following table summarizes options granted during 2004 to the executive officers named in the Summary Compensation Table.

OPTIONS GRANTED IN LAST FISCAL YEAR

Name	Number of Securities Underlying Options Granted	% of Total Options Granted in 2004	Exercise Price Per Share	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term(3)

(1) These options were granted in December 2004 and become exercisable six months following the grant date.

(2) These options were granted in December 2004 and become exercisable in 20% increments over five years beginning one year after grant date.

(3) All shareholders are shown for comparison purposes only. The potential realizable value to all shareholders is the aggregate net gain for all shareholders, assuming a hypothetical ten-year option if the price of S.Y. Bancorp stock increases at the assumed annual rates shown in the table. Appreciation is computed using actual strike price of options of \$23.95 and is based on actual option term and annual compounding, without regard to the taxes associated with gains upon option exercises. These amounts

assume the stated rates of appreciation will be realized. Actual gains, if any, are dependent upon the future performance of the Company's Common Stock. The potential realizable value of stock price appreciation for the option term related to the option grant for all executive officers of S.Y. Bancorp at 5% is \$765,151 and at 10% is \$1,939,043, which represents .36% of the total potential realizable value for all shareholders at 5% and 10%.

The following table shows, as to the individuals included in the Summary Compensation Table, information as to aggregate options exercised in 2004 and December 31, 2004 year end option values.

Senior Officer Security Plan

The Bank has established a Senior Officer Security Plan (the Security Plan) for a select group of management and highly compensated officers who contribute materially to the continued growth, development, and future business success of the Bank. Life insurance owned and paid for by the Bank has been purchased on each covered officer. The Security Plan is designed so that if the assumptions made as to mortality experience, policy dividends and other factors are realized, the Bank will recover both the cost of benefits and after tax costs of the plan. The amount of benefits to be received under the Security Plan, for the officers listed below, was determined by projecting each participant's current salary amount to that at his/her retirement date. His/her expected social security benefits and expected benefits under the defined contribution plans were also estimated. The Security Plan supplemental retirement benefit amount was determined to be the amount necessary to bring total retirement payments to an approximate 75% of his/her projected salary at retirement age. Under the Security Plan, the following individuals listed in the Summary Compensation Table will receive the following annual supplemental retirement benefits at their normal retirement age of 65 or lesser amounts if they leave before full vesting. There are also pre-retirement death benefits provided by the Security Plan. These benefits will be fully vested and payable in a lump sum upon a change in control.

David H. Brooks	\$84,000 each year for 15 years
David P. Heintzman	\$136,500 each year for 15 years
Kathy C. Thompson	\$82,000 each year for 15 years

In 2001, Phillip S. Smith and Nancy B. Davis were included in a modified version of the Security Plan. The Bank purchased life insurance on each of these two officers which would provide for pre-retirement death benefits. Upon retirement each of these two individuals will receive the investment value of the policies rather than a defined benefit.

Senior Executive Severance Agreement

The Bank has established a Senior Executive Severance Agreement (the Severance Agreement) for certain Executive Officers of the Bank. S.Y. Bancorp and the Bank have concluded it to be in the best interests of S.Y. Bancorp, its Shareholders and the Bank to take reasonable steps to help assure key executives of the Bank that they will

be treated fairly in the event of a tender offer or takeover bid, or an actual Change in Control. It is important, should S.Y. Bancorp receive take over or acquisition proposals from third parties, that S.Y. Bancorp be able to call upon the key executives of the Bank for their advice and assessment of whether such proposals are in the best interests of shareholders, free of the influences of their personal employment situations. This severance agreement was not entered into because of any belief by management that a Change in Control of S.Y. Bancorp was imminent.

The Severance Agreement provides that, in the event (1) an executive is forced to resign shortly before or following a Change in Control of S.Y. Bancorp or (2) an executive voluntarily terminates employment with the Bank for up to three years following a Change in Control, the Bank will pay the executive a severance payment equal to 299 percent of the executive's annual salary prior 5 years average compensation plus any excise taxes incurred on the payments if a Parachute Payment under Code Section 280G. Should voluntary termination occur between 24 and 36 months following the Change in Control, the executive will receive only 2/3 of the severance payment. Furthermore, if the executive is 58 years old or more at the date of the severance payment, the amount of the payment is reduced. As the executive approaches retirement age of 65 years, the severance payment decreases proportionately to zero at age 65. The severance agreement also provides that the Bank pay legal fees and expenses incurred in contesting any termination or enforcing the severance agreement.

The following performance graph compares the performance of Bancorp Common Stock to the Russell 2000 index, the SNL AMEX Bank index and SNL Midwest Bank index for Bancorp's last five fiscal years. TRANSACTIONS WITH MANAGEMENT AND OTHERS

The Bank has had, and expects to have in the future, banking transactions in the ordinary course of business with certain directors and officers of S.Y. Bancorp and the Bank and their associates, as well as with corporations or organizations with which they are connected as directors,

Edgar Filing: S Y BANCORP INC - Form DEF 14A

officers, shareholders or partners. These banking transactions are made on substantially the same terms (including interest rates and collateral) as those prevailing at the time for comparable transactions with other persons. In the opinion of management of S.Y. Bancorp and the Bank, such transactions do not involve more than the normal risk of collectibility or present other unfavorable features. Loans made to directors and executive officers are in compliance with federal banking regulations and are thereby exempt from insider loan prohibitions included in the Sarbanes-Oxley Act of 2002.

At December 31, 2004, loans to directors and officers of S.Y. Bancorp and the Bank and their associates totaled \$5,370,000 equaling 4.6% of the Bancorp's consolidated stockholders' equity.

ITEM 2. APPROVAL OF THE 2005 STOCK INCENTIVE PLAN

On March 15, 2005, the Board of Directors adopted the S.Y. Bancorp, Inc. 2005 Stock Incentive Plan (the "2005 Plan"), subject to approval by holders of a majority of the total votes eligible to be cast at the annual meeting. The following summary of the material provisions of the 2005 Plan does not purport to be complete and is qualified in its entirety by reference to the 2005 Plan. For purposes of this summary, any reference to the Company includes the Company and its subsidiaries. A copy of the 2005 Plan is attached as Appendix C. The Board adopted the 2005 Plan in anticipation of the expiration on April 26, 2005 of the authority to grant options under the Amended and Restated 1995 Stock Option Plan (the "1995 Plan").

Purpose of the 2005 Plan

The purpose of the 2005 Plan is to further the best interests of the Company by (a) assisting the Company in attracting and retaining highly qualified key employees and directors and (b) providing such persons with an additional incentive to work to increase the value of the Company's stock by granting them a stake in the future of the Company which corresponds to the stake of each of the Company's shareholders. The Company believes that an equity stake through equity compensation programs effectively aligns employee, director and stockholder interest by motivating and rewarding long-term performance that will enhance stockholder value.

Administration

The 2005 Plan will be administered by the Committee. For awards granted to directors, the Committee is the entire Board of Directors; for awards to named executive officers, the Committee is the Compensation Committee appointed by the Board of Directors. It is intended that each member of the Compensation Committee will be a non-employee director within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and an outside director within the meaning of Section 162(m) of the Internal Revenue Code of 1986 (the Code). The Committee will have the authority to construe and interpret the 2005 Plan, to establish, amend or waive rules for its administration, and to make all other determinations necessary and advisable for the administration of the 2005 Plan.

Number of Shares

The Plan allows awards of stock options, stock appreciation rights settled in stock and restricted stock to be made over the 2005 Plan s term up to a maximum of 700,000 shares of the Company s common stock of no par value (Stock).

The Plan allows awards of stock options, stock appreciation rights settled in stock and restricted stock to ~~63~~ made o

This maximum number of shares is subject to adjustment in the event of certain events such as a stock dividend, stock split or the like. If and to the extent stock awards under either the 1995 Plan or 2005 Plan expire or terminate for any reason without having been exercised in full, or are forfeited, without, in either case, the participant having realized any of the economic benefits of a shareholder, the shares associated with such awards (to the extent not fully exercised, forfeited or as to which no economic benefit was realized) will again become available to be granted under the 2005 Plan.

Eligibility and Participation

Employees and directors of the Company who are expected by the Committee to be in a position to make a significant contribution to the success of the Company are eligible to receive awards under the 2005 Plan.

Types of Plan Awards

Stock Options

The Committee may grant options to participants at any time and from time to time in the form of options that are intended to qualify as incentive stock options within the meaning of Section 422 of the Code (ISOs), options that are not intended to so qualify (NQSOs), or a combination of the two. The exercise price of any option granted may not be less than the fair market value of the Company stock on the date the option is granted.

Each option is evidenced by an award certificate or agreement between the participant and the Company which sets forth the terms and conditions of the option. The option agreement must specify the exercise price per share subject to the option, the duration of the option, the number of shares to which the option relates and such

other provisions as the Committee may determine or that are required by the 2005 Plan.

In general, each option will expire at such time as is determined by the Committee at the time of grant as set forth in the award agreement; provided, however, the right to exercise an ISO will terminate no later than the earliest of: (i) the expiration of 12 months in the event of termination of employment or service due to disability or death; (ii) three months following termination of employment or service for any other reason; or (iii) the tenth anniversary of its grant. NQSO s might be granted for exercise over longer periods after employment or service termination.

Stock Appreciation Rights

The plan also allows grant of Stock Appreciation Rights (SAR). Each SAR, which can be granted in tandem with an Option or by itself, grants a participant the right to receive upon exercise Stock equal to the appreciation in value of one share of Stock since the date the SAR was granted.

In general, each option will expire at such time as is determined by the Committee at the time of grant as set forth in the award agreement, but if issued in tandem with an Option will expire if the option is exercised in lieu of the SAR.

Restricted Stock

A restricted stock award represents shares of the Company's stock that may be issued subject to restrictions on transfer and vesting requirements as determined by the Committee. Vesting requirements may be based on the continued service of the participant for specified time periods or on the attainment of specified business performance goals established by the Committee, or a combination of both. Except as provided in an award agreement, the participant will have immediate right of ownership with respect to the shares granted under a stock award, including the right to vote the shares and the right to receive dividends with respect to the shares. Transfer of Stock during the restriction period will generally be prohibited.

The Committee may decide to condition the vesting of a stock award on the achievement of one or more objective performance goals, and if the Committee determines that such performance conditions should be considered performance-based compensation under Section 162(m) of the Code, the performance goals must relate to one of the following performance criteria: (i) earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis); (ii) return on equity; (iii) return on assets; (iv) revenues; (v) expenses or expense levels; (vi) one or more operating ratios; (vii) stock price; (viii) stockholder return; (ix) the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions; or (x) economic value added.

Limitations on Awards

The maximum number of shares of Stock that may be subject to all awards granted under the 2005 Plan to any one participant during a calendar year is 40,000. The maximum number of shares of Stock that may be subject to Restricted Stock Awards to any one participant during a calendar year is 20,000. Awards of Options or SARs may not be made at exercise or base price less than fair market value of the Stock on the date the award is granted. Fair Market Value, if the Stock is listed on a national securities exchange, is the closing price per share on a given date; if the Stock is traded on an exchange or market in which prices are reported in terms of bid and asked prices, the average of the closing bid and asked prices for a share on a given date is fair market value.

Change of Control

Unless otherwise provided in an award agreement, in the event of a change of control (as defined in the 2005 Plan), an award granted under the 2005 Plan will become fully vested and all restrictions thereon will lapse whether or not otherwise vested at such time, and any such options so accelerated will remain exercisable in full thereafter until it expires pursuant to its terms.

Transferability of Awards

All ISOs, SARs issued in tandem with ISOs, and all Restricted Stock Awards granted under the 2005 Plan are non-transferable by the participant except by will or by the laws of descent and distribution. NQSO and SARs not linked to ISOs may be allowed by the Committee to be transferred via gift to certain permitted transferees which includes immediate family members and certain trusts, or entities in which the participant or family members have majority control. If a NQSO or SAR is transferred, the tax consequences upon exercise to the participant generally do not change (see below).

Term, Amendment and Termination

The authority to issue stock awards under the 2005 Plan will terminate on the date 10 years after the adoption of the Plan by the Board of Directors, unless terminated earlier by the Board of Directors. The Board of Directors may at any time and from time to time and in any respect amend or modify the 2005 Plan, except in certain circumstances that require the approval of the shareholders. No amendment or modification of the 2005 Plan will adversely affect any outstanding award without the consent of the participant, decrease the price of an option to less than the option price on the date of grant or extend the exercise period of an option beyond the period initially set in the award agreement.

Tax Treatment of Awards

Incentive Stock Options

The recipient of an ISO will not realize taxable income upon the grant or the exercise of an ISO. The Company will not receive an income tax deduction at either such time. However, the excess of the fair market value of the Company's stock at the time of exercise over the exercise price is an item of adjustment in computing the alternative minimum taxable income of the recipient. If the recipient does not dispose of the shares of the common stock acquired upon exercising an ISO within either (i) two years after the grant of the ISO or (ii) one year after the date shares of the common stock are transferred to the recipient pursuant to the exercise of the ISO, the gain upon a subsequent disposition of the shares will be taxed at capital gain rates. If the recipient, within either of the above periods, disposes of the shares of the common stock acquired upon exercise of the ISO, the recipient will recognize as ordinary income an amount equal to the difference between the exercise price and the fair market value of the shares on the date of exercise. In such event, the Company would be entitled to a corresponding income tax deduction equal to the amount recognized as ordinary income by the recipient. Any gain in excess of the spread in value at exercise that is recognized by the recipient as ordinary income would be taxed as long-term capital gain or short-term capital gain (subject to the holding period requirements for long-term or short-term capital gain treatment).

Nonqualified Stock Options

Upon the exercise of a nonqualified option, the participant will realize ordinary income in an amount equal to the excess of the fair market value of the shares of the common stock received over the exercise price of such shares and for employees, such excess is also subject to applicable income and employment tax withholding. That amount increases the recipient's basis in the stock acquired pursuant to the exercise of the NQSO. Upon a subsequent sale of the stock, the participant will recognize short-term or long-term capital gain or loss depending upon the participant's holding period for the stock and upon the stock's subsequent appreciation or depreciation in value. The Company will be allowed a federal income tax deduction for the amount recognized as ordinary income by the participant upon the participant's exercise of the option.

Stock Appreciation Rights

As with Options, there is no tax consequence to the grant of a right. Upon the exercise of a SAR for which no payment from the participant is required, the participant will realize ordinary income in an amount equal to the fair market value of the Stock received and, for employees, such excess is also subject to applicable income and employment tax withholding at that time. The amount so taxed then becomes the participant's tax basis in the Stock acquired pursuant to the exercise of the SAR. Upon a subsequent sale of the stock, the participant will recognize short-term

or long-term capital gain or loss depending upon the participant's holding period for the stock and upon the stock's subsequent appreciation or depreciation in value. The Company will be allowed a federal income tax deduction for the amount recognized as ordinary income by the participant upon the participant's exercise of the option.

Restricted Stock

A participant will recognize ordinary income, and the Company will be allowed a tax deduction, at the time an unrestricted stock is granted. A participant will not recognize income, and the Company will not be allowed a tax deduction, at the time restricted stock that is subject to a substantial risk of forfeiture within the meaning of the Code is granted, unless the participant makes an election to accelerate recognition of the income to the date of grant as described below. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and

the Company will be allowed a corresponding federal income tax deduction at that time. If the participant files an election under Section 83(b) of the Code within 30 days after the date of grant of restricted stock, the participant will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time. Any appreciation in the stock after the tax date will be taxable to the participant upon disposition at capital gains rates if the holding period for such rates is met.

Section 162(m)

Compensation of persons who are covered employees of the Company is subject to the tax deduction limits of Section 162(m) of the Code. Awards that qualify as performance based compensation are exempt from Section 162(m), thus allowing the Company the full federal tax deduction for such compensation. The 2005 Plan allows, but does not require, the Committee to grant stock awards that will be exempt from the deduction limits of Section 162(m) and all stock options issued under the 2005 Plan will be exempt because the exercise price will never be less than the fair market value on the date of grant.

Payment with Stock

If the Committee decides to allow participants to pay for the exercise price of an option and any withholding obligations with stock of the Company which the participant has owned for at least six months (12 months in the case of Stock acquired upon exercise of an ISO), the participant will not be required to recognize any built-in appreciation on the previously held stock as a result of the payment and will have a basis in the new option stock equal to the basis in the previously held stock plus any taxes paid as a result of the exercise.

Tax Withholding

The Company may deduct from any payment made under the 2005 Plan, regardless of the form of such payment, the amount of all applicable income and employment taxes required by law to be withheld with respect to such payment, may require the participant to pay to the Company such withholding taxes prior to and as a condition of the making of any payment or the issuance or delivery of any shares of Stock under the 2005 Plan, or to deduct from any other compensation payable to the participant any withholding taxes required with respect to awards. The Committee may allow a participant to satisfy this obligation by (i) withholding shares of Stock from any payment in Stock to be made, or (ii) permitting the participant to deliver to the Company previously acquired shares of Stock, in each case having an aggregate fair market value equal to the amount of required withholding taxes.

Estimate of Benefits

Awards that will be made under the 2005 Plan are not presently determinable. In 2004, the following awards were granted under the 1995 Plan: 176,400 options to purchase common stock of the Company at \$23.95 per share, the then current market value.

2.23 **Restricted Period** means the period established by the Committee with respect to an Award of Restricted Stock during which the Award remains subject to forfeiture.

2.24 **Restricted Stock** means a share of Common Stock granted to a Participant pursuant to Article 9 that is subject to such terms, conditions, and restrictions as may be determined by the Committee.

2.25 **Rule 16b-3** means Rule 16b-3 promulgated by the SEC under the Exchange Act, or any successor rule or regulation that may be in effect from time to time.

2.26 **Stock Appreciation Right** or **SAR** means a right granted to a Participant pursuant to Article 8 with respect to a share of Common Stock to receive upon exercise Common Stock equal to the appreciation in value of a share of Common Stock.

2.27 **Termination of Employment or Service shall be deemed to have occurred at the close of business on the last day on which an Employee is carried as an active employee on the records of the Company or an Affiliate. With respect to a Director, it shall be deemed to occur on a Director's cessation of service on the board of directors of both the Company and all Affiliates. The Committee shall determine whether an authorized leave of absence, or other**

absence on military or government service, constitutes severance of the employment relationship between the Company or Affiliate and the Employee. No termination shall be deemed to occur if (i) the Participant is a Director who becomes an Employee, or (ii) the Participant is an Employee who becomes a Director, except in the latter case Incentive Stock Options shall become Nonqualified Stock Options if not exercised within the time period following employment termination provided for in Section 7.3.

ARTICLE 3 ADMINISTRATION

3.1 **Plan Administrator and Discretionary Authority.** The Plan shall be administered by the Committee. The Committee shall have total and exclusive responsibility to control, operate, manage and administer the Plan in accordance with its terms. The Committee shall have all the authority that may be necessary or helpful to enable it to discharge its responsibilities with respect to the Plan. Without limiting the generality of the preceding sentence, the Committee shall have the exclusive right to: (i) interpret the Plan and the Award Agreements executed hereunder; (ii) decide all questions concerning eligibility for, and the amount of, Awards granted under the Plan; (iii) construe any ambiguous provision of the Plan or any Award Agreement; (iv) prescribe the form of Award Agreements; (v) correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award Agreement; (vi) issue administrative guidelines as an aid to administering the Plan and make changes in such guidelines as the Committee from time to time deems proper; (vii) make regulations for carrying out the Plan and make changes in such regulations as the Committee from time to time deems proper; (viii) determine whether Awards should be granted singly or in combination; (ix) to the extent permitted under the Plan, grant waivers of Plan terms, conditions, restrictions and limitations; (x) accelerate the exercise, vesting or payment of an Award when such action or actions would be in the best interests of the Company; (xi) require Participants to hold a stated number or percentage of shares of Common Stock acquired pursuant to an Award for a stated period; and (xii) take any and all other actions the Committee deems necessary or advisable for the proper operation or administration of the Plan. The Committee shall have authority in its sole discretion with respect to all matters

related to the discharge of its responsibilities and the exercise of its authority under the Plan, including without limitation its construction of the terms of the Plan and its determination of eligibility for participation in, and the terms of Awards granted under, the Plan. The decisions of the Committee and its actions with respect to the Plan shall be final, conclusive and binding on all persons having or claiming to have any right or interest in or under the Plan, including without limitation Participants and their respective Permitted Transferees, estates, beneficiaries and legal representatives. In the case of an Award intended to be eligible for the performance-based compensation exemption under section 162(m) of the Code, the Committee shall exercise its discretion consistent with qualifying the Award for such exemption.

This plan and grants made under it shall at all times be construed to avoid awards constituting deferred compensation within the meaning of Internal Revenue Code Section 409A, or, if an award is intended to come within the meaning of that phrase, the terms of its grant shall be construed to include all design restrictions in that Code section required so that the award recipient shall not be treated as income-taxable on a value for the award before property or cash related to it is delivered to the award recipient.

3.2 **Liability; Indemnification.** No member of the Committee, nor any person to whom it has delegated authority, shall be personally liable for any action, interpretation or determination made in good faith with respect to the Plan or Awards granted hereunder, and each member of the Committee (or delegatee of the Committee) shall be fully indemnified and protected by the Company with respect to any liability he may incur with respect to any such action, interpretation or determination, to the maximum extent permitted by applicable law.

3.3 **Administration With Respect To Named Executives.** The per-share exercise price of an Option granted to a Named Executive shall, like all other Options hereunder, be no less than 100% of the Fair Market Value per share on the Grant Date and such Option shall thereby qualify as performance-based compensation under Code Section 162(m). With respect to Restricted Stock Awards granted to Named Executives, the Plan may (but need not) be administered so as to permit such Awards to qualify as performance-based compensation under Code Section 162(m).

ARTICLE 4 SHARES SUBJECT TO THE PLAN

4.1

Available Shares

Subject to adjustment as provided in Section 4.2, the maximum number of shares of Common Stock that shall be available for grant of Awards under the Plan shall be 700,000 shares of Common Stock.

The maximum number of shares of Common Stock that may be subject to all Awards granted under the Plan to any one Participant during a calendar year is 40,000. The maximum number of shares of Common Stock that may be subject to Restricted Stock Awards to any one Participant during a calendar year is 20,000.

The maximum number of shares of Common Stock that may be issued in the form of Incentive Stock Options shall be 700,000.

Shares of Common Stock issued pursuant to the Plan may be original issue or from shares of Stock which have been reacquired by the Company, or a combination of the foregoing, as the Committee, in its sole discretion, shall from time to time determine.

4.2

Adjustments for Recapitalizations and Reorganizations.

The shares with respect to which Awards may be granted under the Plan are shares of Common Stock as presently constituted, but if, and whenever, prior to the expiration or satisfaction of an Award theretofore granted, the Company shall effect a split, subdivision or consolidation of shares of Common Stock or the payment of a stock dividend on Common Stock in the form of Common Stock without receipt of consideration by the Company, the number of shares of Common Stock with respect to which such Award may thereafter be exercised or satisfied, as applicable, (i) in the event of an increase in the number of outstanding shares, shall be proportionately increased, and the exercise price per share shall be proportionately reduced, and (ii) in the event of a reduction in the number of outstanding shares, shall be proportionately reduced, and the exercise price per share shall be proportionately increased.

If the Company recapitalizes or otherwise changes its capital structure, thereafter upon any exercise or satisfaction, as applicable, of an Award theretofore granted the Participant shall be entitled to receive (or to purchase, if applicable) under such Award, in lieu of the number of shares of Common Stock then covered by such Award, the number and class of shares of stock or other securities to which the Participant would have been entitled pursuant to the terms of the recapitalization if, immediately prior to the recapitalization, the Participant had been the holder of record of the number of shares of Common Stock then covered by such Award.

In the event of changes in the outstanding Common Stock by reason of a reorganization, merger, consolidation, combination, separation (including a spin-off or other distribution of stock or property), exchange, or other relevant change in capitalization occurring after the date of grant of any Award and not otherwise provided for by this Section 4.2, any outstanding Awards and any Award Agreements evidencing such Awards shall be subject to (i) adjustment by the Committee in its sole discretion as to the number, price and kind of shares or other consideration subject to, and other terms of, such Awards to reflect such changes in the outstanding Common Stock, or (ii) in the case of a Change of Control transaction, if approved by the Committee in its sole discretion, replacement with a comparable Award pursuant to Article 10.

In the event of any changes in the outstanding Common Stock provided for in this Section 4.2, the aggregate number of shares available for grant of Awards under the Plan shall be equitably adjusted by the Committee, whose determination shall be conclusive.

Any adjustment of an Incentive Stock Option under this Section shall be made in such a manner so as not to constitute a modification within the meaning of Code Section 424(h), and adjustments on other Awards shall be made in a manner consistent with that Section, as if it applied to non-Incentive Stock Option Awards as well.

4.3 Adjustments for Awards. The Committee shall have sole discretion to determine the manner in which shares of Common Stock available for grant of Awards under the Plan are counted. Without limiting the discretion of the Committee under this Section 4.3, unless otherwise determined by the Committee, the following rules shall apply for the purpose of determining the number of shares of Common Stock available for grant of Awards under the Plan:

(i) Options and Restricted Stock. The grant of Options or Restricted Stock shall reduce the number of shares of Common Stock available for grant of Awards under the Plan by the number of shares of Common Stock subject to such an Award.

(ii) **SARs.** The grant of SARs that may be paid or settled only in Common Stock shall reduce the number of shares available for grant of Awards under the Plan by the number of shares subject to such an Award; provided, however, that upon the exercise of SARs, the excess of the number of shares of Common Stock with respect to which the Award is exercised over the number of shares of Common Stock issued upon exercise of the Award shall again be available for grant of Awards under the Plan.

(iii) **Cancellation, Forfeiture and Termination.** If any Award referred to in Sections 4.3(i) or (ii), is canceled or forfeited, or terminates, expires or lapses, for any reason, the shares

then subject to such Award shall again be available for grant of Awards under the Plan.

(iv) **Payment of Exercise Price and Withholding Taxes.** If previously acquired shares of Common Stock are used to pay the exercise price of an Award, the number of shares available for grant of Awards under the Plan shall be increased by the number of shares delivered as payment of such exercise price. If previously acquired shares of Common Stock are used to pay withholding taxes payable upon exercise, vesting or payment of an Award, or shares of Common Stock that would be acquired upon exercise, vesting or payment of an Award are withheld to pay withholding taxes payable upon exercise, vesting or payment of such Award, the number of shares available for grant of Awards under the Plan shall be increased by the number of shares delivered or withheld as payment of such withholding taxes.

ARTICLE 5 ELIGIBILITY

The Committee shall select Participants from those Employees and directors that, in the opinion of the Committee, are in a position to make a significant contribution to the success of the Company. Once a Participant has been selected for an Award by the Committee, the Committee shall determine the type and size of Award to be granted to the Participant and shall establish in the related Award Agreement the terms, conditions, restrictions and limitations applicable to the Award, in addition to those set forth in the Plan and the administrative guidelines and regulations, if any, established by the Committee.

ARTICLE 6 FORM OF AWARDS

6.1 Form of Awards. Awards may be granted under the Plan, in the Committee's sole discretion, in the form of Options pursuant to Article 7, SARs pursuant to Article 8, Restricted Stock pursuant to Article 9, or a combination thereof. All Awards shall be subject to the terms, conditions, restrictions and limitations of the Plan. The Committee may, in its sole discretion, subject any Award to such other terms, conditions, restrictions and/or limitations (including without limitation the time and conditions of exercise, vesting or payment of an Award and restrictions on transferability of any shares of Common Stock issued or delivered pursuant to an Award), provided they are not inconsistent with the terms of the Plan. The Committee may, but is not required to, subject an Award to such conditions as it determines are necessary or appropriate to ensure that an Award constitutes qualified performance based compensation within the meaning of section 162(m) of the Code and the regulations thereunder. Awards under a particular Article of the Plan need not be uniform, and Awards under more than one Article of the Plan may be combined in a single Award Agreement. Any combination of Awards may be granted at one time and on more than one occasion to the same Participant. An Award Agreement must provide that a Participant may not elect to defer receipt of income attributable to the exercise or vesting of an Award, and unless and until the Committee concludes that making the receipt of Restricted Stock contingent on the exercise of an Option or SAR is not creating deferred compensation within the meaning of Code Section 409A, no such combination shall be granted.

6.2 No Repricing. Except for adjustments made pursuant to Section 4.2, the exercise price for any outstanding Option or SAR shall not be decreased after the Grant Date, nor may any

outstanding Option or SAR be surrendered to the Company as consideration for the grant of a new Option or SAR with a lower exercise price.

6.3 No Reload Rights. Options shall not contain any provision entitling the Participant to an automatic grant of additional Options in connection with any exercise of the original Option.

ARTICLE 7 OPTIONS

7.1 General. Awards may be granted in the form of Options that may be Incentive Stock Options or Nonqualified Stock Options, or a combination of both; provided, however, that Incentive Stock Options may be granted only to Employees.

7.2 Terms and Conditions of Options. An Option shall be exercisable in whole or in such installments and at such times as may be determined by the Committee. The price at which a share of Common Stock may be purchased upon exercise of an Option shall be determined by the Committee, but such exercise price shall not be less than 100% of the Fair Market Value per share of Common Stock on the Grant Date. Except as otherwise provided in Section 7.3, the term of each Option shall be as specified by the Committee; provided, however, that no Options shall be exercisable later than ten years after the Grant Date. Options may be granted with respect to Restricted Stock or shares of Common Stock that are not Restricted Stock, as determined by the Committee in its sole discretion, provided that an option providing for the receipt of Restricted Stock upon exercise may not be transferable during life of the Participant to Permitted Transferee .

7.3 Restrictions Relating to Incentive Stock Options. Options granted in the form of Incentive Stock Options shall, in addition to being subject to the terms and conditions of Section 7.2, comply with section 422(b) of the Code. Accordingly, no Incentive Stock Options shall be

(i) be granted later than ten years after the date of adoption of the Plan by the Board; or

(ii) **be exercisable for the first time during any calendar year (after aggregating all Incentive Stock Options granted under this and all other stock option plans of the Company or an Affiliate) if the aggregate Fair Market Value (determined as of the time the Option is granted) of the Stock with respect to which an Participant's Incentive Stock Options shall exceed \$100,000. If Options or portions of Options become exercisable for the first time as a result of acceleration under Article 10 and cause this \$100,000 limit to be exceeded, Options in excess of the limit shall be treated as a Nonqualified Stock Option for tax purposes, in accordance with the first-grant ordering rules of Treas. Reg. § 1.422-4; or**

(iii) **have an exercise price any less than 100% of the Fair Market Value of a share of Common Stock on the Grant Date, or such higher price as is determined by the Committee. No Incentive Stock Option shall be granted to an Employee under the Plan if, at the time such Option is granted, such Employee owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or an Affiliate, within the meaning of section 422(b)(6) of the Code, unless (a) on the Grant Date of such Option, the exercise price of such Option is at least 110% of the Fair Market Value of the Common Stock subject to the**

Option and (b) such Option by its terms is not exercisable after the expiration of five years from the Grant Date of the Option; or

(iv) **be transferable, by the Participant otherwise than by will or by the laws of descent and distribution, and such option shall be exercisable, during the Participant's lifetime, only by the Participant; or**

(v) **be exercisable after Termination of Employment later than (i) at the expiration of one year in the event of Termination of Employment due to Disability; (ii) at the expiration of one year after the Participant's death, if the Termination of Employment occurs by reason of death; or (iii) three months following Termination of Employment for any other reason, unless the award by its terms provides that, the Option is exercisable longer in certain events and acknowledges that if so exercised later, will be then converted into a Nonqualified Stock Option.**

7.4 **Additional Terms and Conditions. The Committee shall determine the time or times at which an Option will vest and become exercisable. At the time of an Award of an Option, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the Option, including without limitation rules pertaining to earlier or later (in the case on Nonqualified Stock Options) lapse upon Termination Of Employment Or Service (by reason of death, permanent and total disability, or otherwise) of a Participant prior to exercise of the Option, as it determines are necessary or appropriate, provided they are not inconsistent with the Plan; provided, that if the Nonqualified Stock Option does not specifically state when it may be exercised after Termination of Employment or Service, the Option shall be governed by the provisions stated above for Incentive Stock Options. In no event shall an Option be issued or changed hereunder to allow**

(iii) **have an exercise price any less than 100% of the Fair Market Value of a share of Common S**

its net value to be settled in cash rather than in Stock, or for an exercise price that is or may become less than the Fair Market Value of the Stock on the Grant Date.

7.5 **Exercise of Options.**

Subject to the terms and conditions of the Plan, Options shall be exercised by the delivery to the Company's principal executive office of a written notice of exercise, setting forth the number of whole shares of Common Stock with respect to which the Option is to be exercised, accompanied by full payment for such shares.

Upon exercise of an Option, the exercise price of the Option shall be payable to the Company in full either: (i) in cash or an equivalent acceptable to the Committee, or (ii) in the sole discretion of the Committee and in accordance with any applicable administrative guidelines established by the Committee, by tendering one or more previously acquired nonforfeitable, unrestricted shares of Common Stock that have been held by the Participant for at least six months [one year in the case of stock acquired by Incentive Stock Option Exercise] having an aggregate Fair Market Value at the time of exercise equal to the total exercise price, or (iii) in a combination of the forms of payment specified in clauses (i) and (ii) above. Notwithstanding the preceding sentence, any such right to exercise by delivery of already-owned stock shall be ineffective and void from its inception if such a right is deemed to be a feature allowing deferral of compensation within the meaning of Code Section 409A that would eliminate the Option's status as exempt from the deferred compensation rules of that Code Section. An Option may not be

exercised for a fraction of a share of Stock. Any surrender by a person subject to the reporting requirements of Section 16b of the Exchange Act of previously owned shares of Stock to satisfy tax withholding obligations arising upon exercise of this Option must comply with the applicable provisions of Rule 16b-3 under the Exchange Act.

As soon as reasonably practicable after receipt of written notification of exercise of an Option and full payment of the exercise price and any required withholding taxes, the Company shall (i) deliver to the Participant, in the Participant's name or the name of the Participant's designee, a stock certificate or certificates in an appropriate aggregate amount based upon the number of shares of Common Stock purchased under the Option, or (ii) cause to be issued in the Participant's name or the name of the Participant's designee, in book-entry form, an appropriate number of shares of Common Stock based upon the number of shares purchased under the Option.

The Company or Affiliate shall reflect the exercise of any Incentive Stock Option on an informational report as required by Code Section 6039 no later than January 31 of the year following exercise. The compensation resulting from exercise of a Nonqualified Stock Option or a Restricted Stock Award by an Employee or former Employee, and related income and employment tax withholding related thereto, shall be reported on that Employee's W-2 Form for the year of exercise or vesting (as the case may be) as required by the Code.

ARTICLE 8 STOCK APPRECIATION RIGHTS

8.1 **General.** The Committee may grant Awards in the form of SARs in such numbers and at such times as it shall determine. SARs shall vest and be exercisable in whole or in such installments and at such times as may be determined by the Committee. The price at which SARs may be exercised shall be determined by the Committee but shall not be less than 100% of the Fair Market Value per share of Common Stock on the Grant Date. The term of each SAR shall be as specified by the Committee; provided, however, that no SARs shall be exercisable later than ten years after the Grant Date. At the time of an Award of SARs, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the SARs, including without limitation rules pertaining to the Termination Of Employment Or Service (by reason of death, permanent and total disability, or otherwise) of a Participant prior to exercise of the SARs, as it determines are necessary or appropriate, provided they are not inconsistent with the Plan.

8.2 **Exercise of SARs.** SARs shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of whole shares of Common Stock with respect to which the Award is being exercised. Upon the exercise of SARs, the Participant shall be entitled to receive an amount equal to the excess of the aggregate Fair Market Value of the shares of Common Stock with respect to which the Award is exercised (determined as of the date of such exercise) over the aggregate exercise price of such shares. Such amount shall be payable to the Participant in shares of Common Stock, as provided in the Award Agreement.

ARTICLE 9 RESTRICTED STOCK

9.1 **General. Awards may be granted in the form of Restricted Stock in such numbers and at such times as the Committee shall determine. The Committee shall impose such terms, conditions and restrictions on Restricted Stock as it may deem advisable, including without limitation providing for vesting upon the achievement of specified performance goals and restrictions under applicable Federal or state securities laws.**

9.2 **Restricted Period. At the time an Award of Restricted Stock is granted, the Committee shall establish a Restricted Period applicable to such Restricted Stock. Each Award of Restricted Stock may have a different Restricted Period in the sole discretion of the Committee. The Committee may not retain the discretion to lengthen the Restricted Period, if such change in the Restricted Period would have the effect of delaying the date on which the Award ceases being subject to a substantial risk of forfeiture within the meaning of Sections 83(b) and 409A of the Code and therefore subject to Federal income tax. However, that the Committee may provide in the Award Agreement that restrictions on forfeiture will be waived in whole or in part in the event of Termination of Employment or Service on account of death or Disability, and, unless provided to the contrary in the Award Agreement, shall be waived upon a Change in Control.**

9.3 **Other Terms and Conditions. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. Restricted Stock awarded to a Participant under the Plan shall be registered in the name of the Participant or, at the option of the Company, in the name of a**

nominee of the Company, and shall be issued in book-entry form or represented by a stock certificate. Subject to the terms and conditions of the Award Agreement, a Participant to whom Restricted Stock has been awarded shall have the right to receive dividends thereon during the Restricted Period, to vote the Restricted Stock and to enjoy all other stockholder rights with respect thereto, except that (i) the Company shall retain custody of any certificates evidencing the Restricted Stock during the Restricted Period, and (ii) the Participant may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the Restricted Stock during the Restricted Period. A breach of the terms and conditions established by the Committee pursuant to the Award of the Restricted Stock may result in a forfeiture of the Restricted Stock. At the time of an Award of Restricted Stock, the Committee may, in its sole discretion, prescribe additional terms, conditions, restrictions and limitations applicable to the Restricted Stock, including without limitation rules pertaining to the Termination Of Employment Or Service (by reason of death, permanent and total disability, or otherwise) of a Participant prior to expiration of the Restricted Period.

9.4 Miscellaneous. Nothing in this Article shall prohibit the exchange of shares of Restricted Stock pursuant to a plan of merger or reorganization for stock or other securities of the Company or another corporation that is a party to the reorganization, provided that the stock or securities so received in exchange for shares of Restricted Stock shall, except as provided in Article 10, become subject to the restrictions applicable to such Restricted Stock. Any shares of Common Stock received as a result of a stock split or stock dividend with respect to shares of Restricted Stock shall also become subject

to the restrictions applicable to such Restricted Stock.

9.5 Code Section 162(m) Provisions. Notwithstanding any other provision of the Plan, if the Committee determines, at the time a Restricted Stock Award is granted to a Participant who

is, or is likely to be as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a Named Executive, then the Committee may provide that this Section 9.5 is applicable to such Award.

(i) ***Performance Criteria.*** If a Stock Award is subject to this Section 9.5, then the lapsing of restrictions thereon and the distribution of Stock pursuant thereto, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment of specified levels of one of or any combination of the following performance criteria for the Company as a whole or any business unit of the Company, as reported or calculated by the Company:

(i) **earnings or earnings per share (whether on a pre-tax, after-tax, operational or other basis);**

(ii) **return on equity;**

(iii) **return on assets;**

(iv) **revenues;**

(v) **expenses or expense levels;**

(vi) **one or more operating ratios;**

(vii) **stock price;**

(viii) **stockholder return;**

(ix) **the accomplishment of mergers, acquisitions, dispositions, public offerings or similar extraordinary business transactions;**

(x) **economic value added (together, the Performance Criteria).**

Such performance goals also may be based on the achievement of specified levels of Company performance (or performance of an applicable affiliate, division or business unit of the Company) under one or more of the Performance Criteria described above relative to the performance of other corporations. Such performance goals shall be set by the Committee over a specified performance period that shall not be shorter than one year and otherwise within the time period prescribed by, and shall otherwise comply with the requirements of, Code Section 162(m), or any successor provision thereto, and the regulations thereunder. Requirements shall be established in writing by the Committee based on one or more performance goals as set forth in this Section 9.5 not later than 90 days after commencement of the performance period with respect to such Award, provided that the outcome of the performance in respect of the goals remains substantially uncertain as of such time.

(ii) **Adjustment Of Restricted Stock Awards.** Notwithstanding any provision of the Plan to the contrary, with respect to any Restricted Stock Award that is subject to this Section 9.5, the Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award, and the Committee may not waive the achievement of the applicable performance goals except in the case of the death or Disability of the Named Executive or upon a Change in Control.

ARTICLE 10 CHANGE OF CONTROL

10.1 General Rule-Rights Accelerate. Except as provided otherwise in Section 10.2 or in an Award Agreement at the time an Award is granted, notwithstanding anything to the contrary in this Plan, upon any Change of Control, any time periods, conditions or contingencies relating to the exercise or realization of, or lapse of restrictions under, any Award shall be automatically accelerated or waived so that:

(i) if no exercise of the Award is required (i.e. with respect to Restricted Stock), the Award will be nonforfeitable in full at the time of the occurrence of the Change of Control (the Change Effective Time), or

(ii) if exercise of the Award is required, the Award may be exercised at the Change Effective Time, provided, however, that in the case of the events described in clauses (iii) and (iv) of the definition of a Change of Control in this Plan, each Award requiring exercise that is not exercised at the Change Effective Time shall lapse and all rights thereunder shall be forfeited immediately after the Change Effective Time if the Participant holding such Award has received written notice at least 15 days prior to the Change Effective Time of his right to exercise the Award at the Change Effective Time.

10.2 Award Substitution Avoids Lapse of Awards. In the event outstanding Awards are replaced as of the Change Effective Time by comparable types of awards of substantially equivalent value, and such replacement meets the conditions of a modification that would be permitted under Code Section 424 with respect to an Incentive Stock Option (and similar principles for other Awards to avoid them becoming deferred compensation within the meaning of Code Section 409A), Section 10.1(ii) shall not apply.

ARTICLE 11 AMENDMENT AND TERMINATION

11.1 Plan Amendment and Termination by Board. The Board may at any time suspend, terminate, amend or modify the Plan, in whole or in part; except that,

(i) no suspension, termination, amendment or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the consent of the Participant (or the Permitted Transferee) holding such Award;

(ii) the Board may not decrease the price of any Option to less than the option price on the date the Option was granted; or

(iii) the Board may not extend the exercise period of an Option beyond that originally stated at grant, unless and until the Committee determines that such extension does not constitute a deferral of compensation feature within the meaning of Code Section 409A.

Upon termination of the Plan, the terms and provisions of the Plan shall, notwithstanding such termination, continue to apply to Awards granted prior to such termination.

11.2 Shareholder Approval Required for some changes. Notwithstanding Section 11.1, no amendment or modification of the Plan shall become effective without the approval of such amendment or modification by a majority of the stockholders of the Company

(i) if such amendment or modification increases the maximum number of shares subject to the Plan (except as provided in Article 4) or changes the designation or class of persons eligible to receive Awards under the Plan, or

(ii) to make any grants of Awards after any change in the granting corporation (for example, by assumption of the Plan by another corporation) or in the definition of Common Stock; or

(iii) if counsel for the Company determines that such approval is otherwise required by or necessary to comply with applicable law.

11.3 Award Amendment and Cancellation. The Committee may amend the terms of any outstanding Award granted pursuant to the Plan, but no such amendment shall adversely affect in any material way the Participant s (or a Permitted Transferee s) rights under an outstanding Award without the consent of the Participant (or the Permitted Transferee) holding such Award, and no amendment may have the effect of deferring the taxation of amounts under the Awards beyond the date taxation would have occurred absent that change.

11.4 **Performance-Based Compensation.** In the case of an outstanding Award intended to be eligible for the performance-based compensation exemption under section 162(m) of the Code, the Committee shall not, without the approval of a majority of the stockholders of the Company, amend the Plan or the Award in a manner that would adversely affect the Award's continued eligibility for the performance-based compensation exemption under section 162(m) of the Code.

ARTICLE 12 MISCELLANEOUS

12.1 **Award Agreements.** After the Committee grants an Award under the Plan to a Participant, the Company and the Participant shall enter into an Award Agreement setting forth the terms, conditions, restrictions and limitations applicable to the Award and such other matters as the Committee may determine to be appropriate. The terms and provisions of the respective Award Agreements need not be identical. All Award Agreements shall be subject to the provisions of the Plan, and in the event of any conflict between an Award Agreement and the Plan, the terms of the Plan shall govern.

12.2 **Listing; Suspension.**

As long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issuance of any shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. The Company shall have no obligation to issue such shares unless and until such shares are so listed, and the right to exercise any Option or other Award with respect to such shares shall be suspended until such listing has been effected.

If at any time counsel to the Company or its Affiliates shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company or its Affiliates under the laws of any applicable jurisdiction, the Company or its Affiliates shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act of 1933, as amended, or otherwise, with respect to shares of Common Stock or Awards, and the right to exercise any Option or other Award shall be suspended until, in the opinion of such counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company or its Affiliates.

Upon termination of any period of suspension under this Section, any Award affected by such suspension that shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares that would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award unless otherwise determined by the Committee in its sole discretion.

12.3 Additional Conditions. Notwithstanding anything in the Plan to the contrary: (i) the Committee may, if it shall determine it necessary or desirable in its sole discretion, at the time of grant of any Award or the issuance of any shares of Common Stock pursuant to any Award, require the recipient of the Award or such shares of Common Stock, as a condition to the receipt thereof, to deliver to the Company a written representation of present intention to acquire the Award or such shares of Common Stock for his own account for investment and not for distribution, (ii) the certificate for shares of Common Stock issued to a Participant may include any legend that the Committee deems appropriate to reflect any restrictions on transfer, and (iii) all certificates for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange upon which the Common Stock is then listed or quoted, any applicable federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions.

12.4 **Transferability.** No Award shall be subject to execution, attachment or similar process. No Award of Incentive Stock Options or Restricted Stock during its Restricted Period may be sold, transferred, pledged, exchanged, hypothecated or otherwise disposed of, other than by will or pursuant to the applicable laws of descent and distribution. If provided in the Award Agreement, all Nonqualified Stock Options or SARs (other than those issues in tandem with Incentive Stock Options) may be transferred by a Participant to a Permitted Transferee. Any attempted sale, transfer, pledge, exchange, hypothecation or other disposition of an Award not specifically permitted by the Plan or the Award Agreement shall be null and void and without effect. All Awards granted to a Participant shall be exercisable during his lifetime only by such Participant, or if applicable, a Permitted Transferee; provided, however, that in the event of a Participant's legal incapacity, an Award may be exercised by his guardian or legal representative. For purposes of the Plan, Permitted Transferee means (i) a member of a Participant's immediate family, (ii) any person sharing the Participant's household (other than a tenant or employee of the Participant), (iii) trusts in which a person listed in (i) or (ii) above has more than 50% of the beneficial interest, (iv) a foundation in which the Participant or a person listed in (i) or (ii) above controls the management of assets, (v) any other entity in which the Participant or a

person listed in (i) or (ii) above owns more than 50% of the voting interests, provided that in the case of the preceding clauses (i) through (v), no consideration is provided for the transfer, and (vi) any transferee permitted under applicable securities and tax laws as determined by counsel to the Company. In determining whether a person is a Permitted Transferee, immediate family members shall include a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships.

12.5 Withholding Taxes. The Company shall be entitled to deduct from any payment made under the Plan, regardless of the form of such payment, the amount of all applicable income and employment taxes required by law to be withheld with respect to such payment, may require the Participant to pay to the Company such withholding taxes prior to and as a condition of the making of any payment or the issuance or delivery of any shares of Common Stock under the Plan, and shall be entitled to deduct from any other compensation payable to the Participant any withholding obligations with respect to Awards. In accordance with any applicable administrative guidelines it establishes, the Committee may allow a Participant to pay the amount of taxes required by law to be withheld from or with respect to an Award by (i) withholding shares of Common Stock from any payment of Common Stock due as a result of such Award, or (ii) permitting the Participant to deliver to the Company previously acquired shares of Common Stock, in each case having an aggregate Fair Market Value equal to the amount of such required withholding taxes; in each case subject to the Committee first determining that such a feature would not bring the Award within the definition of deferred compensation for purposes of Code Section 409A. No payment shall be made and no shares of Common Stock shall be issued pursuant to any Award unless and until the applicable tax withholding obligations have been satisfied.

12.6 No Fractional Shares. No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan or any Award granted hereunder, the Committee shall round fractional shares down to the nearest whole share.

12.7 Notices. All notices required or permitted to be given or made under the Plan or pursuant to any Award Agreement (unless provided otherwise in such Award Agreement) shall be in writing and shall be deemed to have been duly given or made if (i) delivered personally, (ii) transmitted by first class registered or certified United States mail, postage prepaid, return receipt requested, (iii) sent by prepaid overnight courier service, or (iv) sent by telecopy or facsimile transmission, with confirmation receipt, to the person who is to receive it at the address that such person has theretofore specified by written notice delivered in accordance herewith. Such notices shall be effective (i) if delivered personally or sent by courier service, upon actual receipt by the intended recipient, (ii) if mailed, upon the earlier of five days after deposit in the mail or the date of delivery as shown by the return receipt therefor, or (iii) if sent by telecopy or facsimile transmission, when the answer back is received. the Company or a Participant may change, at any time and from time to time, by written notice to the other, the address that it or such Participant had theretofore specified for receiving notices. Until such address is changed in accordance herewith, notices hereunder or under an Award Agreement shall be delivered or sent (i) to a Participant at his address as set forth in the records of the Company or (ii) to the Company at the principal executive offices of the Company clearly marked
Attention: General Counsel.

12.8 **Binding Effect.** The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company. The terms and conditions of the Plan shall be binding upon each Participant and his Permitted Transferees, heirs, legatees, distributees and legal representatives.

12.9 **Severability.** If any provision of the Plan or any Award Agreement is held to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions of the Plan or such agreement, as the case may be, but such provision shall be fully severable and the Plan or such agreement, as the case may be, shall be construed and enforced as if the illegal or invalid provision had never been included herein or therein.

12.10 **No Restriction of Corporate Action.** Nothing contained in the Plan shall be construed to prevent the Company or any Affiliate from taking any corporate action (including any corporate action to suspend, terminate, amend or modify the Plan) that is deemed by the Company or such Affiliate to be appropriate or in its best interest, whether or not such action would have an adverse effect on the Plan or any Awards made or to be made under the Plan. No Participant or other person shall have any claim against the Company or any Affiliate as a result of such action.

12.11 Governing Law. The Plan shall be governed by and construed in accordance with the internal laws (and not the principles relating to conflicts of laws) of the Commonwealth of Kentucky except as superseded by applicable federal law.

12.12 No Right, Title or Interest in Company Assets. No Participant shall have any rights as a stockholder of the Company as a result of participation in the Plan until the date of issuance of Common Stock in his name and, in the case of Restricted Stock, unless and until such rights are granted to the Participant pursuant to the Plan.

12.13 Risk of Participation. Nothing contained in the Plan shall be construed either as a guarantee by the Company or the Affiliates, or their respective stockholders, directors, officers or employees, of the value of any assets of the Plan or as an agreement by the Company or the Affiliates, or their respective stockholders, directors, officers or employees, to indemnify anyone for any losses, damages, costs or expenses resulting from participation in the Plan.

12.14 No Guarantee of Tax Consequences. No person connected with the Plan in any capacity, including without limitation the Company and the Affiliates and their respective directors, officers, agents and employees, makes any representation, commitment or guarantee that any tax treatment, including without limitation federal, state and local income, estate and gift tax treatment, will be applicable with respect to any Awards or payments thereunder made to or for the benefit

of a Participant under the Plan or that such tax treatment will apply to or be available to a Participant on account of participation in the Plan.

12.15 Continued Employment or Service. Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant the right to continue in the employ or service of the Company, or interfere in any way with the rights of the Company to terminate a Participant s

employment or service at any time, with or without cause. The loss of existing or potential profit in Awards will not constitute an element of damages in the event of termination of employment or service for any reason, even if the termination is in violation of an obligation of the Company or an Affiliate to the Participant.

12.16 Miscellaneous. Headings are given to the articles and sections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction of the Plan or any provisions hereof. The use of the masculine gender shall also include within its meaning the feminine. Wherever the context of the Plan dictates, the use of the singular shall also include within its meaning the plural, and vice versa.

IN WITNESS WHEREOF, this Plan has been executed as of the Effective Date.
