(1) Shares to be offered pursuant to the Registrant's 2005 Equity and Incentive Plan and pursuant to the Nonqualified Performance Vesting Stock Option Contracts with James R. Murphy, Michael D. Price and Robert M. Stote, each dated April 19, 1996 (together, the Executive Options). The Registrant is transferring to the Registrant's 2005 Equity and Incentive Plan all shares of Common Stock that are available under its existing plans, or that may become available under its existing plans or the Executive Options through expiration, forfeiture, settlement, or other termination of outstanding options that are not exercised. These shares include: (1) up to 366,228 shares under the Registrant's Amended and Restated 1991 Stock Option Plan; (2) up to 2,389,500 shares under the Registrant's 2001 Employee Stock Option Plan; (3) up to 952,100 shares under the Registrant's 2001 Directors' Stock Option Plan; and (4) up to 983,000 shares currently granted as Executive Options. In addition, the Registrant is registering up to 983,000 shares for issuance upon exercise of the Executive Options. The shares include associated stock purchase rights that currently are evidenced by certificates for shares of Common Stock and that automatically trade with the shares.

(2) Pursuant to Rule 416 under the Securities Act of 1933, as amended, to the extent additional shares of Common Stock may be issued or issuable as a result of a stock split or other distribution declared at any time by the Board of Directors while this registration statement is in effect, this registration statement is hereby deemed to cover all such additional shares of Common Stock.

(3) Estimated solely for the purpose of calculating the registration fee in accordance with Rule 457(c) and Rule 457(h) under the Securities Act of 1933, as amended, based on the average of the high and low prices of the Common Stock as reported on the New York Stock Exchange on July 7, 2005.

(4) 3,341,600 of the shares being registered pursuant to the Registrant's 2005 Equity and Incentive Plan have been registered on Registration Statements on Form S-8 previously filed with the Commission. Accordingly, pursuant to Rule 457(p), the registration fee for these shares is being offset in its entirety because fees have been previously paid by the Registrant in respect of these shares on Registration Statements on Form S-8 Nos. 333-72918 (filed on November 7, 2001 with an \$883 fee), 333-72920 (filed on November 7, 2001 with a \$1,808 fee), 333-113387 (filed on March 8, 2004 with a \$2,182 fee) and 333-113388 (filed on March 8, 2004 with a \$683 fee). Accordingly, the registration fee for this Form S-8, covering the remaining 1,349,228 shares, is \$1,815.13. The Registrant is filing post-effective amendments to such prior Registration Statements to reflect the transfer of such shares to this Registration Statement.

Explanatory Note

The Bentley Pharmaceuticals, Inc. 2005 Equity and Incentive Plan was approved by the Registrant's stockholders on May 24, 2005 to replace the Registrant's Amended and Restated 1991 Stock Option Plan, 2001 Employee Stock Option Plan and 2001 Directors' Stock Option Plan (collectively, the Prior Plans). All shares available or that may become available under the Prior Plans, along with all shares that may become available under the Executive Options, were transferred to the Registrant's 2005 Equity and Incentive Plan. No further options will be granted under the Prior Plans, though the provisions of those plans shall continue to apply to options granted under those plans.

Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

Article V of the Registrant's Amended and Restated Bylaws (the "Bylaws") provides that the liability of a director or officer of the Registrant shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law (the "DGCL"). Under the DGCL, the directors have a fiduciary duty to the Registrant which is not eliminated by this provision of the Bylaws and, in appropriate circumstances, equitable remedies such as injunctive or other forms of non-monetary relief will remain available. In addition, each director will continue to be subject to liability under the DGCL for breach of the director's duty of loyalty to the Registrant, for acts or omissions which are found by a court of competent jurisdiction to be not in good faith or involving intentional misconduct, for knowing violations of law, for actions leading to improper personal benefit to the director, and for payment of dividends or approval of stock repurchases or redemptions that are prohibited by DGCL. This provision also does not affect the directors' responsibilities under any other laws, such as the Federal securities laws or state or Federal environmental laws.

Section 145 of the DGCL empowers a corporation to indemnify its directors and officers and to purchase insurance with respect to liability arising out of their capacity or status as directors and officers, provided that this provision shall not eliminate or limit the liability of a director: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) arising under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. The DGCL provides further that the indemnification permitted thereunder shall not be deemed exclusive of any other rights to which the directors and officers may be entitled under the corporation's bylaws, any agreement, a vote of stockholders or otherwise. The Bylaws eliminate the personal liability of directors to the fullest extent permitted by Section 102(b)(7) of the DGCL and provide that the Registrant shall fully indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that such person is or was a director or officer of the Registrant, or is or was serving at the request of the Registrant as a director or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding.

The Registrant has obtained liability insurance for its officers and directors.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to the Registrant's directors, officers and controlling persons pursuant to the provisions described above, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered for resale, the

Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Item 7. Exemption from Registration Claimed.

Not Applicable.

Item 8. Exhibits.

See Exhibit Index immediately following the signature page.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

Edgar Filing: BENTLEY PHARMACEUTICALS INC - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment to those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of

the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions referred to in Item 6 hereof, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
