**Solicitation and Revocation of Proxies**

The Board of Directors of International Bancshares Corporation, a Texas corporation (the Company) is soliciting proxies to be used at the Special Meeting of Shareholders (the Special Meeting) to be held on Monday, December 8, 2008 at 7:00 p.m., local time, at the Company facility located at 2416 Jacaman Road, Laredo, Texas 78045. The Company will pay for the cost of the proxy preparation and solicitation, including the reasonable charges and expenses of brokerage firms, banks or other nominees for forwarding proxy materials to street name holders.

It is expected that the solicitation of proxies will be primarily by mail. Proxies may also be solicited personally or by telephone by regular employees of the Company. No additional compensation will be paid to employees for such services. Any shareholder giving a proxy has the power to revoke it at any time prior to the voting of the proxy by giving notice in person or in writing to the Secretary of the Company at 1200 San Bernardo Avenue, Laredo, Texas 78040 or by appearing at the Special Meeting, giving notice of revocation of the proxy and voting in person. The approximate date on which this proxy statement and the accompanying form of proxy are first sent or given to security holders is November 18, 2008.

**Important Notice Regarding Availability of Proxy Materials For Special Meeting To Be Held On December 8, 2008**

Pursuant to new rules promulgated by the Securities and Exchange Commission, we have elected to provide access to our proxy materials both by sending you this full set of proxy materials, including a proxy card, and by notifying you of the availability of our proxy materials on the Internet. This proxy statement is available on our website at [www.abc.com](http://www.abc.com), under the heading Investors in the section for SEC Filings. The information found on or otherwise accessible through our website is not incorporated by reference into, and is not otherwise a part of, this Proxy Statement. Additionally, and in accordance with new SEC rules, you may access our Proxy Statement at <http://materials.proxyvote.com/459044>, which does not have cookies that identify visitors to the site, and thus protects your privacy.

**Voting of Proxies and Shares**

Only holders of record of common stock, par value \$1.00 per share ( Common Stock ), of the Company at the close of business on November 6, 2008 (the Record Date ), shall be entitled to vote at the Special Meeting. There were shares of Common Stock issued and outstanding on the Record Date held of record by approximately shareholders. Each owner of record on the Record Date is entitled to one vote for each share of Common Stock held.

All shares entitled to vote represented by a properly executed and unrevoked proxy received in time for the Special Meeting will be voted at the Special Meeting in accordance with the instructions given, but, in the absence of instructions to the contrary, such shares will be voted affirmatively. Persons empowered as Proxies will also be empowered to vote in their discretion upon such other matters as may properly come before the meeting or any adjournment or postponement thereof. Each of the Proxies will have the power to appoint his substitute. Any of the Proxies, or their respective substitutes, who shall be present and acting at the Special Meeting, shall have and may exercise all the powers granted to the Proxies.

A quorum for the transaction of business at the Special Meeting requires representation, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock. The judges of election will treat abstentions and broker non-votes as shares that are present for purposes of determining the presence of a quorum for the transaction of business at the Special Meeting. A quorum with respect to any specific proposal to be voted on at the Special Meeting requires representation, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote on the proposal. Abstentions will be treated

---

as present and entitled to vote with respect to any proposal submitted to the shareholders for a vote for purposes of determining both the presence of a quorum with respect to such proposal and the approval of such proposal. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, the holder(s) of such shares will not be considered as present and entitled to vote with respect to such matter for purposes of determining either the presence of a quorum with respect to such matter or the approval of such matter. With respect to any proposal other than the Amendment of the Articles, such proposal shall be determined by the affirmative vote of the holders of a majority of the shares of Common Stock represented, in person or by proxy, at the Special Meeting and entitled to vote thereon. Thus, abstentions with respect to any such matter will have the same legal effect as a vote against such matter, while broker non-votes will not affect the outcome of such matter. With respect to the proposal to amend the Company's Articles of Incorporation, such proposal requires the affirmative vote of the holders of a majority of the issued and outstanding shares of Common Stock as of the Record Date. Thus, abstentions and broker non-votes will have the same legal effect as a vote against such proposal.

### **Special Meeting Admission**

If you wish to attend the Special Meeting in person, you must present a form of personal identification. If you are a beneficial owner of Company Common Stock that is held of record by a bank, broker or other nominee, you will also need proof of ownership to be admitted to the meeting. A recent brokerage statement or a letter from your bank or broker are examples of proof of ownership. No cameras, recording equipment, or electronic devices will be permitted in the meeting.

**PROPOSAL 1**

**AMENDMENT TO ARTICLES OF INCORPORATION**

The Company's Board of Directors adopted, subject to shareholder approval, an amendment to Article IV of the Company's Articles of Incorporation, as amended, that authorizes the issuance of 25,000,000 shares of "blank check" preferred stock, par value \$0.01 per share. The Company currently has 275,000,000 shares of authorized Common Stock, but it is not authorized to issue preferred stock. The full text of the proposed amendment is attached to this proxy statement as Appendix A, and the following description is qualified in its entirety by Appendix A.

The preferred stock is referred to as a "blank check" because the Board of Directors, in its discretion, will be authorized to provide for the issuance of all or any shares of the preferred stock in one or more series, specifying the number of shares to be included in the series, the distinguishing designations of each series and the designations, preferences, limitations and relative rights, including voting rights, applicable to each series, subject to the limitations of Texas law. The authority of the Board of Directors with respect to each series will include, without limitation, the right to determine:

- **Redemption price or prices and timing;**
  
- **Dividend rates (which may be cumulative or non-cumulative), conditions, and timing, as well as preferences in relation to the dividends payable on any other class or series;**
  
- **Rights upon the dissolution, or upon any distribution of the assets, of the Company;**
  
- **Conversion or exchange rights, including the price or prices and rates of conversion or exchange and adjustments, if any;**
  
- **Limitations on the issuance of additional shares of such class or series, or shares of any other class or series of preferred stock;**

- **Voting rights; and**
- **Other preferences, powers, qualifications, rights and privileges, all as the Board of Directors may deem advisable and as are not inconsistent with law and the provisions of the Articles of Incorporation.**

No further authorization will be required from the Company's shareholders for any of the above-described actions, except as may be required for a particular transaction by applicable law or regulation.

Under the proposed amendment, the Company will have a total of 300,000,000 authorized shares of stock, of which 275,000,000 shares are Common Stock and 25,000,000 shares are preferred stock.

#### **Reason for the Authorization of Blank Check Preferred Stock**

In connection with the recent turbulence in the financial markets, on October 14, 2008, the United States Department of the Treasury (the Treasury Department) announced a capital purchase program pursuant to which it will purchase up to \$250 billion of preferred stock to be issued by eligible U.S. banks, savings associations and their holding companies (the Program). While the Company's capital ratios remain well above the minimum levels required for well capitalized status, management is considering participating in the Program because the Program may offer significant benefits to the Company by providing the Company an additional layer of capital. The Program requires the issuance of preferred stock and it is therefore necessary for the Company to amend its Articles of Incorporation to authorize the issuance of preferred stock in order for the Company to be eligible to participate in the Program. The maximum amount of preferred stock that the Company would be eligible to sell to the Treasury Department under the Program would be 3% of the Company's total risk weighted assets as of September 30, 2008, or approximately \$200,000,000. The sale of preferred stock to the Treasury Department would be for cash in an amount constituting fair value of the securities.

In addition to enabling the Company to consider participation in the Program, authorizing blank check preferred stock would provide the Company with flexibility to raise capital, structure acquisitions and to otherwise meet corporate needs. Authorizing the preferred stock would permit the Company's Board of Directors to determine the exact terms of the series of preferred stock at the time of issuance and to issue such stock without further shareholder approvals or delay and thereby provide the Company with maximum flexibility with respect to capital matters. The preferred stock would enable the Company to respond promptly to and take advantage of market conditions and other favorable opportunities without incurring the delay and expense associated with calling a special shareholders' meeting to approve a contemplated stock issuance. The Board of Directors believes that this will also help to reduce costs because it will not need to seek additional shareholder approval to issue the preferred shares unless it is required to obtain shareholder

approval for the transaction under the rules of any quotation board or stock exchange to which it is subject. Although the Company presently contemplates no particular transaction involving the issuance of preferred stock other than participating in the Program pursuant to the Emergency Economic Stabilization Act of 2008, the Company's management acknowledges that preferred stock may be a component in future capital raising initiatives of the Company. The terms and conditions of the Program are contained in information and documentation that is or will be available from the Treasury Department on its website at <http://www.treas.gov/>. The Treasury Department is currently in the process of finalizing the documentation. If the Company participates in the Program, the Company must adopt the Treasury Department's standards for executive compensation and corporate governance for the period during which the Treasury Department holds any equity in the Company under the Program. The Treasury Department's Summary of Senior Preferred Terms, as of the date of this filing, summarizes the terms of its proposed investment in the securities of the Company issued under the Program and is attached hereto as Appendix B. The terms of the Program and the documentation are subject to further changes by the Treasury Department.

Under the Program, the Treasury Department would purchase from the Company cumulative perpetual preferred stock. The preferred stock would be senior to the Company's Common Stock and would pay cumulative dividends at a rate of 5% per annum until the fifth anniversary date of the issuance and thereafter at a rate of 9% per annum (the Senior Preferred Shares). The redemption of the Senior Preferred Shares would be subject to the provisions of the Program. As long as the Senior Preferred Shares were outstanding, the Company would not be able to declare or pay dividends on any Common Stock unless all dividends on the Senior Preferred Shares had been paid in full. Furthermore, unless the Senior Preferred Shares are redeemed or fully transferred to third parties, until the third anniversary of the investment of the Treasury Department, any increase in the Common Stock dividends would be prohibited without the prior approval of the Treasury Department.

#### **Possible Adverse Effects of the Proposal**

The authorization of preferred shares will not have any immediate effect on the rights of existing shareholders; however, the later issuance of preferred stock by the Board of Directors may have certain adverse effects upon our current holders of Common Stock. The issuance of preferred stock with disproportionately high voting rights generally or with respect to particular matters will adversely affect the voting power of holders of Common Stock. Further, a series of preferred stock convertible into or redeemable for Common Stock may be issued by the Board of Directors. The issuance of Common Stock upon the conversion of preferred stock will increase the number of shares of Common Stock outstanding, diluting the percentage ownership of existing shareholders. If the Company participates in the Program, the Company will be required to issue warrants to the Treasury Department to purchase a number of shares of Common Stock having an aggregate market price equal to 15% of the preferred stock issued to the Treasury Department, diluting the percentage ownership of existing holders of Common Stock accordingly. The initial exercise price for the warrants and the market price for determining the number of shares of Common Stock subject to the warrants, will be determined by reference to the market price of the Common Stock on the date of the investment by the Treasury Department in the preferred stock (calculated on a 20-day trailing average), subject to customary anti-dilution adjustments. The issuance of Common Stock upon a conversion may also dilute book value per share and/or earnings per share. Holders of our stock will not have pre-emptive rights with respect to the preferred stock or Common Stock issued upon the conversion of shares of preferred stock. Finally, shares of preferred stock generally are preferred to common stock with respect to dividend rights and distributions in the event of liquidation. As a result, holders of our Common Stock may not receive any dividends or distributions in the event of liquidation until satisfaction of any dividend or liquidation preference granted to holders of preferred stock. Other than considering participation in the Program, the Company currently has no arrangements, commitments or plans with respect to the issuance of any of the shares of preferred stock as to which authorization is sought.

#### **Possible Anti-Takeover Effects of the Proposal**

The authorization of blank check preferred stock may operate to provide anti-takeover protection for the Company. In the event of a proposed merger, tender offer or other attempt to gain control of the Company that the Board of Directors does not believe is in the best interests of the Company or its shareholders, the Board of Directors will have the ability to quickly issue shares of preferred stock with certain rights, preferences and limitations that make the proposed takeover attempt more difficult to complete. Blank check preferred stock may also be used in connection with the issuance of a shareholder rights plan, sometimes called a poison pill.

The authorization to issue preferred stock may also benefit present management. A potential acquiror may be discouraged from attempting a takeover because the Board of Directors possesses the authority to issue preferred stock. Thus, management may be able to retain its position more easily. The Board of Directors, however, does not intend to issue any preferred stock except on terms that the Board of Directors deems to be in the best interest of the Company and its shareholders.

This proposal is not in response to any attempt to acquire control of the Company, nor is the Company aware of any such attempt. Further, it is not an effort by management of the Company to make it more difficult to replace incumbent management. Finally, this proposal is not part of a plan by the Company to adopt a series of anti-takeover measures, nor does the Company have any present intention of proposing the adoption of anti-takeover measures in the future.

---

**Vote Required for Approval**

Approval of the Amendment of Article IV requires the affirmative vote of the holders of a majority of the shares of Common Stock entitled to vote on such matter. **THE BOARD OF DIRECTORS HAS APPROVED AND RECOMMENDS THAT YOU VOTE FOR THE PROPOSED AMENDMENT TO ARTICLE IV OF THE COMPANY S ARTICLES OF INCORPORATION.** Unless otherwise specified, all properly executed proxies received by the Company will be voted in favor of the approval of the amendment.

---

**PROPOSAL 2**

**ADJOURNMENT, POSTPONEMENT OR CONTINUATION OF THE SPECIAL MEETING**

If at the Special Meeting the number of shares of the Company's Common Stock present or represented and voting in favor of Proposal 1 is insufficient to approve Proposal 1, the Company's management may move to adjourn, postpone or continue the Special Meeting in order to enable its Board of Directors to continue to solicit additional proxies in favor of the proposal to amend the Articles of Incorporation; however, the Special Meeting may not be adjourned, postponed or continued to a date later than December 30, 2008. In that event, you will be asked to vote only upon the adjournment, postponement or continuation proposal and not Proposal 1.

In this proposal, the Company is asking you to authorize the holder of any proxy solicited by its Board of Directors to vote in favor of adjourning, postponing or continuing the Special Meeting and any later adjournments. If the Company's shareholders approve the adjournment, postponement or continuation proposal, the Company could adjourn, postpone or continue the Special Meeting, and any adjourned session of the Special Meeting, to use the additional time to solicit additional proxies in favor of Proposal 1, including the solicitation of proxies from the shareholders that have previously voted against such proposal to amend the Company's Articles of Incorporation. Among other things, approval of the adjournment, postponement or continuation proposal could mean that, even if proxies representing a sufficient number of votes against Proposal 1 have been received, the Company could adjourn, postpone or continue the Special Meeting without a vote on Proposal 1 and seek to convince the holders of those shares to change their votes to vote in favor of the approval of Proposal 1.

Approving the adjournment, postponement or continuation proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock represented, in person or by proxy, at the Special Meeting and entitled to vote thereon. Thus, abstention with respect to any such matter will have the same legal effect as a vote against such matter, while broker non-votes will not affect the outcome of such matter, because such shares will not be considered as present and entitled to vote with respect to such matter. No proxy that is specifically marked AGAINST Proposal 1 will be voted in favor of the adjournment, postponement or continuation proposal, unless the proxy is specifically marked FOR the discretionary authority to adjourn, postpone or continue the Special Meeting to a later date.

The Company's Board of Directors believes that if the number of shares of its Common Stock present or represented at the Special Meeting and voting in favor of Proposal 1 is insufficient to approve the amendment, it is in the best interests of the shareholders to enable the Board of Directors, for a limited period of time, to continue to seek to obtain a sufficient number of additional votes to approve the amendment.

**THE BOARD OF DIRECTORS HAS APPROVED AND RECOMMENDS A VOTE FOR THE PROPOSAL TO GRANT MANAGEMENT THE DISCRETIONARY AUTHORITY TO ADJOURN THE SPECIAL MEETING TO A DATE NOT LATER THAN DECEMBER 30, 2008.**

<b>Security:</b>	Senior Preferred, liquidation preference \$1,000 per share. Dividends will be payable quarterly in arrears on February 15, May 15, August 15 and November 15 of each year.

**Redemption:**

Senior Preferred may not be redeemed for a period of three years from the date of this investment, except with the proceeds from a Qualified Equity Offering (as defined below) which results in aggregate gross proceeds to the QFI of not less than 25% of the issue price of the Senior Preferred. After the third anniversary of the date of this investment, the Senior Preferred may be redeemed, in whole or in part, at any time and from time to time, at the option of the QFI. All redemptions of the Senior Preferred shall be at 100% of its issue price, plus (i) in the case of cumulative Senior Preferred, any accrued and unpaid dividends and (ii) in the case of non-cumulative Senior Preferred, accrued and unpaid dividends for the then current dividend period (regardless of whether any dividends are actually declared for such dividend period), and shall be subject to the approval of the QFI's primary federal bank regulator.

---

Following the redemption in whole of the Senior Preferred held by the UST, the QFI shall have the right to repurchase any other equity security of the QFI held by the UST at fair market value.

**Restrictions on Dividends:**

For as long as any Senior Preferred is outstanding, no dividends may be declared or paid on junior preferred shares, preferred shares ranking pari passu with the Senior Preferred, or common shares (other than in the case of pari passu preferred shares, dividends on a pro rata basis with the Senior Preferred), nor may the QFI repurchase or redeem any junior preferred shares, preferred shares ranking pari passu with the Senior Preferred or common shares, unless (i) in the case of cumulative Senior Preferred all accrued and unpaid dividends for all past dividend periods on the Senior Preferred are fully paid or (ii) in the case of non-cumulative Senior Preferred the full dividend for the latest completed dividend period has been declared and paid in full.

**Common dividends:**

The UST's consent shall be required for any increase in common dividends per share until the third anniversary of the date of this investment unless prior to such third anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties.

**Repurchases:**

The UST's consent shall be required for any share repurchases (other than (i) repurchases of the Senior Preferred and (ii) repurchases of junior preferred shares or common shares in connection with any benefit plan in the ordinary course of business consistent with past practice) until the third anniversary of the date of this investment unless prior to such third anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties. In addition, there shall be no share repurchases of junior preferred shares, preferred shares ranking pari passu with the Senior Preferred, or common shares if prohibited as described above under Restrictions on Dividends .

**Voting rights:**

The Senior Preferred shall be non-voting, other than class voting rights on (i) any authorization or issuance of shares ranking senior to the Senior Preferred, (ii) any amendment to the rights of Senior Preferred, or (iii) any merger, exchange or similar transaction which would adversely affect the rights of the Senior Preferred.

If dividends on the Senior Preferred are not paid in full for six dividend periods, whether or not consecutive, the Senior Preferred will have the right to elect 2 directors. The right to elect directors will end when full dividends have been paid for four consecutive dividend periods.

**Transferability:**

The Senior Preferred will not be subject to any contractual restrictions on transfer. The QFI will file a shelf registration statement covering the Senior Preferred as promptly as practicable after the date of this investment and, if necessary, shall take all action required to cause such shelf registration statement to be declared effective as soon as possible. The QFI will also grant to the UST piggyback registration rights for the Senior Preferred and will take such other steps as may be reasonably requested to facilitate the transfer of the Senior Preferred including, if requested by the UST, using reasonable efforts to list the Senior Preferred on a national securities exchange. If requested by the UST, the QFI will appoint a depository to hold the Senior Preferred and issue depository receipts.

**Executive Compensation:**

As a condition to the closing of this investment, the QFI and its senior executive officers covered by the EESA shall modify or terminate all benefit plans, arrangements and agreements (including golden parachute agreements) to the extent necessary to be in compliance with, and following the closing and for so long as UST holds any equity or debt securities of the QFI, the QFI shall agree to be bound by, the executive compensation and corporate governance requirements of Section 111 of the EESA and any guidance or regulations issued by the Secretary of the Treasury on or prior to the date of this investment to carry out the provisions of such subsection. As an additional condition to closing, the QFI and its senior executive officers covered by the EESA shall grant to the UST a waiver releasing the UST from any claims that the QFI and such senior executive officers may otherwise have as a result of the issuance of any regulations which modify the terms of benefits plans, arrangements and agreements to eliminate any provisions that would not be in compliance with the executive compensation and corporate governance requirements of Section 111 of the EESA and any guidance or regulations issued by the Secretary of the Treasury on or prior to the date of this investment to carry out the provisions of such subsection.

**Summary of Warrant Terms**

- Warrant:** The UST will receive warrants to purchase a number of shares of common stock of the QFI having an aggregate market price equal to 15% of the Senior Preferred amount on the date of investment, subject to reduction as set forth below under Reduction . The initial exercise price for the warrants, and the market price for determining the number of shares of common stock subject to the warrants, shall be the market price for the common stock on the date of the Senior Preferred investment (calculated on a 20-trading day trailing average), subject to customary anti-dilution adjustments. The exercise price shall be reduced by 15% of the original exercise price on each six-month anniversary of the issue date of the warrants if the consent of the QFI stockholders described below has not been received, subject to a maximum reduction of 45% of the original exercise price.
- Term:** 10 years
- Exercisability:** Immediately exercisable, in whole or in part
- Transferability:** The warrants will not be subject to any contractual restrictions on transfer; provided that the UST may only transfer or exercise an aggregate of one-half of the warrants prior to the earlier of (i) the date on which the QFI has received aggregate gross proceeds of not less than 100% of the issue price of the Senior Preferred from one or more Qualified Equity Offerings and (ii) December 31, 2009. The QFI will file a shelf registration statement covering the warrants and the common stock underlying the warrants as promptly as practicable after the date of this investment and, if necessary, shall take all action required to cause such shelf registration statement to be declared effective as soon as possible. The QFI will also grant to the UST piggyback registration rights for the warrants and the common stock underlying the warrants and will take such other steps as may be reasonably requested to facilitate the transfer of the warrants and the common stock underlying the warrants. The QFI will apply for the listing on the national exchange on which the QFI's common stock is traded of the common stock underlying the warrants and will take such other steps as may be reasonably requested to facilitate the transfer of the warrants or the common stock.
- Voting:** The UST will agree not to exercise voting power with respect to any shares of common stock of the QFI issued to it upon exercise of the warrants.
- Reduction:** In the event that the QFI has received aggregate gross proceeds of not less than 100% of the issue price of the Senior Preferred from one or more Qualified Equity Offerings on or prior to December 31, 2009, the number of shares of common stock underlying the warrants then held by the UST shall be reduced by a number of shares equal to the product of (i) the number of shares originally underlying the warrants (taking into account all adjustments) and (ii) 0.5.
- Consent:** In the event that the QFI does not have sufficient available authorized shares of common stock to reserve for issuance upon exercise of the warrants and/or stockholder approval is required for such issuance under applicable stock exchange rules, the QFI will call a meeting of its stockholders as soon as practicable after the date of this investment to increase the number of authorized shares of common stock and/or comply with such exchange rules, and to take any other measures deemed by the UST to be necessary to allow the exercise of warrants into common stock.
- Substitution:** In the event the QFI is no longer listed or traded on a national securities exchange or securities association, or the consent of the QFI stockholders described above has not been received within 18 months after the issuance date of the warrants, the warrants will be exchangeable, at the option of the UST, for senior term debt or another economic instrument or security of the QFI such that the UST is appropriately compensated for the value of the warrant, as determined by the UST.
