PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of THE JAPAN EQUITY FUND, INC., a Maryland corporation (the "Fund") for use at the Annual Meeting of Stockholders (the "Meeting"), to be held at the offices of Daiwa Capital Markets America Holdings Inc., Financial Square, 32 Old Slip, 14th Floor, New York, New York 10005, on Monday, June 4, 2012, at 3:45 p.m., New York time and at any adjournments thereof.

This Proxy Statement and proxy card are first being made available to stockholders on or about April 20, 2012. Any stockholder giving a proxy in advance of the Meeting has the power to revoke it by mail (addressed to the Secretary of the Fund, c/o Daiwa Securities Trust Company, One Evertrust Plaza, 9th Floor, Jersey City, New Jersey 07302-3051), by executing a superseding proxy, by attending the Meeting in person and voting at the Meeting or by submitting a notice of revocation to the Fund. All properly executed proxy cards received in time for the Meeting will be voted as specified in the proxy card or, if no specification is made, FOR Proposal 1. Shares owned by any stockholder who attends the Meeting but does not cast a vote are included in the determination of the number of shares present at the Meeting.

Under rules and regulations of the U.S. Securities and Exchange Commission, instead of mailing a printed copy of the proxy materials to each stockholder of record, the Fund is furnishing proxy materials, which include the Proxy Statement, over the internet and providing a Notice of Internet Availability of Proxy Materials by mail. You will not receive a printed copy of the proxy materials unless you request to receive these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials. Instead, the Notice of Internet Availability of Proxy Materials will instruct how you may access and review the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs how you may submit your proxy card via the internet. You may also authorize your proxy to vote your shares via touchtone telephone by dialing 1-800-PROXIES (please call 1-718-921-8500 for calls from outside the United States). If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of the proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials. It is expected that the Notice of Internet Availability of Proxy Materials will first be mailed to stockholders on or about April 20, 2012.

The Fund will furnish, without charge, a copy of its Annual Report for its most recent fiscal year to any stockholder requesting such report. Requests for the Annual Report should be made by writing to the Fund at the Fund's principal executive offices, c/o Daiwa Securities Trust Company, One Evertrust Plaza, 9th Floor, Jersey City, New Jersey 07302-3051, attention: Shareholder Relations, or by calling collect at (201) 915-3054.

The Board has fixed the close of business on March 19, 2012 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any adjournments thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding 14,481,811 shares of common stock.

The Fund's management knows of no business other than that mentioned in the Notice of Meeting, which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the proxy card to vote in accordance with their discretion.

It is essential that stockholders authorize their proxies to vote their shares over the internet, by telephone or by completing, dating, signing and returning each requested paper proxy card as indicated in the Fund's proxy card. Stockholders are able to authorize their proxies to vote their shares over the internet at www.proxyvote.com. The internet procedures are designed to authenticate a stockholder's identity to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Stockholders will also be able to obtain the toll free number to authorize their proxies to vote their shares via touchtone telephone after viewing the proxy materials over the internet at <https://secure.amstock.com/voteproxy/login2.asp>. The Notice of Internet Availability of Proxy Materials includes instructions on how to request paper copies of proxy materials. If you received printed proxy materials, you may submit your proxy by mail by signing your proxy card and mailing it in the enclosed envelope.

THE FUND'S BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE IN FAVOR OF THE MATTER MENTIONED IN THE NOTICE OF MEETING.

Proposal 1: ELECTION OF DIRECTORS

Persons named in the proxy card intend, in the absence of contrary instructions, to vote all proxies FOR the election of the nominees listed below as Directors of the Fund:

- (i) Yoshihiro Fujisawa, as a Class I Director, will serve until the 2015 Annual Meeting of Stockholders and until his successor is duly elected and qualifies; and
- (ii) Martin J. Gruber, as a Class I Director, will serve until the 2015 Annual Meeting of Stockholders and until his successor is duly elected and qualifies.

The terms of all nominees for Director will expire on the date on which Directors are elected at the Annual Meeting of Stockholders of the Fund in the year stated above or the date that their successors are elected and qualified. If any such nominee should be unable to serve due to an event that is not now anticipated, the proxies will be voted for such person, if any, as shall be designated by the Board to replace any such nominee. The election of each nominee as a Director of the Fund will require the affirmative vote of a majority of the votes cast at the Meeting at which a quorum is present. A majority of the Fund's outstanding shares as of the record date, represented in person or represented by proxy, will constitute a quorum of stockholders at the Meeting. For purposes of Proposal 1, abstentions will be counted in determining whether a quorum is present at the Meeting, but will not be counted as votes cast at the Meeting.

Each of the nominees for Director of the Fund has consented to be named in this Proxy Statement and to serve as a Director of the Fund if elected. The Board has no reason to believe that either of the nominees named above will become unavailable for election as a Director, but if that should occur before the meeting for the Fund, the persons named as proxies in the proxy cards will vote for such persons as the Board of the Fund may recommend.

(1) Each director serves for a three year term.

(2) The information as to beneficial ownership is based on statements furnished to the Fund by the Directors. The dollar value of shares is based upon the market price as of April 16, 2012.

(3) The Fund is considered part of the same Fund Complex as The Thai Capital Fund, Inc. The term "Fund Complex" means two or more U.S. registered investment companies that share the same investment adviser or principal underwriter or hold themselves out to investors as related companies for purposes of investment and investor services. There are no other U.S. registered investment companies advised by Daiwa SB Investments Ltd., Daiwa SB Investments (USA) Ltd., or their affiliates. The Fund and The Thai Capital Fund, Inc. share an administrator and have a common website and thus may be deemed to hold themselves out to investors as related companies. Additionally, Messrs. Gruber, Harmer, Herring and Porter serve as Directors of one other registered investment company that is not considered part of the same Fund Complex as the Fund, despite having a common administrator, because they do not hold themselves out to investors as related companies.

* Directors so noted are deemed by the Fund's counsel to be "interested persons" (as defined in the U.S. Investment Company Act of 1940, as amended (the "1940 Act")). Mr. Fujisawa is an interested person because of his affiliation with DSTC, which is an affiliate of The Japan Equity Fund, Inc.'s current investment manager and investment adviser and the administrator and custodian of the Fund and The Thai Capital Fund, Inc.

† Nominees for Director.

The Board believes that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors lead to the conclusion that each Director should serve in such capacity. Among other attributes common to all Directors are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the investment manager, other service providers, counsel and the independent registered public accounting firm, to exercise effective business judgment in the performance of their duties, and to represent the interests of all of the Fund's stockholders. A Director's ability to perform his duties effectively may have been attained through his educational background or professional training; business, consulting or academic positions; experience from service as a Director, or in various roles at public companies, private entities or other organizations; and/or other life experiences. In addition to these shared characteristics, set forth below is a brief discussion of the specific qualifications, attributes or skills of each Director of the Fund that support the conclusion that each person should serve as a Director.

Interested Directors:

Yoshihiro Fujisawa has served as a Director since 2008. His relevant experience includes various positions within one of the largest Japanese financial institutions including being chairman and president of the financial institution's U.S. trust and custodial services entity, general manager of the financial institution's investor relations entity and general manager of the financial institution's private equity management entity.

Independent Directors

Martin J. Gruber has served as a Director, Audit Committee member and Nominating and Compensation Committee member since 2000. His relevant experience includes various academic positions, including his current appointment as Professor Emeritus and Scholar in Residence at the Leonard N. Stern School of Business, New York University, with research focuses in portfolio theory and management and fund structure and performance. Mr. Gruber also received a PhD in Finance and Economics from Columbia University in 1966.

David G. Harmer has served as a Director, Audit Committee member and Nominating and Compensation Committee member since 2000. His relevant experience includes being a chairman, president, chief financial officer, corporate controller and director of various private and governmental entities.

Richard J. Herring has served as a Director, Audit Committee member and Nominating and Compensation Committee member since 2007. His relevant experience includes various academic positions, including his current appointment as Jacob Safra Professor of International Banking and Professor, Finance Department at The Wharton School, University of Pennsylvania, with research focuses in international banking and finance. Mr. Herring also received a PhD from Princeton University.

Rahn K. Porter has served as a Director, Chairman of the Audit Committee and Nominating and Compensation Committee member since 2007. His relevant experience includes being a vice president and treasurer of a public telecommunications company and serving as a director of a commercial banking organization and an investment management company.

Based on the information furnished by each of the Directors as of March 19, 2012, neither any of the Directors nor any immediate family member of the Directors owned any securities of the investment manager or investment adviser, or any of their respective affiliates, of the Fund as of such date.

The Fund's Board held four regular meetings during its fiscal year ended October 31, 2011. Each current Director attended at least seventy-five percent of the aggregate number of meetings of the Board and any Committee of which he was a member. For annual or special stockholder meetings, Directors may but are not required to attend the

meetings; and for the Fund's last annual stockholder meeting, each Director attended the meeting.

The Board has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which is responsible for reviewing financial and accounting matters. The members of the Fund's Audit Committee are independent as defined in Sections 303A.02 and 303A.07(a) of the New York Stock Exchange's Listed Company Manual, as may be modified or supplemented. The Fund has adopted a formal, written Audit Committee Charter, a copy of which is available at www.daiwast.com. The current members of the Fund's Audit Committee are Messrs. Gruber, Harmer, Herring and Porter. Mr. Porter has been designated as the Fund's "audit committee financial expert," as defined in Item 3 of Form N-CSR, and is presumed to be financially sophisticated for purposes of Section 802B(2) of the NYSE Amex US LLC Company Guide.

The Fund's Audit Committee met two times during its fiscal year. The report of the Fund's Audit Committee, along with certain disclosures regarding fees paid to the Fund's independent registered public accounting firm, are set forth on pages 13 and 14 of this Proxy Statement.

The Board has a Nominating and Compensation Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its committees. The Fund's Nominating and Compensation Committee is composed of Directors who are not interested persons of the Fund and comply with the independence requirements of the New York Stock Exchange listing standards for Nominating and Compensation Committee members. The Fund's Nominating and Compensation Committee's actions are governed by the Fund's Nominating and Compensation Committee Charter, a copy of which is available at www.daiwast.com. The current members of the Fund's Nominating and Compensation Committee are Messrs. Gruber, Harmer, Herring and Porter. The Fund's Nominating and Compensation Committee did not meet during its last fiscal year.

Process of Evaluation of Independent Director Candidates

The Fund's Nominating and Compensation Committee identifies individuals qualified to serve as Independent Directors on the Board and on committees of the Board and recommends such qualified individuals for nomination by the Fund's Independent Directors as candidates for election as Independent Directors, advises the Board with respect to Board composition, procedures and committees, monitors and makes recommendations on corporate governance matters and policies and procedures of the Fund's Board and any Board committees and oversees periodic evaluations of the Board and its committees. Persons recommended by the Fund's Nominating and Compensation Committee as candidates for nomination as Independent Directors are required to possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the New York Stock Exchange. While the Independent Directors of the Fund expect to be able to continue to identify from their own resources an ample number of qualified candidates for the Board as they deem appropriate, they will consider nominations from stockholders to the Board. Nominations from stockholders should be in writing and sent to the Independent Directors as described herein. Assuming that appropriate biographical and background material is provided for Independent Director candidates recommended by stockholders, the Board will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates identified by the Independent Directors of the Fund.

Diversity Policy

The Fund's policy on Board diversity provides that while diversity and variety of experiences and viewpoints represented on the Board should always be considered, a nominee for Director should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a nominee for Director, the Fund's Nominating and Compensation Committee focuses on skills, expertise or

background that would complement the existing Board, recognizing that the Fund's business and operations are diverse and global in nature.

Board Leadership Structure and Risk Oversight

The Fund is focused on its corporate governance practices and values independent Board oversight as an essential component of strong corporate performance to enhance stockholder value. The Fund's commitment to independent oversight is demonstrated by the fact that all of its Directors, except the Chairman, are independent. In addition, all of the members of the Board's committees are independent. The Board acts independently of management and regularly holds independent director sessions of the Board without members of management present.

The Fund is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and committee activities. The Fund's investment adviser and investment manager and other service providers also employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. In addition, the Fund's Chief Compliance Officer compiles a risk assessment for the Fund which is reviewed by the Board. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Fund, the Board interacts with and reviews reports from, among others, the Fund's investment adviser and investment manager, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Fund and applicable risk controls. In addition, DSTC prepares an operations memorandum for the Fund which is distributed to the Board prior to each quarterly meeting. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Stockholder Communications

Stockholders may send communications to the Board. Stockholders should send communications intended for the Board by addressing the communication directly to the Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Officers of the Fund

Yoshiaki Uematsu (age 54) has been President of the Fund since April 2009 and worked as Managing Director of Daiwa SB Investments (USA) Ltd. from 2002 to 2009 and as President and Chief Executive Officer from 2009. Mr. Uematsu's address is 32 Old Slip, New York, New York 10005.

Transactions with and Remuneration of Officers and Directors

The aggregate fee remuneration for Directors of the Fund not affiliated with the Fund's investment manager or investment adviser was \$52,500 and \$53,250 for the fiscal years ended October 31, 2011 and 2010, respectively. Each such non-affiliated Director currently receives fees, paid by the Fund, of \$750 for each Directors' meeting attended in person or by telephone, \$575 for each audit committee meeting attended in person or by telephone and an annual fee of \$6,500.

The officers and interested Directors of the Fund did not receive any compensation from the Fund. DSTC, which pays the compensation and certain expenses of the officers of DSTC who serve as officers of the Fund, receives administration and custodian fees from the Fund.

Set forth below is a chart showing the aggregate fee compensation paid by the Fund (in U.S. dollars) to each of its Directors during the Fund's most recent fiscal year, as well as the total fee compensation paid to each Director by the Fund and by other registered investment companies in the Fund Complex for their services as Directors of such investment companies during their respective fiscal years. REPORT OF THE AUDIT COMMITTEE

At a meeting held on February 27, 2012, the Board of Directors (the "Board") of the Japan Equity Fund, Inc., a Maryland corporation (the "Fund"), including a majority of the Directors who are not "interested persons," as defined under the 1940 Act, selected PricewaterhouseCoopers LLP to act as the independent registered public accounting firm for the Fund for the fiscal year ending October 31, 2012. Although it is not expected that a representative of PricewaterhouseCoopers LLP will attend the Meeting, a representative will be available by telephone to make a statement to the stockholders, if the representative wishes to do so, and to respond to stockholder questions, if any.

The Fund's financial statements for the fiscal year ended October 31, 2011 were audited by PricewaterhouseCoopers LLP. The Audit Committee of the Fund has reviewed and discussed the audited financial statements of the Fund with management of the Fund. The Audit Committee of the Fund has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee), as may be modified or supplemented, and have discussed with PricewaterhouseCoopers LLP its independence with respect to the Fund. The Fund knows of no direct financial or material indirect financial interest of PricewaterhouseCoopers LLP in the Fund. The Audit Committee has discussed with PricewaterhouseCoopers LLP the matters required to be discussed by SAS 61 and SAS 114 (Codification of Statements on Auditing Standards, AU Section 380), as may be modified or supplemented. Based on the foregoing review and discussions, the Audit Committee of the Fund has recommended to the Board that the audited financial statements of the Fund for the fiscal year ended October 31, 2011 be included in the Fund's most recent annual report filed with the Securities and Exchange Commission.
