## Edgar Filing: HESS CORP - Form DFAN14A

Elliott Associates, L.P. and Elliott International, L.P. made the following letter available on or about April 11, 2013 to shareholders of Hess Corporation:

Dear Fellow Hess Shareholder:

As a participant in a Hess retirement plan, you currently have the opportunity to cast your vote for nominees to the Hess Board of Directors. **Your vote is critically important** and is **CONFIDENTIAL**. We urge you to vote the **GREEN** proxy card in this year's election in order to elect five independent, highly qualified Shareholder Nominees.

Elliott owns 4.52% of Hess stock, valued at over \$1.1 billion. Hess is our largest initial equity investment in our 36-year history. We believe Hess is a Company with terrific assets and a bright future, but the Company has lacked appropriate governance from a Board that has been unwilling or unable to ask the right questions and take a clear-eyed look at its own record.

During a period when the Company has underperformed its peers by (460)%, John Hess has been paid a cumulative \$195 million and listed by Forbes as one of the Top 25 Highest-Paid CEOs in 3 of the last 5 years. Current directors have been paid \$32 million over their tenure. Moreover, John Hess's family estate has paid \$8 million directly to current and past Board members including \$3 million paid to Lead Independent Directors creating what we believe is a troubling conflict of interest.

Shareholder Nominees will bring independence, deep experience and a willingness to acknowledge problems and fix them. We urge all shareholders to vote their **GREEN** proxy card today for these Shareholder Nominees.

- Rodney Chase (former Deputy Group CEO, BP)
- Harvey Golub (former Chairman & CEO, American Express)
- Karl Kurz (former COO, Anadarko Petroleum)
- David McManus (former EVP, Pioneer Natural Resources)
- Marshall (Mark) Smith (current SVP & CFO, Ultra Petroleum)

**Importantly, your vote is guaranteed to be confidential. As required by your plan's voting procedures, your vote is returned to an independent third party tabulator and plan participant votes are reported only in aggregate *not individually*.**

**UNDER THE VOTING PROCEDURES IN PLACE,  
HESS MANAGEMENT WILL NOT KNOW HOW A PLAN PARTICIPANT HAS VOTED.**

**We urge you to vote your GREEN proxy card today for these Shareholder Nominees.**

Thank you.

Sincerely,

Elliott Associates & Elliott International
