Item 1.01 Entry into a Material Definitive Agreement.

Indenture and Notes

On August 1, 2014, in connection with the previously announced private offering of \$300 million aggregate principal amount of 7.875% Senior Secured Notes due 2021 (the Notes) to eligible purchasers, Kosmos Energy Ltd. (the Company), Kosmos Energy Operating, Kosmos Energy International, Kosmos Energy Development, Kosmos Energy Ghana HC and Kosmos Energy Finance International (collectively, the Guarantors) entered into an Indenture governing the Notes issued by the Company with Wilmington Trust, National Association, as trustee, transfer agent, registrar and paying agent (the Trustee) and Banque Internationale à Luxembourg S.A., as Luxembourg listing agent, transfer agent and paying agent. The Notes mature on August 1, 2021. Interest accrues at 7.875% per annum and is payable semi-annually in arrears each February 1 and August 1, commencing on February 1, 2015.

The Notes are secured (subject to certain exceptions and permitted liens) by a first ranking fixed equitable charge on all shares held by the Company in its direct subsidiary, Kosmos Energy Holdings. The Notes are currently guaranteed on a subordinated, unsecured basis by the Company's existing restricted subsidiaries that guarantee the Company's commercial debt facility and revolving credit facility (the Corporate Revolver), and, in certain circumstances, the Notes will become guaranteed by certain of the Company's other existing or future restricted subsidiaries. As of the closing of the offering, the Notes were guaranteed by the Guarantors.

Redemption and Repurchase

At any time prior to August 1, 2017 and subject to certain conditions, the Company may, on any one or more occasions, redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture at a redemption price of 107.875%, plus accrued and unpaid interest, with the cash proceeds of certain eligible equity offerings. Additionally, at any time prior to August 1, 2017, the Company may, on any one or more occasions, redeem all or a part of the Notes at a redemption price equal to 100%, plus any accrued and unpaid interest, and plus a make-whole premium. On or after August 1, 2017, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest:

Year	Percentage
On or after August 1, 2017, but before August 1, 2018	103.938%
On or after August 1, 2018, but before August 1, 2019	101.969%
On or after August 1, 2019 and thereafter	100.000%

The Company may also redeem the Notes in whole, but not in part, at any time if changes in tax laws impose certain withholding taxes on amounts payable on the Notes at a price equal to the principal amount of the Notes plus accrued interest and additional amounts, if any, as may be necessary so that the net amount received by each holder after any withholding or deduction on payments of the Notes will not be less than the amount such holder would have received if such taxes had not been withheld or deducted.

Upon the occurrence of a change of control triggering event as defined under the Indenture, the Company will be required to make an offer to repurchase Notes at a repurchase price equal to 101% of the principal amount, plus accrued and unpaid interest to, but excluding, the date of repurchase.

Edgar Filing: Kosmos Energy Ltd. - Form 8-K

If the Company sells assets, under certain circumstances outlined in the Indenture, it will be required to use the net proceeds to make an offer to purchase Notes at an offer price in cash in an amount equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the repurchase date.

Covenants

The Indenture restricts the ability of the Company and its restricted subsidiaries to, among other things: incur or guarantee additional indebtedness, create liens, pay dividends or make distributions in respect of capital stock, purchase or redeem capital stock, make investments or certain other restricted payments, sell assets, enter into agreements that restrict the ability of the Company's subsidiaries to make dividends or other payments to the Company, enter into transactions with affiliates or effect certain consolidations, mergers or amalgamations. These covenants are subject to a number of important qualifications and exceptions. Certain of these covenants will be terminated if the Notes are assigned an investment grade rating by both Standard & Poor's Rating Services and Fitch Ratings Inc. and no default or event of default has occurred and is continuing.

Edgar Filing: Kosmos Energy Ltd. - Form 8-K

A copy of the Indenture is filed as Exhibit 4.1 to this Current Report on Form 8-K (Form 8-K) and is incorporated herein by reference. The description of the Indenture and the Notes in this report is a summary and is qualified in its entirety by the terms of the Indenture and the Notes.

KEL Intercreditor and Security Sharing Agreement

On August 1, 2014, the Company entered into the KEL Intercreditor and Security Sharing Agreement (the *KEL Intercreditor Agreement*) among the Trustee, BNP Paribas, as security and intercreditor agent and Standard Chartered Bank, as the RCF Agent. The *KEL Intercreditor Agreement* is governed by English law and sets forth the relative rights of creditors with respect to the Company's liabilities under the Corporate Revolver and the Indenture.
