**Item 1.01. Entry into a Material Definitive Agreement.**

On December 3, 2015, Sally Holdings LLC ( Holdings ) and Sally Capital Inc. (together with Holdings, the Issuers ), both subsidiaries of Sally Beauty Holdings, Inc. (the Company ), completed the issuance and sale of \$750,000,000 aggregate principal amount of the Issuers 5.625% Senior Notes due 2025 (the Notes ) in a previously announced registered public offering.

The net proceeds from the offering, together with cash on hand and/or additional borrowings, will be used to redeem all \$750,000,000 aggregate principal amount of the Issuers 6.875% senior notes due 2019 at a redemption premium equal to 103.438% of the outstanding principal amount being redeemed plus accrued and unpaid interest to, but not including, the redemption date and to pay fees and expenses incurred in connection with the offering and the redemption.

The Notes were issued pursuant to an Indenture (the Base Indenture ), dated as of May 18, 2012, by and among the Issuers and Wells Fargo Bank, National Association, as Trustee (the Trustee ), as supplemented by a Third Supplemental Indenture, dated as of December 3, 2015, by and among the Issuers, the guarantors listed therein and the Trustee (the Supplemental Indenture and, together with the Base Indenture, the Indenture ). The Indenture provides that interest on the Notes is payable semiannually in arrears on June 1 and December 1 of each year, beginning on June 1, 2016, and the Notes mature on December 1, 2025. Interest on the Notes will accrue from and including December 3, 2015.

Under the Indenture, Holdings has the right to redeem the Notes, in whole or in part, at any time on or after December 1, 2020 initially at 102.813% of their principal amount, plus accrued interest to the redemption date, declining ratably to 100% of their principal amount, plus accrued interest to, but not including, the redemption date, on or after December 1, 2023. Pursuant to the Indenture, at any time prior to December 1, 2020, the Notes may also be redeemed or purchased (by Holdings or any other person), in whole or in part, at a redemption price equal to 100% of their principal amount plus a make-whole premium as provided in the Indenture, together with accrued and unpaid interest to, but not including, the redemption date. In addition, prior to December 1, 2018, Holdings has the right to redeem up to 35% of the aggregate principal amount of the outstanding Notes with the net proceeds from certain equity offerings at a redemption price equal to 105.625% of their principal amount, plus accrued and unpaid interest to, but not including, the redemption date. Holdings may make such redemption only if, after any such redemption, at least 65% of the aggregate principal amount of the Notes originally issued under the Indenture (including any additional notes) remains outstanding.

The Indenture contains certain covenants that, among other things, limit Holdings ability and the ability of its restricted subsidiaries to incur additional indebtedness, make certain dividends, redeem stock or make other distributions, make certain investments, create liens, transfer or sell assets, merge or consolidate, and enter into transaction with Holdings affiliates. Such covenants are subject to a number of important exceptions and qualifications set forth in the Indenture. The Indenture also contains certain customary events of default, including failure to make payments in respect of the principal amount of the Notes, failure to make payments of interest on the Notes when due and payable, failure to comply with certain covenants and agreements and certain events of bankruptcy or insolvency.

## Edgar Filing: Sally Beauty Holdings, Inc. - Form 8-K

An event of default under the Indenture will allow the Trustee or the holders of at least 30% in principal amount of the then outstanding Notes to declare the principal of and accrued but unpaid interest on all Notes due and payable, or in the case of events of default involving bankruptcy, insolvency or reorganization of Holdings, such principal and accrued and unpaid interest on all Notes will become immediately due and payable without action from the Trustee or any holder.

The foregoing description of the Indenture, which includes the form of Note as an exhibit thereto, does not purport to be complete and is qualified in its entirety by reference to the full text of the applicable agreement. The Base Indenture was included as Exhibit 4.1 to the Company's Current Report on Form 8-K previously filed with the Securities and Exchange Commission (the "SEC") on May 18, 2012 and is incorporated by reference into this Item 1.01.
