SECTION 1 - Registrant's Business and Operations

Item 8.01 Other Events

On July 13, 2006, we entered into an agreement titled "Distribution Agreement" (the "Agreement") with Dynamic Engines Limited, a New Zealand company ("DEL"), pursuant to which DEL has become the exclusive distributor of our GENSETS product in the country of New Zealand for a period of twenty years. In exchange for the exclusive distribution rights, DEL has agreed to pay a licensing fee of \$1,000 and to contribute and transfer to us certain application development work that has enhanced the value of our intellectual property.

The Agreement is renewable upon consent of the parties for additional terms of twenty years. Under the Agreement, DEL has the first right to negotiate for and purchase exclusive distribution rights for our other products and to negotiate for and purchase exclusive distribution rights to the additional territories of Australia, the Cook Islands, Tonga, Samoa Niue, and Fiji. In the event that DEL declines or is unable to meet the terms offered by us for these additional product and/or territorial distribution rights, we will be entitled to offer those rights to other parties.

In order to maintain its rights under the Agreement, DEL must annually purchase a minimum number of GENSETS to be determined and periodically reviewed by both parties. The Agreement requires us to exert reasonable efforts to supply DEL's requirements for the GENSETS. Under the Agreement, DEL is obligated to promote our products through product shows, advertising, a website presence, and showroom and/or product demonstration sites. DEL will be responsible for obtaining all licenses and permits necessary to sell our products in New Zealand.

The above description of the Distribution Agreement and the transactions contemplated thereby is a summary of terms, is not intended to be complete, and is qualified in its entirety by the complete text of that agreement, a copy of which is attached as Exhibit 99.1 to this Current Report.
