The Proxy Statement that accompanies this Notice contains additional information regarding the proposals to be considered at the Meeting and shareholders are encouraged to read it in its entirety.

The Board has fixed the close of business on March 28, 2019 as the record date for determination of shareholders entitled to notice of, and the right to vote at, the Meeting.

As set forth in the enclosed Proxy Statement, proxies are being solicited by and on behalf of the Board. All proposals set forth above are proposals of the Company. It is expected that these materials will be mailed to shareholders on or about April 8, 2019.

The Bylaws of the Company provide for the nomination of Directors in the following manner:

“Nominations for election of members of the board of directors may be made by the board of directors or by any shareholder of any outstanding class of capital stock of the corporation entitled to vote for the election of directors. Notice of intention to make any nominations (other than for persons named in the notice of the meeting at which such nomination is to be made) shall be made in writing and shall be delivered or mailed to the president of the corporation no more than sixty (60) days prior to any meeting of shareholders called for the election of directors and no more than ten (10) days after the date the notice of such meeting is sent to shareholders pursuant to Section 2.4 of these Bylaws; provided, however, that if ten (10) days notice of such meeting is sent to shareholders, such notice of intention to nominate must be received by the president of the corporation not later than the time fixed in the notice of the meeting for the opening of the meeting. Such notification shall contain the following information to the extent known to the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of capital stock of the corporation owned by each proposed nominee; (d) the name and residence address of the notifying shareholder; (e) the number of shares of capital stock of the corporation owned by the notifying shareholder; (f) with the written consent of the proposed nominee, a copy of which shall be furnished with the notification, whether the proposed nominee has ever been convicted of or pleaded nolo contendere to any criminal offense involving dishonesty or breach of trust, filed a petition in bankruptcy or been adjudged a bankrupt. The notice shall be signed by the nominating shareholder and by the nominee. Nominations not made in accordance herewith shall be disregarded by the chairman of the meeting and, upon his instructions, the inspectors of election shall disregard all votes cast for each such nominee. The restrictions set forth in this paragraph shall not apply to nomination of a person to replace a proposed nominee who has died or otherwise become incapacitated to serve as a director between the last day for giving notice hereunder and the date of election of directors if the procedure called for in this paragraph was followed with respect to the nomination of the proposed nominee. A copy of the preceding paragraph shall be set forth in the notice to shareholders of any meeting at which directors are to be elected.”

Since important matters are to be considered at the Meeting, it is very important that each shareholder vote.

We urge you to sign and return the enclosed proxy as promptly as possible, whether or not you plan to attend the Meeting in person. The enclosed proxy is solicited by the Board. Any shareholder who executes and delivers such a proxy has the right to revoke it at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by submitting prior to the Meeting a properly executed proxy bearing a later date or by being present at the Meeting and electing to vote in person by advising the Chairman of the Meeting of such election.

Please indicate on the proxy whether or not you expect to attend the Meeting so that the Company can arrange for adequate accommodations.

By Order of the Board of Directors,

PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 23, 2019

SOLICITATION AND VOTING OF PROXIES

Community West Bancshares (Company or CWBC) is furnishing this Proxy Statement to its shareholders in connection with the solicitation by the Board of Directors (Board) of proxies in connection with the Annual Meeting of Shareholders (Meeting), to be held on Thursday, May 23, 2019 at 6:30 P.M. local time at La Cumbre Country Club, 4015 Via Laguna, Santa Barbara, California 93110, and at any and all adjournments and postponements thereof. The designated proxyholders (Proxyholders) are members of the Company's management. Only shareholders of record on March 28, 2019 (Record Date) are entitled to notice of, and to vote in person or by proxy at, the Meeting or any adjournment or postponement thereof. This Proxy Statement and the enclosed proxy card (Proxy) first will be mailed to shareholders on or about April 8, 2019. The Company's Annual Report to Shareholders and the Annual Report on Form 10-K, including consolidated financial statements for the year ended December 31, 2018, accompany this Proxy Statement.

Regardless of the number of shares of no par value common stock of the Company (Common Stock) owned, it is important that the holders of a majority of shares be represented by proxy or be present in person at the Meeting. Shareholders are requested to vote by completing the enclosed Proxy indicating their vote in the space provided and returning it signed and dated in the enclosed postage-paid envelope. Proxies solicited by the Board will be voted in accordance with the directions given therein. Where no instructions are indicated, signed Proxies will be voted "AUTHORITY GIVEN" for all ten nominees in the election of the Directors named in this Proxy Statement; "FOR" approval, in a non-binding advisory vote, of the compensation of the Company's Named Executive Officers (as hereinafter defined) as disclosed in this Proxy Statement; "FOR" approval to hold a non-binding advisory vote for the approval of the compensation of the Company's Named Executive Officers every "THREE (3)" years and, "FOR" ratification of RSM US LLP (RSM) (formerly McGladrey LLP) as the Company's independent auditors for the fiscal year ending December 31, 2019. If any other business is properly presented at the Meeting, the Proxy will be voted in accordance with the recommendations of the Board.

Other than the matters set forth on the attached Notice of Annual Meeting of Shareholders, the Board knows of no additional matters that will be presented for consideration at the Meeting. Execution of a Proxy, however, confers to each of Jonathan Apilado and Jennifer Ofner, as the designated Proxyholders, discretionary authority to vote the shares in accordance with the recommendations of the Board on such other business, if any, which may properly come before the Meeting and at any adjournments or postponements thereof, including whether or not to adjourn the Meeting. In addition, the Proxy being solicited confers, and the holders of each Proxy will have, discretionary authority to vote with respect to any matter if the Company did not have notice of such matter by February 22, 2019, which is at least 45 days before the anniversary date on which the Company first mailed its proxy materials for the then-prior year's Annual Meeting of Shareholders.

You may revoke your Proxy at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed Proxy bearing a later date, or by attending the

Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need to provide appropriate documentation from the record holder to vote personally at the Meeting.

The following matters will be considered and voted upon at the Meeting:

1. Election of Directors. To elect the following ten persons to the Board of Directors of the Company to serve until the 2020 Annual Meeting of Shareholders and until their successors are elected and have qualified.

Robert H. Bartlein	James W. Lokey
Jean W. Blois	Shereef Moharram
Dana L. Boutain	William R. Peeples
Tom L. Dobyms	Martin E. Plourd
John D. Illgen	Kirk B. Stovesand

2. Shareholder Advisory (Non-Binding) Vote on Executive Compensation. To approve, in a non-binding advisory vote, the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement.
3. Shareholder Advisory (Non-Binding) Vote on Frequency of Shareholder Advisory Vote on Executive Compensation. To determine, in a non-binding advisory vote, whether the shareholder advisory votes on the compensation of the Company's Named Executive Officers will occur every 1, 2 or 3 years.
4. Ratification of the Company's Independent Auditors. To ratify the appointment of RSM as the Company's independent auditors for the fiscal year ending December 31, 2019.
5. Other Business. To transact such other business as may properly come before the Meeting and any adjournment thereof, including, without limitation, approving an adjournment(s) of the Meeting, if necessary, to solicit additional proxies for the ten nominees for election.

This solicitation of proxies is being made by the Board. The expense of solicitation of proxies for the Meeting will be borne by the Company. It is anticipated that proxies will be solicited primarily through the use of the mail. Proxies may also be solicited personally or by telephone by Directors, officers and employees of the Company, and its wholly-owned subsidiary, Community West Bank (CWB or Bank), without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, that are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so. The total estimated cost of the solicitation is \$30,000.

VOTING SECURITIES

The securities that may be voted at the Meeting consist of shares of Common Stock. The close of business on March 28, 2019 has been fixed by the Board as the date (Record Date) for the determination of shareholders of record entitled to notice of and to vote at the Meeting and at any adjournments or postponements thereof. The total number of shares of Common Stock outstanding as of the Record Date was 8,449,886 shares. Each shareholder is entitled to one vote, in person or by proxy, for each share held as of the Record Date, except that in the election of Directors, each shareholder has the right to cumulate votes provided that the candidates' names have been properly placed in nomination prior to commencement of voting and a shareholder has given notice of their intention to cumulate votes prior to commencement of voting. Cumulative voting entitles a shareholder to give one candidate a number of votes equal to the number of Directors to be elected, multiplied by the number of shares of Common Stock held by that shareholder, or to distribute such votes among as many candidates as the shareholder deems fit. The candidates receiving the highest number of votes, up to the number of Directors to be elected, will be elected.

Of the shares of Common Stock issued and outstanding as of the Record Date, 1,639,501 (19.40%) shares were beneficially owned by Directors and executive officers of the Company. Such persons have informed the Company that they will vote "AUTHORITY GIVEN" for all ten nominees in the election of Directors; "FOR" the approval, in a non-binding advisory vote, of the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement; and "FOR" ratification of the selection of RSM as the Company's independent auditors for the fiscal year ending December 31, 2019. Under California law and the Company's Bylaws, a quorum consists of the presence in person or by proxy of a majority of the shares entitled to vote at the Meeting, and a matter (other than the election of Directors) voted on by shareholders will be approved if it receives the vote of a majority of the shares both present and voting, which shares also constitute a majority of the required quorum, unless the vote of a greater number of shares is required. Abstentions and broker non-votes will be included in the number of shares present at the Meeting and entitled to vote for the purpose of determining the presence of a quorum.

If your shares are held in "street name" by a brokerage firm, you will need to follow the directions your brokerage firm provides to you to properly vote your shares. Under the current rules of the New York Stock Exchange (NYSE), if

you do not give instructions to your brokerage firm at least ten days before the Meeting, you still will be able to vote your shares with respect to certain “routine” matters, but you will not be allowed to vote your shares with respect to certain “non-routine” matters. For example, the ratification of RSM as the Company’s independent auditors (Proposal 4) is considered to be a routine matter under the NYSE rules and your brokerage firm will be able to vote on this proposal if it does not receive instructions from you, so long as it holds your shares in its name. However, the election of Directors (Proposal 1), is a non-routine matter. Accordingly, if you do not instruct your broker how to vote with respect to Proposals 1, your broker may not vote with respect to that proposal and those votes will be counted as “broker non-votes.” “Broker non-votes” are shares that are held in “street name” by a bank or brokerage firm that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter. Assuming that a quorum is present at the Meeting, the following table sets forth the required vote to approve each matter to be considered and voted upon at the Meeting and the effect of “Withhold” votes, abstentions and broker non-votes.

Proposal	Required Vote	Effect of “Withhold” Votes, Abstentions, Broker Non-Votes
Proposal 1 – Election of Directors	The candidates receiving the highest number of votes, up to the number of Directors to be elected, will be elected.	Broker non-votes will have no effect on the voting for the election of Directors.
Proposal 2 – Shareholder Advisory (Non-Binding) Vote on Executive Compensation	Affirmative vote of a majority of the shares represented and voting at the Meeting either in person or by proxy with the affirmative votes constituting at least a majority of the required quorum.	Abstentions will have the same effect as votes against such proposal, and broker non-votes will not be counted as votes and will have no effect on the voting of this proposal.
Proposal 3 – Shareholder Advisory (Non-Binding) Vote on the Frequency of Shareholder Advisory Vote on Executive Compensation	Shareholders may vote for either very year, every two years, every three years or abstain. The frequency of the Shareholder Advisory (Non-Binding) vote on Executive Compensation will be decided based upon which alternative receives a plurality of the votes cast.	Abstentions will have the same effect as votes against such proposal, and broker non-votes will not be counted as votes and will have no effect on the voting of this proposal.
Proposal 4 – Ratification of the Company’s Independent Auditors	Affirmative vote of a majority of the shares represented and voting at the Meeting either in person or by proxy on this proposal, with affirmative votes constituting at least a majority of the required quorum.	Abstentions will have no effect unless there are insufficient votes in favor of the proposal, such that the affirmative votes constitute less than a majority of the required quorum. In such case, abstentions will have the same effect as a vote against the proposal. Broker non-votes will not be counted as votes and will have no effect on the voting of this proposal.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, DIRECTORS AND EXECUTIVE OFFICERS

The following table sets forth certain information as of the Record Date, concerning the beneficial ownership of the Company’s outstanding Common Stock: (i) by persons (other than depositories) known to the Company to own more than 5% of the Company’s outstanding Common Stock; (ii) by each of the Company’s Directors or nominees; (iii) by each of the Named Executive Officers (as hereinafter defined); and (iv) by all current Directors and executive officers as a group. Management is not aware of any change in control of the Company that has occurred since January 1, 2018, or any arrangement that may, at a subsequent date, result in a change in control of the Company.

PROPOSAL 1
ELECTION OF DIRECTORS

Directors and Executive Officers

The Company's Bylaws provide that the authorized number of Directors will be not less than six nor more than eleven, with the exact number of Directors to be fixed from time to time by resolution of a majority of the Board or by resolution of the shareholders. The Board of Directors last fixed the authorized number on July 27, 2017 at ten.

At the Meeting, ten persons will be elected to serve as Directors of the Company until the 2020 Annual Meeting and until their successors are elected and have qualified. The ten persons named below are all currently Directors of the Company and have been nominated by the Board for re-election. A Proxy that is submitted to the Company with the instruction "AUTHORITY GIVEN" or submitted without instructions will be voted in such a way as to effect the election of all ten nominees, or as many thereof as possible. In the event that any of the nominees should be unable to serve as a Director, it is intended that the Proxy will be voted for the election of such substitute nominees, if any, as will be designated by the Board. Each nominee has consented to being named in the Proxy Statement and has agreed to serve as a member of the Board, if elected. The Board has no reason to believe that any of the nominees will be unable or unwilling to serve. Additional nominations can only be made by complying with the notice provision set forth in the Bylaws of the Company, an extract of which is included in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement. This Bylaw provision is designed to give the Board advance notice of competing nominations, if any, and the qualifications of nominees, and may have the effect of precluding third-party nominations if the notice provisions are not followed.

None of the Directors or executive officers of the Company were selected pursuant to any arrangement or understanding, other than with the Directors and executive officers of the Company, acting within their capacities as such. The Company knows of no family relationships between the Directors and executive officers of the Company, nor do any of the Directors or executive officers of the Company serve as Directors of any other company which has a class of securities registered under, or which is subject to the periodic reporting requirements of the Exchange Act or any investment company registered under the Investment Company Act of 1940.

Pursuant to NASDAQ Stock Market LLC (NASDAQ) Listing Rules, the Board has made an affirmative determination that the following members of the Board are "independent" within the meaning of such rules: Robert H. Bartlein, Jean W. Blois, Dana Boutain, Tom L. Dobyms, John D. Illgen, James W. Lokey, Shereef Moharram, William R. Peeples and Kirk B. Stovesand. As such, pursuant to NASDAQ Listing Rules and Rule 10A-3 of the Securities Exchange Act of 1934 (Exchange Act), a majority of the members of the Board and all the members of the Audit Committee are "independent" as so defined.

The following persons have been nominated for election by the Board:

Robert H. Bartlein	James W. Lokey
Jean W. Blois	Shereef Moharram
John D. Illgen	William R. Peeples
Dana L. Boutain	Martin E. Plourd
Tom L. Dobyms	Kirk B. Stovesand

In addition, none of the Company's Directors and/or Executive Officers have been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) during the ten year period prior to the date of this Proxy Statement.

Significant Employees

Although the Company and CWB considers each of their employees to be integral to the success of their respective operations in light of their individual contributions to the enterprise, as of the date of this Proxy Statement, neither the Company nor CWB has any "significant employees" within the meaning of Item 401(c) of SEC Regulation S-K.

CERTAIN INFORMATION REGARDING THE BOARD OF DIRECTORS

Meetings and Committees

The Company's Board met 13 times (12 regular meetings and one special meetings) during the year ended December 31, 2018, and had the following standing committees of the Company or the Bank that met during the year: Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. In addition, the Company's Directors served on the Board of Directors of CWB, including the various committees established by CWB. During 2018, none of the Company's Directors attended less than 75% of the Company's Board meetings and meetings of committees on which they served. All Board members attended the 2018 Annual Meeting of Shareholders.

CWBC's Audit Committee is currently composed of five independent Directors: Messrs. Stovesand, Illgen, Dobyms, Lokey, and Mrs. Boutain. This Committee is responsible for review of all internal and external examination reports and selection of the Company's independent auditors. The Audit Committee met 12 times during 2018.

CWBC's Nominating and Corporate Governance Committee is composed of three independent Directors: Messrs. Peeples, Bartlein, and Illgen. The Committee is responsible for recommendations regarding the Board's composition and structure and policies and processes regarding overall corporate governance. The Committee met one time during 2018.

CWB's Compensation Committee is composed of five independent Directors: Mrs. Blois and Messrs. Bartlein, Dobyms, Illgen and Peeples. The Committee is responsible for determining executive compensation. This Committee met two times, including at least once in each six-month period, during 2018.

Board Leadership Structure and Role in Risk Oversight

The position of Chairman of the Board is separate from the position of Chief Executive Officer for each of the Company and CWB. William R. Peeples, a non-employee independent Director, has been elected as the Chairman of the Company and Robert H. Bartlein, a non-employee independent Director, has been elected as the Chairman of CWB. Martin E. Plourd is serving as President and Chief Executive Officer of the Company and CWB. Separating these positions allows the Chief Executive Officer to focus on day-to-day business, while allowing the Chairman of the Boards of each of the Company and CWB to lead the respective Boards in their fundamental role of providing advice to and independent oversight of management. The Board recognizes the time, effort and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required for those individuals to serve as the Company and Bank Chairman, particularly as the Board's oversight responsibilities continue to grow. While the Company's bylaws and corporate governance guidelines do not require that the Company's Chairman and Chief Executive Officer positions be separate, the Board believes that having separate positions and having independent outside Directors serve as the Chairman of each of the Company and CWB is the appropriate leadership structure for the Company at this time and demonstrates the Company's commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including economic risks, environmental, cybersecurity, and regulatory risks, and others, such as the impact of competition. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board believes that establishing the right "tone at the top" and that full and open communication between management and the Board of Directors is essential for effective risk management and oversight. The Company's Chairman and CWB's Chairman meet regularly with the President and Chief Executive Officer and other senior officers to discuss strategy and risks facing the Company. Senior management is available to address any questions or concerns raised by the Board on risk management and any other matters. Periodically, the Board of Directors receives presentations from senior management on strategic matters involving the Company's operations. The Board holds strategic planning sessions with senior management to discuss strategies, key challenges and risks and opportunities for the Company.

While the Board is ultimately responsible for risk oversight at the Company, the Board's various standing committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and discusses policies with respect to risk assessment and risk management. Risk assessment reports are regularly provided by management to the Audit

Committee. The Compensation Committee of the Board assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from compensation policies and programs. The Nominating and Corporate Governance Committee of the Board assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our Directors and executive officers and corporate governance.

Audit Committee Report

The Report of the Audit Committee of the Board will not be deemed filed under the Securities Act of 1933, as amended (Securities Act) or under the Exchange Act.

The Board maintains a separately designated standing Audit Committee within the meaning of Section 3(a)(58) of the Exchange Act. The Audit Committee is currently comprised of five of the Company's Directors, each of whom meet the independence and experience requirements of the NASDAQ Listing Rules and Rule 10A-3(b)(1) of the Exchange Act. The Audit Committee assists the Board in monitoring the accounting, auditing and financial reporting practices of the Company. The Audit Committee operates under a written Charter, which is assessed annually for adequacy. The Audit Committee Charter was last ratified in October 2018. A copy of the Charter, as amended, is included as Appendix A to this Proxy Statement.

Based on the attributes, education and experience requirements under the NASDAQ Listing Rules, the requirements set forth in section 407 of the Sarbanes-Oxley Act of 2002 and associated regulations, the Board has identified Kirk B. Stovesand as an "Audit Committee Financial Expert" as defined under Item 407 (d) (5) of Regulation S-K, and has determined him to be independent.

Management is responsible for the preparation of the Company's financial statements and financial reporting process, including its system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee:

Reviewed and discussed with management the audited financial statements contained in the Company's Annual Report on Form 10-K for fiscal 2018; and

Obtained from management their representation that the Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

The Company's 2018 independent auditor, RSM US LLP (RSM), was responsible for performing an audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and expressing an opinion on whether the Company's financial statements present fairly, in all material respects, the Company's financial position and results of operations for the periods presented and conform with accounting principles generally accepted in the United States. In fulfilling its oversight responsibilities, the Audit Committee:

Discussed with RSM the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the PCAOB in Rule 3200T; and

Received and discussed with RSM the written disclosures and the letter from RSM required by applicable requirements of PCAOB regarding RSM's communications with the Audit Committee concerning independence, and reviewed and discussed with RSM whether the rendering of the non-audit services provided by them to the Company during fiscal 2018 was compatible with their independence.

In addition, the Company received a letter from RSM to the effect that RSM's audit of the Company was subject to its quality control system for the United States accounting and auditing practice to provide reasonable assurance that the engagement was conducted in compliance with professional standards, that there was appropriate continuity of RSM personnel working on the audit and the availability of national office consultation.

In performing its functions, the Audit Committee acts only in an oversight capacity. It is not the responsibility of the Audit Committee to determine that the Company's financial statements are complete and accurate, are presented in accordance with accounting principles generally accepted in the United States or present fairly the results of operations of the Company for the periods presented or that the Company maintains appropriate internal controls. Further, it is not the duty of the Audit Committee to determine that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's auditors are independent.

Based upon the reviews and discussions described above, and the report of RSM, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

Nominating and Corporate Governance Committee

The Company's Nominating and Corporate Governance Committee (NCGC) was established in February 2004 and the committee charter (Charter) is annually assessed and was last ratified on February 28, 2019. A copy of the Charter was included as Appendix B to the Company's 2016 Proxy Statement, as filed with the SEC on April 11, 2016. The NCGC, consisting of three independent Directors, makes recommendations to the Board regarding the Board's composition and structure, nominations for elections of Directors, and policies and processes regarding principles of corporate governance to ensure the Board's compliance with its fiduciary duties to the Company and its shareholders. The NCGC reviews the qualifications of, and recommends to the Board, candidates as additions, or to fill Board vacancies, if any were to occur during the year.

The NCGC will consider, as part of its nomination process, any Director candidate recommended by a shareholder of the Company who follows the procedures in this Proxy Statement shown under the heading "2020 Shareholder Proposals" set forth below. The NCGC will follow the processes in the Charter when identifying and evaluating overall Board composition and individual nominees to the Board.

Additional information regarding (i) the NCGC's policy with regard to the consideration of any Director candidates recommended by security holders and related procedures to be followed by security holders in submitting such recommendations, (ii) minimum qualifications of Director candidates, and (iii) the NCGC's process for identifying and evaluating nominees for Directors, is incorporated herein by reference to the Charter.

The NCGC determines the required selection criteria and qualifications of Director nominees based upon the Company's needs at the time nominees are considered. In general, Directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of the Company's shareholders. In addition to the foregoing considerations, the NCGC will consider criteria such as strength of character and leadership skills; general business acumen and experience; broad knowledge of the industry; number of other board seats; and, willingness to commit the necessary time to ensure an active board whose members work well together and possess the collective knowledge and expertise required by the Board. The NCGC considers these same criteria for candidates regardless of whether the candidate was identified by the NCGC, by shareholders, or any other source.

The goal of the NCGC is to seek to achieve a balance of knowledge and experience on the Company's Board. To this end, the NCGC seeks nominees with the highest professional and personal ethics and values, an understanding of the Company's business and industry, diversity of business experience, expertise and backgrounds, a high level of education, broad-based business acumen and the ability to think strategically. The composition of the current Board reflects diversity in business and professional experience, skills, and gender. The NCGC reviews the effectiveness of the Charter in achieving the goals of the NCGC as stated therein annually.

Compensation Committee

The Compensation Committee (CC) assists the Board by reviewing and approving the Company's overall compensation and benefit programs and administering the compensation of the Company's executive and senior officers. The CC is comprised of five of the Company's Directors, each of whom meet the current independence and experience requirements of the applicable provision of the NASDAQ Listing Rules and requirements of the SEC. At the February 2018 meeting, the CC utilized the services of outside compensation consultants Equias Alliance and Blanchard Consulting Group to educate the CC on best practices, equity incentive plans and trends in executive and director compensation. The CC operates under a written charter that is assessed annually for adequacy. The CC's charter was last amended on February 28, 2019. A copy of the Charter is included as Appendix B to this Proxy Statement.

The CC's policies and underlying philosophy governing the Bank's executive compensation program, as endorsed by the Compensation Committee and the Board of Directors, are designed to accomplish the following: (i) maintain a compensation program that is equitable in a competitive marketplace; (ii) provide opportunities that integrate pay with the Bank's annual and long term performance; (iii) encourage achievement of strategic objectives and creation of shareholder value; (iv) recognize and reward individual initiative and achievements; (v) maintain an appropriate balance between base salary and incentive compensation; and, (vi) allow the Bank to attract, retain, and motivate talented executives.

The CC is responsible for and is authorized to:

1. Annually review and determine (i) the compensation, including salary, bonus, incentive and other compensation of the Chief Executive Officer, (ii) approve corporate goals and objectives relevant to compensation of the Chief Executive Officer, and (iii) evaluate performance in light of these goals and objectives, approve compensation in accordance therewith and provide a report thereon to the Board.
2. Annually review the amounts and terms of base salary, incentive compensation and all other forms of compensation for the Company's Executive Officers, and report the CC's findings to the Board.
3. Assess bank compensation programs including bonus and incentive plans for risk that may materially affect the long term viability of the Bank. Risk management practices should include an assessment of the internal control environment surrounding the compensation programs, ensure the review and approval process is evident and the documentation is adequate to support the results and contains appropriate clawback provisions.
 - i. This annual risk assessment will be conducted by the Chief Risk Officer who will then provide documentation supporting his/her recommendations to the CC.
4. Review Executive Officer compensation in reference to Section 162(m) of the Internal Revenue Code, as it may be amended from time to time, and any other applicable laws, rules and regulations. This review may be conducted by external compensation consultants as deemed appropriate by the CC.
5. Annually review and make recommendations to the Board with respect to incentive based compensation plans and equity based plans. Establish criteria for the terms of awards granted to participants under such plans. Grant awards in accordance with such criteria and exercise all authority granted to the CC under such plans, or by the Board in connection with such plans.
6. Recommend to the Board the compensation for Directors (including retainer, CC and CC chair fees, stock options and other similar items, as appropriate).
7. Evaluate the need for or any modifications to employment agreements, severance arrangements and change in control agreements and provisions, as well as any special supplemental benefits.
8. Conduct an annual review of the CC's performance and periodically assess the adequacy of its charter and recommend changes to the Board as needed.
9. Retain, at the expense of the Bank, compensation consultants, outside counsel and other advisors as the CC may deem appropriate in its sole discretion. The CC shall have authority to approve related fees and retention terms.
10. Perform any other activities consistent with this Charter, the Company's By laws and governing law as the CC or the Board deem appropriate. Delegate responsibility to subcommittees of the CC as necessary or appropriate. Regularly report to the Board on the CC's activities.

PROPOSAL 2

SHAREHOLDER ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank) and corresponding SEC rules enable the Company's shareholders to vote to approve, on an advisory and non-binding basis, the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement in accordance with SEC rules. Accordingly, the following resolution will be submitted for shareholder approval at the Annual Meeting:

13

“RESOLVED, that the compensation paid to the Named Executive Officers of Community West Bancshares as disclosed in this Proxy Statement pursuant to Item 402 of SEC Regulation S-K, is hereby approved on an advisory, non-binding basis.”

The Board believes that the Company’s compensation policies and procedures, which are reviewed and approved by the CC, are effective in aligning the compensation of the Company’s Named Executive Officers with the Company’s short-term goals and long-term success and that such compensation and incentives are designed to attract, retain and motivate the Company’s key executives who are directly responsible for the Company’s continued success. The Board believes that the Company’s compensation policies and practices do not threaten the value of the Company or the investments of its shareholders or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on the Company. The Board further believes that the Company’s culture focuses executives on sound risk management and appropriately rewards executives for performance. The Board further believes that the Company’s compensation policies and procedures are reasonable in comparison both to the Company’s peer bank holding companies and to the Company’s performance during the 2018 fiscal year.

Shareholders are encouraged to carefully review the information provided in this Proxy Statement regarding the compensation of the Company’s Named Executive Officers in the section captioned “EXECUTIVE COMPENSATION.”

At the Company’s 2013 Annual Meeting of Shareholders held on May 23, 2013, it was approved by shareholder vote that this Proposal with respect to an advisory vote on Executive Officer compensation be submitted in the Proxy Statement for shareholder vote every three years.

Because your vote is advisory, the outcome of the vote will not: (i) be binding upon the Company’s Board or CC with respect to future executive compensation decisions, including those relating to the Company’s Named Executive Officers, or otherwise; (ii) overrule any decision made by the Board or the CC; or (iii) create or imply any additional fiduciary duty by the Company’s Board or the CC. However, the Company’s Board and CC values the opinions expressed by shareholders in their vote on this proposal and the CC expects to take into account the outcome of the vote when considering future executive compensation arrangements.

Recommendation and Vote Required

THE BOARD RECOMMENDS THAT THE COMPANY’S SHAREHOLDERS VOTE “FOR” APPROVAL IN A NON-BINDING ADVISORY VOTE, OF THE COMPENSATION PAID TO THE COMPANY’S NAMED EXECUTIVE OFFICERS, AS DISCLOSED PURSUANT TO ITEM 402 OF SEC REGULATION S-K.

The affirmative vote of a majority of the Common Stock represented at the Meeting, in person or by proxy, and entitled to vote on the proposal is required to approve, in a non-binding advisory vote, the compensation paid to the Company’s Named Executive Officers as disclosed in this Proxy Statement. Proxies received by the Company and not revoked prior to or at the Meeting will be voted in favor of this non-binding, advisory proposal unless otherwise instructed by the shareholder. The effect of an abstention is the same as a vote “AGAINST” the proposal. Broker non-votes will not be counted in determining whether or not the proposal has been approved.

PROPOSAL 3

SHAREHOLDER ADVISORY VOTE ON THE FREQUENCY OF SHAREHOLDER ADVISORY VOTE ON EXECUTIVE COMPENSATION

Dodd-Frank and corresponding SEC rules also enable the Company's shareholders to vote, on an advisory and non-binding basis, on how frequently they would like to cast an advisory vote on the compensation of the Company's Named Executive Officers. The proxy provides shareholders with the opportunity to choose among four options (holding the vote every one, two, or three years, or abstain from voting). You should mark your proxy for one, two or three years based on your preference as to the frequency with which an advisory vote on executive compensation should be held. If you have no preference, you should abstain.

The Board believes that, while the trend for large corporations may favor an annual vote, because there are only a small number of executives involved and the Board believes that controls in place over such function, including the CC, are adequate, that an advisory vote every three years is the preferred option.

Because your vote is advisory, it will not be binding upon the Company's Board or the CC. However, the Board will take into account the outcome of the vote when considering the frequency of advisory shareholder approval of the compensation of the Named Executive Officers.

Recommendation and Vote Required

THE BOARD RECOMMENDS HOLDING AN ADVISORY VOTE FOR THE APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS "EVERY THREE (3) YEARS."

The affirmative vote of a majority of the common shares represented at the Meeting, in person or by proxy, and entitled to vote on the proposal is required to approve, one of the selections under this advisory proposal. Proxies received by the Company and not revoked prior to the Meeting will be voted in favor of every "THREE (3)" years unless otherwise instructed by the shareholder. The effect of an abstention is the same as a vote "AGAINST" each of the selections in the advisory proposal. Broker non-votes will have no effect on the outcome.

Employment Arrangements and Other Factors Affecting 2018 Compensation

During 2018, the terms of each of Mr. Plourd’s, Mr. Filippin’s, and Ms. Thompson’s employment was governed by a written employment agreement with the Company as described below:

Potential Payments upon Retirement, Termination or Change-In-Control

Employment Arrangements for Martin E. Plourd

Mr. Plourd has an employment contract, effective November 2, 2011, with an annual base salary of \$400,000 as of January 1, 2018 and subsequently adjusted to \$440,000 as of March 1, 2019, for his service as President and Chief Executive Officer of the Company and the Bank. The terms of this employment agreement was set to terminate on December 31, 2018, but was automatically renewed under its own terms for an additional 12 months. The employment agreement automatically renews for successive 12 month periods unless at least three months before the expiration of any preceding term or renewal term, either (a) the Board provides written notice of non-renewal to Mr. Plourd or (b) Mr. Plourd provides written notice of non-renewal to the Bank. During January of each year during the term of the employment agreement and any renewal term, the Board will review Mr. Plourd’s base salary and will determine, in its sole discretion, whether or not to adjust such salary. Any such salary adjustment will be effective as of the first day of such calendar year. Subject to the terms of the Company’s Compensation Policy (which is attached as Exhibit C to Mr. Plourd’s employment agreement), Mr. Plourd will be eligible to receive an annual bonus in an amount, if any, as determined by the Board of Directors in its sole discretion. For 2018 and 2017, respectively, \$200,000 bonus amounts were awarded. Mr. Plourd is eligible to receive stock option grants to purchase shares of Common Stock as may be determined by the Board of Directors in its sole discretion. See “Outstanding Equity Awards at Fiscal Year-End” table. Mr. Plourd was furnished a company car beginning in 2015. The Company also pays for a business club membership on behalf of Mr. Plourd of \$350 per month.

In connection with Mr. Plourd’s employment agreement, the Company and Mr. Plourd have also entered into an Indemnification Agreement pursuant to which the Company has agreed to indemnify Mr. Plourd in the event he is made a party to or threatened to be made a party to, or otherwise involved in, any suit or proceeding, whether brought in the name of the Company or otherwise and whether of a civil, criminal, administrative or investigative nature, in which he may be or may have been involved as a party or otherwise (other than as plaintiff against the Company), by

reason of the fact that he is or was a director or officer of the Company, or is or was serving as a director, officer, employee or agent of any other enterprise at the request of the Company or by reason of any action taken by him or of any inaction on his part while acting in such capacity. Any payments made to Mr. Plourd pursuant to the indemnification agreement are subject to and conditioned upon compliance with any and all applicable Federal and state laws and regulations and all benefits and privileges to which he is otherwise entitled by law or pursuant to the Bylaws of the Company.

In addition, Mr. Plourd has a deferred compensation account established and maintained at CWB for his benefit. To this account, the Company credited \$100,000 on December 31, 2011. In addition, 1% per month of his annual salary will also be credited to this account during the term of Mr. Plourd's employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB three-year certificate of deposit rate on an annualized basis. No funds in this account will vest prior to the date Mr. Plourd attains age 65, and normal payments will not commence until such time as Mr. Plourd attains age 66, whether or not he is employed by the Company. In the event of a change of control before Mr. Plourd attains age 65, the total amount credited to this account will become fully vested.

Mr. Plourd also has a Salary Continuation Agreement, effective as of December 30, 2013. Upon separation from service after normal retirement age, he will receive \$1,500,000 in \$100,000 payments over a 15-year period commencing the month following his separation from service. No funds in this account will vest prior to the date Mr. Plourd attains age 65. If early involuntary termination occurs, he will be paid 100% of the accrued benefit in one lump sum. Also, in the event of disability prior to normal retirement age, he will be paid 100% of the accrued benefit in lieu of any other benefit hereunder, paid in 180 equal monthly installments. At December 31, 2018 his accrued unvested benefit was \$500,840. If a change of control occurs, followed within 24 months by separation of service prior to normal retirement age, Mr. Plourd will receive within 30 days a lump-sum benefit of \$1,130,357 and any gross-up required, in lieu of any other benefit thereunder. In the event of death prior to or subsequent to commencement of benefit payments, there are provisions relating to payments to designated beneficiaries.

Assuming a separation from service occurred on December 31, 2018 following a change of control, the Company estimates that aggregate compensation due to Mr. Plourd in such event, approximately \$2.0 million, would result in an "excess parachute payment" of approximately \$0.6 million under Internal Revenue Code Section 280G and that such "excess parachute payment" would be subject to a 20% excise tax. Under the terms of Mr. Plourd's Salary Continuation Agreement, the Company has agreed to pay Mr. Plourd a "gross up payment" equal to the amount of this excise tax. As of December 31, 2018, the Company's potential "gross-up payment" was estimated to be \$112,000.

Mr. Plourd's employment agreement specifies that, in the event of termination without cause or on non-renewal, he would continue to receive salary and benefits plus deferred compensation for a period of three months following the Bank's written notice of Mr. Plourd's termination or non-renewal, and one year's base salary. The contract continues Mr. Plourd's health insurance, dental insurance, short-term disability insurance and life insurance for 18 months. Also, the contract contains a change of control (as defined) clause whereby, if he is terminated within one year following such event, he would be entitled to base salary and benefits for a period of one year.

During 2018, the Company granted stock option awards to Mr. Plourd which are reported in the "Summary Compensation Table" above and in the "Outstanding Equity Awards at Fiscal Year-End Table" below.

Employment Arrangements for William F. Filippin

Mr. Filippin has an employment contract, effective June 1, 2015 with an annual base salary as of August 16, 2018 of \$260,000. Beginning of March 1, 2019, Mr. Filippin's annual base salary was adjusted to \$268,000. In addition, he has a deferred compensation account established and maintained at CWB for his benefit. To this account the Company credited \$40,000 on September 30, 2015. Also, the Company will credit 1% per month of his annual salary during the term of his employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB three-year certificate of deposit rate. No funds in this account will vest prior to the date Mr. Filippin attains age 65, and normal payments will not commence until such time as Mr. Filippin attains age 66, whether or not he is employed by the Company. In the event of a change of control, the total amount credited to this account will become fully vested.

Mr. Filippin's contract specifies that, in the event of termination without cause, he would continue to receive salary and benefits plus deferred compensation for a period of three months. Also, the contract contains a change of control (as

defined) clause whereby, if he is terminated within one year following such event, he would be entitled to base salary and benefits for a period of one year. Mr. Filippin is also eligible for an annual bonus which is determined by the Board in its sole discretion. For 2018 and 2017, respectively, \$85,000 and \$70,000 bonus amounts were awarded.

Mr. Filippin also has a Salary Continuation Agreement, effective as of September 28, 2018. Upon separation from service after normal retirement age, he will receive \$750,000 in \$50,000 payments over a 15-year period commencing the month following his separation from service. No funds in this account will vest prior to the date Mr. Filippin attains age 65. If early involuntary termination occurs, he will be paid 100% of the accrued benefit in one lump sum. Also, in the event of disability prior to normal retirement age, he will be paid 100% of the accrued benefit in lieu of any other benefit hereunder, paid in 180 equal monthly installments. At December 31, 2018 his accrued unvested benefit was \$12,543. If a change of control occurs, followed within 24 months by separation of service prior to normal retirement age, Mr. Filippin will receive within 30 days a lump-sum benefit of \$538,585 and any gross-up required, in lieu of any other benefit thereunder. In the event of death prior to or subsequent to commencement of benefit payments, there are provisions relating to payments to designated beneficiaries.

Assuming a separation from service occurred on December 31, 2018 following a change of control, the Company estimates that aggregate compensation due to Mr. Filippin in such event, approximately \$1 million, would result in an “excess parachute payment” of approximately \$0.4 million under Internal Revenue Code Section 280G and that such “excess parachute payment” would be subject to a 20% excise tax. Under the terms of Mr. Filippin’s Salary Continuation Agreement, the Company has agreed to pay Mr. Filippin a “gross up payment” equal to the amount of this excise tax. As of December 31, 2018, the Company’s potential “gross-up payment” was estimated to be \$76,000.

During 2018, the Company granted stock option awards to Mr. Filippin which are reported in the “Summary Compensation Table” above and in the “Outstanding Equity Awards at Fiscal Year-End Table” below.

Employment Arrangements for Susan C. Thompson

Ms. Thompson has an employment contract, effective April 1, 2017. Ms. Thompson’s annual base salary was \$211,500 as of March 1, 2018. Beginning March 1, 2019 Ms. Thompson’s annual base salary was adjusted to \$216,000. In addition, she has a deferred compensation account established and maintained at CWB for his benefit. To this account, the Company will credit 1% per month of her annual salary during the term of her employment. Monthly interest credits will be earned throughout the term of the agreement at the then-current CWB three-year certificate of deposit rate. No funds in this account will vest prior to the date Ms. Thompson attains age 65, and normal payments will not commence until such time as Ms. Thompson attains age 66, whether or not she is employed by the Company. In the event of a change of control, the total amount credited to this account will become fully vested.

Ms. Thompson’s contract specifies that, in the event of termination without cause, she would continue to receive salary and benefits plus deferred compensation for a period of three months. Also, the contract contains a change of control (as defined) clause whereby, if she is terminated within one year following such event, she would be entitled to base salary and benefits for a period of one year. Ms. Thompson is also eligible for an annual bonus which is determined by the Board in its sole discretion. For 2018 and 2017, respectively, \$25,000 and \$60,000 bonus amounts were awarded.

During 2018, the Company granted stock option awards to Ms. Thompson which are reported in the “Summary Compensation Table” above and in the “Outstanding Equity Awards at Fiscal Year-End Table” below.

Stock Option Plans

The 2006 Stock Option Plan

On March 23, 2006, the Company’s Board adopted the 2006 Stock Option Plan (2006 Plan) and it was subsequently approved by the shareholders at the 2006 Annual Meeting of Shareholders. The 2006 Plan expired on March 23, 2016. At December 31, 2018, the number of shares to be issued upon exercise of outstanding options granted pursuant to the 2006 Plan was 138,600 shares.

The 2014 Stock Option Plan

On March 27, 2014, the Company’s Board adopted the 2014 Stock Option Plan (2014 Plan) and it was subsequently approved by the shareholders at the 2014 Annual Meeting of Shareholders. The 2014 Plan provides for the issuance of up to 750,000 shares of the Company’s Common Stock to Directors, officers and key employees of the Company and CWB. At December 31, 2018, the number of shares to be issued upon exercise of outstanding options granted pursuant to the 2014 Plan was 527,500 shares, and the number of shares of Common Stock remaining available for future issuance under the 2014 Plan was 152,300 shares. See the tables below entitled “Outstanding Equity Awards at Fiscal Year-End” and “Director Compensation Table” for more information regarding options outstanding as of December 31, 2018.

Eligibility. Full-time employees, officers and Board members of the Company and subsidiaries, including CWB, are eligible to receive awards under the 2014 Plan at the discretion of the Board.

18

Plan Term. The 2014 Plan's term commenced on May 22, 2014 and will terminate on May 22, 2024 (subject to early termination is described herein).

Administration. The 2014 Plan is administered by the Board, serving as the "Stock Option Committee", one or more of whom may also be executive officers and therefore may not be deemed to be "independent," as that term is defined in the listing standards of the NASDAQ Stock Market, LLC. Members of the Board receive no additional compensation for their administration of the Plans. Each Director will abstain from approving the grant of any options to themselves. Options may be granted only to Directors, officers and key employees of the Company and any subsidiary, including CWB. Subject to the express provisions of the 2014 Plan, the Board is authorized to construe and interpret the 2014 Plan, and make all the determinations necessary or advisable for administration of the 2014 Plan. The full text of the 2014 Plan is available as Appendix A to the Company's Amendment No. 1 to Schedule 14A filed with the SEC on May 5, 2014.

Incentive and Non-Qualified Stock Options. The 2014 Plan provides for the grant of both incentive stock options and non-qualified options. Incentive stock options are available only to persons who are employees of the Company, and are subject to limitations imposed by applicable sections of the Internal Revenue Code, as amended, including a \$100,000 limit on the aggregate fair market value (determined on the date the options are granted) of shares of Common Stock with respect to which incentive stock options are exercisable for the first time by an optionee during any calendar year (under the 2014 Plan and all other "incentive stock option" plans of the Company). Any options granted under the 2014 Plan which do not meet the limitations for incentive stock options, or which are otherwise not deemed to be incentive stock options, are deemed "non-qualified."

Amendment and Termination of the 2014 Plan. The 2014 Plan, and all stock options previously granted under the 2014 Plan, will terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization, or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options theretofore granted will become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate, unless provision is made for the assumption or substitution thereof. As a result of these acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable. The Board may at any time suspend, amend or terminate the 2014 Plan, and may, with the consent of the respective optionee, make such modifications to the terms and conditions of outstanding options as it may deem advisable. Certain amendments to the 2014 Plan may also require shareholder approval if such amendment or modification would: (a) materially increase the number of shares of Common Stock which may be issued under the 2014 Plan; (b) materially increase the number of shares of Common Stock which may be issued at any time under the 2014 Plan to all Directors who are not also officers or key employees of the Company; (c) materially modify the requirements as to eligibility for participation in the 2014 Plan; (d) increase or decrease the exercise price of any option granted under the 2014 Plan; (e) increase the maximum term of options provided for in the 2014 Plan; (f) permit options to be granted to any person who is not an eligible participant; or (g) change any provision of the 2014 Plan which would affect the qualification as an incentive stock option under the 2014 Plan. The amendment, suspension or termination of the 2014 Plan will not, without the consent of the optionee, alter or impair any rights or obligations under any outstanding option under the 2014 Plan.

Adjustments Upon Changes in Capitalization. The total number of shares covered by the 2014 Plan and the price, kind and number of shares subject to outstanding options thereunder, will be appropriately and proportionately adjusted if the outstanding shares of Common Stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through reorganization, merger, recapitalization, reclassification, stock split, stock dividend, stock consolidation or otherwise, without consideration to CWBC as provided in the 2014 Plan. Fractional share interests of such adjustments may be accumulated, although no fractional shares of stock will be issued under the 2014 Plan.

Pension Benefits

Excluding any tax-qualified contribution plan and any nonqualified defined contribution plan, none of the Named Executive Officers or any other key officers participate in any plan that provides for payments or other benefits at, following, or in connection with, retirement.

Treatment of Outstanding Stock Options upon Retirement, Termination or Change of Control

Termination of Employment or Affiliation. Under the terms of the 2006 and 2014 Plans (Plans), in the event an optionee ceases to be affiliated with the Company or a subsidiary for any reason other than disability, death or termination for cause, the stock options granted to such optionee will expire at the earlier of the expiration dates specified for the options, or 90 days after the optionee ceases to be so affiliated. During such period after cessation of affiliation, the optionee may exercise the option to the extent it was exercisable as of the date of such termination, and thereafter the option expires in its entirety. If an optionee's stock option agreement so provides, and if an optionee's status as an eligible participant is terminated for cause, the options held by such person will expire 30 days after termination, although the Board may, in its sole discretion, within 30 days of such termination, reinstate the option. If the option is reinstated, the optionee will be permitted to exercise the option only to the extent, for such time, and upon such terms and conditions as if the optionee's status as an eligible participant had been terminated for a reason other than cause, disability or death, as described above.

Liquidation or Change of Control. The Plans, and all stock options previously granted under the Plans, terminate upon the dissolution or liquidation of the Company, upon a consolidation, reorganization or merger as a result of which the Company is not the surviving corporation, or upon a sale of all or substantially all of the assets of the Company. However, all options heretofore granted become immediately exercisable in their entirety upon the occurrence of any of the foregoing, and any options not exercised immediately upon the occurrence of any of the foregoing events will terminate unless provision is made for the assumption or substitution thereof. As a result of the acceleration provisions, even if an outstanding option were not fully vested as to all increments at the time of the event, that option will become fully vested and exercisable.

Profit Sharing and 401(k) Plan

The Company has established a 401(k) plan for the benefit of its employees. Employees are eligible to participate in the plan beginning the first of the month following the successful completion of 30 days of employment, subject to certain limitations. Each plan year, the Company will make a Safe Harbor non-elective employer contribution on

behalf of eligible participants an amount equal to 3% of such eligible participant's compensation for such plan year. The Company's contributions were determined by the Board and amounted to \$296,000 in 2018 and \$277,000 in 2017.

Directors' Compensation

CWB's non-employee Directors are paid for attendance at CWB Board meetings at the rate of \$1,400 (\$1,700 for the Chairman) for each regular Board meeting, \$400 (\$500 for Audit Committee Chairman) each for loan and audit committee meetings, and \$300 each for Compensation, Technology and Cybersecurity, and Nominating and Governance meetings. If a Director attends a meeting by videoconferencing, 100% of the fee is received for committee meetings and 50% of the fee is received for Board meetings. In 2018, no additional discretionary compensation was awarded to the non-employee Directors. There were no CWBC Director fees paid during 2018.

The following table sets forth the information concerning the compensation paid to each of the Company's Directors during 2018. Compensation paid to Martin E. Plourd, Director, President and Chief Executive Officer of CWBC and CWB, is not included in this table because he was an employee during 2018 and, therefore, received no additional compensation for his service as a Director.

Certain Relationships and Related Transactions

Certain Directors and executive officers of the Company, as well as the companies with which such Directors are associated, are customers of and have had banking transactions with CWB in the ordinary course of business. CWB expects to have such ordinary banking transactions with such persons in the future. In the opinion of CWB management, all loans and commitments to lend included in such transactions were made in compliance with applicable laws on substantially the same terms, including interest rates and collateral, as those prevailing for comparable transactions with other persons of similar creditworthiness and did not involve more than a normal risk of collectibility or present other unfavorable features. Although CWB does not have any limits on the aggregate amount it would be willing to lend to Directors and officers as a group, loans to individual Directors and officers must comply with CWB's internal lending policies and statutory lending limits.

PROPOSAL 4

RATIFICATION OF THE COMPANY'S INDEPENDENT AUDITORS

The Board of Directors, upon recommendation of its Audit Committee, has ratified the appointment of RSM US LLP (RSM) to serve as its independent auditors for the fiscal year ending December 31, 2019. Representatives from RSM are expected to be present at the Meeting. The Company will afford the representatives an opportunity to make a

statement, should they desire to do so, and expect that the representatives will be available to respond to appropriate questions.

22

The Board of Directors is requesting that the Company's shareholders ratify the appointment of RSM as the Company's independent auditors for 2019. Although ratification is not required by the Company's Bylaws or otherwise, the Board of Directors is submitting the appointment of RSM to the shareholders for ratification because the Board of Directors values the shareholders' views on the Company's independent auditors and as a matter of good corporate practice. In the event that the shareholders fail to ratify the appointment, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent auditor, subject to ratification by the Board of Directors, at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF RSM US LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2019.

The Audit Committee of the Company reviewed and discussed with RSM whether the rendering of the non-audit services provided by them to the Company during fiscal 2018 was compatible with their independence. The Audit Committee pre-approves all audit and permissible non-audit services to be provided by RSM and the estimated fees for these services.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Company's independent auditor. These services may include audit, audit-related, tax and other services. 2020 SHAREHOLDER PROPOSALS

Shareholder proposals to be considered for inclusion in the Proxy Statement for the Company's 2020 Annual Meeting of Shareholders (2020 Meeting) must be received by the Company at its offices at 445 Pine Avenue, Goleta, California 93117, no later than December 9, 2019. The proposals must also satisfy the conditions and procedures prescribed by the Company's Bylaws and by the SEC in Rule 14a-8 for such proposals to be included in the Company's Proxy Statement for the 2019 Meeting, and must be limited to 500 words. To be included in the Proxy Statement, the shareholder must be a holder of record or beneficial owner of at least \$2,000 in market value or 1% of the Company's securities entitled to be voted on the proposal, and have held the shares for at least one year and will continue to hold the shares through the date of the 2020 Meeting. Either the proposer, or a representative qualified under California law to present the proposal on the proposer's behalf, must attend the meeting to present the proposal. Shareholders may not submit more than one proposal.

The SEC has in effect a rule governing a company's ability to use discretionary proxy authority with respect to proposals that were not submitted in time to be included in the Proxy Statement (i.e., outside the processes of Rule 14a-8 as described in the preceding paragraph). As a result, in the event a proposal is not submitted to the Company prior to February 22, 2020, and the proxy materials delivered in connection with the 2020 Meeting contain a statement conferring discretionary authority to the Proxyholders of the Company (similar to the statement set forth in the third paragraph of this Proxy Statement), the proxies solicited by the Board for the 2020 Annual Meeting will confer discretionary authority to the proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is received by the Company after February 22, 2020.

Whether or not you intend to be present at the Meeting, you are urged to return your Proxy promptly. If you are then present at the Meeting and wish to vote your shares in person, your original Proxy may be revoked by voting at the Meeting. However, if you are a shareholder whose shares are not registered in your own name, you will need the Proxy obtained from your recordholder to vote personally at the Meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers (as defined in regulations promulgated by the SEC thereunder), Directors and persons who own more than ten percent of the Common Stock to file reports of stock ownership and changes in stock ownership with the SEC. The officers, Directors and greater than ten percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of all reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that during the last year its officers, Directors and greater than ten percent beneficial owners complied with all filing requirements.

EXECUTIVE COMPENSATION PHILOSOPHY

The policies and underlying philosophy governing the Bank's executive compensation program, as endorsed by the Compensation Committee and the Board of Directors, are designed to accomplish the following:

- Maintain a compensation program that is equitable in a competitive marketplace.
- Provide opportunities that integrate pay with the Bank's annual and long term performance.
- Encourage achievement of strategic objectives and creation of shareholder value.
- Recognize and reward individual initiative and achievements.
- Maintain an appropriate balance between base salary and incentive compensation.
- Allow the Bank to attract, retain, and motivate talented executives.

The Compensation Committee seeks to target executive compensation at levels that the Compensation Committee believes to be consistent with others in the banking industry. Bank Compensation Surveys, including but not limited to, the California Bankers Association Compensation and Benefits Survey as well as independent Executive Compensation Consultants survey data will be utilized on an annual basis to determine current trends in the market. In general, the Bank will pay base salaries to the executive officers that are on average, at the 50th percentile of other comparable banks in the regional market. If an executive is experienced; high performing; or brings a specific knowledge base to the organization, the Bank may compensate the executive at the upper quartile (75th percentile) of market. In addition to base salary, the following will be considered in combination as part of the compensation package for the executive officers.

Annual Incentives: Executive officers are eligible to participate in a cash based annual incentive plan as approved by the Board. The annual incentive plan will provide competitive cash incentives at the 50th percentile of market when target performance goals are achieved. When target performance goals are exceeded, the plan will provide additional payout levels that move total cash compensation to the 75th percentile of market.

Long Term Incentives: Executive officers are eligible to participate in long term incentive plans as approved by the Board. The long term incentive plans will utilize incentive stock options or restricted stock to reward executives for the long term performance of the Bank. The value of any long term incentive grants are designed to move total compensation for the Executive officers to the 50th percentile of market when performance expectations are met and to the 75th percentile of market when performance expectations are exceeded.

Executive Benefits: Executive officers are eligible to participate in all welfare and benefit programs offered to employees. In addition, executives are eligible for non-qualified deferred compensation, and may be eligible for a bank provided automobile or automobile reimbursement, club memberships and any other executive perquisite as approved by the Board.
