Statements in this Current Report on Form 8-K (including the exhibit) that are not purely historical facts, including statements regarding Innofone's beliefs, expectations, intentions or strategies for the future, may be "forward-looking statements" under the Private Securities Litigation Reform Act of 1995. All forward-looking statements involve a number of risks and uncertainties that could cause actual results to differ materially from the plans, intentions and expectations reflected in or suggested by the forward-looking statements. Such risks and uncertainties include, among others, introduction of products in a timely fashion, market acceptance of new products, cost increases, fluctuations in and obsolescence of inventory, price and product competition, availability of labor and materials, development of new third-party products and techniques that render Innofone's products obsolete, delays in obtaining regulatory approvals, potential product recalls and litigation. Risk factors, cautionary statements and other conditions which could cause Innofone's actual results to differ from management's current expectations are contained in Innofone's filings with the Securities and Exchange Commission. Innofone undertakes no obligation to update any forward-looking statement to reflect events or circumstances that may arise after the date of this filing.

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On July 10, 2006, Innofone.com, Incorporated (the "Company" or "Innofone") issued a promissory note to 55 South Investments in the face amount of \$500,000, with interest at 12% per annum. The Maturity Date shall be the earlier of: (a) one (1) year from the commencement of that certain equity swap transaction ("Swap") whereby 30 days have expired thereafter the date in which the Company is granted effectiveness by the Securities and Exchange Commission on a registration statement filed pursuant to certain agreements made in connection with an equity swap made by and between the Company and Cogent Capital Group, LLC and its affiliates as of June 2, 2006 (defined herein as the "Swap Start Date"); or (b) December 1, 2007, whichever is earlier. Repayment of the Principal by Innofone to the Holder shall commence within ten (10) days of the Swap Start Date and shall continue thereafter in equal pro rata monthly installments on the same date of each subsequent month thereafter for the successive eleven (11) months thereafter the Swap Start Date and continue until all principal payments are paid in full. The Principal shall be repaid in full no later than the Maturity Date. Should the Swap Start Date not occur prior to the Maturity Date, then the entirety of Principal shall be due and payable to Holder on the Maturity Date. Further Innofone may, at its option, prepay all amounts owing under this Note prior to the Maturity Date, in whole or in part, without payment of any premium or penalty, after giving written notice thereof to the Holder at least one (1) day prior to the date selected for prepayment. In connection with the issuance of the note, we issued (i) a five-year warrant to 55 South Investments for the right to purchase up to 2,000,000 shares of common stock at \$1.00 per share; and (ii) a five year warrant to Millennium Investment Services, Inc., an affiliate of 55 South, for the right to purchase 500,000 shares of common stock at \$1.00 per share. We have granted certain piggyback registration rights with respect only to the shares underlying the warrant issued to 55 South. The note is secured with approximately \$2,000,000 worth of our restricted common stock and \$2,000,000 worth of restricted common stock owned by Mr. Lightman, our Chief Executive Officer and President. We have granted certain demand registration rights with respect to all shares issued as security under the note. Further, we have agreed to pay to 55 South approximately \$40,000 representing an origination fee and a due diligence fee.

We claim an exemption from the registration requirements of the Securities Act of 1933, as amended (the "Act") for the private placement of these securities pursuant to Section 4(2) of the Act and/or Rule 506 of Regulation D promulgated thereunder since, among other things, the transaction did not involve a public offering, the Investor was an "accredited investor" and/or qualified institutional buyers, the Investor had access to information about the Company and its investment, the Investor took the securities for investment and not resale, and we took appropriate measures to restrict the transfer of the securities.
