Item 4.01 Changes to registrant's certifying accountant

On June 18, 2012, Victory Energy Corporation (the "Company"), through the Audit Committee of its Board of Directors and with the ratification of its Board of Directors, dismissed WilsonMorgan LLP as the Company's independent registered public accounting firm and engaged Weaver and Tidwell, LLP ("Weaver") as the Company's independent registered accounting firm.

The reports of WilsonMorgan LLP regarding the Company's financial statements for fiscal years ended December 31, 2011 and 2010 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, scope or accounting principles. The reports of WilsonMorgan LLP did, however, include a qualification with regard to uncertainty as to the Company's ability to continue as a going concern. During the years ended 2011 and 2010, and for the period of January 1, 2012 through June 18, 2012, there were no disagreements with WilsonMorgan LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which would have caused it to make reference to such disagreements in the reports.

Prior to engaging Weaver, the Company did not consult with Weaver regarding the application of accounting principles to a material, specific completed or contemplated transaction or regarding the type of audit opinion that might be rendered by Weaver on the Company's financial statements, and Weaver did not provide any written or oral advice that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue.
