On that record date, there were 41,760,653 shares of Majesco common stock outstanding and entitled to vote. Majesco common stock is our only class of voting stock.

You do not need to attend the Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for the Annual Meeting and not revoked prior to the Annual Meeting, will be voted at the Annual Meeting. A stockholder may revoke a proxy before the proxy is voted by delivering to our Secretary a signed statement of revocation or a duly executed proxy card bearing a later date. Any stockholder who has executed a proxy card but attends the Annual Meeting in person may revoke the proxy and vote at the Annual Meeting.

How Many Votes Do I Have?

Each share of Majesco common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted

in accordance with your instructions on the proxy card or as instructed via Internet or telephone. You may specify whether your shares should be voted for or against all, some or none of the nominees for director, and whether your shares should be voted for, against or abstain with respect to each of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board's recommendations as noted below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, American Stock Transfer & Trust Company, or you have stock certificates, you may vote:

By mail. Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by the Board.

In person at the meeting. If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If your shares are held in street name (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By Internet or by telephone. Follow the instructions you receive from your broker to vote by Internet or telephone.

By mail. You will receive instructions from your broker or other nominee explaining how to vote your shares.

In person at the meeting. Contact the broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the meeting. You will not be able to attend the Annual Meeting unless you have a proxy card from your broker.

How Does The Board Recommend That I Vote On The Proposals?

The Board recommends that you vote as follows:

FOR the election of the Board nominees for Class II directors set forth on the proxy card included in this proxy statement;

FOR the compensation of our named executive officers as set forth in this proxy statement;

FOR ratification of the selection of EisnerAmper LLP as our independent public accountant for our fiscal year ending October 31, 2013.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I Change or Revoke My Proxy?

If you give us your proxy, you may change or revoke it at any time before the Annual Meeting. You may change or revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it as instructed above;

if your shares are held in street name, re-voting by Internet or by telephone as instructed above only your latest Internet or telephone vote will be counted;

if your shares are registered in your name, notifying Majesco's Secretary in writing before the Annual Meeting that you have revoked your proxy; or

attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy unless you specifically request it.

What If I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under **How Do I Vote?** on the proxy card for each account to ensure that all of your shares are voted.

Will My Shares Be Voted If I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, they will not be voted if you do not return your proxy card by mail or vote at the Annual Meeting as described above under **How Do I Vote?** If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under **How Do I Vote?**, the bank, broker or other nominee has the authority, even if it does not receive instructions from you, to vote your unvoted shares for Proposal 3, the ratification of our independent public accountant, but does not have authority to vote your unvoted shares for Proposal 1, the election of nominees to the Board or Proposal 2, the advisory vote on compensation of our named executive officers. We encourage you to provide voting instructions. This ensures your shares will be voted at the Annual Meeting in the manner you desire. If your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a broker non-vote.

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Election of Class II
Directors

The nominees for director who receive the most votes (also known as a plurality) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a beneficial owner will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Advisory Vote on
Compensation of Our Named Executive
Officers

The advisory vote on the compensation of our named executive officers will be approved if the votes cast in favor of the proposal exceeds the votes cast against the proposal. Abstentions and broker non-votes will not be counted as either votes cast for or against this proposal. While the results of this advisory vote are non-binding, our Compensation Committee and the Board values the opinions of our stockholders and will consider the outcome of the vote, along with other relevant factors, in deciding whether any actions are necessary to address the concerns raised by the vote and when making future compensation decisions for named executive officers.

TABLE OF CONTENTS

Proposal 3: Ratify the Appointment of EisnerAmper LLP as Our Independent Public Accountant for the Fiscal Year Ending October 31, 2013

The affirmative vote of a majority of the votes cast for this proposal is required to ratify the appointment of our independent public accountant. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to appoint our independent accountant. However, if our stockholders do not ratify the appointment of EisnerAmper LLP as our independent public accountant for the fiscal year ending October 31, 2013, the Audit Committee of the Board may reconsider its appointment.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Votes of stockholders of record who are present at the Annual Meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Householding of Annual Disclosure Documents

The Securities and Exchange Commission (the "SEC") previously adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or brokers holding our shares on your behalf to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if either we or the brokers believe that the stockholders are members of the same family. This practice, referred to as "householding," benefits both stockholders and us. It reduces the volume of duplicate information received by you and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once stockholders receive notice from their brokers or from us that communications to their addresses will be "household," the practice will continue until stockholders are otherwise notified or until they revoke their consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

Those stockholders who either (i) do not wish to participate in "householding" and would like to receive their own sets of our annual disclosure documents in future years or (ii) who share an address with another one of our stockholders and who would like to receive only a single set of our annual disclosure documents should follow the instructions described below:

Stockholders whose shares are registered in their own name should contact our transfer agent, American Stock Transfer & Trust Company, and inform them of their request by calling them at 1-800-937-5449 or writing them at 6201 15th Avenue, Brooklyn, New York 11219.

Stockholders whose shares are held by a broker or other nominee should contact such broker or other nominee directly and inform them of their request. Stockholders should be sure to include their name, the name of their brokerage firm and their account number.

Committees of the Board of Directors and Meetings

Meeting Attendance. The Board has a policy that directors make all reasonable efforts to attend our Company's annual stockholder meetings. Allan I. Grafman, Louis Lipschitz, Jesse Sutton and Stephen Wilson attended last year's annual stockholders' meeting. In fiscal 2012, there were a total of 18 meetings of the Board and the various committees of the Board met a total of 24 times. No director attended fewer than 75% of the total number of meetings of the Board and of committees of the Board on which he served during fiscal year 2012. The independent members of the Board also met regularly in executive session.

Audit Committee. The Board has a standing Audit Committee, consisting of Messrs. Louis Lipschitz (Chair), Allan I. Grafman, Laurence Aronson and Stephen Wilson. Our Audit Committee held seven meetings during fiscal year 2012. The Audit Committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for the Audit Committee's composition and meetings. The charter of the Audit Committee can be found on our website at www.majescoentertainment.com.

The Board has determined that each member of the audit committee is independent, as that term is defined by applicable SEC rules. In addition, the Board has determined that each member of the audit committee is independent, as that term is defined by the rules of the Nasdaq Stock Market.

TABLE OF CONTENTS

The Board has determined that Messrs. Allan I. Grafman, Louis Lipschitz and Stephen Wilson are financial experts serving on its Audit Committee, and are independent, as the SEC has defined that term in Item 407 of Regulation S-K.

Please see the biographical information for these individuals contained in the section above entitled, The Board of Directors.

Nominating and Governance Committee. The Board has a standing Nominating and Governance Committee. The Nominating and Governance Committee consists of Messrs. Stephen Wilson (Chair), Laurence Aronson, Allan I. Grafman, and Louis Lipschitz. The Nominating and Governance Committee may employ a variety of methods for identifying and evaluating nominees for director. All members of the Nominating and Governance Committee qualify as independent as defined by the rules of the Nasdaq Stock Market. The Nominating and Governance Committee held four meetings during fiscal year 2012. The Nominating and Governance Committee acts under a written charter, which more specifically sets forth its responsibilities and duties, as well as requirements for its composition and meetings. The charter of the Nominating and Governance Committee can be found on our website at www.majescoentertainment.com.

The Nominating and Governance Committee regularly assesses the size of the Board, the need for particular expertise on the Board, the upcoming election cycle of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. Candidates may be evaluated at regular or special meetings of the Nominating and Governance Committee, and may be considered at any point during the year.

As reflected in its charter, factors considered by the Nominating and Governance Committee in the selection of director nominees are those it may deem appropriate, including judgment, character, high ethics and standards, integrity, skills, diversity, independence, experience with businesses and organizations of a comparable size to the Company, the interplay of the candidate's experience with the experience of other members of the Board of Directors and the extent to which the candidate would be a desirable addition to the Board or any of its committees. In addition, in considering nominees for director, the Nominating and Governance Committee will review the qualifications of available candidates that are brought to the attention of the Nominating and Governance Committee by any member of the Board, stockholders and management or identified by the Nominating and Governance Committee through the use of search firms or otherwise.

The Nominating and Governance Committee does not set specific, minimum qualifications that nominees must meet in order for the Nominating and Governance Committee to recommend them to the Board, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board. Members of the Nominating and Governance Committee discuss and evaluate possible candidates in detail prior to recommending them to the Board. While we do not have a formal policy on diversity, our Nominating and Governance Committee considers diversity of experience as one of the factors it considers in conducting its assessment of director nominees, along with such other factors as it deems appropriate given the then current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

If a stockholder wishes to propose a candidate for consideration as a nominee by the Nominating and Governance Committee, it should follow the procedures described in this section and in the Company's Nominating and Governance Committee Charter. The Nominating and Governance Committee Charter adopted by the Nominating and Governance Committee provides that nominees recommended by stockholders are given appropriate consideration and will be evaluated in the same manner as other nominees. Following verification of the stockholder status of persons proposing candidates, the Nominating and Governance Committee makes an initial analysis of the qualifications of any candidate recommended by stockholders or others pursuant to the criteria summarized above to determine whether the candidate is qualified for service on the Company's Board of Directors before deciding to

undertake a complete evaluation of the candidate. If any materials are provided by a stockholder or professional search firm in connection with the nomination of a director candidate, such materials are forwarded to the Nominating and Governance Committee as part of its review. Other than the verification of compliance with procedures and stockholder status, and the initial analysis performed by the Nominating and Governance Committee, a potential candidate nominated by a stockholder is treated like any other potential candidate during the review process by the Nominating and Governance Committee.

Board of Directors Leadership Structure and Role in Risk Oversight. Our current Board of Directors leadership structure separates the positions of Chief Executive Officer and Chairman of the Board, although we do not have a corporate policy requiring that structure. The Board believes that this separation is appropriate for the Company at this time because it allows for a division of responsibilities and a sharing of ideas between individuals having different perspectives.

Our Chief Executive Officer, who is also a member of the Board, is primarily responsible for our operations and strategic direction, while our Chairman of the Board, who is an independent member of the Board, is primarily focused on matters pertaining to corporate governance, including management oversight. While the Board believes that this is the most appropriate structure at this time, the Board retains the authority to change the Board structure, including the possibility of combining the Chief Executive Officer and Chairman of the Board position, if it deems such a change to be appropriate in the future.

While management is responsible for managing the day to day issues faced by the Company, the Board has an active role, directly and through its committees, in the oversight of the Company's risk management efforts. The Board carries out this oversight role through several levels of review. The Board regularly reviews and discusses with members of management information regarding the management of risks inherent in the operation of the Company's business and the implementation of the Company's strategic plan, including the Company's risk mitigation efforts.

Each of the Board's committees also oversees the management of the Company's risks that are under each committee's areas of responsibility. For example, the Audit Committee oversees management of accounting, auditing, external reporting, internal controls, and cash investment risks. The Nominating and Governance Committee oversees the Company's compliance policies, Code of Conduct and Ethics, conflicts of interests, director independence and corporate governance policies. The Compensation Committee oversees risks arising from compensation practices and policies. While each committee has specific responsibilities for oversight of risk, the Board is regularly informed by each committee about such risks. In this manner the Board is able to coordinate its risk oversight.

Compensation Committee; Compensation Committee Interlocks and Insider Participation. The Compensation Committee of the Board is composed entirely of directors who are not our current or former employees, each of whom meets the applicable definition of "independent" as defined by the rules of the Nasdaq Stock Market. None of the members of the Compensation Committee during fiscal 2012 (i) had any relationships requiring disclosure by the Company under the SEC's rules requiring disclosure of related party transactions or (ii) was an executive officer of a company of which an executive officer of the Company is a director. The current members of our Compensation Committee are Messrs. Laurence Aronson (Chair), Allan I. Grafman, Louis Lipschitz and Stephen Wilson. Our Compensation Committee has no interlocks with other companies. Our Compensation Committee held 13 meetings during fiscal year 2012. The charter of the Compensation Committee can be found on our website at www.majescoentertainment.com.

The Compensation Committee is responsible for establishing and administering our executive compensation policies. The role of the Compensation Committee is to (i) formulate, evaluate and approve compensation of the Company's directors, executive officers and key employees, (ii) oversee all compensation programs involving the use of the Company's stock, and (iii) produce, if required under the securities laws, a report on executive compensation for inclusion in the Company's proxy statement for its annual meeting of stockholders. The duties and responsibilities of the Compensation Committee under its charter include:

Annually reviewing and making recommendations to the Board with respect to compensation of directors, executive officers and key employees of the Company;

Annually reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and recommending to the Board the Chief Executive Officer's compensation levels based on this evaluation;

Reviewing competitive practices and trends to determine the adequacy of the executive compensation program;

Approving and overseeing compensation programs for executive officers involving the use of the Company's stock;
Approving and administering cash incentives and deferred compensation plans for executives (including any modification to such plans) and oversight of performance objectives and funding for executive incentive plans;

Annually evaluating the performance of the Compensation Committee; and

Making regular reports to the Board concerning the activities of the Compensation Committee.

When appropriate, the Compensation Committee may, in carrying out its responsibilities, form and delegate authority to subcommittees. The Chief Executive Officer plays a role in determining the compensation of our other executive officers by evaluating the performance of those executive officers. The Chief Executive Officer's evaluations are then reviewed by the Compensation Committee. This process leads to a recommendation for any changes in salary, bonus terms and equity awards, if any, based on performance, which recommendations are then reviewed and approved by the Compensation Committee.

From time to time the Compensation Committee has retained an independent compensation consulting firm, James F. Reda & Associates, a division of Gallagher Benefit Services, Inc. (Reda & Associates), to assist it in determining appropriate short-term and long-term incentive awards for key executives. Other services have included a review of the Company's Amended and Restated 2004 Employee, Director and Consultant Incentive Plan (referred to herein as the Incentive Plan), valuation of employee and director equity grants, valuation of warrants, and advisement on RiskMetrics policy guidelines.

The Compensation Committee retains the consulting firm directly, although in carrying out assignments, the consulting firm also interacts with Company management when necessary and appropriate in order to obtain compensation and performance data for the executives and the Company. In addition, the consultant may, in its discretion, seek input and feedback from management regarding its consulting work product prior to presentation to the Compensation Committee in order to confirm alignment with the Company's business strategy and/or identify data questions or other similar issues.

The Compensation Committee has the authority, at the Company's expense, to select, retain, terminate and set the fees and other terms of, the Company's relationship with any outside advisors who assist it in carrying out its responsibilities, including compensation consultants or independent legal counsel.

Communications with the Board of Directors

Stockholders may communicate with the Board by sending an email to Investorrelations@majescoentertainment.com or by sending a letter to Majesco Entertainment Company's Board of Directors, c/o the Office of the Secretary, 160 Raritan Center Parkway, Suite 1, Edison, New Jersey 08837.

The Office of the Secretary will receive the correspondence and forward it to the Chairman of the Board or to any individual director or directors to whom the communication is directed, unless the communication is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business, or is similarly inappropriate. The Office of the Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis provides information about our compensation program for Jesse Sutton, our Chief Executive Officer, and Michael Vesey, our Chief Financial Officer. We refer to these individuals as our named executive officers.

Introduction

Our compensation program for the named executive officers consists of base salary, incentive bonus opportunities and long-term incentives. We also maintain employment agreements for some of the named executive officers. The compensation program is designed to achieve the Company's goal of attracting, retaining and motivating the best possible executive talent.

Our overall philosophy is to link a combination of short and long-term cash and equity incentives to the achievement by our executives of measurable corporate performance objectives. A primary objective is to align the incentives provided to our executives with the creation of long-term value for our stockholders.

Compensation Program

Following is a brief summary of each element of our compensation program for the named executive officers.

Base Salary

We provide a base salary to retain and, as necessary, attract key executive talent and to align our compensation with market practices. Base salaries are reviewed by the Compensation Committee each year. For 2012, the Compensation Committee did not make any adjustment to the base salary levels of our named executive officers. The salary levels remained at \$363,000 for Mr. Sutton and \$250,000 for Mr. Vesey.

Incentive Bonus Opportunity

The compensation committee has the authority to award incentive bonuses to our executives. The incentive bonus program is based on the Company's fiscal year performance.

The incentive bonus program is an important component of total cash compensation because it rewards our executives for achieving annual financial and operational goals and emphasizes variable or at risk compensation.

In 2012, each of the named executive officers was eligible to receive an incentive bonus based upon a targeted percentage of his base salary, which was 100% for the Chief Executive Officer and 50% for the Chief Financial Officer. The target bonus levels were set in the executive officers' employment agreements and the target levels have remained consistent through their employment terms.

For 2012, the financial goal accounted for 75% of the incentive bonus opportunity, and was determined by our performance relative to a non-GAAP net income target, which excluded non-operational items, such as warrant accounting, financing costs (excluding normal interest) and severance. Payout could range from 50% to 200% of the bonus opportunity apportioned to the financial goal, based on the extent to which the net income target was achieved:

	Threshold (50% payout level)	Target (100% payout level)	Maximum (200% payout level)
Net Income (000)	\$ 13,626	\$ 17,033	\$ 20,440

The operational goals accounted for 25% of the incentive bonus opportunity, and were allocated between two equally weighted objectives:

Digital platforms achieving meaningful progress in building a digital games business. Performance was determined by the Compensation Committee based on a number of factors including, revenue growth, infrastructure and talent acquisitions, business acquisitions, and product pipeline.

Franchise creation launching a new title that has franchise potential during the fifteen month period of time from November 2011 thru January 2013. Franchise potential was based on unit sales, gross margin and licensing control.

12

TABLE OF CONTENTS

The purpose of the operational goals was to provide incentives for activities important to the Company's long-term value, outside of immediate financial impact.

We did not achieve the financial and operational goals for 2012 under the incentive bonus plan. Nonetheless, the Compensation Committee decided to pay a discretionary bonus of \$54,103 to Mr. Sutton and \$18,631 to Mr. Vesey to recognize the Company's overall financial performance despite difficult industry dynamics and a rapidly slowing market for console video games, and in light of other strategic initiatives enacted by the Company during the year such as its investments in social and mobile games.

For more information on the 2012 incentive bonus opportunities for our named executive officers, please refer to the 2012 Grants of Plan-Based Awards section, which begins on page 15. The 2012 discretionary bonus payments for each named executive officer are set forth in the Bonus column of the Summary Compensation Table on page 15.

Long-Term Incentives

We believe that long-term performance will be enhanced through equity awards that reward our executives and other employees for maximizing stockholder value over time and that align the interests of our executives and other employees with those of stockholders. The compensation committee believes that the use of equity awards offers the best approach to achieving our compensation goals because equity ownership ties a significant portion of an individual's compensation to the performance of our stock.

On August 3, 2012, the Compensation Committee granted the following number of shares of restricted stock to our named executive officers: 145,000 to Mr. Sutton and 57,000 to Mr. Vesey. The award amount for each executive officer is based on a percentage of his salary. When establishing these award levels, the Compensation Committee considered a number of factors, including our goals of appropriately managing our dilution and burn rate levels and rewarding the individual performance of our named executive officers.

The shares of restricted stock vest in equal installments over a three-year period beginning on the first anniversary of the grant date. The restricted shares are intended to help retain our named executive officers and maintain their focus on our future success.

Employment Agreements

During 2012, we had employment agreements with each of the named executive officers. Mr. Sutton's employment agreement provides for an annual base salary of \$363,000 and a discretionary bonus of up to 100% of his base salary. Mr. Vesey's employment agreement provides for an annual base salary of \$250,000 and a discretionary bonus of up to 50% of his base salary.

Under the employment agreements, each of the named executive officers would be entitled to certain payments and benefits if the Company terminated the executive's employment without cause or the executive terminated his employment for good reason. Benefits are also provided if the executive is terminated in connection with a change in control. The benefit levels under the employment agreements generally include continued payment of base salary, a bonus for the year of termination, accelerated vesting of equity awards and continued welfare benefits, and are described in more detail under the Estimated Payments Upon Termination or Related to a Change in Control section starting on page 17.

The benefit levels under the employment agreements were negotiated at the time the executives were hired. Consistent with best practices, we do not provide excise tax gross-ups for severance benefits received in connection with a

change in control of the Company. The Compensation Committee believes that the employment agreements were necessary in order to induce the named executive officers to serve in their respective positions with the Company and to encourage their full attention and dedication to our success. Moreover, the agreements contain customary confidentiality, non-competition, non-solicitation, and indemnification terms, which protect the Company's interests upon termination of the executives' services.

TABLE OF CONTENTS

Consideration of Say-on-Pay Vote

At our 2012 Annual Meeting, our stockholders supported our executive compensation program by approving the compensation of our named executive officers by a vote of approximately 94% of the shares represented by person or by proxy at the meeting. The Compensation Committee views this result as confirmation that our compensation program is structured and designed to achieve our stated goals. As a result, we did not make any material changes to our compensation program in 2012.

Risk Assessment

Members of management from our human resources, legal and finance groups assessed whether our compensation policies and practices encourage excessive or inappropriate risk taking by our employees. This assessment included a review of the risk characteristics of our business, our internal controls and related risk management programs, the design of our incentive plans and policies, and the impact of risk mitigation features. Management reported its findings to the Compensation Committee, and after review and discussion, the Compensation Committee concluded that our compensation programs do not create risks that are reasonably likely to have a material adverse effect on our business.

Compensation Consultant

From time to time the Compensation Committee has retained an independent compensation consulting firm, Reda & Associates, to assist it in determining appropriate short-term and long-term incentive awards for key executives. Other services have included a review of the Company's Amended and Restated 2004 Employee, Director and Consultant Incentive Plan, valuation of employee and director equity grants, valuation of warrants, and advisement on proxy advisory voting guidelines.

The Compensation Committee retains the consulting firm directly, although in carrying out assignments, the consulting firm also interacts with Company management when necessary and appropriate in order to obtain compensation and performance data for the executives and the Company. In addition, the consultant may, in its discretion, seek input and feedback from management regarding its consulting work product prior to presentation to the Compensation Committee in order to confirm alignment with the Company's business strategy and/or identify data questions or other similar issues.

The Compensation Committee has assessed the independence of Reda & Associates pursuant to SEC rules and concluded that no conflict of interest exists that would prevent the consulting firm from independently advising the Compensation Committee.

Section 162(m) of the Tax Code

Section 162(m) of the Internal Revenue Code provides that the Company generally may not deduct, for federal income tax purposes, annual compensation in excess of \$1 million paid to certain named executive officers. Certain performance-based compensation paid pursuant to shareholder approved plans is not subject to the deduction limit.

Given our net operating loss carryforwards available to offset taxable income, the Compensation Committee has not adopted a policy that requires all compensation to be deductible. In this regard, the Compensation Committee wants to preserve the ability to award cash or equity compensation to an executive that is not deductible under Section 162(m)

if we believe that it is in our stockholders' best interests.

TABLE OF CONTENTS**ESTIMATED PAYMENTS UPON TERMINATION OR RELATED TO A CHANGE IN CONTROL**

The table below reflects the amount of incremental compensation to which each named executive officer would have been entitled as a consequence of certain terminations or in connection with a change in control followed by certain terminations. The amounts shown in the table below assume that such terminations were effective as of October 31, 2012 and that the price of our common stock upon which certain of the calculations are made was the closing price of \$1.00 per share on October 31, 2012. Because the incremental amount of payments to be made depends on several factors, the actual amounts to be paid out upon termination of employment or termination of employment following a change in control can only be determined at the time of the event. None of the payments set forth below would be grossed-up for taxes. The estimated payments upon termination and termination following a change in control are as follows:

The amount shown in the table for Mr. Sutton assumes a October 31, 2012 termination and, therefore, is equal to 100 percent of the value of the full-year s restricted stock grants and options that would otherwise have vested if he had remained in our employ through October 31, 2013.

TABLE OF CONTENTS

Mr. Vesey would have been entitled to receive lump sum payments of (i) severance, in an amount equal to Mr. Vesey's, base salary at the time of termination; (ii) accrued but untaken vacation days; (iii) a prorated payment for bonus upon the date of termination during the Company's fiscal year payable at the same time as bonuses are paid to other Company executives, but no later than January 31.

Mr. Vesey is entitled to the foregoing benefits if the Company terminates his employment without Cause or the agreement is terminated by Mr. Vesey for Good Reason within 12 months of a Change of Control of the Company, and Mr. Sutton is entitled to the foregoing benefits if the Company terminates his employment without Cause or the agreement is terminated by Mr. Sutton for Good Reason within 24 months of a Change of Control of the Company.

REPORT OF AUDIT COMMITTEE

The current members of the Audit Committee are Messrs. Louis Lipschitz (Chair), Laurence Aronson, Allan I. Grafman and Stephen Wilson.

The Audit Committee of the Board, which consists entirely of directors who meet the required independence and experience requirements of Rule 10A-3 promulgated under the Securities Exchange Act of 1934 and the rules of the Nasdaq Stock Market, has furnished the following report:

The Audit Committee assists the Board in overseeing and monitoring the integrity of the Company's financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board, which is available on our website at www.majescoentertainment.com. The Audit Committee is responsible for selecting, retaining and determining the compensation of our independent public accountant, approving the services they will perform, and reviewing the performance of the independent public accountant. The Audit Committee reviews with management and our independent public accountant our annual financial statements on Forms 10-K and our quarterly financial statements on Forms 10-Q. The Audit Committee reviews and reassesses the charter annually and recommends any changes to the Board for approval. The Audit Committee is responsible for overseeing our overall financial reporting process. In fulfilling its responsibilities for the financial statements for fiscal year 2012, the Audit Committee took the following actions:

reviewed and discussed the audited financial statements for the fiscal year ended October 31, 2012 with management and EisnerAmper LLP (EisnerAmper), our independent public accountant; discussed with EisnerAmper the matters required to be discussed in accordance with the rules set forth by the Public Company Accounting Oversight Board (PCAOB), relating to the conduct of the audit; and received written disclosures and the letter from EisnerAmper regarding its independence as required by applicable requirements of the PCAOB regarding EisnerAmper's communications with the Audit Committee and the Audit Committee further discussed with EisnerAmper their independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the Audit Committee determined appropriate.

Based on the Audit Committee's review of the audited financial statements and discussions with management and EisnerAmper, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended October 31, 2012 for filing with the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. These persons are required by regulation to furnish us with copies of all Section 16(a) reports that they file.

Based on our review of the copies of these reports received by us, or written representations from the reporting persons that no other reports were required, we believe that, during fiscal 2012, all filing requirements applicable to our current officers, directors and greater than 10% beneficial owners were complied with.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Morris Sutton, the former chief executive officer of the Company, resigned effective January 1, 2007 and became a consultant. The Company paid Mr. Sutton approximately \$150,000 during the year ended October 31, 2011 and \$150,000 during the year ended October 31, 2012 for his consulting services. Morris Sutton is Jesse Sutton's father.

In February 2012, the Board adopted, upon recommendation of the Nominating and Governance Committee, a formal written policy governing the review and approval of related person transactions, which is posted under the heading Corporate Governance of the Investor Relations section of our website at www.majescoentertainment.com. For purposes of this policy, consistent with the Nasdaq Stock Market rules, the terms related person and transaction are as defined in Item 404(a) of Regulation S-K under the Securities Act of 1933, as amended. The policy provides that each director and executive officer shall promptly notify our General Counsel of any transaction involving the Company and a related person. Such transaction will be presented to and reviewed by the Nominating and Governance Committee for approval, ratification or such other action as may be appropriate. The Nominating and Governance Committee shall approve only those related person transactions that are determined to be in, or not inconsistent with, the best interests of the Company and its stockholders, taking into account all available facts and circumstances as the Nominating and Governance Committee determines in good faith to be necessary. These facts and circumstances will typically include, but not be limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction, whether there are any compelling business reasons for the Company to enter into the transaction, whether the transaction would impair the independence of an otherwise independent director and whether the transaction would present an improper conflict of interest for any director or executive officer, taking into account the size of the transaction, the overall financial position of the director, executive officer or other related person, the direct or indirect nature of the director's, executive officer's or other related person's interest in the transaction and the ongoing nature of the proposed relationship. In reviewing and approving such transactions, the Nominating and Governance Committee shall obtain, or shall direct management to obtain on its behalf, all information that the Nominating and Governance Committee believes to be relevant and important to a review of the transaction prior to its approval.

The Board may adopt any further policies and procedures relating to the approval of related person transactions that it deems necessary or advisable from time to time.

ELECTION OF DIRECTORS

(Notice Item 1)

On January 10, 2013, the Board nominated Laurence Aronson and Keith McCurdy for election as Class II directors at the Annual Meeting. Each of the nominees have consented to serve if elected, and each of them has consented to being named in this proxy statement. Both of the nominees are currently directors of the Company.

Unless authority to vote for any of the nominees named above is withheld, the shares represented by the enclosed proxy will be voted FOR the election as directors of such nominees. In the event that any nominee shall become unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board may recommend in that nominee's place. The Board has no reason to believe that any nominee will be unable or unwilling to serve.

A plurality of the shares voted affirmatively or negatively at the Annual Meeting is required to elect each of our nominees as a Class II director. Our Restated Certificate of Incorporation and Restated Bylaws currently provide for a classified Board of Directors. All nominees will be Class II Directors and will have a term that expires at the annual meeting in 2016.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF LAURENCE ARONSON AND KEITH MCCURDY AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

(Notice Item 2)

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we included two stockholder votes on named executive officer compensation in last year's regular 2012 proxy statement. In those votes, which were advisory and nonbinding, our stockholders approved the compensation of our named executive officers as disclosed in the 2012 proxy statement (commonly referred to as a "say-on-pay" vote) and approved the recommendation of our Board of Directors to hold future say-on-pay votes on an annual basis.

As a result, our stockholders are entitled to vote at the Annual Meeting to approve the compensation of our named executive officers ("NEOs"), as disclosed in this proxy statement. Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, the stockholder vote on executive compensation is an advisory vote only, and it is not binding on the Company or the Board of Directors.

Our executive compensation programs are based on three core principles that are designed to motivate our NEOs to achieve annual financial and strategic objectives to enhance the profitability of the Company and create long-term stockholder value. The fiscal year 2012 compensation of our NEOs reflected these core principles:

A significant portion of each NEO's cash compensation was based on the annual financial performance of the Company and therefore "at risk" ;

A significant portion of each NEO's total compensation was provided in the form of long-term equity, a significant portion of which was subject to stock price performance, to further align the interest of NEOs and stockholders; and The target total direct compensation package for each NEO was consistent with market practices for executive talent and each NEO's individual experience, responsibilities and performance.

We believe that our compensation programs and policies for the fiscal year ended October 31, 2012 were consistent with our core compensation principles, an effective incentive for the achievement of positive results, aligned with stockholders' interests, supported by strong compensation governance practices and worthy of continued stockholder support. Accordingly, we ask for our stockholders to indicate their support for the compensation paid to our NEOs by voting FOR the following non-binding resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve the compensation of the named executive officers on an advisory basis, the compensation of the individuals identified in the Summary Compensation Table, as disclosed in the Company's 2012 proxy statement pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis and the compensation tables and the accompanying footnotes and narratives within the Executive Compensation section of the 2012 proxy statement).

Approval of this proposal requires that votes cast in favor of the proposal exceeds the votes cast against the proposal.

Because your vote is advisory, the result will not be binding upon the Company. Although not binding, our Compensation Committee and the Board values the opinions of our stockholders and will consider the outcome of the vote, along with other relevant factors, in deciding whether any actions are necessary to address any concerns raised by the vote and when making future compensation decisions for NEOs.

THE BOARD RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE COMPENSATION OF THE COMPANY S NEOS, AS STATED IN THE ABOVE NON-BINDING RESOLUTION, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANT

(Notice Item 3)

The Audit Committee has appointed EisnerAmper LLP (EisnerAmper), independent public accountant, to audit our financial statements for the fiscal year ending October 31, 2013. The Board proposes that the stockholders ratify this appointment. We expect that representatives of EisnerAmper will be present at the Annual Meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

The following table sets forth the fees billed by EisnerAmper for each of our last two fiscal years for the categories of services indicated.

Category	2012	2011
Audit Fees ⁽¹⁾	\$ 215,000	\$ 205,000
Audit Related Fees	\$	\$
Tax Fees	\$	\$
All Other Fees	\$	\$ 5,130

Consists of fees billed for the audit of our annual financial statements, review of financial statements included in (1) our Quarterly Reports on Form 10-Q and services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements.

Audit Committee Pre-Approval Policy

The Audit Committee is required to pre-approve the engagement of EisnerAmper to perform audit and other services for the Company. Our procedures for the pre-approval by the Audit Committee of all services provided by EisnerAmper comply with SEC regulations regarding pre-approval of services. Services subject to these SEC requirements include audit services, audit-related services, tax services and other services. The audit engagement is specifically approved and the auditors are retained by the Audit Committee. The Audit Committee also has adopted policies and procedures for pre-approving all non-audit work performed by EisnerAmper. The Audit Committee pre-approved all audit, audit-related, tax and other services provided by EisnerAmper for the recently completed fiscal year.

We understand the need for EisnerAmper to maintain objectivity and independence in its audit of our financial statements. To minimize relationships that could appear to impair the objectivity of EisnerAmper, our Audit Committee has restricted the non-audit services that EisnerAmper may provide to us primarily to tax services.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS INDEPENDENT PUBLIC ACCOUNTANT, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.
