Item 1.01. Entry into a Material Definitive Agreement

On January 15, 2016, Equinix, Inc. (“Equinix”) completed the previously announced acquisition of the entire issued share capital of Telecity Group plc (“Telecity”) (the “Transaction”). As a result of the Transaction, Telecity became a wholly-owned subsidiary of Equinix.

In order to obtain clearance from the European Commission for the Transaction, Equinix and Telecity agreed to divest certain facilities in Amsterdam, Frankfurt and London (the “Divestment Businesses”) post-closing of the Transaction.

On May 14, 2016, Equinix, as guarantor, and certain of its subsidiaries entered into share purchase agreements (the “Agreements”) to transfer the Divestment Businesses to the Digital Realty Trust, Inc. group of companies (collectively, “Digital Realty”) for total consideration of approximately \$874.4 million (the “Divestment”). The Divestment is expected to close during the third quarter of 2016 and is subject to certain closing conditions, including European Commission approval and completion of the works council consultation process in the Netherlands.

Digital Realty, or its affiliates, is currently Equinix’s landlord at other data center properties in the United States and France. Additionally, Equinix holds a minority stake in a joint venture with an affiliate of Digital Realty. Such joint venture leases two buildings to a third party in Ashburn, Virginia.
