PROXY STATEMENT

Annual Meeting of Stockholders to be held

May 17, 2018

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

General Background

The Board of Directors (the “Board”) of ANI Pharmaceuticals, Inc. (the “Company” or “ANI”) is providing these proxy materials to the holders of record of the Company’s common stock and class C special stock (together the Company’s “Stockholders”) in connection with the solicitation of proxies by the Company on behalf of the Board for the Company’s 2018 Annual Meeting of Stockholders (the “Annual Meeting”), which will take place at 12:00 p.m. Pacific Time on Thursday, May 17, 2018 and at any adjournment thereof, at Montage Laguna Beach, 30801 Coast Highway, Laguna Beach, CA 92651.

Instead of mailing a printed copy of the Company’s proxy materials, including the Company’s Annual Report, to each Stockholder of record, the Company is providing access to these materials via the Internet. Accordingly, on or about April 6, 2018, the Company will mail a Notice Regarding Internet Availability of Proxy Materials (the “Notice”) to all Stockholders of record as of March 19, 2018 and will post its proxy materials on the website referenced in the Notice (www.proxyvote.com). As more fully described in the Notice, all Stockholders may access the proxy materials on the website or may request a printed set of the proxy materials, and also specify how they wish their proxy materials to be delivered in the future, either by mail or e-mail.

Unless otherwise required by the context, references in this proxy statement to the “Company” or “ANI” refer to ANI Pharmaceuticals, Inc., a Delaware corporation formed in April 2001, formerly known as BioSante Pharmaceuticals, Inc. The Company’s principal executive offices are located at 210 Main Street West, Baudette, Minnesota 56623, its telephone number is (218) 634-3500, and its website address is www.anipharmaceuticals.com.

Questions and Answers About the Annual Meeting and Voting Rights

Q:

Why am I receiving these materials?

A:

The Board has made these materials available to you over the Internet or delivered paper copies of these materials to you by mail in connection with the Company’s annual meeting of Stockholders, which will take place at 12:00 p.m. Pacific Time on Thursday, May 17, 2018. As a Stockholder, you are invited to attend the Annual Meeting and to vote on the items of business described in this proxy statement. This proxy statement includes information that the Company is required to provide to you under the rules of the SEC and that is designed to assist you in voting your shares.

Q:

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

A:

The Company is using the SEC rule that allows companies to furnish their proxy materials over the Internet. As a result, the Company is mailing to all Stockholders of record as of March 19, 2018 the Notice about the Internet availability of the proxy materials instead of a paper copy of the proxy materials. All Stockholders receiving the Notice will have the ability to access the proxy materials over the Internet and request to receive a paper copy of the proxy materials by mail. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. In addition, the Notice contains instructions on how you may request to access proxy

materials in printed form by mail or electronically on an ongoing basis.

TABLE OF CONTENTS

Q:

Why didn't I receive a notice in the mail about the Internet availability of the proxy materials?

A:

The Company is providing those Stockholders who have previously requested to receive paper copies of the proxy materials with paper copies of the proxy materials instead of the Notice about the Internet availability of the proxy materials.

In addition, the Company is providing the Notice of the Internet availability of the proxy materials by e-mail to those Stockholders who have previously elected delivery of the proxy materials electronically. Those Stockholders should have received an e-mail containing a link to the website where those materials are available and a link to the proxy voting website.

Q:

Who is entitled to attend and vote at the Annual Meeting?

A:

Only holders of record of the Company's common stock and class C special stock at the close of business on March 19, 2018 are entitled to notice of and to vote at the Annual Meeting. As of March 19, 2018, there were 11,727,772 shares of the Company's common stock issued and outstanding and entitled to vote and 10,864 shares of the Company's class C special stock issued and outstanding and entitled to vote. There is no cumulative voting with respect to the election of directors. Holders of the Company's common stock and class C special stock are entitled to one vote per share on each matter presented at the Annual Meeting. If you plan to vote in person, please send an e-mail to IR@anipharma.com stating your name and your intention to attend ANI's annual meeting, so that entrance to the building can be provided.

Q:

What is the difference between holding shares as a Stockholder of record and as a beneficial owner?

A:

If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust, you are considered, with respect to those shares, the "Stockholder of record." If your shares are held in a stock brokerage account or by a bank or other nominee holder of record, you are considered the "beneficial owner" of shares held in "street name." As the beneficial owner, you have the right to direct your broker, bank or other nominee holder of record on how to vote your shares held in your account.

Q:

If I am a holder of record of the Company's common stock or class C special stock, how do I vote?

A:

You may vote by proxy over the Internet by visiting the website established for that purpose at www.proxyvote.com or via a toll-free telephone number. Once you access that website, in order to vote your shares, you will be required to provide the login control number contained on your proxy card. After providing this information, you will be prompted to complete an electronic proxy card. Your votes will be indicated on your computer screen and you will be prompted to submit or revise your electronic proxy card as desired. If you received a paper copy of a proxy or voting instruction card by mail, you may also submit your proxy or voting instruction card by completing, signing, dating and returning your proxy or voting instruction card in the pre-addressed envelope provided. Alternatively, if you are a Stockholder of record, you may vote in person at the Annual Meeting. You will receive a ballot when you arrive. If you plan to vote in person, please send an e-mail to IR@anipharma.com stating your name and your intention to attend ANI's annual meeting, so that entrance to the building can be provided.

Q:

If I am a beneficial owner of shares held in street name, how do I vote?

A:

You should receive from your broker, bank or other nominee a voting instruction form that outlines the methods by which you can vote your shares. A number of brokers and banks have arranged for beneficial owners to vote their shares via the Internet or telephone and will provide voting instructions on the voting instruction form. If your broker or bank uses Broadridge Financial Solutions, you may vote your shares via the Internet at www.proxyvote.com or by phone by calling the telephone number shown on the voting instruction form received from your broker or bank.

2

TABLE OF CONTENTS

Q:

What can I do if I change my mind after I vote my shares?

A:

The Delaware General Corporation Law generally provides that, unless otherwise provided, a stockholder may revoke a proxy previously given at any time prior to its exercise at the Annual Meeting. A Stockholder of the Company who has voted shares by returning a proxy card or by delivering a proxy via the Internet or by phone may revoke it at any time before it is exercised at the Annual Meeting by:

•

Delivering to any of the persons named as proxies on the proxy card, or addressed to and received by the Company's Investor Relations Department, an instrument revoking the proxy;

•

Appearing at the Annual Meeting and voting in person and executing a later-dated proxy, which is exercised at the Annual Meeting; or

•

Casting a later vote via the Internet or telephone.

Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Q:

What are the voting requirements to approve each of the proposals that will be voted on at the Annual Meeting?

A. Proposal

Vote Required

Election of directors (Proposal 1).

A majority of the shares of the Company's common stock and class C special stock, voting together as a single class, present at the Annual Meeting in person or by proxy and entitled to vote on the proposal, assuming a quorum is present, is required to vote "For" the election of each director in order to elect each of the directors.

Ratification of the appointment of EisnerAmper LLP as the Company's independent registered public accounting firm for the year ending December 31, 2018 (Proposal 2).

A majority of the shares of the Company's common stock and class C special stock, voting together as a single class, present at the Annual Meeting in person or by proxy and entitled to vote on the proposal, assuming a quorum is present, is required to vote "For" Proposal 2 in order to ratify the appointment of EisnerAmper LLP. Ratification of EisnerAmper LLP's appointment is not required by the Company's bylaws or otherwise. If Stockholders fail to ratify the appointment, the Company's Audit and Finance Committee will reconsider whether or not to retain that firm.

Q:

What constitutes a quorum at the Annual Meeting?

A:

The presence at the Annual Meeting, either in person or by proxy, of the holders of one-third of the outstanding shares of the Company's common stock and class C special stock entitled to vote will constitute a quorum for the transaction of business. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum.

Q:

What is a broker non-vote?

A:

A “broker non-vote” occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because that nominee does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

If you do not give voting instructions to your broker, bank or other nominee within ten days of the Annual Meeting, your broker, bank or other nominee may vote on matters that the New York Stock Exchange determines to be “routine”, but will not be permitted to vote your shares with respect to

3

TABLE OF CONTENTS

“non-routine” items. Under NYSE rules (which banks and brokers may be subject to even though the Company’s common stock is listed on The NASDAQ Global Market), the ratification of the appointment of the Company’s independent auditors is the only routine matter to be addressed at the Annual Meeting. When a broker, bank or other nominee has not received instructions from the beneficial owners or persons entitled to vote and the nominee cannot vote on a particular matter because it is not routine, then there is a “broker non-vote” on that matter. Broker non-votes do not count as votes “FOR” or “AGAINST” any proposal, as applicable, but will be counted in determining whether there is a quorum for the Annual Meeting. Accordingly, if Stockholders do not direct their brokers or other nominees how to vote in Proposal 1, their brokers or other nominees may not exercise discretion and may not vote their shares on Proposal 1.

Q:

What is the effect of an “ABSTAIN” vote in Proposals 1 and 2?

A:

Proxies marked “ABSTAIN” will be counted in determining the total number of shares “entitled to vote” and “votes cast” on each of the proposals being submitted to a vote of Stockholders and will have the effect of a vote “AGAINST” a proposal. If no vote is specified on the proxy with respect to Proposal 1, and in the absence of directions to the contrary, the shares will be voted “FOR” the election of the nominees for director named in this proxy statement.

Q:

Could other matters be decided at the Annual Meeting?

A:

As of the date of this proxy statement, the Company does not know of any matters to be raised at the Annual Meeting other than those referred to in this proxy statement. If other matters are properly presented at the Annual Meeting for consideration, the proxies designated by the Company will have the discretion to vote on those matters for you.

Q:

Who will count the vote?

A:

An officer of the Company or a designee will tabulate the votes of the Company’s common stock and class C special stock and act as inspector of the election.

Q:

Who is paying for this proxy solicitation?

A:

The expense of soliciting proxy cards, including the costs of preparing, assembling and mailing the Notice Regarding Internet Availability of Proxy Materials and the Notice of Annual Meeting of Stockholders, proxy statement and proxy card, will be borne by the Company.

Q:

Whom should I call with questions?

A:

If you have additional questions, you should contact:

Audit and Finance Committee Report

The Audit and Finance Committee of the ANI Board oversees ANI's accounting and financial reporting processes and the audit of ANI's annual financial statements. ANI's management has the primary responsibility for the financial statements, the reporting process, and maintaining ANI's system of internal control over financial reporting.

EisnerAmper was engaged to perform an independent audit of ANI's financial statements and to express an opinion on the conformity of those financial statements to generally accepted accounting principles in the United States.

In this context, the Audit and Finance Committee of the ANI Board has reviewed and discussed ANI's audited financial statements prepared for inclusion in ANI's annual report on Form 10-K for the year ended December 31, 2017 with ANI's management. The Audit and Finance Committee of the ANI Board has also discussed with EisnerAmper the matters required to be discussed under applicable rules of the Public Company Accounting Oversight Board (the "PCAOB"). The Audit and Finance Committee has received from EisnerAmper the written disclosures and letter required by applicable rules of the PCAOB regarding EisnerAmper's communications with ANI's Audit and Finance Committee concerning independence and has discussed with EisnerAmper its independence from the Company and management. Relying on these reviews and discussions described above, the Audit and Finance Committee recommended to the ANI Board, and the ANI Board has approved, the inclusion of ANI's audited financial statements for the year ended December 31, 2017 in ANI's annual report on Form 10-K for the year ended December 31, 2017 for filing with the Securities and Exchange Commission.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Company's Board has adopted Corporate Governance Guidelines. The Guidelines, together with the Company's Amended and Restated Certificate of Incorporation, Bylaws and charters of the Board's committees, provide the framework for the governance of the Company. A copy of the Company's Corporate Governance Guidelines and charters of the Audit and Finance Committee, Nominating and Corporate Governance Committee, and Compensation Committee can be found on the "Investors — Corporate Governance" section of the Company's corporate website at www.anipharma.com. Among the topics addressed in the Company's Corporate Governance Guidelines are:

- Board size, composition and qualifications;

- Selection of directors;

- Resignation of directors;

- Board leadership;

- Board committees;

- Board and committee meetings;

- Conflicts of interest;

- CEO evaluation;

- Board evaluation;

- Director continuing education; and

- Succession planning.

Director Independence

The Board has determined that five of the six director nominees — Robert E. Brown, Jr., Thomas A. Penn, Patrick D. Walsh, David B. Nash, M.D. and Thomas J. Haughey, would be "independent directors" under the Listing Rules of The NASDAQ Stock Market. The Listing Rules of The NASDAQ Stock Market provide a non-exclusive list of persons who are not considered independent. For example, under these rules, a director who is, or during the past three years was, employed by the Company or by any parent or subsidiary of the Company, other than prior employment as an interim chief executive officer, would not be considered independent. No director qualifies as independent unless the Board of Directors of the Company affirmatively determines that the director does not have a material relationship with the listed company that would interfere with the exercise of independent judgment. In making an affirmative

determination that a director is an “independent director,” the Company’s Board reviews and discusses information provided by these individuals and by the Company with regard to each of their business and personal activities as they may relate to the Company and its management.

Board Leadership Structure

The Company’s Board believes that its Stockholders are best served if the Board retains the flexibility to adapt its leadership structure to applicable facts and circumstances, which necessarily change over time. Accordingly, under the Company’s Corporate Governance Guidelines, the office of Chair of the Board and Chief Executive Officer may or may not be held by the same person. Currently, the Chair of the Board is Robert E. Brown, Jr., and the Company’s Chief Executive Officer is Arthur S. Przybyl.

The Company currently does not have a lead independent director. The Board may in the future determine to appoint a member to act as lead independent director.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following Compensation Discussion and Analysis (“CD&A”) explains the Company’s compensation program philosophy, structure, and decision-making process for 2017 with respect to the Company’s named executive officers in the positions in which they served for the fiscal year ended December 31, 2017.

•
Arthur S. Przybyl — President and Chief Executive Officer

•
Stephen P. Carey — Vice President, Finance and Chief Financial Officer

•
James G. Marken — Senior Vice President, Operations and Product Development

•
Robert Schrepfer — Senior Vice President, New Business Development and Specialty Sales

Overview

The pharmaceutical industry is very competitive, and the Company faces competition from U.S. and foreign manufacturers, many of whom have greater financial resources than us. Therefore, the Company’s long-term success requires that it be resourceful, efficient, and flexible. The Company’s executive compensation program is designed with those characteristics in mind to successfully attract, retain, and motivate the best possible talent to foster its business success and to reward its executives for performance that drives value for its Stockholders.

In recent years, the Company’s operations have increased significantly, by both organic growth and through acquisitions. To achieve its long-term goals, the Company needs to be efficient with its resources and capital and maintain flexibility with respect to all aspects of its business, including executive compensation. For these reasons, the Company’s management and the Compensation Committee have not adopted standard policies, guidelines, or timelines for awarding base-salary increases, cash bonuses, and long-term equity-based compensation, or other aspects of executive compensation. Nor has the Compensation Committee established formal policies or complex formulas for allocating total executive compensation among the different components. Instead, the Compensation Committee believes it is important to have a compensation philosophy that preserves flexibility to exercise its discretion and not overly constrain the Company by rigid policies or formulas.

Compensation Philosophy and Objectives

The Compensation Committee generally reviews management’s compensation recommendations in comparison with compensation programs of designated peer companies, with further adjustments as it deems appropriate to take into account the individual and collective performance of management and progress toward or achievement of important company goals that it believes could increase stockholder value. The Compensation Committee also factors into its decisions such other considerations as changing business conditions, the Company’s cash resources, and overall market conditions. In exercising its discretion, the Compensation Committee also remains committed to the principle that executives should be rewarded for performance that increases stockholder value.

The Compensation Committee recognizes the importance of providing competitive total compensation packages to attract, retain, and motivate qualified executives, ensure that executives are rewarded for success, while also conserving resources. For example, although the Compensation Committee assesses peer companies to gain an understanding of relative levels of executive compensation in our industry, and aims to set executive compensation at-or-near the 50th percentile of peer companies, it does not follow any fixed, pre-determined benchmark but instead adjusts for the factors we described above, individual performance and qualities, and the totality of the circumstances and information available to the Compensation Committee.

TABLE OF CONTENTS

The compensation paid to our named executive officers in 2017 reflected the Company’s primary compensation objectives of:

- Providing a competitive total compensation package to enable us to attract, retain, and motivate qualified executives;
- Aligning compensation decisions with stockholder interests by tying executive compensation to attainment of goals and milestones that create stockholder value and enhance the long-term success of our business (i.e., pay for performance);
- Creating a direct link between stockholder and management interests by compensating executives with equity ownership; and
- Allowing the Compensation Committee to retain significant discretion to set and adjust named executive officer compensation based on facts and circumstances unique to the Company during any given year.

As discussed below, the Company’s executive compensation program for 2017 was intended to strike a balance among three primary components of base salary, cash bonuses, and long-term equity incentive compensation in order to best achieve its compensation objectives and drive the Company’s performance.

Compensation Component	Primary Purposes	Basic Design
Base Salary	To attract and retain talented executives and to reward their scope of responsibilities, experience and industry knowledge	Fixed cash compensation, may be adjusted annually by the Board at the recommendation of the Compensation Committee
Annual Bonus	To motivate and reward executives to achieve or exceed the Company’s goals	Target bonus is set as percentage of base salary, payable in cash
	To foster accountability for continued performance	No minimum guaranteed payout; bonuses are approved by the Board at the recommendation of the Compensation Committee
		The Board has discretion to award bonuses beyond the target to reward extraordinary performance upon recommendation by the Compensation Committee
Long-Term Equity Awards	To motivate executives to drive performance	Consists of restricted stock and options-based awards, vesting over four years in equal annual increments
	To foster accountability for continued performance	No minimum guaranteed payout, and long-term equity is awarded at the discretion of the Board upon recommendation by the Compensation Committee
	To align compensation with long-term stockholder growth

Process for Determining Executive Compensation

Peer Group Assessment

The Compensation Committee is responsible for, among other things, oversight of all aspects of executive compensation. In 2017, the Compensation Committee engaged Radford as its independent executive compensation consultant to inform and guide the Compensation Committee in its 2017 executive compensation analysis and determinations. Radford performed an analysis of a group of 16 peer companies. The 2017 peer group consisted of the following companies: Aceto, Acorda Therapeutics, AMAG Pharmaceuticals, Amphastar Pharmaceuticals, Depomed, Eagle Pharmaceuticals, Impax Laboratories, INSYS Therapeutics, Lannett Company, Momenta Pharmaceuticals, Spectrum Pharmaceuticals, Sucampo Pharmaceuticals, Supernus Pharmaceuticals, Teligent, Therapeutics MD and Vanda Pharmaceuticals.

In addition, Radford also compared the Company's executive compensation program with the 2017 Radford Global Life Sciences Survey (which provides data concerning cash and long-term compensation paid to executives in the life sciences industry). The Radford Global Life Sciences Survey reviews 33 public biopharmaceutical companies with net revenue between \$60 million to \$560 million, and market capitalization between \$230 million and \$2.1 billion. Radford blended equally the group of 16 peer companies with the Radford Global Life Sciences Survey, and assessed each component of the Company's executive compensation program — base salary, annual bonus, total short term incentives (base salary plus annual bonus), long-term equity awards, and total compensation. Radford presented its analysis and provided its commentary on the Company's executive compensation program to the Compensation Committee for the Compensation Committee's consideration.

Internal Evaluations

The Compensation Committee receives and considers in its discussions detailed data and other information prepared by management. Among other things, the Compensation Committee reviewed the Company's financial performance during 2017, the quantity and quality of the Company's product launches in the past year, the Company's stock price, the Company's overall business operations and market conditions. It also considers the recommendations of management in establishing compensation policies and in setting the amount of and the form of compensation paid to executives. Management also develops certain metrics for consideration by the Compensation Committee, including the rate at which we have issued options over recent years, the allocation of equity awards among all of our employee groups, the weighted-average exercise price of outstanding options for each executive, and other data reflective of the value of the elements of long-term executive compensation.

For each named executive officer other than the Chief Executive Officer, the Chief Executive Officer makes a recommendation to the Compensation Committee based on internal management reviews and discussions. The Compensation Committee conducts an independent review with respect to the Chief Executive Officer's compensation. The Compensation Committee then considers all factors that it deems relevant before making its recommendations on executive compensation to the Board, which is responsible for the final approval of executive compensation. Arthur Przybyl, the Company's President, Chief Executive Officer and member of the Board, is not present in any discussions relating to his compensation and abstains from voting on all matters relating to his compensation.

In making its recommendations to the Board, the Compensation Committee assessed base salary levels, bonus targets, equity ranges and structures, and other significant aspects of executive compensation of each of the identified peer companies. The Compensation Committee used this data to help inform and validate decisions related to the Company's executive compensation and agreements related to such executive compensation generally.

Executive Employment Agreements

Arthur S. Przybyl

Mr. Przybyl serves as the Company's President and Chief Executive Officer. The Company entered into an employment letter agreement with Mr. Przybyl in February 2009. The term of the agreement is open-ended; therefore, Mr. Przybyl is free to resign for any reason or for no reason and the Company is free to conclude the at-will employment relationship with Mr. Przybyl at any time, with or without cause, subject to certain severance provisions described below.

Under the agreement, Mr. Przybyl's original annual base salary was \$325,000, subject to a 10 percent increase on the first anniversary of the letter agreement if ANI achieved positive EBITDA during the first year of the letter agreement or other changes as the Compensation Committee and the Board determined in their discretion. In addition to his salary, Mr. Przybyl's agreement provides him with an automobile allowance of \$10,000 per year, payable in equal monthly installments. Mr. Przybyl is also eligible for an annual cash bonus, the target of which is up to 75 percent of his base salary, based on the achievement of certain individual and corporate objectives, as determined by the Board. The base salary and target bonus are subject to change from time to time by the Company.

Under the terms of the employment agreement, if Mr. Przybyl is terminated by the Company other than for cause, upon the receipt from him of a release in form and substance satisfactory to the Company, he is entitled to receive, in addition to unpaid salary and expenses and payment of accrued incentive compensation amounts, (i) an amount equal to his base salary for a period of 12 months, which amount may be paid, at the Company's election, either in a lump sum or by salary continuation, and a prorated portion of his targeted annual bonus to the extent that the corresponding objectives are achieved prior to the termination of employment and (ii) amounts or reimbursements for the premiums to continue health insurance coverage as in effect at the time of the termination of employment for a period of 12 months under the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

In addition, on November 2, 2017, we entered into a Change in Control Severance Agreement, with Mr. Przybyl. Under the severance agreement with Mr. Przybyl, if he, in connection with a change in control of the Company or within 24 months following a change in control of the Company, is involuntarily terminated without cause or voluntarily terminates his or her employment for good reason (a "qualifying termination"), then he would be entitled to receive: (i) any unpaid base salary and payment for unused vacation under the Company's vacation policy through the date of termination; (ii) a payment equal to his target annual cash incentive opportunity for the year in which the termination occurred, pro-rated for the portion of the year elapsed through the date of termination, to be paid on the date of termination; (iii) continuation of base salary for 36 months after the date of termination; and (iv) an annual payment equal to his target annual bonus opportunity in effect immediately prior to the change in control, to be paid on each of the next three anniversaries of the date of termination. In addition to the foregoing, any unvested equity awards will immediately vest and become exercisable upon a qualifying termination. If he elects to continue group health care coverage under COBRA, he will also be reimbursed for the portion of the premiums that the Company would have paid if the participant had continued to be an employee of the Company for a period of 36 months, or earlier in certain circumstances.

Potential Payments Upon Termination or Change of Control

The following table sets forth the severance amount and the stated period for continued employee benefits to which each of the named executive officers would be entitled upon termination without cause, for cause, with good reason, upon death, or upon disability or upon a termination upon change of control as of December 31, 2017, as set forth in the NEO's employment agreement or change in control severance agreement, as applicable. CEO Pay Ratio

We believe our executive compensation program must be internally consistent and equitable to motivate our employees to create stockholder value. The Compensation Committee monitors the relationship between the compensation of our executive officers and our non-executive employees; however, the Compensation Committee does not view this ratio as a meaningful tool in evaluating the appropriateness of the CEO's compensation, both on an internal and external basis.

Pursuant to SEC rules adopted according to the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are required to disclose the ratio of the annual total compensation of our principal executive officer to our median employee's annual total compensation. Our principal executive officer is Arthur S. Przybyl, the President and Chief Executive Officer.

As of December 31, 2017, the ratio of our CEO's Total Compensation to the median employee's Total Compensation is as follows:

Median Employee Total Compensation	\$ 51,818
CEO's Total Compensation	\$ 3,580,292
Ratio of CEO to Median Employee Compensation	69:1

In determining the median employee, we prepared a ranked list of our entire employee population other than the CEO, all of whom are located within the United States, as of December 23, 2017, based on our payroll records by using the Medicare taxable wages. This list includes 180 employees. As of December 23, 2017, we identified our median employee, and we calculated the median employee's total compensation in the same manner as the "Total Compensation" shown for our CEO in the Summary Compensation Table. The pay ratio disclosed is a reasonable estimate calculated in a manner consistent and in compliance with the SEC CEO Pay Ratio disclosure rules.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The Company's Board of Directors has delegated to the Audit and Finance Committee, pursuant to the terms of a written policy, the authority to review, approve and ratify related party transactions. If it is not feasible for the Audit and Finance Committee to take an action with respect to a proposed related party transaction, the Company's Board or another committee of the Company's Board, may approve or ratify it. No member of the Company's Board or any committee may participate in any review, consideration or approval of any related party transaction with respect to which such member or any of his or her immediate family members is the related party.

The Company's policy defines a "related party transaction" as a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) were, are or will be a participant and in which any related party had, has or will have a direct or indirect interest.

Prior to entering into or amending any related party transaction, the party involved must provide notice to the Company's finance department of the facts and circumstances of the proposed transaction, including:

-
- The related party's relationship to the Company and his or her interest in the transaction;
-
- The material facts of the proposed related party transaction, including the proposed aggregate value of such transaction or, in the case of indebtedness, the amount of principal that would be involved;
-
- The purpose and benefits of the proposed related party transaction with respect to the Company;
-
- If applicable, the availability of other sources of comparable products or services; and
-
- An assessment of whether the proposed related party transaction is on terms that are comparable to the terms available to an unrelated third party or to employees generally.

If the Company's finance department determines the proposed transaction is a related party transaction and the amount involved will or may be expected to exceed \$10,000 in any calendar year, the proposed transaction is submitted to the Audit and Finance Committee for its prior review and approval or ratification. In determining whether to approve or ratify a proposed related party transaction, the Audit and Finance Committee will consider, among other things, the following:

-
- The purpose of the transaction;
-
- The benefits of the transaction to the Company;
-
- The impact on a director's independence in the event the related party is a non-employee director, an immediate family member of a non-employee director or an entity in which a non-employee director is a partner, stockholder or executive officer;
-
- The availability of other sources for comparable products or services;
-
- The terms of the transaction; and

- The terms available to unrelated third parties or to employees generally.

Related party transactions that involve \$10,000 or less must be disclosed to the Audit and Finance Committee but are not required to be approved or ratified by the Audit and Finance Committee. The Company also produces quarterly reports to the Audit and Finance Committee of any amounts paid or payable to, or received or receivable from, any related party. These reports allow the Company to identify any related party transactions that were not previously approved or ratified. In that event, the transaction will be promptly submitted to the Audit and Finance Committee for consideration of all the relevant facts and circumstances, including those considered when a transaction is submitted for pre-approval. Under the Company's policy, certain related party transactions as defined under the policy, such as certain transactions not requiring disclosure under the rules of the SEC, will be deemed to be pre-approved by the Audit and Finance Committee and will not be subject to these procedures.

OTHER MATTERS

Householding

The SEC has adopted rules that permit companies and intermediaries, including brokers, banks and other nominee record holders, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more Stockholders sharing the same address by delivering a single Notice or set of proxy materials addressed to those Stockholders. This process, which is commonly referred to as “householding,” is designed to reduce duplicative mailings and save significant printing and processing costs as well as natural resources.

The Company will deliver promptly to any Stockholder upon written or oral request, a separate copy of the proxy statement and annual report to a Stockholder at a shared address to which a single copy of the documents was delivered. A Stockholder who wishes to receive a separate copy of the proxy statement and annual report, now or in the future, may obtain one, without charge, by addressing a written request to ANI Pharmaceuticals, Inc., Attn: Investor Relations, 210 Main Street West, Baudette, Minnesota 56623. Stockholders can also obtain copies of the proxy statement and annual report on the Company’s website or on the SEC’s website. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future should contact their broker, bank or other nominee to request that only a single copy of each document be mailed to all Stockholders at the shared address in the future.

Annual Report

The Company’s Annual Report on Form 10-K for the year ended December 31, 2017 is included with these proxy solicitation materials. A copy of the Company’s Annual Report, including the financial statements included therein, is also available without charge by visiting the Company’s website, www.anipharmaceuticals.com, or upon written request to ANI Pharmaceuticals, Inc., Attn: Investor Relations, 210 Main Street West, Baudette, Minnesota 56623.

Stockholder Proposals

Stockholder proposals intended to be presented in the Company’s proxy materials relating to its next annual meeting of Stockholders must have been received by the Company on or before December 7, 2018, unless the date of the annual meeting in 2019 is delayed by more than 30 calendar days from the first anniversary of the Annual Meeting, and must satisfy the requirements of the proxy rules promulgated by the SEC.

Any other Stockholder proposals to be presented at the Company’s next annual meeting of Stockholders must be given in writing to the Company’s Chief Financial Officer and received at the Company’s principal executive offices not later than February 6, 2019 nor earlier than January 7, 2019; provided, however, that in the event that the annual meeting is not held within thirty calendar days before or after May 17, 2019, to be timely, notice by the Stockholder must be received not later than the close of business on the tenth calendar day following the date on which the first public announcement of the date of the annual meeting was made.

For a proposal to be presented at the annual meeting, the proposal must contain specific information required by the Company’s bylaws, a copy of which may be obtained by accessing the SEC’s EDGAR filing database at www.sec.gov, the Company’s website at www.anipharmaceuticals.com, or by writing to the Company’s Chief Financial Officer. If a proposal is not timely and properly made in accordance with the procedures set forth in the Company’s bylaws, it will be defective and may not be brought before the meeting. If the proposal nonetheless is brought before the annual meeting and the Chair of the annual meeting does not exercise the power and duty to declare the proposal defective, the persons named in the proxy may use their discretionary voting with respect to the proposal.

TABLE OF CONTENTS

Director Nominations

In accordance with procedures set forth in the Company's bylaws, the Company's Stockholders may propose nominees for election to the Company's Board only after providing timely written notice to the Company's Chief Financial Officer. To be timely, a Stockholder's notice in the case of a regular annual meeting must have been delivered to or mailed and received at the Company's principal executive offices on or before February 6, 2019 but not earlier than January 7, 2019; provided, however, that in the event that the annual meeting is not held within thirty days before or after May 17, 2019, to be timely, notice by the Stockholder must be received not later than the close of business on the tenth day following the date on which the first public announcement of the date of the annual meeting was made. In the case of a special meeting of Stockholders called for the purpose of electing directors, to be timely a Stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not later than the close of business on the tenth day following the date on which the first public announcement of the date of the special meeting was made.

The notice must set forth, among other things:

- The nominee's name, age, business address and residence address;
- The nominee's principal occupation or employment;
- The class and number of shares of the Company's capital stock which are beneficially owned by the nominee; and
- Any other information concerning the nominee required under the rules of the SEC in a proxy statement soliciting proxies for the election of directors.

Submissions must be made by mail, courier or personal delivery. E-mailed submissions will not be considered. The nominating and corporate governance committee will consider only those Stockholder recommendations whose submissions comply with these procedural requirements. The nominating and corporate governance committee will evaluate candidates recommended by Stockholders in the same manner as those recommended by others.
