Aceto Corporation, a New York corporation (the “Registrant”), is filing this Notification of Late Filing on Form 12b-25 with respect to its Quarterly Report on Form 10-Q for the fiscal quarter ended December 31, 2018 (the “Quarterly Report”) because the Registrant requires additional time to finalize the Quarterly Report and the financial statements included therein. As previously announced, the Registrant is engaged in the process of exploring strategic alternatives. Management’s involvement in that process has been substantial and has expanded significantly during recent periods. The demands placed upon management in the strategic alternative process have limited management’s ability to complete the steps necessary to file the Quarterly Report.

**EXHIBIT A**

For the three months ended December 31, 2017, the Registrant recorded net sales of \$171.2 million, gross profit of \$34.0 million, operating income of \$3.8 million, loss before income taxes of \$499,000 and a net loss of \$13.9 million, or \$0.39 per diluted share. For the six months ended December 31, 2017, the Registrant recorded net sales of \$356.5 million, gross profit of \$74.0 million, operating income of \$11.0 million, income before income taxes of \$1.6 million and a net loss of \$13.4 million, or \$0.38 per diluted share.

During the third quarter of fiscal 2018 (which ended on March 31, 2018), the Registrant recognized pre-tax non-cash impairment charges of \$256.3 million, consisting of \$235.1 million of a goodwill impairment charge and a \$21.2 million write-down of other identifiable intangible assets for its Rising reporting unit. Many of the market and industry factors that led to the impairment charges have continued to impact the Registrant. The difficult conditions in the generic drug market have been compounded by the continuing impact of failures to supply and other negative market factors. The Registrant also spent heavily on financial and legal professionals retained by the Registrant to deal with ongoing negative factors in the market and pending legal proceedings. As a result of these and other factors, the Company expects to report, for the three and six months ended December 31, 2018, the following (in millions):

	Preliminary Amounts (in thousands)	
	Three Month Period	Six Month Period
Net sales	\$ 163,649	\$ 328,054

Loss before income taxes	(21,810 )	(40,905 )
Net loss	(22,350 )	(43,442 )
