PROXY STATEMENT

---

INTRODUCTION

This proxy statement and the accompanying proxy are being mailed by Win Global Markets, Inc., or the Company, we, us or our, to the holders of record of the Company's outstanding shares of Common Stock, \$0.001 par value per share, or Common Stock, commencing on or about December [\_\_\_], 2011. The accompanying proxy is being solicited by the Board of Directors of the Company, or the Board, for use at a special meeting of stockholders of the Company, or the Meeting, to be held on the [\_\_\_] day of January 2012 at [5:00] p.m. local time, at our offices, 55 Igal Alon Street, Tel-Aviv, Israel, 67891 and at any adjournment or postponement thereof. The cost of solicitation of proxies will be borne directly by the Company. Directors, officers and employees of the Company may assist in the solicitation of proxies by mail, telephone, telefax, in person or otherwise, without additional compensation. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting materials to the owners of stock held in their names and the Company will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of such proxy materials.

On or about December 27, 2011, this proxy statement, together with the related proxy card, is being mailed, at our expense, to our stockholders of record as of the Record Date (as defined below). We are mailing, at our expense, this proxy statement and the related proxy card to all of our stockholders of record as of the Record Date.

The Board has fixed December 9, 2011 as the record date for the Meeting. Only stockholders of record on December 9, 2011, or the Record Date, are entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. On December 9, 2011, there were issued and outstanding 62,241,531 shares of Common Stock. Each share of Common Stock is entitled to one vote per share. The Company's Bylaws provide that a quorum shall consist of the presence at the Meeting in person or by proxy of the holders of a majority of the votes entitled to be cast on a matter at the Meeting, which number of votes is that number equal to the majority of the issued and outstanding shares of Common Stock of the Company on the Record Date. A majority means more than 50% of the issued and outstanding shares of Common Stock of the Company on the Record Date. The affirmative vote of the holders of a majority of our outstanding Common Stock is required for the amendment of our amended Articles of Incorporation, or our Amended Articles, to increase the number of authorized shares of Common Stock from 75,000,000 shares to 150,000,000 shares. The approval of any other business which may properly be brought before the Meeting, or any adjournment or postponement thereof, will require a number of votes cast in favor of any such action that exceeds the number of votes cast against any such action.

All shares of Common Stock represented in person or by valid proxies received by the Company prior to the date of, or at, the Meeting will be counted for purposes of determining the presence of a quorum for taking action on the proposal set forth below and be voted as specified in the proxies or voting instructions. Votes that are left blank will be voted FOR the amendment of our Amended Articles; abstentions are not considered "votes cast" and thus have no effect on the amendment to our Amended Articles. With regard to other matters that may properly come before the Meeting, votes will be cast at the discretion of the proxies.

Abstentions may be specified on any proposal and will be counted as present for purposes of determining a quorum, but will not be counted as a vote "FOR" the amendment to our Amended Articles. Abstentions will have no effect on the vote for any other proposal to come before the Meeting. Submitted proxies which are left blank will also be counted as present for purposes of determining a quorum, but are not counted for purposes of determining whether a proposal has been approved in matters where the proxy does not confer the authority to vote on such proposal. Accordingly, abstentions and blank proxies will have the same effect as a vote against the amendment to our Amended Articles since such proposal must be approved by the holders of a majority of our outstanding Common Stock. Broker non-votes are shares held by a broker or nominee which are represented at the Meeting, but with respect to which the broker or nominee is not empowered to vote on a particular proposal. Brokers have discretion to vote on the amendment to our Amended Articles to increase the number of authorized shares of Common Stock. Therefore, broker non-votes will have no effect on the outcome of the vote to amend our Amended Articles as there will be no broker non-votes at the Meeting with respect to such proposal.

---

Any stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by our Chief Executive Officer, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

**IMPORTANT:** If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares.

Our website address is included in this proxy statement as a textual reference only and the information in our website is not incorporated by reference into this proxy statement.

### PROPOSAL NO. 1 – AMENDMENT TO THE COMPANY’S AMENDED ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

#### Proposed Amendment

The Company’s Amended Articles currently authorize the Company to issue 75,000,000 shares of Common Stock, par value \$0.001 per share.

The Board has unanimously approved, and unanimously recommends that the stockholders of the Company approve, a proposal to amend Article 3 of our Amended Articles to increase the number of authorized shares of Common Stock from 75,000,000 shares to 150,000,000 shares. The full text of Article 3 of our Amended Articles as proposed to be amended by this proposal is as follows:

“Number of shares with par value: 150,000,000 Par value per share: \$0.001 Number of shares without par value: 0 .”

#### Reasons for the Proposed Amendment

The Board believes that the proposed increase in the number of authorized shares of Common Stock is in the best interests of the Company and that it will provide the Company with available shares which may be used for various corporate purposes, including equity financings, acquisitions, stock dividends, stock splits, equity awards, including the possible exercise of existing options and warrants as discussed below under “Effect on our Shareholders of the Proposed Amendment”, and convertible debt, in each case, except with respect to the possible exercise of existing options and warrants, as the Board determines in its discretion. The Board further believes that the increase in the number of authorized shares of Common Stock will enable the Company to promptly take advantage of market conditions and the availability of favorable opportunities without the delay and expense associated with holding a further special or annual meeting of shareholders. Although the Company believes that we will need to raise additional funds by way of equity sales in the near future, except for the possible exercise of existing warrants and options as discussed below under “Effect on our Shareholders of the Proposed Amendment”, the Company currently has no specific plans, arrangements or understandings, either written or oral, to issue any of the additional authorized shares.

#### Effect on our Shareholders of the Proposed Amendment

The increase in the authorized number of shares of Common Stock would allow for the possibility of substantial dilution of our current stockholders. No dilution will occur as a direct result of the increase in the number of our authorized shares, except in the event that part of, or all of, the Restricted Securities (as defined below under “Interests of Our Management in the Proposal”) are exercised or converted. As previously reported in our Current Reports on

Form 8-K dated December 4, 2011 and December 22, 2011, on December 4, 2011, in order to raise additional funds for working capital purposes, we entered into a securities purchase agreement with HV Markets Limited, or the Investor, pursuant to which we agreed to sell 12,500,000 shares of our Common Stock at a price of \$0.10 per share, for an aggregate purchase price of \$1,250,000, with \$995,000 of such proceeds having been received by us as of December 22, 2011, and the remainder to be received on or about January 23, 2012. In connection therewith, we also agreed to issue to the Investor a five-year warrant to purchase up to an additional 6,250,000 shares of our Common Stock with an exercise price of \$0.10 per share, or the Warrant, such Warrant being exercisable six months from issuance. No separate consideration will be paid for the Warrant. Once the 12,500,000 shares are issued, most of our existing holders of warrants and options will not be able to exercise such securities since we will not have sufficient authorized capital if the shares are issued to the Investor but the amendment has not been approved. If, however, the amendment to our Amended Articles is approved, such warrant and option holders will be able to exercise their securities and any exercises would cause further dilution. The degree of any dilution that would occur following the issuance of any additional shares of Common Stock would depend upon the number of shares of stock that are actually issued in the future, whether through stock or warrant exercises, equity issuances or otherwise, which cannot be determined at this time. Issuance of a large number of additional shares could significantly dilute our existing stockholders.

#### Effect on the possibility of Change in Control with respect to the Company

The existence of a substantial number of authorized and unissued shares of Common Stock could impede an attempt to acquire control of the Company because our Board would have the ability to issue additional shares of Common Stock in response to any such attempt. We are not aware at this time of any attempt to acquire control of the Company, and no decision has been made as to whether any or all newly authorized but unissued shares of stock would be issued in response to any attempt of that kind.

#### Interests of our Management in the Proposal

In order to enable the Company to have a sufficient number of authorized but not issued or reserved shares of Common Stock required to consummate the sale of Common Stock we plan to complete in the next several weeks, certain of our executive officers and directors have agreed, per the Company's request and for no consideration, not to exercise, convert, sell or transfer securities they own that are convertible into the Company's shares of Common Stock, or the Restricted Securities, until notified by the Company that its authorized share capital has been increased. Upon approval of the proposed resolution to increase the Company's share capital, the restriction such executive officers and directors voluntarily undertook will be eliminated. Other than such restrictions, none of our directors or executive officers has any financial or other personal interest in the amendment to our Amended Articles pursuant to this proposal.

#### Required Vote

The affirmative vote of the holders of a majority of our outstanding Common Stock is required for the amendment of our Amended Articles.

The Board recommends a vote FOR the proposal to amend the Company's Amended Articles.

#### SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information, to the best of our knowledge (a) as of December 9, 2011, and (b) as expected following the closing of the sale of 12,500,000 shares of our Common Stock described above, with respect to holdings of our Common Stock by (1) each person known by us to be the beneficial owner of more than 5% of the total number of shares of our Common Stock outstanding as of such date; (2) each of our directors; (3) each of our executive officers; and (4) all of our directors and our current executive officers as a group. Beneficial ownership consists of a direct interest in the shares of Common Stock, except as otherwise indicated.

2011. In accordance with the disclosures set forth in such Schedule 13D, RICX Investments Ltd. reports sole voting and dispositive power over all such shares of Common Stock.

(5) Includes options to acquire 1,000,000 shares of Common Stock at an exercise price of \$0.06 per share and warrants to acquire 3,781,512 shares of Common Stock at an exercise price of \$0.0595 per share. Also includes options to acquire, as the sole shareholder of Citron Investments Ltd., 1,863,000 shares of Common Stock at an exercise price of \$1.15 per share.

(6) Includes warrants to acquire 625,000 shares of Common Stock at an exercise price of \$0.08 per share. (7) Includes warrants to acquire 2,482,759 shares of Common Stock at an exercise price of \$1.125 per share. With respect to Orinda Capital, Mr. Ori Sasson controls investment and voting power.

(8) Includes options to acquire 400,000 shares of Common Stock at an exercise price of \$0.06 per share.

(9) Includes options to acquire 200,000, 192,261, 600,000 and 555,554 shares of Common Stock at exercise prices of \$0.725, \$1.00, \$0.06 and \$0.11 per share, respectively.
