Dear Shareholder:

On behalf of the Board of Directors of PIMCO Commercial Mortgage Securities Trust, Inc. (the Fund), we are pleased to invite you to the annual meeting of shareholders of the Fund to be held at 800 Newport Center Drive, Newport Beach, California 92660 on April 14, 2004 at 11:00 a.m., Pacific time.

As discussed in more detail in the enclosed proxy statement, at the meeting you will be asked to consider a proposal to elect two current Directors, E. Philip Cannon and William J. Popejoy, to serve on the Board until their new term expires in 2007. The Board unanimously recommends that you vote FOR the proposal to elect Mr. Cannon and Mr. Popejoy to continue their service on the Board.

As required by the Fund's prospectus dated August 27, 1993, the Board of Directors will also ask you to consider a proposal to provide for the liquidation of the Fund and the payment of net proceeds of that liquidation to shareholders. The Directors unanimously recommend that you vote AGAINST this liquidation proposal. In 1993, the year that the Fund began its investment operations, in light of the uncertainty as to how the Fund would perform, and the tendency of closed-end funds frequently to trade at a discount to their net asset value (NAV), the Board thought it necessary to undertake to submit a liquidation proposal in 2004 (and if not approved, again in the years 2007 and 2010) in order to assure potential investors in the Fund's initial public offering that they could eventually liquidate their shares at NAV if the Fund was not successful in meeting its investment objective.

The Fund has, however, been quite successful in terms of meeting its investment objective. Although past performance neither guarantees nor predicts future performance, the Fund has outperformed its benchmark index over time, and unlike many closed-end funds, has traded at a premium to its NAV for most of the past three years. As of March 4, 2004, the Fund traded at a 17.2% premium to its NAV. There can be no guarantee, however, that the Fund will continue to trade at a premium to its NAV. If the liquidation proposal is approved, and the Fund is trading at a premium to its NAV on the date of the liquidation, shareholders would receive less than the market value of their shares. Moreover, liquidation would eliminate the vehicle chosen by current shareholders for long-term investment in the commercial mortgage-backed securities market. It could also subject shareholders to applicable federal, state and local taxes just as if they had voluntarily sold their shares. For these reasons, the Directors unanimously recommend that you vote AGAINST the liquidation proposal.

Under the terms of the Fund's Articles of Incorporation, approval of the proposal to liquidate requires the affirmative vote of two-thirds of the Fund's shares outstanding and entitled to vote on the matter. If the proposal is not approved this year, then similar proposals will be submitted to shareholders in the years 2007 and 2010, and, if not then approved, thereafter at the discretion of the Board.

Annual Meeting of Shareholders

To be held April 14, 2004

INTRODUCTION

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors (the **Board** or **Directors**) of PIMCO Commercial Mortgage Securities Trust, Inc. (the **Fund**), a Maryland corporation, for use at the annual meeting of shareholders of the Fund to be held at 800 Newport Center Drive, 6th Floor, Newport Beach, California 92660, on April 14, 2004 at 11:00 a.m., Pacific time, or as adjourned and reconvened from time to time (the **Meeting**), for the purposes set forth in the accompanying notice. It is anticipated that the first mailing of proxies and proxy statements to shareholders will be on or about March 19, 2004.

Shareholder Reports. Shareholders can find important information about the Fund in the annual report dated December 31, 2003 and the semi-annual report dated June 30, 2003, each of which previously has been furnished to shareholders. Shareholders may request another copy of these reports by writing to the Fund at the above address, or by calling the toll-free telephone number above.

The Board is soliciting proxies from shareholders of the Fund with respect to the following:

- I. A proposal to liquidate the Fund;**
- II. A proposal to elect Directors to the Board of Directors of the Fund; and**
- III. Such other business as may properly come before the Meeting.**

PROPOSAL I: LIQUIDATION OF THE FUND

As stated in the Fund's prospectus dated August 27, 1993, the Board of Directors must submit to shareholders at the annual meeting of shareholders in the year 2004 a proposal to provide for the orderly liquidation of the Fund and the payment of the net proceeds of liquidation to shareholders. Under the terms of the Fund's Articles of Incorporation, approval of such a proposal requires the affirmative vote of two-thirds (66 2/3%) of the Fund's shares outstanding and entitled to vote on the matter. If such proposal is not approved by shareholders in the year 2004, similar proposals will be submitted to shareholders in the years 2007 and 2010, and, if not then approved, thereafter at the discretion of the Board of Directors.

The Directors unanimously recommend that shareholders vote **AGAINST** this proposal. The Fund has outperformed its benchmark index over time, and unlike many closed-end funds, the Fund has traded at a premium to its net asset value (NAV) for most of the past three years. In a liquidation of the Fund, shareholders would receive as net proceeds from such liquidation an amount equal to the NAV of their shares. Therefore, if at the time of liquidation the Fund was still trading at a premium to its NAV, shareholders would receive less than the market value of their shares. As of March 4, 2004, the Fund's NAV per share was \$12.66, and its market value was \$14.84 per share, representing a 17.2% premium to NAV. There can be no guarantee, however, that the Fund will continue to trade at a premium to its NAV.

This proposal appears on the ballot because when the Fund commenced operations in 1993, the Board undertook to submit a proposal to shareholders to liquidate the Fund at this year's annual meeting, and again in 2007 and 2010. At the time, in light of the uncertainty as to how the Fund would perform, and the tendency of closed-end funds frequently to trade at a discount to NAV, this policy was deemed necessary to assure potential investors in the Fund's initial public offering that they could eventually liquidate their shares at NAV if the Fund was not successful in meeting its investment objective of achieving high current income.

The Fund has, however, been quite successful in terms of meeting its investment objective. The following chart shows performance of the Fund for periods ended December 31, 2003:

	<u>1 year</u>	<u>3 years*</u>	<u>5 years*</u>	<u>10 years*</u>
Net Asset Value (NAV) Performance of Fund	7.03	9.55	8.27	8.69
Market Value Performance of Fund (NYSE)	9.76	15.01	11.13	10.49
Lehman Aggregate Bond Index	4.10	7.57	6.62	6.95

* *Annualized*

Past performance is no guarantee of future results. The performance above represents the total return performance of the PIMCO Commercial Mortgage Securities Trust, Inc., as compared to the Lehman Aggregate Bond Index, an unmanaged market index considered to be representative of the bond market.

The Fund has traded at a premium to its NAV for most of the past three years, but has also traded at a discount to its NAV for significant periods of its operation. The chart below shows the Fund's NAV and market share price from its inception on September 2, 1993 to February 29, 2004.

Fund NAV vs. Share Price

September 2, 1993-February 29, 2004

The Fund's NAV is calculated as of the close of business on Thursday of every week, and on the last business day of each month. For the most recently determined NAV, market share price, and current premium or discount, you may call PIMCO at 866-746-2606. This information is also published in major financial newspapers, such as the Wall Street Journal, which generally reports such information every Monday.

Liquidation is an extraordinary action that would eliminate the vehicle chosen by current shareholders for long-term investment in the commercial mortgage-backed securities market. It could result in shareholders receiving less than the market value of their shares, if the Fund continues to trade at a premium to its NAV. It could also subject shareholders to applicable Federal, state and local income taxes on the difference between the proceeds of liquidation and their tax bases in shares of the Fund just as if they had voluntarily sold their shares. Finally, liquidation would cause the Fund to lose the potential benefits of capital loss carryforwards that otherwise could help the Fund reduce any future capital gains distributions that would be taxable to shareholders. In light of these factors, and the Fund's long-term performance, the Board recommends that shareholders vote **AGAINST** this proposal.

To assist shareholders in their consideration of this matter, attached as Appendix B is a form of a Plan of Liquidation for the Fund which sets forth the process by which liquidation would be effected. In the event that shareholders vote for this proposal, the Board could make such non-material amendments to the Plan as it deems necessary in its sole discretion. Although the Board strongly recommends that shareholders vote **AGAINST** this proposal, for the reasons stated above, the Board believes that providing this Plan is necessary to enable shareholders to make an informed decision.

Under the Plan, the Fund would cease its operations as an investment company. The Fund would conduct no business other than winding up its affairs, and would liquidate all of its assets and convert them to cash or cash equivalents. After paying or making provision to pay of the Fund's liabilities, the Fund would distribute pro rata all of the remaining assets of the Fund to each shareholder of record, and cancel all outstanding shares of the Fund.

THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST LIQUIDATING THE FUND UNDER PROPOSAL I.

PROPOSAL II: ELECTION OF DIRECTORS

The Fund's Articles of Incorporation provide that the Fund's Board of Directors shall be divided into three classes, as nearly equal in number as possible, which shall be designated as Class I, Class II and Class III. The current terms of the Class I Directors expire this year. The current terms of the Class II and Class III Directors will expire in 2005 and 2006, respectively, when their respective successors are elected and qualify. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying for up to two years the replacement of a majority of the Board of Directors. E. Philip Cannon and William J. Popejoy, the current Class I Directors, have been nominated for re-election by the Board to serve another term, which would expire in 2007 (Messrs. Cannon and Popejoy, collectively are the Nominees). The Nominees have indicated their willingness to serve as Directors. The Board knows of no reason why the Nominees would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominee as the Board may recommend.

The persons named as proxies on the enclosed proxy card will vote your shares for the election of the Nominees unless you withhold authority to vote for the Nominees in your proxy. If elected by shareholders, the Nominees will continue to serve as Directors of the Fund until their term expires in 2007, unless sooner succeeded as provided in the Fund's Articles of Incorporation. It is proposed, and the Board recommends, that shareholders elect the Nominees.

The following table sets forth certain information concerning each of the Directors of the Fund, including the Nominees. However, only the Nominees are standing for election.

Board of Directors Committees

Audit Committee

The Fund has a standing Audit Committee that consists of all of the independent Directors (Messrs. Cannon, Curtis, Hagan and Popejoy). The Audit Committee reviews both the audit and non-audit work of the Fund's independent public accountant, submits a recommendation to the Board as to the selection of the independent public accountant, and reviews generally the maintenance of the Fund's records and the safekeeping arrangements of the Fund's custodian. During the fiscal year ended December 31, 2003, the Audit Committee met four times. Each member of the Audit Committee attended 100% of such meetings during the period in which he was a member of the Audit Committee.

The Fund adopted an amended Audit Committee Charter on February 23, 2004, a copy of which is attached to this Proxy Statement as Appendix A. The Audit Committee has received written disclosures and the letter required by Independence Standards Board Standard No. 1 from its independent public accountant, and has discussed with its independent public accountant its independence. The Audit Committee has also reviewed and discussed the audited financial statements with Fund management and its independent public accountant, and discussed certain matters with its independent public accountant addressed by Statements on Auditing Standards No. 61. Based on the foregoing, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2003.

Valuation Committee

The Fund has a standing Valuation Committee whose function is to monitor the valuation of portfolio securities and other investments and, as required by the Fund's valuation policies, when the Board is not in session it shall determine the fair value of portfolio holdings after consideration of all relevant factors, which determinations shall be reported to the full Board. The Valuation Committee consists of two directors of the Fund, Mr. Harris and Mr. Burns, and three officers of the Fund: John P. Hardaway (Treasurer), Erik C. Brown (Assistant Treasurer) and Stacie D. Anctil (Assistant Treasurer). Each member of the Valuation Committee is an interested person of the Fund as that term is defined in the 1940 Act. During the fiscal year ended December 31, 2003, there were no meetings of the Valuation Committee.

Nominating Committee; Consideration of Potential Director Nominees

The Fund has a Nominating Committee, which makes recommendations to the Board regarding nominations for membership on the Board of Directors. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as independent directors, their independence from the Fund's investment adviser and other principal service providers. The Committee is comprised solely of the Fund's Independent Directors (Messrs. Cannon, Curtis, Hagan and Popejoy). During the fiscal year ended December 31, 2003, there were no meetings of the Committee.

The Committee will consider potential director nominees recommended by Fund shareholders provided that the proposed nominees: (i) satisfy the director qualification requirements provided in the Fund's Bylaws; (ii) are not interested persons of the Fund or the Fund's investment adviser within the meaning of the 1940 Act; and (iii) are independent as defined in the New York Stock Exchange listing

standards. Before fiscal year 2004, the Committee did not have a formal process for the submission of potential candidates by shareholders except as part of a shareholder proposal in accordance with the Securities Exchange Act of 1934, as amended (the "1934 Act").

In determining procedures for the submission of potential candidates by shareholders and any eligibility requirements for such nominees and the shareholders submitting the nominations, the Committee has looked for guidance to recent promulgations by the Securities and Exchange Commission ("SEC") regarding director nominations. Accordingly, the Committee has determined that potential director candidates recommended by Fund shareholders must satisfy the nominee requirements proposed by the SEC in its proposed Rule 14a-11(c) under the 1934 Act, and shareholders making the recommendations must satisfy the requirements proposed by the SEC in its proposed Rule 14a-11(b) under the 1934 Act.

For potential director nominees recommended by shareholders, these requirements are as follows (terms should be interpreted in accordance with the 1934 Act unless otherwise specified):

(a) The nominee may not be the nominating shareholder, a member of the nominating shareholder group, or a member of the immediate family of the nominating shareholder or any member of the nominating shareholder group;

(b) Neither the nominee nor any member of the nominee's immediate family may be currently employed or employed within the last year by any nominating shareholder entity or entity in a nominating shareholder group;

(c) Neither the nominee nor any immediate family member of the nominee is permitted to have accepted directly or indirectly, during the year of the election for which the nominee's name was submitted, during the immediately preceding calendar year, or during the year when the nominee's name was submitted, any consulting, advisory, or other compensatory fee from the nominating shareholder or any member of a nominating shareholder group;

(d) The nominee may not be an executive officer or director (or person performing similar functions) of the nominating shareholder or any member of the nominating shareholder group, or of an affiliate of the nominating shareholder or any such member of the nominating shareholder group; and

(e) The nominee may not control (as "control" is defined in the 1940 Act) the nominating shareholder or any member of the nominating shareholder group (or in the case of a shareholder or member that is a fund, an interested person of such shareholder or member as defined by Section 2(a)(19) of the 1940 Act).

The nominating shareholder or shareholder group must meet the following requirements:

(a) Any shareholder or shareholder group submitting a proposed nominee must beneficially own, either individually or in the aggregate, more than 5% of the Fund's securities that are eligible to vote at the time of submission of the nominee and at the time of the annual meeting where the nominee may be elected. Each of the securities used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the nomination. In addition, such securities must continue to be held through the date of the meeting. The nominating shareholder or shareholder group must also bear the economic risk of the investment and the securities used for purposes of calculating the ownership cannot be held "short"; and

(b) The nominating shareholder or shareholder group must also submit a certification which provides the number of shares which the person or group has (i) sole power to vote or direct the vote; (ii) shared power to vote or direct the vote; (iii) sole power to dispose or direct the disposition of such shares; and (iv) shared power to dispose or direct the disposition of such shares. In addition, the certification shall provide that the shares have been held continuously for at least 2 years.

A shareholder or shareholder group may not submit for consideration a proposed nominee who has previously been considered by the Committee. A nominating shareholder or shareholder group may not submit more proposed nominees than the number of Board positions open each year. All shareholder recommended nominee submissions must be received by the Fund by the deadline for submission of any shareholder proposals which would be included in the Fund's proxy statement for its 2005 Annual Meeting.

Shareholders recommending potential director nominees must substantiate compliance with these requirements at the time of submitting their proposed director nominee to the attention of the Fund's Secretary. Notice to the Fund's Secretary should be provided in accordance with the deadline specified above and include, (i) the shareholder's contact information; (ii) the director nominee's contact information and the number of Fund shares owned by the proposed nominee; (iii) all information regarding the proposed nominee that would be required to be disclosed in solicitations of proxies for elections of directors required by Regulation 14A of the 1934 Act; and (iv) a notarized letter executed by the proposed nominee, stating his or her intention to serve as a nominee and be named in the Fund's proxy statement, if nominated by the Board of Directors, to be named as a director if so elected.

The Board of Directors has adopted a Charter for the Nominating Committee, a copy of which is attached as Appendix C. The Nominating Committee identifies prospective director nominees from any reasonable source and has the ability to engage third-party services for the identification and evaluation of potential nominees. The Charter of the Committee provides that each prospective director candidate have a college degree or equivalent business experience. In addition, it is the Board's policy that Directors on the Board may not serve in a similar capacity on the board of a registered investment company which is not sponsored or advised by the Fund's investment adviser or its affiliates. Although there are no minimum qualifications other than as described above, the Committee may take into account a wide variety of factors in considering prospective director nominees, including (but not limited to) the overall diversity of the Board's composition and the prospective nominee's: (i) availability and commitment to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; and (v) ability, judgment and expertise.

The Committee may recommend that the Board modify any nominee qualifications from time to time. The Committee meets periodically to identify and evaluate nominees for director and makes its recommendations to the Board at the time of the Board's February meeting. Other than compliance with the requirements mentioned above for submission of a director candidate, the Nominating Committee does not otherwise evaluate potential director nominees recommended by shareholders in a different manner. The standard of the Nominating Committee is to treat all equally qualified potential nominees in the same manner.

No nominee recommendations have been received by shareholders.

Communications with the Board of Directors

The Fund provides a means for shareholders to send communications to the Board of Directors. Pre-approval Policies and Procedures

The pre-approval policies and procedures of the Fund require that the Audit Committee pre-approve all audit services and non-audit services provided by PwC or any other independent public accountant engaged by the Fund (the Auditor). The Audit Committee must pre-approve any engagement of the Auditor to provide non-audit services to (i) the Fund's investment adviser, and (ii) any entity controlling, controlled by, or under common control with the Fund's investment adviser that provides ongoing services to the Fund (entities in (i) and (ii), hereinafter Service Affiliates) if the services provided to such Service Affiliates relate directly to the operations and financial reporting of the Fund (Covered Non-Audit Services). The policies and procedures permit the Audit Committee to pre-approve the provision of types or categories of non-audit services to the Fund and Covered Non-Audit Services to the Service Affiliates. The Audit Committee may also pre-approve the provision of non-audit services to the Fund or its Service Affiliates on a project-by-project basis.

The policies and procedures include an exception to the pre-approval requirement for non-audit services, to be invoked only rarely and only if certain conditions are met, including that (i) the aggregate fees and costs of all non-audit services that, but for this limited exception, would require pre-approval by the Audit Committee constitutes no more than five percent of the total fees and costs paid by the Fund and Services Affiliates to the Auditor during the fiscal year during which such non-audit services are provided; (ii) at the time of engagement for such services, the Fund did not recognize that the services were non-audit services that required pre-approval; and (iii) each such service is promptly brought to the attention of and approved by the Audit Committee prior to the completion of the service. The exception to the pre-approval requirement was not invoked with respect to any of the non-audit services described on the preceding page.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act require the Fund's Officers and Directors, investment manager, affiliates of the investment manager, and persons who beneficially own more than ten percent of a registered class of the Fund's securities (Reporting Persons), to file reports of ownership of the Fund's securities and changes in ownership with the SEC and the New York Stock Exchange (NYSE). Reporting Persons are also required by such regulations to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it and written representation of certain Reporting Persons, the Fund believes that during fiscal year 2003, its Reporting Persons complied with all applicable filing requirements.

OTHER BUSINESS

The Directors do not know of any matters to be presented at the Meeting other than those set forth in this proxy statement. If other business should properly come before the Meeting, proxies will be voted in accordance with the judgment of the persons named in the accompanying proxy.

ADDITIONAL INFORMATION

Legal Proceedings

On February 17, 2004, the Attorney General of the State of New Jersey filed a complaint against Allianz Dresdner Asset Management of America L.P. (ADAM), PIMCO Advisors Distributors LLC (PAD), PEA Capital LLC (formerly known as PIMCO Equity Advisors LLC) (PEA) and Pacific Investment Management Company LLC (PIMCO), which serves as investment adviser to the Fund and to PIMCO Funds: Pacific Investment Management Series (PIMS). The complaint alleges, among other things, that inappropriate trading by shareholders engaged in market timing activities took place in certain of the funds of PIMS (PIMS Funds) and the funds of the PIMCO Funds: Multi-Manager Series (MMS Funds). The Fund is not a party in the lawsuit instituted by the New Jersey Attorney General. In addition, PIMCO, the Fund, certain of the PIMS Funds, and certain of their affiliates have been named as defendants in a putative class action lawsuit filed in U.S. District Court, District of New Jersey, on February 20, 2004, and a separate putative class action lawsuit filed in U.S. District Court, Southern District of New York, on March 8, 2004, each relating to alleged facts similar to those iterated in the New Jersey Attorney General's complaint. Both lawsuits seek unspecified compensatory damages. A separate putative class action lawsuit was filed on February 27, 2004, in U.S. District Court, District of Connecticut, naming as defendants ADAM, certain of the PIMS Funds, and certain of their affiliates. This lawsuit also relates to alleged facts similar to those iterated in the New Jersey Attorney General's complaint and seeks, among other relief, unspecified compensatory damages.

In November 2003, the SEC settled an enforcement action against a broker-dealer not affiliated with PIMCO or the Fund, relating to the undisclosed receipt of fees from certain mutual fund companies in return for preferred marketing of their funds and announced that it would be investigating mutual funds and their distributors generally with respect to compensation arrangements relating to the sale of mutual fund shares. Pursuant to that announcement, PIMCO, PAD and certain other affiliates are under investigation by the SEC relating to directed brokerage and revenue-sharing arrangements. PIMCO, PAD, PIMCO Advisors Fund Management LLC, which serves as the investment adviser to the MMS Funds, and certain of their affiliates also have been named as defendants in a putative class action lawsuit that challenges the brokerage and distribution arrangements, including revenue-sharing arrangements, of certain of the PIMS Funds and the MMS Funds. The complaint, filed in U.S. District Court, District of Connecticut, on February 17, 2004, on behalf of certain shareholders of the PIMS Funds and MMS Funds, generally alleges that the respective investment adviser to the Funds inappropriately used Fund assets to pay brokers to promote the Funds by directing Fund brokerage transactions to such brokers, and did not fully disclose such arrangements to shareholders. The lawsuit seeks unspecified compensatory damages. In addition, the Attorney General of the State of California has publicly announced an investigation into the matters referenced above.

With the exception of the putative class actions filed in U.S. District Court in New Jersey and U.S. District Court in the Southern District of New York, which are described above and which name the Fund as a defendant, none of the foregoing investigations or lawsuits directly involves the Fund. PIMCO, PAD and the Fund believe that other similar lawsuits may be filed in federal or state courts naming PIMCO, PAD, the Fund and/or their affiliates. These suits may be commenced as putative class actions or individual actions on behalf of investors who purchased, held or redeemed shares of the Fund during specified periods, or as derivative actions on behalf of the Fund.

It is possible that these matters and/or other developments resulting from these matters could lead to a decrease in the market value of the Fund's shares or other adverse consequences to the Fund. However, PIMCO believes that these matters will not have a material adverse effect on the Fund or PIMCO's ability to perform its investment advisory services to the Fund.

Expenses

The expense of preparing, printing and mailing the enclosed form of proxy and accompanying Notice and Proxy Statement will be borne by the Fund. The Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Fund. In order to obtain the necessary quorum at the Meeting, supplementary solicitation may be made by mail, telephone, the Internet or personal interview by officers or agents of the Fund.

Quorum and Votes Required

Shareholders of record at the close of business on March 5, 2004 (the Record Date) are entitled to notice of, and to vote at, the Meeting. Each shareholder is entitled to one vote for each full share and an appropriate fraction of a vote for each fractional share held.

As of the Record Date, 11,178,352 shares of the Fund, representing the same number of votes, were outstanding. As of March 5, 2004, no persons owned of record or beneficially 5% or more of the shares of the Fund.

Timely and properly executed proxies will be voted as instructed by shareholders. A shareholder may revoke his or her proxy at any time prior to its exercise by written notice addressed to the Secretary of the Fund at 840 Newport Center Drive, Newport Beach, California 92660, or by voting in person at the Meeting. However, attendance in person at the Meeting, by itself, will not revoke a previously tendered proxy.

The presence in person or by proxy of the holders of a majority of the outstanding shares is required to constitute a quorum at the Meeting. Shares held by shareholders present in person or represented by proxy at the Meeting will be counted both for the purpose of determining the presence of a quorum and for calculating the votes cast on the issues before the Meeting. Abstentions will also be counted for quorum purposes.

Proxies that reflect abstentions or broker non-votes (that is, shares held by brokers or nominees as to which (a) instructions have not been received from the beneficial owner or other persons entitled to vote, and (b) the brokers or nominees do not have discretionary voting power on a particular matter) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions or broker non-votes with respect to either Proposal I or Proposal II will have the effect of a vote **AGAINST** that proposal. Pursuant to the rules and policies of the NYSE, members of the NYSE who exercise investment discretion pursuant to an advisory contract for the beneficial owner may vote on Proposal II, but not on Proposal I, without instructions from the beneficial owners of the Fund's shares.

In the event that a quorum is present at the Meeting but sufficient votes to approve any proposal are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies or to obtain the vote required for approval of one or more proposals. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote FOR the proposal in favor of such an adjournment and will vote those proxies required to be voted AGAINST the proposal against any such adjournment. A shareholder vote may be taken prior to any adjournment of the Meeting on any proposal for which there is sufficient votes for approval, even though the Meeting is adjourned as to other proposals.

Voting

To vote, shareholders may sign and mail the proxy card received with the proxy statement or attend the Meeting in person.

Required Vote

Liquidation of the Fund (Proposal I) will require the affirmative vote of two-thirds (66²/3%) of the Fund's shares outstanding.

Election of the Nominees (Proposal II) will require the affirmative vote of the holders of a majority of the Fund's shares present (or represented by proxy) and voting at the Meeting.

Shareholders' Proposals

If the Fund is not liquidated, it will continue to hold annual meetings of shareholders. A shareholder's proposal that is intended to be presented at the Fund's Annual Meeting of Shareholders in 2005 must have been received by the Fund no later than November 21, 2004 in order to be included in the Fund's proxy statement and form of proxy relating to that meeting. A shareholder who wishes to make a proposal at the Fund's Annual Meeting of Shareholders in 2005 without including the proposal in the Fund's proxy statement must notify the Fund in writing, at the Fund's offices, of such proposal no earlier than January 16, 2005 and no later than February 15, 2005. If a shareholder fails to give timely notice, then the persons named as proxies in the proxies solicited by the Board for the Fund's Annual Meeting of Shareholders in 2005 may exercise discretionary voting power, to the extent permitted by NYSE rules, with respect to any such proposal.

To ensure the presence of a quorum at the Meeting, prompt execution and return of the enclosed proxy is requested. A self-addressed, postage-paid envelope is enclosed for your convenience.

By Order of the Board of Directors,

Garlin G. Flynn

Secretary

Newport Beach, California

Dated: March 19, 2004

The auditor shall report directly to the Audit Committee.

3. To carry out its purposes, the Audit Committee shall have the following duties and responsibilities:
- (a) in its capacity as a committee of the Board, to be directly responsible for the appointment, compensation, retention or termination, and oversight of the work of auditors (including resolution of disagreements between management and the auditor regarding financial reporting) and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any consulting services to PIMCO, and to receive the auditors' specific representations as to their independence;

 - (e) to ensure that the outside auditor submits periodically to the Audit Committee an auditors' report describing the auditor's quality control procedures, any internal or peer quality control review, any inquiry or investigation of the auditor by governmental or professional authorities and any steps taken to deal with issues raised by such inquiries or investigations as well as delineating all relationships between the auditor and the Fund; to actively engage in a dialogue with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditor; and to recommend that the Board take appropriate action in response to the auditor's report to satisfy itself of the outside auditor's independence;
 - (f) to review the fees charged by the auditors for audit and non-audit services;
 - (g) to investigate improprieties or suspected improprieties in Fund operations; and
 - (h) to report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Audit Committee may deem necessary or appropriate.
4. The Audit Committee shall meet regularly, and shall call special meetings when necessary.
 5. The Audit Committee shall oversee the development, establishment and review of complaint procedures regarding accounting, internal auditing controls or auditing matters. These complaint procedures shall provide for the anonymous and confidential submission and receipt of complaints from fund employees as well as employees of any fund service providers.
 6. The Audit Committee shall meet separately with management (including the Treasurer of the Fund), with the auditors and with other service providers when necessary, (including internal auditors, if any, from PIMCO) on a periodic basis and shall discuss the Fund's periodic financial statements (including any Management Discussion of Fund Performance) with management and the auditor.
 7. The Audit Committee shall set clear policies with regard to the Fund's ability to hire employees or former employees of the auditor and may review the practices of PIMCO with respect to the hiring of employees of former employees of the auditor.
 8. As applicable, the Audit Committee shall discuss generally and periodically any financial information or guidance released to the public, press, analysts or rating agencies. The Audit Committee shall not be required to discuss or approve any specific financial information, guidance or release.
 9. The Audit Committee shall discuss periodically any policies of the Fund with respect to risk assessment or management.

10. The Audit Committee shall meet with the independent auditors prior to the audit engagement to discuss the planning and staffing of the audit, which may include rotation of the audit partners on the engagement to conform with applicable rules or regulations.
11. The Audit Committee shall have the authority to engage independent counsel and any other adviser as it deems necessary to fulfill any of its duties.
12. The Audit Committee shall review any notifications that a Fund's CEO may be required to submit to the New York Stock Exchange (NYSE) under Section 303A.12(b) of the NYSE listing standards.
13. The Audit Committee shall have the authority to direct PIMCO to pay, consistent with the Fund's unified fee structure, as applicable, any fees to the independent auditor engaged for the purpose of rendering or issuing an audit report or related work or performing other audit, review or attest services to the Fund, or engaged to provide any permissible non-audit services to the Fund, to any independent counsel or other adviser engaged by the Audit Committee. The Audit Committee shall receive appropriate funding to pay for any ordinary administrative expenses that are necessary or appropriate in carrying out its duties.
14. Each member of the Audit Committee may pre-approve audit and/or any permissible non-audit services and such approval shall be reported to the Audit Committee at its next scheduled meeting. Permissible non-audit services also may be pre-approved in accordance with policies and procedures adopted by the Board. Each member of the Audit Committee may approve services which are determined by such member to be within the *de minimis* exception provided by rule or regulation.
15. The Audit Committee shall evaluate its performance annually.
16. The Audit Committee shall review this Charter and recommend any changes to the full Board annually.

⁴ Section 10A of the Securities Exchange Act of 1934 states that a service may be determined to be *de minimis* if: (i) the aggregate amount of all such non-audit services provided to the issuer constitutes not more than 5 percent of the total amount of revenues paid by the issuer to its auditor during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by the issuer at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the audit committee of the issuer and approved prior to the completion of the audit by the audit committee or by 1 or more members of the audit committee who are members of the board of directors to whom authority to grant such approvals have been delegated by the audit committee. For purposes of investment companies (e.g., the Fund), final rules under this section clarify that the 5 percent amount is determined by aggregating the total amount of revenues paid to the Fund's independent auditor by the Fund, its adviser and any entity controlling, controlled by or under common with the investment adviser that provides ongoing services to the Fund during the fiscal year in which the services are provided.

APPENDIX C

PIMCO COMMERCIAL MORTGAGE SECURITIES TRUST, INC.

NOMINATING COMMITTEE CHARTER

Committee Membership

The Nominating (the Committee) shall be composed entirely of independent directors. The President and Chairman of the Board of the Fund, although not members of the Committee, will cooperate with the Committee by recommending candidates and recruiting them for the Board of Directors (the Board) and for executive officers of the Fund, and otherwise assisting the Committee to discharge its responsibilities.

Mission

To promote the effective participation of qualified individuals on the Board, Committees of the Board, and as executive officers of the Fund.

Nominating Function Board

1. The Committee shall make nominations for directors and officers of the Fund and submit such nominations to the full Board. The Committee shall evaluate candidates' qualifications for such positions, and, in the case of candidates for independent director positions, their independence from the Fund's investment adviser and other principal service providers. Persons selected as independent directors must not be interested persons of the Fund as that term is defined in the Investment Company Act of 1940, as amended (1940 Act). The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, e.g. business, financial or family relationships with the investment adviser. In determining nominees' qualifications for Board membership, the Committee shall consider factors which may be delineated in this charter, or the Fund's bylaws, and may consider such other factors as it may determine to be relevant to fulfilling the role of being a member of the Board.
2. The Committee may consider potential director candidates recommended by shareholders, provided that the proposed candidates: (i) satisfy any minimum qualifications of the Fund for its directors; (ii) are not interested persons of the Fund or the Fund's investment adviser within the meaning of the 1940 Act; and (iii) are independent as defined in the New York Stock Exchange listing standards. In order for the Committee to evaluate any nominee recommended by a shareholder or shareholder group, potential director candidates and nominating shareholders or shareholder groups must satisfy the requirements¹ provided in Exhibit A to this Charter. Other than the requirements provided in Exhibit A, the Committee shall not otherwise evaluate shareholder director nominees in a different manner than other nominees and the standard of the Committee is to treat all equally qualified nominees in the same manner.

¹ These requirements are based on proposed Securities Exchange Act Rule 14a-11(b) and (c) and may be amended depending on the text of that Rule as finally adopted.

3. The Committee may identify prospective directors from any reasonable source, including, but not limited to, the consultation of third-party director search services.
4. The Committee requires that each prospective director candidate have a college degree or equivalent business experience. In addition, it is the Board's policy that Directors on the Board may not serve in a similar capacity on the board of a registered investment company which is not sponsored or advised by the Fund's investment adviser or its affiliates. The Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition.
5. The Committee shall evaluate the participation and contribution of each director coming to the end of his or her term before deciding whether to recommend re-election. The Committee may seek the views of other directors to assist them in this evaluation.
6. The Committee shall periodically review the composition of the Board to determine whether it may be appropriate to add individuals with different backgrounds or skills from those already on the Board.
7. The Committee shall periodically review director compensation and shall recommend any appropriate changes to the Board as a group.
8. The Committee shall periodically review issues related to the succession of officers of the Fund, including the Chairman of the Board.

Nominating Function Committees

1. The Committee shall make nominations for membership on all committees of the Fund and submit such nominations to the full Board, and shall review committee assignments as necessary.
2. The Committee shall review as necessary the responsibilities of any committees of the Board, whether there is a continuing need for each committee, whether there is a need for additional committees, and whether committees should be combined or reorganized. The Committee shall consult with, and receive recommendations in connection with the foregoing from the Board and Fund management, and shall make recommendations for any such action to the full Board.

Other Powers and Responsibilities

1. The Committee shall meet periodically prior to meetings of the full Board, to carry out its nominating function, and at such other time or times as the Committee or Board may determine appropriate or necessary, and is empowered to hold special meetings as circumstances require.
2. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including authority to utilize Fund counsel and to retain experts or other persons with specific competence at the expense of the Fund.
3. The Committee shall review this Charter periodically and recommend any changes to the full Board.

B. Nominating Shareholder or Shareholder Group Requirements

The nominating shareholder or shareholder group must meet the following requirements:

1. Any shareholder or shareholder group submitting a proposed nominee must beneficially own, either individually or in the aggregate, more than 5% of the Fund's securities that are eligible to vote at the time of submission of the nominee and at the time of the annual meeting where the nominee may be elected. Each of the securities used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the nomination. In addition, such securities must continue to be held through the date of the meeting. The nominating shareholder or shareholder group must also bear the economic risk of the investment and the securities used for purposes of calculating the ownership cannot be held short.

² Unless otherwise specified herein, please refer to the Securities Exchange Act of 1934 and regulations thereunder for interpretations of terms used in this Appendix A.

2. The nominating shareholder or shareholder group must also submit a certification which provides the number of shares which the person or group has (i) sole power to vote or direct the vote; (ii) shared power to vote or direct the vote; (iii) sole power to dispose or direct the disposition of such shares; and (iii) shared power to dispose or direct the disposition of such shares. In addition, the certification shall provide that the shares have been held continuously for at least 2 years.

C. Deadlines and Limitations

A nominating shareholder or shareholder group may not submit more nominees than the number of Board positions open each year. All shareholder recommended nominee submissions must be received by the Fund by the deadline for submission of any shareholder proposals which would be included in the Fund's proxy statement for the next annual meeting of the Fund.

D. Making a Submission

Shareholders recommending potential director candidates must substantiate compliance with these requirements at the time of submitting their proposed director candidate to the attention of the Fund's Secretary.
