General

We have sent you this booklet and proxy on or about April 16, 2004 because the Board of Directors of Westinghouse Air Brake Technologies Corporation, doing business as Wabtec, is soliciting your proxy to vote at the company's 2004 annual meeting of stockholders.

Who May Vote

Stockholders of Wabtec as reflected in our stock records at the close of business on March 22, 2004 may vote. You have one vote for each share of Wabtec common stock you own.

How to Vote

You may vote in person at the meeting or by proxy. Most shareholders of record have a choice of voting by proxy over the Internet, by telephone, or by using a traditional proxy card. Please check your proxy card or the information forwarded by your bank, stockbroker or other holder of record to see which options are available to you. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

Electronic Access to Proxy Materials and Annual Report

This notice of Annual Meeting and Proxy Statement and the 2003 Annual Report are available on our Internet site at <http://www.wabtec.com>. If you are a shareholder of record and would like to view future proxy statements and annual reports over the Internet instead of receiving copies in the mail, follow the instructions provided when you vote over the Internet or by telephone, or check the appropriate box on the proxy card if mailing your proxy. If you hold your shares through a bank, stockbroker or other holder, check the information provided by that entity for instructions on how to view future proxy statements and annual reports and vote your shares over the Internet. Choosing to receive your proxy materials online saves us the cost of producing and mailing these materials to your home or office and gives you an automatic link to the proxy voting site.

How a Proxy Works

Giving us a proxy means you authorize us to vote your shares in accordance with your directions. If you do not make any selections, your shares will be voted in favor of our director candidates and ratification of the independent public accountants.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are generally covered by one card. If you hold shares through someone else, such as a stockbroker, you may get material from them asking how you want to vote.

Changing Your Vote

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying Wabtec's Secretary in writing.

Common Stock Outstanding

As of the close of business on March 22, 2004, 44,687,830 shares of Wabtec common stock were issued and outstanding.

Quorum and Voting Information

To conduct the business of the meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either in person or by proxy. You are considered a part of the quorum if you submit a properly signed proxy card, vote over the Internet or vote by telephone.

If a quorum is present at the meeting, the three director candidates receiving the most votes will be elected to fill the three open seats on the Board. Ratification of the appointment of the independent public accountants requires the favorable vote of a majority of the shares present in person or by proxy. Approval of any other matter that properly comes before the annual meeting requires the favorable vote of a majority of shares present in person or by proxy, unless the matter requires more than a majority vote under statute or our by-laws.

Because the total shares voted for, against, or abstain are counted to determine the minimum votes required for approval, if you abstain from voting, it has the same legal effect as a vote against. If a broker limits the number of shares voted on the proposal on its proxy card or indicates that the shares represented by the proxy card are not being voted on the proposal, it is considered a broker non-vote. Broker non-votes are not counted as a vote or used to determine the favorable votes required to approve the proposal.

Directors Compensation

Wabtec's non-employee director compensation plan pays each director who is not an employee of the company a cash retainer of \$10,000 per year for his services as a director. In addition, each such director is entitled to receive \$1,000 for each meeting of the Board attended in person, and \$1,000 per Board committee meeting. Non-employee directors receive \$500 for participating in a Board or a committee meeting by telephone. All directors are reimbursed for their out-of-pocket expenses incurred in connection with attendance at meetings and other activities relating to the Board or its committees.

In addition, the non-employee directors also participate in the 1995 Non-Employee Directors' Fee and Stock Option Plan to encourage the highest level of performance for members of the Board of Directors by providing such directors with a proprietary interest in our financial

success. Under the Plan, each non-employee director is entitled to receive 1,000 shares of common stock annually. In addition, all non-employee directors as of January 25, 2000 received a one time initial grant of 5,000 stock options (priced at \$12.75 with a vesting period of three years), received 5,000 stock options on December 5, 2000 (priced at \$9.535 with a vesting period of three years) and will receive 2,000 stock options each January 2nd during their term of service on the Board. Such grants will be priced at the average of the high and low stock price on the day granted, with a vesting period of three years. These grants commenced on January 2002. Newly elected directors are eligible to receive 5,000 stock options upon their initial election to the Board.

The Board and Committees

The Board met seven times during 2003. All directors attended at least 75% of all meetings of the Board and the Committees on which they served in 2003. The Board committees that help the Board fulfill its duties include the Nominating and Corporate Governance Committee, the Audit

Table of Contents

Committee and the Compensation Committee. The Board also holds regularly scheduled meetings of non-employee directors. Mr. Davis has been chosen to preside at these meetings. Stockholders may communicate directly with the non-employee directors at the email address nonmanagementdirectors@wabtec.com.

The Board has adopted categorical standards to assist it in determining whether its members meet the independence requirements of the New York Stock Exchange. These standards provide that the following relationships are deemed to be immaterial and would not in and of themselves impair a director's independence:

a director or an immediate family member is an executive officer or employee of a company that makes payments to, or receives payments from, Wabtec or any of its subsidiaries for property or services in an amount which in any single fiscal year does not exceed the greater of \$1 million or 2% of such other company's consolidated gross revenue;

a director beneficially owns less than 10% of Wabtec's issued and outstanding common stock;

a director serves as an executive officer of a charitable organization and Wabtec's charitable contributions to the charitable organization in any fiscal year are not more than the greater of \$1 million or 2% of the charitable organization's consolidated gross revenues.

The Board has reviewed the independence of its members considering these standards and any other commercial, legal, accounting and familial relationships between the directors and Wabtec and has determined that none of the following directors, Mr. Davis, Mr. Fernandez, Mr. Foster, Mr. Miscoll, Mr. Napier and Mr. Howell, has a material relationship with Wabtec and each such director meets the independence requirements of the New York Stock Exchange.

The Board provides a process for stockholders to send communications to the Board or any of the directors of Wabtec. Stockholder communications to the board or any director should be sent c/o the Secretary of Wabtec, 1001 Air Brake Avenue, Wilmerding, PA 15148. All such communications will be compiled by the Secretary of Wabtec and submitted to the Board or the individual director at the next regularly scheduled meeting of the Board.

It is the company's policy that all directors attend the annual meeting of stockholders if reasonably possible. All directors attended the 2003 annual meeting of stockholders.

The Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee acts under a written charter which was adopted by the Board of Directors on February 18, 2004. A current copy of the charter is available on Wabtec's website at www.wabtec.com. The principal functions of the Nominating and Corporate Governance Committee are to:

identify the skills and characteristics to be found in candidates to be considered to serve on Wabtec's Board of Directors and to use such to select nominees,

recommend nominees for each Board committee, and

oversee the corporate governance of Wabtec, and to recommend corporate governance guidelines.

The Committee met one time in 2003. The members of the Nominating and Corporate Governance Committee are Mr. Davis, Mr. Fernandez and Mr. Howell, who are each independent, as independence for such members is defined in the listing standards of the New York Stock Exchange.

The Committee will consider director nominees recommended by stockholders. Stockholders wishing to recommend a director candidate for consideration by the Committee can do so by writing the Secretary of Wabtec at 1001 Air Brake Avenue, Wilmerding, PA 15148; giving the candidate's name, biographical data and qualifications. Any such recommendation should be accompanied by a written statement from the individual of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director. No candidates for Board membership have been put forward by stockholders for election at the 2004 annual meeting.

In evaluating candidates for the Board, the Nominating and Corporate Governance Committee

Table of Contents

considers the entirety of each candidate's credentials and does not require minimum qualifications of a Board nominee. The Committee is guided by the objective set forth in its charter of ensuring that the Board consists of individuals from diverse educational and professional experiences and backgrounds who collectively provide meaningful counsel to management. The Committee considers the candidate's character, integrity, experience, understanding of strategy and policy-setting and reputation for working well with others. If candidates are recommended by the Company's stockholders, such candidates will be evaluated using the same criteria. With respect to nomination of continuing directors for re-election, the individual's contributions to the Board are also considered.

The Committee has the authority under its Charter to hire and pay a fee to a consultant or search firm to assist in the process of identifying and evaluating candidates. The Committee did not use a consultant or search firm in the last fiscal year.

The Audit Committee

The Audit Committee acts under a written charter which was amended and restated by the Board of Directors on February 18, 2004. A copy of the charter is attached to this proxy statement as Appendix A. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility to stockholders, potential stockholders, the investment community and others relating to the integrity of Wabtec's financial statements, the financial reporting process, the systems of internal accounting and financial controls, the performance of Wabtec's internal audit function and independent auditors, the independent auditor's qualifications and independence; and Wabtec's compliance with ethics policies and legal and regulatory requirements. The Committee is directly responsible for appointing, compensating, retaining and overseeing the work of the registered public accounting firm engaged by Wabtec. The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by Wabtec regarding accounting, internal controls or auditing matters and the confidential anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Audit Committee met seven times in 2003. The Audit Committee members are Mr. Fernandez, Mr. Foster, Mr. Howell and Mr. Miscoll, who are each independent, as independence is defined in the listing standards of the New York Stock Exchange. The Board has determined that Mr. Miscoll qualifies as an audit committee financial expert as such is defined by the regulations of the Securities and Exchange Commission.

Audit Committee Report

The Audit Committee is responsible for reviewing the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In the performance of our oversight function, we meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We meet privately with the independent public accountants, who have unrestricted access to the audit committee. Specifically, we have reviewed and discussed with management and the independent public accountants the Company's consolidated financial statements as of and for the fiscal year ended December 31, 2003. We have also discussed with the independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect.

Furthermore, we have received and reviewed the written disclosures and the letter from the independent public accountants required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and have discussed with the independent public accountants their independence.

(2) Based on the Black-Scholes option pricing model adopted for use in valuing executive stock options. The actual value, if any, an executive may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised. There is no assurance that the value realized by an executive will be at or near the value estimated by the Black-Scholes model. The estimated values under that model were calculated based on the following assumptions:

Compensation Committee Report

*Even if Wabtec's previous filings under the Securities Laws incorporate future filings, including proxy statements, the following report and the Stock Performance Graph on page 11 are **NOT** incorporated by reference into any of those previous filings.*

All of the members of the Compensation Committee are non-employee directors. The committee's principal responsibility is to review, recommend and approve changes to our compensation policies and programs. The committee is also responsible for reviewing and approving all compensation actions for the Chief Executive Officer and other Executive Officers.

Our compensation plan has three basic components:

base salaries and bonuses,

benefit plans, and

long term incentives.

Base Salaries and Bonuses. The committee recommends base salaries and bonuses of executive officers to the Board, which then establishes these items. Base salaries are determined at the beginning of the year and bonuses are awarded after our fiscal year results are available.

Executive officers' base salaries depend mainly on their office and responsibilities and are reviewed annually. Mr. Davies serves as Chief Executive Officer of Wabtec. The Committee reviews and approves Mr. Davies' salary each year. As Chief Executive Officer, Mr. Davies' annual base salary is \$645,000. Mr. Davies also receives a bonus based on the same factors as the other executive officers as discussed below.

During 2003, Wabtec had in effect an executive bonus plan, which was approved by the Board. Bonuses are based upon the success of three factors: a financial performance factor which measures earnings before interest and taxes; working capital management; and a personal performance factor which measures whether the executive has attained certain goals agreed to by the executive, his supervisor, and the Board. There are guidelines as to the payment of bonuses, although the Committee may exercise its discretion with respect to those guidelines. We believe this philosophy encourages Wabtec and our executives to establish ambitious goals and that it promotes teamwork, productivity and profitability.

Wabtec's employees may purchase shares of Wabtec common stock under the 1998 Employee Stock Purchase Plan. The plan allows eligible employees to purchase shares of Wabtec common stock for 85% of fair market value through payroll deductions. We believe that this plan promotes Wabtec's continued success by encouraging our employees to have increased awareness of, and commitment to, our corporate goals. Messrs. Kassling, Davies and Golden participated in this plan during 2003. They purchased shares of common stock with a total fair market value, when purchased, of \$21,018, \$25,000 and \$14,069 respectively.

Edgar Filing: WESTINGHOUSE AIR BRAKE TECHNOLOGIES CORP - Form DEF 14A

Long-Term Incentives. The Committee may grant long-term incentives to employees by granting stock options and making restricted share awards under the 2000 Stock Incentive Plan. The Committee views stock options and restricted share awards as incentives to enable Wabtec to hire and retain executives and to provide executives with incentives related to the Company's stock price so they have interests similar to your interests as Wabtec common stockholders. Our decision to grant stock options or award restricted shares is based upon an individual's job level, among other factors.

Other. Executive officers also may participate in Wabtec's 401(k) Plan. Wabtec provides certain other personal benefits to certain employees, including executive officers, that are not significant in total.

Respectfully submitted,

Proposal 2 Ratify Independent Accountants

On February 18, 2004, the Audit Committee appointed Ernst & Young LLP to audit our financial statements for 2004. Ernst & Young LLP served as our auditors for the year ended December 31, 2003. Although you are not required to ratify this appointment, we ask that you do. If you do not, we will reconsider our choice. A representative of Ernst & Young LLP will be at the meeting to answer appropriate questions and make a statement if they desire.

On May 30, 2002, we dismissed Arthur Andersen, LLP as Wabtec's independent public accountants, and, after a review of several possible candidates, appointed Ernst & Young LLP to serve as Wabtec's independent public accountants for fiscal year 2002, in accordance with the recommendation of Wabtec's Board of Directors and its Audit Committee. The company dismissed Arthur Andersen, LLP as its auditor because it believed that the firm could no longer provide the necessary services on a global basis.

Arthur Andersen's reports on Wabtec's financial statements for each of the fiscal years, ended December 31, 2000, and December 31, 2001, did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years, ended December 31, 2000, and December 31, 2001, and through the date of their dismissal, there were no disagreements with Arthur Andersen, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction would have caused them to make reference to the subject matter of the disagreement in connection with the audit reports of Wabtec's consolidated financial statements for such years. There were no reportable events as described under Item 304(a) (i) (v) of Regulation S-K.

During each of the fiscal years, ended December 31, 2000 and December 31, 2001, and through the date hereof, Wabtec did not consult Ernst & Young LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or any other matters or reportable events as set forth in Items 304 (a) (2) (i) and (ii) of Regulation S-K.

We have provided both Arthur Andersen, LLP and Ernst & Young LLP with a copy of this disclosure.

This proposal is adopted if a majority of the shares present in person or by proxy vote for the proposal. Because the total shares voted for, against, or abstain are counted to determine the minimum votes required for approval, if you abstain from voting, it has the same legal effect as if you vote against. If a broker limits the number of shares voted on the proposal on its proxy card or indicates that the shares represented by the proxy card are not being voted on the proposal, it is considered a broker non-vote. Broker non-votes are not counted as a vote or used to determine the favorable votes required to approve the proposal.

The Board recommends you vote FOR this proposal.

(1) The increase over 2002 Audit Fees relates primarily to (i) comfort letters and other work performed in conjunction with registration statements (Forms S-3 and S-4) filed with the Securities and Exchange Commission in 2003 in connection with a senior note offering and a secondary stock offering and (ii) certain fee and scope increases stemming from requirements under the Sarbanes-Oxley Act.

(3) Services related to audits of employee benefit plans and due diligence assistance.

The Audit Committee considered and determined that the provision of non-audit services by Ernst & Young LLP was compatible with maintaining the firm's independence.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor to assure that the provision of such services does not impair the auditor's independence.

The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. With respect to other permitted services, the Committee pre-approves certain services and categories of services on a fiscal year basis subject to thresholds. All other permitted services must be pre-approved by the Audit Committee.

The Chief Financial Officer determines whether services to be provided require pre-approval or are included within the list of pre-approved services.

All services provided by Ernst & Young LLP in fiscal year 2003 were pre-approved by the Audit Committee.
