VOTING INFORMATION

Proxy Solicitation. We are furnishing you with this Proxy Statement in connection with the solicitation of your proxy for our Annual Meeting of Stockholders to be held on May 17, 2005 and at any adjournment thereof. This solicitation is being made by mail. We may also use our officers and other employees to solicit proxies from stockholders, personally or by telephone, facsimile, letter or electronic mail. We will pay all costs associated with our solicitation of proxies. If we request nominees and brokers to solicit their principals and customers for their proxies, we will reimburse the nominees and brokers for their reasonable out-of-pocket expenses.

Annual Meeting of Stockholders. Our Annual Meeting of Stockholders will be held on May 17, 2005 at 9:00 a.m. Eastern Daylight Time at InterContinental The Barclay located at 111 E. 48th Street, New York, New York. This Proxy Statement is first being mailed to our stockholders entitled to notice of, and to vote at, the annual meeting on or about April 14, 2005.

Record Date. Each share of our common stock that you own as of March 31, 2005, the record date of the annual meeting, entitles you to one vote. On March 31, 2005 there were 19,404,505 shares of our common stock outstanding.

Quorum. A quorum of stockholders is necessary for us to hold a valid meeting. If at least a majority of our common stock is present in person or by proxy, a quorum will exist. The inspector of election appointed for the annual meeting will determine whether a quorum is present. Abstentions and broker non-votes are counted as present to establish a quorum. A broker non-vote occurs when a broker does not vote on some matters on the Proxy Card because the broker does not have authority to do so.

Voting. You may vote on the proposals presented at the annual meeting in one of two ways:

By Proxy: You can vote your shares by signing, dating and returning the enclosed Proxy Card. If you do this, the individuals named on the card will vote your shares in the manner you indicate and in their discretion on any other matters that may properly come before the meeting. You may specify on your Proxy Card how you would like your shares voted. If you do not indicate instructions on the card, your shares will be voted *for* the election of each individual nominated for director; or

In Person: You may come to the annual meeting and cast your vote.

If you grant us a proxy, you may revoke your proxy at any time before it is exercised by (1) sending notice to our Secretary at our principal executive offices in writing; (2) providing to us a later-dated proxy; or (3) attending the annual meeting in person and voting your shares. Merely attending the annual meeting, without further action, will not revoke your proxy.

Required Vote. A plurality of the votes cast at the annual meeting is required for the election of directors (Proposal I). This means that the four director nominees receiving the highest number of votes cast **FOR** will be elected. Only votes **FOR** will affect the outcome. Abstentions and broker non-votes are not counted for purposes of the election of directors.

Edgar Filing: HEIDRICK & STRUGGLES INTERNATIONAL INC - Form DEF 14A

If your broker holds your shares in its name, the broker is permitted to vote your shares for the election of each individual nominee for director even if the broker does not receive voting instructions from you. If your broker does receive voting instructions from you, it must vote in accordance with these instructions.

The inspector of election appointed for the annual meeting will tabulate votes.

PROPOSAL I

ELECTION OF DIRECTORS

Our Board of Directors currently has nine members, two of whom are our employees and seven of whom are non-employees.

Our Board of Directors is divided into three classes for purposes of election. Our Certificate of Incorporation calls for each class to consist, as nearly as possible, of one-third of the total number of directors that make up the Board of Directors. Typically, one class is elected at each annual meeting of stockholders to serve for a three-year term. We propose that three directors be elected at the annual meeting to hold office for a three-year term expiring in 2008 and that one director be elected at the annual meeting to hold office for a one-year term to expire in 2006. Directors who are not standing for election this year will continue in office for the remainder of their respective terms.

Our Board of Directors has recommended and nominated each of the following persons to be elected to our Board of Directors in the Class with terms expiring in 2008: **Messrs. Robert E. Knowling, Gerard R. Roche Jr., and V. Paul Unruh.**

In addition, our Board of Directors has recommended and nominated the following person to be elected to our Board of Directors in the Class with a term expiring in 2006: **Ms. Jill Kanin-Lovers.**

The enclosed Proxy will be voted FOR the election of each of the four nominees unless it is marked to withhold authority to vote for one or more nominees. Proxies cannot be voted for more than four nominees.

Each of the nominees is a director standing for reelection. Ms. Kanin-Lovers (in June 2004) and Mr. Unruh (in July 2004) were each elected to the Board to fill a vacancy existing at that time. The recommendation of Ms. Kanin-Lovers and Mr. Unruh for selection by our Board of Directors was the result of a search utilizing our firm's search capabilities. The search was conducted at the direction of our Nominating and Board Governance Committee, which is comprised solely of independent directors within the meaning of the applicable listing standards of the Nasdaq Stock Market (the "Nasdaq Rules").

If any nominee ceases to be a candidate for election for any reason, the Proxy will be voted for a substitute nominee designated by our Board of Directors. Our Board of Directors currently has no reason to believe that any nominee will not remain a candidate for election as a director or will be unwilling to serve as a director if elected.

Below is certain information about each director nominee and each director whose term of office will continue after the annual meeting. There are no family relations among any directors, executive officers, or persons nominated to become a director.

CORPORATE GOVERNANCE

Board of Director and Stockholder Meetings. Our Board of Directors met seven times during 2004. Each of the directors attended at least 75% of the meetings of the Board and the committees of which they were members. It is our policy that directors are expected to attend the annual meetings of stockholders unless circumstances impair their ability to do so. All of our directors attended the 2004 annual meeting of stockholders.

Board of Director Independence. Each year, our Board of Directors reviews the relationships that each director has with us and with other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the meaning of applicable Nasdaq Rules, and who our Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, are considered to be independent directors. Our Board of Directors has adopted Director Independence Standards to use in evaluating the independence of directors. After a review of the relevant information, our Board of Directors has determined that Richard I. Beattie, Antonio Borges, John A. Fazio, Jill Kanin-Lovers, Robert E. Knowling, Jr., V. Paul Unruh and Douglas C. Yearley are independent directors of the company within the meaning of applicable Nasdaq Rules and our Director Independence Standards. You can access our Director Independence Standards on the Corporate Governance portion of our website at: <http://www.heidrick.com>.

Stockholder Communications. Our stockholders may communicate directly with the Board of Directors. All communications should be directed to the Company's secretary at: Corporate Secretary, Heidrick & Struggles International, Inc., 233 South Wacker Drive, Chicago, Illinois 60606. Any such communication should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or a particular director. Each communication intended for the Board of Directors or a particular director and received by the secretary will be forwarded to the specified party following its clearance through normal security procedures.

Code of Ethics. Our Board of Directors has adopted a Code of Business Conduct and Ethics. You can access this Code of Business Conduct and Ethics on the Corporate Governance portion of our website at: <http://www.heidrick.com>.

COMMITTEES OF THE BOARD OF DIRECTORS

Our Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating and Board Governance Committee. Our Board of Directors has determined that all of the directors who serve on these committees are independent within the meaning of our Director Independence Standards and the applicable Nasdaq Rules, including, in the case of members of the Audit Committee, the specific independence requirements for audit committees.

Our Board of Directors has adopted a charter for each of the three standing committees. You can access these committee charters on the Corporate Governance portion of our website at: <http://www.heidrick.com>.

Audit Committee. The Audit Committee of the Board of Directors is presently composed of four directors, Messrs. Fazio, Knowling and Unruh and Ms. Kanin-Lovers, each of whom is independent within the meaning of applicable Nasdaq Rules. Mr. Fazio is the Chairman of the Audit Committee. The Board of Directors has determined that Mr. Fazio and Mr. Unruh are audit committee financial experts as defined in Securities and Exchange Commission Rules. During 2004, the Audit Committee met ten times.

The Audit Committee recommends to our Board of Directors the appointment of an independent registered public accounting firm to annually audit our books and records, meets with and reviews the activities and the reports of our independent registered public accounting firm and reports the results of the review to our Board of Directors. The Audit Committee also periodically reviews the adequacy of our internal controls and pre-approves

all services to be provided to the Company by our independent registered public accounting firm, KPMG LLP. These and other aspects of the Audit Committee's authority are more particularly described in our Audit Committee Charter.

Compensation Committee. The Compensation Committee consists of four independent directors, Messrs. Beattie, Knowling and Yearley and Ms. Kanin-Lovers. Mr. Knowling chairs the Compensation Committee. Each member also qualifies as a non-employee for purposes of Section 16 of the Securities Exchange Act of 1934 and an outside director for purposes of Section 162(m) of the Internal Revenue Code. The duties of the Compensation Committee are generally to review and approve employment and compensation matters involving executive officers. The Compensation Committee reviews, as appropriate, other compensation matters, including matters relating to salary, bonus, stock options and other equity and incentive arrangements. These and other aspects of the Compensation Committee's authority are more particularly described in the Compensation Committee Charter. During 2004, the Compensation Committee met five times.

Nominating and Board Governance Committee. The Nominating and Board Governance Committee consists of three independent directors, Messrs. Beattie, Borges and Yearley. Mr. Beattie chairs the Nominating and Board Governance Committee. The Nominating and Board Governance Committee makes recommendations to our Board of Directors concerning candidates for nomination to our Board of Directors, the membership on committees of our Board of Directors, compensation of our Board of Directors and other corporate governance matters. The Nominating and Board Governance Committee also approves all related party transactions in accordance with the applicable Nasdaq Rules. These and other aspects of the Nominating and Board Governance Committee's authority are more particularly described in the Nominating and Board Governance Committee Charter. During 2004, the Nominating and Board Governance Committee met four times.

Directors may be nominated by the Board of Directors or by stockholders in accordance with our Bylaws. The Nominating and Board Governance Committee reviews all proposed nominees for the Board of Directors, including those proposed by stockholders, in accordance with its mandate contained in its charter. This will include a review of the person's occupation, experience, time commitments, financial literacy, independence, judgment, understanding of our business or other related industries, and such other factors as the Nominating and Board Governance Committee determines are relevant in light of the needs of the Board of Directors and the Company. The Nominating and Board Governance Committee will select qualified candidates and review its recommendations with the Board of Directors, which will determine whether to nominate them for election to the Board of Directors. To date, the Nominating and Board Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates, however the Nominating and Board Governance Committee has worked with search consultants from our firm to identify director candidates.

Stockholders who wish to recommend individuals for consideration by the Nominating and Board Governance Committee to be nominees for election to the Board of Directors may do so by notifying our Corporate Secretary. In addition, our Bylaws permit stockholders to nominate directors at a stockholder meeting. To nominate a director at the 2006 Annual Meeting, a stockholder must notify our Corporate Secretary not less than sixty days nor more than ninety days prior to May 17, 2006. Notices should be sent to: Corporate Secretary, Heidrick & Struggles International, Inc., 233 South Wacker Drive, Chicago, Illinois 60606. In either case, the notice must meet all of the requirements contained in our Bylaws. The notice must set forth: (1) the name, age, business address and residence address of the proposed nominee, the class and number of voting shares of the Company's capital stock the nominee beneficially owns and any other information relating to the nominee that is required to be disclosed in solicitations for proxies for the election of directors pursuant to Section 14 of the Securities Exchange Act of 1934 and the rules and regulations thereunder; and (2) as to the stockholder proposing such nominee, that stockholder's name and address, the class and number of voting shares of the Company's capital stock the stockholder beneficially owns, a description of all arrangements and understandings between the stockholder and the nominee or any other person (including their names) pursuant to which the nomination is made, a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person named in its notice and any other information relating to the stockholder that is required to be disclosed in solicitations for election of directors pursuant to Section 14 of the Securities Exchange Act of

1934 and the rules and regulations thereunder. The notice must also be accompanied by a written consent of the proposed nominee to being named as a nominee and to serve as a director if elected.

DIRECTOR COMPENSATION

Our directors who are also employees do not receive any compensation for serving as directors. In 2004, each of our non-employee directors received as compensation an annual retainer of \$75,000, of which \$50,000 was payable in cash and \$25,000 was payable in the form of restricted stock units awarded on the date of our annual meeting of stockholders (a pro-rata award of restricted stock units is made to directors who join the Board of Directors between annual meetings). These awards of restricted stock units do not vest until the earlier of the date on which a director ceases to serve on the Board or the date of a change in control of the Company. In 2004, the chairman of the Audit Committee received an additional annual fee of \$25,000 in cash and the chairmen of the other standing committees received an additional annual fee of \$10,000 in cash.

Our non-employee directors may elect to defer payment of all or a portion of their cash compensation until termination of their service as directors under an unfunded deferred compensation plan. They may also elect to receive shares of common stock in lieu of the restricted stock units described above.

We reimburse all members of our Board of Directors for their out-of-pocket expenses incurred in connection with attending meetings.

All of the named executive officers are participants in our Change in Control Severance Plan (the CIC Plan) at the top tier described below and in our severance plan (the Severance Plan) at the top management level described below.

We established and maintain the CIC Plan in order to secure, in our best interests and the best interest of our stockholders, the continued services, dedication and objectivity of certain of our key employees in the event of any threat or occurrence of a change in control (as defined in the CIC Plan). The CIC Plan provides that upon our termination of a participant's employment without cause or the participant's resignation for good reason (as those terms are defined in the CIC Plan) within the two-year period commencing on a change in control, we will pay such participant a lump-sum cash payment equal to one or two times the sum of the participant's base salary and bonus amount (as defined in the CIC Plan). Top-tier executives will receive two times base salary and bonus. The participant is also entitled to any accrued but unpaid compensation, as well as the continuation of certain benefits. In addition, for top-tier executives, upon the occurrence of a change in control, we will accelerate the vesting of certain awards granted to such participants under the GlobalShare Plan and other compensatory plans.

maintained by us will be automatically accelerated and such participants may receive golden parachute gross-up payments. In order to receive any severance payments under the CIC Plan, the participant must waive his or her rights to any severance payments that he or she is entitled to receive under any other severance plan or employment agreement maintained by us. Each participant must also agree to abide by certain restrictive covenants, including covenants barring the participant from competing with us or soliciting any of our customers or employees for a period of one year.

The Severance Plan provides severance benefits that are payable to a participant upon the involuntary termination of such participant's employment for any reason other than cause (as defined in the Severance Plan). Participants in the Severance Plan will not be eligible to receive benefits in the cases of voluntary resignation, commencement of a leave of absence, retirement, death or disability. In cases where the participant's employment is terminated by reason of the transfer to an affiliated business, the sale of the Company or all or part of its assets or the outsourcing of a division, department, business unit or function, benefits will be provided only if a new offer of employment with us or any of our affiliates has not been made to the affected participant. Executive officers participating in the Severance Plan at the top management level will receive a severance payment equal to one year of base salary plus target bonus amount. All severance payments, however, are capped at two times the participant's annual compensation (as defined in the Department of Labor Regulations). To receive any payment of severance benefits under the Severance Plan in excess of two weeks' base salary, the participant must sign a release.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consists of four independent directors (Messrs. Knowling, Beattie and Yearley and Ms. Kanin-Lovers). During 2004, no person who was a member of the Compensation Committee was one of our officers or employees, nor did any of our executive officers serve as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee. From time to time, our Chief Executive Officer, certain other officers and outside consultants may attend meetings of the Compensation Committee but none of our officers may be present during discussions or deliberations regarding his or her own compensation nor may they vote on any matters brought before the Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Compensation Philosophy. We believe that executive compensation should be directly linked to increased stockholder value. Our approach to executive compensation is designed to support achieving our key business objectives, to align the executive officers' interests with those of our stockholders and to enable us to attract, retain and reward key personnel. It has been and currently is our philosophy to position our total compensation for our executive officers and other key employees at levels competitive with those of other major executive recruiting firms. Because many of these organizations are privately held, much of the compensation data is derived from executives and search consultants recruited by us and our understanding of pay practices and trends within the professional services industry.

Relationship of Company Performance to Executive Compensation. Our executive compensation is comprised of two components: base salary and incentives (cash and non-cash), each of which is intended to serve the overall compensation program. Our salary levels are intended to be consistent with competitive pay practices and level of responsibility, with salary increases reflecting competitive trends, our overall financial performance, and general economic conditions as well as a number of factors relating to the particular employee, including his or her performance and the level of experience, ability and knowledge required for the job.

The Compensation Committee has approved a management compensation program that consists of an annual Management Incentive Plan (MIP), a Management Stock Option Plan (MSOP) and a Performance Share Program (PSP). These plans provide for designated participants to receive annual and longer-term incentive compensation and seek to ensure that certain members of management participate as a group rather than have individual contracts or other arrangements with varying incentives and other terms.

The MIP is an annual bonus program designed to link participant performance with the attainment of pre-established Company, strategic business unit and individual performance goals. It provides for an annual bonus ranging from 0% to 150% of target incentive compensation. Bonuses are paid in cash for awards up to 100% of target incentive compensation.

The MSOP is designed to align the interests of executives and stockholders with the common goal of increasing stockholder value. It provides for annual grants of non-qualified stock options. Generally, the options vest over a three-year period, are forfeited in the event the participant is not in the Company's employ on the vesting date and have a five-year term.

The PSP, awards under which were discontinued in 2004, provided long-term incentive compensation based on our cumulative performance and the price of our common stock measured at the end of three-year award cycles. Under the PSP, a participant received a grant expressed in shares that are earned if we have reached specific performance goals at the end of the relevant three-year cycle. Depending upon actual performance versus target and whether the participant remains employed by us as of the payout date, he or she may earn a fewer or greater number of performance share units (from 0% to 150% of those initially granted). The value of an award (which may be paid in cash or restricted stock units) at the end of the three-year award cycle will be equal to the product of the number of performance share units earned multiplied by the fair market value of the shares of our common stock on the payout date. We do not expect to achieve the profitability targets established for the awards under the PSP and thus do not expect that these awards will require any payout.

Compensation of the Chief Executive Officer. Mr. Friel became our Chief Executive Officer on June 24, 2003, having held numerous leadership positions with the firm since joining us in 1979. Effective June 24, 2003, we entered into a contract with Mr. Friel under which Mr. Friel receives a salary of \$600,000 per year with a target bonus of \$600,000. While the 2003 agreement provides that Mr. Friel would receive 100% of his target bonus for his first twelve months of service as CEO, the Compensation Committee used the executive compensation practices described above to determine the balance of Mr. Friel's 2004 compensation. In setting

Table of Contents

both the cash and equity elements of Mr. Friel's compensation, the Committee made an overall assessment of Mr. Friel's leadership in establishing the Company's long-term and short-term strategic, operational and business goals. Mr. Friel's total compensation reflects a consideration of both competitive factors and the Company's performance against an operating income target and other strategic objectives established by the Committee. For 2004, Mr. Friel received his base salary of \$600,000. Mr. Friel's incentive compensation consisted of a target bonus of \$600,000, and options to purchase 50,000 shares of Company common stock.

In 2001, we received warrants to purchase 1,194,308 shares of Google, Inc. (Google) at a price of \$0.30 per share issued in connection with recruitment fees. On August 19, 2004, we exercised the warrants pursuant to their cashless exercise feature and received 1,190,092 shares of Google common stock. In September, 2004 we sold all the shares of common stock of Google that we held in ordinary brokerage transactions with the transaction resulting in aggregate net proceeds of approximately \$128.8 million.

Pursuant to the terms of our compensation policy with respect to warrants, 55% of the net proceeds from these sales of shares of common stock of Google is payable to our consultants involved with the search in the month following the monetization. Prior to becoming our Chief Executive Officer, Mr. Friel was a member of this search team and was entitled to receive 25% of the consulting team's share. In 2004, Mr. Friel's compensation included \$389,816 of his share of the net proceeds of this monetization. Mr. Friel has elected to defer receipt of the balance of his share of the net proceeds (\$17,272,900) under an unfunded deferred compensation arrangement that provides a market rate of return.

Certain Tax Matters. Section 162 (m) of the Internal Revenue Code limits the deduction a publicly held corporation is allowed for compensation paid to the chief executive officer and to the four most highly compensated executive officers other than the chief executive officer. Generally, amounts in excess of \$1 million paid to a covered executive, other than performance-based compensation, cannot be deducted. We consider ways to maximize the deductibility of executive compensation but reserve the right to compensate executive officers in a manner commensurate with performance and the competitive environment for executive talent. As a result, some portion of executive compensation paid to an executive officer whose compensation is subject to the deduction limits described above may not be deductible in the United States.

PERFORMANCE GRAPH

The following performance graph compares the annual percentage change in our cumulative total stockholder return for the last five fiscal years with the cumulative total stockholder return of the Nasdaq Composite Index and a Peer Group constructed by us. Cumulative total stockholder return for each of the periods shown in the graph is measured assuming an initial investment of \$100 as of December 31, 1999, and assumes the reinvestment of any dividends paid.

The Peer Group is comprised of four publicly traded companies that are engaged principally, or in significant part, in executive search consulting and/or leadership consulting services. We believe that they constitute the best approximation of a peer group among companies that were publicly traded for the period being evaluated. Many of our direct competitors who specialize in senior-level executive search are privately held firms.

The returns of each company have been weighted according to their respective stock market capitalization at the beginning of each measurement period for purposes of arriving at a Peer Group average. Previously, the members of the Peer Group were Caldwell Partners International, Inc., Korn/Ferry International, Monster Worldwide Inc., Hudson Highland Group, Inc. and Whitehead Mann Group PLC. For 2004, we have changed our Peer Group to remove Caldwell Partners (which focuses its executive search business primarily in Canada) and add Hewitt Associates, Inc., a firm that engages in human resources consulting and outsourcing.

The stock price performance depicted in this graph is not necessarily indicative of future price performance. This graph will not be deemed to be incorporated by reference by any general statement incorporating this Proxy Statement into any of our filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this information by reference, and shall not otherwise be deemed soliciting material or deemed filed under those Acts.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is responsible for providing general oversight of our financial accounting and reporting processes, selection of critical accounting policies, and system of internal controls. The Audit Committee is presently composed of four directors, Messrs. Knowing, Fazio and Unruh and Ms. Kanin-Lovers, each of whom is independent within the meaning of applicable Nasdaq Rules. The Board of Directors has determined that John A. Fazio and V. Paul Unruh are audit committee financial experts as defined in Securities and Exchange Commission rules. During 2004, the Audit Committee met ten times.

In 2005, the Board of Directors amended the Audit Committee's charter. A copy of the amended charter is attached to this proxy statement as Appendix A. You can also access the amended charter on the Corporate Governance portion of our website at: <http://www.heidrick.com>.

As part of its oversight of our financial statements, the Audit Committee reviews and discusses with both management and our independent registered public accounting firm (KPMG LLP) all annual and quarterly financial statements prior to their issuance.

The Audit Committee has discussed with KPMG LLP the matters required to be discussed pursuant to Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

The Audit Committee also discussed with KPMG LLP matters relating to its independence including the written disclosures and letter from KPMG LLP to the Audit Committee pursuant to Independence Standards Board Standard No.1 (Independence Discussions with Audit Committees), as currently in effect .

During 2004, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of our internal and disclosure control structures. The Audit Committee's meetings include, whenever appropriate, executive sessions with KPMG LLP and with our director of internal audit, in each case without the presence of management, to raise and discuss any issues they may have about the adequacy and proper functioning of our internal and disclosure control systems and procedures.

In performing these functions, the Audit Committee acted and continues to act only in an oversight capacity on behalf of the Board of Directors. Management has primary responsibility for our financial statements and the overall reporting process, including our systems of internal controls.

Edgar Filing: HEIDRICK & STRUGGLES INTERNATIONAL INC - Form DEF 14A

In its oversight role, the Audit Committee necessarily relies on the procedures, work and assurances of management. KPMG LLP has audited the annual financial statements prepared by management, expressed an opinion as to whether those financial statements fairly present our financial position, results of operation and cash flows in conformity with generally accepted accounting principles in the U.S., and discussed any issues they believe should be raised with the Audit Committee.

During 2004, management documented, tested and evaluated our internal controls pursuant to the requirements of the Sarbanes-Oxley Act of 2002. Management and KPMG LLP kept the Audit Committee apprised of the company's progress at each regularly scheduled Audit Committee meeting. Management has provided the Audit Committee with a report on the effectiveness of our internal controls. We have reviewed

management's assessment of the effectiveness of our internal controls and KPMG LLP's evaluation thereof included in our Annual Report on Form 10-K for the year ended December 31, 2004.

Based on the above mentioned reviews and discussions with management and our independent registered public accounting firm, the undersigned Audit Committee members recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2004. The Audit Committee has also recommended that KPMG LLP be selected as our independent registered public accounting firm for 2005.
