Item 3. Incorporation of Documents by Reference

The Registrant hereby incorporates by reference into this Registration Statement the following documents previously filed with the Securities and Exchange Commission (the "SEC"):

- (a) The Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2006, filed with the SEC on February 28, 2007;
- (b) The Registrant's Current Reports on Form 8-K filed with the SEC on February 26, 2007, March 8, 2007 and March 26, 2007; and
- (c) The descriptions of the terms, rights and provisions applicable to Registrant's outstanding Common Stock contained in the Registrant's Registration Statement on Form 8-A filed with the Commission under Section 12 of the 1934 Act on November 26, 2002, including any amendments or reports filed for the purpose of updating such descriptions.

All reports and definitive proxy or information statements filed pursuant to Section 13(a), 13(c), 14 or 15(d) of the 1934 Act after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any subsequently filed document which also is deemed to be incorporated by reference herein modifies or supersedes such statement. Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

The Registrant's Articles provide that a past or present director will not be liable to the Registrant or its shareholders for monetary damages for acts or omissions occurring in the director's capacity as a director, to the extent permitted by Texas law. Under Article 1302-7.06 of the Texas Miscellaneous Corporation Laws Act, the articles of incorporation of a Texas corporation may eliminate or limit a director's monetary damages for acts or omissions in the director's capacity as a director, except that the limitation or elimination of liability cannot be extended to the extent that a director is found liable for breach of duty of loyalty to the corporation or shareholders, an act or omission not in good faith that constitutes a breach of duty to the corporation, an act or omission that involves intentional misconduct, a knowing violation of the law, receipt of improper benefits, or liability of a director that is expressly provided by an applicable statute.

The Registrant's Articles require the Registrant to indemnify and advance expenses to a person who is named as a party as a result of his or her position as an officer or director of the Registrant to the full extent permitted by Texas law.

Under Article 2.02-1 of the TBCA, a corporation must indemnify a director or officer for reasonable expenses (including attorneys' fees) incurred in connection with the successful defense on the merits of a proceeding in which the director or officer is a party as a result of being a director or officer. In addition, the TBCA permits indemnification for reasonable expenses (including attorney's fees), judgments, fines, penalties and settlements if it is determined that the person seeking indemnification acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders and, with respect to criminal proceedings, had no reasonable cause to believe that his or her conduct was unlawful; except that if such person is found liable to the corporation or for receiving improper personal benefits, in which case the indemnification is limited to reasonable expenses actually incurred, or if the person is found liable for willful or intentional misconduct in the performance of his or her duty to the corporation, in which case no indemnification is permitted.

Article 2.02-1 of the TBCA also permits a corporation to purchase and maintain insurance or to make other arrangements on behalf of an officer, director, employee or agent against any liability arising out of such person's status as a director, officer, employee, or agent of the corporation, whether or not the corporation would have the powers to indemnify the person. The Registrant has also entered into indemnity agreements with each officer and director pursuant to which the Registrant is required to indemnify such officers and directors to the fullest extent permitted by law.

Item 7. Exemption from Registration Claimed

Item 9. Undertakings
A. The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "1933 Act"), (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference into this Registration Statement;

(2) that for the purpose of determining any liability under the 1933 Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers, or controlling persons of the Registrant pursuant to the indemnification foregoing provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the 1933 Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of El Paso, State of Texas, on the 2nd day of May, 2007.
