Among other things, the Order requires BancGroup to:

Present a written capital plan to the Federal Reserve and the Department within 30 days of the Order by which BancGroup and Colonial Bank would achieve sufficient capital to meet current and future capital requirements, including compliance with the Capital Adequacy Guidelines for Bank Holding Companies and the applicable capital adequacy guidelines for Colonial Bank issued by the FDIC;

Within 60 days of the Order, BancGroup will submit to the Federal Reserve and the Department an acceptable written plan for liquidity management at the consolidated organization;

Within 30 days of the Order, BancGroup shall eliminate, through charge-offs or collection, all assets or portions of assets identified as loss that have not been previously collected in full or charged-off; thereafter, BancGroup shall, within 30 days from the receipt of any federal report of inspection, charge off all assets classified or identified as loss unless otherwise approved in writing by the Federal Reserve and the Department;

Within 60 days of the Order, BancGroup shall review and revise as appropriate its consolidated allowance for loan and lease losses methodology to assure that it is consistent with relevant supervisory guidance and shall submit to the Federal Reserve and the Department an acceptable written program to be implemented for determining, documenting, and recording an adequate consolidated allowance for loan and lease losses;

BancGroup shall not declare or pay dividends without the prior written approval of the Federal Reserve and the Department;

BancGroup shall not directly or indirectly take dividends or any other form of payment representing a reduction in capital from Colonial Bank without the prior written approval of the Federal Reserve and the Department;

BancGroup shall not make any distributions of interest, principal, or other sums on subordinated debentures or trust preferred securities without the prior written approval of the Federal Reserve and the Department;

BancGroup will also comply with applicable restrictions on indemnification and severance payments; and

Within 30 days after the end of each quarter following the date of the Order, BancGroup s Board of Directors shall submit to the Federal Reserve and the Department written progress reports detailing the form and manner of all actions taken to secure BancGroup s compliance with the provisions of the Order and the results thereof, as well as a parent company only balance sheet,

In addition to factors mentioned elsewhere in this report or previously disclosed in BancGroup's Securities and Exchange Commission (the SEC) reports (accessible on the SEC's website at www.sec.gov or on BancGroup's website at www.colonialbank.com), the following factors, among others, could cause actual results to differ materially from forward-looking statements, and future results could differ materially from historical performance. These factors are not exclusive:

losses in our loan portfolio are greater than estimated or expected;

an inability to raise additional capital on terms and conditions that are satisfactory, including the failure to close on BancGroup's pending agreement with investors led by Taylor, Bean & Whitaker Mortgage Corp. or BancGroup's pending agreement with Global Consumer Acquisition Corp;

imposition of regulatory conditions or requirements on either BancGroup or the other parties to the transactions referenced above that could make consummation of such transactions impracticable;

failure to receive final approval and actual funding from the U.S. Treasury Department's Capital Purchase Program;

failure to comply with the recent regulatory orders and additional regulatory measures that could be imposed as a result;

the impact of current economic conditions and the results of our operations on our ability to borrow additional funds to meet our liquidity needs;

economic conditions affecting real estate values and transactions in BancGroup's market and/or general economic conditions, either nationally or regionally, that are less favorable or take longer to recover than expected;

changes in the interest rate environment which expand or reduce margins or adversely affect critical estimates as applied, projected returns on investments and fair values of assets;

continued or sustained deterioration of market and economic conditions or business performance could increase the likelihood that we would have an additional goodwill impairment charge;

deposit attrition, customer loss or revenue loss in the ordinary course of business;

increases in competitive pressure in the banking industry and from non-banks;

costs or difficulties related to the integration of the businesses of BancGroup and institutions it acquires are greater than expected;

Edgar Filing: COLONIAL BANGROUP INC - Form 8-K

the inability of BancGroup to realize elements of its strategic and operating plans for 2009 and beyond, including a reduction in assets in order to improve capital ratios;

the anticipated savings and revenue enhancements from the Colonial 1st program may not be achieved in their entirety or accomplished within our expected time frame;

natural disasters in BancGroup's primary market areas result in prolonged business disruption or materially impair the value of collateral securing loans;

management's assumptions and estimates underlying critical accounting policies prove to be inadequate or materially incorrect or are not borne out by subsequent events;

the impact of recent and future federal and state legislative and regulatory changes;

current or future litigation, regulatory investigations, proceedings, inquiries or directives;

strategies to manage interest rate risk may yield results other than those anticipated;

changes which may occur in the regulatory environment;

a significant rate of inflation (deflation);

unanticipated litigation or claims;

changes in the securities markets;

acts of terrorism or war; and

details of the recently enacted Emergency Economic Stabilization Act of 2008, the American Recovery and Reinvestment Act of 2009, the Homeowner Affordability and Stability Plan and various announced and unannounced programs implemented by the U.S. Treasury Department and bank regulators to address capital and liquidity concerns in the banking system, are still being finalized and may have a significant effect on the financial services industry and BancGroup.

Many of these factors are beyond BancGroup's control. The reader is cautioned not to place undue reliance on any forward looking statements made by or on behalf of BancGroup. Any such statement speaks only as of the date the statement was made or as of such date that may be referenced within the statement. BancGroup does not undertake any obligation to update or revise any forward-looking statements.
