PROXY STATEMENT

GENERAL INFORMATION

Under rules adopted by the U.S. Securities and Exchange Commission (SEC), we are furnishing proxy materials to our shareholders on the Internet, rather than mailing printed copies of those materials to each shareholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one. Instead, the Notice of Internet Availability will instruct you as to how you may access and review the proxy materials on the Internet. The Notice of Internet Availability also instructs you as to how you may vote your shares. If you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, please follow the instructions included in the Notice of Internet Availability. The Notice of Internet Availability will be mailed to shareholders on or about April 19, 2011, the same date that this Proxy Statement and related materials will be made available or distributed to shareholders.

This Proxy Statement is furnished in connection with the solicitation of proxies by our Board of Directors (Board) to be used at the annual meeting of shareholders to be held at our corporate headquarters, 2201 N.E. 201st Avenue, Fairview, Oregon, 97024-9718, at 10:00 a.m., Pacific Time, on June 1, 2011.

Cascade Corporation (Cascade) will bear the entire cost of proxy solicitation, which will be primarily by mail or electronically. Proxies may also be solicited in person or by telephone, facsimile, or other electronic means by our directors, officers and employees without additional compensation. We will ask brokers, custodians, nominees and other record holders to prepare and send a Notice of Internet Availability of Proxy Materials to those for whom they hold shares and forward copies of the proxy materials to beneficial owners who request paper copies and will reimburse them for their reasonable expenses.

Our Board has fixed the close of business on April 7, 2011, as the record date for determining the holders of our common shares that are entitled to notice of, and to vote at, the annual meeting. At the close of business on April 7, 2011, 10,973,440 common shares were outstanding. Each common share is entitled to one vote on all matters that properly come before the annual meeting. A quorum of shareholders will be established at the meeting if a majority of our outstanding common shares entitled to vote are present or represented by proxy.

If you own your shares through a broker, bank or other nominee and do not participate in electronic delivery of proxy materials, you will receive only one copy of our proxy materials if you share a single address with another shareholder unless we received instructions to the contrary from you. This practice, known as householding, is designed to eliminate duplicate mailings, conserve natural resources and reduce our printing and mailing costs. You can request to receive a separate Proxy Statement by contacting the institution that holds your shares.

Methods of Voting

You have three options for submitting your vote prior to the annual meeting:

via the Internet at www.proxyvote.com;

by phone (please see your proxy card for instructions); or

by requesting, completing and mailing in a paper proxy card, as outlined in the Notice of Internet Availability.

We encourage you to register your vote via the Internet. If you attend the annual meeting, you may also submit your vote in person, and any votes that you previously submitted, whether via the Internet, by phone or by

Table of Contents

mail, will be superseded by the vote that you cast at the annual meeting. Whether your proxy is submitted via the Internet, by phone or by mail, if it is properly completed and submitted and if you do not revoke it prior to the annual meeting, your shares will be voted as specified, or if no instructions are given, in the manner set forth in this Proxy Statement.

You may revoke your proxy at any time before it is voted at the meeting. To revoke your proxy, you must:

enter a new vote by telephone, over the Internet, or by signing and returning another proxy card at a later date;

provide written notice of the revocation to Joseph G. Pointer, Secretary, at Cascade Corporation, 2201 N.E. 201st Avenue, Fairview, Oregon, 97204-9718; or

attend the meeting and vote in person.

Please note that if a broker, bank or other nominee is the record holder of your shares and you wish to vote at the annual meeting, you must bring to the meeting a letter from the record holder confirming your beneficial ownership of the shares. If a broker, bank or other nominee is the record holder of your shares and you wish to revoke your proxy, you must contact the record holder of your shares directly.

Votes Required for the Proposals

The election of directors (Proposal 1) will be determined by a plurality of the votes cast. Plurality means that the individuals who receive the highest number of votes are elected as directors, up to the number of directors to be chosen at the meeting. The advisory vote on executive compensation (Proposal 2) and advisory vote on the frequency of future advisory votes on executive compensation (Proposal 3) are advisory, nonbinding votes. Approval of Cascade's Short Term Incentive Plan (Proposal 4) and Amended and Restated Stock Appreciation Rights and Restricted Stock Plan (Proposal 5) each require the affirmative vote of a majority of the votes cast, as does ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2012 (Proposal 6). Abstentions or broker non-votes will have no effect on the required vote on any matter.

If you return a signed proxy without instructions, your shares will be voted in accordance with the recommendation of our Board FOR all nominees for election as directors, FOR the approval of the compensation of Cascade's named executive officers, for EVERY 3 YEARS as the frequency on which we will hold an advisory shareholder vote on executive compensation, FOR approval of the Cascade Corporation Short Term Incentive Plan, FOR the Amended and Restated Cascade Corporation Stock Appreciation Rights and Restricted Stock Plan, and FOR ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm. If your shares are held in street name, New York Stock Exchange Euronext (NYSE) rules prohibit brokers from voting your shares on Proposals 1-5 without receiving instructions from you on how to vote your shares. Without instructions from you, your broker, in its discretion, may either leave your shares unvoted or vote your shares on Proposal 6.

Quorum Requirement

A quorum, which is a majority of the outstanding shares entitled to vote as of the record date, April 7, 2011, must be present in order to hold the meeting and to conduct business. Shares are counted as being present if you vote in person at the meeting, by telephone, over the Internet, or by submitting a properly executed proxy card or if your broker votes for you with respect to ratification of our public accounting firm. Abstentions are counted as present for the purpose of determining a quorum.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) included a provision that requires publicly traded companies to hold an advisory, or non-binding, shareholder vote to approve or disapprove the compensation of executive officers. Consistent with that requirement, we are conducting an advisory vote on the compensation of the executive officers named in this Proxy Statement. The compensation of our executive officers is disclosed in this Proxy Statement under the heading Executive Compensation below in accordance with rules and regulations of the SEC.

Cascade s philosophy is that our success is largely dependent on our ability to attract and retain superior executive talent with demonstrated leadership abilities and extensive management experience. We also believe motivating and rewarding our executives for high levels of performance contributes to long-term shareholder value. This compensation philosophy, and the compensation structure approved by the Compensation Committee, is central to Cascade s ability to achieve our goals and provide stability in leadership. Our philosophies and goals with respect to compensation are explained in detail under the subheading Executive Compensation Compensation Discussion and Analysis. A detailed description of compensation actually paid to our named executive officers follows that discussion and analysis.

We are asking for shareholder approval of the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with SEC rules, which disclosures include the disclosures under Executive Compensation Compensation Discussion and Analysis, the compensation tables that follow and the narrative discussion following each of the compensation tables. This vote is intended to address the overall compensation of our named executive officers and the policies and practices described in this Proxy Statement.

This vote is advisory and therefore not binding on Cascade, the Compensation Committee, or the Board. The Board and the Compensation Committee value the opinions of shareholders and will take into account the outcome of the vote when considering future executive compensation arrangements.

Our Board unanimously recommends a vote FOR the approval of Cascade s executive compensation, as described in this Proxy Statement.

Table of Contents

PROPOSAL 3: ADVISORY VOTE ON THE FREQUENCY OF HOLDING FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also included a provision providing shareholders the opportunity to vote, on an advisory, or non-binding, basis, on how frequently they would like companies to hold an advisory vote on the compensation of executive officers in the manner done in Proposal 2 above. When voting, shareholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years, or they may abstain from the vote. In accordance with this requirement of the Dodd-Frank Act, we are holding an advisory vote on the frequency of future shareholder advisory votes on our executive compensation program.

After consideration of the frequency alternatives, the Board believes that conducting an advisory vote on executive compensation every three years is appropriate for Cascade and its shareholders at this time. We value the opinion of our shareholders and welcome communication regarding our executive compensation policies and practices.

Our executive compensation program is administered by our Compensation Committee, as described in this Proxy Statement. Compensation decisions are complex and we believe that establishing a three-year time frame for holding shareholder advisory votes on executive compensation will both enhance shareholder communication and provide Cascade time to consider, engage with and respond to shareholders concerns or other feedback. We believe that a triennial vote will provide shareholders with the ability to express their views on our executive compensation policies and practices while providing us with a sufficient amount of time to consider input. In addition, we believe that a triennial vote more closely aligns with the multi-year compensation structure that Cascade uses to reward long-term performance which is consistent with our long-term business strategy.

Shareholders are not being asked to approve or disapprove the Board's recommendation. Instead, our Board is providing a recommendation, but you are being asked to choose one of four options regarding this proposal. You may vote for us to hold advisory votes on our compensation every one, two or three years, or you may abstain from voting on the matter.

Our Board unanimously recommends a vote for EVERY 3 YEARS as the frequency with which Cascade will hold an advisory vote on executive compensation.

PROPOSAL 4: APPROVAL OF THE CASCADE CORPORATION SHORT TERM INCENTIVE PLAN

Background

The Cascade Corporation Short Term Incentive Plan (the "STIP") is a cash incentive plan designed to support overall compensation policy by rewarding key Cascade executives for meeting challenging fiscal year performance goals. The STIP was approved by the Cascade board of directors on March 29, 2011, subject to approval by shareholders at the annual meeting.

The STIP is designed to satisfy the requirements of Section 162(m) of the Internal Revenue Code ("Section 162(m)") so that the Company can take federal income tax deductions for the performance-based compensation paid under the STIP to its Named Executive Officers (see Executive Compensation Summary Compensation Table for a list of our Named Executive Officers for fiscal 2011 ("NEOs")).

Section 162(m) generally provides that publicly held companies may not take a federal income tax deduction for certain compensation in excess of \$1 million paid to a NEO in any one year unless that compensation is performance-based. One of the requirements of performance-based compensation for purposes of Section 162(m) is that the compensation be paid pursuant to material terms of performance goals that have been approved by shareholders. Cascade has regularly provided annual executive incentive compensation when goals established by the Compensation Committee have been met, but has not previously sought the shareholder approval mandated by Section 162(m). The Board of Directors has adopted the STIP to be implemented starting with fiscal 2012, and is submitting it for shareholder approval to assure that payments under the STIP to NEOs will be deductible for federal income tax purposes. See Compensation Discussion and Analysis for a description of the cash incentive program in effect for fiscal 2011.

The STIP is intended to provide motivation for Cascade executive employees to attain and maintain high standards of performance, to attract and retain capable executives and to direct the energies of executives toward the achievement of specific business goals established for Cascade. The following is a brief summary of the material features of the STIP. The full text of the STIP is attached as Appendix A to this Proxy Statement.

Plan Administration

The STIP will be administered by the Compensation Committee of the Board of Directors (the "Compensation Committee"). The Compensation Committee has authority and discretion to administer and interpret the provisions of the STIP and to adopt such rules and regulations for the administration of the STIP as the Compensation Committee deems necessary or advisable. Decisions of the Compensation Committee will be final, conclusive and binding upon all parties, including, without limitation, the Company and plan participants.

Plan Eligibility and Participation

Participation in the STIP is limited to those Cascade executive officers who, in the opinion of the Compensation Committee, are in a position to have a significant impact on the performance of the Company and are designated by the Compensation Committee. Nine individuals participated in the STIP in effect during fiscal 2011, and it is anticipated that the same number would be eligible to participate in the proposed STIP for fiscal 2012. Prior to or at the time performance objectives are established for each plan year, the Compensation Committee will identify those executive employees who will participate for such plan year.

Determination of Awards

Within the time period prescribed by Section 162(m), for each calendar year, the Compensation Committee will: (i) determine the participants eligible to receive performance-based awards under the STIP, (ii) notify each such participant in writing concerning his or her selection, (iii) select the performance criteria

Table of Contents

provided for by the STIP which are to be used for each participant and (iv) establish, in terms of an objective formula or standard for each participant, the performance goal and the amount of each award which may be earned if such performance goal is achieved.

The performance criteria are limited to the following: net earnings, operating earnings or income, earnings per share, cash flow, absolute and/or relative return on equity or assets, pre-tax profits, earnings growth, revenue growth, share price growth, shareholder returns, gross or net profit margin, earnings before deduction of interest and taxes (EBIT), comparison to peer companies, or any combination of the foregoing, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to the results of a peer group. Each performance goal may be expressed in terms of overall Company performance or the performance of an operating unit, business unit, segment, subsidiary or other division or any portion or combination thereof of the Company, and may take into account unusual items of expense or income not directly related to operations.

In determining performance, the Compensation Committee in its discretion shall, in the case of awards to NEOs, and may, in the case of awards to all other participants, direct that adjustments to the performance goals or actual financial performance as reported be made to reflect extraordinary organizational, operational or other changes that have occurred during such year, in each case, with respect to NEOs, only to the extent consistent with the requirements of Section 162(m). The Compensation Committee may, however, provide at the time the performance goals are established that one or more of such adjustments will not be made as to a specific award to a NEO. The Compensation Committee is also authorized at any time during or after the plan year to increase (except with respect to awards payable to NEOs), reduce or eliminate the amount of an award payable to any participant for any reason.

On or before April 10 following the end of any Cascade fiscal year, the Compensation Committee shall determine awards to participants for such plan year by comparing actual financial performance to the performance goals, performance criteria and amounts of awards adopted by the Compensation Committee for such year. With respect to NEOs, the Compensation Committee shall certify that the amount of the award has been accurately determined in accordance with the terms, conditions and limits of the STIP. If the Compensation Committee has not adopted specified goals for the plan year, the Compensation Committee shall meet by April 10 following the end of the Cascade fiscal year to determine if discretionary bonuses shall be awarded to participants other than the NEOs.

Fiscal 2012 Performance Criteria

Incentive payments under the executive incentive program in effect for fiscal 2011 to the Named Executive Officers are reported under Executive Compensation Summary Compensation Table . The Compensation Committee has established the following potential payment amounts and fiscal 2012 performance goals for NEOs:

	Payments Based on Consolidated EBIT			Payments Based on Europe EBIT		
	Minimum	Target	Maximum	Minimum	Target	Maximum
CEO	15%	57%	113%	5%	18%	37%
COO	13%	49%	98%	4%	16%	33%
Others	11%	38%	75%	4%	13%	25%

Payments are expressed as a percentage of the NEO's fiscal 2012 base salary. EBIT is defined as reported earnings before deductions for interest expense and taxes. As described above, earnings may be adjusted for extraordinary events during the year at the discretion of the Compensation Committee.

Table of Contents

2012 performance goals applicable to all NEOs, based upon EBIT as a percentage of gross sales, are as follows:

	Minimum	Target	Maximum
Consolidated EBIT	12.0%	15.0%	16.0%
Europe EBIT	2.5%	3.0%	3.5%

Benefits payable to participants in the STIP, if any, for fiscal 2012 and future plan years are not determinable at this time. Incentive payments for performance-based awards depend upon meeting the performance targets. If the 2012 performance goals had been in effect during fiscal 2011, the minimum corporate and Europe EBIT goals would not have been met. Even if the targets are met, payments would remain subject to the Compensation Committee's discretion. The maximum award payable to any participant under the STIP for any Cascade fiscal year is \$2 million.

Award Payment

Approved bonus awards will be paid in cash to each participant promptly after the amount of the award has been determined and, with respect to awards to NEOs, the Compensation Committee has certified that the relevant performance goals have been achieved.

Plan Term and Amendment

If the STIP is approved by the shareholders, it will be effective for fiscal 2012 and will continue in effect through fiscal 2016, the fifth anniversary of such approval. The Compensation Committee may at any time terminate, modify or suspend the STIP, in whole or in part, and if suspended, may reinstate any or all provisions, provided that no such termination or modification shall impair any rights that may have accrued under the STIP; and provided further, that the Compensation Committee may not without shareholder approval adopt any amendment that would require the vote of shareholders pursuant to Section 162(m).

Payment of Taxes on Awards

The Company may deduct from any payments under the STIP any applicable withholding taxes required to be withheld with respect to such payments.

Other Compensation

The STIP is not exclusive. Cascade may pay other compensation to NEOs and other key employees as authorized by the Board and applicable law. If the STIP is not approved by shareholders, the Company currently contemplates that any cash incentive payments for fiscal 2012 for NEOs would be discretionary. Any such cash incentive payments then paid would not be deductible under Section 162(m) to the extent that (when combined with other non-exempt compensation paid) they exceed the \$1 million limit on non-exempt compensation paid to the NEOs.

Recommendation of the Board of Directors

The Board of Directors believes that Cascade's best interests will be served by a vote of its shareholders to approve the STIP and enable any cash incentive payments under the STIP to comply with the requirements of Section 162(m). The Board further believes that the STIP provides an important incentive that complements Cascade's existing policies and other executive compensation programs in linking portions of executive compensation to Cascade's performance.

The favorable vote of a majority of votes cast regarding the proposal is required to approve the STIP. Accordingly, abstentions and broker non-votes will not affect the outcome of the vote on the proposal.

Our Board unanimously recommends a vote FOR approval of the Cascade Corporation Short Term Incentive Plan.

PROPOSAL 5: APPROVAL OF THE AMENDED AND RESTATED CASCADE CORPORATION STOCK APPRECIATION RIGHTS AND RESTRICTED STOCK PLAN

Background

The Cascade Corporation Stock Appreciation Rights and Restricted Stock Plan (the Plan) was initially approved by shareholders in 2004. The shareholders approved amendments to the Plan at their annual meetings held in 2005 and 2007. On March 30, 2010 and on March 29, 2011, the Board of Directors adopted amendments to the Plan which did not require shareholder approval.

At this year's annual meeting, the shareholders are being asked to approve an amendment and restatement of the Plan adopted by the Board of Directors on March 29, 2011, subject to shareholder approval (the Amendment and Restatement). The Amendment and Restatement will be effective June 1, 2011, if approved by the shareholders. The Amendment and Restatement includes examples of measurement criteria to be applied by the Compensation Committee of the Board in establishing performance goals applicable to awards of restricted stock to executive officers under the Plan, and provides the time frame within which such performance goals are to be set.

The purpose of the Amendment and Restatement is to enable income recognized by executives upon the vesting of restricted stock granted based on satisfaction of performance criteria or subject to performance based vesting conditions to qualify for exemption from deductibility limitations under Section 162(m). Under these limitations, certain compensation paid to our Named Executive Officers in excess of \$1 million in any fiscal year is not deductible to Cascade for tax purposes (see Executive Compensation Summary Compensation Table for a list of our Named Executive Officers for fiscal 2011 (NEOs)). The Section 162(m) limitation presently applies to income realized by executives from the vesting of restricted shares, but would not apply to income from vesting of performance-based restricted share grants if the shareholders approve the Amendment and Restatement. Income recognized by employees on the exercise of stock appreciation rights granted under the Plan as presently in effect qualifies for exemption from the Section 162(m) limitation on deductibility by Cascade.

Approval of the Amendment and Restatement for Purposes of Section 162(m) of the Code

The proposed Amendment and Restatement has been structured to permit income related to vesting of restricted stock awards made under the Plan to our NEOs to satisfy the requirements of performance-based compensation within the meaning of Section 162(m). One of the requirements of performance-based compensation under Section 162(m) is that the material terms of the performance goals be disclosed to and approved by the shareholders. Material terms for purposes of Section 162(m) include the employees eligible to receive compensation, a description of the business criteria on which the performance goal is based, and the maximum amount of compensation that can be paid to an employee upon achieving the performance goal. These items are described below. Shareholder approval of the Amendment and Restatement will satisfy the approval requirements of Section 162(m).

Key Provisions of the Plan

The following summary describes certain key features of the Plan, which is attached as Appendix B to this Proxy Statement (substantive changes relating to granting of performance shares are italicized in Appendix B):

Duration: The Plan terminates as of May 31, 2013.

Eligible Employees: Those key Cascade employees the Compensation Committee designates as eligible.

Types of Awards: Stock appreciation rights, restricted stock, and performance-based restricted stock.

Table of Contents

Terms of Stock Appreciation Rights: The price of each SAR will be established by the Compensation Committee and may not be less than the fair market value of a share of our common stock on the date the SAR is granted. The fair market value of a share of our common stock will be equal to the closing price of the stock as quoted on the NYSE or if not so quoted, as otherwise determined under the terms of the SAR Plan. SARs may be exercised during the period determined by the Compensation Committee, but no SAR will be exercisable after 10 years from the date of grant. During a participant's lifetime, SARs granted to a participant are exercisable only by the participant, the participant's payee pursuant to a valid domestic relations court order, or by a legally designated guardian or conservator. With the prior consent of the Compensation Committee, SARs may be transferred to a trust for the participant's benefit established for estate planning purposes.

Terms of Restricted Shares: The award of restricted shares is subject to certain terms and conditions as the Compensation Committee may prescribe, including a period of time during which the participant must remain in Cascade's employment in order to retain the restricted shares (the Restriction Period). The Compensation Committee may at the time of the restricted share award provide for the employment restriction to lapse with respect to a portion or portions of the award at different times during the Restriction Period. If the employment requirement has been met, all restrictions imposed by the award lapse when the Restriction Period expires. Failure to meet the employment requirement causes the award to be forfeited. The Compensation Committee may waive restrictions in the event of the death of a participant. Restrictions on shares granted to a participant who reaches age 62 and is determined to have retired by the Compensation Committee in its discretion shall lapse. Any dividends declared on restricted shares shall be paid to the recipient. Restricted shares may be voted upon issues to come before the shareholders, but may not be sold, assigned, transferred, pledged or otherwise disposed of during the Restriction Period and each share certificate must contain a legend giving notice of the restrictions applicable to the shares. All restrictions on shares issued to directors will lapse when the director reaches the mandatory retirement age for directors or dies.

Terms of Performance Based Restricted Shares: The Amendment and Restatement provides that the Compensation Committee may establish performance goals for the award of restricted shares. The goals may be expressed in terms of overall performance of Cascade or the performance of any Cascade operating unit, business unit, segment, subsidiary or other division. The criteria that will be used to establish performance goals are limited to the following: net earnings, operating earnings or income, earnings per share, cash flow, absolute and/or relative return on equity or assets, pre-tax profits, earnings growth, revenue growth, share price growth, shareholder returns, gross or net profit margin, earnings before deduction of interest and taxes (EBIT), comparison to peer companies, or any combination of the foregoing, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to the results of a peer group. Actual financial performance is measured by reference to Cascade's financial records and consolidated financial statements, subject to certain adjustments which the Compensation Committee may make.

Terms of Awards: Stock appreciation rights may have a maximum term of 10 years.

Limitation on Awards: The Plan provides that an individual employee may not be granted more than 100,000 stock appreciation rights or 100,000 performance-based restricted shares annually. Cascade has not granted this number of stock appreciation rights or restricted shares to any individual employee in any year in the past.

Overall Share Limitation: No more than 750,000 Cascade common shares may be issued under the Plan. As of March 1, 2011, 580,096 shares have been issued or are subject to outstanding awards under the Plan.

Awards to Directors: Non-employee directors are entitled to annual restricted stock awards of the number of shares which most nearly totals \$60,000 in value, based upon the closing price of Cascade's shares quoted on the New York Stock Exchange on the business day following the next quarterly announcement of Cascade's earnings following Cascade's annual meeting of shareholders.

Table of Contents

Vesting: Vesting of stock appreciation rights and all restricted shares granted to employees is generally established by the Compensation Committee at the time awards are granted. The Compensation Committee in the past has specified that stock appreciation awards vest at the rate of 25% per year over a four-year period and that restricted stock awards vest at the rate of 33 1/3% per year over a three-year period.

Administration: The Compensation Committee, consisting entirely of outside directors, as defined by Section 162(m), administers the Plan. The Compensation Committee determines those employees eligible to receive awards, and, subject to Plan requirements, the terms and conditions of each award. The Compensation Committee has the authority to apply and interpret the provisions of the Plan.

Changes in Capital Structure and Similar Transactions: In general, if the outstanding shares of our common stock are increased, decreased or changed into or exchanged for a different number or kind of shares by reason of any recapitalization, reclassification, stock split, combination of shares or dividend payable in shares, the Compensation Committee will make appropriate adjustments in the price and number of outstanding SARs then unexercised, so that the participant's proportionate interest before and after the occurrence of the event is maintained. Except where our shareholders receive capital stock of another corporation (Exchange Stock) in exchange for their Cascade common shares in any transaction involving a merger, consolidation, reorganization, or plan of exchange (an Exchange Transaction), in the event of a merger, consolidation, reorganization, plan of exchange, or liquidation involving Cascade as a result of which our shareholders receive cash, stock, or other property in exchange for or in connection with their common shares (an Accelerating Event), any SAR granted under the Plan will terminate, but the participant will have the right during the 30-day period immediately prior to any such Accelerating Event to elect to exercise SARs awarded him or her, in whole or in part, without any limitation on exercisability; provided, however, that such exercise will be deemed to occur immediately prior to such Accelerating Event and will be contingent upon the occurrence of such Accelerating Event. If our shareholders receive Exchange Stock in an Exchange Transaction, all SARs granted under the Plan will be converted into SARs and awards measured by the Exchange Stock, unless the Compensation Committee determines that any or all such SARs will not be converted but will instead terminate in accordance with the provisions of the Plan. The amount and price of converted SARs will be determined by adjusting the amount and price of awards granted under the Plan to take into account the relative values of the Exchange Stock and our common shares in the transaction.

Amendment: The Board may modify or amend the Plan as it deems advisable because of changes in the law while the Plan is in effect or for any other reason; however, amendments which (a) increase the number of shares available under the Plan (other than increases solely to reflect changes in our corporate structure affecting our common stock); (b) change the types of awards available under the Plan; (c) extend the term of the Plan; or (d) constitute a material revision to the Plan or other modification will be subject to shareholder approval pursuant to the New York Stock Exchange Corporate Governance Listing Standards.

Other Information: The Compensation Committee has established the following performance goals and grant guidelines applicable to equity grants based upon fiscal 2012 performance:

Performance Goals (expressed as percentage return on adjusted assets (ROAA) exclusive of extraordinary expense or income items):

Minimum	Target	Maximum
10%	13%	14%

If the goals are met, the Compensation Committee's guidelines provide for the following share grants to NEOs (expressed as the percentage of base salary represented by grant value):

	Minimum	Target	Maximum
CEO	51%	102%	204%
COO	46%	92%	184%
Others	35%	70%	117%

Table of Contents

The Compensation Committee has determined that any grants to NEOs are to be paid one-half in the form of SARs and one-half in the form of performance based restricted shares, with all grants valued as of the date of grant.

A new plan benefits table, as described in the proxy rules of the Securities and Exchange Commission, is not provided because benefits under the Plan will depend on the Compensation Committee's actions and the fair market value of our common stock at future dates. It is therefore not possible to determine the benefits that will be received by key employees if the amendment and restatement of the Plan is approved by our shareholders. SAR and restricted stock awards to NEOs for fiscal 2011 are reported under Executive Compensation Long Term Incentive. Had the ROAA performance goals for fiscal 2012 been in effect for fiscal 2011, the minimum corporate ROAA goal would not have been met and no awards would have been earned.

U.S. Federal Income Tax Consequences: A participant will not recognize taxable income upon the grant of a SAR. Upon the exercise of a SAR, a participant will recognize taxable ordinary income equal to the difference between the fair market value of the underlying shares on the date of exercise and the grant or base price of the SAR.

A recipient of restricted shares generally will be subject to tax at ordinary income rates on the fair market value of the restricted shares at such time as the restrictions applicable to the shares lapse. However, a recipient may elect under Section 83(b) of the Code within 30 days of the date of receiving the restricted shares to recognize ordinary income on the date of receipt equal to the fair market value of such restricted shares (determined without regard to the restrictions). Unless a Section 83(b) election has been made, any dividends received with respect to restricted shares generally will be treated as compensation that is taxable as ordinary income to the participant.

In general, Cascade will be entitled to a deduction in the same amount and at the same time a participant recognizes ordinary income provided that among other things, the income meets the test of reasonableness, is an ordinary and necessary business expense, is not an excess parachute payment under Section 280G of the Code and is not disallowed by the \$1 million limitation on NEO compensation under Section 162(m).

For information on our executive compensation philosophy, see Compensation Discussion and Analysis in this Proxy Statement.

Recommendation of the Board of Directors

The Board of Directors believes that Cascade's best interests will be served by a vote of its shareholders to enable performance-based grants of restricted shares under Cascade's Stock Appreciation Rights and Restricted Stock Plan to qualify for exemption from deductibility limitations imposed on Cascade by Section 162(m). The Board further believes that the Plan provides an important incentive that complements Cascade's existing policies and other executive compensation programs by rewarding the building of long-term shareholder value.

The favorable vote of a majority of votes cast regarding the proposal is required to approve the Amendment and Restatement of the Plan. Accordingly, abstentions and broker non-votes will not affect the outcome of the vote on the proposal.

Our Board unanimously recommends a vote FOR approval of the Amended and Restated Cascade Corporation Stock Appreciation Rights and Restricted Stock Plan.

PROPOSAL 6: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed PricewaterhouseCoopers LLP to serve as Cascade's independent registered public accounting firm for the fiscal year ending January 31, 2012, and as a matter of good corporate governance we are asking shareholders to ratify this appointment. Representatives of PricewaterhouseCoopers LLP are expected to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from shareholders. If the selection of PricewaterhouseCoopers LLP is not ratified, the Audit Committee will consider whether it should select another independent registered public accounting firm.

Our Board unanimously recommends a vote FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP as Cascade's independent registered public accounting firm for the fiscal year ending January 31, 2012.

CORPORATE GOVERNANCE AND OTHER BOARD MATTERS

We are committed to conducting our operations in accordance with accepted principles of good corporate governance and to applying the highest standards of ethical and legal conduct in our business dealings. Our Corporate Governance Guidelines and our Code of Ethics & Business Responsibilities for Directors, Officers and Employees are available on our website at www.cascorp.com and in print to any shareholder who requests them.

Board Independence

Our Corporate Governance Guidelines provide that a majority of the Board must meet the criteria for independence established by applicable law and the requirements of the NYSE. The Board has determined that all of the current directors other than Mr. Warren, our President and Chief Executive Officer, are independent in accordance with applicable law and NYSE requirements. In making its determination, the Board applied the following director independence standards, which reflect the NYSE director independence standards currently in effect:

No director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with Cascade or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cascade or any of its subsidiaries);

A director who is an employee or whose immediate family member is an executive officer of Cascade or any of its subsidiaries is not independent. Such director will become independent three years after the end of such employment relationship;

A director who receives, or whose immediate family member receives, more than \$120,000 per year in direct compensation from Cascade or any of its subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent. Such director will become independent three years after he or she ceases to receive more than \$120,000 per year in such compensation;

A director who is a partner or employee of a firm that is Cascade's internal or external auditor, whose immediate family member is a partner of that firm, whose immediate family member is an employee of that firm who personally works on Cascade's audit, or who, within the last three years, was a partner or employee of that firm and personally worked on Cascade's audit during that time or had an immediate family member who was a partner or employee of that firm who personally worked on Cascade's audit during that time, is not independent;

Table of Contents

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Cascade's or any of its subsidiaries' present executives serve on that company's compensation committee is not independent. Such director will become independent three years after the end of such service or the employment relationship; and

A director who is an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, Cascade or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after such payments cease to exceed such threshold.

The Board has also determined that those directors who serve on the Audit, Compensation and Nominating and Governance Committees of the Board are independent in accordance with applicable law and NYSE requirements. In making its determination with respect to Mr. Wessinger, the Board considered the business relationship between Mr. Warren personally and Mr. Wessinger arising from Mr. Wessinger's position as Vice President - Senior Portfolio Manager of UBS Financial Services and concluded that the relationship was not material to Mr. Wessinger's independence.

Board Committees and Meetings

The Board currently has standing Audit, Compensation and Nominating and Governance Committees. During the year ended January 31, 2011, each director attended at least 75% in aggregate of the meetings of the Board and committees on which he or she served. The members of the committees and the number of meetings held during the year are identified in the following table.

Director	Board	Audit	Nominating and Governance	Compensation
Nicholas R. Lardy	X	X	X	X (Chair)
Duane C. McDougall	X	X (Chair)	X	X
Peter D. Nickerson	X	X	X	X

Robert C. Warren, Jr.	X

Directors are encouraged to attend the annual meeting of shareholders, absent unavoidable circumstances which do not permit attendance. All directors attended the 2010 annual meeting of shareholders.

Corporate Secretary

Cascade Corporation

Post Office Box 20187

Portland, OR 97294-0187

Table of Contents

Our Corporate Governance Guidelines contain Board membership criteria that apply to nominees recommended by the Nominating and Governance Committee. Under these criteria, nominees should possess the highest personal and professional ethics, a background and expertise useful to Cascade and complementary to and different from the background of the other directors and a willingness to devote the required time to the duties and responsibilities of Board membership. In fulfilling its responsibility to identify individuals qualified to serve on the Board and recommending to the Board nominees for election at our annual meeting of shareholders or for appointment by the Board to fulfill an existing or newly created vacancy on the Board the Nominating and Governance Committee evaluates the Board's effectiveness and composition. This includes consideration of the business and professional backgrounds of directors, their current employment, community service and other board service. In addition, although our Corporate Governance Guidelines do not prescribe diversity standards, the Nominating and Governance Committee considers, as a matter of practice, diversity with respect to personal characteristics such as race, ethnicity, gender, and age when identifying and recommending nominees for the Board.

When nominating a candidate to fill a vacancy created by the expiration of the term of a member of the Board, the Nominating and Governance Committee determines whether the incumbent director is willing to stand for re-election. If so, the committee evaluates his or her performance in office to determine suitability for continued service, taking into consideration the value of continuity and familiarity with our business, the director's history of attendance at board and committee meetings and the director's preparation for and participation in such meetings. When nominating a candidate to fill a vacancy where the committee has determined that an incumbent director should not or is not willing to stand for re-election or where the need to add a new board member has been identified, the Committee initiates a candidate search by seeking input from members of the Board and senior management, considering recommendations submitted by shareholders and hiring a search firm, if necessary.

The nominating process begins by identifying a candidate or group of candidates, including any candidates who may be submitted by shareholders, who will satisfy specific criteria and otherwise qualify for membership on the Board. These candidates are then presented to the Nominating and Governance Committee, which ranks the candidates. The Chairman, the CEO and at least one member of the Nominating and Governance Committee interview the prospective candidate or candidates. Other Board members are offered the opportunity to interview candidates. The Nominating and Governance Committee then meets to consider and approve the final candidate or candidates and to recommend and seek the endorsement of the full Board.

Board's Role in Risk Oversight

The Board oversees risk through management presentations at Board meetings and through its Audit Committee. The Audit Committee charter provides that the Committee shall discuss with management the Company's risk exposures and the steps management has taken to monitor and control such exposures. As part of this process, our Director of Internal Audit conducts risk assessments under the Committee's authority, providing periodic reports to the Committee, and the Committee reports to the full Board at least quarterly.

The Board believes its administration of its risk oversight function has not affected the Board's leadership structure.

Non-Executive Chairman of the Board; Executive Sessions

An independent director currently serves as Chairman of the Board. This structure allows for the active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board.

Non-management directors meet in executive session without management in conjunction with at least one Board meeting each quarter and may also meet at other times. Mr. Osterman, as our Chairman, presides at all executive sessions.

(2) Audit-related fees consisted primarily of accounting consultations, employee benefit plan audits and other attestation services.

(3) Tax fees consisted of transfer pricing services and international, federal and state tax advice.

Under its charter, the Audit Committee must pre-approve all auditing services and permitted non-audit services, including fees and terms, to be performed by our independent registered public accounting firm, unless an exception to pre-approval for *de minimus* non-audit services exists under the Securities Exchange Act of 1934. Each year, the independent registered public accounting firm's retention to audit our financial statements, including the associated fee, is approved by the Audit Committee before the filing of the preceding year's annual report on Form 10-K. At the beginning of each fiscal year, management submits to the Audit Committee a summary of all proposed non-audit services expected to be performed by the independent registered public accounting firm in the next year, including a brief description of the project and an estimated project cost. The Audit Committee approves the summary as submitted or with such changes to the scope and nature of work to be performed as it deems desirable. Additional non-audit services identified during the year are submitted to the Audit Committee for approval at the next quarterly Audit Committee meeting. If the services are scheduled to commence prior to the next quarterly meeting, management obtains approval from the Chair of the Audit Committee to proceed with the services. The Chair of the Audit Committee makes the determination at interim dates of whether approval of the entire Audit Committee is needed. In the event the Chair of the Audit Committee is not available to approve non-audit services, a designated Vice-Chair of the Audit Committee can approve such services or determine if approval of the entire Audit Committee is needed. Any approval of non-audit services by the Chair or Vice-Chair of the Audit Committee is reported to the full Audit Committee at the next scheduled meeting.

AUDIT COMMITTEE REPORT

As more fully described in the charter for the Audit Committee, the purpose of the Audit Committee is to assist the Board in its oversight of Cascade's financial reporting, internal control, and audit functions. The Audit Committee is comprised entirely of independent directors. We report that, in discharging our responsibilities and in addition to other work we did, we:

Reviewed and discussed with management and PricewaterhouseCoopers LLP our annual consolidated financial statements for the fiscal year ended January 31, 2011, as well as management's assessment of, and PricewaterhouseCoopers' evaluation of, the company's internal control over financial reporting and overall quality of financial reporting.

Discussed with PricewaterhouseCoopers LLP the matters that Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended, as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200, requires be communicated to, and discussed with, us.

Received written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the PCAOB regarding communications with the Audit Committee concerning independence from Cascade, and we have discussed with PricewaterhouseCoopers LLP its independence from Cascade. The Audit Committee has concluded that PricewaterhouseCoopers LLP's provision of audit and non-audit services to Cascade is consistent with the maintenance of that firm's independence.

Monitored Management's fulfillment of its responsibility for our internal controls and reviewed the conduct of the independent audit of our consolidated financial statements by PricewaterhouseCoopers LLP, including the scope and execution of the audit.

Received presentations from Management, PricewaterhouseCoopers LLP and our Internal Audit Manager throughout the year on specific topics of interest, including the 2011 audit plan, our critical accounting policies, our compliance with internal controls requirements under Section 404 of the Sarbanes-Oxley Act, accounting for the funding of certain defined benefit pension and retiree medical funding obligations, internal audits of certain business procedures and various U.S. and foreign income tax matters.

Based on the review and discussion referred to above, we recommended to the Board, and the Board approved, the inclusion of the audited annual consolidated financial statements for the fiscal year ended January 31, 2011, in our Annual Report on Form 10-K for the fiscal year ended January 31, 2011, for filing with the Securities and Exchange Commission.

The Audit Committee appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ended January 31, 2012, and recommends to the shareholders of Cascade that they ratify the appointment. We have reviewed the PricewaterhouseCoopers LLP audit plan for the fiscal year ended January 31, 2011.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This Compensation Discussion and Analysis section describes our compensation philosophy, practices, and policies for our principal executive officer, principal financial officer and our three other most highly-compensated executive officers for our fiscal year ended January 31, 2011. These officers, referred to as named executive officers or NEOs are: Robert C. Warren, Jr., President and Chief Executive Officer; Richard S. Anderson, Senior Vice President and Chief Operating Officer; Jeffrey K. Nickoloff, Vice President - Corporate Manufacturing; Joseph G. Pointer, Vice President and Chief Financial Officer and Susan Chazin-Wright, Vice President-Human Resources. This section also explains the structure and rationale associated with each element of NEO total compensation, and it provides important context for the detailed disclosure tables and specific compensation amounts disclosed in this Proxy Statement.

Compensation Committee

The Compensation Committee consists of six directors, all of whom are independent in accordance with NYSE requirements. Nicholas R. Lardy, Ph.D., serves as the Chair of the Compensation Committee. The other members of the Compensation Committee are Duane C. McDougall, Peter D. Nickerson, James S. Osterman, Henry W. Wessinger II, and Nancy A. Wilgenbusch, Ph.D. The Compensation Committee is appointed by, and provides assistance to, the Board in fulfilling its responsibilities relating to the compensation of our executive officers and directors. Additional information regarding the Compensation Committee can be found in this Proxy Statement under Corporate Governance and Other Board Matters - Compensation Committee.

Compensation Philosophy and Objectives

We believe our success is largely dependent on our ability to attract and retain superior executive talent with demonstrated leadership abilities and extensive management experience. We also believe motivating and rewarding our executives for high levels of performance contributes to long-term shareholder value. Accordingly, we seek to attract and retain executive talent by providing market-competitive base compensation and to reward executives for producing superior results. We do so by evaluating executive performance on the basis of two key financial measures, income before taxes as a percentage of net sales and return on average assets, which we believe are closely correlated to building shareholder value.

Our basic compensation philosophy is divided into three areas: base salary, annual cash incentive and long-term incentive.

Base Salary We establish the base salaries of our NEOs at levels that approximate the market median or mean for executives with like responsibilities in a peer group of comparable companies as discussed under Determination of Compensation Levels , with adjustments for variations in executive experience and performance. Despite our use of market salary data, individual salary determinations reflect the qualifications, experience and performance of the individual NEO and the value of the individual to our business.

Annual Cash Incentive We believe our NEOs, who are directly responsible for our global performance, should have a significant portion of their potential cash compensation at risk. Therefore, our annual cash incentive program rewards NEOs for meeting or exceeding designated levels of income before interest and taxes (EBIT) as a percentage of net sales, as established by the Compensation Committee and approved by the Board.

Long-Term Incentive We believe providing a long-term incentive, in the form of stock-based compensation, will encourage our NEOs to operate our business with a longer-term focus by seeking to

Table of Contents

maximize net income relative to our existing assets and acquiring additional assets with superior income potential. We also believe that a long-term incentive promotes retention of future leaders in line with our succession planning efforts.

Total Direct Compensation In evaluating overall compensation, the Compensation Committee believes the combination of base salary, annual cash incentive and long-term incentive, when compared to executives with like responsibilities in comparable companies and industries, should be in the 50th to 75th percentile when our performance is judged to be good, and above the 75th percentile when performance is judged to be outstanding or excellent.

Compensation Consultants

The Compensation Committee has in the past engaged a compensation consultant to provide guidance on executive compensation plan design and structure, prepare market competitive compensation data and recommend appropriate compensation ranges. In fiscal 2011, the Compensation Committee retained Mercer HR Consulting (Mercer) to prepare an executive compensation market analysis of base pay, annual incentive and total direct compensation. The Compensation Committee selected Mercer based on its position as a recognized market leader in global compensation consulting. Mercer is independent and reports directly to the Compensation Committee.

Role of Executives in Compensation Committee Activity

Subject to Board approval, the Compensation Committee is responsible for and makes all decisions regarding compensation for our NEOs. The Compensation Committee's normal practice is to request the CEO and Vice President Human Resources to attend Compensation Committee meetings for the purpose of providing information on company and individual performance. Occasionally other executives may be invited to attend a Compensation Committee meeting to provide pertinent financial and other information. Our CEO is not a Compensation Committee member and while able to provide his insights and suggestions, does not vote on decisions regarding NEO compensation.

With respect to the compensation of the CEO, the Compensation Committee discusses its evaluation of the CEO's performance and compensation with him, but the final determination and all votes regarding his compensation are made without the CEO present.

Compensation Committee Activity

During fiscal 2011, the Compensation Committee met twice to consider and act on the following issues:

Recommend Board approval of annual cash incentive payments for fiscal 2010 and establish performance measures for awards under the fiscal 2011 annual cash incentive plan.

Evaluate and recommend to the Board levels of annual base salary levels for fiscal 2011 for executive and other officers, including the NEOs. This included restoration of 10% reduction in base salary levels for NEOs, which was instituted in fiscal 2010.

Evaluate and recommend Board approval for performance measure for awards under the fiscal 2011 annual cash incentive plan.

Evaluate the CEO's performance and identify new corporate performance objectives for fiscal 2011.

Determination of Compensation Levels

Overall compensation levels of NEOs are based on a number of factors including the individual s experience, expertise, position and responsibility level, pay levels of peers with comparable responsibility within Cascade, competitive pay levels for similar positions with other companies and the performance of the individual and Cascade as a whole. In determining pay levels, the Compensation Committee considers all forms of compensation and benefits and uses outside consultant surveys and guidance to assist with the evaluation.

Mercer conducted a review of executive compensation in fiscal 2011 and provided guidance and advice to the Compensation Committee in establishing executive pay levels. Mercer s work included both an analysis of peer group compensation as described in more detail later and a review of data from appropriate compensation surveys. Survey data covered base pay, annual incentive and long-term incentive.

In making compensation decisions, a major data source used by the Compensation Committee in establishing market competitive pay levels for executive and other officers is the compensation information disclosed by a peer group of similar-size public companies in the industrial machinery and equipment manufacturing industry. Key measures used in selecting the peer group include annual revenue, market capitalization, total assets, number of employees and return on assets. The companies that made up the peer group for fiscal 2011 were (amounts, except for number of employees, are in millions):

Elements of Fiscal 2011 Executive Compensation

The general framework of our executive compensation structure is outlined previously in Compensation Philosophy and Objectives. For fiscal 2011, the components of compensation for NEOs were base salary, annual cash incentive compensation, long-term equity incentive compensation and perquisites and other personal benefits.

Table of Contents

Base Salary Base salaries are reviewed by the Compensation Committee on an annual basis and adjustments made as deemed appropriate. The following summarizes recent actions taken with regards to base salaries:

In December 2008, the Compensation Committee recommended that base salaries for fiscal 2010 be maintained at fiscal 2009 levels given the global economic downturn.

On March 31, 2009 the Compensation Committee recommended to the Board and the Board approved salary reductions of 10% in fiscal 2010 base salaries for all NEOs. The NEOs had previously taken voluntary 10% reductions in their fiscal 2010 base salaries effective February 1, 2009.

The Board voted to restore the reductions effective May 1, 2010.

The Board voted to approve fiscal 2012 base salaries recommended by the Compensation Committee on March 29, 2011. The following table shows base salaries for fiscal 2010 and 2011, as well as base salaries approved for fiscal 2012:

NEO	2010 (1)	2011 (1)	2012
R. C. Warren, Jr.	\$ 486,000	\$ 526,500	\$ 594,000
R. S. Anderson	270,000	292,500	330,000
J. G. Pointer	203,000	226,875	260,100
J. K. Nickoloff	167,000	193,750	225,100
S. Chazin-Wright	185,000	199,875	225,100

(1) Reflects Board approved salary reductions of 10% which were restored effective May 1, 2010.

Annual Cash Incentive Annual cash incentive payments are structured to encourage the building of shareholder value by maximizing our income before taxes. In fiscal 2011, NEOs receive a specified percentage (depending on position) of their base salary as cash incentive payments once earnings before interest and taxes as a percentage of net sales (EBIT) exceed a minimum threshold. If EBIT equals or exceeds a target threshold, participants will receive an increased percentage of their base salary as a cash incentive payment. Cash incentive payments for each participant are limited to a maximum award amount. The Compensation Committee has the discretion to adjust the terms upon which cash payments are made if economic conditions warrant and for considerations of individual performance.

Prior to fiscal 2010 the Compensation Committee had used pre-tax income before non-recurring income or expense items, executive incentive payments, stock based compensation expense and certain other expenses (AIBT) as the primary metrics for awarding cash incentives to NEOs. In fiscal 2010, the Compensation Committee modified the cash incentive program to add cash flow from operations less maintenance capital expenditures and cash expenses related to our European restructuring plan (Free Cash Flow) as an additional factor in awarding cash incentives. This factor was added as the Compensation Committee believed this measure played a substantial role in the protection of shareholder value during the economic downturn then affecting our company's business. No cash incentives were awarded to NEOs in fiscal 2010 since AIBT did not exceed the minimum threshold established by the Compensation Committee.

Table of Contents

Following are the EBIT levels established by the Compensation Committee and actual EBIT for fiscal 2011:

Minimum level	4.2%
Target level	8.5%
Maximum level	9.5%
Actual EBIT(1)	11.3%

(1) With the Compensation Committee's approval the calculation of EBIT for fiscal 2011 excluded \$5.1 million of costs and write-offs related to the flood that occurred at our facility in Brisbane, Australia in January 2011.

The table below shows, as a percentage of base salary, the award opportunities that were available in fiscal 2011 for each NEO depending on the amount of actual EBIT:

NEO	Annual incentive opportunity for Fiscal 2011 as % of Fiscal 2011 Base Salary			Actual Award as a % of Base Salary for Fiscal 2011 Performance		Actual Award
	Minimum	Target	Maximum			
R.C. Warren Jr.	20%	75%	150%	150%		\$ 810,000
R.S. Anderson	17%	65%	130%	130%		390,000
J.G. Pointer	14%	50%	100%	100%		236,500
J.K. Nickoloff	14%	50%	100%	100%		204,600
S. Chazin-Wright	14%	50%	100%	100%		205,000

Long-term Incentive Long-term incentive awards are provided to directors and key employees in the form of SARs and shares of restricted stock. A SAR provides the holder the right to receive an amount, payable in shares of our common stock, equal to the increase in the market value of our common stock on the date of exercise over the base price at the time the right was granted. The base price may not be less than the market price of our common stock on the date of grant. All SAR awards vest ratably over four years and have a term of ten years. An award of restricted stock provides the holder actual shares of common stock which vest over a period of three years for key employees. Dividends are paid to holders of restricted stock during the three year vesting period. Annual awards of SARs and restricted stock are effective as of the close of business on the day following the public release of our earnings for our first fiscal quarter.

The Compensation Committee normally uses ROAA performance for the prior fiscal year in recommending long-term incentive awards for NEOs. ROAA is defined as net income before significant non-recurring or extraordinary items divided by the average total consolidated assets. The Compensation Committee determined ROAA performance goals based on our historical financial performance, expected future performance, consultant's market survey data and the Committee's determination of goals providing sufficient challenge to the NEOs. ROAA performance goals and actual results for fiscal 2008, 2009, 2010 and 2011 are as follows:

	2008	2009	2010	2011
Minimum level targets	12.0%	11.0%	5.0%	5.0%
Target level targets	14.0%	14.0%	6.0%	6.0%
Maximum level targets	15.0%	15.0%	7.0%	7.0%
Actual ROAA	13.6%	7.4%	(2.5%)	7.0%

Awards of restricted stock or SARs are normally based upon grant ranges established by the Compensation Committee taking into account job responsibilities and survey information as to practices at comparable companies, with minimum, target and maximum grants based upon our ROAA. Beginning with

Table of Contents

fiscal 2010, the Committee adopted grant range guidelines stated in terms of market value of awards as of the grant date. Our fiscal 2010 ROAA did not reach the minimum grant guidelines established by the Committee; however, the Committee determined it was in the company's best interest to provide equity grants based upon the minimum levels permitted under the guidelines. The Compensation Committee recommended and the Board approved awards as a means of providing incentive to executives during difficult economic times.

The following table presents the dollar values of award opportunities for NEOs and the actual awards recommended by the Compensation Committee and approved by the Board for fiscal 2010 and awarded in June 2010 (fiscal 2011):

NEO	Type of Award	Minimum Market Value	Target Market Value	Maximum Market Value	Actual Award	Market Value of Award (1)
R. C. Warren Jr.	Restricted Stock	\$ 275,000	\$ 550,000	\$ 1,100,000	8,591	\$ 275,000
R. S. Anderson	Restricted Stock	125,000	250,000	500,000	3,905	125,000
J. G. Pointer	SAR	55,000	110,000	183,000	3,436	55,526
J. K. Nickoloff	SAR	55,000	110,000	183,000	3,436	55,526
S. Chazin-Wright	SAR	55,000	110,000	183,000	3,436	55,526

- (1) Market value of restricted stock equals the market price of our common stock (\$32.01 per share) on the award date, June 8, 2010, multiplied by the number of restricted stock shares granted. This is also the grant price for SARs awards. Market value of SARs equals the grant date fair value (\$16.16 per SAR) based on the Black Scholes method calculated as of the award date, June 8, 2010, multiplied by the number of SAR awards granted.

The following table presents the dollar values of award opportunities for NEOs and the actual awards recommended by the Compensation Committee and approved by the Board for fiscal 2011 and awarded in March 2011 (fiscal 2012):

NEO	Type of Award	Minimum	Target	Maximum	Actual Award (Restricted Stock/SAR)(1)	Market Value of Award (2)
R. C. Warren Jr.	Restricted Stock/SAR	\$ 275,400	\$ 550,800	\$ 1,101,600	11,319/22,415	\$ 1,101,600
R. S. Anderson	Restricted Stock/SAR	124,500	249,000	498,000	5,117/10,133	498,000
J. G. Pointer	Restricted Stock/SAR	59,062	118,125	236,250	2,428/4,807	236,250
J. K. Nickoloff	Restricted Stock/SAR	51,000	102,000	204,600	2,102/4,163	204,600
S. Chazin-Wright	Restricted Stock/SAR	51,250	102,500	205,000	2,106/4,171	205,000

- (1) Following a Compensation Committee recommendation, the Board determined on March 29, 2011, that one-half the value of equity grants to all executive officers should be in the form of restricted stock and one-half in the form of SARs.
- (2) Market value of restricted stock equals the market price of our common stock (\$48.66 per share) on the award date, April 1, 2011, multiplied by the number of restricted shares granted. This is also the grant price for SARs awards. Market value of SARs equals the estimated grant date fair value (\$24.57 per SAR) based on the Black Scholes method calculated as of the award date, April 1, 2011, multiplied by the number of SAR awards granted.

Timing of Compensation Committee Actions For fiscal years 2008, 2009, 2010 and 2011, the Compensation Committee considered base salary adjustments and annual incentive payments based on performance for the prior fiscal year, usually at meetings held in late March or early April. Long term incentive awards based on performance for the prior fiscal year and annual incentive payment thresholds for the current year for NEOs at its first scheduled meeting of the fiscal year and long term incentive grant ranges for the current fiscal year were considered at the Committee's second scheduled meeting, usually held in June. For fiscal 2012,

Table of Contents

the Committee has decided to consider all elements of NEO compensation, including base salaries, cash incentive payments and current year thresholds, and long term incentive awards and ranges, at its first scheduled meeting of the fiscal year. As a result, long term incentive awards based on performance for fiscal 2011 were granted and priced as of the close of business on April 1, 2011, rather than in June, as in the past.

Perquisites and Other Personal Benefits We provide the NEOs with the use of a company automobile and reimburse them for personal income taxes attributable to such use. We also contribute to each NEO's 401(k) plan account and provide reimbursement for the cost of executive physicals. Contributions to 401(k) accounts were based on plan guidelines and provided a matching contribution of up to 4% of compensation and an additional Company contribution of 4% of compensation. These perquisites, which the Compensation Committee believes are reasonable and consistent with our overall compensation program and objectives, are provided to allow us to attract and retain executive talent.

Change in Control Agreements

In 2000, the Compensation Committee approved change in control agreements (CICs) for Robert C. Warren, Jr. and Richard S. Anderson. The CICs were implemented to help us retain these executives, particularly after a change of control has been proposed, and remain competitive in the market. The CICs provide the following benefits for these individuals if they are involuntarily terminated within 12 months following a change in control of Cascade:

Lump sum cash payment of three times average annual salary for three years prior to change in control.

Acceleration of all outstanding stock awards not exercisable at date of change of control.

Health care benefits for up to two years at Cascade's expense.

A change of control under the CICs occurs upon:

A change in the composition of a majority of the Board as a result of contested elections over a 24 month period.

Sale or transfer of all or substantially all of our assets in complete liquidation or dissolution.

Merger or consolidation in which securities possessing more than 50% of the total combined voting power of our outstanding securities are transferred.

Acquisition by a person or group of related persons of securities possessing more than 35% of the total combined voting power of our outstanding securities, pursuant to a transaction which the Board does not recommend to our shareholders.

We believe our approach requiring both an involuntary termination and a change in control is more reasonable and reflective of our intent to compensate the executive in the event of a termination of employment than CICs provided by some other companies that provide executives with benefits solely upon the occurrence of a change in control.

The Compensation Committee does not consider the CICs for purposes of determining the annual compensation levels as discussed in Determination of Compensation Levels.

Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code limits to \$1 million the amount of our tax deduction for certain compensation paid to the NEOs. Certain qualifying performance-based compensation is not subject to

Table of Contents

the \$1 million deduction limit, including compensation related to stock appreciation rights issued under our Stock Appreciation Rights Plan. Annual cash incentive amounts payable under our executive incentive program and compensation related to certain awards under our 1995 Senior Managers Incentive Stock Option Plan would not be exempt from the \$1 million limit. For fiscal 2011, certain compensation paid to Robert C. Warren, Jr., exceeded the Section 162(m) deductibility limit. The Compensation Committee intends to preserve the tax deductibility of executive compensation to the extent practicable but reserves the right to recommend future compensation that does not comply with the Section 162(m) requirements for deductibility if it concludes that this is in the best interests of Cascade.

Compensation Committee Report

We have reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and in Cascade's Annual Report on Form 10-K for the fiscal year ended January 31, 2011.

- (1) Amounts reflect the aggregate grant date fair value of restricted stock awards computed in accordance with U.S. GAAP. Restricted stock awards were valued at \$32.01 per share for fiscal 2011, \$24.50 per share for fiscal 2010, and \$44.24 per share for fiscal 2009, which represented the closing price of a share of Cascade common stock on the grant date. Additional details regarding the terms of awards under the Stock Appreciation Rights and Restricted Stock Plan (the "SAR Plan") and Stock Option Plan are described in the following tables: Grants of Plan-Based Awards in Fiscal 2011 and Outstanding Equity Awards at Fiscal Year-End.
- (2) Amounts reflect the aggregate grant date fair value of SARs computed in accordance with U.S. GAAP. The fair value of each SAR is estimated on the date of grant using the Black-Scholes option-pricing model. SAR awards were made on June 8, 2010 with a Black-Scholes value of \$16.16 per share. A more detailed discussion of the assumptions used in the valuation of SARs awarded in fiscal year 2011 may be found in Note 13 to our Consolidated Financial Statements included in our 2011 Form 10-K. Additional details regarding the terms of awards under the SAR Plan and Stock Option Plan are described in the Outstanding Equity Awards at Fiscal Year-End table.
- (3) Amounts reflect annual executive incentive payments earned for fiscal 2011 (paid in April 2011) and fiscal 2009 (paid in April 2009) under our executive incentive plan ("Executive Incentive Plan"). No executive incentive payments were made for fiscal 2010. The Executive Incentive Plan and the metrics used to determine the amounts paid are described in the Compensation Discussion and Analysis under Elements of Fiscal 2011 Executive Compensation - Annual Cash Incentive Compensation.

- (3) Mr. Pointer, Ms. Chazin-Wright, and Mr. Nickoloff were each granted 3,436 SARs at a base price of \$16.16 for each SAR. Each SAR is payable only in shares of Cascade common stock, with the number of shares into which the SAR is payable calculated by determining the difference between the closing price of Cascade's common stock on the date of exercise and the base price of the SAR established at the time of grant, and then dividing the difference by the closing price of Cascade common stock on the date of exercise. The number of underlying shares was calculated by determining the difference between \$47.07, the closing price of Cascade's common stock on January 31, 2011, and \$32.01, the base price of the SARs established at the time of grant, multiplying that figure by the number of SARs granted and then dividing the product by the closing price of Cascade common stock on January 31, 2011.
- (4) Exercise or base price of SARs is the closing price of our common stock on the grant date, June 8, 2010.
- (5) Represents grant date fair value of SARs calculated in accordance with U.S. GAAP. Assumptions used in calculating expense as required by U.S. GAAP are described in Note 13 to our Consolidated Financial Statements included in our fiscal 2011 Form 10-K, except that the

by the number of SARs held by the officer, and then dividing that difference by the closing price of Cascade common stock on January 31, 2011. The exercise or base price of SARs by grant year is as follows:

Grant Year	Exercise Price

Table of Contents***Potential Payments on Termination or Change-in-Control***

We have entered into severance agreements with Messrs. Warren and Anderson. Under the agreements, each would be entitled to certain benefits if his employment is involuntarily terminated (other than for cause) within 12 months following a change in control of Cascade. In addition to discharge, involuntary termination includes resignation following a change which materially reduces an individual's level of responsibility, a 20% reduction in level of compensation, or a relocation of place of employment by more than 50 miles.

The agreements define a change in control of Cascade as (a) a change in the composition of the Board over a period of 24 months or less as a result of contested elections which results in a majority of Board members who were not Board members at the beginning of the period or were not subsequently nominated or elected by the Board; (b) sale, transfer or other disposition of substantially all of Cascade's assets; (c) a merger or consolidation in which securities with more than 50% of the voting power of all outstanding Cascade securities are transferred to persons different from the holding of such securities prior to the transaction; or (d) the successful acquisition of securities possessing more than 35% of the voting power of all outstanding Cascade securities pursuant to a transaction or series of related transactions that the Board does not recommend for shareholder acceptance or approval.

An officer whose employment is involuntarily terminated following a change in control would receive the following severance benefits: (a) a lump sum payment equal to 2.99 times the officer's average annual compensation of the prior three years as reported on Form W-2; (b) accelerated vesting of all outstanding stock options; and (c) continued health coverage for the officer and eligible dependents for a period of 24 months or until the officer is covered by another health plan which provides a substantially similar level of benefits. In order to avoid becoming an excess parachute payment under federal tax laws, the total benefit package is limited to 2.99 times the officer's average compensation as reported on Form W-2 for the prior five years, subject to certain exceptions, provided under the Code.

Each agreement provides that the officer will not compete with us for a period of 24 months following termination of employment for any reason.

The following table shows the potential payments as described above upon involuntary termination following a change in control on January 31, 2011, for Messrs. Warren and Anderson:

Name	Lump-sum	Accelerated	Continued	Total
	Payment (1)	Awards Vesting (2)	Health Coverage (3)	
R.C. Warren, Jr.	\$ 2,351,000	\$ 917,000	\$ 19,000	\$ 3,287,000
R.S. Anderson	\$ 1,645,000	\$ 411,000	\$ 19,000	\$ 2,075,000

(1) Amounts represent 2.99 times three year average, subject to limitation under Internal Revenue Service guidelines.

(2) Includes unvested restricted stock.

(3) Amounts represent the cost of health care coverage for 24 months.

Table of Contents**EQUITY COMPENSATION PLAN INFORMATION**

The following table gives information about equity awards under the Cascade Corporation 1995 Senior Managers Stock Incentive Plan, under which no future awards may be issued, and the Cascade Corporation Stock Appreciation Rights and Restricted Stock Plan. These are our only equity compensation plans in effect as of January 31, 2011, the end of our last fiscal year and as of March 1, 2011.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (1)	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in the first column) (2)
Equity compensation plans approved by security holders	474,726	\$ 29.89	169,904
Equity compensation plans not approved by security holders			
Total	474,726		169,904

- (1) The number of common shares to be issued upon the exercise of outstanding SARs was calculated by determining the difference between \$48.10, the closing price of Cascade common stock on March 1, 2011, and the base price of the SARs established at the time of grant, multiplying that figure by the number of SARs outstanding, and then dividing the product by the closing price of Cascade common stock on March 1, 2011.
- (2) The number of shares that may be issued under the Stock Appreciation Rights and Restricted Stock Plan is limited to 750,000. The number of common shares remaining available for future issuance under the Stock Appreciation Rights and Restricted Stock Plan was calculated by deducting from 750,000 the number of shares of common stock that are to be issued upon the exercise of presently outstanding SARs as determined pursuant to footnote (1) and the number of shares which have been issued upon exercise of SARs and issuance of restricted stock since the inception of the Stock Appreciation Rights and Restricted Stock Plan.

Section 1. Purposes

The purposes of the Cascade Corporation Short Term Incentive Plan (the Plan) are (i) to motivate selected key employees of Cascade Corporation (Cascade) to attain and maintain high standards of performance, (ii) to attract and retain capable executives, and (iii) to encourage executives to achieve specific business goals established for Cascade.

The Plan is intended to qualify compensation paid under the Plan to Covered Employees (as defined in Section 3(a) below) as performance-based compensation as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder (Section 162(m)).

Section 2. Administration and Interpretation

(a) The Plan shall be administered by the Compensation Committee (the Committee) of the Board of Directors of Cascade (the Board), which shall consist of not less than two members of the Board who qualify as outside directors as defined under Section 162(m).

(b) The Committee is authorized to interpret the Plan and may from time to time adopt such rules and regulations for carrying out the Plan as it may deem necessary or advisable. Decisions of the Committee shall be final, conclusive and binding upon all parties, including, without limitation, Cascade and the key employees who participate in the Plan.

(c) The Plan shall be administered to comply with Section 162(m). Should any provisions of the Plan cause any award to a Covered Employee to not qualify as performance-based compensation under Section 162(m), that provision shall be disregarded, but the other provisions of the Plan shall remain in effect. Any action disregarding any portion of the Plan shall modify the disregarded terms to comply with Section 162(m) while giving as much effect as possible to the intent of the Plan.

Section 3. Participation

(a) Participation in the Plan during any fiscal year of Cascade (Plan Year) shall be limited to (i) any person serving as Chief Executive Officer of Cascade and each other executive officer of Cascade that the Committee determines, in its discretion, is or may be a covered employee of Cascade within the meaning of Section 162(m) (Covered Employees) and (ii) those key employees of Cascade, other than the Covered Employees, who, in the sole opinion of the Committee, are in a position to have a significant impact on the performance of Cascade and who are selected by the Committee (Key Employees and together with the Covered Employees, Participants);

(b) Unless otherwise determined by the Committee in its sole and absolute discretion, or as provided in a Participant's employment agreement, if a Participant ceases to be employed by Cascade prior to the end of a Plan Year for any reason other than disability (as determined by Cascade), retirement at or after age 55, or death, his or her participation in the Plan for such Plan Year will terminate forthwith and he or she will not be entitled to any award for such Plan Year. If, prior to the end of a Plan Year, a Participant's employment ceases because of disability (as determined by Cascade), retirement at or after age 55, or death, but the Participant has met the Performance Goals required to earn an award under the Plan, or if the effective date of participation by a Participant for any year shall be after February 1 of a Plan Year, the Participant shall be entitled to receive only that proportion of the amount, if any, that he or she otherwise would have received under the Plan for the full Plan Year which the number of calendar days of his or her participation in the Plan during such Plan Year bears to the total number of calendar days in such Plan Year; *provided, however*, that if the effective date of participation by a Covered Employee for any Plan Year shall be after the first day of the Plan Year, then the

Table of Contents

Committee must establish the Performance Goals (as defined in Section 4(d) below) for such Covered Employee while the performance relating to such Performance Goals remain substantially uncertain within the meaning of Section 162(m) and in no event after 25% of the Plan Year has elapsed.

Section 4. Determination of Incentive Awards

Within the time period prescribed by Section 162(m) for each year, the Committee may authorize awards to Participants as follows:

(a) For each Plan Year, the Committee shall: (i) determine the Participants who are to be eligible to receive performance-based awards under the Plan during such Plan Year, (ii) notify each such Participant in writing concerning his or her selection for participation in the Plan for such Plan Year, (iii) select the Performance Criteria applicable to such Plan Year for each such Participant, or for categories of Participants, and (iv) establish, in terms of an objective formula or standard for each Participant, the Performance Goal and the amount of each award which may be earned for such Plan Year if such Performance Goal is achieved.

(b) The term **Performance Criteria** means the criteria that the Committee selects for purposes of establishing the Performance Goal or Performance Goals for a Participant or category of Participants. The Performance Criteria that will be used to establish Performance Goals are limited to the following: net earnings, operating earnings or income, earnings per share, cash flow, absolute and/or relative return on equity or assets, pre-tax profits, earnings growth, revenue growth, share price growth, shareholder returns, gross or net profit margin, earnings before deduction of interest and taxes (**EBIT**), comparison to peer companies, or any combination of the foregoing, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to the results of a peer group.

(c) The term **Performance Goals** means the goals established in writing by the Committee for the Plan Year based upon the Performance Criteria. The Performance Goal may be expressed in terms of overall Company performance or the performance of an operating unit, business unit, segment, subsidiary or other division or any portion or combination thereof of Cascade.

(d) Actual financial performance shall be measured by reference to Cascade's financial records and the consolidated financial statements of Cascade. In determining performance, the Committee in its sole and absolute discretion shall, in the case of awards to Covered Employees, and may, in the case of awards to Key Employees, direct that adjustments to the Performance Goals or actual financial performance as reported be made to reflect extraordinary organizational, operational or other changes that have occurred during such Plan Year, such as (without limitation) acquisitions, dispositions, expansions, contractions, material non-recurring items of income or loss or events that might create unwarranted hardships or windfalls to Participants, in each case, with respect to Covered Employees, only to the extent consistent with the requirements of Section 162(m) to qualify such awards as performance-based compensation. Notwithstanding the foregoing, the Committee may, by express provision with respect to a specific award provide at the time the Performance Goals are established that one or more of the adjustments in the foregoing sentence will not be made with respect to the award or establish such other events or circumstances, consistent with Section 162(m), with respect to which the Committee will make appropriate adjustment to the award. The Committee is authorized at any time during or after the Plan Year to increase (except with respect to awards payable to Covered Employees), reduce or eliminate the amount of an award payable to any Participant for any reason.

Section 5. Awards

(a) On or before April 10 of the year subsequent to any Plan Year, the Committee shall determine awards to Participants for such Plan Year by comparing actual financial performance to the Performance Goals, Performance Criteria and amounts of awards adopted by the Committee for such Plan Year and the Committee shall, with respect to Covered Employees, certify, by resolution or other appropriate action in writing, that the amount of the award has been accurately determined in accordance with the terms, conditions and limits of the

Table of Contents

Plan and that the Performance Goals and any other material terms established by the Committee or set forth in this Plan were in fact satisfied. If the Committee has not adopted specified goals for the Plan Year, the Committee shall meet by April 10 of the Plan Year subsequent to the Plan Year to determine if discretionary bonuses shall be awarded to Key Employees. Each award under the Plan shall be paid in cash promptly (but in no event later than the April 15th of the year following the applicable Plan Year) after the amount of the award has been determined and, with respect to awards to Covered Employees, the Committee has certified that the relevant performance goals have been achieved.

(b) It is not required that the maximum amount available for awards in any Plan Year be awarded, nor that an award will be granted to any particular Participant for any Plan Year. Any portion of any amount available for making awards for any Plan Year which shall not have been awarded, shall not carry over or increase the maximum amount of awards payable in any subsequent Plan Year.

(c) Notwithstanding any provision in the Plan to the contrary, the maximum award payable to any Participant under the Plan for any calendar Plan Year shall be \$2.0 million.

Section 6. Death of Participant

If a Participant dies before or after termination of employment, any unpaid amount of an award shall be paid to his or her legal representatives, in such manner as the Committee may determine in each individual case, or, where the Committee has authorized the designation of beneficiaries, to such beneficiaries as may have been designated by the Participant.

Section 7. Non-Assignability and Contingent Nature of Rights

No Participant or other person shall have any right or interest in the Plan or its continuance, or in the payment of any award under the Plan, unless and until all the provisions of the Plan, the rules adopted thereunder, and restrictions and limitations on the award itself have been fully complied with. No rights under the Plan shall be transferable, assignable or subject to any pledge or encumbrance of any nature.

Section 8. Source of Payments

Cascade shall not have any obligation to establish any separate fund or trust or other segregation of assets to provide for payments under the Plan. To the extent any person acquires any rights to receive payments hereunder from Cascade, such rights shall be no greater than those of an unsecured creditor.

Section 9. Tax Withholding

Cascade or a Subsidiary thereof, as appropriate, shall have the right to deduct from all payments made under the Plan to a Participant or to a Participant's beneficiary or beneficiaries any Federal, state or local taxes required by law to be withheld with respect to such payments.

Section 10. Duration, Termination and Amendment

Subject to approval by Cascade's shareholders at the 2011 annual meeting of Company stockholders, the Plan shall be effective for Cascade's fiscal year commencing February 1, 2011, and shall continue in effect until the fifth anniversary of the date of such stockholder approval, unless earlier terminated as described below. Upon such approval of the Plan by Cascade's stockholders at the 2011 annual meeting of Company stockholders, all awards approved or granted under the Plan for Plan Years beginning on or after February 1, 2011 shall be fully effective.

The Committee may at any time terminate or from time to time modify or suspend, in whole or in part, and if suspended, may reinstate, any or all of the provisions of the Plan in such respects as the Committee may

deem advisable; *provided* that no such termination or modification shall impair any rights which have accrued under the Plan; and *provided further*, that the Committee may not without stockholder approval adopt any amendment that would require the vote of stockholders pursuant to Section 162(m).

Section 11. No Restriction on Right to Effect Changes

The Plan shall not affect in any way the right or power of Cascade or its stockholders to make or authorize any sale of all or any portion of the assets of Cascade or any subsidiary, any merger or consolidation of Cascade or any subsidiary, a reorganization, dissolution or liquidation of Cascade or any subsidiary, or any other event or series of events, whether of a similar character or otherwise.

Section 12. Headings

The headings of sections herein are included solely for convenience of reference and shall not affect the meaning of any of the provisions of the Plan.

Section 13. Governing Law

This Plan shall be governed by and construed in accordance with the laws of the State of Oregon.

Section 14. No Contract of Employment or Right to Awards

Nothing contained herein shall be construed as a contract of employment between Cascade and any Participant, or as giving a right to any person to be granted awards under the Plan or to continue in the employment of Cascade or any of its subsidiaries, or as limiting the right of Cascade or any of its subsidiaries to discharge any Participant at any time, with or without cause.

APPENDIX B

CASCADE CORPORATION STOCK APPRECIATION RIGHTS AND RESTRICTED

STOCK PLAN

(As amended and restated to be effective upon shareholder approval)

Section 1. Purposes.

This Plan is intended to enable Cascade Corporation (the Corporation) to recognize the contribution of executives of the Corporation and its subsidiaries to the Corporation's success, to provide them incentives to enhance the Corporation's business prospects and to recognize their role and that of the Board of Directors (the Board) in increasing value over the long term.

Section 2. Effective Date and Duration of Plan.

(a) Effective Date. This amended and restated Plan shall become effective upon approval by the shareholders of the Corporation.

(b) Duration. No stock appreciation rights (Rights) or restricted shares of Cascade Corporation common stock (Restricted Shares) may be granted under the Plan after May 31, 2013. However, the Plan shall continue in effect until all rights issued under the Plan have been exercised or have expired. The Board may suspend or terminate the Plan at any time, except with respect to outstanding Rights and Restricted Shares. Termination shall not affect any outstanding Rights or Restricted Shares, or the forfeitability of Rights or Restricted Shares granted under the Plan.

Section 3. Administration.

The Plan shall be administered by the Compensation Committee of the Board (the Committee), which shall consist of not less than two members of the Board who qualify as outside directors as defined under Section 162(m) of the Internal Revenue Code. The Committee shall have full power and authority, subject to the provisions of the Plan, to:

(a) Designate employee participants;

(b) Determine the amount and other terms and conditions of Rights to employees, such determinations to be subject to Board approval in the case of grants to officers of the Corporation.

(c) Determine the amount, conditions and restrictions for grants of Restricted Shares, such determinations to be subject to Board approval in the case of grants to officers of the Corporation, and those terms and conditions of Restricted Share grants to non-employee members of the Board of Directors which are not stated in Section 12 of the Plan.

(d) Adopt and amend rules and regulations relating to administration of the Plan, advance the lapse of any waiting period, accelerate any exercise date, and make all other determinations in the judgment of the Committee necessary or desirable for the administration of the Plan.

Decisions of the Committee as to interpretation of, any Rights or Restricted Shares granted pursuant to, the Plan and any related agreement shall be final. The Committee in its sole discretion may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any related agreement.

Section 4. Eligibility.

The Committee may from time to time grant Rights or Restricted Shares to such key executive employees of the Corporation (Participants) or of any subsidiary as the Committee may deem eligible.

Table of Contents

Section 5. Rights / Share Limitation.

(a) A Right is a right granted under the Plan which enables the holder to receive at the time of exercise an amount, payable solely in the form of Cascade Corporation common shares valued at Fair Market Value, equal to the difference between the Fair Market Value of a single common share of Cascade Corporation stock and the Base Price of a single common share of Cascade Corporation stock.

(b) In no event shall more than 750,000 Cascade Corporation common shares, as adjusted by the Committee to reflect proportionately any recapitalization, reclassification, stock split, combination of shares, or dividend payable in shares in connection with Cascade Corporation common shares be issued pursuant to the Plan.

(c) In no event shall more than 100,000 Cascade Corporation common shares, as adjusted by the Committee to reflect proportionately any recapitalization, reclassification, stock split, combination of shares, or dividend payable in shares in connection with Cascade Corporation common shares, be issued to any one individual pursuant to the exercise of Rights granted to such individual under the Plan in a single fiscal year.

Section 6. Required Terms and Conditions of Rights.

The Committee may grant Rights under the Plan, subject to such rules, terms, and conditions as the Committee prescribes in accordance with the provisions of the Plan, including the following:

(a) Base Price. The Base Price of each Right shall be established by the Committee and may not be less than the Fair Market Value of a common share of Cascade Corporation common stock on the date the grant is made.

(b) Fair Market Value. The Fair Market Value of a common share of Cascade Corporation common stock means the closing price quoted on the New York Stock Exchange, or if the shares did not trade that date, on the last prior date on which the shares were traded.

(c) Maximum Term of Right. A Right shall be exercisable during such period of time as the Committee may specify, provided that no Right shall be exercisable after the expiration of 10 years from the date on which it is granted.

(d) Installment Exercise Limitations. Each grant of Rights shall generally become exercisable in equal cumulative annual installments over such period as the Committee may establish, except to the extent that other terms of exercise are specifically provided by other terms of the Plan. The Committee shall have discretion to establish vesting periods and limitations on amounts to be realized upon exercise in connection with grants it may make.

(e) Termination of Employment.

(i) *Death*. If a Participant dies while having unexercised Rights granted under this Plan, such Rights may be exercised for a period of one year after the Participant's death. In the event of a Participant's death, Rights may be exercised by such beneficiary as the Participant may have designated in writing in a manner determined by the Committee. In the absence of such a designation, the Participant's estate shall have the right to exercise such Rights. Rights not exercised during the period provided by this subparagraph, will expire.

(ii) *Retirement*. If a Participant terminates employment after age 62 under circumstances which the Committee in its sole discretion deems equivalent to retirement, all unexercised Rights granted to the Participant under this Plan shall fully vest and may be exercised for a period of one year following

Table of Contents

retirement. Rights not exercised during the period provided by this subparagraph, will expire. The provisions of this subparagraph (ii) shall apply also to retirements due to physical or mental disability which the Committee determines is of such a nature as to prevent further performance of job duties. Should a retired Participant die while entitled to exercise Rights, the provisions of subparagraph (i) above shall apply to the exercise of such Rights, which may be exercised for a period of one year following the Participant's death.

(iii) Other Termination of Employment - Not For Cause. Should a Participant cease to be employed by the Corporation or its subsidiaries for reasons other than Death or Retirement, any Rights the Participant was entitled to exercise at the date of termination may be exercised for a period of 90 days following termination or, if longer, until 30 days have elapsed following the public dissemination of the Corporation's financial results for the first fiscal period ending after the termination of the Participant's employment. Rights not exercisable at the time of termination, and Rights not exercised during such 90-day or extended period, shall expire. Should a terminated Participant die while entitled to exercise Rights, the provisions of subparagraph (i) above shall apply to the exercise of such Rights, which may be exercised for a period of one year following the Participant's death. The rights granted by this subparagraph (iii) shall not apply to a Participant who is terminated for Cause, or whom the Committee determines in its sole discretion has entered into competition with the Corporation.

(iv) Termination for Cause. Participants whose employment is terminated for (A) willful failure to perform reasonable directives of the Corporation's management; (B) use of alcohol or illegal drugs which interferes with the Participant's performance of duties in the judgment of the Corporation's management; (C) dishonesty affecting the Corporation or any related entity or conviction of a felony or any crime involving fraud or misrepresentation; (D) gross negligence or willful misconduct resulting in substantial loss to the Corporation, damage to the Corporation's reputation, or theft, embezzlement or similar loss to the Corporation; or (E) other conduct which the Committee in its sole discretion determines sufficiently harmful to the interests of the Corporation to constitute cause for termination shall forfeit all outstanding Rights awarded under this Plan.

(f) Acceleration of Vesting. The Committee shall have discretion to provide in an individual Participant's grant agreement or subsequently for the exercise of all or a portion of Rights granted to the Participant which would not otherwise be exercisable, in the event of the Participant's Death.

(g) Exercise.

(i) Subject to subparagraph (iv) of this paragraph (g), the Committee shall establish the time or times for exercise of Rights.

(ii) Each Right shall entitle the holder, upon exercise, to receive from the Corporation an amount equal in value to the excess of the Fair Market Value on the date of exercise of one Right over its Base Price. Such amount shall be payable solely in the form of Cascade Corporation common shares valued at Fair Market Value. No Right shall be exercisable at a time that the amount determined under this Subsection is negative. No fractional shares shall be issued as payment hereunder.

(iii) The Corporation shall make no payment hereunder prior to taking steps necessary to assure that it will receive from a participant who has exercised a Right amounts necessary to satisfy any applicable federal, state or local tax withholding requirements, including social security and other normal withholdings.

(iv) Rights may be exercised only during the 30-day period following the third business day after public dissemination of the Corporation's financial results for any fiscal quarter or for its fiscal year.

(h) Non-Transferability. During a Participant's lifetime, Rights shall be exercisable only by the Participant, the Participant's payee pursuant to a valid order by a domestic relations court with jurisdiction,

or by a legally designated guardian or conservator. With the Committee's prior consent, a Participant may transfer Rights to a trust for his or her benefit established for estate planning purposes.

Section 7. Required Terms and Conditions of Restricted Share Awards.

The Committee may grant Restricted Shares outright to a Participant or based upon a Participant's attainment of Performance Goals pursuant to Section 8. Restricted Shares awarded by the Committee to a Participant shall be subject to such rules, terms, and conditions as the Committee may prescribe *in accordance with the provisions of the Plan*, including the following:

(a) **Employment Requirement.** A recipient of a grant of Restricted Shares must remain in the employment of the Corporation during a period designated by the Committee (*Restriction Period*) in order to retain the shares under the Grant. If the recipient ceases to be employed by the Corporation during the Restriction Period, the Restricted Share grant shall terminate and the shares of Common Stock shall be immediately returned to the Corporation; however, the Committee may, at the time of grant, provide for the employment restriction to lapse with respect to a portion or portions of the Grant of Restricted Shares at different times during the Restriction Period. If a Participant terminates employment after age 62 under circumstances which the Committee in its sole discretion deems equivalent to retirement, all restrictions on Restricted Shares granted to the Participant shall lapse. The Committee shall have discretion to provide for such other exceptions to, or waivers of, the employment restriction as it may deem appropriate.

(b) **Lapse of Restrictions.** All restrictions imposed under the Restricted Share grant shall lapse when the restriction period expires if the employment requirement above and any other restrictions or performance goals have been met. The recipient shall then be entitled to certificates representing shares as to which the restriction has expired, with restrictive legends placed pursuant to this Plan removed.

(c) **Dividends.** Any dividends declared on the Restricted Shares during the Restriction Period shall be paid to the recipient.

Section 8. *Performance Awards.*

(a) **Generally.** *Where an award of Restricted Shares is intended to be performance-based (a *Performance Award*), the Committee, within the time period prescribed by Section 162(m), will establish goals (*Performance Goals*) for each period of time over which performance is to be measured (*Performance Period*) on the basis of such criteria (*Performance Criteria*) and to accomplish such objectives as the Committee may from time to time select. Performance Awards shall be earned solely upon attainment of Performance Goals, and the Committee shall have no discretion to increase any Performance Award.*

(b) **Performance Goals.** *Performance Goals may be expressed in terms of overall performance of the Corporation or the performance of an operating unit, business unit, segment, subsidiary or other division or any portion or combination thereof of the Corporation.*

(c) **Performance Criteria.** *The Performance Criteria that will be used to establish Performance Goals are limited to the following: net earnings, operating earnings or income, earnings per share, cash flow, absolute and/or relative return on equity or assets, pre-tax profits, earnings growth, revenue growth, share price growth, shareholder returns, gross or net profit margin, earnings before deduction of interest and taxes (*EBIT*), comparison to peer companies, or any combination of the foregoing, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to the results of a peer group.*

(d) **Measure of Performance.** *Actual financial performance shall be measured by reference to Cascade's financial records and the consolidated financial statements of Cascade. In determining performance, the Committee in its sole and absolute discretion may direct that adjustments to the*

Table of Contents

Performance Goals or actual financial performance as reported be made to reflect extraordinary organizational, operational or other changes that have occurred during such Performance Period, such as (without limitation) acquisitions, dispositions, expansions, contractions, material non-recurring items of income or loss or events that might create unwarranted hardships or windfalls to Participants, to the extent consistent with the requirements of Section 162(m) to qualify such awards as performance-based compensation. Notwithstanding the foregoing, the Committee may, by express provision with respect to a specific award provide at the time the Performance Goals are established that one or more of the adjustments in the foregoing sentence will not be made with respect to the award or establish such other events or circumstances, consistent with Section 162(m), with respect to which the Committee will make appropriate adjustment to the award.

(e) Maximum Performance Award. *All Performance Awards are subject to applicable limitations set forth in Section 5 above. In no event shall more than 100,000 Cascade Corporation common shares, as adjusted by the Committee to reflect proportionately any recapitalization, reclassification, stock split, combination of shares, or dividend payable in shares in connection with Cascade Corporation common shares, be issued to any one individual pursuant to the grant of a Performance Award to such individual under the Plan in a single fiscal year.*

Section 9. Changes in Capital Structure, Mergers, Etc.

(a) Change in Capital Structure. If the outstanding shares of common stock of the Corporation are hereafter increased, decreased or changed into or exchanged for a different number or kind of shares of the Corporation or of another corporation by reason of any recapitalization, reclassification, stock split, combination of shares or dividend payable in shares, the Committee shall make appropriate adjustments in the price and number of outstanding Rights or portions thereof then unexercised, so that the participant's proportionate interest before and after the occurrence of the event is maintained; provided, however, that this Section 9(a) shall not apply with respect to transactions referred to in Section 9(b). Any such adjustment made by the Committee shall be conclusive.

(b) Reorganization or Liquidation.

(i) Cash, Stock or Other Property for Stock. Except as provided in Section 9(b)(ii), upon a merger, consolidation, reorganization, plan of exchange or liquidation involving the Corporation, as a result of which the shareholders of the Corporation receive cash, stock or other property in exchange for or in connection with their common stock (any such transaction to be referred to in this Section 9 as an Accelerating Event), any Right granted hereunder shall terminate, except as specified in the first sentence of Section 9(b)(ii), but the employee shall have the right during the 30-day period immediately prior to any such Accelerating Event to elect to exercise Rights awarded him or her, in whole or in part, without any limitation on exercisability; provided, however, that such exercise shall be deemed to occur immediately prior to such Accelerating Event and shall be contingent upon the occurrence of such Accelerating Event.

(ii) Stock for Stock. If the shareholders of the Corporation receive capital stock of another Corporation (Exchange Stock) in exchange for their common stock in any transaction involving a merger, consolidation, reorganization, or plan of exchange, all Rights granted hereunder shall be converted into stock appreciation rights and awards measured by the Exchange Stock, unless the Committee, in its sole discretion, determines that any or all such Rights shall not be converted, but instead shall terminate in accordance with the provisions of Section 9(b)(i). The amount and price of converted Rights shall be determined by adjusting the amount and price of the Rights or other awards granted hereunder to take into account the relative values of the Exchange Stock and Corporation's common shares in the transaction.

Table of Contents

(iii) *Mergers, Acquisitions, Etc.* The Committee may also grant Rights with terms, conditions and provisions that vary from those specified in the Plan if such awards are granted in substitution for, or in connection with the assumption of, stock appreciation rights awarded by another Corporation and assumed or otherwise agreed to be provided for by the Corporation pursuant to or by reason of a transaction involving a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation to which the Corporation or a parent or subsidiary Corporation of the Corporation is a party.

Section 10. Amendment of Plan.

The Board may modify or amend the Plan in such respects as it deems advisable but no such amendment may (a) increase the number of shares available under the Plan (other than an increase solely to reflect a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation or any other change in corporate structure of the Corporation affecting the common stock, or any distribution to shareholders other than a cash dividend); (b) change the types of awards available under the Plan; (c) extend the term of the Plan; or (d) constitute a material revision to the Plan or other modification requiring stockholder approval pursuant to the New York Stock Exchange Corporate Governance Listing Standards. No change in an award already granted shall be made without the written consent of the holder of such award.

Section 11. Employment and Service Rights.

Nothing in the Plan or any award pursuant to the Plan shall (a) confer upon any employee any right to be continued in the employment of the Corporation or any parent or subsidiary Corporation of the Corporation or interfere in any way with the right of the Corporation or any subsidiary of the Corporation by whom such employee is employed to terminate such employee's employment at any time, for any reason, with or without cause, or increase or decrease such employee's compensation or benefits; or (b) confer upon any person engaged by the Corporation or any parent or subsidiary Corporation of the Corporation any right to be retained or employed by the Corporation or any parent or subsidiary Corporation of the Corporation or to the continuation, extension, renewal, or modification of any compensation, contract, or arrangement with or by the Corporation or any subsidiary of the Corporation.

Section 12. Participation by Directors.

Commencing June 5, 2007, after every annual meeting of the shareholders, each non-employee director of the Corporation shall be awarded a number of Restricted Shares which most nearly totals \$60,000 in value, based upon the closing price of the Corporation's common shares quoted on the New York Stock Exchange on the business day following the next quarterly announcement of the Corporation's earnings. (the Valuation Date) No fractional shares shall be issued. Restricted Share Grants to directors shall be issued as of the Valuation Date. Restricted Share Grants issued prior to June 1, 2010, shall vest and become free of all restrictions 25% after one year and 25% following each year of director service thereafter. Restricted Share Grants issued on or after June 1, 2010, shall vest 100% after one year of director service following such grant. Such awards shall be subject to the provisions of this Plan in all other respects. All Rights which may have been granted to a director prior to the effective date of this Plan as amended and restated shall be exercisable whether or not they would otherwise be subject to exercise, and all restrictions applicable to grants of restricted shares shall lapse, upon the director's death or reaching of the mandatory retirement age established for directors.

Section 13. Rights as a Shareholder.

(a) Recipients of Rights. The recipient of any award of Rights under the Plan shall have no rights as a shareholder with respect to any Right, and except as otherwise expressly provided in the Plan, no adjustment shall be made for dividends or other rights issued to shareholders. Shares issued pursuant to the exercise of Rights may bear such restrictions on sale or other transfer as counsel to the Corporation may determine are required under securities or other applicable laws.

Table of Contents

(b) Recipients of Restricted Shares. Recipients of awards of Restricted Shares shall be entitled to vote such shares on any issue presented to the shareholders for a vote. Recipients of awards of Restricted Shares shall not be entitled to sell or otherwise transfer such shares except as permitted by the agreement evidencing the award. Restricted Shares may bear such restrictions on sale or other transfer as counsel to the Corporation may determine are required under securities or other applicable laws.

Section 14. Governing Law.

The provisions of this Plan shall be governed by and interpreted in accordance with the laws of the State of Oregon.
