Item 1.01 Entries into a Material Definitive Agreement

On October 26, 2012, SunLink Health Systems, Inc. (SunLink or the Company) and its subsidiary, Dexter Hospital, LLC d/b/a Missouri Southern Healthcare (Dexter) entered into an Asset Purchase Agreement (the Agreement) with Southeast Missouri Hospital Association, (Buyer) to sell substantially all of the assets and the leasehold interest of Dexter to the Buyer for approximately \$9,800,000.

The assets of Dexter consist of a leased 50-bed acute care hospital and related clinics, equipment, and home health services in Dexter, MO. Assets retained by Dexter and excluded from the sale include Accounts Receivable as of the closing date and all Medicare and Medicaid incentive payments (EHR Funds) for meaningful use of electronic health record technology. Any future costs related to any actions needed to receive future EHR incentive payments will be incurred by the Company. Retained liabilities generally consist of liabilities incurred prior to the closing date of the transaction. The transaction is subject to a number of preconditions, including satisfactory Buyer due diligence and, subject thereto, is expected to close by December 31, 2012. Pursuant to the Agreement, the Buyer is to conduct its due diligence investigation during a 30 day period after the execution of the Agreement. In the event the Agreement is terminated prior to Closing, Dexter would be entitled, absent a breach by Dexter or casualty to the assets, to a payment of \$500,000. The Agreement may be terminated by either SunLink or the Buyer if the transaction is not consummated prior to December 31, 2012 or such later date as the parties may agree. The sale of the assets and leasehold interest of Missouri Southern for approximately \$9,800,000, less estimated sale expenses and taxes, is expected to result in net proceeds of approximately \$7,000,000 million and an after-tax gain from discontinued operations of approximately \$5,000,000. The Company intends to use the net proceeds from the sale to pay-off outstanding indebtedness, to fund improvements at other existing facilities, and for general corporate purposes.

It is anticipated that Dexter will manage the hospital for the Buyer after closing during a transition period ending June 30, 2013.
