(the Guarantor) and U.S. Bank National Association, as trustee (the Trustee), as supplemented by the Third Supplemental Indenture, dated as of July 26, 2013 (the Third Supplemental Indenture and, together with the Base Indenture, the Indenture), among the Company, the Guarantor and the Trustee. The Notes mature on July 15, 2043 and bear interest at an annual rate of 5.7%, payable semi-annually in arrears on January 15 and July 15 of each year, beginning January 15, 2014.

The Notes are guaranteed on a senior unsecured basis by the Guarantor and will be guaranteed by any other of the Company's domestic subsidiaries that becomes a borrower or a guarantor under the Revolving Credit Agreement, dated as of April 20, 2012, among the Company, Bank of America, N.A., as administrative agent, swing line lender, fronting L/C issuer and several L/C agent and the lenders from time to time party thereto.

The Notes are senior unsecured obligations of the Company and will rank equally in right of payment with all of the Company's existing and future unsecured and unsubordinated indebtedness. The Notes will rank senior to any subordinated indebtedness of the Company. The guarantee is the senior unsecured obligation of the Guarantor and any other subsidiary guarantor and will rank equally in right of payment with all of the subsidiary guarantors' respective other senior unsecured indebtedness from time to time outstanding.

The Company may, at its option, redeem the Notes, in whole or in part, at any time and from time to time, at a redemption price equal to the greater of (i) 100% of the principal amount of the notes being redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the notes to be redeemed (not including any portion of those payments of interest accrued as of such optional redemption date), discounted from their respective scheduled payment dates to such optional redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points, in each case plus accrued and unpaid interest on the notes to the redemption date.

Prior to November 3, 2013, the interest rate payable on the Notes is subject to adjustment from time to time under certain circumstances, such as a downgrade or withdrawal of the rating on the Notes by a rating agency. Prior to November 3, 2013, the Company is also required to make an offer to each holder of Notes to repurchase all or any part of that holder's notes at a repurchase price in cash equal to 101% of the aggregate principal amount of notes repurchased plus any accrued and unpaid interest on the notes repurchased to the repurchase date, under certain circumstances, such as the change of control of the Company resulting in a downgrade of the rating on the Notes by a rating agency.

The Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act) and may not be offered or sold except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

In connection with the offering of the Notes, on July 26, 2013, the Company entered into the Registration Rights Agreement, dated as of July 26, 2013 (the "Registration Rights Agreement"), among the Company, the Guarantor, Credit Suisse Securities (USA) LLC, Deutsche Bank Securities Inc. and Goldman, Sachs & Co.
