Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or 5 with the SEC. Such officers, directors and ten-percent stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) reports they file. We reviewed copies of the forms received by us or written representations from certain reporting persons that they were not required to file these forms. Based solely on that review, we believe that during the fiscal year ended December 31, 2013, our officers, directors and ten-percent stockholders complied with all Section 16(a) filing requirements applicable to them, with the exception of (i) one late Form 4 filing made by George T. Hicks to report 17 transactions made by a broker with discretionary authority, with no instruction from Mr. Hicks, and (ii) one late Form 4 filing made by Mr. Hicks to report one transaction in which shares of common stock were withheld to satisfy tax withholding obligations due upon the vesting of restricted stock previously granted to Mr. Hicks.

Item 11. Executive Compensation.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The Compensation Committee (the "Committee") administers the Company's executive compensation program. In this regard, the role of the Committee is to oversee our compensation plans and policies, administer our Omnibus Stock Incentive Plan and Associate Stock Purchase Plan, review and approve corporate goals and objectives relevant to our Chief Executive Officer's and other executive officers' compensation, perform an annual evaluation of the Chief Executive Officer's and other executive officers' performance in light of those goals and objectives, perform an annual review of executive compensation plans, and annually review and approve all decisions regarding the compensation of executive officers. In addition, the Committee is responsible for annually evaluating the appropriate level of compensation for non-employee directors. The Committee's charter reflects these responsibilities and provides that the Committee and the Board of Directors will periodically review and, if appropriate, revise the charter. The Committee's membership is determined by the Board of Directors and is composed entirely of independent directors. The Committee meets at scheduled times during the year and also takes action by written consent. The Committee

Chairman reports on Committee actions and recommendations to the Board of Directors. In addition, the Committee has the authority to engage the services of outside advisers, experts and others to assist it and to delegate authority to subcommittees as it deems appropriate.

Table of Contents

Certain of our executive officers, including our Chief Executive Officer, participate in Committee meetings (excluding executive sessions of the Committee) and assist the Committee in fulfilling its responsibilities regarding executive and director compensation. In that regard, our executive officers may provide information to the Committee and make recommendations to the Committee regarding compensation programs and levels (including recommendations regarding proposed equity grants). Our Chief Executive Officer typically recommends to the Committee any changes in the compensation of our other executive officers. Nevertheless, the Committee retains the ultimate authority and responsibility for determining the form and amount of executive compensation. The Committee recommends to the full Board of Directors the form and amount of director compensation.

Appointment of T. Andrew Smith as Our Chief Executive Officer

In August 2012, W.E. Sheriff announced his intent to retire as Chief Executive Officer once a successor was named and the transition process was complete. During late 2012 and early 2013, the Committee engaged Chernoff Diamond & Co. LLC, a third-party compensation consultant (Chernoff), to review the compensation of chief executive officers at comparable companies and to assist the Committee in the development of a compensation package for the candidate ultimately chosen by the Board of Directors to serve as the Company's Chief Executive Officer. Chernoff utilized data from the following peer group companies in preparing its report and recommendations: Emeritus Corporation, National HealthCare Corporation, Kindred Healthcare, Inc., The Ensign Group, Inc., Capital Senior Living Corporation, Skilled Healthcare Group, Inc., Five Star Quality Care, Inc., Wyndham Worldwide Corporation, Universal Health Services, Inc., Mednax, Inc., Tenet Healthcare Corporation, Community Health Systems, Inc., Omega Healthcare Investors, Inc., Centene Corporation, Healthcare Realty Trust Incorporated, HealthSouth Corporation, Health Management Associates, Inc., LaSalle Hotel Properties, LifePoint Hospitals, Inc., DiamondRock Hospitality Company, Select Medical Holdings Corporation, Magellan Health Services, Inc., Chemed Corporation, Vanguard Health Systems, Inc., Sunrise Senior Living, Inc., Sun Healthcare Group and Assisted Living Concepts, Inc.

The Committee took this information into account in determining the compensation package that was ultimately provided to T. Andrew Smith upon his appointment as Chief Executive Officer, but did not use the information to benchmark any elements of his compensation. Chernoff reported directly to the Committee and did not provide any other services to the Company.

Our Named Executive Officers

We refer to the following individuals as our named executive officers:

Mr. Smith, our Chief Executive Officer;

Mr. Sheriff, our former Chief Executive Officer;

Mark W. Ohlendorf, our President and Chief Financial Officer;

Gregory B. Richard, our Executive Vice President and Chief Operating Officer;

Bryan D. Richardson, our Executive Vice President and Chief Administrative Officer; and

Glenn O. Maul, our Executive Vice President and Chief People Officer.

Mr. Smith served as our Executive Vice President, General Counsel and Secretary until February 20, 2013, when he became Chief Executive Officer upon Mr. Sheriff's retirement.

Executive Officer Compensation Philosophy

Because we believe that our executive officers are vital to our long-term success, we strive to ensure that our executive officer compensation programs are effective in rewarding performance, retaining key executives responsible for the success of the Company and, when applicable, attracting new executives. To accomplish these objectives, the Company intends to provide compensation that is:

Competitive Externally,

Fair Internally, and

Based upon Performance.

Table of Contents

We have structured our executive compensation programs so that each executive receives a base salary, short-term cash incentive compensation and long-term incentive compensation. We believe that an executive's total annual cash compensation should vary with the Company's and the individual's performance in achieving financial and non-financial objectives, and that any long-term incentive compensation that is awarded should be closely aligned with our stockholders' interests. Thus, long-term incentive compensation should be generally comprised of equity-based awards, the value of which cannot be realized immediately and depends upon the long-term performance of the Company.

At the Company's annual meeting of stockholders held in 2013, more than 95% of the votes cast supported the non-binding, advisory vote to approve the compensation of Brookdale's named executive officers (referred to as the "say-on-pay" vote). The Committee believes this overwhelmingly positive result affirms our stockholders' support of the Company's approach to its executive compensation program and provides assurance that the program is reasonable and well-aligned with stockholder expectations. Given the high level of approval for the say-on-pay vote from our stockholders, the Committee did not change its approach to the Company's executive compensation program. The Committee values the opinions expressed by stockholders in the annual say-on-pay vote and will consider the outcome of such votes when making future compensation decisions for the Company's named executive officers.

2013 Named Executive Officer Compensation

During late 2010, the Committee engaged Chernoff to conduct a thorough review of our executive officer compensation program, in order to assist the Committee in establishing the Company's 2011 executive officer compensation program. The Committee may elect in the future to expand the scope of the engagement of its independent compensation consultants or to retain other compensation consultants (as it did in late 2013, as described below) if it determines that doing so would assist it in implementing and maintaining compensation plans and programs.

In conducting its review, Chernoff completed a market study of the levels, structure and mix of the various elements of compensation provided to executives in similarly-titled roles at comparable companies. Chernoff utilized data from the following peer group companies in preparing its report and recommendations: Amedisys, Inc., Assisted Living Concepts, Centene Corporation, Chemed Corporation, Diamondrock Hospitality, Emeritus Corporation, The Ensign Group, Five Star Quality Care, Inc., Gentiva Health Services, Inc., Health Care REIT, Inc., Health Management Assoc., HealthSouth Corporation, Kindred Healthcare, Inc., LifePoint Hospitals, Inc., Lincare Holdings, Inc., Magellan Health Services, Mednax, Inc., National HealthCare Corporation, Nationwide Health Properties, Inc., Psychiatric Solutions, Inc., RehabCare Group, Inc., Sun Healthcare Group, Inc., Sunrise Senior Living, Inc., Ventas, Inc. and Wyndham Worldwide. Although the Committee did not utilize the information from Chernoff's report to benchmark formally any elements or levels of our named executive officers' compensation, it did generally compare the levels of total compensation and individual elements of compensation provided to the Company's executive officers to the median and 75th percentile levels of compensation provided to executives in similarly-titled roles at the peer companies. Following completion of Chernoff's executive compensation review, the Committee indicated that, while it did not want to formally benchmark its target market position to any particular quartile or percentile, the Committee's objective should generally be to target executive compensation in the 50th to 75th percentile, particularly in light of the complexity of the organization and the size of the Company relative to the peer group. As a result of the Committee's review of Chernoff's report, its discussions with management and its own deliberations, the Committee determined to modify certain elements of the 2011 compensation program for our named executive officers from the program that was in effect during 2010.

For 2013, the Committee generally did not make any changes to our compensation program for our named executive officers from that in place in 2011 or 2012, but it did provide compensation increases and additional grants of equity

awards to certain of our named executive officers in connection with 2013 promotions, and provided additional cost of living base salary increases to certain other named executive officers, each as described below.

Table of Contents

For 2013, the total annual compensation for the Company's named executive officers consisted of base salary, an annual performance-based cash incentive opportunity based on Company and (for each named executive officer other than Mr. Sheriff) individual performance objectives and long-term incentive compensation in the form of time-based and performance-based restricted stock awards, as described below:

Base Salary

The Committee believes that, in order to attract and retain our key executives, it is appropriate to provide a base salary that is both competitive externally and fair internally. Once base salary is fixed, it does not generally depend on the Company's performance; however, subject to any applicable employment agreement provisions, it remains adjustable, based on individual performance.

Annual Cash Incentive Opportunity

The purpose of annual performance-based compensation is to motivate and reward executives for their contributions to the Company's performance for the applicable year by providing them with the opportunity to receive an annual cash bonus based on the achievement of performance objectives. For 2013, each named executive officer had the opportunity to receive an annual cash bonus dependent on the level of achievement of performance goals based on the Company's Cash From Facility Operations (CFFO) per share and, for each named executive officer other than Mr. Maul, year-over-year same community senior housing net operating income (NOI) growth. In addition, for each of the named executive officers other than Mr. Sheriff, a portion of the annual cash incentive bonus opportunity was dependent on the level of achievement of individual performance objectives.

Long-Term Incentive Compensation

The purpose of long-term incentive compensation is to align an executive's long-term goals with those of our stockholders. For 2013, the Committee used time-based and performance-based restricted stock as the forms of long-term incentive compensation awarded to our executives. The Committee believes that the use of restricted stock is particularly helpful in the retention of key executives and appropriately aligns the interests of our executives with the interests of our stockholders. We have never granted stock options to our employees or executives. Additionally, as a retention tool, restricted stock retains some value to the employee irrespective of any movement in stock price. This encourages employees to remain with the Company during the restricted period and to continue to work to achieve the Company's long-term goals for growth and profitability.

2013 Base Salaries

The annual base salaries for our named executive officers for fiscal 2013 are set forth below:

Name	2012 Annual Base Salary	2013 Annual Base Salary
T. Andrew Smith	\$ 480,000	\$ 825,000
W.E. Sheriff	\$ 600,000	\$ 600,000
Mark W. Ohlendorf	\$ 480,000	\$ 490,000

Edgar Filing: Brookdale Senior Living Inc. - Form 10-K/A

Gregory B. Richard	\$ 350,000	\$ 450,000
Bryan D. Richardson	\$ 350,000	\$ 360,000
Glenn O. Maul	\$ 210,000	\$ 250,000

Mr. Sheriff only received base salary through his retirement, which was effective as of February 20, 2013, and thereafter received a consulting fee, as described below in Employment Agreements with Named Executive Officers Employment Agreement and Related Arrangements with W.E. Sheriff. As noted below, Mr. Smith's base salary was increased to \$825,000 in connection with his appointment as Chief Executive Officer effective February 20, 2013. The Committee increased Mr. Richard's base salary to \$360,000 effective January 1, 2013 and then further increased his base salary to \$450,000 in connection with his appointment as Chief Operating Officer effective June 16, 2013.

Table of Contents*2013 Annual Cash Incentive Opportunity*

As noted above, each named executive officer was eligible to receive a cash bonus opportunity for 2013 based on Company, and for each named executive officer other than Mr. Sheriff, individual performance. The 2013 target bonus amounts that each of our named executive officers were eligible to receive were calculated as follows:

Mr. Smith was eligible to receive an amount equal to 125% of the base salary that was paid to him in 2013;

Mr. Sheriff was eligible to receive an amount equal to 100% of his annual base salary, pro-rated to reflect the duration of his service as Chief Executive Officer through his retirement, which was effective as of February 20, 2013;

Mr. Richard was eligible to receive an amount equal to 100% of his annual base salary for his service as Executive Vice President Field Operations through his appointment as Chief Operating Officer effective as June 16, 2013 and an amount equal to 100% of his annual base salary for his service as Chief Operating Officer for the remainder of the year;

Messrs. Ohlendorf and Richardson were eligible to receive amounts equal to 100% of their respective annual base salaries; and

Mr. Maul was eligible to receive an amount equal to 80% of his annual base salary.

The actual 2013 target bonus amounts for the named executive officers are set forth below:

Name	2013 Target CFFO Bonus Opportunity	2013 Target Same Community NOI Growth Bonus Opportunity	2013 Target Individual Objectives Bonus Opportunity	Total 2013 Target Bonus Opportunity
T. Andrew Smith	\$ 619,641	\$ 95,329	\$ 238,324	\$ 953,294
W.E. Sheriff	\$ 97,615	\$ 10,846		\$ 108,461
Mark W. Ohlendorf	\$ 278,000	\$ 49,000	\$ 163,000	\$ 490,000
Gregory B. Richard	\$ 224,765	\$ 40,458	\$ 139,354	\$ 404,577
Bryan D. Richardson	\$ 200,000	\$ 36,000	\$ 124,000	\$ 360,000
Glenn O. Maul	\$ 140,000		\$ 60,000	\$ 200,000

The Company performance portions of the cash bonus opportunity were to be paid dependent on the level of achievement of performance goals developed by management and approved by the Committee based on the Company's budgeted CFFO per share for 2013 and (other than for Mr. Maul) year-over-year same community senior housing NOI growth.

During 2013, Mr. Maul participated in the bonus program applicable to most of the Company's other Executive Vice Presidents and members of management (rather than the program applicable to the other members of the Company's senior management executive committee). Mr. Maul's target bonus opportunity was 80% of his annual earnings attributable to base salary. Seventy percent (70%) of the target bonus opportunity was based on the Company's CFFO per share for 2013. The remaining 30% of Mr. Maul's target bonus opportunity (which, if earned, would be paid irrespective of the Company's CFFO results) was based on the achievement of individual objectives.

The targeted level of CFFO performance under the bonus programs was CFFO per share of \$2.45 for fiscal 2013, which was consistent with the Company's internal business plan. Achievement of the targeted level of performance would have required significant growth in CFFO per share over the Company's actual 2012 CFFO results and management therefore viewed the performance targets to be challenging. For purposes of our 2013 bonus programs, the CFFO per share performance targets were defined as the Company's publicly-reported CFFO per share (as adjusted for integration, transaction-related and electronic medical records (EMR) roll-out costs).

Achievement of the minimum threshold level of CFFO performance under our 2013 bonus programs would have resulted in 20% of this portion of the award being funded. Achievement of the targeted level of CFFO performance would have resulted in 100% of this portion of the award being funded. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. In order to ensure that amounts paid under the program could qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code, the maximum award that any named executive officer could receive with respect to 2013 performance under the 2013 annual cash incentive bonus program was \$2,000,000.

Table of Contents

The actual percentage of the CFFO bonus opportunity set forth above that each named executive officer would have been eligible to receive was determined as follows:

CFFO per Share Targets	Percentage of Target CFFO Bonus Opportunity Awarded
\$2.85	200%
\$2.65	150%
\$2.61	140%
\$2.57	130%

\$2.27	60%
\$2.21	40%
\$2.15	20%
Below \$2.15	0%

Bonus opportunity percentages were to be pro-rated between the steps set forth above.

The targeted level of same community senior housing NOI growth was year-over-year growth of 7.50% for 2013. For purposes of our 2013 bonus programs, the actual level of NOI growth was to be measured using a specified subset of the Company's communities (which was intended to exclude the effect of recent acquisitions and dispositions or other EBITDA-enhancing reinvestments in our communities). Achievement of the minimum threshold level of same community NOI growth performance would have resulted in 20% of this portion of the award being funded.

Achievement of the targeted level of performance would have resulted in 100% of this portion of the award being funded. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. As noted above, the maximum award that any named executive officer could receive with respect to 2013 performance under the 2013 annual cash incentive bonus program was \$2,000,000.

The actual percentage of the same community senior housing NOI growth bonus opportunity set forth above that each named executive officer (other than Mr. Maul) would have been eligible to receive was determined as follows:

Same Community NOI Growth Targets	Percentage of Target Same Community NOI Growth Opportunity Awarded
8.50%	150%

Edgar Filing: Brookdale Senior Living Inc. - Form 10-K/A

8.30%	140%

6.75%	90%
6.00%	80%
5.00%	50%
4.00%	20%
Below 4.00%	0%

Bonus opportunity percentages were to be pro-rated between the steps set forth above.

The individual objectives bonus opportunity was to be payable following the end of the fiscal year, dependent on the level of achievement of certain objectives established for each applicable individual for 2013. The objectives for each named executive officer other than Mr. Smith were established by Mr. Smith, the Company's Chief Executive Officer, and approved by the Committee at the beginning of the performance period. Mr. Smith's objectives were approved by the Board of Directors at the beginning of the performance period. The individual objectives contained both subjective and objective elements and, therefore, the determination of the level of achievement of the goals was, in part, subjective. These individual objectives were intended to create near-term focus by each applicable executive on key strategic initiatives supporting the Company's business plan. It was intended that the objectives would be reasonably achievable, but they would require significant additional efforts on behalf of each of the executives, and the individual objectives bonuses were therefore at risk. The level of achievement of the individual objectives for each named executive officer other than Mr. Smith was to be determined by the Committee promptly following the end of the fiscal year upon the recommendation of Mr. Smith. The level of achievement of Mr. Smith's individual objectives was to be determined by the Board of Directors. Achievement of the targeted level of performance would have resulted in 100% of the award being funded, which represented the maximum individual objectives bonus opportunity for each applicable executive.

Table of Contents

For 2013, Mr. Smith's objectives related to the exploration, negotiation and, if feasible and appropriate, completion of various acquisitions, financing and other transactions, the implementation of organizational goals relating to the Company's senior management team and support office structure, the achievement of operational goals relating to the Company's performance monitoring and planning processes and human capital management strategy and the attainment of various corporate marketing and sales goals. Each of these objectives was chosen based on Mr. Smith's oversight role as the Chief Executive Officer of the Company.

For 2013, Mr. Ohlendorf's objectives related to the analysis and exploration of various financing and other transactions, the implementation of various strategic systems initiatives, the achievement of service alignment targets relating to risk management, resident satisfaction and labor scheduling efficiency, and the development and implementation of various reporting, branding and investor relations goals. Each of these objectives was chosen based on Mr. Ohlendorf's role as the Company's principal financial and accounting officer (including his role in oversight of the Company's information technology team and investor relations activities).

For 2013, Mr. Richard's objectives related to the achievement of service alignment targets relating to risk management, resident satisfaction and labor scheduling efficiency, the establishment of standards for community activities and resident programs, an increase in the year-over-year skilled nursing facility census and the achievement of net operating income goals and various other operational goals. Each of these objectives was chosen based on Mr. Richard's role in oversight of the Company's field operations (including his role in oversight of the Company's ISC and clinical teams) and subsequent appointment as the Company's Chief Operating Officer.

For 2013, Mr. Richardson's objectives related to the analysis and exploration of various financing and other transactions, the achievement of service alignment targets relating to risk management, resident satisfaction and labor scheduling efficiency, the implementation of various strategic systems initiatives, the development of an approved monthly and divisional reporting process, the implementation of an updated employee medical plan and the attainment of certain Program Max goals. Each of these objectives was chosen based on Mr. Richardson's role in oversight of the Company's administrative operations.

For 2013, Mr. Maul's objectives related to the implementation of an updated employee medical plan, the development of a multi-year human capital management strategy, the development and implementation of a refined compensation administration program and the completion and implementation of a disaster recovery and business continuity program. Each of these objectives was chosen based on Mr. Maul's role in oversight of the Company's human resources functions.

2013 Annual Cash Incentive Results

The Company achieved CFFO per share of \$2.50 for 2013 (as shown in the calculation below and as adjusted for integration, transaction-related and EMR roll-out costs). Accordingly, the Committee determined that each of the named executive officers was eligible for a bonus payment based on the Company's CFFO performance, as the Company had achieved in excess of the targeted level of performance. Based on the Company's actual results, the Committee determined that each named executive officer would receive 112.5% of his target CFFO bonus opportunity.

Table of Contents

The table below shows the reconciliation of net cash provided by operating activities to CFFO for the year ended December 31, 2013 and each of the quarters therein. CFFO is a measurement of liquidity that is not calculated in accordance with generally accepted accounting principles, or GAAP, and should not be considered in isolation as a substitute for cash flows provided by or used in operations, as determined in accordance with GAAP. Annual CFFO per share is calculated as the sum of the quarterly amounts for the year. See Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations Non-GAAP Financial Measures in the Original Filing for additional information regarding how we define and use CFFO and the limitations on the use of this non-GAAP financial measure.

The Company achieved year-over-year same community senior housing NOI growth of 8.35% for 2013. Accordingly, the Committee determined that each of the named executive officers (other than Mr. Maul) was eligible for a bonus payment based on the same community NOI growth performance measure, as the Company had achieved in excess of the threshold level of performance. Based on the Company's actual results, the Committee determined that each named executive officer would receive 142.3% of his target same community NOI growth bonus opportunity.

The amounts paid to each of Messrs. Smith, Sheriff, Ohlendorf, Richard and Richardson with respect to the 2013 same community NOI growth bonus opportunity are set forth below:

Name	Total Same Community NOI Growth Bonus Payment
T. Andrew Smith	\$ 135,657
W.E. Sheriff	\$ 15,437
Mark W. Ohlendorf	\$ 69,739
Gregory B. Richard	\$ 57,581
Bryan D. Richardson	\$ 51,237

Table of Contents

Following conclusion of the 2013 fiscal year, the Board of Directors determined that Mr. Smith had earned 95.0% of his individual objectives bonus opportunity. In addition, based upon Mr. Smith's recommendation and the Committee's own evaluation of each named executive officer's performance against the individual performance objectives that had been previously established, the Committee determined that Messrs. Ohlendorf and Richardson had earned 98.0% of their respective individual objectives bonus opportunities, that Mr. Richard had earned 80.0% of his individual objectives bonus opportunity and that Mr. Maul had earned 96.0% of his individual objectives bonus opportunity.

The amounts paid to each of Messrs. Smith, Ohlendorf, Richard, Richardson and Maul with respect to the 2013 individual objectives bonus opportunity are set forth below:

Name	Total Individual Objectives Bonus Payment
T. Andrew Smith	\$ 226,415
Mark W. Ohlendorf	\$ 159,740
Gregory B. Richard	\$ 111,483
Bryan D. Richardson	\$ 121,520
Glenn O. Maul	\$ 57,210

2013 Long-Term Incentive Awards

The Committee granted the following shares of time-based and performance-based restricted stock to each of the named executive officers (other than Mr. Sheriff) as part of their 2013 annual compensation in 2013:

Name	No. of Time-Based Shares Awarded	No. of Performance-Based Shares Awarded
T. Andrew Smith	55,804	65,104
Mark W. Ohlendorf	17,474	17,473
Gregory B. Richard	13,117	13,116
Bryan D. Richardson	13,117	13,116
Glenn O. Maul	6,531	6,530

The time-based shares listed in the table generally vest ratably in four installments on February 27, 2014, February 27, 2015, February 27, 2016 and February 27, 2017, subject only to an officer's continued employment.

Seventy-five percent (75%) of the performance-based shares listed in the table will generally vest on February 27, 2016 and the other twenty-five percent (25%) will generally vest on February 27, 2017, in each case subject to an officer's continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Committee.

The Committee granted an additional 10,429 shares of time-based restricted stock and 10,428 shares of performance-based restricted stock to Mr. Richard in connection with his promotion to Chief Operating Officer in June 2013. The time-based shares will generally vest ratably in four installments on May 20, 2014, May 20, 2015,

May 20, 2016 and May 20, 2017, subject in each case to his continued employment. Seventy-five percent (75%) of the performance-based shares will generally vest on May 20, 2016, and the other twenty-five percent (25%) will generally vest on May 20, 2017, in each case subject to his continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Committee.

The Committee also granted an additional 10,000 shares of time-based restricted stock to Mr. Maul in connection with his promotion to Executive Vice President and Chief People Officer in March 2013 and his subsequent relocation to the Nashville, Tennessee area (as described in greater detail below). These shares will generally vest ratably in four installments on November 19, 2014, November 19, 2015, November 19, 2016 and November 19, 2017, in each case subject to his continued employment.

The performance targets for the performance-based shares vesting in 2016 are based on the Company's three-year compound annual growth rate ("CAGR") of CFFO per share, with results to be measured based on the Company's CFFO per share in 2015. For purposes of the calculation, CFFO per share will exclude acquisition, integration and other transaction costs and will also exclude federal income taxes to the extent that the Company becomes a federal income taxpayer in future periods.

Table of Contents

The performance targets for the performance-based shares vesting in 2017 are based on the Company's calendar year 2016 return on investment (ROI) on all Program Max projects approved in 2013 and completed prior to the end of 2014.

With respect to each performance-based tranche, achievement of the threshold level of performance would result in the vesting of 40% of the shares in that performance-based tranche. Achievement of the targeted level of performance would result in the vesting of 100% of the shares in that performance-based tranche. Any performance-based shares which do not vest in either tranche will be forfeited.

Under the terms of the time-based restricted stock awards granted to these officers (other than certain awards granted to Mr. Smith in connection with his appointment as Chief Executive Officer), if an officer's employment is terminated by the Company without cause, the next tranche of unvested shares will immediately vest. All other time-based shares would be forfeited in such event. Upon the occurrence of a change in control, the next tranche of unvested time-based shares will immediately vest. All other shares would remain outstanding and would vest on the previously established vesting dates (subject only to continued employment). In addition, in the event an executive's employment is terminated without cause by the Company, or the executive terminates employment for good reason, within 12 months following such change in control, all remaining unvested time-based shares will immediately vest. In the event an executive's employment terminates by reason of death or disability, the tranche of shares subject to vesting at the next vesting date will remain outstanding until such date, at which time the shares in that tranche will vest.

Under the terms of the performance-based restricted stock awards granted to these officers (other than certain awards granted to Mr. Smith in connection with his appointment as Chief Executive Officer), if an officer's employment is terminated by the Company without cause or terminates by reason of death or disability, all shares eligible to vest on the next vesting date would remain outstanding until the next vesting date (with all other shares from the performance-based grant being immediately forfeited) and would vest only if and to the extent that the relevant performance targets for such tranche are achieved. If the termination occurs on or prior to February 27, 2015, however, the officer would only be able to achieve vesting of up to 50% of the performance shares (depending on the date of termination and the actual CAGR of CFFO per share during 2013-2014). The actual number of shares that would remain outstanding and be eligible to vest on February 27, 2015 would be determined assuming the performance target for the first tranche of the performance-based restricted shares was based only on the CAGR of CFFO per share during 2013-2014.

Pursuant to the terms of these performance-based restricted stock awards, upon the occurrence of a change in control, all of the shares will automatically convert to time-based vesting. In addition, upon the date of the change in control, the next tranche of these shares would immediately vest. If the change in control occurs after February 27, 2014 but on or prior to February 27, 2015, 50% of these shares would vest. All other shares would remain outstanding and would vest on the previously established vesting dates (subject only to continued employment). In the event an executive's employment is terminated without cause by the Company, or the executive terminates employment for good reason, within 12 months following such change in control, all remaining unvested shares will immediately vest.

The restricted share agreements associated with the awards granted to these officers contain non-competition, non-solicitation, non-disparagement and confidentiality covenants.

Each of these officers will also be entitled to receive dividends on unvested shares granted to them, to the extent that any such dividends are declared in the future.

For a description of the terms of the time-based restricted stock awards and performance based restricted awards granted to Mr. Smith in connection with his appointment as Chief Executive Officer in February 2013, see the section

below entitled Employment Agreements with Named Executive Officers Employment Agreement and Related Arrangements with T. Andrew Smith.

Table of Contents

As discussed in greater detail below, in connection with entering into an amended and restated employment agreement with Mr. Sheriff, the Committee granted Mr. Sheriff 500,000 restricted stock units, or RSUs, in 2009, which became fully vested in February 2013. In granting the award, the Committee indicated that the award was a one-time grant intended to cover multiple years of service and, as such, it was anticipated that Mr. Sheriff would not receive any additional equity awards during the term of his amended employment agreement (although the Committee retained the discretion to make additional awards if the circumstances warrant such awards).

2011 Performance-Based Long-Term Incentive Awards

As previously disclosed, the Committee granted the following shares of performance-based restricted stock to each of the named executive officers (other than Mr. Sheriff) in 2011:

Name	No. of Shares Eligible to Vest in May 2014	No. of Shares Eligible to Vest in May 2015	Total Number of Shares
T. Andrew Smith	25,619	8,540	34,159
Mark W. Ohlendorf	25,619	8,540	34,159
Gregory B. Richard	19,230	6,411	25,641
Bryan D. Richardson	19,230	6,411	25,641
Glenn O. Maul	2,814	939	3,753

Seventy-five percent (75%) of the shares are eligible to vest on May 20, 2014 (2014 Awards) and twenty-five percent (25%) are eligible to vest on May 20, 2015 (2015 Awards), in each case subject to an officer's continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Committee.

With respect to each tranche of awards, achievement of the threshold level of performance would result in the vesting of 40% of the shares in that tranche. Achievement of the targeted level of performance would result in the vesting of 100% of the shares in that tranche. Any shares which do not vest in either tranche will be forfeited.

The performance targets for the 2014 Awards were based on the Company's three year CAGR of CFFO per share, measured based on the Company's CFFO per share in 2013. For purposes of the calculation, CFFO per share excludes acquisition, integration and other transaction costs and federal income taxes. The 2014 Awards were scheduled to fully vest if the Company achieved CFFO of \$2.92 per share for 2013, with a threshold level of performance of \$2.48 per share (40% vesting) and with additional incremental levels of performance of \$2.62 per share (55% vesting) and \$2.76 per share (75% vesting). Based on the Company's actual 2013 results (\$2.50 per share of CFFO), approximately 42.7% of the 2014 Awards are eligible to vest on May 20, 2014, subject to the officer's continued employment, which represented 10,946 shares for Messrs. Smith and Ohlendorf, 8,216 shares for Messrs. Richard and Richardson and 1,202 shares for Mr. Maul.

The performance targets for the 2015 Awards are based on the Company's calendar year 2014 return on investment (ROI) on all Program Max projects approved in 2011 and completed prior to the end of 2012.

Under the terms of these awards, if an officer's employment is terminated by the Company without cause or terminates by reason of death or disability, all shares eligible to vest on the next vesting date would remain outstanding until the next vesting date (with all other shares from the performance-based grant being immediately forfeited) and would vest only if (and to the extent) that the relevant performance targets for such tranche have been achieved.

Pursuant to the terms of these awards, upon the occurrence of a change in control, all of the shares will automatically convert to time-based vesting. In addition, upon the date of the change in control, the next tranche of these shares would immediately vest.

Section 162(m) Limits on Deductibility

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1,000,000 on the amount of compensation that a company may deduct in any one year with respect to its chief executive officer and each of its next three most highly paid executive officers other than the chief executive officer and chief financial officer.

Table of Contents

Certain performance-based compensation approved by stockholders is not subject to the compensation deduction limit. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Committee has not adopted a policy that all compensation must be deductible.

Stock Ownership Guidelines

During 2007, our Board of Directors initially adopted Stock Ownership Guidelines applicable to each of the Company's officers, including our named executive officers, in an effort to further align the interests of our executives with the interests of our stockholders.

Under the guidelines (as amended to date), each of our current named executive officers is expected to hold at least the number of shares listed below associated with his position with the Company, as set forth below:

Position	Ownership Guideline
Chief Executive Officer	150,000
Chief Financial Officer or Chief Operating Officer	100,000
Chief Administrative Officer	50,000
Executive Vice President	35,000

The expected level of ownership may be met through stock purchased by the officer or his or her spouse in the market (whether held individually or jointly) and/or through stock received upon vesting of equity awards. Unvested equity awards do not count toward satisfaction of the guidelines.

Stock ownership levels were to have been achieved by the later of (i) May 9, 2012 (i.e., five (5) years after the initial adoption of the guidelines) or (ii) the fifth anniversary of such officer's appointment or promotion. Until the expected ownership level is achieved, each officer is expected to retain at least 50% of Profit Shares obtained through our stock incentive plans. Profit Shares are the number of shares obtained from the vesting of restricted stock, less the number of shares an officer sells to pay all applicable income and payroll taxes in connection with such vesting.

As of the date hereof, each of our current named executive officers holds a number of shares in excess of the number required by the guidelines.

Employment Agreements with Named Executive Officers

As described below, we entered into an employment agreement with Mr. Smith in connection with his appointment as Chief Executive Officer in February 2013. We entered into an amended and restated employment agreement with Mr. Sheriff on June 23, 2009 and terminated the existing employment agreements with our other named executive officers (other than Mr. Maul) on August 6, 2010 in connection with entering into letter agreements with such officers.

Employment Agreement and Related Arrangements with T. Andrew Smith

On February 11, 2013, we entered into an employment agreement with Mr. Smith. The employment agreement superseded and replaced the severance pay policy letter agreement, dated as of August 6, 2010, between the Company and Mr. Smith (as described below).

The employment agreement has a three year term, subject to automatic extensions for additional one year periods, unless either Mr. Smith or the Company gives written notice to the other no less than 90 days prior to the expiration of the term that the term will not be so extended.

Mr. Smith's initial base salary was \$480,000 per year, which was increased to \$825,000 per year as of the date that his service as Chief Executive Officer began. In addition, Mr. Smith is eligible to receive an annual cash bonus opportunity targeted at 125% of base salary, subject to the terms of our incentive compensation plan for senior executive officers. Mr. Smith is eligible to participate in the various Company benefit plans made available to our senior executive officers. In addition, we provide Mr. Smith with basic term life insurance benefits of at least 100% of his base salary, at no cost to Mr. Smith.

Table of Contents

In the event Mr. Smith's employment is terminated by us without cause or he resigns for good reason (each as defined in the employment agreement) (in each case other than within 12 months following a change in control (as defined in the employment agreement)), upon signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants, he will be entitled to receive the following severance payments and benefits: (i) 250% of his base salary paid in installments over 18 months, (ii) an annual bonus for the year of termination (to the extent earned under the terms of the bonus plan), pro-rated based on the number of days he was employed by us (the Pro-Rated Annual Bonus), and (iii) if then eligible for, and he elects continuation of health coverage under COBRA, we will pay the employer portion of Mr. Smith's COBRA premium payments for 18 months as if he were still an active employee (the Severance Benefits).

If Mr. Smith's employment is terminated by reason of his death or disability (as defined in the employment agreement), Mr. Smith (or his beneficiary or estate, as applicable) will be entitled to receive the Pro-Rated Annual Bonus, subject, in the event of termination by reason of disability, to Mr. Smith signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants.

In the event Mr. Smith's employment is terminated by us without cause or he resigns for good reason, in each case within 12 months following a change in control, upon signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants, he will be entitled to receive the following severance payments and benefits: (i) 300% of his base salary paid in installments over 18 months, (ii) the Pro-Rated Annual Bonus, and (iii) the Severance Benefits.

Termination of Mr. Smith's employment within 30 days of the end of the initial term or any renewal term of the employment agreement following the provision of written notice of non-renewal by us will be treated as a termination of Mr. Smith's employment without cause for purposes of the employment agreement and for purposes of any equity awards previously granted to Mr. Smith or granted to him during the term of the employment agreement.

With respect to any termination of Mr. Smith's employment, treatment of restricted stock awards will be as provided in the applicable award agreement governing such awards, the terms of which are described below.

Any payments that are not deductible to the Company under Section 280G of the Internal Revenue Code will be cut back only to the extent that the cutback results in a better after tax position for Mr. Smith.

The employment agreement contains customary non-competition, non-solicitation, confidentiality and mutual non-disparagement covenants. The non-competition restrictions will continue in effect during Mr. Smith's employment and for one year following his termination of employment; the non-solicitation restrictions will continue in effect during his employment and for two years following his termination of employment. The confidentiality and mutual non-disparagement obligations will apply during his employment and at all times thereafter.

The non-competition provisions provide that Mr. Smith shall not directly or indirectly, either as a principal, agent, employee, employer, consultant, partner, shareholder of a closely held corporation or shareholder in excess of five percent (5%) of a publicly traded corporation, corporate officer or director, or in any other individual or representative capacity, engage or otherwise participate in any manner or fashion in any business that is a Competing Business in the Area (each as defined below). For purposes of this provision: Area means a fifteen (15) mile radius of any senior living facility owned, managed or operated by the Company (or its successor) at the time Mr. Smith's employment is terminated; and Competing Business means the business of owning, operating or managing senior living facilities having gross annualized revenues of at least \$35 million or owning, operating or managing, in the aggregate, at least 1,000 units/beds provided that at least 750 units/beds owned, operated or managed by such business are located within the Area.

Table of Contents

In connection with entering into the employment agreement, Mr. Smith was granted 55,804 shares of time-based restricted stock under the terms of our Omnibus Stock Incentive Plan, as amended and/or restated from time to time (the "Plan"). The time-based shares of restricted stock were granted pursuant to the terms of a restricted share agreement, dated as of the February 11, 2013, between the Company and Mr. Smith.

The time-based shares of restricted stock vested or will vest ratably in four installments on February 27, 2014, February 27, 2015, February 27, 2016 and February 27, 2017, subject only to Mr. Smith's continued employment. In the event that (i) Mr. Smith's employment is terminated without cause (as defined in the Plan), (ii) he resigns for good reason (as defined in the employment agreement), or (iii) his employment is terminated by death or disability (as defined in the Plan), the tranche of restricted stock scheduled to vest on the next vesting date will immediately vest, with any remaining unvested restricted stock being immediately forfeited. Upon the occurrence of a change in control (as defined in the Plan), the tranche of restricted stock scheduled to vest on the next vesting date will immediately vest. All other shares would remain outstanding and would vest on the previously established vesting dates (subject only to continued employment). In addition, in the event that Mr. Smith's employment is terminated without cause or he resigns for good reason, in each case within 12 months following a change in control, any restricted stock that is not vested as of the date of such termination will immediately vest.

In connection with entering into the employment agreement, Mr. Smith was also granted 65,104 shares of performance-based restricted stock under the terms of the Plan. The performance-based shares of restricted stock were granted pursuant to the terms of a restricted share agreement, dated as of February 11, 2013, between the Company and Mr. Smith.

Up to 75% of the performance-based shares of restricted stock are eligible to vest on February 27, 2016, and up to 25% of such shares of restricted stock are eligible to vest on February 27, 2017, in each case subject to Mr. Smith's continued employment and dependent upon the level of achievement of performance targets established for each tranche by the Committee.

The performance targets for the first tranche of performance-based shares are based on the Company's three-year CAGR of CFFO per share, with results to be measured based on our CFFO per share in 2015. The performance targets for the second tranche of performance-based shares are based on the Company's calendar year 2016 return on investment (ROI) on all Program Max projects approved in 2013 and completed prior to the end of 2014. Any performance-based shares which do not vest in either tranche will be forfeited.

Upon the occurrence of a change in control (as defined in the Plan), the tranche of restricted stock scheduled to vest on the next vesting date will immediately vest upon the date of the change in control; provided, however, if the change in control occurs after February 27, 2014 but on or prior to February 27, 2015, 50% of the restricted stock will immediately vest. In addition, upon a change in control, any remaining tranches of restricted stock will be converted into time-vesting tranches, vesting on the same vesting dates initially established for each such tranche, subject only to Mr. Smith's continued employment, and regardless of whether any performance targets are achieved.

In the event that (i) Mr. Smith's employment is terminated without cause (as defined in the Plan), (ii) he resigns for good reason (as defined in the employment agreement), or (iii) his employment is terminated by death or disability (as defined in the Plan) (either before or after a change in control), the tranche of restricted stock scheduled to vest on the next vesting date will remain outstanding until such vesting date (with any remaining restricted stock being immediately forfeited) and would vest only if (and to the extent) that the relevant performance targets for such tranche have been achieved; provided, however, if the termination occurs after February 27, 2014 but on or prior to February 27, 2015, 50% of the restricted stock will remain outstanding and be eligible to vest on February 27, 2015 upon achievement of the applicable performance targets (with any remaining unvested restricted stock being

immediately forfeited). If the tranche of restricted stock scheduled to vest on the next vesting date is subject only to time-vesting (as a result of a previous change in control), such restricted stock will immediately vest. Notwithstanding the foregoing, in the event that Mr. Smith's employment is terminated without cause or he resigns for good reason, in each case within 12 months following a change in control, any restricted stock that is not vested as of the date of such termination will immediately vest.

Table of Contents

The restricted share agreements also contain non-competition, non-solicitation, confidentiality and mutual non-disparagement covenants. Mr. Smith will be entitled to receive dividends on any unvested shares of restricted stock, to the extent that any such dividends are declared in the future.

Employment Agreement and Related Arrangements with W.E. Sheriff

Pursuant to his amended and restated employment agreement (as amended to date), Mr. Sheriff was to be employed as Chief Executive Officer of the Company during the five year term of the agreement. However, at any time during the term, Mr. Sheriff had the ability to elect to resign as Chief Executive Officer and serve the Company as a consultant for the balance of the term by providing the Company with at least six months' prior notice. In August 2012, Mr. Sheriff notified the Board of Directors of his intent to retire as Chief Executive Officer. Mr. Sheriff's retirement became effective on February 20, 2013. Mr. Sheriff currently serves as a consultant pursuant to the terms of the employment agreement and as a member of the Company's Board of Directors.

Under the terms of the amended and restated employment agreement, Mr. Sheriff receives a consulting fee of \$300,000 per year, but is not eligible to receive an annual cash bonus. However, he received a pro rata portion of the annual bonus for the portion of 2013 during which he served as Chief Executive Officer, as described above. During Mr. Sheriff's consultancy, he is eligible to participate in any benefit plans made available to the Company's similarly-situated former executives. The term of Mr. Sheriff's consulting arrangement is scheduled to expire in June 2014.

The employment agreement provides that, in the event Mr. Sheriff's consultancy is terminated by us without cause, or by Mr. Sheriff for good reason (as defined therein), upon signing a release of claims in a form adopted by the Company and continuing to comply with all applicable restrictive covenants, he is entitled to receive the following severance payments and benefits: (i) continuation of his then-current base compensation for the lesser of 24 months from the date of termination or the scheduled expiration of the term and (ii) if he is eligible for and elects continuation of health care coverage under COBRA, the Company will pay the employer portion of his COBRA premium payments for the length of the COBRA coverage period.

The employment agreement contains non-competition, non-solicitation, non-disparagement and confidentiality covenants. The non-competition and non-solicitation restrictions will continue in effect during Mr. Sheriff's consultancy and for two years following his termination as a consultant. The non-disparagement and confidentiality obligations apply during his consultancy and at all times thereafter.

The non-competition provisions provide that Mr. Sheriff shall not directly or indirectly, either as a principal, agent, employee, employer, consultant, partner, shareholder of a closely held corporation or shareholder in excess of five percent (5%) of a publicly traded corporation, corporate officer or director, or in any other individual or representative capacity, engage or otherwise participate in any manner or fashion in any business that is a Competing Business in the Area (each as defined below). For purposes of this provision: Area means a fifteen (15) mile radius of any senior living facility owned, managed or operated by the Company (or its successor) at the time Mr. Sheriff's consultancy is terminated; and Competing Business means the business of owning, operating or managing senior living facilities having gross annualized revenues of at least \$35 million or owning, operating or managing, in the aggregate, at least 1,000 units/beds provided that at least 750 units/beds owned, operated or managed by such business are located within the Area.

In connection with entering into the employment agreement, Mr. Sheriff was granted 500,000 RSUs under the terms of the Plan. Each RSU represented the right to receive one share of the Company's common stock. These RSUs vested in five equal annual installments, with the first installment vesting on December 15, 2009 and the final installment

initially scheduled to vest on December 15, 2013. The final installment actually vested in February 2013 as a result of Mr. Sheriff's retirement as Chief Executive Officer.

Agreements with Other Named Executive Officers

On August 6, 2010, the Committee adopted the Brookdale Senior Living Inc. Severance Pay Policy, Tier I (the Policy). The Policy applies to each of the members of our senior management executive committee (excluding Messrs. Smith and Sheriff) and other officers of the Company who have a title of Executive Vice President or higher. Additionally, on August 6, 2010, the Committee approved letter agreements for certain of these executives,

Table of Contents

including each of the named executive officers (other than Messrs. Sheriff and Maul). The letter agreements, which became effective as of August 6, 2010, terminated each of the named executive officers' then-existing employment agreements (other than the agreement with Mr. Sheriff) in consideration of our adoption of the Policy. The letter agreements also provide for certain modifications to the Policy as it is applied to the named executive officers and state that the Policy will not be amended in a manner that is disadvantageous to a named executive officer without such executive's prior written consent. Mr. Smith's letter agreement was terminated in February 2013 upon the execution of his new employment agreement, as described above.

Pursuant to the Policy, as modified by the letter agreements, following a separation from service (as defined in the Policy) by us without cause (as defined in the Policy) or by a named executive officer with good reason (as defined in the Policy), the named executive officer is entitled to: (1) 250% of the such officer's annual salary at the current rate of base salary in effect at the separation from service (or, if greater, before the occurrence of circumstances giving rise to good reason); and (2) continued health insurance benefits for 18 months (or until a breach of the Policy or such officer becomes eligible for other medical coverage, if earlier). Pursuant to the Policy, as modified by the letter agreements, following a separation from service by us without cause or by a named executive officer with good reason within 12 months following a change in control (as defined in the Policy), the named executive officer is entitled to: (1) 300% of such officer's annual salary at the current rate of base salary in effect at the separation from service (or, if greater, before the occurrence of circumstances giving rise to good reason); and (2) continued health insurance benefits for 18 months (or until a breach of the Policy or such officer becomes eligible for other medical coverage, if earlier). If payments pursuant to the Policy and other arrangements are not deductible by us under Section 280G of the Internal Revenue Code, such payments shall be reduced (or repaid) in order to ensure the Company's deduction of payments in connection with a change in control.

Severance pay will be paid to the named executive officers in equal periodic installments on our regular payroll dates, spanning 18 months and commencing on the 60th day following an executive's qualifying separation from service (as defined in the Policy and modified by the letter agreements) so long as such executive has signed and returned a waiver and release and the seven day revocation period for the signed release has expired. A named executive officer must acknowledge in such release that all restrictive covenants to which he is a party will remain in force for the period specified in such covenants and the severance pay such executive is entitled to is additional consideration for such restrictive covenants. A breach of such covenants will result in the cessation of severance pay and benefits and may result in such officer being required to repay certain severance pay and benefits already provided as well as certain costs and expenses.

Mr. Maul, who is not a party to a letter agreement, is generally eligible to receive the same payments and benefits under the policy as the individuals who are a party to a letter agreement, except that he is not eligible to terminate employment with good reason and receive such payments and benefits prior to a change in control.

Glenn O. Maul Relocation

In 2013, Mr. Maul relocated from his prior residence in Wisconsin to a residence near the Company's Nashville, Tennessee office. Since this relocation was requested by the Company, the Committee determined to provide certain relocation benefits to Mr. Maul, as set forth in the Summary Compensation Table for 2013, below.

2014 Compensation Decisions

In late 2013, the Committee engaged Frederic W. Cook & Co., Inc. (F.W. Cook) to conduct a review of the Company's overall executive compensation plans and programs for 2014 to determine whether any changes needed to be made to ensure that we continue to provide a proper level of compensation to our named executive officers and other

executives. Following F.W. Cook's review and subsequent discussion with the Committee, it was determined by the Committee that no material changes needed to be made. F.W. Cook reported directly to the Committee and did not provide any other services to the Company. The Committee conducted a specific review of its relationship with F.W. Cook, and determined that its work for the Committee did not raise any conflicts of interest, consistent with the guidance provided under the Dodd-Frank Act of 2010, by the SEC and by the NYSE.

Table of Contents

While the Committee did not make any material changes to the Company's executive compensation plans and programs for 2014, it did decide to provide each named executive officer with a cost of living base salary increase equal to approximately two percent of the base salary in effect for 2013.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the disclosure set forth above under the heading "Compensation Discussion and Analysis" with management and, based on the review and discussions, it has recommended to the Board of Directors that the "Compensation Discussion and Analysis" be included herein.

Respectfully submitted by the Compensation Committee of the Board of Directors,

COMPENSATION COMMITTEE

Frank M. Bumstead, Chairman

(1) Represents the aggregate grant date fair value of time-based and performance-based restricted stock awards computed in accordance with FASB Accounting Standards Codification (ASC) Topic 718. See Note 14 to our Consolidated Financial Statements included in the Original Filing for a summary of the assumptions made in the valuation of these awards. As described above in 2013 Named Executive Officer Compensation 2013 Long-Term Incentive Awards, a portion of the amounts listed in 2013 for Messrs. Richard and Maul relate to grants made in connection with their respective promotions in 2013.

(2) Represents the payout of each executive's annual cash incentive opportunity with respect to performance in 2011, 2012 and 2013. Mr. Sheriff received a pro rata portion of the annual bonus he was eligible to receive as Chief

Executive Officer for the portion of 2013 during which he served as Chief Executive Officer prior to his retirement.

- (3) The amount represents the employer matching contribution to our 401(k) Plan for each of our named executive officers other than for Mr. Sheriff and premiums on Company-provided life and disability insurance. For Mr. Maul, the amount also includes \$187,387 in relocation benefits relating to his relocation from Wisconsin to the Nashville, Tennessee area. As part of the relocation benefits, the Company agreed to purchase Mr. Maul's prior residence in Wisconsin for its independently appraised value of approximately \$335,000. The Company subsequently sold the residence for approximately \$326,000, which resulted in a net amount to the Company of approximately \$293,218 after reduction for all costs and expenses of the sale, including broker commissions. The difference between the Company's purchase price and the ultimate amount it received net of all applicable costs and expenses of the sale is included as part of the relocation benefits reflected in this column. The remainder of the relocation benefits for Mr. Maul consisted of a cash relocation allowance (\$135,000) and the use of a moving service (\$10,605).
- (4) Mr. Smith served as Executive Vice President, General Counsel and Secretary until February 20, 2013, when he became Chief Executive Officer. For a summary of his compensation as Chief Executive Officer, see Employment Agreements with Named Executive Officers Employment Agreement and Related Arrangements with T. Andrew Smith, above.
- (5) Mr. Sheriff retired from his position as Chief Executive Officer effective February 20, 2013. The 2013 compensation information represented in these tables reflect the salary (of which \$46,154 represents payment of accrued but unused paid time off upon his retirement), annual cash incentive opportunity and all other compensation he received for the portion of 2013 during which he served as Chief Executive Officer. For a description of the compensation he received for the portion of 2013 during which he served as a consultant pursuant to the terms of his employment agreement and as a member of the Company's Board of Directors, see the section below entitled Compensation of Directors.

- (1) Represents the amounts which would have been payable in cash at threshold and target under the CFFO portion of the Company's 2013 annual cash incentive bonus program for the named executive officers, the terms of which are summarized above. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. In order to ensure that amounts paid under the program could qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code, the maximum award that any named executive officer could receive with respect to 2013 performance under the 2013 annual cash incentive bonus program was \$2,000,000. As reported in the Summary Compensation Table, the named executive officers actually earned the following cash amounts with respect to 2013 performance under this portion of the bonus program: Mr. Smith \$697,118; Mr. Sheriff \$109,817; Mr. Ohlendorf \$312,750; Mr. Richard \$252,861; Mr. Richardson \$225,000; and Mr. Maul \$156,434.
- (2) Represents the amounts which would have been payable in cash at threshold and target under the year-over-year same community NOI growth portion of the Company's 2013 annual cash incentive bonus program for certain of the named executive officers, the terms of which are summarized above. Achievement in excess of the targeted level of performance would have resulted in a payout in excess of 100% of the target bonus opportunity. In order to ensure that amounts paid under the program could qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code, the maximum award that any named executive officer could receive with respect to 2013 performance under the 2013 annual cash incentive bonus program was \$2,000,000. Table of Contents

cash amounts with respect to 2013 performance under this portion of the bonus program: Mr. Smith \$135,657; Mr. Sheriff \$15,437; Mr. Ohlendorf \$69,739; Mr. Richard \$57,581; and Mr. Richardson \$51,237.

- (3) Represents the amounts which would have been payable in cash at target and maximum under the individual objectives portion of the Company's 2013 annual cash incentive bonus program for certain of the named executive officers, the terms of which are summarized above. The individual objectives portion of the bonus program did not specify a minimum threshold level of performance. As reported in the Summary Compensation Table, the named executive officers actually earned the following cash amounts with respect to 2013 performance under this portion of the bonus program: Mr. Smith \$226,415; Mr. Ohlendorf \$159,740; Mr. Richard \$111,483; Mr. Richardson \$121,520; and Mr. Maul \$57,210.
- (4) Represents shares of restricted stock subject to performance-based vesting conditions. As described above, seventy-five percent (75%) of the performance-based shares will vest on February 27, 2016 and twenty-five percent (25%) of the performance-based shares will vest on February 27, 2017 in each case subject to an officer's continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Committee. The performance targets for the first tranche of performance-based shares are based on the Company's three-year CAGR of CFFO per share, with results to be measured based on the Company's CFFO per share in 2015. The performance targets for the second tranche of performance-based shares are based on the Company's calendar year 2016 return on investment (ROI) on all Program Max projects approved in 2013 and completed prior to the end of 2014. With respect to each performance-based tranche, achievement of the threshold level of performance would result in the vesting of 40% of the shares in that performance-based tranche. Achievement of the targeted level of performance would result in the vesting of 100% of the shares in that performance-based tranche. Any performance-based shares which do not vest in either tranche will be forfeited.
- (5) Represents time-based restricted shares that vested or will vest ratably in four installments on February 27, 2014, February 27, 2015, February 27, 2016 and February 27, 2017, subject only to an officer's continued employment.
- (6) Represents shares of restricted stock subject to performance-based vesting conditions. As described above, seventy-five percent (75%) of the performance-based shares will vest on May 20, 2016 and twenty-five percent (25%) of the performance-based shares will vest on May 20, 2017, in each case subject to an officer's continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Committee. The performance targets are substantially similar to those described in footnote (4) to this table.
- (7) Represents time-based restricted shares that vest ratably in four installments on May 20, 2014, May 20, 2015, May 20, 2016 and May 20, 2017, subject only to the officer's continued employment.

Table of Contents

- (1) As noted above, Mr. Sheriff retired from his position as Chief Executive Officer effective February 20, 2013 and became a consultant. Mr. Smith served as our Executive Vice President, General Counsel and Secretary until February 20, 2013, when he became Chief Executive Officer upon Mr. Sheriff's retirement. The table above reflects amounts payable assuming termination of employment (or consulting, as applicable) on December 31, 2013 based on the agreements applicable to such individuals at that date. See Employment Agreements with Named Executive Officers above for a summary of amounts payable to Mr. Sheriff in connection with his consultancy and a summary of Mr. Smith's new employment agreement and restricted share agreements.
- (2) In accordance with the terms of the agreements applicable to each of Messrs. Smith and Sheriff, any bonus payments would have been payable in full, to the extent earned, as of December 31, 2013. Since no additional amount would become payable as a result of any termination of employment (or consulting, as applicable) on December 31, 2013, no amount has been included in the table, in respect of such bonuses.
- (3) A portion of the amounts listed in the applicable columns relate to the potential vesting of performance-based restricted shares following a termination of the executive's employment by us without cause (other than in connection with a change in control), as a result of the executive's death or disability and with respect to the grant made to Mr. Smith in 2013, upon his termination of employment with good reason. As described in more detail below, upon each of these events, the performance-based restricted shares eligible to vest on the next vesting date would remain outstanding until the next vesting date and would vest only if and to the extent the relevant performance targets for such tranche are achieved. The amounts in the applicable columns in respect of the potential vesting of these performance-based restricted shares consists of \$1,074,588 for Mr. Smith, \$750,929 for Mr. Ohlendorf, \$634,517 for Mr. Richard, \$563,659 for Mr. Richardson and \$113,803 for Mr. Maul, and (i) is based on the actual level of achievement of the performance target with respect to the shares granted in 2011, as described above in 2011 Performance-Based Long-Term Incentive Awards, and (ii) assumes that the relevant performance targets for the shares granted in 2012 and 2013 are ultimately achieved at the target level. The remainder of the applicable amounts consists of the accelerated vesting of time-based restricted shares, and in the column under the heading Termination by us without Cause following Change in Control, additional vesting of performance-based restricted shares, each as described in more detail below.

See Employment Agreements with Named Executive Officers above for a summary of the provisions of the employment agreements, severance letters or severance policies applicable to our named executive officers relating to severance, termination and change in control.

Upon any termination of a named executive officer's employment, the executive will be entitled to receive a payout of up to 160 hours of his paid time off (PTO) balance.

Under the terms of the restricted stock awards granted to each of the named executive officers (other than Mr. Sheriff) in 2010, upon the occurrence of a change in control, the next tranche of unvested shares will vest. In addition, in the event an executive's employment is terminated without cause by the Company following such change in control, all remaining unvested shares will vest. In the event an executive's employment terminates by reason of death or disability, the tranche of shares subject to vesting at the next vesting date will remain outstanding until such date, at which time the shares in that tranche will vest.

See 2013 Long-Term Incentive Awards above for a summary of the terms of the 2013 time-based and performance-based restricted stock awards relating to termination and change in control. Similar terms applied to the

2011 and 2012 time-based and performance-based restricted stock awards granted to each of the named executive officers (other than Mr. Sheriff).

Under Mr. Smith's and Mr. Sheriff's agreements, the Company's Omnibus Stock Incentive Plan and the severance letters applicable to the other named executive officers, a change in control shall be deemed to have occurred if (a) any person (other than, for purposes of Mr. Sheriff's agreements and the Omnibus Stock Incentive Plan, certain affiliates of Fortress Investment Group LLC) becomes the beneficial owner of securities representing fifty percent (50%) or more of the combined voting power of the Company's outstanding securities (not including in the securities beneficially owned by such person, any securities acquired directly from the Company or any of its affiliates); (b) the Company or any subsidiary merges or consolidates with any other corporation, except when the individuals who comprise the Company's Board of Directors immediately prior to the transaction constitute at least a majority of the Board of Directors of the surviving entity (or its ultimate parent); or (c) the Company's stockholders approve a plan of liquidation or dissolution or the Company completes the sale of all or substantially all of its assets (other than a sale to an entity, at least fifty percent (50%) of the combined voting power of the securities of which are owned by stockholders of the Company after the transaction in substantially the same proportions as their ownership of the Company prior to the transaction, or other than a sale immediately following which the individuals who comprise the Company's Board of Directors immediately prior to the transaction

constitute at least a majority of the Board of Directors of the entity to which the assets are sold (or its ultimate parent)). In any event, a change of control shall not be deemed to have occurred by virtue of the consummation of any transaction (or series of integrated transactions) immediately following which the Company's stockholders prior to the transaction(s) continue to have substantially the same proportionate ownership in any entity which owns all or substantially all of the assets of the Company immediately following such transaction(s).

Under Mr. Sheriff's employment agreement, *cause* means (a) conviction of, or guilty plea concerning, or confession of, any felony; (b) any act of dishonesty committed by the executive in connection with the Company's business; (c) any material breach by the executive of the employment agreement after written notice and reasonable opportunity to cure; (d) any material breach of any reasonable and lawful rule or directive of the Company; (e) the gross or willful neglect of duties or gross misconduct by the executive; or (f) the habitual use of drugs or the habitual, excessive use of alcohol that, in the Board of Directors' good faith determination, materially interferes with the performance of the executive's duties.

Under Mr. Smith's employment agreement and the severance letters applicable to the other named executive officers, *cause* means (a) conviction of, guilty plea concerning or confession of any felony; (b) any act of fraud, theft or embezzlement committed by the executive in connection with the Company's or its subsidiaries' business, (c) any material breach of any reasonable and lawful rule or directive of the Company; (d) the gross or willful neglect of duties or gross misconduct by the executive; or (e) the habitual use of drugs or habitual, excessive use of alcohol to the extent that any of such uses in the Board's good faith determination materially interferes with the performance of the executive's duties. For purposes of Mr. Smith's employment agreement, *cause* is also defined to include any material breach by Mr. Smith of the agreement, after notice and opportunity to cure.

Under Mr. Smith's and Mr. Sheriff's employment agreements and the severance letters applicable to the other named executive officers, *good reason* means the occurrence, without the executive's written consent, of any of the following circumstances, unless such circumstances are fully corrected by the Company within thirty (30) days following written notice by the executive that he intends to terminate his employment for one of the reasons set forth below: (i) the failure by the Company to pay to the executive any portion of his base salary or bonus within thirty (30) days of the date such compensation is due; (ii) the relocation of the executive's principal office at the Company to a location outside a fifty (50) mile radius from the executive's principal office location at the time of entering into the employment agreement or severance letter (as applicable); or (iii) the executive is assigned duties, compensation or responsibilities that are materially and significantly reduced with respect to the scope or nature of the duties, compensation and/or responsibilities associated with the executive's position. In any event, a termination by Mr. Sheriff for *good reason* shall not be deemed to have occurred by virtue of changes in the executive's duties, benefits and responsibilities resulting upon (or shortly thereafter) the consummation of any transaction (or series of integrated transactions) immediately following which the Company's stockholders prior to the transaction(s) continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of the Company immediately following such transaction(s). For purposes of Mr. Smith's employment agreement, *good reason* is also defined to include any material breach by the Company of the agreement.

In addition, there are no relationships among the Company's executive officers, members of the Committee or entities whose executives serve on the Board of Directors or the Committee that require disclosure under applicable SEC regulations.

COMPENSATION OF DIRECTORS

Under the compensation program for the members of our Board of Directors (other than Mr. Sheriff), each non-affiliated director receives an annual cash retainer of \$100,000. Any director serving as Non-Executive Chairman of the Board receives an additional annual cash retainer of \$25,000, the Chair of the Audit Committee receives an additional annual cash retainer of \$15,000 and the chairs of any other committees of the Board each receive an additional annual cash retainer of \$10,000. Each Board and committee member also receives a \$1,500 cash meeting fee for each Board and committee meeting that he or she attends (whether he or she attends in person or telephonically). All cash amounts are payable quarterly in arrears, with payments to be made on April 1, July 1, October 1 and January 1. Affiliated directors are not separately compensated by us. In addition, following his retirement in February 2013, Mr. Sheriff is compensated for his service as a director and a consultant to the Company under the terms of his employment agreement as described above in Employment Agreements with Named Executive Officers Employment Agreement and Related Arrangements with W. E. Sheriff and is not otherwise separately compensated by us.

Table of Contents

Under the compensation program, each director also has the opportunity to elect to receive either immediately vested shares or restricted stock units in lieu of up to 50% of their quarterly cash compensation. Any immediately vested shares or restricted stock units are issued at the same time that cash payments are made. The number of shares or restricted stock units to be issued is based on the closing price of the Company's common stock on the date of issuance (i.e., April 1, July 1, October 1 and January 1), or if such date is not a trading date, on the previous trading day's closing price. Fractional amounts are to be paid in cash. Each restricted stock unit will be payable in the form of one share of the Company's common stock following the director's termination of service as a member of the Company's Board of Directors.

Each director of the Company who is not (i) an officer or employee of the Company or of any of its parents or subsidiaries or (ii) the beneficial owner, whether directly or indirectly, of ten percent or more of our common stock (an eligible director) is also eligible to receive additional stock grants under our Omnibus Stock Incentive Plan. In addition, each of our independent directors (other than Mr. Schulte) received grants of time-based restricted stock under our Omnibus Stock Incentive Plan promptly following their initial election to the Board.

On February 7, 2008, we entered into a Separation Agreement and General Release with Mr. Schulte, pursuant to which Mr. Schulte resigned in his capacity as Co-Chief Executive Officer of the Company effective February 7, 2008. Pursuant to the Separation Agreement, we agreed to provide, at our expense, continued group health plan coverage for Mr. Schulte and his dependents for so long as he serves as a non-employee director. Under the terms of the Separation Agreement, Mr. Schulte reaffirmed the various restrictive covenants relating to non-competition, non-solicitation, non-disparagement and confidentiality previously made by him in connection with his restricted stock award agreements. These restrictive covenants will continue to apply until the longer of the periods specified in such award agreements or the period ending nine months after the date he is no longer serving us as either an employee or as a member of our Board of Directors.

Director Stock Ownership Guidelines

In February 2014, the Board of Directors adopted Stock Ownership Guidelines that requires each of our non-affiliated directors to maintain ownership of a number of shares of our common stock with a value equal to three times the non-affiliated director's annual cash retainer for service on the board, exclusive of any retainers for service as the Chairman of the Board or of any committee and any cash meeting fees.

The expected level of ownership may be met through stock purchased by the non-affiliated director or his or her spouse in the market (whether held individually or jointly) and/or through stock received upon vesting of equity awards. Unvested equity awards do not generally count toward satisfaction of the guidelines unless elected to be received by the non-affiliated director in lieu of cash compensation.

Stock ownership levels are required to be achieved by the later of (i) February 5, 2019 (i.e., five (5) years after their initial adoption) or (ii) the fifth anniversary of the non-affiliated director's initial appointment or election to the Board of Directors. Until the expected ownership level is achieved, each non-affiliated director is expected to retain at least 50% of any shares obtained through our stock incentive plans.

As of the date hereof, each of our current non-affiliated directors holds a number of shares in excess of the number required by the guidelines.

Stockholders Agreement**

Upon the consummation of our initial public offering, we entered into a Stockholders Agreement with Fortress Brookdale Acquisition LLC, Fortress Investment Trust II, FIT-ALT Investor LLC and Health Partners (as has been and may be from time to time amended, the "Stockholders Agreement"). The Stockholders Agreement provides these stockholders with certain rights with respect to the designation of directors to our Board of Directors as well as registration rights for our securities owned by them. Upon consummation of the merger with ARC, and the related underwritten public offering, Health Partners no longer beneficially owned more than 5% of the voting power of the Company and is no longer a "Stockholder" for purposes of the Stockholders Agreement. Fortress Brookdale Acquisition LLC, Fortress Investment Trust II, FIT-ALT Investor LLC, RIC Coinvestment Fund LP and their respective affiliates and permitted transferees are collectively referred to in this Amendment as the "Fortress Stockholders."

Table of Contents

In connection with the Agreement and Plan of Merger (the *Merger Agreement*), dated as of February 20, 2014, by and among the Company, Broadway Merger Sub Corporation, a wholly owned subsidiary of the Company, and Emeritus Corporation, pursuant to which Merger Sub will merge with and into Emeritus and Emeritus will be the surviving corporation and a wholly owned subsidiary of the Company (the *Merger*), the Company concurrently entered into a letter agreement (the *Fortress Letter Agreement*) with the Fortress Stockholders. The Fortress Letter Agreement provides for the Fortress Stockholders' agreement to vote all of the shares of Company common stock to the extent held by them as of the applicable record date for the Company's special meeting in favor of the transactions contemplated by the Merger Agreement. The Fortress Letter Agreement also amended certain terms of the Stockholders Agreement, as described below.

Designation of Directors

Under our Stockholders Agreement, as amended, FIG LLC, an affiliate of Fortress, is permitted to designate a specified number of individuals to be elected to our board of directors depending on the percentage of voting power of our securities beneficially owned by the Fortress Stockholders. In connection with the approval of an amendment to our Amended and Restated Certificate of Incorporation in November 2009, we and the Fortress Stockholders entered into Amendment Number Two to the Stockholders Agreement, which provided, among other things, that so long as the Fortress Stockholders beneficially own (i) more than 35% of the voting power of the Company, FIG LLC shall be entitled to designate four directors to our board, or, if the board shall be composed of eight or nine members, five directors; (ii) less than 35% but more than 25% of the voting power of the Company, FIG LLC shall be entitled to designate three directors; (iii) less than 25% but more than 10% of the voting power of the Company, FIG LLC shall be entitled to designate two directors; and (iv) less than 10% but more than 5% of the voting power of the Company, FIG LLC shall be entitled to designate one director.

Following completion of a public equity offering of our shares by certain of the Fortress Stockholders in November 2010, the Fortress Stockholders collectively own between 10% and 25% of the voting power of the Company. As a result, in accordance with our amended Stockholders Agreement, FIG LLC is currently entitled to designate two directors. In accordance with the Stockholders Agreement, FIG LLC (or its predecessor) has designated Wesley R. Edens and Randal A. Nardone to our Board of Directors.

The Fortress Letter Agreement provides that, notwithstanding anything in the Stockholders Agreement to the contrary, in the event that at any time the Fortress Stockholders have beneficial ownership of (i) less than 10% of the voting power of the Company, FIG LLC shall cause one director designated by it to immediately resign from our board, and (ii) less than 5,000,000 shares of the Company's common stock, FIG LLC shall cause the remaining director designated by it to immediately resign from our board.

Registration Rights

Demand Rights. For so long as the Fortress Stockholders collectively and beneficially own an amount of our common stock at least equal to 5% or more of our common stock issued and outstanding immediately after the consummation of our initial public offering (a *Registrable Amount*), they will retain demand registration rights that allow them at any time after six months following the consummation of our initial public offering to request that we register under the Securities Act of 1933, as amended, an amount equal to or greater than 5% of our stock that they own. The Fortress Stockholders are entitled to an aggregate of two demand registrations. We are not required to maintain the effectiveness of the registration statement for more than 60 days. We are also not required to effect any demand registration within six months of a firm commitment underwritten offering to which the requestor held piggyback rights and which included at least 50% of the securities requested by the requestor to be included. We are not obligated to grant a request for a demand registration within four months of any other demand registration, and may

refuse a request for demand registration if in our reasonable judgment, it is not feasible for us to proceed with the registration because of the unavailability of audited financial statements.

Piggyback Rights. For so long as the Fortress Stockholders beneficially own an amount of our common stock at least equal to 1% of our common stock issued and outstanding immediately after the consummation of our initial

Table of Contents

public offering, the Fortress Stockholders have piggyback registration rights that allow them to include the shares of common stock that they own in any public offering of equity securities initiated by us (other than those public offerings pursuant to registration statements on Forms S-4 or S-8) or by any of our other stockholders that have registration rights. The piggyback registration rights of these stockholders are subject to proportional cutbacks based on the manner of the offering and the identity of the party initiating such offering.

Shelf Registration. For so long as the Fortress Stockholders beneficially own a Registrable Amount, they have a right to request a shelf registration on Form S-3, providing for an offering to be made on a continuous basis, subject to a time limit on our efforts to keep the shelf registration statement continuously effective and our right to suspend the use of the shelf registration prospectus for a reasonable period of time (not exceeding 60 days in succession or 90 days in the aggregate in any 12 month period) if we determine that certain disclosures required by the shelf registration statement would be detrimental to us or our stockholders. In addition, the Fortress Stockholders that have not made a request for a shelf registration may elect to participate in such shelf registration within ten days after notice of the registration is given.

Indemnification; Expenses. We have agreed to indemnify the Fortress Stockholders against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement or prospectus pursuant to which they sell shares of our common stock, unless such liability arose from their misstatement or omission, and they have agreed to indemnify us against all losses caused by their misstatements or omissions. We will pay all expenses incident to our performance under the Stockholders Agreement, and the Fortress Stockholders will pay all underwriting discounts, commissions and transfer taxes relating to the sale of their shares under the Stockholders Agreement.

Fortress Letter Agreement. We have agreed, pursuant to the Fortress Letter Agreement, (i) following the filing of our Registration Statement on Form S-4 relating to the Merger (the Form S-4) and prior to the closing of the Merger, not to exercise our right under the Stockholders Agreement to suspend the Fortress Stockholders use of the prospectus under our Registration Statement on Form S-3 (No. 333-174766) (the Form S-3); (ii) from the date of the Merger Agreement until the expiration of a period of thirty consecutive days following the filing of the Form S-4 during which the financial information set forth in the Form S-4 and Form S-3 is not stale (such period, the Restricted Period), not to issue any Company equity securities, subject to certain exceptions; and (iii) during the thirty day period following any sale by the Fortress Stockholders of at least 5,000,000 shares of Company common stock during the Restricted Period, not to issue any Company equity securities, subject to certain exceptions.

Leases with Holiday Retirement

During 2008, we began leasing space in a number of communities owned by Holiday Retirement so that we could establish outpatient rehabilitation clinics and/or home health agencies therein. Holiday Retirement is owned by funds affiliated with Fortress. We have agreed with Holiday that the terms and provisions of any leases entered into between us must clearly be at fair market value and that certain agreed upon mechanisms will be used to price the fair market rent for leases in particular Holiday communities. We will only be leasing the amount of space that we reasonably believe is necessary. For each lease, the rent will be determined at the inception of the applicable lease, and will be subject to a reasonable, annual escalation factor. All of the leases will be on the same form agreed upon by the parties, and will be based upon the standard form previously approved by Holiday s lenders. Under the terms of the leases that either are currently in effect or were in effect during 2013, we are required to pay Holiday periodic rental payments aggregating approximately \$93,000 (calculated as the aggregate amount of periodic rental payments since the beginning of 2013 through the remaining terms of each lease). We currently lease space in four of Holiday s communities.

Employment of Glenn E. Sheriff

From the date of our acquisition of ARC until March 20, 2014, we employed Glenn E. Sheriff as a Senior Director. He previously served as Senior Director of Marketing Analytics/Market Research and most recently served as Senior Director Integration Office. Mr. Sheriff is the son of W.E. Sheriff, a member of our Board of Directors and our former Chief Executive Officer. Mr. Sheriff was previously employed in a substantially similar capacity for ARC. Mr. Sheriff's 2013 annual base salary was \$153,765 until June 16, 2013. Beginning on June 16, 2013, Mr. Sheriff elected to continue on a part-time basis at an hourly wage of \$82.50. Mr. Sheriff voluntarily resigned on March 20, 2014. Until his resignation, Mr. Sheriff also participated in our bonus program for similarly-situated management level employees and, like other similarly-situated employees, was eligible to receive awards of restricted stock under our Omnibus Stock Incentive Plan. In addition, Mr. Sheriff was eligible to participate in the other benefit plans and programs we offer from time to time to similarly-situated employees.

Policies and Procedures for Related Party Transactions

Our Board of Directors has adopted a written Policy and Procedures with Respect to Related Person Transactions, which we refer to as our Related Person Policy. Pursuant to the terms of the Related Person Policy, we will enter into or ratify related person transactions only when the Audit Committee of our Board of Directors determines that the transaction in question is in, or is not inconsistent with, the best interests of the Company and our stockholders.

Related person transactions that are identified as such prior to the consummation thereof or amendment thereto may be consummated or amended only if the transaction has been reviewed and approved in advance by the Audit Committee (or in those instances where the General Counsel determines that it is not practicable or desirable for the Company to wait until the next Audit Committee meeting, by the chair of the Audit Committee). All Related Persons (defined below) and all business unit leaders responsible for a proposed transaction are required to report to our legal department any potential related person transaction prior to entering into the transaction. The legal department will determine whether the transaction is a related person transaction and, therefore, should be submitted to the Audit Committee for consideration. In the event our Chief Executive Officer, Chief Financial Officer or General Counsel becomes aware of a pending or ongoing related person transaction that has not been previously approved or ratified, the transaction will promptly be submitted to the Audit Committee or its chair, which will evaluate all available options, including ratification, amendment or termination of the transaction. In the event any of such persons become aware of a completed related person transaction that has not been previously approved or ratified, the Audit Committee or its chair shall evaluate the transaction to determine if rescission of the transaction and/or any disciplinary action is appropriate.

At the Audit Committee's first meeting of each fiscal year, the committee will review any previously approved or ratified related person transactions that remain ongoing and have a remaining term of more than six months or remaining amounts payable to or receivable from the Company of more than \$120,000 and, taking into consideration the Company's contractual obligations, will determine whether to continue, modify or terminate each such transaction.

Our Related Person Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant and the amount involved exceeds \$120,000, and in which any Related Person had, has or will have a direct or indirect material interest.

A Related Person, as defined in our Related Person Policy, means any person who is, or at any time since the beginning of the Company's last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company; any person who is known to be the beneficial owner of more than 5% of any class of the Company's voting securities; any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner; and any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

Our Related Person Policy also requires Audit Committee pre-approval of proposed charitable contributions, or pledges of charitable contributions, by the Company to a charitable or non-profit organization for which a Related Person is actively involved in fundraising or otherwise serves as a director, trustee or in a similar capacity.

Because our Related Person Policy was initially adopted in early 2007, several of the transactions described above were not subject to the policy's pre-approval requirements. Since the policy has been in place, the Committee has pre-approved all new related party transactions and has ratified each of the transactions described above that remains ongoing.

Director Independence

Our Board of Directors has affirmatively determined that Ms. Clegg, Messrs. Bumstead, Leeds, Schulte and Seward and Dr. Waxman are independent under Section 303A.02(b) of the New York Stock Exchange, or NYSE, listing standards because none of them had a material relationship with Brookdale. In making these determinations, our Board of Directors considered all relevant facts and circumstances, as required by applicable NYSE listing standards.

The NYSE rules require that the Board of Directors consist of a majority of independent directors and that the Nominating and Corporate Governance Committee, the Compensation Committee and the Audit Committee of the Board of Directors consist entirely of independent directors. Under NYSE listing standards, whether a director is an independent director is a subjective determination to be made by the Board of Directors, and a director of Brookdale only qualifies as independent if the Board of Directors affirmatively determines that the director has no material relationship with Brookdale (either directly or as a partner, shareholder or officer of an organization that has a relationship with Brookdale). While the test for independence is a subjective one, the NYSE rules also contain objective criteria that preclude directors from being considered independent in certain situations.

Specifically, persons meeting the following objective criteria are deemed to be not independent:

A director who is an employee, or whose immediate family member is an executive officer, of Brookdale (including any consolidated subsidiary), may not be considered independent until three years after the end of such employment relationship;

A director who has received, or whose immediate family member has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from Brookdale (including any consolidated subsidiary), other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

A director who (i) is, or whose immediate family is, a current partner of a firm that is the internal or external auditor of Brookdale; (ii) is a current employee of such a firm; (iii) a director whose immediate family member is a current employee of such firm and who personally works on Brookdale's audit; or (iv) was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on Brookdale's audit within that time;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Brookdale's present executives serve on that company's compensation committee may not be considered independent until three years after the end of such service or the employment relationship; and

A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company (or a consolidated subsidiary of such company) that makes payments

to, or receives payments from, Brookdale for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues may not be considered an independent director until three years after falling below such threshold.

Ownership of a significant amount of Brookdale's stock, by itself, does not constitute a material relationship.

The Board of Directors has not established additional guidelines to assist it in determining whether a director has a material relationship with Brookdale under NYSE rules, but instead evaluates each director or nominee for director under the tests set forth by the NYSE and through a broad consideration and evaluation of all relevant facts and circumstances. The Board of Directors, when assessing the materiality of a director's relationship with Brookdale, also considers the issue not merely from the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation.

There were no transactions, relationships or arrangements not disclosed pursuant to Item 404(a) of Regulation S-K that were considered by our Board of Directors in making the required independence determinations. None of the directors that were deemed independent had any relationship with us (other than as a director or stockholder).

Table of Contents**Item 14. Principal Accounting Fees and Services.**

In connection with the audit of the 2013 financial statements, Brookdale entered into an engagement agreement with Ernst & Young LLP which set forth the terms by which Ernst & Young LLP (E&Y) has performed audit services for Brookdale. That agreement is subject to alternative dispute resolution procedures.

Set forth below are the aggregate fees billed by E&Y during 2013 and 2012 for all audit, audit related, tax and other services provided by E&Y to Brookdale.

	2013	2012
Audit Fees	\$ 1,705,000	\$ 1,450,000
Audit Related Fees	\$ 771,995	\$ 221,995
Tax Fees	\$ 64,080	\$ 54,413
All Other Fees		
Total	\$ 2,541,075	\$ 1,726,408

Audit Fees include fees for the audit of Brookdale's annual financial statements and review of financial statements included in Brookdale's quarterly reports (Forms 10-Q) and fees for the audit of internal control over financial reporting. This category also includes review of, and consents for, filings with the SEC related to acquisitions and registration statements (including secondary offerings and debt offerings) and the issuance of comfort letters associated with those offerings.

Audit Related Fees include fees for assurance and related services that are reasonably related to the performance of the audit or review of Brookdale's financial statements and that are traditionally performed by the independent registered public accounting firm. Audit-related services also include services related to audits not required by statute or regulation concerning financial accounting and reporting standards and the performance of due diligence procedures in connection with acquisitions. The increase in Audit Related Fees in 2013 as compared to 2012 primarily reflects the additional fees incurred as a result of the Merger.

Tax Fees include fees for professional services rendered by E&Y for tax compliance, tax advice, and tax planning. These corporate tax services include technical tax advice on tax matters, assistance with preparing tax returns, value added tax, government sales tax and equivalent tax matters in local jurisdictions, assistance with local tax authority documentation and reporting requirements for tax compliance purposes, assistance with tax audit defense matters, and tax advice related to mergers and acquisitions.

All Other Fees include fees paid by Brookdale to E&Y that are not included in the three paragraphs above. There were no services in that category in 2013 or 2012.

Audit Committee Pre-Approval Policies and Procedures

Brookdale's Audit Committee has policies and procedures that require the pre-approval by the Audit Committee or one of its members of all fees paid to, and all services performed by, Brookdale's independent registered public accounting firm. In the early part of each year, the Audit Committee approves the proposed services, including the nature, type and scope of services contemplated and the related fees, to be rendered by any such firm during the year. In addition,

pre-approval by the Audit Committee or one of its members is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees pre-approved by the Audit Committee. Pursuant to the Sarbanes-Oxley Act of 2002, the fees and services provided as noted in the table above were authorized and approved in compliance with the Audit Committee pre-approval policies and procedures described herein.
