**Item 7.01 Regulation FD Disclosure**

On October 31, 2014, Media General, Inc. ( Media General or the Company ) (NYSE: MEG) issued a press release announcing that its wholly owned subsidiary, Media General Financing Sub, Inc. (the Issuer ), has priced a private offering (the Private Offering ) of \$400 million aggregate principal amount of 5.875% senior unsecured notes due 2022 (the Notes ) in connection with the financing of its announced business combination (the LIN Merger ) with LIN Media LLC ( LIN ). Upon the closing of the LIN Merger, the Issuer will merge with and into LIN Television Corporation ( LIN Television ) with LIN Television continuing as the surviving corporation in such merger and assuming all of the Issuer s obligations under the Notes and the indenture governing the Notes. The Issuer intends to use the net proceeds from this offering to repay certain indebtedness of LIN in connection with the LIN Merger and to pay related fees and expenses. The full text of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

We intend to finance the LIN Merger, including the repayment of certain indebtedness of LIN and related fees and expenses, with a modified debt structure (as compared to our previously announced debt structure) in which we (a) will increase the aggregate principal amount of the Notes from \$300,000,000 to \$400,000,000, (b) will no longer issue any new term loan A facility and (c) will increase the amount of the incremental term loan B facility from \$325,000,000 to \$825,000,000. This revised structure will not increase our overall leverage; however, it will likely result in an increase in our anticipated annual interest expense. The amount of such increase cannot be determined until such time as the incremental term loan B facility is priced.

In accordance with General Instruction B.2 of Form 8-K, the information in Item 7.01 of this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act ), or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference into any of the Company s filings under the Securities Act of 1933, as amended (the Securities Act ), or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and regardless of any general incorporation language in such filings, except to the extent expressly set forth by specific reference in such a filing.

The information filed in this Report pursuant to Item 7.01, including the information contained in Exhibit 99.1, is neither an offer to sell nor a solicitation of an offer to buy any of the Notes in the Private Offering.
