**JOINT ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held On April 23, 2015**

**INTRODUCTION**

This Combined Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Boards of Directors (the **Boards**) of the above listed entities, each a Maryland corporation (each a **Fund**, and collectively, the **Funds**), to be voted at the Joint Annual Meeting of Stockholders of the Funds, to be held at the offices of the Funds, 280 Park Avenue, 10th Floor, New York, New York 10017, on April 23, 2015 at 10:00 a.m., New York City time, and at any adjournments or postponements thereof (collectively, the **Meeting**). In order to attend the meeting in person, shareholders must bring valid photo identification. The solicitation will be by mail and the cost (including printing and mailing this Proxy Statement, Notice of Meeting and Proxy Card, as well as any necessary supplementary solicitation) will be borne by each Fund pursuant to the terms of its investment management agreement. In addition to soliciting proxies by mail, each Fund's officers or representatives of the Funds' investment manager may solicit proxies by telephone. The Meeting is being held for the following purposes (each, a **Proposal** and together the **Proposals**). The Notice of Meeting, Proxy Statement and Proxy Card are being mailed to stockholders on or about March 6, 2015.

**Proposal**

- 1) To consider and vote upon the election of 3 Directors for each Fund, each Director to serve for a term to expire in 2018
- 2) To consider and vote upon the approval of the revision of UTF's fundamental investment restriction with respect to concentrating investments in an industry

In accordance with each Fund's bylaws, the presence in person or by proxy of the holders of record of a majority of the shares of each Fund issued and outstanding and entitled to vote at the Meeting shall constitute a quorum for such Fund at the Meeting. If, however, a quorum shall not be present or represented at the Meeting or if fewer shares are present in person or by proxy than is the minimum required to take action with respect to any proposal presented at the Meeting, the chairman of the meeting or, the holders of a majority of the shares of each Fund present in person or by proxy (or a majority of votes cast if a quorum is present) shall have the power to adjourn the Meeting from time to time, without notice other than announcement at the Meeting, until the requisite number of shares entitled to vote at the Meeting shall be present, but in no event to a date more than 120 days after the record date. At any adjourned Meeting, if the relevant quorum is subsequently constituted, any business may be transacted which might have been transacted at the Meeting as originally called. For purposes of determining the presence of a

Edgar Filing: COHEN & STEERS INFRASTRUCTURE FUND INC - Form DEF 14A

quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that they have not received instructions from the

beneficial owner or other persons entitled to vote on a particular matter with respect to which the brokers or nominees do not have discretionary voting power) will be treated as shares that are present but which have not been voted. For Proposal one, abstentions and broker non-votes, if any, will have no effect on obtaining the requisite approval of the proposal. For Proposal two, abstentions and broker non-votes will have the effect of votes against the proposal.

*Although each Fund is a separate investment company that holds an annual meeting of stockholders, the Funds' Proxy Statements have been combined into this Combined Proxy Statement to reduce expenses to the Funds of soliciting proxies for the Meeting.*

The Boards of Directors have fixed the close of business on February 28, 2015 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting. The outstanding voting shares of each Fund as of February 28, 2015 consisted of:

Fund	Shares of Common Stock
FOF	27,209,148.0000
INB	23,104,567.0000
RQI	109,646,321.0369
RNP	47,769,767.3480
UTF	85,688,397.6420
RFI	26,135,469.0000
PSF	11,989,361.0000
LDP	28,830,580.0000
MIE	26,855,452.0000

Each share is entitled to one vote and each fractional share is entitled to a proportional fractional share vote. All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or as otherwise provided therein. Accordingly, unless instructions to the contrary are marked, proxies will be voted for the election of the Directors. Any stockholder may revoke his or her proxy at any time prior to exercise thereof by giving written notice to the Secretary of the Fund(s) at its offices at 280 Park Avenue, New York, New York 10017, or by signing another proxy of a later date or by personally casting his or her vote at the Meeting. Stockholders can vote only on matters affecting the Fund(s) in which they hold shares. Because the proposals in the Notice of Joint Annual Meeting of stockholders are separate for each Fund, it is essential that stockholders who own shares in multiple Funds complete, date, sign and return (or vote by Internet in respect of) each Proxy Card they receive.

**The most recent annual report of each Fund, including financial statements, has been previously mailed to that Fund's stockholders. If you have not received your report or would like to receive an additional copy free of charge, please contact Tina M. Payne, Assistant Secretary of the Funds, at 280 Park Avenue, New York, New York 10017, (800) 330-7348, and it will be sent promptly by first-class mail.**

## PROPOSAL ONE

### ELECTION OF DIRECTORS

For each Fund, at the Meeting three Directors are nominated to be elected to serve for their respective terms and until their successors are duly elected and qualified. The nominees for Director are George Grossman, Robert H. Steers and C. Edward Ward, Jr., for terms to expire at the 2018 annual meeting of stockholders. It is the intention of the persons named in the enclosed proxy to nominate and vote in favor of the nominees. At the Meeting, the holders of each Fund's common stock will have equal voting rights (*i.e.*, one vote per share), and will vote as a single class for each Fund on the election of Messrs. Grossman, Steers and Ward. Messrs.

Edgar Filing: COHEN & STEERS INFRASTRUCTURE FUND INC - Form DEF 14A

Grossman, Steers and Ward currently serve as Director of each of the twenty-one funds within the group of funds registered under the Investment Company Act of 1940, as amended, (the Act) that are managed by Cohen & Steers (the Cohen & Steers Fund Complex).

Each Fund's stockholders initially elected their Board of Directors to staggered terms at the respective Annual Meeting of Stockholders held on:

Funds	Date of stockholder meeting electing Board of Directors to staggered terms
FOF	April 19, 2007
INB	April 17, 2008
RQI	April 24, 2003
RNP	April 29, 2004
RFI	April 27, 1994
UTF	April 28, 2005
PSF	April 28, 2011
LDP	April 25, 2013
MIE	April 24, 2014

Accordingly, the term of office of only a single class of Directors will expire in 2015. As a result of this system, only those Directors in any one class may be changed in any one year, and it would require two years or more to change a majority of a Fund's Board of Directors. This system of electing Directors, which may be regarded as an anti-takeover provision, may have the effect of maintaining the continuity of management and, thus, make it more difficult for each Fund's stockholders to change the majority of Directors.

The nominees have consented to serve as Directors. The Board of each Fund knows of no reason why a nominee would be unable to serve, but in the event of such unavailability, the proxies received will be voted for such substitute nominee as the Board of such Fund may recommend.

*Richard J. Norman* - In addition to his tenure as a Director of various Cohen & Steers funds, Mr. Norman has served as the Chairman of the Boards' Governance Committees since 2004, acting as liaison between the Boards and the Investment Company Institute. Mr. Norman has over 34 years of investment experience. He served as the Investment Chair of Maryland Public Television for over 10 years, administering various investment opportunities. He serves on various boards of several charitable foundations, including the Salvation Army, where he coordinates and oversees numerous fundraising efforts.

*C. Edward Ward Jr.* - In addition to his tenure as a Director of various Cohen & Steers funds, Mr. Ward has over 31 years of industry experience with closed-end investment companies, previously serving as Director of Closed-End Fund Management at the New York Stock Exchange. He also earned a master of business administration degree from Harvard University and currently serves as a trustee of a private university.

The Boards believe that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Director, or particular factor, being indicative of board effectiveness. However, the Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Boards believe that their members satisfy this standard. Experience relevant to

having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., accountancy or law), public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for the Board's Nominating Committee contains certain other specific requirements and factors considered by the Committee in identifying and selecting Director candidates (please see below).

To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Advisor, and also may benefit from information provided by the Funds and the Advisor's counsel; both Board and Fund counsel have significant experience advising funds and fund board members. Each Board and its committees have the ability to engage other experts as appropriate. Each Board evaluates its performance on an annual basis.

**Board Composition and Leadership Structure.** The Act requires that at least 40% of a Fund's Directors be Independent Directors and, as such, not affiliated with the Advisor (Independent Directors). To rely on certain exemptive rules under the Act, a majority of a Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or certain transactions with affiliates, the Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, over 75% of the Funds' Directors are Independent Directors. The Chairman of each of the Boards is an interested person of the Funds, and the Independent Directors have designated a lead Independent Director who chairs meetings or executive sessions of the Independent Directors, reviews and comments on Board meeting agendas, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel. The Boards have determined that their leadership structure, in which the Independent Directors have designated a lead Independent Director to function as described above, is appropriate in light of the services that the Advisor and its affiliates provide to the Funds and potential conflicts of interest that could arise from these relationships.

During the calendar year ended December 31, 2014, the Board of Directors of each Fund met the number of times indicated in the table below:

Fund	Number of Board Meetings
RFI	6
RQI	6
RNP	6
UTF	6
FOF	6
INB	6
PSF	6
LDP	6
MIE	7

Each Director attended at least 75% of the aggregate number of meetings of the Board of Directors and the Committees of which he or she was a member for the calendar year ended December 31, 2014. Mr. Junkans has been a Director since January 26, 2015. The Funds do not have policies with regard to the Directors' attendance at annual meetings and none of the Directors attended any Fund's 2014 annual meeting of stockholders. Each Fund maintains five standing Board Committees: the Audit Committee, the Nominating Committee, the Contract Review Committee, the Governance Committee and the Dividend Committee. The Directors serving on each Committee are Independent Directors and otherwise satisfy the applicable standards for independence of a committee member of an investment company issuer under the federal securities laws and under applicable listing standards of the New York Stock Exchange. The members of the Audit Committee of each Fund are Ms. Cohen and Messrs. Clark, Ross, Kroon and Grossman. The members of the Nominating and Contract

Review Committees of each Fund are Ms. Cohen and Messrs. Clark, Kroon, Grossman, Norman, Ross, and Ward. The members of the Governance Committee for each Fund are Messrs. Clark, Norman and Ward. The members of the Dividend Committee for each Fund are Ms. Cohen, and Messrs. Kroon and Clark.

The Audit Committee of each Fund met four times during the fiscal year ended December 31, 2014 and operates pursuant to a written charter adopted by the Board. A current copy of the Audit Committee charter is available on the Advisor's website at [www.cohenandsteers.com/assets/content/uploads/AuditCommitteeCharter.pdf](http://www.cohenandsteers.com/assets/content/uploads/AuditCommitteeCharter.pdf). The general purposes of each Audit Committee are to oversee the Fund's accounting and financial reporting and processes and audits of the Fund's financial statements; the integrity of the Fund's financial statements; the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting processes and financial statement audits; and the qualifications, independence and performance of the independent registered public accounting firm(s) engaged by the Fund and the performance of the Fund's independent audit function, if any.

The Nominating Committee of each Fund, which each met twice during the fiscal year ended December 31, 2014, operates pursuant to a written charter adopted by the Board. A current copy of the Nominating Committee charter is available on the Advisor's website at [www.cohenandsteers.com/assets/content/uploads/nominating\\_and\\_governing\\_comm\\_charter.pdf](http://www.cohenandsteers.com/assets/content/uploads/nominating_and_governing_comm_charter.pdf). The main functions of each Nominating Committee are to (i) identify individuals qualified to become Directors in the event that a position is vacated or created, (ii) select the Director nominees for the next annual meeting of stockholders and (iii) set any necessary standards or qualifications for service on the Board. Each Nominating Committee requires that Director candidates have a college degree or equivalent business experience. Each Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) an assessment of the candidate's ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, (iii) educational background, (iv) business, professional training or practice (*e.g.*, accountancy or law), public service or academic positions, (v) an assessment of the candidate's character and integrity, (vi) experience from service as a board member (including the Board of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations, (vii) whether or not the candidate has any relationships that might impair his or her independence, such as any business, financial or family relationships with Cohen & Steers, Fund service providers or their affiliates and (viii) overall interplay of a candidate's experience, skill and knowledge with that of other Nominating Committee members. In addition, although the Nominating Committee does not have a formal policy with regard to consideration of diversity in identifying Director candidates, the Nominating Committee may consider whether a potential candidate's qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The Nominating Committee may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates. The Nominating Committee will consider Director candidates recommended by stockholders, provided that any such stockholder recommendation is submitted in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund and further provided that such recommendation includes all other information specified in the Nominating Committee charter and complies with the procedures set forth in Appendix A thereto.

The Contract Review Committee of each Fund each met once during the fiscal year ended December 31, 2014, and each Contract Review Committee operates pursuant to a written charter adopted by the Board. The main functions of each Contract Review Committee are to make recommendations to the Board after reviewing advisory and other contracts that the Fund has with the Advisor and to select third parties to provide evaluative reports and other information to the Board regarding the services provided by the Advisor.

The Governance Committee of each Fund met four times during the fiscal year ended December 31, 2014 and operates pursuant to a written charter adopted by the Board. The main function of each Governance Committee is to assist the Board in the oversight of appropriate and effective governance of the Fund. The

Governance Committee oversees, among other things, the structure and composition of the Board committees, the size of the Board and the compensation of Independent Directors for service on the Board and any Board committee and the process for securing insurance coverage for the Board.

The Dividend Committee of each Fund met four times during the fiscal year ended December 31, 2014. The main function of each Dividend Committee is to assist the Board in the oversight of the Funds' process for determining distributions and to exercise the power to declare distributions delegated to it by the Board.

**Board's Oversight Role in Management.** The Board's role in management of each Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Funds, primarily the Advisor and its affiliates, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the lead Independent Director, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Funds' and the Advisor's Chief Compliance Officer and portfolio management personnel. Each Board's audit committee meets during its scheduled meetings, and between meetings the audit committee chair maintains contact, with the Funds' independent registered public accounting firm and the Funds' Treasurer and Chief Financial Officer. Each Board also receives periodic presentations from senior personnel of the Advisor or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, anti-money laundering, personal trading, valuation, credit, investment research and securities lending. Each Board also receives reports from counsel to the Funds' and the Advisor and the Boards' own independent legal counsel regarding regulatory compliance and governance matters. Each Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

#### **Audit Committee Report**

The Audit Committee of each Fund has met with PricewaterhouseCoopers LLP, the Fund's independent registered public accounting firm, to discuss the scope of the audit engagement, review the Fund's financial statements, and discuss the statements and audit results with management. The Audit Committee discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (PCAOB), received the written disclosures and the letter from PricewaterhouseCoopers LLP required by PCAOB Rule 3526 and discussed with PricewaterhouseCoopers LLP the independent registered public accounting firm's independence. Based on these reviews and discussions, each Audit Committee recommended to the Board of Directors of such Fund that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the last fiscal year for filing with the Securities and Exchange Commission.

**Section 16(a) Beneficial Ownership Reporting Compliance.** Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 30(h) of the Act, as applied to the Funds, require certain of the Funds' officers, Directors, the Advisor, affiliates of the Advisor and persons who beneficially own more than 10% of a class of the Funds' outstanding securities to file reports of ownership of the Funds' securities and changes in such ownership with the SEC. Those persons are required by Securities and Exchange Commission (the SEC) regulations to furnish the relevant Fund(s) with copies of all filings. To each Fund's knowledge, all of its officers and Directors, the Advisor and its affiliates and certain holders of more than 10% of its common stock complied with all filing requirements under Section 16(a) of the Exchange Act and Section 30(h) of the Act during the fiscal year ended December 31, 2014.

## PROPOSAL TWO

### TO APPROVE THE REVISION OF UTF'S FUNDAMENTAL INVESTMENT RESTRICTION

#### WITH RESPECT TO CONCENTRATING INVESTMENTS IN AN INDUSTRY

As described in the following Proposal, the Board of UTF unanimously recommends that stockholders of UTF approve the revision of UTF's fundamental investment restriction which requires it to invest in the utilities industry. Generally, the purpose of this proposed change is to increase UTF's investment flexibility by removing what the Advisor considers to be an unnecessarily restrictive policy (in light of current regulatory requirements) and reducing administrative and compliance burdens. The chart below illustrates UTF's current investment restriction and UTF's proposed amended investment restriction.

#### Current Restriction:

The Fund may not invest more than 25% of its managed assets in securities of issuers in any one industry, except for the utility industry.

The Advisor does not anticipate any immediate change in the way UTF is managed as a result of changing this fundamental investment restriction. While the Advisor expects UTF to continue to invest in the utility industry, the amended restriction will provide the Advisor with increased flexibility to invest UTF's assets in securities of infrastructure companies more broadly, including securities of infrastructure companies outside of the utility industry. The amended restriction is intended to more closely align the concentration policy of UTF with the change to UTF's name and investment objective approved by stockholders in 2009, which removed the requirement to invest in utility securities and changed UTF's name from Cohen & Steers Select Utility Fund, Inc. to Cohen & Steers Infrastructure Fund, Inc.

#### Proposed Amended Restriction:

The Fund may not invest more than 25% of its managed assets in securities of issuers in any one industry, except for securities in infrastructure companies.

**Background.** Proposal two relates to a current fundamental investment restriction of UTF that, in the view of the Advisor and the Board, is either outdated or more restrictive than applicable law and current regulations require. The Advisor and the Board believe that maintaining outdated and unnecessarily restrictive fundamental investment restrictions could prevent UTF from taking advantage of attractive investment opportunities and/or responding to changing regulations or market developments in the future—at least without incurring the delays and costs that would be associated with seeking stockholder approval.

Currently, UTF has a fundamental investment restriction requiring it to invest at least 25% of its managed assets in securities of issuers in the utilities industry. Prior to January 1, 2010, UTF's name was Cohen & Steers Select Utility Fund, Inc. On November 24, 2009, stockholders of UTF approved expanding UTF's investment objective to facilitate a change in UTF's focus from utility securities to securities issued by global infrastructure companies, which consist of utilities, pipelines, toll roads, airports, railroads, ports, and telecommunications

companies and UTF's name was changed to Cohen & Steers Infrastructure Fund Inc. Due to the expansion of UTF's investment objective, the Advisor believes maintaining a restriction requiring it to invest at least 25% of its net assets in the utilities industry is outdated and unnecessarily burdensome.

Under applicable law, an investment company may not concentrate its investments in any industry or group of industries unless it does so pursuant to a fundamental policy that can only be changed with stockholder approval. In addition, an investment company must concentrate its investments consistent with any policy to do so. Although "concentration" is not defined in the 1940 Act, the SEC has generally regarded a fund as concentrating its investments in an industry if the fund invests 25% or more of its assets in securities of issuers in that industry.

For purposes of applying the terms of its revised fundamental investment policy, the Advisor will, on behalf of UTF, make reasonable determinations as to the appropriate industry classification to assign to each issuer of securities in which UTF invests. The definition of what constitutes a particular industry is an evolving one, particularly for issuers in industries or sectors within industries that are new or are undergoing rapid development. Some issuers could reasonably fall within more than one industry category. The Advisor will use its reasonable efforts to assign each issuer to the category which it believes is most appropriate.

As discussed above, the Advisor does not intend to modify UTF's investment strategy or make any immediate change in the way UTF is managed as a result of the proposed change to UTF's fundamental investment restriction.

***The Board recommends that UTF's current fundamental investment restriction with respect to concentrating investments in the utilities industry be revised as described above.***

**Why a Stockholder Vote is Required.** The 1940 Act requires registered investment companies like UTF to have fundamental investment restrictions governing certain of their investment practices. Investment companies may also voluntarily designate restrictions relating to other investment practices as fundamental. Under the 1940 Act, fundamental investment restrictions may only be changed with the approval of a majority of a fund's outstanding voting securities (as defined in the 1940 Act). The Board of UTF unanimously recommends that UTF's current fundamental investment restriction be revised as described above. Stockholders of UTF may vote in favor of or against Proposal two. This Proposal requires the affirmative vote of a majority of the outstanding voting securities of UTF, as defined in the 1940 Act and described below.

**The Board of Directors of UTF, including the Independent Directors, unanimously**

**recommends that the stockholders of the Fund vote FOR proposal two.**

**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

For the fiscal year ended November 30, 2014 for MIE and December 31, 2014 for all other Funds, each Fund's Audit Committee selected PricewaterhouseCoopers LLP, an independent registered public accounting firm, to audit the accounts of the Fund. Their selection was ratified and approved by the vote, cast in person, of a majority of the Directors of the Fund, including a majority of the Independent Directors who are independent as defined in the New York Stock Exchange listing standards. On December 9, 2014, the Audit Committee of MIE selected PricewaterhouseCoopers LLP as the Fund's registered public account firm ( auditor ) for the fiscal year ending November 30, 2015. On March 17, 2015, the Audit Committee of each Fund, other than MIE, will meet to consider the appointment of PricewaterhouseCoopers LLP as each Fund's auditor for the fiscal year ending December 31, 2015. This proxy statement will be updated if the Audit Committee of each Fund, other than MIE, does not select PricewaterhouseCoopers LLP as the Fund's auditor for the year ending December 31, 2015. Each Audit Committee meets at least twice a year with representatives of the Funds' auditor to discuss the scope of the auditor's engagement and to review the financial statements of the Fund and the results of their examination thereof.

Aggregate fees billed by PricewaterhouseCoopers LLP for the last two fiscal years for non-audit services provided to the Advisor and any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Funds (collectively, with the Advisor, Service Affiliates), where the engagement relates directly to the operations and financial reporting of the Funds and which were pre-approved by the Audit Committees, were as follows:

Tax Fees	\$ 171,540	\$ 65,400
All Other Fees	\$ 0	\$ 0

The Audit Committees are required to pre-approve audit and non-audit services performed for the Funds by their auditor. The Audit Committees are also required to pre-approve non-audit services performed by the Funds' auditor for any Service Affiliate if the engagement for services relates directly to the operations and financial reporting of a Fund.

The Audit Committees may delegate pre-approval authority to one or more of their members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committees at their next scheduled meeting. The Audit Committees may not delegate their responsibility to pre-approve services to be performed by the Funds' principal auditor to the Advisor.

None of the services described above were approved by the Audit Committees pursuant to paragraphs (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

The aggregate fees billed by PricewaterhouseCoopers LLP for non-audit services rendered to the Funds and for non-audit services rendered to Service Affiliates for the fiscal years ended December 31, 2014 and December 31, 2013 were:

The Audit Committees considered whether the provision of non-audit services that were rendered to Service Affiliates that were not required to be pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X was compatible with maintaining the independence of PricewaterhouseCoopers LLP.
