In various open market transactions between October 30, 2013 and October 21, 2014, the Reporting Person purchased 54,075 Shares for a total purchase price of \$128,251.20.

Item 4. Purpose of Transaction

The Reporting Person initially acquired Shares for investment purposes.

Pursuant to a Loan Purchase and Sale Agreement (the *Purchase Agreement*), dated April 30, 2015, between DX, LLC, a Kansas limited liability company of which the Reporting Person is the sole member (*DX*) and Los Alamos National Bank, a national banking association (*Los Alamos*), DX purchased a promissory note (the *Note*) given by Los Alamos to Manhattan Isotope Technology, LLC, a New Mexico Limited liability company and wholly-owned subsidiary of the Issuer (*Manhattan*) for \$400,000. The Note is guaranteed by the Issuer and secured by all of the assets of the Issuer.

As of April 29, 2015, the Note was in default and the principal balance of the Note was \$451,589.74 with accrued interest in the amount of \$6,186.16 and accrued late fees in the amount of \$24,173.81. Interest continues to accrue on the Note at the default rate of interest which is sixteen percent (16%) per annum from March 11, 2015. On June 12, 2015, the Reporting Person sent a demand letter (the *Demand Letter*) to each of Manhattan and the Issuer demanding payment in full of the balance of the Note together with all interest and late fees. The Reporting Person has not received any response from Manhattan or the Issuer and has not received any additional payments from Manhattan or the Issuer. The Reporting Person has attempted to engage in discussions with the Issuer's management, but has been unable to do so in any meaningful way. Accordingly, the Reporting Person is currently evaluating his options with respect to the Note, including initiating bankruptcy proceedings against each of Manhattan and the Issuer or making a proposal to the Issuer to acquire or restructure the Issuer.

The foregoing is qualified in its entirety by reference to the Purchase Agreement and Demand Letter, each of which is attached hereto as Exhibit 99.1 and Exhibit 99.2, respectively, and incorporated by reference herein.

Furthermore, the Reporting Person intends from time to time to review its investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for Shares in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Person will take such actions in the future as the Reporting Person may deem appropriate in light of the circumstances existing from time to time, which may include further acquisitions of Shares or disposal of some or all of the Shares currently owned by the Reporting Person or otherwise acquired by the Reporting Person, either in the open market or in privately negotiated transactions.

In addition, the Reporting Person may engage in communications with one or more shareholders, officers or directors of the Issuer, including discussions regarding the Issuer's operations and strategic direction and ideas that, if effected, could result in, among other things: (a) the acquisition by the Reporting Person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) changes in the present board of directors or management of the Issuer; (e) a material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing any class of the Issuer's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to those enumerated above.

Except to the extent that the foregoing may be deemed to be a plan or proposal, the Reporting Person has no plans or proposals that relate to or would result in any of the actions specified in clause (a) through (j) of Item 4 of Schedule 13D. The Reporting Person reserves the right, based on all relevant factors and subject to applicable law, at any time and from time to time, to review or reconsider its position, change its purpose, take other actions (including actions that could involve one or more of the types of transactions or have one or more of the results described in paragraphs (a) through (j) of Item 4 of Schedule 13D) or formulate and implement plans or proposals with respect to any of the foregoing.

Item 5. Interest in Securities of the Issuer

(a) The aggregate number and percentage of the class of securities identified pursuant to Item 1 beneficially owned by the Reporting Person is stated in Items 11 and 13 on the cover page(s) hereto.

Edgar Filing: POSITRON CORP - Form SC 13D

(b) Number of Shares as to which each Reporting Person has:

(i) sole power to vote or to direct the vote:
