Item 8.01 Other Events

On December 17, 2015, Juniper Networks, Inc. (Juniper) through its Security Incident Response (SIRT) blog (<http://forums.juniper.net/t5/Security-Incident-Response/Important-Announcement-about-ScreenOS/ba-p/285554>) and its Juniper Security Advisory (JSA) website (<http://advisory.juniper.net>) reported critical patched releases to address vulnerabilities in ScreenOS® software.

Juniper continues to vigilantly monitor the situation, is conducting a thorough investigation and is coordinating with the appropriate authorities. Juniper will announce any additional material updates regarding these matters on its SIRT blog (<http://forums.juniper.net/t5/Security-Incident-Response/bg-p/SIRT>), the JSA website or through Juniper's other usual public disclosure channels as referenced on its Investor Relations website, as appropriate.

Juniper is unable to assess the financial impact of the incident at this time.

Forward Looking Statements

Certain statements contained in this Form 8-K constitute forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on the Company's current assumptions and expectations (which may change) and may relate to, among other things, the potential vulnerabilities in ScreenOS, the Company's ongoing investigation, the effectiveness of the patched releases, and the financial impact of the incident. Forward-looking statements are based on currently available information and the Company's current assumptions, expectations and projections about future events. You should not rely on the Company's forward-looking statements. These statements are not guarantees of future performance and are subject to future events, risks and uncertainties many of which are beyond the Company's control or are currently unknown to the Company as well as potentially inaccurate assumptions that could cause actual results to differ materially from the Company's expectations and projections. These risks and uncertainties include but are not limited to the Company's ongoing investigation, including the potential discovery of new information related to the incident, such as vulnerabilities in the SRX or other devices, and customers' and other stakeholders' reaction to that new information, the effectiveness of the patch, the financial impact of the incident, including costs related to the incident and any additional liabilities that may result from the incident, including as a result of any investigations or litigation as well as those described in Item 1A, Risk Factors, and elsewhere in the Company's Annual Report on Form 10-K for its fiscal year ended December 31, 2014, in its subsequent Quarterly Reports on Form 10-Q and in any other materials or reports it files with the Securities and Exchange Commission (the SEC).

Forward-looking statements speak only as of the date they are made, and the Company does not undertake to update these statements other than as required by law. You are advised, however, to review any further disclosures the Company makes on related subjects in its periodic filings with the SEC.
