CALCULATION OF FILING FEE

Transaction Valuation*

\$1,339,391,120

Amount of Filing Fee**

\$134,876.69***

- * Calculated solely for purposes of determining the filing fee. The calculation of the transaction value is determined by adding the sum of (i) 50,730,029 ordinary shares, with a nominal value of 0.01 per share, of AVG Technologies N.V. multiplied by the offer price of \$25.00 per share, (ii) the net offer price for 2,522,480 shares issuable pursuant to outstanding options with an exercise price less than \$25.00 per share (which is calculated by multiplying the number of shares underlying such outstanding options by an amount equal to \$25.00 minus the weighted average exercise price for such options of \$19.73 per share), (iii) 690,000 shares subject to issuance pursuant to restricted stock units multiplied by the offer price of \$25.00 per share and (iv) 1,623,877 shares subject to issuance pursuant to outstanding performance-based restricted stock units multiplied by the offer price of \$25.00 per share. The foregoing share figures have been provided by the issuer to the offeror and are as of July 25, 2016, the most recent practicable date.
- ** The filing fee was calculated in accordance with Rule 0-11 under the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory #1 for Fiscal Year 2016, issued August 27, 2015, by multiplying the transaction value by 0.0001007.
- *** Previously paid.

x Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Amount Previously Paid: \$134,876.69

This Amendment No. 6 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO initially filed with the Securities and Exchange Commission on July 29, 2016 (together with any amendments and supplements thereto, the Schedule TO) by Avast Software B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of The Netherlands (Purchaser) and a direct wholly owned subsidiary of Avast Holding B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of The Netherlands (Parent), and Parent, relating to the offer by Purchaser to purchase all of the outstanding ordinary shares, with a nominal value of 0.01 per share (the Shares), of AVG Technologies N.V., a public limited liability company (*naamloze vennootschap*) organized under the laws of The Netherlands (AVG), at a price of \$25.00 per share, in cash, without interest and less applicable withholding taxes or other taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated July 29, 2016 (as it may be amended or supplemented from time to time, the Offer to Purchase), and in the related letter of transmittal that accompanies the Offer to Purchase, copies of which are attached to the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively. Capitalized terms used and not defined herein shall have the meanings assigned to such terms in the Offer to Purchase.

All the information set forth in the Offer to Purchase is incorporated by reference herein in response to Items 1 through 9 and Item 11 of this Schedule TO, and is supplemented by the information specifically provided in this Amendment.

Items 1 through 9 and 11. Summary Term Sheet; Terms of the Transaction; Additional Information.

Items 1, 4 and 11 of the Schedule TO are hereby amended and supplemented as follows:

The following paragraph is hereby inserted after the second paragraph under the heading "What will happen to my equity awards in the Offer?" within the section entitled "Summary Term Sheet":

Following the Offer Closing, Parent intends to establish a cash incentive program to replicate the lost value of unvested equity awards (i.e., AVG Options, AVG Restricted Stock Units and AVG Performance Stock Units) held by certain AVG non-executive employees that will be cancelled effective as of the Acceptance Time for no consideration. The cash incentive plan is expected to provide for cash payments to such AVG employees in lieu of the cancelled equity awards, subject to continued employment. On June 30 of each year (commencing with June 30, 2017), each eligible AVG employee that held unvested AVG Options as of the Acceptance Time and remains employed until such June 30 will receive a cash amount (less applicable withholdings) from Purchaser equal to (x) \$25.00 (equal to the per Share Offer Price in the Offer) minus the exercise price of such option, multiplied by (y) the total number of unvested options that would have vested in accordance with the original vesting schedule as of such June 30 since the preceding June 30 (except in the case of calendar year 2017 where the number of unvested options for purposes of this calculation shall be the number of unvested options that would have vested between the Acceptance Time and June 30, 2017), as if the stock option had remained outstanding as of such June 30. In addition, each eligible AVG employee holding unvested AVG Restricted Stock Units and/or AVG Performance Stock Units who remains employed by Parent on each future vesting date under his or her AVG Restricted Stock Unit and/or AVG Performance Stock Unit award will receive a cash amount equal to (x) \$25.00 multiplied by (y) the number of Shares such eligible AVG employee would have received under such AVG employee's AVG Restricted Stock Unit and/or AVG Performance Stock Unit award on such vesting date as if the AVG Restricted Stock Unit and/or AVG Performance Stock Unit award had remained outstanding. The value of such AVG Performance Stock Units will continue to be tied to company performance, meaning that for AVG Performance Stock Units that vest in 2016, AVG's performance through the end of the third quarter of 2016 will be used as the basis for the calculation. The value of AVG Performance Stock Units vesting in 2017 and beyond will be calculated based on Parent's performance for such future years, the criteria for which has not yet been established. The complete details and conditions relating to the program will be contained in the program terms to be finally established by Parent.
