THIS REPORT ON FORM 6-K SHALL BE DEEMED TO BE INCORPORATED BY REFERENCE IN THE REGISTRATION STATEMENTS ON FORM S-8 (FILE NO. 333-145236, 333-127265, 333-13456, 333-97305 AND 333-6436), FORM F-3 (FILE NO. 333-185591), FORM F-4 (FILE NO. 333-213764) AND FORM F-10 (FILE NO. 333-213234) OF ENBRIDGE INC. AND TO BE PART THEREOF FROM THE DATE ON WHICH THIS REPORT IS FURNISHED, TO THE EXTENT NOT SUPERSEDED BY DOCUMENTS OR REPORTS SUBSEQUENTLY FILED OR FURNISHED.

On December 13, 2016, Enbridge Inc. (the Company or Enbridge) announced that it has entered into a timing agreement with the United States Federal Trade Commission (the FTC) pursuant to which the Company has agreed (i) not to consummate the proposed combination of the Company and Spectra Energy Corp (Spectra Energy) prior to 45 days after both the Company and Spectra Energy have substantially complied with the FTC 's November 2, 2016 request for additional information and documentary material relating to such transaction (the Second Request), unless the Company and Spectra Energy have received written prior notice that the FTC has closed its investigation, and (ii) not to certify compliance with the Second Request before January 10, 2017. Spectra Energy also entered into a timing agreement with the FTC on the same terms. The Company and Spectra Energy are continuing to work closely and cooperatively with the FTC in its review of the proposed combination.

FORWARD-LOOKING INFORMATION

This communication includes certain forward looking statements and information (FLI) to provide Enbridge and Spectra Energy 's shareholders and potential investors with information about Enbridge, Spectra Energy and their respective subsidiaries and affiliates, including each company 's management 's respective assessment of Enbridge, Spectra Energy and their respective subsidiaries ' future plans and operations, which FLI may not be appropriate for other purposes. FLI is typically identified by words such as anticipate , expect , project , estimate , forecast , plan , target , believe , likely and similar words suggesting future outcomes or statements regarding an outlook. All statements other than statements of historical fact may be FLI. In particular, this document contains FLI pertaining to, but not limited to, information with respect to the proposed transaction jointly announced by Enbridge and Spectra Energy on September 6, 2016.

Although we believe that the FLI is reasonable based on the information available today and processes used to prepare it, such statements are not guarantees of future performance and you are cautioned against placing undue reliance on FLI. By its nature, FLI involves a variety of assumptions, which are based upon factors that may be difficult to predict and that may involve known and unknown risks and uncertainties and other factors which may cause actual results, levels of activity and achievements to differ materially from those expressed or implied by these FLI, including, but not limited to, the following: the timing and completion of the transaction, including receipt of regulatory and shareholder approvals and the satisfaction of other conditions precedent; interloper risk; the realization of anticipated benefits and synergies of the transaction and the timing thereof; the success of integration plans; the focus of management time and attention on the transaction and other disruptions arising from the transaction; estimated future dividends; financial strength and flexibility; debt and equity market conditions, including the ability to access capital markets on favorable terms or at all; cost of debt and equity capital; potential changes in the Enbridge share price which may negatively impact the value of consideration offered to Spectra Energy shareholders; expected supply and demand for crude oil, natural gas, natural gas liquids and renewable energy; prices of crude oil, natural gas, natural gas liquids and renewable

energy; economic and competitive conditions; expected exchange rates; inflation; interest rates; tax rates and changes; completion of growth projects; anticipated in-service dates; capital project funding; success of hedging activities; the ability of management of Enbridge, its subsidiaries and affiliates to execute key priorities, including those in connection with the transaction; availability and price of labor and construction materials; operational performance and reliability; customer, shareholder, regulatory and other stakeholder approvals and support; regulatory and legislative decisions and actions; public opinion; and weather. We caution that the foregoing list of factors is not exhaustive. Additional information about these and other assumptions, risks and uncertainties can be found in applicable filings with Canadian and U.S. securities regulators, including any proxy statement, prospectus or registration statement to be filed in connection with the transaction. Due to the interdependencies and correlation of these factors, as well as other factors, the impact of any one assumption, risk or uncertainty on FLI cannot be determined with certainty.

Except to the extent required by law, we assume no obligation to publicly update or revise any FLI, whether as a result of new information, future events or otherwise. All FLI in this document is expressly qualified in its entirety by these cautionary statements.
