Item 1.01 Entry into a Material Definitive Agreement.

Agenus Inc. (Agenus) has been a party to a License, Development and Commercialization Agreement with Incyte Corporation and a wholly-owned subsidiary thereof (together, Incyte) dated January 9, 2015 and as amended from time to time, pursuant to which Agenus remains eligible to receive up to \$505.0 million in potential development, regulatory and commercial milestones, plus royalties on any future sales generally ranging from 6% to 15%.

As previously disclosed, Agenus is also party to a License and Research Collaboration Agreement with Merck Sharp & Dohme Corp dated April 25, 2014 and as amended from time to time, pursuant to which Agenus remains eligible to receive up to \$95.0 million in potential development, regulatory and commercial milestones, plus royalties on any future sales.

On September 20, 2018 (the Closing), Agenus and its wholly-owned subsidiary, Agenus Royalty Fund, LLC (Agenus Royalty), entered into a Royalty Purchase Agreement (the Royalty Purchase Agreement) with XOMA (US) LLC (XOMA). Pursuant to the terms of the Royalty Purchase Agreement, XOMA paid \$15.0 million at Closing in exchange for the right to receive 33% of the future royalties and 10% of the future milestones that Agenus is entitled to receive from Incyte and Merck, net of certain Agenus obligations to a third party and excluding the next milestone that Agenus expects to receive from Incyte in the fourth quarter of 2018. Agenus otherwise retains 90% of the future milestones and 67% of the future royalties under its agreements with Incyte and Merck.

The Royalty Purchase Agreement contains certain representations and warranties regarding Agenus' rights and obligations with respect to Incyte and Merck, as well as customary representations for a transaction of this nature. The Royalty Purchase Agreement also contains certain covenants around Agenus' rights and obligations with respect to Incyte and Merck, as well as customary covenants, including covenants that limit or restrict Agenus Royalty's ability to incur indebtedness or liens or otherwise merge, consolidate or acquire assets or securities.

The foregoing description of the Royalty Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the text of the Royalty Purchase Agreement, which will be filed as an exhibit to a subsequent filing made by Agenus under the Securities Exchange Act of 1934.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The information provided above in this Current Report on Form 8-K is hereby incorporated by reference into this Item 2.01.
