Item 8.01. Other Events.**RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS**

Effective January 1, 2018, Ampco-Pittsburgh Corporation (the Corporation) adopted Accounting Standards Update 2017-07, *Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost*, which requires an employer who offers defined benefit and postretirement benefit plans to report the service cost component of net periodic benefit cost in the same line item or items as other compensation costs arising from services rendered by employees during the period. The other components of net periodic benefit cost are required to be presented in the income statement separately from the service cost component and outside the subtotal of income from operations. The amendment also allows only the service cost component of net periodic benefit cost to be eligible for capitalization, when applicable. The amended guidance does not change the amount of net periodic benefit cost to be recognized, only where it is to be recognized in the income statement. The amended guidance is to be applied retrospectively for the presentation of the service cost component and the other components of net periodic pension and other postretirement costs in the income statement and prospectively when capitalizing.

The Corporation's Consolidated Statements of Operations for the years ended December 31, 2017, 2016 and 2015 have not been revised to reflect the effect of the new accounting guidance as management has concluded that the impact of the adoption was not material to any of the years. Instead, required periods will be retrospectively adjusted for the year ending December 31, 2018. As permitted by the guidance, the Corporation may use the amounts disclosed in its pension and other postretirement benefits footnote as the estimate to apply retrospectively. The effect of the retrospective guidance on the Corporation's Consolidated Statements of Operations for the years ended December 31, 2017, 2016 and 2015 is summarized below (\$ in thousands). The guidance does not affect the Corporation's financial position or liquidity.
