Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard: Transfer of Listing.

The Company was advised on May 31, 2006 by a hearing panel of the NASD that it will become ineligible for quotation on the OTC Bulletin Board effective as of the opening of trading on June 2 or June 5, 2006. However, the common shares will continue to trade in the over-the-counter market, and will be quoted in the electronic pink sheets under the symbol SKYY until such time as the Company's common shares resume quotation on the OTC Bulletin Board.

The NASD has determined the Company's common shares are ineligible for continued quotation on the OTC Bulletin Board because the Company has not filed its 2005 Annual Report on Form 10-KSB within applicable grace periods.

The 2005 Annual Report is delayed as a result of a change of auditors in late February 2006 due to the retirement of the Company's prior auditors. Additionally, in response to a comment letter received from the US Securities and Exchange Commission, the Company has prepared an amendment of its 2004 results on Form 10-KSB/A that it expects to file shortly. The 2005 Annual Report on Form 10-KSB is expected to be filed within the next three weeks or less, along with the Company's Quarterly Report on Form 10-QSB for the quarter ended March 31, 2006. In conjunction with making those filings, the Company expects to resume quotation on the OTC Bulletin Board.
