PROXY STATEMENT

**ELECTRONIC CLEARING HOUSE, INC.
730 PASEO CAMARILLO, CAMARILLO, CA 93010**

**ANNUAL MEETING OF SHAREHOLDERS
February 6, 2006**

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Electronic Clearing House, Inc., a Nevada corporation, for use at the Annual Meeting of shareholders (the Meeting) which will be held on February 6, 2006 at 9:00 a.m., local time, at its corporate offices located at 730 Paseo Camarillo, Camarillo, California 93010. The approximate mailing date of this Proxy Statement is January 5, 2006.

PROXIES

The shares represented by proxy in the form solicited by our Board of Directors will be voted at the Meeting if the proxy is returned to us properly executed. Where a choice is specified with respect to the matter being voted upon, the shares represented by the proxy will be voted in accordance with such specification. The proxy may specify approval or disapproval of the nominee for director of our company, or may withhold authority to vote for such nominee for director, and for the approval of the other proposals described herein. **If your shares are held in street name (i.e., in the name of your broker or bank as the holder of record), you must obtain a proxy, executed in your favor, from the holder of record in order to be able to vote at the Meeting.**

It is intended that shares represented by proxies in the accompanying form will be voted for the election of the person listed below under Election of Directors. Although the Board of Directors does not know whether any nominations will be made at the Meeting other than those set forth herein, if any such nomination is made, or if votes are cast for any candidates other than those nominated by the Board of Directors, the persons authorized to vote shares represented by executed proxies in the enclosed form (if authority to vote for the election of directors or for any particular nominee is not withheld) will have full discretion and authority to vote for all of the nominees for the Board of Directors, as provided in the proxy. We are not aware of any matters to be voted upon at the Meeting other than as stated in this proxy statement and in the accompanying Notice of Annual Meeting of shareholders. If any other matters are properly brought before the Meeting, the enclosed proxy gives authority to the persons named in such proxy to vote the shares in their best judgment.

Edgar Filing: ELECTRONIC CLEARING HOUSE INC - Form DEF 14A

If you are a shareholder of record (i.e., your shares are registered in your name), you may revoke your proxy at any time before the meeting either by filing with our Secretary, at our principal executive offices, a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. However, attendance at the Meeting will not constitute a revocation of a proxy. If your shares are held in street name, the holder of record may revoke a proxy in the same manner as described above.

We will bear the cost of soliciting proxies. In addition, we may reimburse brokerage firms and other firms representing beneficial owners of shares for their expenses in forwarding solicitation materials to the beneficial owners. Proxies may also be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

Please MARK, SIGN and DATE the enclosed proxy card and RETURN it by January 23, 2006, in the enclosed envelope provided for this purpose.

On December 12, 2005, the record date for determining shareholders entitled to vote at the Annual Meeting of shareholders, we had outstanding and entitled to vote at the Meeting 6,661,701 shares of Common Stock, par value \$.01 per share (the Common Stock). Each share of Common Stock is entitled to one vote on any matter brought before the Meeting, including election of the directors. Our Articles of Incorporation and Bylaws do not contain any provision for cumulative voting and no provision of applicable law requiring cumulative voting is applicable to your shares.

The required quorum for the transaction of business at the Meeting is a majority of the shares of Common Stock outstanding on the record date. Shares that are voted for or against, or are withheld from a matter are treated as being present at the Meeting for purposes of establishing a quorum and are also treated as votes eligible to be cast by the holders of Common Stock present in person or represented by proxy at the Meeting and entitled to vote. Abstentions will be counted for purposes of determining both the presence or absence of a quorum for the transaction of business and the total number of votes cast with respect to a particular matter. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, however, such broker non-votes will not be considered votes cast for or against a particular matter and, accordingly, will not affect the determination as to whether the requisite majority of votes cast has been obtained with respect to a particular matter. The two nominees for director receiving the highest number of votes of the holders of a majority of our shares present and entitled to vote, in person or by proxy, will be elected. Each of the other proposals must receive the affirmative vote of the holders of a majority of our shares present and entitled to vote, in person or by proxy, to be adopted.

- (1) Under Rule 13d-3, certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of Common Stock actually outstanding at December 12, 2005.

Stock Option Plans

On May 13, 1992, our Board of Directors authorized adoption of an Officers and Key Employees Incentive Stock Option Plan (Plan), ratified by the shareholders at the Annual Meeting held July 10, 1992. The Plan provided for the issuance of up to 81,250 shares of Common Stock underlying stock options, each to purchase one share of the Common Stock for \$3.40 per share, subject to adjustment in the event of stock splits, combinations of shares, stock dividends or the like.

On November 18, 1996, our Board of Directors authorized an increase in the Plan to 843,750 shares underlying stock options and such increase was approved by the shareholders at the Annual Meeting held in February 1997.

On February 4, 1999, our Board of Directors authorized an increase in the Plan to 1,343,750 shares underlying stock options and such increase was approved by the shareholders at the Annual Meeting held in February 1999.

On May 13, 2002, the Plan expired. The 2003 Incentive Stock Option Plan, which provided for the issuance of up to 900,000 shares of Common Stock underlying stock options, was approved by our Board of Directors and by our shareholders at the Annual Meeting of shareholders held on February 3, 2003.

On April 19, 2004, our Compensation Committee approved certain non-material changes to our 2003 Incentive Stock Option Plan.

On December 21, 2004, our Compensation Committee authorized an amendment and restatement of the 2003 Incentive Stock Option Plan to, among other matters, (i) increase the number of shares to be issued under the 2003 Incentive Stock Option Plan from 900,000 shares to 1,150,000 shares, and (ii) permit the grant of restricted stock under the plan.

Employment Agreements

None.

Bonus, Profit Sharing and Other Remuneration Plans and Pension and Retirement Plans

In addition to salary, the Compensation Committee, from time to time, grants stock options and restricted stock grants to executive officers and key personnel pursuant to the 2003 Incentive Stock Option Plan. The Compensation Committee thus views equity-based compensation as an important component of its long-term, performance-based compensation philosophy. Since the value of stock options and grants of restricted stock bears a direct relationship to our stock price, the Compensation Committee believes that stock options and grants of restricted stock motivate executive officers and key personnel to manage us in a manner which will also benefit shareholders. As such, stock options and grants of restricted stock are granted at the current market price. One of the principal factors considered in granting stock options and grants of restricted stock to executive officers or key personnel is their ability to influence our long-term growth and profitability.

The Compensation Committee has also established a bonus program to reward extraordinary performance that exceeds pre-set goals established for executive officers and key personnel. We believe that such a bonus program provides the incentive to exceed such goals, thereby building shareholder value.

We have a contributory 401(K) Retirement Pension Plan, which covers all employees who are qualified under the plan provisions. In fiscal 2005, we also adopted a non-qualified deferred compensation plan that provides additional retirement investment alternatives for eligible employees and directors and is complementary to our contributory 401(K) Retirement Pension Plan.

Report of the Audit Committee of the Board of Directors

The Audit Committee of the Board of Directors is currently composed of Richard D. Field, Aristides W. Georgantas, who serves as the Chairman of the Committee, H. Eugene Lockhart, Herbert L. Lucas, Jr., and Carl R. Terzian. Mr. Lockhart joined the Audit Committee on May 5, 2005. Messrs. Field, Georgantas, Lockhart, Lucas and Terzian are independent directors within the meaning of Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended, and the NASDAQ Marketplace Rules.

Edgar Filing: ELECTRONIC CLEARING HOUSE INC - Form DEF 14A

During fiscal 2000, the Audit Committee of the Board of Directors developed a charter for the Audit Committee, which was approved by the full Board on February 4, 2000. The Audit Committee reviews and reassesses the charter annually and recommends any changes to the Board of Directors for approval. After reassessing the provisions of the Audit Committee's prior charter, and in light of changes in the securities laws, rules and regulations, the Audit Committee recommended, and the Board of Directors approved, an Amended and Restated Audit Committee Charter in December 2003. No changes were recommended by the Audit Committee at the end of the fiscal year ended September 30, 2005. The Amended and Restated Audit Committee Charter was filed as Appendix A to our Proxy Statement filed with respect to our 2003 Annual Meeting of shareholders, and is available on our website at www.echo-inc.com.

Among other matters, the Audit Committee:

Is charged with monitoring the preparation of annual financial reports by management, including discussions with management and independent auditors about draft annual financial statements and significant accounting and reporting matters;

Is responsible for matters concerning any relationship with our independent auditors, including their appointment or removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to us; and determining whether the independent auditors are independent (based in part on the annual letter provided pursuant to Independence Standards Board Standard No. 1); and

Oversees management's implementation of effective systems of internal controls, including a review of policies relating to legal and regulatory compliance, ethics and conflicts of interests.

15

The Audit Committee's duties, responsibilities and powers are identified in its charter. The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the charter.

In overseeing the preparation of our financial statements, the Committee met with both management and the independent auditors to review and discuss all financial statements prior to their issuance and significant accounting issues. Management has advised the Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States and the independent auditors have issued their report on the financial statements that such financial statements, present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States of America. The Committee discussed the statements in detail with both management and the independent auditors. The Committee's review included discussion with the independent auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees).

With respect to our outside auditors, the Committee, among other things, discussed with PricewaterhouseCoopers LLP matters relating to its independence, including the written disclosures made to the Committee as required by Independence Standards Board Standard No. 1 (Discussions with Audit Committee).

On the basis of these reviews and discussions, the Committee recommended to the Board that it approve the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended September 30, 2005 for filing with the Securities and Exchange Commission.

The Compensation Committee of the Board of Directors reviews and approves salaries, bonuses and other benefits payable to our executive officers and administers our Amended and Restated 2003 Incentive Stock Option Plan, and prior to its expiration, the Officers and Key Employees Incentive Stock Option Plan. The Compensation Committee is currently composed of Richard D. Field, Aristides W. Georgantas, H. Eugene Lockhart, Herbert L. Lucas, Jr., who serves as the Chairman of the Committee, and Carl R. Terzian. Mr. Lockhart joined the Compensation Committee on May 5, 2005. Messrs. Field, Georgantas, Lockhart, Lucas and Terzian are independent directors within the meaning of the NASDAQ Marketplace Rules. In light of changes in the securities laws, rules and regulations, in December 2003, our Compensation Committee recommended, and the Board of Directors approved, a Compensation Committee Charter. The Compensation Committee Charter is available on our website at www.echo-inc.com

Compensation Philosophy. The philosophy used by the Compensation Committee in establishing compensation for executive officers, including the Chief Executive Officer, is to attract and retain key personnel through the payment of competitive-based salaries, annual bonuses and the granting of stock options and other stock-based compensation. Where appropriate, relocation benefits are paid to attract key individuals.

Executive Officer Compensation. Salaries of executive officers have been negotiated between our company and each executive officer, and were influenced by such factors as salaries paid to similar level executive officers in comparable-sized companies, the availability of persons with similar abilities and the geographic location of our offices. The companies that the Compensation Committee considers to be similar to us for purposes of making such determination are principally those companies against which we compete for executive personnel. The Compensation Committee believes that it has adequate knowledge of the compensation levels of such other companies as a result of information available to the public, recruitment efforts and compensation negotiations directed at candidates employed by such other companies, as well as data gathered from time to time from surveys, independent consultants and as a result of interactions between our personnel and the personnel of such other companies.

In evaluating annual compensation levels and bonuses for our executive officers other than the Chief Executive Officer, the Compensation Committee considered, among other factors including its discussions with our Chief Executive Officer, the individual, team, and company-wide performance and results against applicable pre-established annual and long-term performance goals, taking into account shareholder return, economic and business conditions, remuneration given to each executive officer in the past and comparative and competitive compensation and benefit performance levels. The Committee also considered our ability to increase salaries paid to our executive officers, taking into account our operating results and overall operations as a whole. Ultimately, the consideration of additional factors and the weight given to any particular factor is within the discretion of the Compensation Committee. As a result of such review, the Compensation Committee made its determinations for annual compensation, bonus and stock-based compensation for each of our executive officers as identified in this proxy statement.

17

Chief Executive Officer Compensation. With respect to reviewing the compensation provided to our Chief Executive Officer, the Compensation Committee believes that, because our Chief Executive Officer is responsible for our overall operations, his personal performance should be judged, based on the performance of our company as a whole. In this regard, the Compensation Committee considers both quantitative and qualitative factors. Quantitative items used by the Compensation Committee in analyzing our performance include sales and sales growth, results of operations and an analysis of actual levels of operating results and sales to budgeted amounts. Qualitative factors include the Compensation Committee's assessment of such matters as the enhancement of our image and reputation, expansion into new markets and business segments, and the development and success of new strategic relationships and new marketing opportunities. As such, the Compensation Committee reviewed and approved goals and objectives relevant to our Chief Executive Officer's compensation package prior to the beginning of our fiscal year ended September 30, 2004, and at the conclusion of that year, evaluated his performance in light of the goals and objectives established by the Compensation Committee to determine his compensation for the year ended September 30, 2005. As a result of that review, the Compensation Committee made its determinations for the annual compensation, bonus and stock-based compensation of our Chief Executive Officer as identified in this proxy statement.

Mr. Barry, our Chief Executive Officer, was paid an annual salary of \$261,875 and a \$50,000 bonus for fiscal year ended September 30, 2004 that was paid in fiscal year 2005. In addition, Mr. Barry was granted options to purchase 30,000 shares of our Common Stock during fiscal 2005. The Compensation Committee believes that tying the remuneration of Mr. Barry to the achievement of certain company goals and to the performance of the Common Stock will enhance our long-term performance.

PROPOSAL 2

Proposal To Ratify The Selection Of Auditors

The Audit Committee of the Board of Directors has appointed PricewaterhouseCoopers LLP, independent certified public accountants (PricewaterhouseCoopers), as our auditors for the current fiscal year. PricewaterhouseCoopers has audited our financial statements since 1984, and has no other relationship with or interest in us. A representative of PricewaterhouseCoopers is expected to attend the meeting and will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions. Shareholders are requested to ratify the appointment of PricewaterhouseCoopers as our auditors for the current fiscal year.

If the majority of our shareholders present and entitled to vote at the Meeting do not ratify the appointment of PricewaterhouseCoopers as our auditors for the current fiscal year, PricewaterhouseCoopers will continue to serve as our auditors for the current fiscal year, and the Audit Committee of the Board of Directors will engage in deliberations to determine whether it is in our best interest to continue PricewaterhouseCoopers engagement as our auditors for fiscal 2007.

Fees Billed to Us by PricewaterhouseCoopers LLP for Fiscal 2005

Audit Fees

PricewaterhouseCoopers billed us an aggregate of approximately \$190,000 and \$135,000 in fees for professional services rendered for the audit of our annual financial statements for the fiscal years ended September 30, 2005 and September 30, 2004, respectively, and the reviews of the financial statements included in our Form 10-Q s for fiscal 2005 and 2004.

23

Audit-Related Fees

PricewaterhouseCoopers billed us an aggregate of approximately \$5,000 and \$50,000 in fees for assurance and related services related to the audit of our annual financial statements for the fiscal years ended September 30, 2005 and September 30, 2004, respectively.

The Audit Committee has considered and concluded that the provision of the above services other than audit services is compatible with maintaining PricewaterhouseCoopers independence.

Our Audit Committee is directly responsible for interviewing and retaining our independent accountant, considering the accounting firm s independence and effectiveness, and pre-approving the engagement fees and other compensation to be paid to, and the services to be conducted by, the independent accountant. The Audit Committee does not delegate these responsibilities. During each of the fiscal years ended September 30, 2005 and 2004, respectively, our Audit Committee pre-approved 100% of the services described above.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE IN FAVOR OF THE ABOVE PROPOSALS.

UNLESS A CONTRARY CHOICE IS SPECIFIED, PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED FOR RATIFICATION AND APPROVAL OF THE ABOVE PROPOSALS.

24

SHAREHOLDER PROPOSALS AND OTHER MATTERS

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, promulgated by the Securities and Exchange Commission, any shareholder of record desiring to have an appropriate proposal for action presented at next year's Annual Meeting of shareholders, now scheduled for February 2007, and to have it set forth in the Proxy Statement and form of Proxy for that Annual Meeting, must notify us and submit the proposal in writing for receipt at our executive offices as noted above not later than September 7, 2006. In order for proposals by stockholders not submitted in accordance with Rule 14a-8 to have been timely within the meaning of Rule 14a-4(c) under the Securities Exchange Act of 1934, as amended, that proposal must have been submitted so that it is received no later than November 21, 2006. In addition, in the event a stockholder proposal is not received by us by November 21, 2006, the Proxy to be solicited by the Board of Directors for the next Annual Meeting will confer discretionary authority on the holders of the Proxy to vote the shares represented by the proxy if the proposal is presented at the next Annual Meeting without any discussion of the proposal in the Proxy Statement for such meeting.

In addition to the above procedure, we have adopted the following three methods through which our shareholders may communicate with the Board of Directors: communication to our management or to the Audit Committee of the Board of Directors regarding questionable accounting or auditing matters and internal accounting controls; electronic mail correspondence to our Chairman and Chief Executive Officer, Joel M. Barry, and the Chairman of the Audit Committee, Aristides W. Georgantas, regarding matters concerning our code of ethical conduct and our overall ethical values and standards; and communication via electronic mail or telephone to our corporate secretary, Donna Rehman, regarding investor relations matters. Each party responsible for receipt of shareholder communications in the areas listed above determines whether shareholder communications should be relayed to our Board of Directors. Additional information regarding shareholder communications with our Board of Directors can be found at our website at www.echo-inc.com
