Grant of performance-based restricted common shares of the Issuer pursuant to the 2016 Plan. These shares will vest following the expiration of the service period on December 31, 2020, subject to the satisfaction of service- and performance-based vesting conditions. The award consists of three substantially equal tranches. The amount awarded represents the maximum potential achievable number of shares. The number of shares in each tranche that ultimately vest is a function of the issuer's total shareholder return relative to the members of a predetermined peer group of companies during a given calendar-year performance period (2018, 2019 or 2020), and is subject to the reporting person's continued employment through the expiration of the service period. If, following the Compensation Committee's determination of total shareholder return for a performance period, there are shares that are no longer eligible to vest, those shares will be immediately forfeited.
