### **Item 8.01 Other Events.**

Barington/Hilco Acquisition Corp. (the “Company”) has failed to timely complete a business combination in accordance with the terms of the Company’s amended and restated certificate of incorporation (the “Charter”). As a result, on November 1, 2018, the Company will begin the process of redeeming 100% of the company’s public shares of common stock (the “Redemption”) at a price per share of approximately \$10.87854059 (the “Redemption Amount”). The Redemption Amount will be distributed to each of the Company’s public shareholder’s on a pro rata basis in accordance with the total amount of funds held in the Company’s trust account. The Redemption Amount will be payable to each of the Company’s public shareholders upon presentation of their respective stock certificates to the Company’s transfer agent, Continental Stock Transfer & Trust Company. Beneficial owners of the public shares held in “street name,” however, will not need to take any action in order to receive the Redemption Amount. The Company is obligated to complete the Redemption as promptly as reasonably practicable, although under the terms of the Company’s Charter it must complete the Redemption by no later than ten (10) business days after October 31, 2018.

The Company anticipates that its public shares will cease trading as of the open of business on November 1, 2018 in order to allow time for the settlement of trades. As of the close of business on November 1, 2018, the public shares will be deemed cancelled and will represent only the right to receive the Redemption Amount.

The Company’s initial shareholders have waived their redemption rights with respect to the outstanding shares of common stock issued prior to the Company’s initial public offering. There will be no redemption rights or liquidating distributions with respect to the Company’s warrants or other rights, which will expire and become worthless. After October 31, 2018, the Company shall cease all operations except for those required to wind up the Company’s business.

The Company has been advised that NASDAQ will file a Form 25 with the United States Securities and Exchange Commission (the “Commission”) to delist the Company’s securities. Thereafter, the Company will file a Form 15 with the Commission to terminate the registration of its securities under the Securities Exchange Act of 1934, as amended.
