### **Execution of Agreement: Pasadena Refinery**

Rio de Janeiro, June 29, 2012 – Petróleo Brasileiro S.A. – Petrobras announces that executed today an agreement that terminates all the existing lawsuits between its subsidiaries and the companies of the Belgian group Transcor/Astra, holding of Astra Oil Trading NV (Astra). The lawsuits stem from the period of partnership between Astra and Petrobras America Inc. (PAI), a subsidiary of Petrobras, in the Pasadena Refining System, Inc. (PRSI), owner of the Pasadena Refinery in Texas and the Trading Company.

The agreement also ends the legal issue concerning the arbitration process that had recognized Astra's put option for PAI's ownership interest (50%) at PRSI and Trading Company.

PAI will pay the amount of the put option set by a report dated April 10, 2009, issued during the arbitration mentioned above, plus interest and other expenses, totaling US\$ 820.5 million. This amount had been provisioned in Petrobras' financial statements, remaining the amount of approximately US\$ 70 million to be written down in the company's second quarter 2012 results.

With this agreement, the parties receive full and general release regarding all the lawsuits, one of which confirms the amount of the shares set by the arbitration report cited above, therefore confirming PAI's 100% control at PRSI and Trading Company.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
