Item 1.01. Entry Into a Material Definitive Agreement

On May 27, 2011, Globe Specialty Metals, Inc. (the “Company”), entered into the following three related purchase agreements in connection with the purchase by the Company of certain coal mining properties and operations: (i) Membership Interest Purchase Agreement dated May 27, 2011 by and among Globe BG, LLC, a wholly-owned subsidiary of the Company and NGPC Asset Holdings II, LP and NGP Capital Resources Company, and certain other parties thereto, related to the purchase by Globe of 100% of the membership interests of Alden Resources, LLC; (ii) Membership Interest Purchase Agreement dated May 27, 2011 by and among Globe BG, LLC, a wholly-owned subsidiary of the Company and NGPC Asset Holdings II, LP and NGP Capital Resources Company, related to the purchase by Globe of 100% of the membership interests of Gatliff Services, LLC and (iii) Purchase Agreement dated May 27, 2011 by and among the Company, Globe BG, LLC, a wholly-owned subsidiary of the Company and NGP Capital Resources Company, related to the purchase of certain royalty interests held by NGP Capital Resources Company (collectively, the “Purchase Agreements”).

The aggregate purchase price being paid by the Company pursuant to the Purchase Agreements is \$73.2 million plus an additional \$6.8 million that could be payable to NGP Capital Resources Company pursuant to an earn-out payment upon the achievement of certain operational conditions. The Purchase Agreements contain customary representations, warranties, covenants and indemnities for transactions of this nature and the closing of each transaction is subject to certain closing conditions, including each transaction being subject to the closing of the other transactions. The transactions will close once all of the conditions are satisfied and/or waived.

The foregoing description of the Purchase Agreements does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreements, copies of which are filed as Exhibits 2.1 to 2.3 hereto and are incorporated herein by reference. The Purchase Agreements contain representations and warranties the parties thereto made to and solely for the benefit of each other, and such representations and warranties should not be relied upon by any other person. The assertions embodied in those representations and warranties were made solely for the purposes of the Purchase Agreements and are subject to important qualifications and limitations agreed to by and between the Company and the other parties thereto in connection with negotiating the Purchase Agreements. Accordingly, security holders should not rely on the representations and warranties as accurate or complete or characterizations of the actual state of facts as of any specified date because such representations and warranties are modified in important part by the underlying disclosure schedules, are subject to a contractual standard of materiality different from that generally applicable to security holders and were used only for the purpose of conducting certain limited due diligence inquiries and not for establishing all material facts with respect to the matters addressed.
