We are not able to release any financial information at this time due to the potential impact on our financial results of certain valuations that are being performed by outside entities.

As reported in our Form 10-Q for the quarter ended August 31, 2007, our financial statements for the 2007 fiscal year will include discontinued operations as a result of the sale of two wholly owned subsidiaries in June 2007.

Revenues for the year ended November 30, 2007 were approximately \$1,000,000 as compared to revenues of approximately \$200,000 for the year ended November 30, 2006.
