Dear Stockholders of Fox Factory Holding Corp.:

You are cordially invited to attend the 2015 Annual Meeting of Stockholders of Fox Factory Holding Corp., which will be held Thursday, May 7, 2015, at 1 p.m., Pacific Time, at our corporate headquarters located at 915 Disc Drive, Scotts Valley, CA 95066. Holders of common stock are entitled to vote at the Annual Meeting on the basis of one vote for each share held.

In accordance with U.S. Securities and Exchange Commission ("SEC") rules, we are sending stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") with instructions for accessing proxy materials and voting via the internet. This Notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so wish.

Your vote is very important to us. We ask each stockholder to please assist us in preparing for the meeting by following the voting procedures contained in the proxy statement, proxy card or voting instruction form. Whether or not you expect to attend the Annual Meeting, we urge you to consider the accompanying proxy statement carefully and to promptly vote your shares either by telephone, online, or, if you received paper copies of your proxy materials in the mail, by completing, signing, dating and returning the enclosed proxy card so that your shares may be voted in accordance with your wishes and the presence of a quorum may be assured. Completing a proxy card or voting through the internet or telephone will not prevent you from voting in person should you be able to attend the meeting, but will assure that your vote is counted, if, for any reason, you are unable to attend.

I look forward to hosting you at our Scotts Valley headquarters in May.

Very truly yours,

Larry L. Enterline

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting

This year we are pleased to save costs and help protect the environment by using the Notice and Access method of delivery. Instead of receiving paper copies of our proxy materials in the mail, many stockholders this year will receive a Notice Regarding Availability of Proxy Materials ("Notice") which provides an internet website address where stockholders can access electronic copies of proxy materials and vote. This website also has instructions for voting by phone and for requesting paper copies of the proxy materials and proxy card. The Company's 2015 Proxy Statement and Annual Report for fiscal year 2014 are available online at www.proxyvote.com.

Your vote is very important to us. Whether or not you expect to attend the Annual Meeting, we urge you to consider the proxy statement carefully and to promptly vote your shares either by (1) voting through the internet at the website or by telephone at the telephone number shown on the proxy card or Notice; or (2) if you received paper copies of your proxy materials in the mail, complete, date, sign, and return the enclosed proxy card as promptly as possible. Completing a proxy card or voting through the internet or telephone will not prevent you from voting in person should you be able to attend the meeting, but will assure that your vote is counted, if, for any reason, you are unable to attend. Our proxy tabulator, Broadridge Financial Solutions, Inc. must receive any proxy that will not be delivered in person to the Annual Meeting by 11:59 p.m., Eastern Time on Wednesday, May 6, 2015.

**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 7, 2015**

Fox Factory Holding Corp. (which we refer to as “we,” “us,” “our,” “FOX” or the “Company”) is furnishing this proxy statement in connection with the solicitation by our Board of Directors (our “Board”) of proxies to vote at the Annual Meeting of Stockholders on May 7, 2015 (the “Annual Meeting”), or at any adjournment or postponement thereof, at our corporate headquarters, 915 Disc Drive, Scotts Valley, CA 95066, at 1 p.m., Pacific Time. We first sent or made available these proxy materials to our stockholders on or about March 19, 2015. A copy of this proxy statement, the proxy card and our 2014 Annual Report for fiscal year 2014 (collectively, the “Proxy Materials”) can be found at the web address www.proxyvote.com.

**QUESTIONS AND ANSWERS ABOUT
THIS PROXY STATEMENT AND THE ANNUAL MEETING**

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will consider and vote on the following matters:

• Proposal I: To elect two directors, described in this proxy statement, nominated for a term to expire at the 2018 Annual Meeting of Stockholders.

• Proposal II: To ratify the appointment of Grant Thornton LLP as independent public accountants for 2015. The stockholders will also act on any other business that may properly come before the meeting.

How are the proxy materials being delivered?

The Securities and Exchange Commission, which we referred to as the SEC, has adopted a “Notice and Access” rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice, to stockholders in lieu of a paper copy of the Proxy Materials. The Notice provides instructions as to how shares can be voted. Shares must be voted either by telephone, online or by completing and returning a proxy card. Shares cannot be voted by marking, writing on and/or returning the Notice of Internet Availability. Any Notices that are returned will not be counted as votes. Instructions for requesting a paper copy of the Proxy Materials are set forth on the Notice.

**IMPORTANT NOTICE REGARDING AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL
MEETING TO BE HELD ON MAY 7, 2015:**

The Proxy Materials are available at www.proxyvote.com. Enter the 12-digit control number located on the Notice or proxy card to access the Proxy Materials.

Who may attend the Annual Meeting?

Anyone who was a stockholder as of the close of business on March 12, 2015 may attend the Annual Meeting. Broadridge Financial Solutions, Inc. (“Broadridge”) has been selected as our inspector of election. As part of its

responsibilities, Broadridge is required to independently verify that you are a FOX stockholder eligible to attend the Annual Meeting and to determine whether you may vote in person at the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

Only holders of record of our common stock at the close of business on March 12, 2015, the record date, are entitled to vote. There were 37,121,802 shares of common stock outstanding on March 12, 2015. Stockholders are entitled to cast one vote per share on all matters.

What documents am I required to bring in order to vote at the Annual Meeting if I am voting as a stockholder?

The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a stockholder of record or you represent a stockholder of record. If you are a stockholder of record holding shares in your own name, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport). Trustees who are individuals and named as stockholders of record are in this category. If you attend on behalf of a stockholder of record, whether such stockholder is an individual, corporation, trust or partnership, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport) and either a letter from that stockholder of record authorizing you to attend the Annual Meeting on their behalf or we must have received by 11:59 p.m. Eastern Time, May 6, 2015 a duly executed proxy card from the stockholder of record appointing you as proxy.

What documents am I required to bring in order to vote at the Annual Meeting if I am voting as a beneficial owner?

If your shares are held in street name, your name does not appear on the share register of the Company. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a beneficial owner or you represent a beneficial owner. If you are a beneficial owner, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport) and either a legal proxy that you have obtained from your bank or broker or your most recent brokerage account statement or a recent letter from your bank or broker showing that you own shares of the Company. If you attend on behalf of a beneficial owner, you must bring to the Annual Meeting a letter from the beneficial owner authorizing you to represent such beneficial owner's shares at the Annual Meeting and the identification and documentation specified above for individual beneficial owners.

How do I vote my shares in person at the Annual Meeting?

Stockholders of record may vote their shares in person at the Annual Meeting by ballot. Each proposal has a separate ballot. You must properly complete, sign, date and return the ballots to the inspector of election at the Annual Meeting to vote in person. To receive ballots, you must bring with you the documents described above. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

How do I vote my shares without attending the Annual Meeting?

Properly appoint a proxy to vote on your behalf by promptly submitting the proxy card, which is solicited by the Board. The persons named in the proxy card have been designated as proxies by our Board. The designated proxies are officers of the Company. They will vote as directed by the completed proxy card. Stockholders of record also have the opportunity to appoint another person to attend the Annual Meeting and vote on their behalf by inserting such other person's name on the proxy card and returning the duly executed proxy card to us.

There are three ways to vote by proxy:

1. By Mail -

Edgar Filing: FOX FACTORY HOLDING CORP - Form DEF 14A

Complete, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to Vote Processing; c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

2. By Telephone - 1-800-690-6903

Use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m. Eastern Time May 6, 2015.

Have your proxy card in hand when you call and then follow the instructions.

2

3. By the internet - www.proxyvote.com

Use the internet to transmit your voting instructions and for electronic delivery of information up until 11:59 p.m. Eastern Time May 6, 2015. Have your proxy card in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.

If you received a proxy card in the mail but choose to vote by telephone or internet, you do not need to return your proxy card.

If your shares are held in the name of a bank, broker or other record holder, follow the voting instructions on the form that you receive from them. The availability of telephone or internet voting will depend on the bank's, broker's or other record holder's voting process. Your bank, broker or other record holder may not be permitted to exercise voting discretion as to some of the matters to be acted upon. Therefore, please give voting instructions to your bank, broker or other record holder.

You may vote by phone or internet until 11:59 p.m. Eastern Time May 6, 2015, or Broadridge Financial Solutions, Inc. must receive your paper proxy card by 11:59 p.m. Eastern Time on May 6, 2015.

How will my proxy be voted?

All properly completed, unrevoked proxies, which are received prior to the close of voting at the Annual Meeting, will be voted in accordance with the specifications made. If a properly executed, unrevoked written proxy card does not specifically direct the voting of shares covered, the proxy will be voted:

• FOR ALL the individuals nominated as directors in Proposal I, described in this proxy statement, for a term to expire at the 2018 Annual Meeting of Stockholders;

• FOR Proposal II, the ratification of the appointment of Grant Thornton LLP as our independent public accountants for 2015; and

• in accordance with the judgment of the persons named in the proxy as to such other matters as may properly come before the Annual Meeting.

The Board is not aware of any other matters that may properly come before the Annual Meeting. However, should any such matters come before the Annual Meeting, it is the intention of the persons named in the proxy card to vote all proxies (unless otherwise directed by stockholders) in accordance with their judgment on such matters.

May I revoke or change my vote?

If you are a stockholder of record, you may revoke your proxy at any time before it is actually voted by giving written notice of revocation to our Secretary, by delivering a proxy bearing a later date or by attending and voting in person at the Annual Meeting. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other record holder or, if you have obtained a legal proxy from your bank, broker or other record holder giving you the right to vote your shares, by attending the meeting and voting in person.

Will my vote be made public?

All proxies, ballots and voting materials that identify the votes of specific stockholders will generally be kept confidential, except as necessary to meet applicable legal requirements and to allow for the tabulation of votes and certification of the vote.

What constitutes a quorum, permitting the meeting to conduct its business?

The presence at the Annual Meeting, in person or by proxy, of holders of a majority of the issued and outstanding shares of common stock entitled to vote as of the record date is considered a quorum for the transaction of business. If you submit a properly completed proxy or if you appear at the Annual Meeting to vote in person, your shares of common stock will be considered part of the quorum.

3

Shares represented by proxies that are marked "Abstain" or "Withhold All" or "For All Except" will be counted as shares present for purposes of determining the presence of a quorum. Shares of stock entitled to vote that are represented by broker non-votes will be counted as shares present for purposes of determining the presence of a quorum. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal without specific voting instructions from the beneficial owner.

How many votes are needed to approve a proposal?

Assuming the presence of a quorum, each director nominee receiving a plurality of the votes cast at the Annual Meeting (in person or by proxy) will be elected as a director. No stockholder shall be permitted to cumulate votes for the election of directors. Broker non-votes and withheld votes are not counted toward the election of directors or toward the election of the individual nominees specified on the proxy and therefore, withheld votes shall have no effect on Proposal I. The election of directors, is a non-discretionary item and brokers may not vote on Proposal I without specific voting instructions from beneficial owners, resulting in a broker non-vote.

Assuming the presence of a quorum, the affirmative vote of a majority of the shares present, in person or by proxy, at the Annual Meeting and entitled to vote is required to ratify the appointment of Grant Thornton LLP as our independent registered public accountants for 2015. An abstention is not counted toward the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm, and the effect of an abstention is the same as a vote "Against" the ratification. With respect to broker non-votes relating to the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2015, such person's shares will be voted "For" the ratification of the selection of Grant Thornton as the independent registered public accounting firm for 2015 and will not be considered non-votes because the ratification of auditors has been determined to be a discretionary item upon which your bank or broker has the authority to vote uninstructed shares.

Who will count the vote?

Representatives of Broadridge will tabulate the votes and act as inspectors of election.

How can I find the voting results of the Annual Meeting?

We will report the voting results in a Current Report on Form 8-K within four business days of the Annual Meeting.

How does Fox's status as an "emerging growth company" affect this proxy?

We are an "emerging growth company," as that term is defined in Section 2(A) of the Securities Act of 1933, as amended, or the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012, or the JOBS Act. We have taken advantage of certain exemptions from various reporting requirements that are applicable to other public companies that do not qualify as emerging growth companies, including, without limitation, reduced disclosure obligations relating to executive compensation and exemptions from the requirements of holding advisory "say-on-pay," "say-when-on-pay" and "golden parachute" executive compensation votes.

How is the solicitation being made?

This solicitation is being made by us and as such the cost of solicitation of proxies will be borne by us. Solicitation may be made by our directors, officers, and employees, personally or by telephone, email or fax. The Notice and, if requested, the Proxy Materials, will be distributed to beneficial owners of stock through brokers, custodians, nominees and other like parties, and we expect to reimburse such parties for their charges and expenses.

Where can I find more information about Fox Factory Holding Corp.?

We file reports and other information with the Securities and Exchange Commission (the "SEC"). You may read and copy this information at the SEC's public reference facilities. RATIFICATION OF APPOINTMENT OF
INDEPENDENT PUBLIC ACCOUNTING FIRM
(Proposal II)

The Board of Directors recommends that you vote FOR this proposal.

General

Our Audit Committee has appointed Grant Thornton LLP as independent public accountants to examine our consolidated financial statements for the year ending December 31, 2015, and has determined that it would be desirable to request that the stockholders ratify the appointment.

The Board recommends and asks that you ratify the selection of Grant Thornton LLP to serve as independent auditor for the Company for the fiscal year ending December 31, 2015. You may vote “For” or “Against” this proposal, or you may “Abstain” from voting.

Grant Thornton LLP is a registered public accounting firm and audited our financial statements for the fiscal years ended December 31, 2014, 2013 and 2012. Based on its past performance during these audits, the Audit Committee has selected Grant Thornton LLP as the independent auditor to perform the audit of our financial statements and internal control over financial reporting for fiscal year 2015. Assuming the presence of a quorum, the affirmative vote of a majority of the shares present, in person or by proxy, at the Annual Meeting and entitled to vote is required to ratify the appointment. If the stockholders do not ratify the appointment, the Audit Committee will reconsider the appointment.

Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and are also expected to be available to respond to appropriate questions.

independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as by the Public Company Accounting Oversight Board (the "PCAOB").

Pre-Approval Policy

The Audit Committee's policy is to pre-approve any independent accountant's engagement to render audit and or permissible non-audit services (including the fees charged and proposed to be charged by independent accountants) subject to the de minimus exceptions under Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and as otherwise required by law. Non-audit services may include audit-related services, tax services, or other services. The Audit Committee annually reviews whether the provision of permitted non-audit services is compatible with maintaining the accountant's independence. Following our initial public offering (our "IPO"), the Audit Committee approved all "Fees" in respect of 2013 and 2014. Compass' audit committee pre-approved all "Fees" in respect of 2013.

DIRECTOR COMPENSATION

Non-employee Director Compensation for 2014

Any non-employee director who, directly or indirectly, beneficially owns 5% or more of outstanding securities or is employed by or represents a stockholder of us that, directly or indirectly, beneficially owns 5% or more of the Company's outstanding securities is not entitled to receive any cash compensation or equity-based compensation for his or her service on the Board. Such non-employee director is, however, entitled to receive reimbursement for reasonable expenses which he or she properly incurs in connection with attending Board meetings and performing duties as a director.

Our Non-employee Director Compensation Policy provides for an annual cash retainer of \$40,000, payable quarterly for service as a director of Fox Factory Holding Corp. The chairpersons of the Audit Committee, the Compensation Committee and the Nominations and Corporate Governance Committee are provided additional retainers of \$15,000, \$7,500 and \$7,500 respectively. Our Lead Independent Director is paid an annual retainer of \$10,000, plus the other retainers and compensation he may receive. Each non-employee director serving on a committee of the Board is paid an additional \$1,000 for each meeting of the committee attended by such director telephonically or in person. Finally, each of the non-employee directors is entitled to receive reimbursement for reasonable expenses, which they properly incur in connection with attending Board meetings and their duties as a director.

Pursuant to our Non-employee Director Compensation Plan, non-employee directors are also granted annual equity-based compensation awards in the form of restricted share units pursuant to the 2013 Omnibus Plan. These awards vest on the day immediately prior to the next annual meeting, subject to accelerated vesting in the event of the director's death or a change in control of the Company and are subject to such additional terms and conditions as may be set forth in the applicable award agreement and plan. Subject to applicable laws and our policies in place for equity-based awards, the non-employee directors are entitled to receive an annual award of restricted share units determined by dividing \$40,000 (or such other amount as determined by the Board in its sole discretion), by the closing price of our common stock on the date of grant. In 2014, each non-employee directors received an award of 2,192 restricted share units on July 7, 2014. CORPORATE GOVERNANCE

Our business and affairs are managed under the direction of our Board, which currently consists of seven members. The primary responsibilities of our Board are to provide oversight, strategic guidance, counseling and direction to our management.

The Board of Directors
Governance Guidelines

Our Board has adopted a set of governance guidelines (the "Governance Guidelines") to assist our Board and its committees in performing their duties and serving the best interests of our Company and our stockholders. The Governance Guidelines cover topics including, but not limited to, director selection and qualification, director responsibilities and operation of our Board, director access to management and independent advisors, director compensation, director orientation and continuing education, succession planning, recoupment of performance-based compensation and the annual evaluations of our Board.

Code of Business Conduct and Ethics

Our Board has adopted a code of business conduct and ethics that applies to all of our employees, officers and directors involved in the oversight of our day-to-day operations, including our Chief Executive Officer, Chief Financial Officer and other executive and senior officers. The code of business conduct and ethics is posted on our website. The code of business conduct and ethics can only be amended by the approval of a majority of our Board, including a majority of our independent directors. Any waiver to the code of business conduct and ethics for an executive officer or director may only be granted by our Board and must be timely disclosed as required by applicable law. Any amendments to the code of business conduct and ethics, or any waivers of its requirements, will be disclosed on our website.

Leadership Structure

Our Board is currently comprised of seven members, four of whom are independent and one of whom is an officer of our Company. The Board believes its current leadership structure best serves the interest of the stockholders. The Board does not have a policy as to whether the Chairman should be an independent director, but when the Chairman is not an independent director the independent directors appoint a "Lead Independent Director." Mr. Sabo is our Chairman and leads our Board. He presides at all meetings of stockholders and the Board. Mr. Enterline, as Chief Executive Officer, has general charge and management of the affairs, property and business of the corporation, under the oversight, and subject to the review and direction, of the Board. The separation of the roles of Chief Executive Officer and the Chairman allows the Chief Executive Officer to focus primarily on leading the day to day operations of the Company while the Chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance, community relations and stockholder issues. We also have a Lead Independent Director, Mr. Mendenhall. Mr. Mendenhall, in his role as a Lead Independent Director, chairs executive sessions of the independent directors, and ,if appropriate, is available for consultation with stockholders.

Our Board has three standing committees, comprised solely of independent directors, the Audit Committee, chaired by Mr. Mendenhall, the Compensation Committee, chaired by Mr. Waitman, and the Nominating and Corporate Governance Committee, chaired by Mr. Hagin. The responsibilities and authority of each committee are described below.

Risk Oversight

The Board believes risk management is an important aspect of our business. While the Board as a whole ultimately has the responsibility for overseeing risk management, the Board has delegated certain duties with respect to risk

oversight to our Audit Committee. In furtherance of such purpose, the Audit Committee Charter specifically requires the Audit Committee to discuss with management, the internal auditor or internal audit service provider, as the case may be, and the independent accountant the Company's major risk exposures (whether financial, operations or both) and the steps management has taken to monitor and control such exposure, including the Company's risk assessment and risk management policies. The Audit Committee reports back to the Board with its findings.

Board Meetings

During 2014, the Board held seven meetings. All of our directors who served in 2014 attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board (held during the period for which such person has been a director) and (ii) the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served).

Attendance of Directors at 2015 Annual Meeting of Stockholders

Pursuant to our governance guidelines, our directors are encouraged to attend our annual meetings of stockholders. Two of our directors attended our 2014 Annual Meeting of Stockholders.

Certain Relationships and Related Transactions and Director Independence Policies and Procedures for Related Party Transactions

Our Board has adopted a written related person transaction policy, which sets forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement, or relationship, or any series of similar transactions, arrangements, or relationships in which we were or are to be a participant, the amount involved exceeds \$120,000, and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness, and employment by us of a related person. As provided by our Nominating and Corporate Governance Committee Charter, our Nominating and Corporate Governance Committee is responsible for reviewing and approving in advance any related party transaction.

Contractual Arrangements with Related Parties

In addition to the director and executive officer compensation arrangements discussed under “Director Compensation” and “Executive Compensation,” the following is a summary of material provisions of transactions occurring since January 1, 2014, of which we have been a party and in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers, beneficial holders of more than 5% of our capital stock, or entities affiliated with them, have had or will have a direct or indirect material interest.

Compass. Compass was a selling stockholder in an offering of common stock, which closed on July 16, 2014. Compass is managed by CGM. In addition, one of our directors, Elias Sabo, owns a portion and is the sole manager of CGM. In September 2014, we entered into an agreement with Compass for the provision of services to FOX and assistance in complying the Sarbanes-Oxley Act of 2002, as amended (the “Services Agreement”). The Services Agreement can be terminated by either party at any time, or will terminate on March 31, 2016. A statement of work was agreed to in connection with the Service Agreement, which provides that the Compass’ internal audit team will assist us with various tasks, including, but not limited to, the development of internal control policies and procedures, risk and control matrices and the evaluation of internal controls. Services provided in accordance with the Services Agreement are billed on a time and materials basis. Fees for services provided in 2014 are estimated to be approximately \$50,000 and fees for services to be provided in 2015 are estimated to be approximately \$100,000.

Registration Rights Agreement. We entered into a registration rights agreement with Compass and certain other stockholders, which was most recently amended and restated in May 2013. The registration rights agreement provides our stockholders and their permitted transferees with certain demand registration rights in respect of the shares of our common stock held by them. In addition, in the event that we register additional shares of our common stock for sale to the public, we will be required to give notice of such registration to Compass and the other stockholders party to the agreement of our intention to effect such a registration, and, subject to certain limitations, Compass and such holders

will have piggyback registration rights providing them with the right to require us to include shares of our common stock held by them in such registration. We will be required to bear the registration expenses, other than underwriting discounts and commissions, associated with any registration of shares described above.

Real Property Leases. Under a triple net lease dated July 1, 2003, we rent our Watsonville, California manufacturing and office facilities from Robert C. Fox, Jr., the founder of our Subsidiary and a minority stockholder of our Company. Under this lease we paid Mr. Fox \$1.2 million in each of the years ended December 31, 2014 and 2013. The lease ends on June 30, 2018, and is subject to annual adjustments for cost-of-living based upon the Consumer Price Index. Under a sublease dated January 1, 2012 and sublease Addendum dated June 28, 2013, we sublease approximately 3,665 square feet of space on the first floor of the building of our headquarters, 915 Disc Drive, Scotts Valley, California, to Mr. Fox. These premises are permitted to be used for research and development and office space. Under this sublease, Mr. Fox pays rent in the amount of \$5,000 per month, subject to prorating in the event Mr. Fox occupies subleased premises for less than a month.

Related Party Employment. A family member of Mr. Fox, the founder of our Subsidiary and a minority stockholder of our Company, is employed by our Subsidiary as Director of Bike Operations. During the year ended December 31, 2014, the Director of Bike Operations earned salary of approximately \$115,000 as well as incentive compensation of approximately \$20,000. In April 2014, the Director of Bike Operations was awarded 4,000 restricted stock units with an aggregate market value of \$68,480. The restricted stock units vest in four annual installments beginning in April 2015.

Information Sharing and Cooperation Agreement. In connection with our IPO, we entered into an Information Sharing and Cooperation Agreement (the "Information Agreement") with Compass Diversified Holdings, on behalf of itself and Compass. Under the Information Agreement, the parties agreed to share certain information with each other, refrain from changing their respective fiscal year without the consent of the other party, refrain from making or adopting certain changes to their accounting estimates or accounting policies and principles and consult and cooperate with each other as to the timing of certain SEC filings, earnings releases, press releases and other public disclosures. Subject to its terms, under the Information Agreement we also agreed to select the same registered public accounting firm as Compass; maintain appropriate disclosure controls and procedures and internal controls over financial reporting; and prepare and deliver to Compass certain financial information and reports, including reports to be filed with the SEC. The majority of our obligations in the Information Agreement terminate at such time as Compass is no longer required to consolidate our results of operations and financial position while our remaining obligations terminate at such time as Compass is no longer required to account for its investment in us under the equity method of accounting.

Director Independence

The rules and listing standards of NASDAQ, or the Nasdaq Listing Rules, generally require a majority of the members of our Board satisfy the Nasdaq Listing Rules criteria for "independence." No director qualifies as independent under the Nasdaq Listing Rules unless our Board affirmatively determines that the director does not have a relationship with us that would impair independence (directly or as a partner, stockholder or officer of an organization that has a relationship with us). Our Board has determined that Messrs. Hagin, Mendenhall, Nichols and Waitman are independent directors as defined under the Nasdaq Listing Rules. Mr. Enterline is not independent under the Nasdaq Listing Rules as a result of his position as our Chief Executive Officer, Mr. Sabo is not independent under the Nasdaq Listing Rules as a result of his relationship with Compass and Mr. Fox is not independent under the Nasdaq Listing Rules as a result of the fact that we rent our Watsonville, California manufacturing and office facilities from Mr. Fox. See "Certain Relationships and Related Party Transactions and Director Independence-Compass" and "Certain Relationships and Related Party Transactions and Director Independence-Real Property Leases" above for additional information.

Nominations of Directors and Diversity Consideration of Director Nominees

The Nominating and Corporate Governance Committee annually assesses the size and composition of the Board in light of our operating requirements. After this assessment, the Nominating and Corporate Governance Committee identifies and makes recommendations to the Board with respect to candidates for election as directors by stockholders at our annual meetings. The Nominating and Corporate Governance Committee reviews candidates with certain criteria in mind, including, but not limited to: (a) qualities of intelligence, honesty, perceptiveness and responsibility; (b) a general interest in FOX and a recognition that, as a member of the Board, each director is accountable to the stockholders of FOX; (c) having a background that demonstrates an understanding of business and financial affairs of other organizations of comparable or large purpose, complexity and size, and subject to similar or greater legal restrictions and oversight; (d) being able to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills and knowledge of the industries in which the Company and its subsidiaries operate; (e) having no conflict of interest or legal impediment that would interfere with the duty of loyalty owed to the Company and its stockholders; (f) having no relationships that might impair his or her independence, including, but not limited to, business, financial or family relationships with the Company's management; (g) possessing skills necessary for service on any Board committee; (h) being compatible and able to work well with other directors and executives in a team effort with a view to a long-term relationship with the Company as a director; and (i) possessing skills necessary for service on any Board committee. These criteria are set forth in the Nominating and Corporate Governance Committee Charter.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders provided the procedures set forth below are followed by stockholders in submitting recommendations, as provided for in the Policy Regarding Stockholder Recommendations of Director Nominees. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates a candidate for nomination to the Board based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board at an annual meeting of the stockholders must do so by delivering no later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting a written recommendation to the Nominating and Corporate Governance Committee c/o Fox Factory Holding Corp., 915 Disc Drive, Scotts Valley, CA 95066, Attn: General Counsel and must meet the deadlines and other requirements set for in our Amended and Restated Bylaws, the Fox Factory Holding Corp. Policy Regarding Security Holder Recommendations of Director Nominees and the rules and regulations of the SEC. If a proposed director candidate is recommended by a stockholder in accordance with the procedural requirements discussed above, the General Counsel will provide the stockholder recommendation to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will evaluate the proposed director's candidacy and recommend whether the Board should nominate the proposed director candidate for election by our stockholders.

Diversity

The Nominating and Corporate Governance Committee has adopted a formal Diversity Policy, within the Nominating and Corporate Governance Charter. The Nominating and Corporate Governance Committee believes that differences in experiences, knowledge, skills and viewpoints enhance the Board's overall performance. Thus, the Nominating and Corporate Governance Committee considers such diversity in selecting, evaluating and recommending proposed director candidates.

Communications with the Directors

Stockholders wishing to communicate with the Board or an individual director may send a written communication to the Board or such director, c/o Fox Factory Holding Corp., 915 Disc Drive, Scotts Valley, CA 95066, Attn: General

Perquisites, health, welfare and retirement plans and benefits

Health and welfare benefits

Our named executive officers are eligible to participate in all of our employee benefit plans, including our medical, dental, group life and disability insurance plans, in each case on the same basis as other employees.

401(k) plan

We maintain a tax-qualified retirement plan, our 401(k) plan, which provides all regular employees with an opportunity to save for retirement on a tax-advantaged basis. Under our 401(k) plan, participants may elect to defer a portion of their compensation on a pre-tax basis and have it contributed to the plan subject to applicable annual limits set forth in the Internal Revenue Code of 1986, as amended, or the Code. Pre-tax contributions are allocated to each participant's individual account and are then invested in select investment alternatives according to the participants' directions. Our 401(k) plan allows for matching contributions to be made by us. As a tax-qualified retirement plan, contributions to our 401(k) plan and earnings on those contributions are not taxable to the employees until distributed and all contributions are deductible by us when made.

Perquisites and personal benefits

We reimburse our named executive officers for reasonable travel and lodging expenses incurred in connection with their employment. We also pay certain premiums for term life insurance and accidental death and dismemberment for all of our employees, including all of our named executive officers, other than Mr. Enterline prior to our IPO since, prior to such time, he was a consultant and not an employee.

Pension benefits and non-qualified deferred compensation

None of our named executive officers participates in or has account balances in qualified or non-qualified defined benefit plans sponsored by us.

Employment Agreements and Arrangements

Past Employment Agreements and Arrangements

During part of 2013, Mr. Enterline served as the Chief Executive Officer of our subsidiary, pursuant to a Services and Secondment Agreement, as amended, or the Enterline Services Agreement, by and among us, our subsidiary and Vulcan Holdings, Inc., Mr. Enterline's wholly-owned consulting services company, or Vulcan. Under the Enterline Services Agreement, we agreed to pay Vulcan an annual fee of \$700,000, an annual incentive fee equal to the sum of (1) an escalating percentage of up to 100% of \$500,000 and (2) an escalating percentage of up to 100% of \$250,000, with each escalating percentage based on our Company-wide EBITDA as compared to a target EBITDA for the year as provided for in the agreement. In addition, the agreement provided that we will pay a fee of up to \$1.0 million if, our Board determines, in its reasonable discretion, that certain performance measures have been achieved. In June 2013, we paid to Mr. Enterline a \$500,000 bonus in satisfaction of this obligation in light of his performance and the overall strong performance of the company. We also agreed to pay Vulcan \$2,500 per month for general and administrative costs, as well as to reimburse Vulcan for reasonable, ordinary and necessary business expenses incurred by Mr. Enterline in connection with providing services to us under the Enterline Services Agreement.

During part of 2013, Mr. Galasso served as the Senior Vice President, Business Divisions of our subsidiary, pursuant to an employment agreement with Fox Factory, Inc. In such employment agreement, Mr. Galasso's annual base salary was initially set to \$205,000 and Mr. Galasso was eligible to receive an annual cash bonus based on our achievement of certain EBITDA targets as provided for in the agreement on a company-wide basis and Mr. Galasso's achievement of individual performance measures. The amount listed under the column "Non-equity incentive plan compensation" in the Summary Compensation Table for 2013 represents the cash bonus amount that Mr. Galasso was awarded in 2013, based on the achievement of such targets and performance measures.

Employment Agreements

In July 2013, we entered into new employment agreements with Messrs. Enterline and Galasso. These employment agreements became effective upon the closing of our IPO, at which time the Enterline Services Agreement terminated, and the employment agreement or offer letter, as applicable, between our subsidiary and Mr. Galasso terminated (other than the right to receive a pro-rated incentive fee or bonus, as applicable, for 2013). A new employment agreement was entered into with Mr. Katherman in February 2014 upon his promotion to Senior Vice President, Global Operations. Mr. Katherman did not have an employment agreement with the Company prior to February 2014. The employment agreements provide for base salaries, incentive compensation benefits, and, in certain circumstances, severance benefits.

The employment agreements with each of Messrs. Enterline, Galasso, and Katherman provide for an initial base salary of \$750,000, \$325,000, and \$250,000, respectively. Mr. Enterline is eligible to receive a lump sum cash performance bonus of \$250,000 to \$750,000 based on our achievement of certain EBITDA targets as provided for in his new employment agreement. Mr. Galasso is eligible to receive a bonus ranging from 25% to 75% of his annual base salary based on our achievement of certain EBITDA targets as provided for in his employment agreement. Mr. Katherman is eligible to receive a bonus ranging from 14% to 60% of his annual base salary based on our achievement of certain EBITDA targets and the achievement of individual performance ratings established by the CEO, as provided for in his employment agreement. The amount listed under the column "Non-equity incentive plan compensation" in the Summary Compensation Table for 2014 represents the cash bonus amount awarded to each respective individual based on the achievement of such targets. In addition to base salary and performance bonuses, the employment agreements provide for paid time off and the ability to participate in our employee benefit plans on the same terms as other similarly situated executive officers.

As described below, the employment agreements also provide the named executive officers with certain payments and benefits upon certain terminations of employment. Under the employment agreements, in order to receive certain severance benefits, each named executive officer is required to execute a general release in favor of our Company. Furthermore, the employment agreements prohibit the named executive officers from soliciting our employees for two years following their cessation of employment.

Under the terms of the employment agreements, in the event that a named executive officer resigns without "Good Reason" (as defined below), or his employment terminates due to mutual agreement, death, disability (as defined in the new employment agreements), or for "Cause" (as defined below), such executive is entitled to receive the following payments and compensation: (i) accrued and unpaid annual base salary for services rendered prior to the date of termination or resignation and (ii) reimbursement of any un-reimbursed business expenses as of the date of termination or resignation. In addition, in the event of an executive's cessation of employment due to his death or disability, such executive is also entitled to receive a pro rata lump sum cash payment of the executive's performance bonus (which the executive would have earned under his new employment agreement if employed for the entire fiscal year in which such termination occurs, and payable during the year the applicable audited financial statements become available).

In the event a named executive officer's employment is terminated for any reason other than death, disability, or for "Cause," or if a named executive officer resigns for "Good Reason," such executive officer is entitled, provided he executes a release in our favor, to receive the following payments and compensation: (i) accrued and unpaid annual base salary for services rendered prior to the date of termination or resignation; (ii) reimbursement of any un-reimbursed business expenses as of the date of termination or resignation; (iii) (a) severance in an amount equal to the named executive's annual base salary as of the date of termination, unless the executive's base salary was reduced in such a way as to trigger a "Good Reason" resignation, in which case the severance amount will be equal to the executive's annual base salary prior to such reduction, provided that such severance amount is greater than the executive's base salary at termination, payable in 12 substantially equal payments following execution of a release, or (b) if we terminate Messrs. Enterline or Galasso without Cause within 24 months after a change of control, or he resigns for Good Reason within 24 months after a change of control, severance in an amount equal to two times (in the case of Mr. Enterline) or 1.5 times (in the case of Mr. Galasso) such executive's annual base salary, payable in 24 (in the case of Mr. Enterline) or 18 (in the case of Mr. Galasso) equal monthly payments following execution of a release; (iv) a pro rata payment of the executive's performance bonus (which the executive would have earned under

his new employment agreement if employed for the entire fiscal year in which termination occurs, payable during the year the applicable audited financial statements become available); and (v) continued company sharing in the cost of health care insurance during the period executive receives severance.

For purposes of the new employment agreements, termination for “Cause” means with respect to a named executive, one or more of the following: (i) willful or grossly negligent violation of any law which causes material injury to the business of our Company (or any subsidiary) or entry of a plea of nolo contendere (or similar plea) to a charge of such an offense; (ii) conduct causing us or any of our subsidiaries significant public disgrace or disrepute; (iii) any act or omission aiding or abetting a competitor, supplier, or customer of ours or any of our subsidiaries to the material disadvantage or detriment of us and our subsidiaries; (iv) the executive’s willful violation of fiduciary duties to our Company or any subsidiary, including the duty of loyalty and the corporate opportunity doctrine; (v) commission of, or the act of fraud, dishonesty, misappropriation or embezzlement, or the executive’s commission of any felony offense; (vi) material breach of the executive’s representations, warranties, or covenants under his new employment agreement or any other agreement between the parties hereto that, if curable and unrelated to a breach of his confidentiality obligations, remains uncured for 15 days following written notice thereof from us to executive; and (vii) refusal to comply with our reasonable orders or directives (including refusal to perform, other than as a result of death or disability, material assigned duties or responsibilities that are consistent with normal business practices and his new employment agreement) or our (or our subsidiaries’) material and reasonable rules, regulations, policies, procedures or practices that are not inconsistent with the terms of his new employment agreement or applicable law, which continues uncured for 15 days following written notice thereof from us to the executive.

A resignation by a named executive officer will be deemed a resignation for “Good Reason” if the executive provides written notice to the company of the specific circumstances alleged to constitute Good Reason within 90 days after any one or more of the following events: (i) a reduction in executive’s base salary below the amount as of the date of his new employment agreement (other than a substantially similar reduction applicable to all executives); (ii) for Mr. Galasso and Mr. Katherman only, our requiring, without the executive’s consent, that the executive relocate the executive’s principal place of business outside a 30-mile radius from the location where the executive is employed as of the effective date of his employment agreement or such other location as consented to by the executive; (iii) material breach by us of his new employment agreement; or (iv) without the executive’s consent, a material reduction in the executive’s duties or responsibilities. Where curable, we will have 30 days to cure such circumstances upon the receipt of notice from the executive.

RSU Modifications

On September 2, 2014, our Compensation Committee authorized us: (1) to amend the existing Restricted Stock Unit Award Agreements (“Original Agreements”) of Messrs. Enterline, Galasso, and Katherman (collectively, the “Officers”) to cancel prior awards of restricted stock units (“RSUs”) that were scheduled to vest after August 13, 2014 (or with respect to Mr. Katherman, RSUs that are scheduled to vest after April 10, 2015) based on time-vesting and (2) to grant new RSUs pursuant to restricted stock unit award agreements (the “Replacement Agreements”) under which each Officer was granted the same number of RSUs as provided in the Original Agreements but, with vesting of RSUs under the Replacement Agreements based on performance-vesting via performance goals, defined in the 2013 Omnibus Plan, so as to ensure the deductibility of performance-vesting RSU payouts as 162(m) performance-based compensation. The Replacement Agreements are substantially similar to the Original Agreements, other than the inclusion of performance-vesting criteria. Each Replacement Agreement provides for three year graded vesting of the new RSUs (i.e., 33 1/3%; 33 1/3%; and 33 1/3%) based both upon the Officer’s service with the Company (as provided in the Original Agreements) and the Company’s achievement of the new performance goals, whereas the Original Agreements did not include performance goals. The new performance goals included in the Replacement Agreements are based on the achievement of certain EBITDA, measured for the twelve month performance period ending on each June 30 prior to the particular vesting date. The Original Agreements were amended on September 2, 2014, such amendments being approved by each applicable Officer, and the Replacement Agreements by and between the Company and the applicable Officer were entered into on September 2, 2014. The grant date for the new RSUs issued under the Replacement Agreements was September 2, 2014. There was no change to the probable amount of RSUs issued as a result of the cancellation, amendment, and regrant, the only change being the addition of the performance-based vesting conditions.

Equity-based incentive plans

2008 Stock Option Plan

Our Board adopted our 2008 Stock Option Plan, or the 2008 Plan, on January 4, 2008, and the 2008 Plan was approved by our stockholders in January 2008. The 2008 Plan was terminated upon the effective date of the 2013 Omnibus Plan. The 2008 Plan is currently administered by our Compensation Committee. Prior to the establishment of our Compensation Committee in July 2013, the 2008 Plan was administered by our Board based on recommendations of the Compensation Committee of our Subsidiary.

Stock subject to the 2008 Plan. As of December 31, 2014, 4,293,848 shares of our common stock had been issued under the 2008 Plan and options to purchase an additional 1,459,211 shares of our common stock were outstanding under the 2008 Plan.

Stock options. The exercise price of all stock options granted under the 2008 Plan must equal at least 100% of the fair market value of our common stock on the date of grant (except for greater than 10% owners, as provided below). Incentive stock options granted under the 2008 Plan must be exercised within 10 years from the date of grant, and the period for exercising any non-statutory stock options is set by our Compensation Committee; provided, however, that an incentive stock option held by a participant who owns more than 10% of the total combined voting power of all classes of our stock or of the stock of our parents or subsidiaries, may not have a term in excess of five years and must have an exercise price of at least 110% of the fair market value of our common stock on the grant date. The option price is payable only in cash, except if our Company undergoes a change of control, in which case the option price may be satisfied through shares obtained through exercise of the option in connection with the change of control. Subject to the provisions of the 2008 Plan, our Compensation Committee determines the remaining terms of the options (e.g., vesting and the period following a participant's termination of service during which the participant may exercise his or her option, provided that in no event may an option be exercised later than the expiration of its term).

Plan termination. Upon the completion our IPO, the 2008 Plan was terminated and no shares of our common stock remain available for future issuance under the 2008 Plan. However, the 2008 Plan continues to govern the terms and conditions of awards originally granted under the 2008 Plan. Shares which were subject to outstanding options under the 2008 Plan on August 13, 2013 that are subsequently forfeited or terminated for any reason before being exercised have again become available for awards under the 2013 Omnibus Plan.

2008 Non-Statutory Stock Option Plan

Our Board adopted our 2008 Non-Statutory Stock Option Plan, or the 2008 Non-Statutory Plan, on May 6, 2008. The 2008 Non-Statutory Plan was terminated upon the effective date of the 2013 Omnibus Plan, August 13, 2013. The 2008 Non-Statutory Plan is currently administered by our Compensation Committee. Prior to the establishment of our Compensation Committee in July 2013, the 2008 Non-Statutory Plan was administered by our Board based on recommendations of the Compensation Committee of our Subsidiary.

Stock subject to the 2008 Non-Statutory Plan. As of December 31, 2014, 180,391 shares of our common stock had been issued under the 2008 Non-Statutory Plan and options to purchase an additional 283,180 shares of our common stock were outstanding under the 2008 Non-Statutory Plan.

Stock options. The period for exercising any options granted under the 2008 Non-Statutory Plan is set by our Compensation Committee. The option price is payable only in cash, except if our Company undergoes a change of control, in which case the option price may be satisfied through shares obtained through exercise of the option in connection with the change of control. Subject to the provisions of the 2008 Non-Statutory Plan, our Compensation Committee determines the remaining terms of the options (e.g., vesting and the period following a participant's termination of service during which the participant may exercise his or her option, provided that in no event may an option be exercised later than the expiration of its term).

Plan termination. The 2008 Non-Statutory Plan was terminated at the consummation of our IPO and no shares of our common stock remain available for future issuance under the 2008 Non-Statutory Plan. However, the 2008 Non-Statutory Plan continues to govern the terms and conditions of awards originally granted under the 2008 Non-Statutory Plan. Shares subject to outstanding options under the 2008 Non-Statutory Plan on August 13, 2013 that are subsequently forfeited or terminated for any reason before being exercised have again become available for awards under the 2013 Omnibus Plan.

2013 Omnibus Plan

In July and August 2013, our Board and stockholders, respectively, adopted the 2013 Omnibus Plan, which became effective on the closing our IPO, and which serves as the successor to our 2008 Plan and 2008 Non-Statutory Plan. The 2013 Omnibus Plan is the sole plan under which we make equity-based awards to our employees, directors and consultants. However, the 2008 Plan and the 2008 Non-Statutory Plan continue to govern the terms and conditions of awards originally granted under the 2008 Plan and the 2008 Non-Statutory Plan, respectively.

Stock subject to the 2013 Omnibus Plan. The maximum aggregate number of shares that can be issued under the 2013 Omnibus Plan is 3,631,709 shares of our common stock, plus an additional 58,063 shares which were subject to outstanding awards under the 2008 Plan and the 2008 Non-Statutory Plan and which either ceased for any reason to be subject to such awards or were forfeited, canceled or repurchased at their original issue price. As of December 31, 2014, 133,066 shares have been issued and 3,556,706 shares of our common stock were reserved for future issuance under the 2013 Omnibus Plan. In addition, the following shares of our common stock are available for grant or issuance under the 2013 Omnibus Plan:

- shares subject to awards granted under the 2013 Omnibus Plan that are subsequently forfeited or canceled;
- shares subject to awards granted under the 2013 Omnibus Plan that otherwise terminate without shares being issued; and
- shares surrendered, canceled or exchanged for cash (but not shares surrendered to pay the exercise price or withholding taxes associated with the award).

Term. No awards under the 2013 Omnibus Plan will be made more than 10 years from the date our Board approved the plan.

Eligibility. Only our and our affiliates' employees, consultants and board members are eligible to receive awards under the 2013 Omnibus Plan, although awards may be made to employees and consultants to whom an offer of employment has been or is being extended. Our Compensation Committee determines who will receive awards, and all of their terms and conditions.

Administration. The 2013 Omnibus Plan is administered by our Compensation Committee, all of the members of which are non-employee directors under applicable federal securities laws and outside directors as defined under applicable federal tax laws. Our Compensation Committee has the authority to construe and interpret the 2013 Omnibus Plan, grant awards and make all other determinations necessary or advisable for the administration of the plan. Awards under the 2013 Omnibus Plan may be made subject to performance goals based upon performance criteria and other terms in order to qualify as performance based compensation for the purposes of Section 162(m) of the Code.

Award forms and limitations. The 2013 Omnibus Plan authorizes the award of stock options, stock appreciation rights, restricted stock, restricted stock units, unrestricted stock, performance-based compensation and other stock-based awards. For stock options that are intended to qualify as incentive stock options, or ISOs, under Section 422 of the Code, the maximum number of shares subject to ISO awards is 3,631,709. The maximum number of shares subject to restricted stock, restricted stock units and unrestricted stock awards will be 1,815,854. The maximum will be 907,927 shares for each of the following award types granted to any one person within any fiscal year of ours: (i) the shares subject to ISOs, (ii) the shares subject to stock options and stock appreciation rights, (iii) the shares subject to performance-based compensation awards, (iv) restricted stock, restricted stock units and unrestricted stock, and (v) all other stock-based awards.

Stock options. The 2013 Omnibus Plan provides for the grant of ISOs only to our employees. All options other than ISOs may be granted to our employees, directors, consultants, independent contractors and advisors. The exercise price of each stock option must be at least equal to the fair market value of our common stock on the date of grant. The exercise price of ISOs granted to 10% or more stockholders must be at least equal to 110% of that value. Our Compensation Committee may provide for options to be exercised only as they vest or to be immediately exercisable with any shares issued on exercise being subject to our right of repurchase that lapses as the shares vest. In general,

options will vest over a four-year period. The maximum term of options granted the 2013 Omnibus Plan is 10 years (five years in the case of ISOs granted to 10% or more stockholders).

Stock appreciation rights. Stock appreciation rights provide for a payment, or payments, in cash, shares of our common stock or a combination of both, to the holder based upon the difference between the fair market value of our common stock on the date of exercise and the stated exercise price that must be at least equal to the fair market value of our common stock on the date of grant. Stock appreciation rights may vest based on time or achievement of performance conditions.

Restricted stock. A restricted stock award is an offer by us to issue or to sell shares of our common stock subject to restrictions. The price (if any) of a restricted stock award is determined by our Compensation Committee. Unless otherwise determined by our Compensation Committee at the time of award, vesting will cease on the date the participant no longer provides services to us and unvested shares will be forfeited to or repurchased by us.

Restricted stock units. A restricted stock unit is an award that covers a number of shares of our common stock that may be settled upon vesting in cash, by the issuance of the underlying shares or a combination of both. These awards are subject to forfeiture prior to settlement because of termination of employment or failure to achieve certain performance conditions.

Unrestricted stock. An unrestricted stock award is an award of shares of our common stock that is issued without forfeiture restrictions.

Other stock-based awards. Stock-based awards, such as dividend equivalent rights and other awards denominated or payable in shares of our common stock may be granted as additional compensation for services or performance.

Performance-based compensation. An award (other than Options and Stock Appreciation Rights) of performance-based compensation that is earned upon achievement of pre-established performance goals and settled (paid) in the form of cash or by issuance of shares. These awards are subject to forfeiture prior to settlement because of termination of employment or failure to achieve the performance goals. We have the flexibility, but not the obligation, to structure these awards in a manner so as to exempt them from the deduction limitations set forth in Section 162 (m) of the Code.

Performance-based compensation criteria. The Compensation Committee may grant eligible plan participants shares of our common stock or cash in accordance with the achievement of performance goals during a performance period. Performance goals are established in writing by the Compensation Committee for the performance period, at least one year in duration, based upon performance criteria. The performance criteria for such performance goals applicable to any performance based-compensation that is intended to qualify for the performance-based exception from the tax deductibility limitations of Section 162(m) of the Code relating to our four covered employees shall be based on one or more of the following criteria (either individually, alternatively or in any combination):

return on net assets cash flows return on assets return on capital
revenue average revenue stockholder returns profit margin
earnings per share net earnings operating earnings free cash flow
growth of business enterprise value capital expenses cost targets
share price sales or market share operating expenses return on stockholder's equity
earnings before interest, taxes,
depreciation and amortization equity market capitalization

With respect to performance-based compensation the Compensation Committee intends to comply with Section 162(m) of the Code, to the extent required under 162(m) of the Code, the Compensation Committee shall, within the first ninety (90) days of a performance period (or within the maximum period allowed under Section 162(m) of the Code), define in an objective fashion the manner of calculating the performance criteria it selects to use for such performance period.

The Compensation Committee is authorized at any time during the first ninety (90) days of a performance period, or at any time thereafter (but only to the extent the exercises of such authority after the first ninety (90) days of a performance period would not cause the performance-based compensation granted to any eligible participant for the performance period to fail to qualify as “performance-based compensation” under Section 162(m) of the Code), in its sole discretion, to adjust or modify the calculation of a performance goal for such performance period to the extent permitted under 162(m) of the Code in order to prevent the dilution or enlargement of the rights of the eligible participants, (1) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event, or development affecting the Company; or (b) in recognition of, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions. Achievement of performance goals may be measured by including or excluding items determined to be extraordinary, unusual in nature, infrequent in occurrence, related to the acquisition or disposition of a business, or related to a change in accounting principle, in each case based on Opinion No. 30 of the Accounting Principles Board, or other applicable accounting rules, or consistent with the Companies policies and practices for measuring the achievement of performance goals on the date on which the Compensation Committee establishes the performance goals.

Additional provisions. Awards granted under the 2013 Omnibus Plan may not be transferred in any manner other than by will or by the laws of descent and distribution, or as determined by our Compensation Committee. Unless otherwise restricted by our Compensation Committee, awards that are non-ISOs or stock appreciation rights may be exercised during the lifetime of the optionee only by the optionee, the optionee’s guardian or legal representative, or a family member of the optionee who has acquired the non-ISOs or stock appreciation rights by a permitted transfer. Awards that are ISOs may be exercised during the lifetime of the optionee only by the optionee or the optionee’s guardian or legal representative.

If we experience a change of control transaction, and unless an award provides otherwise: outstanding awards, including any vesting provisions, may be assumed or substituted by the successor company, and outstanding awards that are not assumed or substituted will become fully vested and non-forfeitable, exercisable in the case of options and stock appreciation rights, and satisfied at target levels in the case of performance-based awards. Unless an award provides otherwise, if an award is assumed or substituted by the successor company in connection with a change of control transaction and the holder’s employment or service to us is terminated without cause or the holder terminates his or her employment or service to us for good reason, in each case within 24 months of such change of control transaction, all assumed or substituted awards held by such holder will become fully vested and non-forfeitable. All awards will be equitably adjusted in the case of stock splits, recapitalizations and similar transactions.

THE AUDIT COMMITTEE REPORT

Our Audit Committee is comprised of three independent directors, Messrs. Hagin, Mendenhall and Nichols, all of whom are financially literate. In addition, the Board has designated Mr. Mendenhall as an “audit committee financial expert” under the applicable SEC rules. The Audit Committee operates under a written charter, which reflects the requirements regarding audit committees under the NASDAQ Rules and The Sarbanes-Oxley Act of 2002. A copy of the Audit Committee charter is available on the Company’s website at www.ridefox.com.

The Audit Committee’s primary role is to assist the Board in (1) retaining an independent accountant; (2) overseeing the independent accountant; (3) reviewing financial statements and disclosure matters; (4) compliance oversight; and (5) oversight of the Company’s internal audit function.

The Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2014 with management and with Grant Thornton LLP. These audited financial statements are included in our Annual Report on Form 10-K for the year ended December 31, 2014 (the "Annual Report").

The Audit Committee has also discussed with Grant Thornton LLP the matters required to be discussed by PCAOB Auditing Standard No. 16.

The Audit Committee also has received and reviewed the written disclosures and the letter from Grant Thornton LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Grant Thornton LLP’s communications with the Audit Committee concerning independence, and has discussed with Grant Thornton LLP its independence from us.

Based on the review and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report for filing with the SEC.
