PROXY STATEMENT

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

This proxy statement and enclosed proxy card are being furnished commencing on or about May 2, 2012 in connection with the solicitation by the Board of Directors of Echo Global Logistics, Inc., a Delaware corporation (the "Company," "Echo Global Logistics, Inc.," or "us"), of proxies for use in voting at the 2012 annual meeting of stockholders, to be held at 600 West Chicago Ave., Suite 725, Chicago, Illinois 60654 on June 20, 2012. Any proxy given pursuant to such solicitation and received in time for the annual meeting will be voted as specified in such proxy. If no instructions are given, proxies will be voted FOR the election of the nominees listed below under the caption "PROPOSALS TO BE VOTED ON—Proposal 1: Election of Directors," FOR the ratification of the appointment of Ernst & Young LLP as independent certified public accountants for the Company's fiscal year ending December 31, 2012, FOR the approval of the amendment and restatement of the 2008 Stock Plan and, in the discretion of the proxies named on the proxy card, with respect to any other matters properly brought before the meeting and any adjournments thereof (collectively, the "Proposals"). Any proxy may be revoked by providing written notice to David B. Menzel, Corporate Secretary, Echo Global Logistics, Inc., 600 West Chicago Avenue, Suite 725, Chicago, IL 60654 at any time prior to the voting thereof, by submitting a subsequent proxy or by attending the annual meeting and voting in person.

Information about this Proxy Statement

We are sending the proxy materials because the Company's Board of Directors is seeking your permission (or proxy) to vote your shares at the annual meeting on your behalf. This proxy statement presents information that is intended to help you in reaching a decision on voting your shares of common stock. Only stockholders of record at the close of business on April 25, 2012, the record date, are entitled to vote at the meeting. As of April 25, 2012, there were 22,714,715 shares of common stock outstanding and entitled to vote, with each share entitled to one vote. We have no other voting securities.

Information about Voting

If your shares of common stock are held in your name, you can vote your shares on matters presented at the annual meeting or by proxy. There are three ways to vote by proxy:

1. By Telephone—Stockholders can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
2. By Internet—You can vote over the Internet at www.proxyvote.com by following the instructions on the proxy card;
or
3. By Proxy—You can vote by mail by signing, dating and mailing your proxy card. If you do not give any direction on the proxy card, the shares will be voted "FOR" the nominees named for director, "FOR" the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the Company's fiscal year ending December 31, 2012, and "FOR" the approval of the amendment and restatement of our 2008 Stock Incentive Plan. You may revoke your proxy at any time before it is exercised by (1) providing written revocation to the Secretary of the Company, David B. Menzel, (2) providing a proxy with a later date or (3) voting in person at the annual meeting.

Your vote will be confidential except (a) as may be required by law, (b) as may be necessary for the Company to assert or defend claims, (c) in the case of a contested election of director(s) or (d) at your express request.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker, bank or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting.

Street name stockholders should check the voting instruction cards used by their brokers or nominees for specific instructions on methods of voting. If your shares are held in street name, you must contact your broker or nominee to revoke your proxy.

In order to carry on the business of the meeting, we must have a quorum. This means that stockholders representing at least 50% of the common stock issued and outstanding as of the record date must be present at the annual meeting, either in person or by proxy, for there to be a quorum at the annual meeting. Abstentions and broker non-votes are counted as present for purposes of establishing a quorum but broker non-votes are not considered "present" for purposes of voting on non-routine

matters. A broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

The Company considers "Proposal 1: Election of Directors" and "Proposal 3: Approval of the Amendment and Restatement of our 2008 Stock Incentive Plan" as "non-routine" matters. A bank, broker or nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1 and 3. The Company considers Proposal 2: ratification of the appointment of Ernst & Young LLP as independent certified public accountants as a "routine" matter. A bank, broker or nominee may generally vote on routine matters when they have not been provided specific voting instructions from the street holder. Therefore, no broker non-votes are expected to exist in connection with such proposal.

For additional information on director elections, see "PROPOSALS TO BE VOTED ON—Proposal 1: Election of Directors" later in this proxy statement. As the number of director nominees is equal to the number of directors to be elected, the number of shares voted "for" a director must exceed the number of votes cast "against" that director for the director to be elected to serve a one-year term expiring at the 2013 annual meeting of stockholders. Abstentions and broker non-votes will have no effect on the election of directors. For a stockholder to nominate an individual for director at the 2013 annual meeting, the stockholder must follow the procedures outlined later in this proxy statement under the caption "OTHER INFORMATION—Stockholder Proposals for the 2013 Meeting." Stockholders may also designate a director nominee to be considered by the Board for recommendation to the stockholders at the 2013 annual meeting by following the procedures outlined later in this proxy statement under the caption "BOARD OF DIRECTORS AND CORPORATE GOVERNANCE—Meetings and Committees of the Board of Directors—Nominating and Corporate Governance Committee."

The ratification of the independent registered public accounting firm and approval of the amendment and restatement of our 2008 Stock Incentive Plan require the favorable vote of a majority of the shares present, either by proxy or in person, and entitled to vote. Abstentions will have the same effect as a vote against these matters because they are considered present and entitled to vote, but are not voted.

Only stockholders, their proxy holders and our invited guests may attend the meeting. If you plan to attend, please bring identification and, if you hold shares in street name, bring your bank or broker statement showing your beneficial ownership of Company common stock in order to be admitted to the meeting.

PROPOSALS TO BE VOTED ON

Proposal 1: Election of Directors

Nominees

The size of the Board is currently set at nine members. In connection with our annual meeting, the size of our Board will be reduced to seven members, and Peter J. Barris and Anthony R. Bobulinski will not be slated as nominees. At the annual meeting, the stockholders will elect seven directors to serve until the 2013 annual meeting of stockholders or until their respective successors are elected and qualified. Unless marked otherwise, proxies received will be voted "FOR" the election of the seven nominees named below. Any director vacancy occurring after the election may be filled by a majority vote of the remaining directors. In accordance with the Company's by-laws, a director appointed to fill a vacancy, will be appointed to serve until the next annual meeting of stockholders held for the election of directors.

Assuming a quorum is present, the seven nominees receiving the highest number of affirmative votes of shares entitled to be voted for them will be elected as directors of the Company. Stockholders are not entitled to cumulate votes in the election of directors. All nominees have consented to serve as directors, if elected. If any nominee is unable or unwilling to serve as a director at the time of the annual meeting, the persons who are designated as proxies intend to vote, in their discretion, for such other persons, if any, as may be designated by the Board of Directors. As of the date of this proxy statement, the Board of Directors has no reason to believe that any of the persons named below will be unable or unwilling to serve as a nominee or as a director if elected.

The Company believes that the Board of Directors (the "Board"), as a whole, should encompass a range of talent, skill, diversity, and expertise enabling it to provide sound guidance with respect to the Company's operations and interests. In addition to considering a candidate's background and accomplishments, candidates are reviewed in the context of the current composition of the Board and the evolving needs of our businesses. In evaluating candidates for nomination, the Nominating and Corporate Governance Committee utilizes a variety of methods. The Company does not have a formal policy with regard to the consideration of diversity in identifying candidates, but the Nominating and Corporate Governance Committee strives to nominate candidates with a variety of complimentary skills so that, as a group, the Board will possess the appropriate level of talent, skills and expertise to oversee the Company's businesses. The Company regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. The Company's policy is to have at least a majority of Directors qualify as an "independent director" under defined in the rules of the Nasdaq Global Market. The Nominating and Corporate Governance Committee seeks candidates with strong reputations and experience in areas relevant to the strategy and operations of the Company's businesses, particularly industries and growth segments that the Company serves, as well as key geographic markets where it operates. Each of the nominees for election as a director and each of the Company's current directors holds or has held senior positions in complex organizations and has operating experience that meets this objective, as described below. In these positions, they have also gained experience in core management skills, such as strategic and financial planning, public company financial reporting, corporate governance, risk management and leadership development. Each of our directors also has experience serving on boards of directors or trustees and committees of other companies.

The Nominating and Corporate Governance Committee also believes that each of the nominees and current directors has other key attributes that are important to an effective board: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and collaborative fashion; diversity of origin, background, experience, and thought; and the commitment to devote significant time and energy to service on the Board and its Committees.

The names of the directors, their ages as of April 25, 2012, their recent employment or principal occupation, the names of other public companies for which they currently serve as a director or have served as a director within the past five years, and their period of service as an Echo director are set forth below:

The 2008 Plan was originally adopted by the Board of Directors effective October 1, 2009. On February 17, 2012, our Compensation Committee approved the amendment and restatement of the 2008 Plan, subject to stockholder approval. The amendment and restatement of the 2008 Plan (i) increases the maximum number of shares of common stock that may be issued under the 2008 Plan by 1,000,000, from 1,400,000 (plus any shares that are subject to grant under our 2005 Stock Option Plan) to 2,400,000 (plus any shares that are or become available for grant under our 2005 Stock Option Plan) and (ii) reiterates the performance goals used in granting performance-based awards under the Plan to be approved by stockholders for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

Approval of the amendment and restatement of our 2008 Stock Incentive Plan requires the affirmative vote of the majority of shares present in person or represented by proxy at the annual meeting and entitled to vote.

A summary of the material provisions of the 2008 Plan, as amended and restated, is set forth below. A copy of the 2008 Plan, as amended and restated, is set forth in Appendix A. The following general description of certain features of the 2008 Plan is qualified in its entirety by reference to the provisions of the 2008 Plan set forth in Appendix A. Unless otherwise indicated, terms used in this summary shall have the meanings set forth in the 2008 Plan.

Description of the 2008 Plan

Purpose of the 2008 Plan

The 2008 Plan was established by the Company to:

- promote the success and enhance the value of the Company by linking the personal interests of participants to those of Company stockholders and by providing participants with an incentive for outstanding performance; and
- provide flexibility to the Company in its ability to motivate, attract, and retain the services of participants upon whose judgment, interest and special effort the successful conduct of its business is largely dependent.

The 2008 Plan permits the Company to grant stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, and other stock awards and forms of incentive compensation to all participants in the 2008 Plan. Any option granted under the 2008 Plan may be either an incentive stock option, which we refer to as an ISO, or a non-qualified stock option, which we refer to as a NQSO.

Eligibility and Limits on Awards

Any employee, consultant or director of the Company or an affiliate is eligible to receive awards under the 2008 Plan. As of December 31, 2011, the Company and its affiliates had approximately 913 employees and seven non-employee directors. The specific employees, consultants and directors who will be granted awards under the 2008 Plan and the type and amount of any such awards will be determined by the Compensation Committee of the Board (the "Committee").

The 2008 Plan limits the maximum amount of awards that may be granted to participants. The maximum number of shares of our common stock that may be delivered to participants and their beneficiaries under the 2008 Plan is 2,500,000 (plus any shares that are subject to grant under our 2005 Stock Option Plan), which includes the 1,000,000 shares added pursuant to this amendment and restatement. The maximum number of shares of common stock that may be delivered to participants and their beneficiaries with respect to ISOs under the 2008 Plan is 500,000 shares. The maximum number of shares and share equivalent units that may be granted to any one participant during any one calendar year period is 500,000 shares.

Administration

The authority to control and manage the operation and administration of the 2008 Plan is vested in the Committee. To the extent not prohibited by applicable law or the applicable rules of any stock exchange, the Board in its discretion may determine that the 2008 Plan will be administered by another committee appointed by the Board whose composition satisfies the "nonemployee director" requirements of Rule 16b-3 under the Exchange Act and the regulations of Rule 16b-3 under the Exchange Act, the "independent director" requirements of the Nasdaq Marketplace Rules and the "outside director" provisions of Section 162(m) of the Code or any successor regulations or provisions.

The Committee has the authority and discretion to select employees, directors and consultants to participate in the 2008 Plan, determine the sizes and types of awards, determine the terms and conditions of awards in a manner consistent with the 2008 Plan, construe and interpret the 2008 Plan and any agreement or instrument entered into under the 2008 Plan, establish, amend or waive rules and regulations for the 2008 Plan's administration, amend the terms and conditions of any outstanding award to the extent they are within the discretion of the Committee as provided in the 2008 Plan, and make all other determinations that may be necessary or advisable for the administration of the 2008 Plan.

Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, the Committee may delegate some or all of its authority under the 2008 Plan to any person or persons selected by it.

Shares Reserved for Awards

Subject to our stockholders' approval of this amendment and restatement, the maximum number of shares of our common stock that may be delivered under the 2008 Plan is 2,400,000 shares (plus any shares that are subject to grant under our 2005 Stock Option Plan). The closing price of the Company's common stock on the Nasdaq Global Market on April 20, 2012 was \$16.68 per share.

To the extent any shares of our common stock covered by an award are not delivered because the award is forfeited, canceled, or otherwise terminated, or the shares of our common stock are not delivered by reason of their being withheld by the Company in satisfaction of the applicable tax withholding obligation or in connection with the exercise of an option awarded under the 2008 Plan, such shares shall not be deemed to have been delivered for purposes of determining the number of shares of our common stock available for delivery under the 2008 Plan.

In the event of a corporate transaction involving the Company (including, without limitation, any merger, reorganization, consolidation, recapitalization, separation, liquidation, split-up, or share combination), the Committee shall adjust awards in any manner determined by the Committee to be an appropriate and equitable means to prevent dilution or enlargement of rights.

Stock Options

The 2008 Plan permits the granting of stock options. The grant of an option entitles the participant to purchase shares of our common stock at an exercise price established by the Committee. Any option granted under the 2008 Plan may be either an ISO or an NQSO, as determined in the discretion of the Committee.

An option shall become vested and exercisable in accordance with such terms and conditions and during such periods as may be established by the Committee and set forth in the applicable award agreement. In no event, however, shall an option expire later than ten years after the date of its grant. The exercise price of each option shall be established by the Committee; provided, however, that the exercise price of an incentive stock option shall not be less than 100% of the fair market value of a share of our common stock on the date of grant.

The full exercise price for shares of our common stock purchased upon the exercise of any option shall be paid at the time of such exercise:

in cash;

by tendering previously acquired shares (provided that the shares that are tendered must have been held by the participant for at least six months prior to the payment date) duly endorsed for transfer to the Company or shares issuable to the participant upon exercise of the option; or

by a combination of the above-mentioned payment methods.

Except for either adjustments in connection with a corporate transaction for the purpose of preserving the benefits or potential benefits of the awards, or reductions of the exercise price approved by the Company's stockholders, the exercise price for any outstanding option may not be decreased after the date of grant.

Stock Appreciation Rights

The 2008 Plan permits the granting of stock appreciation rights ("SARs"). The grant price of a SAR is determined by the Committee, but the grant price for a SAR intended to be exempt from Section 409A of the Code shall be equal to or greater than the fair market value of a share of our common stock on the date of grant. The term of a SAR may not exceed ten years. A SAR may be exercised upon the terms and conditions imposed by the Committee. Upon exercise of a SAR, a participant will receive payment equal to the number of SARs exercised multiplied by the excess of the fair market value of a share of our common stock on the date of exercise over the grant price. Payment of a SAR may be made in cash, shares of our common stock, or a combination of cash and shares, as determined by the Committee. Except in certain recapitalization events, a SAR award may not be modified to specify a lower exercise price without the approval of our stockholders. The 2008 Plan does not permit grants of dividend equivalent rights with respect to SARs.

Restricted Stock and Restricted Stock Units

The 2008 Plan permits the granting of restricted stock and restricted stock units. The grant of a share of restricted stock entitles the participant to receive a share of our common stock upon completing a specified period of service with the Company or its affiliates and/or the achievement of specific performance objectives. The grant of a restricted stock unit entitles the participant to receive a payment of a share of our common stock upon completing a specified period of service with the Company or its affiliates and/or the achievement of specific performance objectives. Grants of restricted stock and restricted stock units become vested in accordance with such terms and conditions and during such periods as may be established by the Committee and set forth in the applicable award agreement. Selected participants may elect (or be required, as to bonuses) to defer a portion of their salary and/or bonus in exchange for restricted stock units. Each participant who elects to make a deferral will be credited under the 2008 Plan with a number of restricted stock units equal to no less than the amount of the deferral divided by the fair market value of a share of our common stock on the date of the grant of the restricted stock units.

Participants holding shares of restricted stock during the restriction period may exercise full voting rights with respect to those shares. In addition, during the restriction period a participant will receive regular cash dividends that are paid with respect to underlying shares of restricted stock. If the award agreement governing the restricted stock units permits it, during the restriction period a participant may receive regular cash dividend equivalents paid with respect to restricted stock units.

Performance Shares; Performance Criteria

The 2008 Plan permits the granting of performance shares. Each performance share must have an initial value equal to the fair market value of a share of our common stock on the date of grant. The Committee will set the performance periods and performance objectives that, depending on the extent to which they are met, will determine the number of performance shares payable in cash, shares or a combination of cash and shares, as applicable.

The performance measures used for purposes of awards (both those granted on or prior to the date of the 2012 annual meeting and those granted after the date of such meeting) designed to qualify for performance-based exception from the tax deductibility limitations of Section 162(m) of the Code and any regulations promulgated thereunder will be chosen by the Committee from among the following alternatives.

- earnings before interest and taxes;
- earnings before interest, taxes, depreciation and amortization;
- net earnings;
- operating earnings or income;
- earnings growth;
- net income (absolute or competitive growth rates comparative);
- net income applicable to shares of common stock;
- cash flow, including operating cash flow, free cash flow, discounted cash flow return on investment;
- cash flow in excess of cost of capital;
- earnings per share of common stock;
- return on stockholders' equity (absolute or peer-group comparative);
- stock price (absolute or peer-group comparative);
- absolute and/or relative return on common stockholders' equity;
- absolute and/or relative return on capital;
- absolute and/or relative return on assets;
- economic value added (income in excess of cost of capital);
- customer satisfaction;
- expense reduction;
- ratio of operating expenses to operating revenues;
- gross revenue or revenue by pre-defined business segment (absolute or competitive growth rates comparative);
- revenue backlog; and
- margins realized on delivered services.

The Committee will have the discretion to adjust targets set for pre-established performance objectives; however, awards designed to qualify for the performance-based exception may not be adjusted upward, except to the extent permitted under Section 162(m) of the Code, to reflect accounting changes or other events. Additional provisions relating to the setting of the performance goal and certifying achievement of performance against the goal and the amount earned apply to awards made to executive officers that are intended to meet the performance-based exception from the tax deductibility limitations of Section 162(m) of the Code.

We have generally attempted to structure the 2008 Plan so that remuneration attributable to stock options and other awards will not be subject to a deduction limitation contained in Section 162(m) of the Code. However, nothing in this proposal or the 2008 Plan precludes granting awards that are not intended to qualify for tax deductibility under Section 162(m) of the Code.

Other Stock Awards

Subject to the terms of the 2008 Plan, other stock awards may be granted to participants in such amounts and upon such terms, and at any time from time to time, as the Committee determines.

Transfers

Except as otherwise provided by the Committee and except as designated by the participant by will or by the laws of descent and distribution, awards under the 2008 Plan are not transferable. However, subject to the conditions of the 2008 Plan and the applicable award agreement and any such additional conditions as the Committee may impose, a participant may transfer NQSOs as a gift to certain trusts maintained solely for the benefit of the participant's spouse or children or designate the trusts to which the Company may issue NQSOs.

Change in Control

In the event of a change in control, the Committee shall have the discretion to accelerate the vesting of awards, eliminate any restrictions applicable to awards, deem the performance measures to be satisfied, or take such other action as it deems appropriate, in its sole discretion. The term "change of control" is defined in "--Potential Payments upon Termination or Change in Control."

Federal Income Tax Consequences

Nonqualified Stock Options

Under the current tax rules, NQSOs granted under the Plan will not be taxable to a participant at grant, but generally will result in taxation at exercise, at which time the participant will recognize ordinary income in an amount equal to the difference between the option's exercise price and the fair market value of the shares on the exercise date. The Company will be entitled to deduct a corresponding amount as a business expense in the year the participant recognizes this income.

Incentive Stock Options

Under the current tax rules, an employee will generally not recognize ordinary income on receipt or exercise of an ISO so long as he or she has been an employee of the Company or its subsidiaries from the date the ISO was granted until three months before the date of exercise; however, the amount by which the fair market value of the shares on the exercise date exceeds the exercise price is generally an adjustment in computing the employee's alternative minimum tax in the year of exercise. If the employee holds the shares of our common stock received on exercise of the ISO for one year after the date of exercise (and for two years from the date of grant of the ISO), any difference between the amount realized upon the disposition of the shares and the amount paid for the shares will be treated as long-term capital gain (or loss, if applicable) to the employee. If the employee exercises an ISO and satisfies these holding period requirements, the Company may not deduct any amount in connection with the ISO. If an employee exercises an ISO but engages in a "disqualifying disposition" by selling the shares acquired on exercise before the expiration of the one- and two-year holding periods described above, the employee generally will recognize ordinary income (for regular income tax purposes only) in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price; and any excess of the amount realized on the disposition over the fair market value on the date of exercise will be taxed as long- or short-term capital gain (as applicable). If, however, the fair market value of the shares on the date of the disqualifying disposition is less than on the date of exercise, the employee will recognize ordinary income equal only to the difference between the amount realized on the disqualifying disposition and the exercise price. In either event, the Company will be entitled to deduct an amount equal to the amount constituting ordinary income to the employee in the year of the disqualifying disposition.

Stock Appreciation Rights

Under the current tax rules, a participant will generally not recognize income, and we will not be entitled to a deduction from income, at the time of grant of a SAR. When the SAR is exercised, the participant will recognize ordinary income equal to the difference between the aggregate grant price and the fair market value, as of the date the SAR is exercised, of our common stock. The participant's tax basis in shares acquired upon exercise of a stock-settled SAR will equal the amount recognized by the participant as ordinary income. We will generally be entitled to a federal income tax deduction, in the tax year in which the SAR is exercised, equal to the ordinary income recognized by the participant as described above. If the participant holds shares acquired through exercise of a stock-settled SAR

for more than one year after the exercise of the SAR, the capital gain or loss realized upon the sale of those shares will be a long-term capital gain or loss. The participant's holding period for shares acquired upon the exercise of a stock-settled SAR will begin on the date of exercise.

Restricted Stock and Restricted Stock Units

The Company is required to withhold taxes to comply with federal and state laws applicable to the value of shares of restricted stock when they vest. Upon the lapse of the applicable restrictions, the value of the restricted stock generally will be taxable to the participant as ordinary income and deductible by the Company. Restricted stock units generally are subject to tax at the time of payment and the Company will generally have a corresponding deduction when the participant recognizes income.

Performance Shares

Performance shares generally are subject to tax at the time of payment and we generally will have a corresponding deduction when the participant recognizes income.

Section 409A

To the extent that Section 409A of the Code is applicable, we intend to administer the 2008 Plan and any grants made thereunder in a manner consistent with the requirements of Section 409A, and any regulations and other guidance promulgated with respect to Section 409A by the U.S. Department of Treasury or Internal Revenue Service. The Committee may permit or require a participant to defer receipt of cash or shares of common stock that would otherwise be due to the participant under the 2008 Plan or otherwise create a deferred compensation arrangement (as defined in Section 409A of the Code) in accordance with the terms of the 2008 Plan. The deferral of an award under the 2008 Plan or compensation otherwise payable to the participant will be set forth in the terms of the award agreement or as elected by the participant pursuant to such rules and procedures as the Committee may establish. Any such initial deferral election by a participant will designate a time and form of payment and will be made at such time as required by and in accordance with Section 409A. Any deferred compensation arrangement created under the 2008 Plan will be distributed at such times as provided in an award agreement or a separate election form and in accordance with Section 409A. No distribution of a deferral will be made pursuant to the 2008 Plan if the Committee determines that a distribution would (i) violate applicable law; (ii) be nondeductible pursuant to Section 162(m) of the Code; or (iii) violate a loan covenant or similar contractual requirement of the Company causing material harm to the Company. In any such case, a distribution will be made at the earliest date at which the Committee determines such distribution would not trigger clause (i), (ii) or (iii) above. All awards under the 2008 Plan are intended either (i) to be exempt from Section 409A or (ii) to comply with Section 409A, and will be administered in a manner consistent with that intent.

Withholding

The Company has the right to deduct or withhold, or require the participant to remit to the Company, the amount the Company determines is necessary to satisfy federal, state and local taxes, domestic or foreign, required by applicable law or regulation to be withheld with respect to any taxable event arising under the 2008 Plan. The Company may withhold shares of our common stock to satisfy the minimum withholding tax required upon a taxable event arising under the 2008 Plan, but the participant may elect, subject to the approval of the Committee, to deliver to the Company the necessary funds to satisfy the withholding obligation, in which case there will be no reduction in the shares of our common stock otherwise distributable to the participant.

Tax Advice

The preceding discussion is based on U.S. income tax laws and regulations presently in effect, which are subject to change, and the discussion does not purport to be a complete description of the U.S. income tax aspects of the 2008 Plan. A participant may also be subject to state and local income taxes in connection with the grant of awards under the 2008 Plan. The Company suggests that participants consult with their individual tax advisors to determine the applicability of the tax rules to the awards granted to them in their personal circumstances.

Other Information

The Plan was originally effective on October 1, 2009. The amendment and restatement of the 2008 Plan will be effective June 20, 2012, subject to stockholder approval, and, subject to the right of the Committee to amend or terminate the 2008 Plan, will remain in effect as long as any awards under it are outstanding; provided, however, that no awards may be granted under the 2008 Plan after the ten-year anniversary of the original effective date of the Plan. The Committee may, at any time, amend, suspend or terminate the 2008 Plan, and the Committee may amend any award agreement; provided that no amendment may, in the absence of written consent to the change by the affected

participant, materially alter or impair any rights or obligations under an award already granted under the 2008 Plan.

New Plan Benefits and Other Matters

The Committee has discretion to determine the type, terms and conditions and recipients of awards granted under the Plan. Accordingly, it is not possible to determine the amount of the awards that will be received by any director, officer, consultant or employee of the Company under the 2008 Plan if the amendment and restatement of the 2008 Plan is approved.

THE BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT AND RESTATEMENT OF OUR 2008 STOCK INCENTIVE PLAN.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board Leadership Structure

Our Board is led by an independent Chairman, Samuel K. Skinner. We believe that this is the most appropriate structure for the Company in light of the differences between the roles of Chairman of the Board and Chief Executive Officer. The Chief Executive Officer is responsible for setting the strategic direction of the Company and for the day-to-day leadership and performance of the Company, whereas the Chairman of the Board provides guidance to the Chief Executive Officer. Furthermore, this structure enhances the accountability of the Chief Executive Officer to the Board and strengthens the Board's independence from management. We have had this leadership structure since our inception.

Board of Directors Role in Risk Oversight

Our Board, through its three committees, has an advisory role in risk oversight for the Company. Company management maintains primary responsibility for the risk management of the Company. The current trends toward increased regulation and litigation, as well as recent macro-economic challenges, among other things, make it extremely difficult to predict the type and magnitude of risks facing the Company. In spite of this unpredictability, the

Board relies on the representations of management, the external audit of the financial information, the Company's systems of internal controls, the Company's insurance advisors, and the historically conservative practices of the Company to provide comfort on the Company's ability to manage its risks. Management's discussion of current risk factors are set forth in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011.

Meetings and Committees of the Board of Directors

12

During fiscal 2011, the Board held four meetings. During fiscal 2011, each director attended at least 75% of the aggregate of the total number of meetings of the Board held during the period in which he was a director and the total number of meetings held by all of the committees of the Board on which he or she served. The Board has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these committees was formally established in October 2009 in connection with the Company's initial public offering and operates under a written charter adopted by the Board.

Audit Committee. The audit committee consists of John R. Walter, Samuel K. Skinner, John F. Sandner and Matthew Ferguson. Mr. Sandner serves as the chairman of our audit committee. The audit committee is composed of independent non-employee directors and is responsible for, among other things, reviewing and recommending to the Board internal accounting and financial controls and accounting principles and auditing practices to be employed in the preparation and review of our financial statements. In addition, the audit committee has the authority to engage public accountants to audit our annual financial statements and determine the scope of the audit to be undertaken by such accountants. Mr. Skinner, Mr. Sandner and Mr. Walter are our audit committee financial experts under the SEC rule implementing Section 407 of the Sarbanes-Oxley Act of 2002. During fiscal 2011, our audit committee held five meetings.

Compensation Committee. The compensation committee consisted of Peter J. Barris, Anthony R. Bobulinski, Eric P. Lefkofsky and Samuel K. Skinner in 2011. Mr. Barris served as the chairman of our compensation committee in 2011. Following the annual meeting Messrs. Barris and Bobulinski will no longer serve on our Board and the committee will consist of Messrs. Lefkofsky, Ferguson and Skinner. Mr. Ferguson will serve as chairman of the committee following the annual meeting. The compensation committee is composed of independent non-employee directors and is responsible for, among other things, reviewing and approving compensation for our Chief Executive Officer and our other executive officers. Additionally, the compensation committee reviews and recommends to our Chief Executive Officer and the Board policies, practices and procedures relating to the compensation of managerial employees and the establishment and administration of certain employee benefit plans for managerial employees. The compensation committee has the authority to administer our 2008 Plan, and advise and consult with our officers regarding managerial personnel policies. The compensation committee engaged Aon Hewitt, a compensation consultant, in 2011 to review our executive compensation program. See "EXECUTIVE AND DIRECTOR COMPENSATION—Compensation Discussion and Analysis" section of this proxy statement for discussion of the Company's processes and procedures for considering and determining executive and director compensation. During fiscal 2011, our compensation committee held two meetings.

Nominating and Corporate Governance Committee. The nominating and corporate governance committee consisted of Samuel K. Skinner, Eric P. Lefkofsky, John R. Walter and Peter J. Barris in 2011. Following the annual meeting, Mr. Barris will no longer serve on our Board and the nominating and corporate governance committee will consist of Messrs. Skinner, Lefkofsky and Walter. Mr. Skinner served as the chairman of our nominating and corporate governance committee in 2011 and will continue to do so in 2012. The nominating and corporate governance committee is composed of independent non-employee directors and is responsible for, among other things, assisting the Board with its responsibilities regarding:

- the identification of individuals qualified to become directors;
- the selection of the director nominees for the next annual meeting of stockholders; and
- the selection of director candidates to fill any vacancies on the Board.

In evaluating and determining whether to nominate a candidate for a position on the Company's Board, the nominating and corporate governance committee will consider the candidate's professional ethics and values, relevant management experience and a commitment to enhancing stockholder value. In evaluating candidates for nomination, the nominating and corporate governance committee utilizes a variety of methods. The Company does not have a formal policy with regard to the consideration of diversity in identifying candidates, but the nominating and corporate governance committee strives to nominate candidates with a variety of complementary skills so that, as a group, the Board will possess the appropriate level of talent, skills and expertise to oversee the Company's businesses. The Company regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. Candidates may come to the attention of the nominating and

corporate governance committee from current Board members, stockholders, professional search firms, officers or other persons. The nominating and corporate governance committee will review all candidates in the same manner regardless of the source of recommendation. The nominating and corporate governance committee did not meet during fiscal 2011.

The nominating and corporate governance committee will consider stockholder recommendations of candidates when the recommendations are properly submitted. Any stockholder recommendations which are submitted under the criteria summarized above should include the candidate's name and qualifications for Board membership and should be addressed to David B. Menzel, Corporate Secretary, Echo Global Logistics, Inc., 600 West Chicago Avenue, Suite 725, Chicago, Illinois 60654.

For purposes of potential nominees to be considered at the 2013 annual stockholders' meeting, the Corporate Secretary must receive this information no earlier than February 20, 2013 and no later than the close of business on March 22, 2013, in accordance with the procedures in the Company's by-laws. The notice must set forth the candidate's name, age, business address, residence address, principal occupation or employment, the number of shares beneficially owned by the candidate and information that would be required to solicit a proxy under federal securities law. In addition, the notice must include the stockholder's name, address and the number of shares beneficially owned (and the period they have been held).

The Company has not paid a third party a fee to identify, evaluate or assist in identifying potential nominees for director.

Governance Documents

All of the Company's current committee charters are available at www.echo.com on the "Investor" page under the link "Corporate Governance."

Compensation Committee Interlocks and Insider Participation

None of the members of our compensation committee serves, or has at any time served, as an officer or employee of us or any of our subsidiaries. None of our executive officers has served as a member of the compensation committee, or other committee serving an equivalent function, of any other entity, one of whose executive officers served as a member of our compensation committee.

Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail. To communicate with the Board, any individual directors or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o David B. Menzel, Corporate Secretary" at 600 West Chicago Avenue, Suite 725, Chicago, Illinois 60654. All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. The Corporate Secretary will forward copies of all correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or its committees or that he otherwise determines requires the attention of any member, group or committee of the Board.

The involvement of Eric P. Lefkofsky and Bradley A. Keywell, two of our founders and directors, and Richard A. Heise, one of our founders and former director, in the formation and development of both Echo and InnerWorkings, Inc. (NASDAQ: INWK) has contributed to a relationship between Echo and InnerWorkings. Certain stockholders of Echo, including certain of our directors and officers, have direct and/or indirect ownership interests in Innerworkings. In the ordinary course of business, we have provided transportation and logistics services to InnerWorkings. As consideration for these services, we have billed InnerWorkings approximately \$4,199,204, \$6,828,067 and \$8,769,861 in 2009, 2010 and 2011, respectively.

In exchange for any rights that Echo may have had in Fooda's business as a result of the Fooda parties developing the business plan during the course of their employment with Echo, the Fooda parties caused Fooda to issue to Echo a 13% ownership interest in Fooda and paid Echo \$100,000 in cash. A fund affiliated with Eric P. Lefkofsky and Bradley A. Keywell also invested in Fooda. In February 2011, Echo sold the 13% ownership interest in Fooda to Messrs. Buzza and Sandhir for \$325,000 in cash. In 2012, the Company entered into a fee agreement with Fooda to provide Echo employees the opportunity to purchase daily lunches. 2011 Compensation Discussion and Analysis

Overview

This compensation discussion describes the material elements of compensation awarded to, earned by, or paid to each of our named executive officers. This compensation discussion focuses on the information contained in the following tables and related footnotes for primarily 2011.

The principal elements of our executive compensation program are base salary, annual cash incentives, long-term equity incentives generally in the form of stock options and (beginning in 2011) restricted stock, other benefits and perquisites, post-termination severance and acceleration of stock option and restricted stock vesting for certain named executive officers upon termination and/or a change in control. Our other benefits and perquisites consist of life and

health insurance benefits and a qualified 401(k) savings plan and include reimbursement for certain medical insurance and other payments. Our philosophy is to position the aggregate of these elements at a level that is commensurate with our size and sustained performance.

Say on Pay Vote Results

At our 2011 annual meeting, in a non-binding vote, stockholders indicated majority approval of our executive compensation and a desire to vote on executive compensation once every three years. In accordance with the voting results, we intend to provide stockholders with an opportunity to cast an advisory vote to approve our executive compensation every three years until the next required advisory vote on the frequency of future advisory votes on executive compensation. Further, in light of the stockholder approval of our executive compensation, the compensation committee did not make changes to our program based on the results of the stockholder advisory vote but will continue to monitor and consider the results of future votes.

Compensation Program Objectives and Philosophy

In General. The objectives of our compensation programs are to:

- attract, motivate and retain talented and dedicated executive officers,

- provide our executive officers with both cash and equity incentives to further our interests and those of our stockholders, and

- provide employees with long-term incentives so we can retain them and provide stability during periods of rapid growth.

Generally, the compensation of our executive officers is composed of base salary, an annual incentive compensation award and equity awards in the form of stock options and restricted stock awards. In setting base salaries, the Compensation Committee generally reviewed the individual contributions of the particular executive. For 2011, annual incentive compensation is based in part on individual performance as evaluated by the compensation committee and in part on the Company's progress toward achieving specified a EBITDA target. For 2011, the EBITDA target was \$29 million, and actual achievement was \$27.3 million. For 2012, annual incentive compensation will be based on individual objectives for our executive officers and the Company's EBITDA performance under our Annual Incentive Plan. In addition, stock options and restricted stock are granted to provide the opportunity for long-term compensation based upon the performance of our common stock over time.

Competitive Market. We define our competitive market for executive talent and investment capital to be the transportation and technology services industries. In 2011, the Company performed a formal benchmarking of executive compensation and engaged an outside consultant to assist us in benchmarking executive compensation. The Compensation Committee engaged Aon Hewitt, a nationally recognized and reputable executive compensation consulting firm, to present various compensation benchmarks to the Compensation Committee in preparation for executive compensation decisions. The report included the compensation elements of salary, incentive compensation, and equity compensation, both separately and combined. The report considered general industry trends and proxy data from Midwest-based trucking, transportation and technology services companies. The report utilized the following peer group in its analysis:

- Advent Software (ADVS)
- APAC Customer Services (APAC)
- Ariba Inc (ARBA)
- CH Robinson Worldwide (CHRW)
- Forward Air Corp (FWRD)
- Hub Group Inc (HUBG)
- Hunt (JB) Transportation Services (JBHT)
- Informatica Corp (INFA)
- Innerworkings (INWK)
- JDA Software Group (JDAS)
- Landstar System Inc. (LSTR)
- Manhattan Associates Inc (MANH)
- Pegasystems (PEGA)

The consulting firm provided the report data and explained the data and reports to the Committee. The data was used to determine the market reference points of total compensation for our chief executive officer, chief financial officer, and other executive officers, for consideration when determining their total cash and total direct compensation. This was used in making 2012 compensation decisions. This information was not considered for 2011 executive compensation.

Compensation Process. For each of our named executive officers, the Compensation Committee will review and approve all elements of compensation taking into consideration recommendations from our Chief Executive Officer (for compensation other than his own).

Base Salaries

In General. We provide the opportunity for our named executive officers and other executives to earn a competitive annual base salary. A minimum base salary is provided for each named executive officer in their employment agreements. The Compensation Committee reviews base salaries annually and adjusts base salaries in accordance with its compensation philosophy. The Compensation Committee strives to set executive officer base salaries at levels competitive with those provided to executives with similar responsibilities in businesses comparable to ours. We engaged in formal benchmarking in 2011 for 2012 executive compensation but did not do so for prior years. Previously, we relied on the collective experiences of our Compensation Committee members with other businesses and companies in our industry. In determining base salaries of our executive officers, the Compensation Committee considers the performance of each executive, the nature of his or her responsibilities and the Company's general compensation practices. Mr. Waggoner recommended to the Compensation Committee certain increases to the base salaries of our executive officers, excluding himself, in 2011 and 2012 based on our executive officers' increased responsibilities based on the company's continued growth and expansion. The Compensation Committee recommended an increase in Mr. Waggoner's base salary in 2011 and 2012 based on the Compensation Committee's favorable assessment of Mr. Waggoner's individual performance in connection with the Company's performance and based on a general comparison of Mr. Waggoner's base salary with the median base salary of chief executive officers of the other companies identified in our benchmarking study. Except as noted, the table below shows our named executive officers' base salary increases since 2010:

Name and Principal Position	2010	2011	Percent Increase	2012	Percent Increase	
Douglas R. Waggoner Chief Executive Officer	\$400,000	\$430,000	8	% \$650,000	51	%
David B. Menzel Chief Financial Officer	\$330,000	\$365,000	11	% \$450,000	23	%
David C. Rowe Chief Technology Officer	\$260,000	\$275,000	6	% \$290,000	5	%

Total Compensation Comparison. For 2011, base salary accounted for approximately 71.7% of total compensation for our Chief Executive Officer, who did not receive an equity award in 2011, and 31.8% on average for our other named executive officers (based on the amounts disclosed in the Summary Compensation Table).

Annual Cash Incentives

Determination of Awards. We provide the opportunity for our named executive officers and other executives to earn an annual cash incentive award. In 2011, the targeted discretionary bonus awards were 30% of the respective officer's base salary, and the maximum bonus awards were 100% of the base salary. For 2011, the Compensation Committee paid bonuses of \$125,000, \$93,333 and \$71,750 to Messrs. Waggoner, Menzel and Rowe, respectively.

Individual and General Company Performance. Part of the 2011 bonus awarded to each executive officer was based on the Company's 41% revenue and 43% earnings growth compared to the general growth within the transportation industry, as well as the general performance of each executive, the nature of each of his or her responsibilities, and each executive's individual contributions and leadership as evaluated by the Compensation Committee.

EBITDA Performance Goals. Consistent with our performance-based approach, and given the broader responsibilities of our named executive officers, the annual incentive compensation for our named executive officers is also partially based the percentage growth of overall Company Earnings Before Interest, Depreciation and Amortization ("EBITDA") (before deducting the expense of the executive annual incentive compensation). For 2011, we achieved EBITDA of \$27.3 million, compared to a target of \$29 million, which represented an EBITDA growth level equal to approximately 33% of target.

The table below shows cash bonuses earned by our named executive officers in 2011:

20

Name	2011 Bonuses (\$)
Douglas R. Waggoner	125,000
David B. Menzel	93,333
David C. Rowe	71,750

Discretionary Adjustments. The Compensation Committee may make reasonable adjustments to our overall corporate performance goals and our actual performance results that may cause differences between the numbers used for our performance goals and the numbers reported in our financial statements. These adjustments may exclude all or a portion of both the positive or negative effect of external events that are outside the control of our executives, such as natural disasters, litigation, or regulatory changes in accounting or taxation standards. These adjustments may also exclude all or a portion of both the positive or negative effect of unusual or significant strategic events that are within the control of our executives but that are undertaken with an expectation of improving our long-term financial performance, such as restructurings, acquisitions, or divestitures.

Total Compensation Comparison. For 2011, the annual bonus accounted for 20.8% of total compensation for our Chief Executive Officer and less than 7.6% on average for our other named executive officers (based on the amounts disclosed in the Summary Compensation Table).

Long-term Equity Incentives

In General. We provide the opportunity for our named executive officers and other executives to earn a long-term equity incentive award. We believe that one of the best ways to align the interests of stockholders and executives is by providing those individuals who have substantial responsibility over the management, performance and growth of the Company with an opportunity to have a meaningful ownership position in the Company. We maintain our 2008 Plan pursuant to which we may grant equity and other incentive awards to our executive officers and other employees beginning in 2009 and beyond. We believe that management having strong economic incentives will inspire management to act in the best interest of the Company and its stockholders.

Equity Awards. For our named executive officers, our stock option program is based on grants that are individually negotiated in connection with employment agreements and other grants to our executives. We have traditionally used stock options as our main form of equity compensation because stock options provide a relatively straightforward incentive for our executives and result in less immediate dilution of existing stockholders' interests. In 2011, we began to issue restricted stock to named executive officers and other key employees. In addition to the stock option incentives, we believe the restricted stock grants are an effective tool for creating long-term ownership and aligning our employees' interests with those of our stockholders, which includes the retention of our key employees. These restricted shares vest ratably over a five year period for 2011 grants and a four year period for 2012 grants. The shorter vesting cycle was implemented to align our equity award program with those companies identified as our "peer group."

Grants of stock options or and restricted stock to our named executive officers in 2011 and 2012 (to date) are summarized in the following table:

Name	Number of Shares			
	2011 (Option Grant)	2011 (Restricted Stock)	2012 (Option Grant)	2012 (Restricted Stock)
Douglas R. Waggoner	—	—	—	150,000
David B. Menzel	50,000	100,000	—	75,000
David C. Rowe	15,000	15,000	—	15,000

On January 11, 2011, Messrs. Menzel and Rowe received options to purchase 50,000 and 15,000 shares, respectively, at an exercise price of \$12.08 per share. These options vest in five equal annual installments beginning annually on January 11, 2012. These awards were granted in light of the intrinsic value of these executive officers' then-existing long-term equity incentive awards. In addition, Messrs. Menzel and Rowe received restricted stock grants of 100,000

and 15,000 shares, respectively. The fair market value on the date of grant of each share of restricted stock was \$12.08. The restricted stock vests in five equal annual installments beginning on January 11, 2012. Mr. Waggoner did not receive an equity award grant in 2011

because in 2011 the intrinsic value of his then-existing long-term incentive equity awards was deemed sufficient. On January 13, 2012, Messrs. Waggoner and Menzel received restricted stock grants of 150,000 and 75,000 shares, respectively. The fair market value on the date of grant of each share of restricted stock was \$16.49. The restricted stock vests in four equal annual installments beginning on January 11, 2013.

On February 17, 2012, Mr. Rowe received a restricted stock grant of 15,000 shares. The fair market value on the date of grant of each share of restricted stock was \$18.86. The restricted stock vests in four equal annual installments beginning on January 17, 2013.

As described above, all grants of stock options to our employees were granted with exercise prices equal to or greater than the fair market value of our common stock on the applicable grant dates.

We do not time stock option grants to executives in coordination with the release of material non-public information. Our stock options generally have a 10-year term. In general, the option grants are also subject to the following post-termination and change in control provisions:

Pre-IPO Grants (Before October 2009)

Event	Award Vesting	Exercise Term
Disability or Death	Forfeit Unvested	Earlier of: (1) Remaining Option Period or (2) Six Months from Date of Termination
Termination for Reason Other than Disability or Death	Forfeit Unvested	Earlier of: (1) Remaining Option Period or (2) 30 Days from Date of Termination (or a longer period, in the Board's discretion)

Post-IPO Grants (After October 2009)

Event	Award Vesting	Exercise Term
Termination by Us for Reason Other than Cause, Disability or Death	Forfeit Unvested	Earlier of: (1) One Year or (2) Remaining Option Period
Disability or Death	Forfeit Unvested	Option Period
Termination for Cause	Forfeit Vested and Unvested	Expire
Other Termination	Forfeit Unvested	Earlier of: (1) Remaining Option Period or (2) 30 Days from Date of Termination
Change in Control	Accelerated*	*

Equity Award Grants after January 1, 2012

Event	Award Vesting	Exercise Term
Termination Without Cause, or Termination for Good Reason	Immediate vesting of outstanding unvested equity awards as would have vested if employment would have continued for twelve months	N/A
Disability or Death	Forfeit Unvested	N/A
Termination for Cause	Forfeit Unvested	N/A
Change in Control	Immediate vesting of 50% of unvested awards	N/A
Termination related to Change in Control	Immediate vesting of all unvested awards	N/A

* The Compensation Committee may provide that, in the event of a change in control, any outstanding awards that are unexercisable or otherwise unvested will become fully vested and immediately exercisable. If there is a termination of employment, the applicable termination provisions regarding exercise term will apply. The vesting of certain of our named executive officers' stock options is accelerated pursuant to the terms of their employment agreements in certain termination and/or change in control events. These terms are more fully described in "—Employment Agreements" and "—Potential Payments upon Termination or Change in Control."

Stock Ownership Requirements. In order to ensure alignment with our shareholders, the Compensation Committee has established stock ownership requirements for our officers. These requirements became effective February 3, 2010. The Compensation Committee believes that linking a significant portion of the executive officer's personal holdings to the Company's success, as reflected in the stock price, provides officers a stake similar to that of our stockholders. Therefore, executive officers are expected to acquire and hold a significant amount of the Company's stock. The Compensation Committee has established stock ownership requirements based on all shares of company stock owned by an executive officer, including vested stock options, vested restricted stock and stock beneficially owned by the officer, including owned in a trust, by a spouse, or dependent children for our executive officers as follows:

- Chief Executive Officer: four times base salary
- other executive officers: three times base salary

All executive officers have three years to meet their ownership requirements from the effective date, February 3, 2010. New officers are expected to meet their ownership requirement within three years of being named an executive officer.

Total Compensation Comparison. For 2011, long-term equity incentives accounted for approximately 0.0% of total compensation for our Chief Executive Officer and 59.1% on average for our other named executive officers (based on the amounts disclosed in the Summary Compensation Table).

Executive Benefits and Perquisites

In General. We provide the opportunity for our named executive officers and other executives to receive certain perquisites and general health and welfare benefits. We also offer participation in our defined contribution 401(k) plan. We do not match employee contributions under our 401(k) plan. We provide these benefits to provide an additional incentive for our executives and to remain competitive in the general marketplace for executive talent. For 2011, we provided the following personal benefits and perquisites to certain of our named executives officers:

Executive Benefits and Perquisites	Description
Life Insurance Premiums	Certain executives are reimbursed for their life insurance premiums.
Medical Insurance Reimbursement	Certain executives are reimbursed for their medical insurance premium payments.
Car Allowance	Certain executives are provided with a monthly car allowance.

Total Compensation Comparison. For 2011, executive benefits and perquisites accounted for approximately 7.5% of total compensation for our Chief Executive Officer and 1.5% on average for our other named executive officers (based on the amounts disclosed in the Summary Compensation Table).

Change in Control and Severance Benefits

In General. We provide the opportunity for certain of our named executive officers to be protected under the severance and change in control provisions contained in their employment agreements. We provide this opportunity to attract and retain an appropriate caliber of talent for the position. Our severance and change in control provisions for the named executive officers are summarized in "— Employment Agreements" and "— Potential Payments upon Termination or Change in Control." We intend to periodically review the level of the benefits in these agreements. We believe our arrangements are reasonable in light of the fact that cash severance is limited to two years for Mr. Waggoner, one year for Mr. Menzel, and three months for Mr. Rowe (each at a rate equal to their then current base salary and the average of recent performance bonus payments), there is no severance increase with a change in control and there are no "single trigger" benefits upon a change in control other than the vesting of certain of Messrs. Waggoner's, Menzel's and Rowe's option and restricted stock awards.

EXECUTIVE COMPENSATION

The following table shows information concerning 2011, 2010 and 2009 compensation for each of our named executive officers.

- (1) Value of restricted stock awards is based on the closing value of the Company's stock on the date of grant pursuant to Financial Accounting Standards Board Accounting Standards Codification Topic 718 ("ASC Topic 718")
- Value of option awards is based on the grant date fair value determined pursuant to ASC Topic 718. All options were granted under the 2008 Stock Incentive Plan, other than options granted in 2008, which were awarded under (2) the 2005 Stock Option Plan. We used the Black-Scholes-Merton option valuation model to determine the grant date fair value of options granted. Please see Note 14 to our consolidated financial statements included in our Annual Report on Form 10-K for the 2011 fiscal year for a description of the assumptions used in the model.
- For 2011, includes, for Mr. Waggoner, medical reimbursement of \$13,145, a car allowance of \$13,800 and life (3) insurance payments of \$17,365; for Mr. Menzel, medical reimbursement of \$13,145 and a car allowance of \$15,850; for Mr. Rowe, medical reimbursement of \$3,635 and a car allowance of \$6,000.

2011 GRANTS OF PLAN-BASED AWARDS

The following table summarizes our awards made to our named executive officers under any plan during the fiscal year ended December 31, 2011:

	1/11/2011			15,000	12.08	81,450
		100,000				

- The non-equity incentive awards made during 2011 were based on the overall EBITDA growth of the Company. Because the formula pays out percentages over certain ranges of EBITDA growth, the awards do not have specific payout based on a threshold or maximum. As a result, we have omitted these two columns. For a more detailed description of this plan, please see the "Compensation Program Objectives and Philosophy" section of the proxy.
- (1) The amounts listed reflect stock options and restricted stock granted under the 2008 Plan. For more information on the terms of these awards, see "— Long-term Equity Incentives — Equity Awards".
- Grant date fair value of each equity award determined pursuant to ASC Topic 718. We used the Black-Scholes-Merton option valuation model to determine the grant date fair value of options granted. The value of the restricted stock was calculated using the closing price on the day of issuance of \$12.08. Please see Note 14 to our consolidated financial statements included in our Annual Report on Form 10-K for the 2011 fiscal year for a description of the assumptions used in the model.

EMPLOYEE BENEFIT PLANS

The Company maintains the 2008 Plan. Upon the 2008 Plan's adoption, the 2005 Stock Option Plan was merged into the 2008 Plan and ceased to separately exist. Outstanding awards under the 2005 Stock Option Plan are now subject to the 2008 Plan and no additional awards may be made under the 2005 Stock Option Plan on or after the effective date of the 2008 Plan. A total of 2,400,000 shares (which includes the additional shares to be approved by stockholders at the 2012 annual meeting) of common stock have been reserved for issuance under the 2008 Plan. The 2008 Plan is administered by the Compensation Committee, which determines the exercise price of options, the number of options and shares of restricted stock to be issued, and the vesting period. As specified in the 2008 Plan, the option exercise price per share shall not be less than the fair market value on the effective date of grant. The term of an option does not exceed 10 years, and the options and restricted stock generally vest ratably over one to five years from the date of grant.

EMPLOYMENT AGREEMENTS

Employment Agreement with Douglas R. Waggoner

We entered into an employment agreement with Douglas R. Waggoner, our Chief Executive Officer, on November 1, 2006, which was amended and restated as of September 24, 2009 and was further amended and restated as of January 1, 2012. Pursuant to his amended and restated employment agreement on January 1, 2012, Mr. Waggoner is entitled to an initial base salary of \$650,000 per year (compared to a base salary of \$430,000 in 2011). In addition to base salary, Mr. Waggoner is eligible for an annual performance bonus. Mr. Waggoner also has a right to be reimbursed for the full amount of his medical insurance costs under our insurance programs. Further, under the agreement we will pay up to \$17,500 annually for the cost of Mr. Waggoner's life insurance policy in effect at the time he entered into the employment agreement.

In connection with the execution of his employment agreement in 2006, Mr. Waggoner received options to purchase 450,000 shares of the Company's common stock at an exercise price of \$3.68 per share. The options vested as follows: 50,000 shares vested on November 16, 2006 and 100,000 shares each vested on each of January 1, 2008, January 1, 2009, January 1, 2010, and January 1, 2011.

Subject to Mr. Waggoner's execution of a general release and waiver, if Mr. Waggoner's employment is terminated by us for any reason other than for Cause (as described in the narrative to the Potential Payments Upon Termination or Change in Control section), or if Mr. Waggoner terminates his employment for Good Reason (as defined below), Mr. Waggoner is entitled to:

- salary continuation for 24 months following termination;
- additional vesting of unvested equity awards issued as would have vested had Waggoner remained employed for an additional 12 months following the date of termination; and
- continuation of Company-provided insurance benefits for Mr. Waggoner and his dependents until such time Mr. Waggoner has secured comparable benefits through another organization's benefits program, subject to a maximum of 24 months following termination of employment.

In the event of a Change in Control, Mr. Waggoner is entitled to immediate vesting of 50% of all outstanding unvested equity awards. In the event Mr. Waggoner is terminated (other than for Cause), or terminates his employment for Good Reason, three months prior to the public announcement of a proposed Change of Control or within 12 months following a Change of Control, Mr. Waggoner is entitled to the benefits described above and the immediate vesting of all unvested equity awards.

For purposes of Mr. Waggoner's employment agreement, "Change of Control" has the same meaning as set forth in our 2008 Plan as described in the narrative to the "Potential Payments Upon Termination or Change in Control" section. Further, a termination for "Good Reason" occurs if Mr. Waggoner terminates his employment for any of the following reasons: (i) we materially reduce Mr. Waggoner's duties or responsibilities below what is customary for his position in a business that is similar to our Company without Mr. Waggoner's consent, (ii) we require Mr. Waggoner to relocate his office more than 100 miles from his current office without his consent, (iii) we materially breach the terms of the employment agreement, or (iv) Mr. Waggoner is forced to report to anyone other than our Board. If one or more of the above conditions exist, Mr. Waggoner must provide notice to the Company within a period not to exceed 90 days of the initial existence of the condition. Upon such notice, the Company shall have 30 days during which it may remedy the condition.

Mr. Waggoner's employment agreement terminates on December 31, 2016.

Employment Agreement with David B. Menzel

We entered into an employment agreement with David B. Menzel, our Chief Financial Officer, on April 7, 2008, which was amended and restated as of January 1, 2012. Pursuant to his amended and restated employment agreement, Mr. Menzel is

27

entitled to an initial base salary of \$450,000 per year (compared to a base salary of \$365,000 in 2011). In addition to base salary, Mr. Menzel is eligible for an annual performance bonus and has a right to be reimbursed for the full amount of his medical insurance costs under our insurance programs. Mr. Menzel is also entitled to a combined automobile allowance and life insurance allowance of \$19,000 per year. In connection with the execution of his employment agreement, Mr. Menzel received options to purchase 82,500 shares of our common stock at an exercise price equal to the fair market value of our common stock on the grant date as determined by our Compensation Committee. The shares acquired upon exercise of the options were subject to a right of first refusal that terminated upon the listing of the Company's stock on a national securities exchange. The options vest as follows: 20,000 shares vested on April 7, 2008, 12,500 shares vested on each of April 7, 2009, April 7, 2010 and April 7, 2011 and April 7, 2012, and an additional 12,500 shares vest on April 7, 2013. In the event of a sale to any third-party of at least 50% of the total then-outstanding shares of the Company for a cash or publicly-traded stock purchase price equal to or greater than the exercise price per share, 75% of Mr. Menzel's then unvested options will vest.

Subject to Mr. Menzel's execution of a general release and waiver, if Mr. Menzel is terminated for any reason other than for Cause (as described in the narrative to the Potential Payments upon Termination or Change in Control section below) or if Mr. Menzel terminates his employment for Good Reason, Mr. Menzel is entitled to

- salary continuation for 12 months following termination;

- additional vesting of unvested equity awards issued as would have vested had Mr. Menzel remained employed for an additional 12 months following the date of termination; and

- continuation of Company-provided insurance benefits for Mr. Menzel and his dependents until the earlier of:

- (i) 12 months following termination or (ii) the date Mr. Menzel has secured comparable benefits through another organization's benefits program.

The definition of "Good Reason" is substantially similar to the definition described in "— Employment Agreements — Employment Agreement with Douglas R. Waggoner."

In the event of a Change in Control, Mr. Menzel is entitled to immediate vesting of 50% of all outstanding unvested equity awards. In the event Mr. Menzel is terminated (other than for Cause), or terminates his employment for Good Reason, three months prior to the public announcement of a proposed Change of Control or within 12 months following a Change of Control, Mr. Menzel is entitled to immediate vesting of all unvested equity awards and receives the same salary benefits as if Mr. Menzel is terminated other than for Cause, or if Mr. Menzel terminates his employment for Good Reason (as described above).

Mr. Menzel's employment agreement terminates on December 31, 2016.

Employment Agreement with David C. Rowe

We entered into an employment agreement with David C. Rowe on August 24, 2007, which was amended and restated as of September 24, 2009. This agreement expired on January 1, 2012. Pursuant to his agreement, Mr. Rowe was entitled to a base salary and was eligible to receive an annual performance bonus.

Subject to the execution of a general release and waiver, in the event Mr. Rowe had been terminated by us for any reason other than for Cause (as described in the narrative to the "Potential Payments Upon Termination or Change in Control" section) or by reason of death or disability, or if he had terminated his employment for Good Reason (as defined above for Mr. Waggoner, except (iv)), Mr. Rowe was entitled to salary continuation for three months plus accrued but unused vacation time or minus unaccrued and used vacation time.

If, during the three months prior to the public announcement of a proposed Change of Control (as defined in our 2008 Plan), or during the twelve months following a Change of Control, Mr. Rowe had been terminated by us for any reason other than Cause or employment had been terminated by Mr. Rowe for Good Reason, he was entitled to salary continuation for three months plus accrued but unused vacation time or minus unaccrued and used vacation time.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Assuming the employment of our named executive officers were to be terminated without Cause or for Good Reason, each as of December 31, 2011, they would be entitled to payments in the amounts set forth opposite to each executive officer's name in the table below.

We are not obligated to make any cash payments to these executives if their employment is terminated by us for Cause or by the executive without Good Reason. No severance or benefits are provided for any of the executive officers in the event of death or disability. A Change in Control does not affect the amount or timing of these cash severance payments.

Name	Cash Severance	Benefit Continuation (1)
Douglas R. Waggoner	\$35,833 per month for 24 months	\$61,020
David B. Menzel	\$30,417 per month for 12 months	\$26,290
David C. Rowe	\$22,917 per month for 3 months	\$910

Pursuant to the employment agreements with Messrs. Waggoner, Menzel and Rowe, in the event of a termination without Cause or a termination for Good Reason, the Company will also provide them and their dependents with (1) Company-paid insurance benefits until such time comparable benefits are secured through another employer's benefits program, up to a maximum of 24 months for Mr. Waggoner, 12 months for Mr. Menzel and 3 months for Mr. Rowe. The following assumptions were made in calculating the benefit continuation amounts: an annual cost of \$30,510 for Mr. Waggoner, \$13,145 for Mr. Menzel and \$3,635 for Mr. Rowe.

Assuming the employment of our named executive officers were to be terminated without Cause or for Good Reason, each as of December 31, 2011 (or as otherwise specified), the following individuals would be entitled to accelerated vesting of their outstanding equity awards described in the table below:

Name	Value of Equity Awards: Termination Without Cause or For Good Reason (\$)(1)	Value of Equity Awards: Termination Without Cause or For Good Reason In Connection With a Change in Control (\$)(1)
Douglas R. Waggoner	450,400	736,100
David B. Menzel	55,375	571,844
David C. Rowe	—	—

Values are based on the aggregate difference between the respective exercise prices and a price of our common (1) stock of \$16.15 per share, which was the fair market value of our common stock as of December 30, 2011 (the last trading day of the year).

In connection with a termination without Cause or a termination for Good Reason, no payments are due unless the executive officer executes a general release and waiver of claims against us. Each named executive officer is subject to non-competition and non-solicitation restrictions for a period of twenty-four months following termination, except for Mr. Menzel, whose restriction period is twelve months following termination. Further, each named executive officer entered into a confidentiality agreement upon joining the Company.

The following definitions apply to the termination and change in control provisions in the employment agreements.

Change in Control

The employment agreements incorporate the Change in Control definition in the 2008 Plan. Under the 2008 Stock Incentive Plan, "Change in Control" means the occurrence of any one or more of the following: (a) an effective change in control pursuant to which any person or persons acting as a group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) beneficial ownership of stock of the Company representing more than thirty-five percent (35%) of the voting power of the Company's then outstanding stock; provided, however, that a Change in Control shall not be deemed to occur by virtue of any of the following acquisitions: (i) by the Company or any Affiliate, (ii) by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Affiliate, (iii) by any underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) by any Incumbent Stockholders (as defined below); (b) any person or

persons acting as a group (in each case, other than any Incumbent Stockholders) acquires beneficial ownership of Company stock that, together with Company stock already held by such person or group, constitutes more than fifty percent (50%) of the total fair market value or voting power of the Company's then outstanding stock (the acquisition of Company stock by the Company in exchange for property, which reduces the number of outstanding shares and increases the percentage ownership by any person or group to more than 50% of the Company's then outstanding stock will be treated as a Change in Control); (c) individuals who constitute the Board immediately after the

Effective Date (the "Incumbent Directors") cease for any reason to constitute at least a majority of the Board during any 12-month period; provided, however, that: (i) any person becoming a Director subsequent thereto whose election or nomination for election was approved by a vote of a majority of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for Director, without written objection to such nomination) shall be an Incumbent Director, provided, that no individual initially elected or nominated as a Director of the Company as a result of an actual or threatened election contest with respect to Directors or as a result of any other actual or threatened solicitation of proxies or consents by or on behalf of any person other than the Board shall be deemed to be an Incumbent Director and (ii) a Change in Control shall not be deemed to have occurred pursuant to this paragraph (c) if, after the Board is reconstituted, the Incumbent Stockholders beneficially own stock of the Company representing more than thirty-five percent (35%) of the voting power of the Company's then outstanding stock; (d) any person or persons acting as a group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value of at least forty percent (40%) of the total gross fair market value of all the assets of the Company immediately prior to such acquisition. For purposes of this section, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, without regard to any liabilities associated with such assets. The event described in this paragraph (d) shall not be deemed to be a Change in Control if the assets are transferred to (i) any owner of Company stock in exchange for or with respect to the Company's stock, (ii) an entity in which the Company owns, directly or indirectly, at least fifty percent (50%) of the entity's total value or total voting power, (iii) any person that owns, directly or indirectly, at least fifty percent (50%) of the Company stock, or (iv) an entity in which a person described in (d)(iii) above owns at least fifty percent (50%) of the total value or voting power (for purposes of this definition, and except as otherwise provided, a person's status is determined immediately after the transfer of the assets); or (e) upon the happening of any other event(s) designated as a Change in Control for purposes of Section 409A. For purposes of this definition of Change in Control, the term "Incumbent Stockholders" shall include each and every one of the following: Polygal Row, LLC, Frog Ventures, LLC, Richard A. Heise Living Trust, Echo Global Logistics Series C Investment Partners, LLC, Old Willow Partners, LLC, Blue Media, LLC, Green Media, LLC, Y&S Nazarian Revocable Trust, Younes Nazarian 2006 Annuity Trust — Echo Global, Soraya Nazarian 2006 Annuity Trust — Echo Global, Anthony Bobulinski, David Nazarian 2005 Annuity Trust EGL, Sam Nazarian, Baradaran Revocable Trust, Shulamit Nazarian Torbati, New Enterprise Associates 12, Limited Partnership, NEA Ventures 2006, Limited Partnership; or any of their respective Affiliates or successors. In no event will a Change in Control be deemed to have occurred, with respect to the Participant, if an employee benefit plan maintained by the Company or an Affiliate or the Participant is part of a purchasing group that consummates the transaction that would otherwise result in a Change in Control. The employee benefit plan or the Participant will be deemed "part of a purchasing group" for purposes of the preceding sentence if the plan or the Participant is an equity participant in the purchasing company or group, except where participation is: (i) passive ownership of less than two percent (2%) of the stock of the purchasing company; or (ii) ownership of equity participation in the purchasing company or group that is otherwise not significant, as determined prior to the Change in Control by a majority of the non-employee continuing directors.

Cause

The employment agreements define "Cause" as either: (i) a material breach of any provision of the agreement, provided that in those instances in which a material breach is capable of being cured, the officer has failed to cure within a thirty (30) day period after notice from the Company; (ii) theft, dishonesty, or falsification of any employment or Company records by the officer; (iii) the reasonable determination by the Board that the officer has committed an act or acts constituting a felony or any act involving moral turpitude; or (iv) the reasonable determination by the Board that the officer has engaged in willful misconduct or gross negligence that has had a material adverse effect on the Company's reputation or business.

Good Reason

The definitions of "Good Reason" are described in "— Employment Agreements."

COMPENSATION AND RISK

We have reviewed our employee compensation policies and practices and have determined that these policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

Summary of Director Compensation

Prior to 2010, we did not provide cash compensation to our directors for their services as members of the Board or for attendance at Board or committee meetings. In 2011, management approved a new cash and equity compensation program for our non-employee directors who are not affiliated or associated with 10% or greater stockholders of the Company, in the form of a \$50,000 annual cash retainer and \$50,000 of stock options which vest ratably over a three year period. We approved this new program in order to continue to attract qualified candidates for our Board, as certain directors that serve on boards of Nasdaq-listed companies in our peer group receive annual compensation for their service as directors. In 2012, we further refined our cash and equity compensation program for all of our non-employee directors, as follows: each non-employee director (other than the Chairman of the Board) will receive an annual retainer of \$100,000, and the Chairman of the Board will receive an annual retainer of \$150,000, in each case, to be paid in either (i) 50% in cash and 50% restricted stock or (ii) subject to the director's election, 100% in the form of restricted stock. For the portion of the retainer that a non-employee director receives in the form of restricted stock, the award will vest in three substantially equal installments on the first, second, and third anniversaries of the grant date. If a change in control (as defined under the 2008 Plan) occurs, or if the director's service is terminated due to death, disability, or by the Company (or its Board or shareholders) other than for cause, all unvested shares of restricted stock will immediately vest. In addition to the annual retainers discussed above, each committee chair will also receive an additional annual retainer of \$10,000, to be paid in cash. Our directors are also reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board and its committees.

Under our 2008 Stock Incentive Plan, directors are eligible to receive stock option and other equity grants at the discretion of the Compensation Committee or other administrator of the plan.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors consists of four non-employee directors, including, Samuel K. Skinner, John R. Walter, Matthew Ferguson and John F. Sandner, each of whom the Board of Directors has determined to be independent directors as defined in the rules of the Nasdaq Global Market. The Audit Committee is a standing committee of the Board of Directors and operates under a written charter adopted by the Board of Directors. The Board approved charter is available at www.echo.com on the "Investor" page under the link "Corporate Governance." Among its other functions, the Audit Committee has the authority and responsibility to retain and terminate the engagement of the Company's independent registered public accounting firm (the "independent auditors").

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

During fiscal 2011, at each of its meetings, the Audit Committee met with the senior members of the Company's financial management team and the independent auditors. The Audit Committee's agenda is established by the Audit Committee's chairman and senior members of the Company's financial management team. The Audit Committee met in private sessions with the Company's independent auditors at certain of its meetings to discuss financial management, accounting and internal control issues. The Audit Committee has reviewed and discussed with management and the independent auditors the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent auditors matters required to be discussed by the statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Company's independent auditors also provided to the Audit Committee the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Committee discussed with the independent auditors that firm's independence and considered whether the non-audit services provided by the independent auditors are compatible with maintaining their independence.

Based on the Audit Committee's discussion with management and the independent auditors, and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission.

Submitted by the Audit Committee of the Board of Directors,

Samuel K. Skinner
John R. Walter
John F Sandner (Audit Committee Chairman)

2008 STOCK INCENTIVE PLAN

Article 1. Establishment, Objectives and Duration

1.1 Establishment of the Plan. Echo Global Logistics, Inc., a Delaware corporation, hereby establishes this Amended and Restated Echo Global Logistics, Inc. 2008 Stock Incentive Plan (the "Plan") as set forth herein. Capitalized terms used but not otherwise defined herein will have the meanings given to them in Article 2. The Plan permits the grant of Nonstatutory Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares, and other Stock Awards. In addition, the Plan provides the opportunity for the deferral of the payment of salary, bonuses and other forms of incentive compensation in accordance with Section 409A.

The Plan became effective on October 1, 2009 and will remain in effect as provided in Section 1.3 hereof. The Plan was amended and restated effective June 2, 2010, subject to approval by the Company's stockholders at the 2010 annual meeting. The Plan was further amended and restated effective June 20, 2012, subject to approval by the Company's stockholders at the 2012 annual meeting.

1.2 Purpose of the Plan. The purpose of the Plan is to promote the success and enhance the value of the Company by linking the personal interests of Participants to those of Company stockholders, and by providing Participants with an incentive for outstanding performance. The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract and retain the services of Participants upon whose judgment, interest, and special effort the successful conduct of its business is largely dependent.

1.3 Duration of the Plan. The Plan will commence on the Effective Date, as described in Article 2, and will remain in effect, subject to the right of the Committee to amend or terminate the Plan at any time pursuant to Article 15, until all Shares subject to it pursuant to Article 4 have been issued or transferred according to the Plan's provisions. In no event may an Award be granted under the Plan on or after the tenth annual anniversary of the Effective Date.

1.4 Plan Merger. The Company's Echo Global Logistics, LLC 2005 Stock Option Plan shall be merged into this Plan as of the Effective Date. Except with respect to rights that may be protected under prior award agreements, stock or unit options awarded and equity interests authorized for awards under the Prior Plan shall be governed by, and available under, the terms of this Plan.

Article 2. Definitions

Whenever used in the Plan, the following terms have the meanings set forth below, and when the meaning is intended, the initial letter of the word is capitalized:

"Affiliate" means (a) for purposes of Incentive Stock Options, any corporation that is a Parent or Subsidiary of the Company, and (b) for all other purposes hereunder, an entity that is (directly or indirectly) controlled by, or controls, the Company.

"Award" means, individually or collectively, a grant under this Plan to a Participant of Nonstatutory Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Performance Shares and other Stock Awards.

"Award Agreement" means an agreement entered into by the Company and a Participant setting forth the terms and provisions applicable to an Award or Awards granted to the Participant or the terms and provisions applicable to an election to defer compensation under Section 8.2.

"Board" or "Board of Directors" means the Board of Directors of the Company.

"Cause" shall have the meaning set forth in any employment, consulting, or other written agreement between the Participant and the Company or an Affiliate. If there is no employment, consulting, or other written agreement between the Participant and the Company or an Affiliate, or if such agreement does not define "Cause," then "Cause" shall have the meaning specified by the Committee in connection with the grant of any Award; provided, that if the Committee does not so specify, "Cause" shall mean the Participant's:

willful neglect of or continued failure to substantially perform his or her duties with or obligations for the Company (a) or an Affiliate in any material respect (other than any such failure resulting from his or her incapacity due to physical or mental illness);

A-1

- (b) commission of a willful or grossly negligent act or the willful or grossly negligent omission to act that causes or is reasonably likely to cause material harm to the Company or an Affiliate; or
- (c) commission or conviction of, or plea of nolo contendere to, any felony or any crime materially injurious to the Company or an Affiliate.

An act or omission is "willful" for this purpose if it was knowingly done, or knowingly omitted, by the Participant in bad faith and without reasonable belief that the act or omission was in the best interest of the Company or an Affiliate. Determination of Cause shall be made by the Committee in its sole discretion, and may be applied retroactively if, after the Participant terminates Service, it is discovered that Cause occurred during Participant's Service.

"Change in Control" means the occurrence of any one or more of the following:

- (a) An effective change of control pursuant to which any person or persons acting as a group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) beneficial ownership of stock of the Company representing more than thirty-five percent (35%) of the voting power of the Company's then outstanding stock; provided, however, that a Change in Control shall not be deemed to occur by virtue of any of the following acquisitions: (i) by the Company or any Affiliate, (ii) by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Affiliate, (iii) by any underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) by any Incumbent Stockholders (as defined below);

- (b) Any person or persons acting as a group (in each case, other than any Incumbent Stockholders) acquires beneficial ownership of Company stock that, together with Company stock already held by such person or group, constitutes more than fifty percent (50%) of the total fair market value or voting power of the Company's then outstanding stock. The acquisition of Company stock by the Company in exchange for property, which reduces the number of outstanding shares and increases the percentage ownership by any person or group to more than 50% of the Company's then outstanding stock will be treated as a Change in Control;

- (c) Individuals who constitute the Board immediately after the Effective Date (the "Incumbent Directors") cease for any reason to constitute at least a majority of the Board during any 12-month period; provided, however, that: (i) any person becoming a Director subsequent thereto whose election or nomination for election was approved by a vote of a majority of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for Director, without written objection to such nomination) shall be an Incumbent Director, provided that no individual initially elected or nominated as a Director of the Company as a result of an actual or threatened election contest with respect to Directors or as a result of any other actual or threatened solicitation of proxies or consents by or on behalf of any person other than the Board shall be deemed to be an Incumbent Director; and (ii) a Change in Control shall not be deemed to have occurred pursuant to this paragraph (c) if, after the Board is reconstituted, the Incumbent Stockholders beneficially own stock of the Company representing more than thirty-five percent (35%) of the voting power of the Company's then outstanding stock;

- (d) Any person or persons acting as a group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value of at least forty percent (40%) of the total gross fair market value of all the assets of the Company immediately prior to such acquisition. For purposes of this section, gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, without regard to any liabilities associated with such assets. The event described in this paragraph (d) shall not be deemed to be a Change in Control if the assets are transferred to (i) any owner of Company stock in exchange for or with respect to the Company's stock, (ii) an entity in which the Company owns, directly or indirectly, at least fifty percent (50%) of the entity's total value or total voting power, (iii) any person that owns, directly or indirectly, at least fifty percent (50%) of the Company stock, or (iv) an entity in which a person described in (d)(iii) above owns at least fifty percent (50%) of the total value or voting power. For purposes of this section, and except as otherwise provided, a person's status is determined immediately after the transfer of the assets; or

- (e) Upon the happening of any other event(s) designated as a Change in Control for purposes of Section

409A.

For purposes of this definition of Change in Control, the term "Incumbent Stockholders" shall include each and every one of the following: Polygal Row, LLC, Frog Ventures, LLC, Richard A. In no event will a Change in Control be deemed to have occurred, with respect to the Participant, if an employee benefit plan maintained by the Company or an Affiliate or the Participant is part of a purchasing group that consummates the transaction that would otherwise result in a Change in Control. The employee benefit plan or the Participant will be deemed "part of a purchasing group" for purposes of the preceding sentence if the plan or the Participant is an equity participant in the purchasing company or group, except where participation is: (i) passive ownership of less than two percent (2%) of the stock of the purchasing company; or (ii) ownership of equity participation in the purchasing company or group that is otherwise not significant, as determined prior to the Change in Control by a majority of the non-employee continuing directors.

For purposes of Incentive Stock Options, no such leave may exceed ninety (90) days, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, on the one hundred and eighty-first (181st) day of such leave any Incentive Stock Option held by the Participant shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Nonstatutory Stock Option. The duties of the Committee or its delegatee shall also include, but shall not be limited to, making disbursements and settlements of Awards, creating trusts, and determining whether to defer or accelerate the vesting of, or the lapsing of restrictions or risk of forfeiture with respect to, Options, Restricted Stock and Restricted Stock Units, and Stock Appreciation Rights. may be issued or transferred to Participants as Incentive Stock Options is 500,000. Except during any private-to-public transition period during which Section 162(m) does not apply (such as that described in Treas. Reg. § 1.162-27(f)), the maximum number of Shares and Share equivalent units that may be granted during any calendar year to any one Participant under all types of Awards available under the Plan is 500,000 (on an aggregate basis); the foregoing limit will apply whether the Awards are paid in Shares or in cash. All limits described in this Section 4.1(a) are subject to adjustment as provided in Section 4.3.

The Prior Plan shall be merged into and continued in the form of this Plan as of the Effective Date. Awards made and Shares awarded under the Prior Plan prior to the Effective Date, which remain outstanding on the Effective Date, plus any Shares available for grant under the Prior Plan (including Shares subject to prior awards that expire unexercised or that are forfeited, terminated or canceled and Shares that are surrendered or withheld from any award under such Prior Plan to satisfy a participant's tax withholding) shall be governed by and available under the (b) terms of this Plan, but shall not count against the number of Shares authorized under the first sentence of Section 4.1(a) above to the extent Shares remain available for issuance under the Prior Plan. To the extent that Awards are granted under the Prior Plan in excess of the number of Shares available for issuance under the Prior Plan, such Awards will be available for issuance under this Plan and will count against the number of Shares authorized under the first sentence of Section 4.1(a) above. No additional awards will be made under the Prior Plan on or after the Effective Date.

4.2 Lapsed Awards. Any Shares (a) subject to an Award under the Plan that, after the Effective Date, are forfeited, canceled, settled or otherwise terminated without a distribution of Shares to a Participant; or (b) delivered by attestation to, or withheld by, the Company in connection with the exercise of an Option awarded under the Plan or in payment of any required income tax withholding for the exercise of an Option or the vesting of Restricted Stock awarded under the Plan will thereafter be deemed to be available for Award.

4.3 Adjustments in Authorized Shares.

In the event of any merger, reorganization, consolidation, recapitalization, separation, liquidation, split-up, share combination, or other such change in the corporate structure of the Company affecting the Shares, such adjustment shall be made in the number and class of Shares which may be delivered under the Plan, and in the number and (a) class of and/or price of Shares subject to outstanding Awards granted under the Plan, as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights and provided that the number of Shares subject to any Award shall always be a whole number.

Fractional Shares resulting from any adjustment in Awards pursuant to this section may be settled in cash or otherwise as the Committee determines. The Company will give notice of any adjustment to each Participant who (b) holds an Award that has been adjusted and the adjustment (whether or not that notice is given) will be effective and binding for all Plan purposes.

Article 5. Eligibility and Participation

5.1 Eligibility. An Employee shall be deemed eligible for participation upon such Employee's first day of employment. Additionally, non-Employee Directors and Consultants and/or their representatives who are chosen from time to time at the sole discretion of the Committee to receive one or more Awards are also eligible to participate in the Plan.

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee will, from time to time, select those Employees, non-Employee Directors and Consultants to whom Awards will be granted, and will determine the nature and amount of each Award.

5.3 Personal Leave Status.

(a) Notwithstanding anything in the Plan to the contrary, the Committee, in its sole discretion, reserves the right to designate a Participant's leave of absence as "Personal Leave." No Options shall be granted to a Participant during Personal Leave. A Participant's Unvested Options shall remain Unvested during such Personal Leave and the time spent on such Personal Leave shall not count towards the Vesting of such Options. A Participant's Vested Options that may be exercised pursuant to Section 6.6 hereof shall remain exercisable upon commencement of Personal Leave until the earlier of (i) a period of one year from the date of commencement of such Personal Leave; or (ii) the remaining exercise period of such Options. Notwithstanding the foregoing, if a Participant returns to the

Company from a Personal Leave of less than one year and the Participant's Options have not lapsed, the Options shall remain exercisable for the remaining exercise period as provided at the time

A-6

of grant and subject to the conditions contained herein.

The Committee, in its sole discretion, may waive or alter the provisions of this Section 5.3 with respect to any (b) Participant. The waiver or alteration of such provisions with respect to any Participant shall have no effect on any other Participant.

Article 6. Options

6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Employees, non-Employee Directors and Consultants in the number, and upon the terms, and at any time and from time to time, as determined by the Committee.

6.2 Award Agreement. Each Option grant will be evidenced by an Award Agreement that specifies the Exercise Price, the duration of the Option, the number of Shares to which the Option pertains, the manner, time and rate of exercise or Vesting of the Option, and such other provisions as the Committee determines. The Award Agreement will also specify whether the Option is intended to be an ISO or an NQSO.

6.3 Exercise Price. The Exercise Price for each Share subject to an Option will be determined by the Committee; provided, however, that the exercise price of Incentive Stock Options shall in all cases be equal or greater to the Fair Market Value on the date the Option is granted.

6.4 Duration of Options. Each Option will expire at the time determined by the Committee at the time of grant, but no later than the tenth anniversary of the date of its grant.

6.5 Dividend Equivalents. The Committee may, but will not be required to, provide under an agreement for payments in connection with Options that are equivalent to dividends declared and paid on the Shares underlying the Options prior to the date of exercise. Such dividend equivalent agreement shall be separate and apart from the Award Agreement and shall be designed to comply separately with Section 409A.

6.6 Exercise of Options. Options will be exercisable at such times and be subject to such restrictions and conditions as the Committee in each instance approves, which need not be the same for each Award or for each Participant.

6.7 Payment. The holder of an Option may exercise the Option only by delivering a written notice, or if permitted by the Committee, in its discretion and in accordance with procedures adopted by it, by delivering an electronic notice of exercise to the Company setting forth the number of Shares as to which the Option is to be exercised, together with full payment of the Exercise Price for the Shares and any withholding tax relating to the exercise of the Option. The Exercise Price and any related withholding taxes will be payable to the Company in full: (a) in cash, or its equivalent, in United States dollars; (b) if permitted in the governing Award Agreement, by tendering Shares owned by the Participant duly endorsed for transfer to the Company, or Shares issuable to the Participant upon exercise of the Option; (c) any combination of (a) and (b); or (d) by any other means the Committee determines to be consistent with the Plan's purposes and applicable law. The Committee, in its discretion, may require that no Shares may be tendered until such Shares have been owned by the Participant for at least six months (or such other period determined by the Committee).

6.8 Special Provisions for ISOs. Notwithstanding any other provision of this Article 6 to the contrary, the following special provisions shall apply to any Award of Incentive Stock Options:

(a) The Committee may award Incentive Stock Options only to Employees.

An Option will not constitute an Incentive Stock Option under this Plan to the extent it would cause the aggregate Fair Market Value of Shares with respect to which Incentive Stock Options are exercisable by the Participant for (b) the first time during a calendar year (under all plans of the Company and its Affiliates) to exceed \$100,000. Such Fair Market Value shall be determined as of the date on which each such Incentive Stock Option is granted.

If the Employee to whom the Incentive Stock Option is granted owns stock possessing more than ten (10%) percent of the total combined voting power of all classes of the Company or any Affiliate, then: (i) the exercise Price for (c) each Share subject to an Incentive Stock Option will be at least one hundred ten percent (110%) of the Fair Market Value of the Share on the Effective Date of the Award; and (ii) the Option will expire upon the earlier of (A) the time specified by the Committee in the Award Agreement, or (B) the fifth anniversary of the date of grant.

No Option that is intended to be an Incentive Stock Option may be granted under the Plan until the Company's stockholders approve the Plan. If such stockholder approval is not obtained within 12 months after the Board's adoption of the Plan, then no Options may be granted under the Plan that are intended to be Incentive Stock Options. No Option that is intended to be an Incentive Stock Option may be granted under the Plan after the tenth anniversary of the date the Company adopted the Plan or the Company's stockholders approved the Plan, whichever is earlier.

An Incentive Stock Option must be exercised, if at all, by the earliest of (i) the time specified in the Award Agreement, (ii) three months after the Participant's termination of Service for a reason other than death or Disability, or (iii) twelve months after the Participant's termination of Service for death or Disability. (f) An Option that is intended but fails to be an ISO shall be treated as an NQSO for purposes of the Plan.

6.9 Restrictions on Share Transferability.

The Committee may impose such restrictions on any Shares acquired through the exercise of an Option as it deems necessary or advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which the Shares are then listed or traded, and under any blue sky or state securities laws applicable to the Shares.

6.10 Termination of Service. Unless the applicable Award Agreement provides otherwise and subject to Section 6.8(e):

In the event that the Service of a Participant is terminated by the Company for any reason other than Cause, Disability or death, Options that are exercisable at the time of such termination shall remain exercisable until the earlier of (i) the remaining exercise period or (ii) one year from the date of such Service termination. Options that are not exercisable at the time of such termination of Service shall expire at the close of business on the date of such termination.

In the event that the Service of a Participant with the Company terminates on account of the Disability or death of the Participant, Options that are exercisable at the time of such termination shall remain exercisable until the expiration of the term of the Option. Options that are not exercisable at the time of such termination shall expire at the close of business on the date of such termination.

In the event of termination of a Participant's Service for Cause, all outstanding Options granted to such Participant shall expire as of the commencement of business on the date of such termination.

In the event of a Participant's termination of Service for any reason other than those described in subsections (a), (b) and (c) of this Section 6.10, Options that are exercisable at the time of such termination shall remain exercisable until the earlier of (i) the remaining exercise period or (ii) 30 days from the date of such termination. Options that are not exercisable at the time of such termination shall expire at the close of business on the date of such termination.

Each Option Award Agreement will set forth the extent to which the Participant has the right to exercise the Option after his or her termination of Service. These terms will be determined by the Committee in its sole discretion, need not be uniform among all Options, and may reflect, among other things, distinctions based on the reasons for termination of Service. However, notwithstanding any other provision herein to the contrary, no additional Options will Vest after a Participant's Service ceases or has terminated for any reason, whether such cessation or termination is lawful or unlawful.

Article 7. Stock Appreciation Rights

7.1 Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time, as determined by the Committee. Within the limits of Article 4, the Committee will have sole discretion to determine the number of SARs granted to each Participant and, consistent with the provisions of the Plan, to determine the terms and conditions pertaining to SARs.

The grant price for any SAR shall be determined by the Committee, but the grant price for any SAR intended to be exempt from Section 409A shall in all cases be equal or greater to the Fair Market Value on the date the SAR is granted. If the Committee determines that a SAR shall have a grant price that at any time can be less than the Fair Market Value on the date of grant, such SAR shall be subject to Section 409A and the provisions of Article 13 of the Plan.

7.2 Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes.

A-8

7.3 Award Agreement. Each SAR grant will be evidenced by an Award Agreement that specifies the grant price, whether settlement of the SAR will be made in cash or in Shares, the term of the SAR and such other provisions as the Committee determines.

7.4 Term of SAR. The term of a SAR will be determined by the Committee, in its sole discretion, but may not exceed ten years.

7.5 Payment of SAR Amount. Upon the exercise of a SAR with respect to a Share, a Participant will be entitled to receive an amount equal to the excess, if any, of the Fair Market Value on the date of exercise of the SAR over the grant price specified in the Award Agreement. At the discretion of the Committee, the payment that may become due upon SAR exercise may be made in cash, in Shares or in any combination of the two.

7.6 Termination of Service. Each SAR Award Agreement will set forth the extent to which the Participant has the right to exercise the SAR after his or her termination of Service. These terms will be determined by the Committee, in its sole discretion, need not be uniform among all SARs issued under the Plan, and may reflect, among other things, distinctions based on the reasons for termination of Service.

Article 8. Restricted Stock and Restricted Stock Units

8.1 Grant of Restricted Stock or Restricted Stock Units. Subject to the terms and provisions of the Plan, the Committee may, at any time and from time to time, grant Restricted Stock or Restricted Stock Units to Participants in such amounts as it determines.

8.2 Deferral of Compensation into Restricted Stock Units. Subject to the terms and provisions of the Plan, the Committee may, at any time and from time to time, allow (or require, as to bonuses) selected Employees and Directors to defer the payment of any portion of their salary or bonuses or both pursuant to this section. A Participant's deferral under this section will be credited to the Participant in the form of Restricted Stock Units. The Committee will establish rules and procedures for the deferrals, as it deems appropriate and in accordance with Article 13 of the Plan.

If a Participant's compensation is deferred under this Section 8.2, he or she will be credited, as of the date specified in the Award Agreement, with a number of Restricted Stock Units no less than the amount of the deferral divided by the Fair Market Value on that date, rounded to the nearest whole unit.

8.3 Award Agreement. Each grant of Restricted Stock or Restricted Stock Units will be evidenced by an Award Agreement that specifies the Restriction Periods, the number of Shares or Share equivalent units granted, and such other provisions as the Committee determines.

8.4 Other Restrictions. Subject to Article 12, the Committee may impose such other conditions or restrictions on any Restricted Stock or Restricted Stock Units as it deems advisable, including, without limitation, restrictions based upon the achievement of specific performance objectives (Company-wide, business unit, individual, or any combination of them), time-based restrictions on vesting, and restrictions under applicable federal or state securities laws. The Committee may provide that restrictions established under this Section 8.4 as to any given Award will lapse all at once or in installments.

The Company will retain the certificates representing Shares of Restricted Stock in its possession until all conditions and restrictions applicable to the Shares have been satisfied.

8.5 Payment of Awards. Except as otherwise provided in this Article 8, Shares covered by each Restricted Stock grant will become freely transferable by the Participant after the last day of the applicable Restriction Period, and Share equivalent units covered by a Restricted Stock Unit will be paid out in cash or Shares (as specified in the Award Agreement) to the Participant following the last day of the applicable Restriction Period, or on the date provided in the Award Agreement.

8.6 Voting Rights. During the Restriction Period, Participants holding Shares of Restricted Stock may exercise full voting rights with respect to those Shares.

8.7 Dividends and Other Distributions. During the Restriction Period, Participants awarded Shares of Restricted Stock hereunder will be credited with regular cash dividends paid on those Shares. Dividends on vested Shares shall be paid as soon as practicable as dividends are received by other Company stockholders. Dividends on unvested Shares shall be subject to the same vesting conditions as the underlying Shares, and will be targeted to be paid within 2-1/2 months following the end of the calendar year in which the underlying Shares vest, but shall be paid no later

than the end of the calendar year following the year in which the underlying Shares vest unless otherwise deferred pursuant to Article 13.

A-9

An Award Agreement may provide that, during the Restriction Period, Participants awarded Restricted Stock Units shall be credited with regular cash dividend equivalents paid with respect to those Share equivalent units. Distribution of such dividend equivalents shall be made at such time as permissible under Section 409A.

8.8 Termination of Service. Each Award Agreement will set forth the extent to which the Participant has the right to retain unvested Restricted Stock or Restricted Stock Units after his or her termination of Service. These terms will be determined by the Committee in its sole discretion, need not be uniform among all Awards of Restricted Stock, and may reflect, among other things, distinctions based on the reasons for termination of Service.

Article 9. Performance Shares

9.1 Grant of Performance Shares. Subject to the terms of the Plan, Performance Shares may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as the Committee determines. The Award of Performance Shares may be based on the Participant's attainment of performance objectives, or the vesting of an Award of Performance Shares may be based on the Participant's attainment of performance objectives, each as described in this Article 9.

9.2 Value of Performance Shares. Each Performance Share will have an initial value equal to the Fair Market Value on the date of grant. The Committee will set performance objectives in its discretion which, depending on the extent to which they are met, will determine the number or value (or both) of Performance Shares that will be paid out to the Participant. For purposes of this Article 9, the time period during which the performance objectives must be met will be called a "Performance Period" and will be set by the Committee in its discretion.

9.3 Earning of Performance Shares. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Shares will be entitled to receive a payout on the number and value of Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives have been achieved.

9.4 Award Agreement. Each grant of Performance Shares will be evidenced by an Award Agreement specifying the material terms and conditions of the Award (including the form of payment of earned Performance Shares), and such other provisions as the Committee determines.

9.5 Form and Timing of Payment of Performance Shares. Except as provided in Article 13, the target payment date of earned Performance Shares will be within the first two and one-half (2-1/2) months following the end of the later of the calendar year or tax year of the Company in which the Performance Shares are earned, but in no event later than the end of the calendar year following the calendar year in which the Performance Shares are earned. The Committee will pay earned Performance Shares in the form of cash, in Shares, or in a combination of cash and Shares, as specified in the Award Agreement. Performance Shares may be paid subject to any restrictions deemed appropriate by the Committee.

9.6 Termination of Service. Each Award Agreement will set forth the extent to which the Participant has the right to retain Performance Shares after his or her termination of Service. These terms will be determined by the Committee, in its sole discretion, need not be uniform among all Awards of Performance Shares, and may reflect, among other things, distinctions based on the reasons for termination of Service.

Article 10. Other Stock Awards

Subject to the terms of the Plan, other Stock Awards may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as the Committee determines.

Article 11. Performance Measures

Unless and until the Committee proposes and the Company's stockholders approve a change in the general performance measures set forth in this Article 11, the performance measure(s) to be used for purposes of Awards (both those granted on or prior to the date of the 2012 annual meeting of the Company's stockholders and those granted after such meeting) designed to qualify for the Performance-Based Exception will be chosen from among the following alternatives (or in any combination of such alternatives):

- (a) earnings before interest and taxes (EBIT);
- (b) earnings before interest, taxes, depreciation and amortization (EBITDA);
- (c) net earnings;

A-10

- (d) operating earnings or income;
- (e) earnings growth;
- (f) net income (absolute or competitive growth rates comparative);
- (g) net income applicable to Shares;
- (h) cash flow, including operating cash flow, free cash flow, discounted cash flow return on investment, and cash flow in excess of cost of capital;
- (i) earnings per Share;
- (j) return on stockholders' equity (absolute or peer-group comparative);
- (k) stock price (absolute or peer-group comparative);
- (l) absolute and/or relative return on common stockholders' equity;
- (m) absolute and/or relative return on capital;
- (n) absolute and/or relative return on assets;
- (o) economic value added (income in excess of cost of capital);
- (p) customer satisfaction;
- (q) expense reduction;
- (r) ratio of operating expenses to operating revenues;
- (s) gross revenue or revenue by pre-defined business segment (absolute or competitive growth rates comparative);
- (t) revenue backlog; and
- (u) margins realized on delivered services.

The Committee will have the discretion to adjust targets set for preestablished performance objectives; however, Awards designed to qualify for the Performance-Based Exception may not be adjusted upward, except to the extent permitted under Code Section 162(m), to reflect accounting changes or other events.

If Code Section 162(m) or other applicable tax or securities laws change to allow the Committee discretion to change the types of performance measures without obtaining stockholder approval, the Committee will have sole discretion to make such changes without obtaining stockholder approval. In addition, if the Committee determines it is advisable to grant Awards that will not qualify for the Performance-Based Exception, the Committee may grant Awards that do not so qualify.

Article 12. Beneficiary Designation

Each Participant may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case the Participant should die before receiving any or all of his or her Plan benefits. Each beneficiary designation will revoke all prior designations by the same Participant, must be in a form prescribed by the Committee, and must be made during the Participant's lifetime. If the Participant's designated beneficiary predeceases the Participant or no beneficiary has been designated, benefits remaining unpaid at the Participant's death will be paid to the Participant's estate or other entity described in the Participant's Award Agreement.

Article 13. Deferrals and Code Section 409A

13.1 Purpose. As provided in an Award Agreement, the Committee may permit or require a Participant to defer receipt of cash or Shares that would otherwise be due to him or her under the Plan or otherwise create a deferred compensation arrangement (as defined in Section 409A) in accordance with this Article 13.

13.2 Initial Deferral Elections. The deferral of an Award or compensation otherwise payable to the Participant shall be set forth in the terms of the Award Agreement or as elected by the Participant pursuant to such rules and procedures as the Committee may establish. Any such initial deferral election by a Participant will designate a time and form of payment and shall be made at such time as provided below:

- (a) A Participant may make a deferral election with respect to an Award (or compensation giving rise thereto) at any time in any calendar year preceding the year in which services giving rise to such compensation or Award

are rendered.

In the case of the first year in which a Participant becomes eligible to receive an Award or defer compensation under the Plan (aggregating other plans of its type as defined in Section 1.409A-1(c) of the applicable regulations), (b) the Participant may make a deferral election within 30 days after the date the Participant becomes eligible to participate in the Plan; provided that such election may apply only with respect to the portion of the Award or compensation attributable to services to be performed subsequent to the election.

Where the grant of an Award or payment of compensation or the vesting is conditioned upon the satisfaction of pre-established organizational or individual performance criteria relating to a performance period of at least 12 (c) consecutive months in which the Participant performs Service, a Participant may make a deferral election no later than six months prior to the end of the applicable performance period.

Where the vesting of an Award is contingent upon the Participant's continued Service for a period of no less than (d) 13 months, the Participant may make a deferral election within 30 days of receiving an Award.

(e) A Participant may make a deferral election in other circumstances and at such times as may be permitted under Section 409A.

13.3 Distribution Dates. Any deferred compensation arrangement created under the Plan shall be distributed at such times as provided in the Award Agreement, which may be upon the earliest or latest of one or more of the following:

(a) a fixed date as set forth in the Award Agreement or pursuant to a Participant's election;

(b) the Participant's death;

(c) the Participant's Disability;

(d) a change in control (as defined in Section 409A);

(e) an Unforeseeable Emergency, as defined in Section 409A and implemented by the Committee;

(f) a Participant's termination of Service, or in the case of a Key Employee (as defined in Section 409A) six months following the Participant's termination of Service; or

(g) such other events as permitted under Section 409A.

13.4 Restrictions on Distributions. No distribution may be made pursuant to the Plan if the Committee reasonably determines that such distribution would (i) violate federal securities laws or other applicable law; (ii) be nondeductible pursuant to Section 162(m) of the Code; or (iii) violate a loan covenant or similar contractual requirement of the Company causing material harm to the Company. In any such case, distribution shall be made at the earliest date at which the Company determines such distribution would not trigger clause (i), (ii) or (iii) above.

13.5 Redeferrals. The Company, in its discretion, may permit the Participant to make a subsequent election to delay a distribution date, or, as applicable, to change the form of distribution payments, attributable to one or more events triggering a distribution, so long as (i) such election may not take effect until at least twelve (12) months after the election is made, (ii) such election defers the distribution for a period of not less than five years from the date such distribution would otherwise have been made, and (iii) such election may not be made less than twelve (12) months

prior to the date the distribution was to be made.

13.6 Termination of Deferred Compensation Arrangements. In addition, the Company may in its discretion terminate the deferred compensation arrangements created under this Plan subject to the following:

the arrangement may be terminated within the 30 days preceding, or 12 months following, a change in control (as (a) defined in Section 409A), provided that all payments under such arrangement are distributed in full within 12 months after termination;

the arrangement may be terminated in the Company's discretion at any time, provided that (i) all deferred (b) compensation arrangements of similar type maintained by the Company are terminated, (ii) all payments are made at least 12 months and no more than 24 months after the termination, and (iii) the Company does not adopt

A-12

a new arrangement of a similar type for a period of five years following the termination of the arrangement; and

the arrangement may be terminated within 12 months of a corporate dissolution taxed under Section 331 of the Code or with the approval of a bankruptcy court pursuant to 11 U.S.C. 503(b)(1)(A) provided that the payments (c) under the arrangement are distributed by the latest of (i) the end of the calendar year of the termination, (ii) the calendar year in which such payments are fully vested, or (iii) the first calendar year in which such payment is administratively practicable.

Article 14. Rights of Participants

14.1 Employment and Service. Nothing in the Plan will confer upon any Participant any right to continue in the employ or Service of the Company or any Affiliate, or interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or Service at any time.

14.2 Participation. No Employee, Consultant or Director will have the right to receive an Award under this Plan, or, having received any Award, to receive a future Award.

Article 15. Amendment, Modification and Termination

15.1 Amendment, Modification and Termination. The Committee may at any time and from time to time, alter, amend, modify or terminate the Plan in whole or in part. The Committee will not, however, increase the number of Shares that may be issued or transferred to Participants under the Plan, as described in the first sentence of Section 4.1 (and subject to adjustment as provided in Sections 4.2 and 4.3), without the approval of the Company's stockholders. Subject to the terms and conditions of the Plan, the Committee may modify, extend or renew outstanding Awards under the Plan, or accept the surrender of outstanding Awards (to the extent not already exercised) and grant new Awards in substitution of them (to the extent not already exercised). The Committee will not, however, modify any outstanding Option so as to specify a lower Exercise Price (other than pursuant to Section 4.3), without the approval of the Company's stockholders. Notwithstanding the foregoing, no modification of an Award will materially alter or impair any rights or obligations under any Award already granted under the Plan, without the prior written consent of the Participant.

15.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. In recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.3) affecting the Company or its financial statements, or in recognition of changes in applicable laws, regulations, or accounting principles, and, whenever adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, the Committee shall, using reasonable care, make adjustments in the terms and conditions of, and the criteria included in, Awards, as may be determined to be appropriate and equitable by the Committee. In case of an Award designed to qualify for the Performance-Based Exception, the Committee will take care not to make an adjustment that would disqualify the Award.

15.3 Awards Previously Granted. No termination, amendment or modification of the Plan will adversely affect in any material way any Award already granted, without the written consent of the Participant who holds the Award.

15.4 Compliance with Code Section 162(m). Awards will comply with the requirements of Code Section 162(m), if the Committee determines that such compliance is desired with respect to an Award available for grant under the Plan. In addition, if changes are made to Code Section 162(m) to permit greater flexibility as to any Award available under the Plan, the Committee may, subject to this Article 15, make any adjustments it deems appropriate.

Article 16. Nontransferability of Awards.

Except as otherwise provided in a Participant's Award Agreement, no Option, SAR, Performance Share, Restricted Stock, or Restricted Stock Unit granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution, or pursuant to a domestic relations order (as defined in Code Section 414(p)). All rights with respect to Performance Shares, Restricted Stock and Restricted Stock Units will be available during the Participant's lifetime only to the Participant or his or her guardian or legal representative. Except as otherwise provided in a Participant's Award Agreement or in paragraph (a) below, all Options and SARs will be exercisable during the Participant's lifetime only by the Participant or his or her guardian or legal representative. The Participant's beneficiary may exercise the Participant's rights to the extent they

are exercisable under the Plan following the Participant's death. The Committee may, in its discretion, require a Participant's guardian, legal representative or beneficiary to supply it with the evidence the Committee deems necessary

A-13

to establish the authority of the guardian, legal representative or beneficiary to act on behalf of the Participant.

Notwithstanding the foregoing, with respect to any Nonstatutory Stock Options, each Participant shall be permitted at all times to transfer any or all of the Options, or, in the event the Options have not yet been issued to the Participant, the Company shall be permitted to issue any or all of the Options, to certain trusts designated by the Participant as long as such transfer or issuance is made as a gift (i.e., a transfer for no consideration, with donative (a) intent), whether during his or her lifetime or to take effect upon (or as a consequence of) his or her death, to his or her spouse or children. Gifts in trust shall be deemed gifts to every beneficiary and contingent beneficiary, and so shall not be permitted under this paragraph (a) if the beneficiaries or contingent beneficiaries shall include anyone other than such spouse or children. Transfers to a spouse or child for consideration, regardless of the amount, shall not be permitted under this Plan.

Any Options issued or transferred under this Article 16 shall be subject to all terms and conditions contained in the (b) Plan and the applicable Award Agreement. If the Committee makes an Option transferable, such Option shall contain such additional terms and conditions, as the Committee deems appropriate.

Article 17. Withholding

17.1 Tax Withholding. The Company will have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum amount necessary to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising under this Plan.

17.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, or upon any other taxable event arising as a result of Awards granted hereunder, the Company may satisfy the minimum withholding requirement for supplemental wages, in whole or in part, by withholding Shares having a Fair Market Value (determined on the date the Participant recognizes taxable income on the Award) equal to the minimum withholding tax required to be collected on the transaction. The Participant may elect, subject to the approval of the Committee, to deliver the necessary funds to satisfy the withholding obligation to the Company, in which case there will be no reduction in the Shares otherwise distributable to the Participant.

Article 18. Indemnification

Each person who is or has been a member of the Committee or the Board, and any officer or Employee to whom the Committee has delegated authority under Section 3.1 or 3.2 of the Plan, will be indemnified and held harmless by the Company from and against any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or as a result of any claim, action, suit or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken, or failure to act, under the Plan. Each such person will also be indemnified and held harmless by the Company from and against any and all amounts paid by him or her in a settlement approved by the Company, or paid by him or her in satisfaction of any judgment, of or in a claim, action, suit or proceeding against him or her and described in the previous sentence, so long as he or she gives the Company an opportunity, at its own expense, to handle and defend the claim, action, suit or proceeding before he or she undertakes to handle and defend it. The foregoing right of indemnification will not be exclusive of any other rights of indemnification to which a person who is or has been a member of the Committee or the Board may be entitled under the Company's Certificate of Incorporation or By-Laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify him or her or hold him or her harmless.

Article 19. Successors

All obligations of the Company under the Plan or any Award Agreement will be binding on any successor to the Company, whether the existence of the successor results from a direct or indirect purchase of all or substantially all of the business or assets of the Company or both, or a merger, consolidation, or otherwise.

Article 20. Breach of Restrictive Covenants

An Award Agreement may provide that, notwithstanding any other provision of this Plan to the contrary, if the Participant breaches any competition, nonsolicitation or nondisclosure provisions contained in the Award Agreement, whether during or after termination of Service, the Participant will forfeit:

(a) any and all Awards granted or transferred to him or her under the Plan, including Awards that have become Vested; and

(b) the profit the Participant has realized on the exercise of any Options, which is the difference between the Exercise

Price of the Options and the applicable Fair Market Value of the Shares (the Participant may be required to repay such difference to the Company).

Article 21. Legal Construction

21.1 Number. Except where otherwise indicated by the context, any plural term used in this Plan includes the singular and any singular term includes the plural.

21.2 Severability. If any provision of the Plan is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provision had not been included.

21.3 Requirements of Law. The granting of Awards and the issuance of Share or cash payouts under the Plan will be subject to all applicable laws, rules, and regulations, and to any approvals by governmental agencies or national securities exchanges as may be required.

21.4 Securities Law Compliance. As to any individual who is, on the relevant date, an officer, director or more than ten percent beneficial owner of any class of the Company's equity securities that is registered pursuant to Section 12 of the Exchange Act, all as defined under Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 under the Exchange Act, or any successor rule. To the extent any provision of the Plan or action by the Committee fails to so comply, it will be deemed null and void, to the extent permitted by law and deemed advisable by the Committee.

If at any time the Committee determines that exercising an Option or a SAR or issuing Shares pursuant to an Award would violate applicable securities laws, the Option or SAR will not be exercisable, and the Company will not be required to issue Shares. The Company may require a Participant to make written representations it deems necessary or desirable to comply with applicable securities laws. No person who acquires Shares under the Plan may sell the Shares, unless he or she makes the offer and sale pursuant to an effective registration statement under the Exchange Act, which is current and includes the Shares to be sold, or an exemption from the registration requirements of the Securities Act.

21.5 Awards to Foreign Nationals and Employees Outside the United States. To the extent the Committee deems it necessary, appropriate or desirable to comply with foreign law or practice and to further the purposes of this Plan, the Committee may, without amending the Plan, (i) establish rules applicable to Awards granted to Participants who are foreign nationals or are employed outside the United States, or both, including rules that differ from those set forth in this Plan, and (ii) grant Awards to such Participants in accordance with those rules.

21.6 Unfunded Status of the Plan. The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments or deliveries of Shares not yet made to a Participant by the Company, the Participant's rights are no greater than those of a general creditor of the Company. The Committee may authorize the establishment of trusts or other arrangements to meet the obligations created under the Plan, so long as the arrangement does not cause the Plan to lose its legal status as an unfunded plan.

21.7 Governing Law. To the extent not preempted by federal law, the Plan and all agreements hereunder will be construed in accordance with and governed by the laws of the State of Illinois.

21.8 Electronic Delivery and Evidence of Award. The Company may deliver by email or other electronic means (including posting on a web site maintained by the Company or by a third party) all documents relating to the Plan or any Award hereunder (including, without limitation, any Award Agreement and prospectus required by the SEC) and all other documents that the Company is required to deliver to its securities holders (including, without limitation, annual reports and proxy statements). In addition, evidence of an Award may be in electronic form, may be limited to notation on the books and records of the Company and, with the approval of the Board, need not be signed by a representative of the Company or a Participant. Any Shares that become deliverable to the Participant pursuant to the Plan may be issued in certificate form in the name of the Participant or in book entry form in the name of the Participant.

21.9 No Limitation on Rights of the Company. The grant of the Award does not and will not in any way affect the right or power of the Company to make adjustments, reclassifications or changes in its capital or business structure, or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets.

21.10 Participant to Have No Rights as a Stockholder. Before the date as of which he or she is recorded on the books of the Company as the holder of any Shares underlying an Award, a Participant will have no rights as a stockholder with respect to those Shares.
