**Item 4.01. Changes in Registrant's Certifying Accountant.**

On April 24, 2019, Cancer Genetics, Inc. (the "Company") received notification from RSM US LLP ("RSM"), the Company's independent registered public accounting firm, that RSM declined to stand for re-election as the Company's independent registered public accounting firm with respect to the audit of the Company's financial statements as of and for the year ending December 31, 2019. The Company and RSM are finalizing arrangements for RSM to review the Company's interim financial information as of and for the three months ended March 31, 2019. Accordingly, RSM will cease to be the Company's independent registered public accounting firm effective with the filing of the Form 10-Q for the three months ended March 31, 2019.

The Company's Audit Committee will accordingly commence the process of evaluating and selecting a replacement firm to serve as the Company's independent registered public accounting firm.

RSM's reports on the Company's financial statements for the fiscal years ended December 31, 2018 and December 31, 2017 contained a paragraph stating that there was substantial doubt about the Company's ability to continue as a going concern. Except as described in the previous sentence, RSM's reports on the Company's financial statements for the fiscal years ended December 31, 2018 and December 31, 2017 did not contain an adverse opinion or a disclaimer of opinion, and neither such report was qualified or modified as to uncertainty, audit scope, or accounting principle.

During the fiscal years ended December 31, 2018 and December 31, 2017 and the subsequent interim period through April 24, 2019, (i) there were no disagreements with RSM on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of RSM, would have caused RSM to make reference thereto in its reports on the financial statements for such years, and (ii) there were no reportable events as described in paragraph (a)(1)(v) of Item 304 of Regulation S-K, other than the material weakness in the internal control over financial reporting relating to accounting for uncollectible clinical services revenue that was previously reported in each of the Company's Forms 10-K filed with the U.S. Securities and Exchange Commission on April 2, 2018 and April 16, 2019, respectively.

The Company has provided RSM with a copy of the above disclosures. A copy of RSM's letter to the U.S. Securities and Exchange Commission required by Item 304(a) of Regulation S-K is included as Exhibit 16.1 to this Report.
