QUESTIONS AND ANSWERS ABOUT THE 2017 ANNUAL MEETING AND VOTING PROXY STATEMENT

This proxy statement ("Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Liberty Tax, Inc., a Delaware corporation (the "Company") in connection with the Annual Meeting of Stockholders scheduled for September 15, 2017, at 12:00 p.m., Eastern Time at the Company's corporate headquarters located at 1732 Corporate Landing Parkway, Virginia Beach, Virginia 23454 (the "2017 Annual Meeting"). References to the Annual Meeting and this Proxy Statement include any adjournment or postponement of the Annual Meeting. The proxy materials were first mailed to stockholders on or about August 14, 2017.

VOTING INSTRUCTIONS AND INFORMATION

Who may vote at the 2017 Annual Meeting?

Each holder of the 12,682,550 shares of the Company's Class A Common Stock issued and outstanding at the close of business on July 21, 2017 ("Record Date") will be entitled to receive a notice of the 2017 Annual Meeting, and to attend and vote at the 2017 Annual Meeting. These persons are considered "holders of record," and will be entitled to cast one vote per share owned for each proposal to be considered at the 2017 Annual Meeting. Moreover, DataTax Business Services Limited, the sole holder of the 10 shares of the Company's Special Voting Preferred Stock, will be entitled to receive notice of and to attend the 2017 Annual Meeting, and to cast 1,000,000 votes, voting as a single class with the holders of the Class A Common Stock on all matters considered at the 2017 Annual Meeting. In addition, the holder of the 200,000 shares of the Company's Class B Common Stock issued and outstanding at the close of business on the Record Date is entitled to receive a notice of the 2017 Annual Meeting, and to attend and vote at the 2017 Annual Meeting as a single class with the shares of the Class A Common Stock and Special Voting Preferred Stock on all matters other than the election of directors. As of the Record Date, the sole holder of the Class B Common Stock was John T. Hewitt, the Company's Chairman of the Board and Chief Executive Officer. Because the size of the Board has been established at nine and the Company's Amended and Restated Certificate of Incorporation (the "Certificate") provides that the holders of the Class B Common Stock are entitled to elect the minimum number of directors necessary to constitute a majority of the entire Board, Mr. Hewitt is presently entitled to elect five directors. The holders of the Class A Common Stock and Special Voting Preferred Stock are entitled to elect the balance of the Board, as more fully described in this Proxy Statement.

What proposals will be voted on at the 2017 Annual Meeting?

Stockholders will vote on two proposals at the 2017 Annual Meeting:

1. Election of four Directors to serve on our Board of Directors (Proposal 1); and
2. Ratification of the appointment of KPMG LLP ("KPMG") as our independent registered public accounting firm for the fiscal year ending April 30, 2018 (Proposal 2).

We are not aware of any matters to be presented at the meeting other than those described in this Proxy Statement. If any matters not described in the Proxy Statement are properly presented at the meeting, the proxies will use their own judgment to determine how to vote your shares. If the meeting is adjourned or postponed, the proxies may vote your shares at the adjournment or postponement as well.

How does the Board of Directors recommend that I vote on these proposals?

The Board of Directors recommends that you vote your shares:

1. "FOR" each of the Board's nominees for Director (Proposal 1); and
2. "FOR" the ratification of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending April 30, 2018 (Proposal 2).

Who will bear the cost of this proxy solicitation?

The Company will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy card, Annual Report, and any additional solicitation materials sent by the Company to stockholders. The Company may reimburse brokerage firms and other persons representing beneficial owners of Common Stock for their expenses in forwarding the proxy materials to those beneficial owners. In addition, proxies may be solicited by directors, officers and regular employees of the Company, who will not receive any additional compensation for solicitation, by mail, email, facsimile, telephone or personal contact.

What is included in the proxy materials?

The proxy materials include:

- This Proxy Statement for the 2017 Annual Meeting, including a proxy card; and
- Our 2017 Annual Report, which includes our 2017 audited consolidated financial statements.

If I am a stockholder of record, how do I vote?

You are entitled to cast one vote per share of Class A Common Stock owned as of the Record Date for each proposal to be considered at the Annual Meeting. You may vote by mail, by signing, dating and returning the accompanying proxy card that was sent to you with the proxy materials or you may also vote in person by written ballot at the Annual Meeting.

Voting Before the 2017 Annual Meeting

How do I vote by mail?

If you do not expect to attend the 2017 Annual Meeting in person, and choose to vote on the proposals on the agenda by mail, simply complete the proxy card, sign and date it, and return it in the postage-paid envelope provided. If you are a stockholder whose shares are held in "street name" (i.e., in the name of a broker, bank or other similar organization), you may obtain a proxy, executed in your favor, from the record holder. You may sign the proxy card and return it to the Company or to Wells Fargo Shareowner Services at the address indicated on the proxy card, or you may direct the record holder of your shares to vote your proxy in the manner you specify. Further, if your shares are held in street name, you must communicate your instructions respecting the voting of your shares to the record holder, or your broker will be prohibited from voting your shares. Voting by mail will not affect your right to vote in person if you decide to attend the 2017 Annual Meeting; however, if you wish to revoke your proxy, you must first notify the Corporate Secretary of your intent to vote in person, and must actually vote your shares in person at the 2017 Annual Meeting.

What does it mean if I receive more than one set of proxy materials for the 2017 Annual Meeting?

It means your shares are held in more than one account. You should vote all of your shares, using the separate proxy card provided with each set of proxy materials.

What is householding?

As permitted by the SEC, only one set of the proxy materials is being delivered to stockholders residing at the same address, unless the stockholders have notified the Company of their desire to receive multiple copies of proxy materials. This is known as householding.

The Company will promptly deliver, upon request, a separate copy of the proxy statement or annual report to any stockholder residing at an address to which only one copy was mailed. Requests for additional copies for the current year or future years should be directed to the Corporate Secretary in writing at 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary, or by email at kathleen.curry@libtax.com.

How may I view the voting results?

The results of voting at the 2017 Annual Meeting will be filed with the SEC within four business days after the 2017 Annual Meeting and will be available on the SEC's website (www.sec.gov) or on our website (www.libertytax.com). If the final results are not available at that time, we will provide preliminary voting results in a Form 8-K and will provide the final voting results in an amendment to the Form 8-K as soon as they are available.

How may I vote in person at the 2017 Annual Meeting?

If you plan to attend the 2017 Annual Meeting and wish to vote your shares in person, you will be asked to present valid government-issued photo identification, such as a driver's license. If you are a holder of record, you will need to bring with you your proxy card to gain admission to the 2017 Annual Meeting. If you require special assistance due to a disability or other reasons, please notify the Corporate Secretary in writing at 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary or by email at kathleen.curry@libtax.com.

If your shares are held by a broker, bank or other similar organization, bring with you to the 2017 Annual Meeting the proxy card, any voting instruction form that is sent to you, or your most recent brokerage statement or a letter from your broker, bank or other similar organization indicating that you beneficially owned the shares of common stock as of the Record Date. We can use that to verify your beneficial ownership of common stock and admit you to the 2017 Annual Meeting. If you intend to vote at the 2017 Annual Meeting, you also will need to bring to the 2017 Annual Meeting a legal proxy from your broker, bank or other similar organization that authorizes you to vote the shares that the record holder holds for you in its name.

How may I revoke my proxy?

You may change or revoke your proxy at any time before it is voted at the 2017 Annual Meeting. You can send a written notice of revocation of your proxy to the Corporate Secretary so that it is received before the taking of the vote at the 2017 Annual Meeting. You can

also attend the 2017 Annual Meeting and vote in person. Your attendance at the 2017 Annual Meeting will not in and of itself revoke your proxy. In order to revoke your proxy, you must also notify the Corporate Secretary of your intent to vote in person, and then vote your shares at the 2017 Annual Meeting. If you require assistance in changing or revoking your proxy, please contact the Corporate Secretary at 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary or by email at kathleen.curry@libtax.com.

What constitutes a quorum?

Holders of a majority of the voting power represented by the issued and outstanding shares of capital stock of the Company entitled to vote (taking into account the Class B Common Stock and 1,000,000 votes represented by the Special Voting Preferred Stock entitled to be voted as a single class with the Class A Common Stock), who are present in person or represented by proxy, will constitute a quorum at the 2017 Annual Meeting. A quorum is required to transact business at the 2017 Annual Meeting. A representative of Wells Fargo Bank N.A. has been appointed by the Company's Board of Directors to act as the inspector of elections. The inspector of elections will tabulate the votes cast by proxy or in person at the 2017 Annual Meeting, and will determine whether or not a quorum is present. If a quorum is not present, the 2017 Annual Meeting will likely be adjourned or postponed in order to solicit additional proxies.

How are votes counted?

Each holder of Class A Common Stock will be entitled to one vote for each share of Class A Common Stock held by such stockholder, and the holder of the 10 shares of Special Voting Preferred Stock will be entitled to a total of 1,000,000 votes, voting as a single class with the Class A Common Stock. In addition, the holder of the 200,000 shares of Class B Common Stock will be entitled to one vote for each share on all matters other than the election of directors. In all matters, other than the election of directors and except as otherwise required by law, the Certificate of Incorporation, the Bylaws or the rules and regulations of NASDAQ, the affirmative vote of a majority of the voting power of the shares present or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders. A plurality of the voting power of the shares of Class A Common Stock (taking into account the 1,000,000 votes entitled to be voted as a single class with the Class A Common Stock by the holder of the Special Voting Preferred Stock) present in person or represented by proxy at the meeting and entitled to vote with respect to the election of directors shall elect directors.

Election of Directors (Proposal 1)

To be elected as a Director, a nominee must receive the affirmative vote of a plurality of the votes cast by the holders of Class A Common Stock and the Special Voting Preferred Stock, and therefore "withhold votes" will not impact the outcome of the elections.

Ratification of Independent Registered Public Accounting Firm (Proposal 2)

Ratification of the appointment of KPMG as the Company's independent registered public accounting firm for the fiscal year ending April 30, 2018 requires the affirmative vote of a majority of the voting power of the shares present or represented by proxy and entitled to vote at a meeting at which a quorum is present. Under Delaware law, abstentions are counted as shares present and entitled to vote at the meeting. Therefore, abstentions will have the same effect as a vote "against" the ratification of the Company's independent registered public accounting firm.

Shares represented by proxy will be voted as directed on the proxy form and, if no direction is given, will be voted as follows:

1. "FOR" the election of each of the Director nominees;
2. "FOR" the ratification of the appointment of KPMG as the Company's independent registered public accounting firm for fiscal 2018; and
3. In the best judgment of the persons named in the proxies, with respect to any other matters that may properly come before the meeting.

What are broker non-votes and how are they counted?

Brokers, banks or other similar organizations holding shares in street name for customers who are beneficial owners of such shares are prohibited from voting customers' shares on non-routine matters in the absence of specific instructions from those customers. This is commonly referred to as a "broker non-vote." With respect to the proposals in question, broker non-votes will be counted for quorum purposes but will not be counted as "votes cast" either for or against such proposals.

The election of directors is considered a non-routine matter and, therefore, if you hold your shares through a bank, broker or other similar organization, the organization may not vote your shares on this matter absent specific instructions from you. As such, there may be broker non-votes with respect to this matter. Because broker non-votes with respect to the election of directors will not be counted as "votes cast," if your shares are held in street name, it is critical that you vote or provide specific instructions to your broker, bank or similar organization if you want your vote to count. On the other hand, the ratification of the selection of KPMG as the Company's independent registered public accounting firm is considered a routine matter. Therefore, an organization that holds your shares may vote on this matter without instructions from you and no broker non-votes will occur with respect to this matter.

If you received more than one proxy card, you may hold shares in more than one account. To ensure that all of your shares are voted, you must sign and return each proxy card. As a holder of common stock of the Company, you are always invited to attend the 2017 Annual Meeting and vote your shares in person.

Is my vote confidential?

Yes, it is our policy that documents identifying your vote are confidential. The vote of any stockholder will not be disclosed to any third party before the final vote count at the 2017 Annual Meeting except:

- ☐ To meet any legal requirements;
- ☐ To assert claims for or defend claims against the Company;
- ☐ To allow authorized individuals to count and certify the results of the stockholder vote;
- ☐ To facilitate a successful proxy solicitation; or
- ☐ To respond to stockholders who have written comments on proxy cards .

What is the Company's internet address?

The Company's internet address is www.libertytax.com. The Company's filings with the SEC are available free of charge via the "About Liberty" link at this website (click on the "Investor Relations" heading), and may also be found at the SEC's website at www.sec.gov.

PROPOSAL 1—ELECTION OF DIRECTORS

Our Certificate of Incorporation and Amended and Restated Bylaws (the "Bylaws") provide that except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of preferred stock with respect to any directors elected (or to be elected) by the holders of that series, the total number of directors constituting the entire Board of Directors shall consist of not less than five nor more than fifteen members, with the precise number of directors to be determined from time to time by a vote of the Board of Directors.

Except as may be provided in a resolution or resolutions providing for any series of preferred stock with respect to any directors elected (or to be elected) by the holders of that series, any vacancies in the Board of Directors and any newly created directorships resulting by reason of any increase in the number of directors may be filled only by the affirmative vote of the holders of at least a majority of the shares of the applicable class of capital stock entitled to elect such director, voting together as a single class, and any directors so appointed shall hold office until the next election of directors and until their successors are elected and qualified.

By resolution of the Board of Directors, the present size of the Board has been established at nine. The Certificate also provides that the holders of the Class B Common Stock are entitled to elect the minimum number of directors necessary to constitute a majority of the entire Board, and that the holders of the Class A Common Stock and Special Voting Preferred Stock are entitled to elect the balance of the Board. John Hewitt, the Company's Chairman and Chief Executive Officer, currently owns all outstanding shares of the Company's Class B Common Stock. Because the size of the Board has been established at nine, Mr. Hewitt is presently entitled to elect five directors, and the holders of the Class A Common Stock and Special Voting Preferred Stock are entitled to elect the remaining four directors.

Mr. Hewitt has advised the Board of Directors that immediately prior to the 2017 Annual Meeting, he will elect the following five directors, each to serve until the 2018 Annual Meeting and until their successors are elected and qualified:

Gordon D'Angelo
Thomas Herskovits
John T. Hewitt
Robert M. Howard
Ellen M. McDowell

Each of the directors elected by Mr. Hewitt has consented to be named and to serve if elected by him. Under the Certificate, Mr. Hewitt has the right to name different directors if any of his intended designees becomes unavailable for election for any reason, or for any other reason.

The Bylaws include an advance notice procedure for stockholder approvals to be brought before an annual meeting of stockholders, including proposed nominations of persons for election to the Board of Directors. No nominations were received for the 2017 Annual Meeting, and the four nominees for the Board of Directors being recommended for election at the 2017 Annual Meeting are being recommended by the Board of Directors, acting upon the recommendation of the Board's Nominating and Corporate Governance Committee. Each of the four nominees, if elected, will hold office until the next annual meeting of stockholders and until his successor is elected and

qualified. The Board has nominated John R. Garel, Steven Ibbotson, Ross N. Longfield and George T. Robson for election as directors of the Company. Each nominee has consented to be named and to serve if elected. If any of the nominees becomes unavailable for election for any reason, the proxies will be voted for any substitute nominees.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Garel, Herskovits and Ibbotson served as members of our Compensation Committee during the last completed fiscal year. No member of our Compensation Committee was an officer or employee of the Company during fiscal 2017. None of our executive officers served during fiscal 2017, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

Mr. Garel was an indirect beneficial owner of the related party transaction as described under the below section titled "Certain Relationships and Related Transactions" to this Proxy Statement.

NON-EMPLOYEE DIRECTOR COMPENSATION

In fiscal 2017, directors other than Mr. Hewitt received the option of an annual retainer of \$45,000 or an equal amount of compensation in the form of restricted stock. In addition, for those directors who served on the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee, members received annual retainers of \$10,000, \$7,500, and \$5,000, and the chairpersons received annual retainers of \$20,000, \$10,000 and \$7,500, respectively. Our committee members are also entitled to receive this cash compensation in the form of restricted stock, if they so elect. For fiscal 2017, we also granted each of our directors other than Mr. Hewitt stock-based compensation in the form of stock options and restricted stock units in a total combined approximate annual value of \$65,000.

The table below sets forth all compensation paid to our non-employee directors and for Mr. D'Angelo for fiscal 2017. Information regarding Mr. Hewitt's compensation is included under "Executive Compensation." For the purposes of this proxy statement, because

Mr. D'Angelo does not participate in the executive bonus plan of the Company, he continues to be treated for board compensation purposes as a non-employee member of the Board of Directors.

Amounts in this column reflect the grant date fair value of the restricted stock and restricted stock units (RSUs) granted to each non-employee director under the Company's 2011 Equity and Cash Incentive Plan, calculated in accordance with FASB Accounting Standards Codification Topic 718 ("ASC Topic 718"), based on the fair market value, as determined by the Board of Directors, of the Company's stock on the effective date of grant. Assumptions used in the calculation of these amounts for fiscal 2017 are included in Note 10 to the Company's audited financial statements for the year ended April 30, 2017.

The value reported in the "Stock Awards" column represents RSUs granted to directors other than Mr. Hewitt, which generally vest and become subject to settlement 12 months after the date of grant. Each RSU represents the right to receive upon settlement of one share of the Company's Class A Common Stock. The aggregate amount of RSUs outstanding as of April 30, 2017 for each Messrs. D'Angelo, Garel, Herskovits, Howard, Ibbotson, Longfield, Robson and Ms. McDowell, was 1,694 RSUs. In addition, during fiscal 2017, Mr. Garel elected to receive restricted stock in lieu of his cash compensation for his Board and committee service, and these shares vested immediately upon receipt at the beginning of each fiscal quarter. For each of the awards, the grant date fair value of these awards is calculated using the closing price of the Company's common stock on the date prior to grant.

Amounts in this column reflect the grant date fair value of the options granted to each director, other than Mr. Hewitt, under the Company's 2011 Equity and Cash Incentive Plan calculated in accordance with ASC Topic 718, based on the fair market value, as determined by the Board of Directors of the Company's stock on the date of grant. Assumptions used in the calculation of these amounts for fiscal 2017 are included in Note 10 to the Company's audited financial statements for the year ended April 30, 2017.

The aggregate number of option awards outstanding as of April 30, 2017 for each director was as follows: Mr. D'Angelo, 12,716 options; Mr. Garel, 23,241 options; Envest II, LLC, 1,500 options; Envest III, LLC, 8,500 options (Mr. Garel is the manager of both Envest II, LLC and Envest III, LLC); Mr. Herskovits, 9,027 options; Mr. Howard, 8,489 options; Mr. Ibbotson, 33,241 options; Mr. Longfield, 33,241 options; Ms. McDowell, 14,614 options; and Mr. Robson, 33,241 options.

(6) Fees earned for Mr. D'Angelo includes a \$45,000 annual board retainer fee.

Mr. Garel was entitled to a \$45,000 annual board retainer fee, \$10,000 Audit Committee member retainer fee, \$7,500 Compensation Committee member retainer fee, and a \$7,500 Nominating and Corporate Governance Committee chairman retainer fee but he elected to receive restricted stock in lieu of his cash compensation for his Board and committee service.

(13) Fees earned for Mr. Robson includes a \$45,000 annual board retainer fee, \$20,000 Audit Committee chairman retainer fee, and \$5,000 Nominating and Corporate Governance Committee member retainer fee.

DIRECTOR INDEPENDENCE AND BOARD STRUCTURE

Our Board of Directors has undertaken a review of its composition, the composition of its committees and the independence of each director. Based on the review of each director's background, employment and affiliations, including family relationships, the Board of Directors has determined that six of our nine directors are "independent" under the applicable rules and regulations of the SEC and NASDAQ. In making this determination, our Board of Directors considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock. Mr. Hewitt was not deemed independent as a result of his service as our Chief Executive Officer, Ms. McDowell was not deemed independent as a result of her familial relationship with Mr. Hewitt, and Mr. D'Angelo was not deemed independent as a result of his employment status with the Company.

Mr. Hewitt serves as both the Chairman of the Board of Directors and as our Chief Executive Officer. The Board of Directors has not designated a "lead independent director." The Board of Directors believes that this leadership structure is in the best interests of the Company's stockholders at this time because it makes the best use of Mr. Hewitt's extensive knowledge of the Company and its industry and also facilitates communication between management and the Board of Directors.

The Risk Committee was established to have oversight responsibility of the Company's risk governance structure, risk management and to monitor the Company's operational risks. However, the Board of Directors expects the Company's management to take primary responsibility for identifying material risks the Company faces and communicating them to the Risk Committee and to the Board, developing and implementing appropriate risk management strategies responsive to those risks with oversight from the Risk Committee, and integrating risk management into the Company's decision-making processes. The Board of Directors regularly reviews information regarding the Company's credit, liquidity and operational risks as well as strategies for addressing and managing these risks. Certain other committees of the Board, such as the Audit and Compensation Committees, manage risks within their area of responsibility. In particular, the Audit Committee monitors financial, credit and liquidity risk issues, and the Compensation Committee monitors the Company's compensation programs so that those programs do not encourage excessive risk-taking by Company employees.

The Board of Directors unanimously recommends that you vote "FOR" the election to the Board of Directors each of the four nominees identified above as "Director Nominees."

COMPENSATION DISCUSSION AND ANALYSIS

The compensation provided to our "named executive officers" for the fiscal year ended April 30, 2017 is set forth in detail in the Summary Compensation Table for fiscal 2017 and other tables and the accompanying footnotes that follow this section. This section explains our executive compensation philosophy, objectives and design, our compensation-setting process, our executive compensation program components and the decisions made in fiscal 2017 for our named executive officers.

Our named executive officers during fiscal 2017 consisted of the following individuals:

Name	Position(s)
John T. Hewitt	Chairman, Chief Executive Officer and President
Kathleen E. Donovan	Vice President, Chief Financial Officer
Vanessa M. Szajnoga	Vice President, General Counsel
Michael Piper	Vice President, Financial Products
Richard G. Artese	Vice President, Chief Information Officer
James J. Wheaton (1)	Former General Counsel, Chief Compliance Officer and Vice President, Legal and Governmental Affairs

(1) Mr. Wheaton left the Company in June 2016.

Compensation overview and objectives

We strive to establish compensation practices that attract, retain and reward our senior management, and strengthen the mutuality of interests between our senior management and our stockholders. We believe that the most effective executive compensation program is one that is conservative, but competitive, and that aligns the compensation of our senior management with the creation of stockholder value. Under the oversight of the Compensation Committee, we have developed and implemented a pay-for-performance executive compensation program that rewards senior management for the achievement of certain financial performance objectives. We achieve the philosophies of pay-for-performance and alignment of senior management compensation with stockholder value creation primarily by providing a substantial portion of each executive's total annual compensation through annual performance bonuses and grants of long-term equity compensation. For fiscal 2017, the Compensation Committee tied the level of potential bonus payments for each of the named executive officers solely to company-wide financial performance objectives.

Determination of compensation

Our Compensation Committee is responsible for determining our compensation and benefit plans generally, and has established and reviewed all compensatory plans and arrangements with respect to our named executive officers. The Compensation Committee meets not less than four times annually to specifically review and determine adjustments, if any, to all elements of compensation, including base salary, annual bonus compensation and long-term equity awards. The Compensation Committee annually evaluates the achievement of performance goals for the prior fiscal year and sets new performance goals for the current fiscal year. The Compensation Committee also meets additionally as needed to discuss compensation-related matters as they arise during the year.

In addition, with respect to the compensation of our named executive officers, other than our Chief Executive Officer, the Compensation Committee seeks the input and recommendation of our Chief Executive Officer. Our Chief Executive Officer reviews each other named executive officer's overall performance and contribution to the Company

at the end of each fiscal year and makes recommendations regarding their compensation to the Compensation Committee. Our Chief Executive Officer's compensation is determined solely by the Compensation Committee. Our Chief Executive Officer does not participate in any formal discussion with the Compensation Committee regarding his compensation.

The Compensation Committee does not generally rely on formulaic guidelines for determining the mix or levels of cash and equity-based compensation, but rather maintains a flexible compensation program that allows it to adapt components and levels of compensation to motivate and reward individual executives within the context of our desire to attain certain strategic and financial goals. Subjective factors considered in compensation determinations include an executive's skills and capabilities, contributions as a member of the executive management team, contributions to our overall performance and the sufficiency of total compensation potential and structure to ensure the retention of an executive when considering the compensation potential that may be available elsewhere.

The Compensation Committee does not undertake, on an annual basis, any formal benchmarking or surveys of compensation for our competitors, but has instead relied primarily on our members' general knowledge of the competitive market. However, the Compensation Committee has engaged a compensation consultant from time to time and did so in 2017.

During fiscal 2017, the Compensation Committee engaged Pearl Meyer to assist the Committee in assessing the compensation levels and compensation mix and features. As part of its engagement, Pearl Meyer assisted the Compensation Committee in reviewing the compensation paid by a peer group of companies to assess the competitiveness of the compensation of our executives. The peer group selected by the Compensation Committee, in consultation with Pearl Meyer, for purposes of evaluating compensation of the executives consisted of sixteen publicly-traded companies chosen because of their comparable revenues and/or market capitalization, status and size as franchisors, and/or their participation in our industry or similar industries. The peer group consisted of the following companies:

•K12, Inc.

•CBIZ, Inc.

•1-800-FLOWERS.COM, Inc.

•Resources Connection, Inc.

•Blucora, Inc.

•Strayer Education Inc.

•American Public Education, Inc.

•GP Strategies Corporation

•Capella Education Company

•Nutrisystem, Inc.

•Rosetta Stone Inc.

•Carriage Services, Inc.

•Franklin Covey Co.

•RE/MAX Holdings, Inc.

•PRGX Global, Inc.

•Cambium Learning Group, Inc.

Based on the results of the 2017 compensation study by Pearl Meyer, the Compensation Committee approved in December 2016 the following changes to our compensation mix, beginning in fiscal 2017:

- Mr. Hewitt received stock options which will vest over a period of four years and he received restricted stock units with one-half vesting after the second year following the grant and the other one-half vesting the fourth year following the grant date.
-

Restricted stock unit awards to named executive officers will vest over a period of five years with 25% vesting on the third and fourth year anniversaries of the grant date and the remaining 50% will vest on the fifth anniversary of the grant date.

Stock options and restricted stock unit awards to employees will vest over three years.

Future grants of stock options to the named executive officers and other employees may take the form of annual grants rather than multi-year grants, in order to make stock compensation a more integrated component of the annual compensation package and to link it more closely to performance.

Components of compensation for fiscal 2017

For fiscal 2017, the compensation provided to our named executive officers consisted of base salary, annual bonus, long-term equity-based compensation, retirement benefits and other benefits, each of which is described in more detail below. We believe that the mix of cash- and equity-based compensation, as well as the relationship of fixed to performance-based compensation, is properly balanced and provides us with an effective means to attract, motivate and retain our named executive officers, as well as reward them for creation of stockholder value.

Base Salary

The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. Base salary amounts are established at the time of each named executive officer's initial employment with the Company, but are subject to upward adjustment by the Compensation Committee after its consideration of, among other factors, the scope of the executive's responsibilities, individual performance for the prior year, the mix of fixed compensation to overall compensation and consistency with what the Compensation Committee considers to be the market standard for compensation paid to similarly-situated executives at other companies.

In fiscal 2017, employees received an average salary increase of approximately 3-5% of their fiscal 2016 salary, with the actual amount of any employee's increase determined based on fiscal 2016 performance.

Mr. Hewitt's base salary was raised to \$534,000 as of May 1, 2016.

Ms. Donovan's annual base salary was raised to \$345,050 as of January 2017.

Mr. Piper's annual base salary was raised to \$244,400 as of January 2017.

Ms. Szajnoga's annual base salary was raised to \$262,500 as of January 2017.

Mr. Wheaton, who left the company on June 13, 2016, had an annual base salary of \$358,010.

Mr. Artese's annual base salary was raised to \$226,600 as of January 2017.

Annual Bonuses

We have an annual performance bonus plan (a short-term cash incentive bonus plan with annual financial, and in some cases, individual performance goals), through which we provide for cash bonus awards to certain of our senior employees, including all of our named executive officers. Annual bonuses, which are generally paid during June for the prior fiscal year's performance, are intended to compensate executives for achieving annual company-wide financial goals and, in some instances, individual performance goals. Under our bonus plan, our Compensation Committee establishes a target bonus amount (expressed as a percentage of base salary) for each of our executives that would become payable upon the achievement of our corporate performance metrics, subject to the Compensation Committee discretion. Target bonus amounts for fiscal 2017 were 100% of his base salary for Mr. Hewitt, 50% of base salary for Ms. Donovan and Mr. Wheaton, 40% of base salary for Mr. Piper and Mr. Artese, and 30% of base salary for Ms. Szajnoga. Actual bonuses were to be based upon the achievement of the applicable performance objectives. No bonuses were to be earned under the bonus plan unless income before income taxes exceeded the prior year's income before income taxes. Our Compensation Committee also had the discretion to award an additional bonus to the extent that the Company exceeded the target performance metrics.

The target bonus amounts for Ms. Donovan, Ms. Szajnoga and Messrs. Hewitt, Wheaton, Artese and Piper were determined by our Compensation Committee based on consideration of our overall compensation program and market standards for compensation paid to similarly-situated executives at other companies based on their general knowledge of the competitive market. For fiscal 2017, eligibility for annual bonuses to each of the executives named above was based entirely upon achievement of company-wide performance goals relating to our U.S. systemwide revenue, total revenue and income before income taxes. The Compensation Committee added systemwide revenue as a bonus

component in fiscal 2014 based on its determination that this non-GAAP measure, which reflects the total revenue base of the Company's franchise system, is an appropriate tool for evaluating the size of the overall enterprise that the Company's executive team is responsible for managing. The Compensation Committee added income before income taxes as a bonus component in fiscal 2017, as a replacement for EBITDA, based on its determination following the completion of the Pearl Meyer study that income before income taxes is a more relevant measure of the Company's performance. The performance goals for each of our named executive officers used in 2017 in determining the target bonus as a percentage of the officer's base salary are set forth below:

Name	Systemwide Revenue	Revenue	Income Before Income Taxes	Total target Bonus as Percentage of Base Salary
John T. Hewitt	25%	25%	50%	100%
Kathleen E. Donovan	25%	25%	50%	50%
Vanessa M. Szajnoga	25%	25%	50%	30%
Michael S. Piper	25%	25%	50%	40%
James J. Wheaton	25%	25%	50%	50%
Richard G. Artese	25%	25%	50%	40%

In addition to the goals described above; the committee approved a threshold metric such that, if income before income taxes does not exceed prior year income before income taxes, no bonuses would be paid.

For fiscal 2017, our target goals, established in December 2016, were approximately \$403.1 million of U.S. systemwide revenue, \$178.6 million of total revenue or \$36.1 million of income before income taxes. The Compensation Committee believed that these goals were ambitious but achievable. Accordingly, no bonuses were to be earned under the bonus plan for 2017 unless our income before income taxes was at least \$31.1 million, the remaining minimum metrics were: (i) our U.S. systemwide revenue was at least \$342.7 million, or (ii) our revenue was at least \$151.8 million. Under the bonus plan, once the threshold amounts were achieved, payments were to be made in an amount equal to 25% of the potential bonus associated with each target for each additional 5% of the target achieved up to 100% of the target as illustrated in the table below:

Percentage of Target Achieved	Payout
85%	25%
90%	50%
95%	75%
100%	100% (1)

(1) The Compensation Committee had the discretion to award an additional bonus to the extent the target performance metrics were exceeded.

For example, if we achieved 85% of the revenue target, an officer with a 25% revenue component would receive 6.25% of the revenue bonus component (25% of 25%).

The targets for each of U.S. systemwide revenue, total revenue and income before income taxes were established by the Compensation Committee in December 2016 based on the Company's fiscal 2017 budget adopted by the Board of Directors in September 2016.

In June 2017, as had been its practice in prior years, the Compensation Committee evaluated the extent to which the named executive officers would be eligible for bonuses with respect to the Company's fiscal 2017 performance, based on the Company's unaudited financial statements available to the Compensation Committee at that time. That analysis indicated that the Company had failed to achieve performance on income before income taxes which was the threshold to which any bonus amounts were to be paid. Although certain of these performance metrics were achieved, with the failure to achieve the income before income taxes threshold, which is required before any bonuses were to be paid, the Compensation Committee, in its discretion, determined that none of the named executive officers would receive a bonus payment for fiscal 2017.

1998 Stock Option Plan

Originally effective as of May 1, 1998, and as subsequently extended effective May 1, 2008, our 1998 Stock Option Plan, or the 1998 Plan, was designed to assist in attracting, retaining and motivating employees, non-employee directors and other independent contractors of outstanding ability and to promote the identification of their interests with those of the stockholders of the Company.

Our Board of Directors administers the 1998 Plan and is authorized to, among other things, designate participants, grant options, determine the terms and conditions relating to options, including vesting, prescribe option agreements, interpret the stock option plan and to make any other determinations that it deems necessary or advisable for the administration of the 1998 Plan.

The Board of Directors has the ability to amend or terminate the 1998 Plan at any time, provided that no amendment or termination will be made without stockholder approval to increase the aggregate number of shares that may be issued under the plan (except in the case of certain corporate transactions as described above), to modify eligibility under the plan or to increase materially the benefits accruing to participants under the plan. The Board of Directors may also suspend or terminate the 1998 Plan at any time, provided such termination does not adversely affect the rights of any option holders. Unless sooner terminated, the 1998 Plan will terminate on April 30, 2018.

With the adoption in August 2011 of the 2011 Equity and Cash Incentive Plan described below, no further options are expected to be granted under the 1998 Plan.

Our 1998 Plan provides that the Board of Directors may determine the vesting schedule of options granted. As of April 30, 2017, all options granted under the 1998 Plan to our named executive officers had become fully vested.

2011 Equity and Cash Incentive Plan

On August 26, 2011, in consideration of the benefits of long-term equity incentive awards and upon the recommendation of our Compensation Committee, our Board of Directors adopted the JTH Holding, Inc. 2011 Equity and Cash Incentive Plan (referred to as the "2011 Equity and Cash Incentive Plan" or the "2011 Plan"). The 2011 Plan was subsequently approved by our stockholders on August 30, 2011. The Plan provides us with the ability to utilize different types of equity incentive awards (compared to only the stock options available under the 1998 Plan) as a part of our overall compensation structure.

Key features of the 2011 Plan include:

• All stock options, stock appreciation rights and other purchase rights must have an exercise price that is not less than the fair market value of the underlying stock on the grant date.

• The maximum number of shares of our Class A Common Stock available under the 2011 Plan is 940,595 (as of July 21, 2017, including shares that had been previously available under the 1998 Plan). The maximum number of shares of our Class A Common Stock that may be issued under the 2011 Plan may be issued under any type of award, including incentive stock options.

• The 2011 Plan does not include any reload or "evergreen" share replenishment features.

• Without stockholder approval, we may not reprice awards or repurchase awards that are subject to forfeiture or have not yet vested.

• Any material amendments to the 2011 Plan require stockholder approval.

• The 2011 Plan is administered by our Compensation Committee.

No dividends or dividend equivalents may be granted in connection with options, Stock Appreciation Rights ("SARs") or other stock-based awards in the nature of purchase rights (as defined below). No dividends or dividend equivalents may be paid in connection with a performance-based award unless and until the underlying performance conditions are achieved, and any such dividends or dividend equivalents will accumulate (without interest) and become payable only at the time and to the extent the applicable award becomes payable or nonforfeitable.

In determining the actual number of options awarded to our named executive officers, the Board of Directors considered our past grant practices and determined awards that were consistent with our overall compensation objectives. Those objectives include providing a substantial portion of named executive officer compensation in the form of long-term equity-based compensation and aligning our named executive officers' interests with those of our stockholders. Historically, the Board of Directors determined the actual number of options to be awarded to our named executive officers during a given fiscal year by assessing targeted long-term ownership levels and the relative percentage of total equity outstanding that each option grant represents.

The following table sets forth information about our outstanding stock grants and remaining shares available as of April 30, 2017 under the 2011 Plan:

Retirement Benefits

In fiscal 2017, each of our named executive officers had the opportunity to participate in our 401(k) plan on the same basis as our other employees. We believe that the 401(k) plan provides an enhanced opportunity for our named executive officers to plan for and meet their retirement savings needs. This plan is a tax-qualified retirement plan designed to meet the requirements of Sections 401(a) and 401(k) of the Internal Revenue Code of 1986, as amended (the "Code"). Under the 401(k) plan, participants may elect to make pre-tax savings deferrals of up to 86% of their compensation each calendar year, subject to annual limits on such deferrals (e.g., \$18,000 in both the 2015 and 2016 calendar years) imposed by the Code. Participants who attain age 50 also may elect to make certain catch-up contributions, subject to a separate annual limit on such contributions (\$6,000 in both the 2015 and 2016 calendar years) imposed by the Code.

We may, in our discretion on an annual basis, make a matching contribution with respect to a participant's elective deferrals and/or may make additional Company contributions. Historically, we have matched 50% of the amount contributed by a participant, up to 3% of the participant's bi-weekly compensation subject to applicable limits pursuant to Section 401(a)(17) of the Code. Each of our named executive officers participated in our 401(k) plan during fiscal 2017 and received matching contributions.

Perquisites and Other Benefits

In fiscal 2017, our named executive officers were eligible to receive the same benefits, including life and health benefits, which were available to all employees.

Section 162(m) and the Material Terms of the Performance Goals

The Compensation Committee may consider Section 162(m) of the Code when setting performance goals for our named executive officers. Section 162(m) of the Code generally sets a limit of \$1 million on the amount of compensation that we may deduct for federal income tax purposes in any given year with respect to the compensation of each of our named executive officers. However, certain "performance-based" compensation that complies with the requirements of Section 162(m) is not included in the calculation of the \$1 million cap. The Compensation Committee may consider Section 162(m)'s conditions for deductibility when structuring compensation arrangements for our executive officers, including our named executive officers. However, we believe that the Compensation Committee needs flexibility to pursue its incentive and retention objectives, even if this means that we may not be able to deduct a portion of executive compensation.

Compensation Risk Assessment

As part of its oversight of our executive compensation program, the Compensation Committee considers the impact of our executive compensation program, and the incentives created by the compensation awards that it administers, on our risk profile. In addition, the Compensation Committee reviews all of our compensation policies and procedures, including the incentives that they create and factors that may increase the likelihood of excessive risk taking, to determine whether they present a material risk to us. The Compensation Committee believes that our compensation programs are designed with the appropriate balance of risk and reward in relation to our overall business strategy and that the various components of our overall compensation program, taken as a whole, do not encourage undesired or unintentional risk taking of a material nature. This conclusion is based on, among other factors, the level of base salaries paid by us, the balance of short-term and long-term incentive compensation, and the establishment of goals and thresholds in compensation plans and awards that are believed to be aggressive, but achievable. The Compensation Committee believes that the risks arising from our employee compensation policies and practices are not reasonably likely to have a material adverse effect on us.

COMPENSATION COMMITTEE REPORT

Management of the Company has prepared the Compensation Discussion and Analysis (the "CD&A"), and the Compensation Committee has reviewed and discussed the CD&A with management. Based on this review and discussion, the Compensation Committee recommended to the Board that the CD&A be included in this proxy statement.

The named executive officers are entitled to employee benefits generally available to all employees.

No bonuses were to be earned under the 2017 annual bonus plan unless our income before income taxes was at least \$31.1 million, the remaining minimum metrics were (i) our U.S. systemwide revenue was at least (1) \$342.7 million, or (ii) our revenue was at least \$151.8 million. Although certain of these metrics were achieved, since the income before income taxes metric was not achieved, the Compensation Committee, in its discretion, determined that none of the named executive officers would receive a bonus payment for fiscal 2017.

(2) The Compensation Committee has the discretion to award an additional incentive bonus to the extent we exceed the target performance metrics.

NON-QUALIFIED DEFERRED COMPENSATION FOR FISCAL YEAR 2017

In 2012, we adopted our Non-Qualified Deferred Compensation Plan ("NQDCP"), which became effective December 1, 2012. The NQDCP provides that executives who meet minimum compensation requirements are eligible to defer up to 100% of their salaries and up to 100% of their bonuses. We have agreed to credit the participants' contributions with earnings that reflect the performance of certain independent investment funds. The benefits under this plan are unsecured and are general assets of the Company. Participants are generally eligible to receive payment of their vested benefit at the end of their elected deferral period or after termination of their employment with the Company for any reason or at a later date to comply with the restrictions of Section 409A of the Code. Participants may elect to receive their payments in a lump sum or installments. The Company does not make matching or other discretionary contributions to participant accounts.

The following table shows the non-qualified deferred compensation activity for each of the named executive officers who participated in our NQDCP during fiscal 2017.

POTENTIAL PAYMENTS ON CHANGE OF CONTROL

None of our named executive officers have a change in control agreement. However, the employment agreements we have entered into with each of the named executive officers entitle them to certain payments under their respective employment agreements upon certain qualifying terminations.

Ms. Donovan and Messrs. Hewitt, Wheaton and Artese. Under the employment agreements with Ms. Donovan and Messrs. Hewitt, Wheaton and Artese, the named executive officer is entitled to certain payments if his or her employment is terminated by him or her for Good Reason (as defined under the employment agreement), by us without Cause (as defined under the employment agreement) or as a result of the named executive officer's Employment-Related Death or Disability (as defined under the employment agreement).

If the named executive officer's employment is terminated by him or her for Good Reason, by us without Cause or as a result of his or her Employment-Related Death or Disability, he or she is entitled to the following: (i) the payment of his or her base salary through the date of termination; (ii) the payment of an amount equal to his or her monthly base salary multiplied by 12 if employed less than 5 years or 18 if employed more than 5 years, except for Mr. Hewitt, whose agreement provides for the payment of an amount equal to his monthly base salary multiplied by 18; (iii) the payment of an amount equal to the pro-rated bonus to which he or she would have been entitled; (iv) the accelerated vesting of any incentive stock awards, including options, that were not vested as of the date of his or her termination; (v) continued coverage at our expense under any medical, dental, life insurance and disability policies for a period of 12 months or 18 months depending on the length of employment, except for Mr. Hewitt, whose agreement provides for 18 months continued coverage, unless the named executive officer becomes reemployed with another employer and is eligible to receive such welfare benefits from that employer; and (vi) any other amounts or benefits required to be paid to the named executive officer or that he or she is eligible to receive under any plan, program, policy or practice or contract or agreement with us.

Ms. Szajnoga and Mr. Piper. Under the employment agreements with Ms. Szajnoga and Mr. Piper, the named executive officer is entitled to certain payments if his or her employment is terminated by him or her for Good Reason (as defined under the employment agreement), by us without Cause (as defined under the employment agreement) or as a result of his or her Employment-Related Death or Disability (as defined under the employment agreement).

If the named executive officer's employment is terminated by him or her for Good Reason, by us without Cause or as a result of his or her Employment-Related Death or Disability, he or she is entitled to the following: (i) the payment of his or her base salary through the date of termination; (ii) the payment of an amount equal to his or her monthly base salary multiplied by 12; (iii) the payment of an amount equal to the pro-rated bonus to which he or she would have been entitled, subject to his or her date of termination having been after February 15 of the fiscal year in which the termination occurs; (iv) the accelerated vesting of any incentive stock awards, including options, that were not vested as of the date of his or her termination; (v) continued coverage at our expense under any medical, dental, life insurance and disability policies for a period of twelve months, unless he or she becomes reemployed with another employer and is eligible to receive such welfare benefits from that employer; (vi) any other amounts or benefits required to be paid to the named executive officer or that he or she is eligible to receive under any plan, program, policy or practice or contract or agreement with us.

All Named Executive Officers. If the named executive officer's employment is terminated by him or her without Good Reason, by us for Cause or due to his or her Disability (as defined under the employment agreement), other than as a consequence of Employment-Related Death or Disability, the named executive officer is only entitled to the payment of his or her salary through the date of termination.

If the named executive officer's employment is terminated as a result of his or her death or Disability (other than as a consequence of Employment-Related Death or Disability), he or she is entitled to his or her base salary through

the date of his or her termination, as well as the pro-rata bonus to which he or she would have been entitled.

The following table shows the potential payments upon each named executive officer's termination. The amounts calculated in the table assume the termination occurred on April 30, 2017 and that the executive officer was paid in a lump sum payment. The Employment Agreement of Mr. Hewitt provides for a lump-sum payment of the base salary component; the Employment Agreements of Ms. Donovan, Mr. Piper, Mr. Wheaton, Mr. Artese and Ms. Szajnoga provide for multiple payments.

In addition, the Audit Committee oversaw effective compliance with the SEC's mandatory rotation requirements for certain members of the engagement team of the Company's independent registered public accounting firm during the fiscal year ended April 30, 2017, and, as discussed further below, pre-approved all audit and non-audit services and fees paid to such firm.

The Audit Committee has reviewed and discussed with management and KPMG, the Company's independent registered public accounting firm, the Company's audited financial statements for the fiscal year ended April 30, 2017. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of July 21, 2017, information regarding beneficial ownership of our capital stock by:

• each person, or group of affiliated persons, known by us to beneficially own more than 5% of our Class A common stock or Class B common stock;

each of our directors;
each of our named executive officers; and
all of our directors and executive officers as a group.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power of that security, including options that are currently exercisable or exercisable within 60 days of July 21, 2017. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of capital stock shown that they beneficially own.

Our calculation of the percentage of beneficial ownership is based on 13,882,550 shares of our Class A common stock and equivalents (including Class A shares issuable as a result of the conversion of exchangeable shares of Special Preferred Voting Stock and 200,000 shares of our Class B common stock) outstanding as of July 21, 2017.

Shares of Class A common stock subject to stock options currently exercisable, or exercisable within 60 days of July 21, 2017, and restricted stock units for which shares are issuable within 60 days of July 21, 2017, are deemed to be outstanding for computing the percentage ownership of the person holding those securities and the percentage ownership of any group of which the holder is a member, but are not deemed outstanding for computing the percentage of any other person.

Unless otherwise noted below, the address for each of the stockholders in the table below is c/o Liberty Tax, Inc., 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table presents fees for professional services rendered by KPMG for the audit of our annual financial statements for the fiscal years ended April 30, 2017 and 2016, and fees billed for other services rendered by KPMG for those years. Fees disclosed below include fees actually billed and expected to be billed for services relating to the applicable fiscal year.

Fiscal Year	2017	2016
Audit fees	\$761,486	\$482,678
Tax fees	144,917	106,800
All other fees	1,650	1,650
Total fees	\$908,053	\$591,128

Audit fees consist of fees for professional services rendered for the audit of the Company's financial statements and review of financial statements included in our quarterly reports and services typically provided by the independent auditor in connection with statutory and regulatory filings or engagements.

Tax fees consist of fees for services related to tax compliance, tax planning, tax consultation and tax advice. The amounts included in the table above consist of fees incurred relating to tax compliance, tax credit studies and other tax advisory services.

The Audit Committee has adopted policies and procedures for pre-approving audit and non-audit services performed by the independent auditor so that the provision of such services does not impair the auditor's independence. Under the Audit Committee's pre-approval policy, the terms and fees of all engagements require specific Audit Committee approval.

In determining whether to pre-approve audit or non-audit services, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee also considers whether the independent auditor is best positioned to provide the most effective and efficient service and whether the service might enhance our ability to manage or control risk or improve audit quality. These factors are considered as a whole and no one factor is necessarily determinative. The Audit Committee considers the relationship between fees for audit and non-audit services in deciding whether to pre-approve any such services. The Audit Committee may determine for each fiscal year the appropriate ratio between fees for audit services and fees for audit-related services, tax services and all other services.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated are required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee has concluded that the provision of non-audit services provided to the Company by its independent accountant during the 2017 fiscal year was compatible with maintaining the independent accountant's independence.

PROPOSAL 2

RATIFICATION OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board's Audit Committee has appointed KPMG to serve as our independent registered public accounting firm for the fiscal year ending April 30, 2018. KPMG has served in this capacity since April 30, 2002. Although ratification is not required under our Bylaws or otherwise, as a matter of good corporate governance, the Audit Committee submits its selection of KPMG to our stockholders for ratification, and will consider the vote of our stockholders when appointing our independent registered accounting firm in the future. Even if this selection is ratified, the Audit Committee in its discretion may, subject to the approval of the Board of Directors, select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

No director or executive officer of the Company has any substantial interest in the appointment of KPMG as the Company's independent registered public accounting firm.

A representative of KPMG is expected to attend the 2017 Annual Meeting to respond to questions. The KPMG representative will have an opportunity to make a statement during the 2017 Annual Meeting if they so desire to do so.

The Board unanimously recommends a vote "FOR" the ratification of KPMG to serve as our independent registered public accounting firm.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than compensation arrangements, we describe below transactions and series of similar transactions, since the beginning of our last completed fiscal year, of which the Company is or was a participant and:

the amounts involved exceeds \$120,000; and
• any of our directors, executive officers or beneficial owners of more than 5% of our common stock, or any member of the immediate family of the foregoing persons, has a direct or indirect material interest.

Compensation arrangements for our directors and named executive officers are described in other sections of this Proxy Statement.

Stock repurchases

During fiscal 2017, we repurchased an aggregate of 30,035 shares of our Class A common stock from Envest II, LLC and Envest III, LLC in January 2017 at \$12.58 per share, in a privately negotiated transaction.

Gordon D'Angelo consulting and subsequent employment

Effective April 10, 2015, Mr. D'Angelo became an employee of the Company, and because of his employment status, ceased to be an independent director. Mr. D'Angelo's current base salary is \$309,000 per annum. Mr. D'Angelo does not participate in the Company's non-equity incentive plan. For this reason he is treated, for Board of Director compensation purposes, as a non-employee member. His duties as an employee of the Company include assisting with both franchise development and marketing. Mr. D'Angelo also led our Compliance Task Force. Mr. D'Angelo's employment was approved by the Audit Committee as a related party transaction, as described below.

Policy for review of related party transactions

We have adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock and any members of the immediate family of any of the foregoing persons are not permitted to enter into a related person transaction with us without the prior consent of our Audit Committee. Any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, beneficial owner of more than 5% of any class of our common stock or any member of the immediate family of any of the foregoing persons, in which the amount involved exceeds \$120,000 and such person would have a direct or indirect interest must first be presented to our Audit Committee for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction. All of the transactions described above were entered into after presentation, consideration and approval by our Board of Directors.

SUBMISSION OF STOCKHOLDER PROPOSALS

A stockholder proposal may be considered for inclusion in the Company's proxy materials for the 2018 Annual Meeting pursuant to Rule 14a-8 of the Exchange Act. As the rules of the SEC make clear, simply submitting a proposal does not guarantee its inclusion. Stockholders who wish to present a proposal for inclusion in the Company's proxy statement pursuant to SEC Rule 14a-8 must submit their proposals so that they are received at Liberty Tax, Inc.'s principal executive offices at 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary, no later than the close of business on April 16, 2018. Applicable SEC rules and regulations govern the submission of stockholder proposals and our consideration of them for inclusion in next year's proxy statement and form of proxy.

Pursuant to the Company's Bylaws, for any business not included in the proxy statement for the 2018 annual meeting to be brought before the meeting by a stockholder, the stockholder must give timely written notice of that business to the Corporate Secretary. To be timely, the notice must be received no later than the ninetieth day, nor earlier than the close of business on the one hundred twentieth day, prior to the first anniversary of the preceding year's annual meeting. For the 2018 Annual Meeting, these dates will be June 17, 2018 and May 18, 2018, respectively. The notice must contain the information required by the Company's Bylaws. Similarly, a stockholder wishing to submit a director nomination directly at an annual meeting of stockholders must deliver written notice of the nomination within the same time period described in this paragraph and comply with the information requirements in our Bylaws relating to stockholder nominations.

A proxy may confer discretionary authority to vote on any matter at a meeting if we do not receive notice of the matter within the time frames described above. A copy of the Company's Bylaws is available on our website at www.libertytax.com under the "Investor Relations" link, by clicking on the "About Liberty" tab, or upon request to Liberty Tax, Inc., 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary. The Chair of the meeting may exclude matters that are not properly presented in accordance with the foregoing requirements.

The Board of Directors knows of no other matters that will be presented at the meeting, but if other matters do properly come before the meeting, it is intended that the persons named in the proxy will vote according to their best judgment.

By Order of the Board of Directors,

Vanessa M. Szajnoga
