Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (§230.405 of this chapter) or Rule 12b-2 of the Securities Exchange Act of 1934 (§240.12b-2 of this chapter).

Edgar Filing: Shell Midstream Partners, L.P. - Form 8-K

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On May 10, 2017, Shell Midstream Partners, L.P. (the “Partnership”) and its subsidiaries Shell Midstream Operating LLC (“Operating Company”), Pecten Midstream LLC (“Pecten”) and Sand Dollar Pipeline LLC (“Sand Dollar” and collectively with the Partnership, Operating Company and Pecten, the “Purchasers”) completed the previously announced acquisition of a 100% interest in the following assets: (1) a network of approximately 100-miles of gas pipeline, connecting multiple refineries and plants operated along the Gulf Coast to Shell Chemical LP (“Shell Chemical”) sites; (2) approximately 128-miles of pipeline aggregating volumes from five offshore pipelines and delivering volumes to key onshore markets, which we refer to as the Delta Pipeline; and (3) a pipeline system of approximately 75-miles located in the Eastern Gulf of Mexico serving as a host to eight different subsea fields and connecting to the Delta Pipeline at Main Pass 69, which we refer to as the Na Kika Pipeline (collectively, the “May 2017 Acquisition”) for \$630.0 million cash consideration. The May 2017 Acquisition closed pursuant to a Purchase and Sale Agreement dated as of May 4, 2017, by and among the Purchasers and Shell Chemical, Shell GOM Pipeline Company LP (“Shell GOM”) and Shell Pipeline Company LP (“SPLC”). Shell Chemical, Shell GOM and SPLC are each wholly owned subsidiaries of Royal Dutch Shell plc (“Shell”). The Partnership funded the May 2017 Acquisition with \$50.0 million of cash on hand, \$73.1 million in borrowings under the Partnership’s five year revolving credit facility and \$506.9 million in borrowings under the Partnership’s five year fixed credit facility. Shell Treasury Centre (West) Inc., an affiliate of Shell, is the lender under each of the five year revolving credit facility and the five year fixed credit facility.

Upon the closing of the May 2017 Acquisition on May 10, 2017, the Partnership had 177,317,444 common units outstanding, of which 88,367,308 were publicly owned. SPLC, through its ownership of common units and the general partner units, owned 51.2% of the Partnership. As of May 10, 2017, SPLC’s wholly owned subsidiary, Shell Midstream LP Holdings LLC, owned 88,950,136 common units in the Partnership. SPLC also owned a 100% interest in Shell Midstream Partners GP LLC, the general partner (the “General Partner”) of the Partnership, which in turn owned 3,618,723 general partner units, representing a 2% general partner interest, and all of the incentive distribution rights in the Partnership. The terms of the May 2017 Acquisition were approved by the board of directors of the General Partner (the “Board”) and by the conflicts committee of the Board, which consists entirely of independent directors. The conflicts committee engaged an independent financial advisor and legal counsel.

SIGNATURE
