NOTICE OF SPECIAL MEETING OF STOCKHOLDERS OF
BARINGTON/HILCO ACQUISITION CORP.

To Be Held on July 31, 2017

To the Stockholders of Barington/Hilco Acquisition Corp.:

NOTICE IS HEREBY GIVEN that a special meeting (the “special meeting”) of Barington/Hilco Acquisition Corp., a Delaware corporation (“we,” “us,” “our,” “BHAC” or the “Company”), will be held on July 31, 2017, at 10:00 a.m. Eastern time at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, New York 10036. You are cordially invited to attend the special meeting for the purpose of voting on (i) a proposal to amend (the “Charter Amendment”) the Company’s amended and restated certificate of incorporation (the “charter”) to extend the date by which the Company has to consummate a business combination (the “Extension”) for an additional twenty (20) weeks, from August 11, 2017 to December 31, 2017 (the “Extended Termination Date”) and (ii) a proposal to adjourn the special meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the special meeting, there are not sufficient votes to approve any of the foregoing proposals (the “Adjournment Proposal”).

Each of the Charter Amendment and the Adjournment Proposal are more fully described in the accompanying proxy statement.

The purpose of the Charter Amendment is to extend the date by which the Company has to consummate a business combination. On May 12, 2017, the Company entered into a merger agreement (the “Merger Agreement”) with Oomba, Inc., a specialized social media and software development company. Notwithstanding our efforts to finalize the transactions contemplated by the Merger Agreement, we may not be able to complete said transactions by August 11, 2017. We are holding the special meeting in order to provide the Company sufficient time to close the transactions contemplated by the Merger Agreement.

The Company has agreed, if the Charter Amendment is approved and the Extension is implemented by BHAC, to deposit in the trust account established in connection with the Company's public offering \$0.025 for each public share that is not converted in connection with the stockholder vote to approve the Extension, for each 30-day period, or portion thereof, that is needed by BHAC to complete its initial business combination from August 11, 2017 (the date by which BHAC is currently required to complete its initial business combination) until the Extended Termination Date (each such deposit, a "Contribution"). Accordingly, if BHAC takes until October 11, 2017 to complete its initial business combination, which would represent two 30-day periods, the Company would make aggregate Contributions of approximately \$169,093 (assuming no public shares were converted). Each Contribution will be deposited in the trust account established in connection with BHAC's initial public offering at the beginning of such 30-day period (or portion thereof). Accordingly, if the Charter Amendment is approved and the Extension is implemented and BHAC takes the full time through the Extended Termination Date to complete the initial business combination, the conversion amount per share at the meeting for such business combination or BHAC's subsequent liquidation will be approximately \$10.48 per share, in comparison to the current conversion amount of \$10.36 per share (assuming no redemptions). The Company will not make any Contribution unless the Charter Amendment is approved and the Extension is implemented by BHAC. The Contribution(s) will be paid from funds loaned to the Company by a third party. The Contribution(s) will not bear any interest and will be repayable by BHAC to the third party lender upon consummation of our initial business combination. The loans will be forgiven if BHAC's initial business combination is not completed.

This proxy statement is dated July 14, 2017 and is first being mailed to stockholders on or about that date. Only holders of record of our common stock at the close of business on June 30, 2017 are entitled to notice of the special meeting and to vote at the special meeting and any adjournments or postponements of the special meeting. A complete list of our stockholders of record entitled to vote at the special meeting will be available for ten days before the special meeting at our principal executive offices for inspection by stockholders during ordinary business hours for any purpose germane to the special meeting.

Approval of the Charter Amendment requires the affirmative vote of holders of a majority of our outstanding shares of common stock. The board of directors of BHAC has already approved the Charter Amendment. Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by stockholders present in person or represented by proxy at the special meeting. The Adjournment Proposal will only be put forth for a vote if the Charter Amendment is not approved at the special meeting.

If the Charter Amendment proposal is not approved at the special meeting or any adjournment or postponement thereof and we do not consummate a business combination by August 11, 2017, as contemplated by our IPO prospectus and in accordance with our charter, we will cease all operations except for the purpose of winding up and as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the public shares with the aggregate amount then on deposit in the trust account.

The Company's public stockholders may elect to redeem their shares for their pro rata portion of the funds available in the trust account in connection with the Charter Amendment (the "Election") regardless of how such public stockholders vote in regard to the amendments. The Company believes that such redemption right enables the Company's public stockholders to determine not to sustain their investments for an additional period if the Company does not complete an initial business combination in the timeframe initially contemplated by its charter. If the Charter Amendment is approved by the requisite vote of stockholders, the remaining holders of public shares will retain their right to redeem their public shares for their pro rata portion of the funds available in the trust account when a business combination is submitted to stockholders.

To exercise your redemption rights, you must tender your shares to the Company's transfer agent at least two business days prior to the special meeting. You may tender your shares by either delivering your share certificate to the transfer agent or by delivering your shares electronically using the Depository Trust Company's DWAC (Deposit/Withdrawal At Custodian) system. If you hold your shares in street name, you will need to instruct your bank, broker or other nominee to withdraw the shares from your account in order to exercise your redemption rights.

BHAC estimates that the per-share pro rata portion of the trust account will be approximately \$10.36 at the time of the special meeting. The closing price of the Company's common stock on July 12, 2017 was \$10.20. Accordingly, if the market price were to remain the same until the date of the special meeting, exercising redemption rights would result in a public stockholder receiving \$0.16 more for each share than if such stockholder sold the shares in the open market. The Company cannot assure stockholders that they will be able to sell their shares of common stock in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when such stockholders wish to sell their shares.

The Company reserves the right at any time to cancel the special meeting and not to submit to stockholders or implement any of the two proposals.

Your attention is directed to the proxy statement accompanying this notice (including the annexes thereto) for a more complete description of the proposals. We encourage you to read this proxy statement carefully. If you have any questions or need assistance voting your shares, please call our proxy solicitor, Advantage Proxy, at (877) 870-8565.

By Order of the Board of Directors,

July 14, 2017 Sincerely,

/s/ Cory Lipoff

SPECIAL MEETING OF STOCKHOLDERS

TO BE HELD JULY 31, 2017

PROXY STATEMENT

The special meeting (the “special meeting”) of stockholders of Barington/Hilco Acquisition Corp., a Delaware corporation (“we,” “us,” “our,” “BHAC” or the “Company”), will be held on July 31, 2017, at 10:00 a.m. Eastern time, at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, New York 10036, to consider and vote upon the following proposals:

a proposal to amend (the “Charter Amendment”) the Company’s amended and restated certificate of incorporation (the “charter”) to extend the date by which the Company has to consummate a business combination (the “Extension”) for an additional twenty (20) weeks, from August 11, 2017 (the “Current Termination Date”) to December 31, 2017 (the “Extended Termination Date”); and

a proposal to adjourn the special meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the special meeting, there are not sufficient votes to approve the other proposal (the “Adjournment Proposal”).

The Company has agreed, if the Charter Amendment is approved and the Extension is implemented by BHAC, to deposit in the trust account established in connection with the Company’s public offering \$0.025 for each public share that is not converted in connection with the stockholder vote to approve the Extension, for each 30-day period, or portion thereof, that is needed by BHAC to complete its initial business combination from August 11, 2017 (the date by which BHAC is currently required to complete its initial business combination) until the Extended Termination Date (each such deposit, a “Contribution”). Accordingly, if BHAC takes until October 11, 2017 to complete its initial business combination, which would represent two 30-day periods, the Company would make aggregate Contributions of approximately \$169,093 (assuming no public shares were converted). Each Contribution will be deposited in the trust account established in connection with BHAC’s initial public offering at the beginning of such 30-day period (or portion thereof). Accordingly, if the Charter Amendment is approved and the Extension is implemented and BHAC

takes the full time through the Extended Termination Date to complete the initial business combination, the conversion amount per share at the meeting for such business combination or BHAC's subsequent liquidation will be approximately \$10.48 per share, in comparison to the current conversion amount of \$10.36 per share (assuming no redemptions). The Company will not make any Contribution unless the Charter Amendment is approved and the Extension is implemented by BHAC. The Contribution(s) will be paid from funds loaned to the Company by a third party. The Contribution(s) will not bear any interest and will be repayable by BHAC to the third party lender upon consummation of our initial business combination. The loans will be forgiven if BHAC's initial business combination is not completed.

The Charter Amendment proposal is essential to the overall implementation of the board of directors' plan to extend the date by which BHAC has to complete a business combination. The purpose of the Charter Amendment is to extend the date by which the Company has to consummate a business combination. On May 12, 2017, the Company entered into a merger agreement (the "Merger Agreement") with Oomba, Inc., a specialized social media and software development company. Notwithstanding our efforts to finalize the transactions contemplated by the Merger Agreement, we may not be able to complete said transactions by August 11, 2017. We are holding the special meeting in order to provide the Company sufficient time to close the transactions contemplated by the Merger Agreement.

The affirmative vote of a majority of the outstanding shares of BHAC's common stock is required to approve the Charter Amendment. Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by stockholders present in person or represented by proxy at the special meeting.

Holders (“public stockholders”) of the Company’s common stock (“public shares”) may elect to redeem their shares for their pro rata portion of the funds available in the trust account in connection with the Charter Amendment (the “Election”) regardless of how such public stockholders vote in regard to the amendments. However, the Company will not proceed with the Charter Amendment if the redemption of public shares in connection therewith would cause the Company to have net tangible assets of less than \$5,000,001. If the Charter Amendment is approved by the requisite vote of stockholders, the remaining public stockholders will retain their right to redeem their public shares for their pro rata portion of the funds available in the trust account when a business combination is submitted to the stockholders.

The withdrawal of funds from the trust account in connection with the Election will reduce the amount held in the trust account following the redemption, and the amount remaining in the trust account may be significantly reduced from the approximately \$35 million that was in the trust account as of March 31, 2017. In such event, the Company may need to obtain additional funds to complete a business combination and there can be no assurance that such funds will be available on terms acceptable to the parties or at all.

If the Charter Amendment proposal is not approved and we do not consummate a business combination by August 11, 2017, as contemplated by our IPO prospectus and in accordance with our charter, we will (a) cease all operations except for the purpose of winding up, (b) as promptly as reasonably possible but not more than ten business days thereafter, subject to lawfully available funds therefor, redeem 100% of the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including interest income (net of taxes payable and any amounts released to us to fund our working capital requirements), divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders’ rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (c) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

Prior to the IPO, the Company’s initial stockholders waived their rights to participate in any liquidation distribution with respect to their shares of common stock, par value \$0.0001 per share, which were acquired by them prior to the IPO (the “insider shares”). As a consequence of such waivers, a liquidating distribution will be made only with respect to the public shares. There will be no distribution from the trust account with respect to the Company’s rights and warrants, which will expire worthless in the event we wind up. We will pay the costs of any liquidation from our remaining assets outside of the trust account and from the interest income on the balance of the trust account (net income and other tax obligations) that may be released to us to fund our working capital requirements. If such funds are insufficient, affiliates of Barington Capital Group, L.P. and Hilco Global have agreed to pay the funds necessary to complete such liquidation (in an amount not to exceed \$15,000) and have agreed not to seek repayment of such expenses.

Under the Delaware General Corporation Law (the “DGCL”), stockholders may be held liable for claims by third parties against a corporation to the extent of distributions received by them in a dissolution. If the corporation complies with certain procedures set forth in Section 280 of the DGCL intended to ensure that it makes reasonable provision for all claims against it, including a 60-day notice period during which any third-party claims can be brought against the corporation, a 90-day period during which the corporation may reject any claims brought, and an additional 150-day waiting period before any liquidating distributions can be made to stockholders, any liability stockholders may have with respect to a liquidating distribution is limited to the lesser of such stockholder’s pro rata share of the claim or the amount distributed to the stockholder, and any liability of the stockholder would be barred after the third anniversary of the dissolution.

However, because the Company will not be complying with Section 280 of the DGCL, Section 281(b) of the DGCL requires us to adopt a plan, based on facts known to us at the time of the adoption of the plan that will provide for our payment of all existing and pending claims or claims that may be potentially brought against us within the ten years following our dissolution. Since we are a blank check company, rather than an operating company, and our operations are limited to searching for prospective target businesses to acquire, the only likely claims to arise are from our vendors (such as lawyers, investment bankers, etc.) or prospective target businesses.

Approval of the Charter Amendment proposal will constitute consent for BHAC to instruct the trustee to (i) remove from the trust account an amount (the “Withdrawal Amount”) equal to the pro rata portion of funds available in the trust account relating to the redeemed public shares and (ii) deliver to the holders of such redeemed public shares their pro rata portion of the Withdrawal Amount. The remainder of such funds shall remain in the trust account and be available for use by BHAC to complete a business combination on or before the Extended Termination Date. Holders of public shares who do not redeem their public shares now, will retain their redemption rights and their ability to vote on a business combination through the Extended Termination Date if the Charter Amendment is approved.

Once the Charter Amendment becomes effective, the Company will amend the Trust Agreement to permit the withdrawal of the Withdrawal Amount from the trust account.

The record date for the special meeting is June 30, 2017. Record holders of BHAC common stock at the close of business on the record date are entitled to vote or have their votes cast at the special meeting. On the record date, there were 4,750,136 outstanding shares of Company common stock including 3,381,869 outstanding public shares. The Company’s rights and warrants do not have voting rights.

This proxy statement contains important information about the special meeting and the proposals. Please read it carefully and vote your shares.

This proxy statement is dated July 14, 2017 and is first being mailed to stockholders on or about that date.

QUESTIONS AND ANSWERS ABOUT THE PROPOSALS FOR STOCKHOLDERS

The following questions and answers briefly address some commonly asked questions about the proposals to be presented at the special meeting, including with respect to the Charter Amendment. The following questions and answers do not include all the information that is important to our stockholders. We urge stockholders to read carefully this entire proxy statement, including the annexes and the other documents referred to herein.

Q: Why am I receiving this proxy statement?

A: BHAC is a blank check company incorporated in July 2014 for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or other similar business combination with one or more businesses. In February 2015, the Company consummated its IPO from which it derived gross proceeds of \$40,000,000. Like most blank check companies, our charter provides for the return of the IPO proceeds held in trust to the holders of shares of common stock sold in the IPO if no qualifying business combinations are consummated on or before a certain date (in our case, August 11, 2017). On May 12, 2017, the Company entered into a merger agreement (the “Merger Agreement”) with Oomba, Inc., a specialized social media and software development company. There may not be sufficient time to close the transactions contemplated by the Merger Agreement by August 11, 2017. The board of directors believes that it is in the best interests of the stockholders to continue the Company’s existence until the Extended Termination Date in order to allow the Company more time to close the transactions contemplated by the Merger Agreement or complete another initial business combination, and is submitting this proposal to the stockholders to vote upon.

You are also being asked to direct the chairman of the special meeting to adjourn the special meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the special meeting, there are not sufficient votes to approve the Charter Amendment.

Q: What is being voted on?

A: You are being asked to vote on:

a proposal to amend (the “Charter Amendment”) the Company’s amended and restated certificate of incorporation (the “charter”) to extend the date by which the Company has to consummate a business combination (the “Extension”) for an additional twenty (20) weeks, from August 11, 2017 (the “Current Termination Date”) to December 31, 2017 (the “Extended Termination Date”); and

a proposal to adjourn the special meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the special meeting, there are not sufficient votes to approve the Charter Amendment (the “Adjournment Proposal”).

If the Extension is implemented, the stockholders’ approval of the Charter Amendment proposal will also constitute consent for BHAC to remove the Withdrawal Amount from the trust account, deliver to the holders of redeemed public shares their pro rata portion of the Withdrawal Amount and retain the remainder of the funds in the trust account for the Company’s use in connection with consummating a business combination on or before the Extended Termination Date.

We will not proceed if we do not have at least \$5,000,001 of net tangible assets following approval of the Charter Amendment proposal, after taking into account the Election.

If the Charter Amendment proposal is approved and the Extension is implemented by BHAC, the removal of the Withdrawal Amount from the trust account in connection with the Election will reduce the amount held in the trust account following the Election. The Company cannot predict the amount that will remain in the trust account if the Charter Amendment proposal is approved and the amount remaining in the trust account may be significantly reduced from the approximately \$35 million that was in the trust account as of March 31, 2017. In such event, BHAC may need to obtain additional funds to complete a business combination and there can be no assurance that such funds will be available on terms acceptable to the parties or at all.

If the Charter Amendment proposal is not approved and we have not consummated a business combination by August 11, 2017, or if the Charter Amendment proposal is approved and we have not completed a business combination by the Extended Termination Date, we will (a) cease all operations except for the purpose of winding up, (b) as promptly as reasonably possible but not more than ten business days thereafter, subject to lawfully available funds therefor, redeem 100% of the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including interest income (net of taxes payable and any amounts released to us to fund our working capital requirements), divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (c) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

BHAC's initial stockholders have waived their rights to participate in any liquidation distribution with respect to their insider shares. There will be no distribution from the trust account with respect to our rights and warrants, which will expire worthless in the event we wind up. We will pay the costs of any liquidation from our remaining assets outside of the trust account and from the interest income on the balance of the trust account (net income and other tax obligations) that may be released to us to fund our working capital requirements. If such funds are insufficient, affiliates of Barington Capital Group, L.P. and Hilco Global have agreed to pay the funds necessary to complete such liquidation (in an amount not to exceed \$15,000) and have agreed not to seek repayment of such expenses.

You are also being asked to direct the chairman of the special meeting to adjourn the special meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the special meeting, there are not sufficient votes to approve the Charter Amendment.

Q: How many votes do I have at the special meeting?

Our stockholders are entitled to one vote at the special meeting for each share of Company common stock held of record as of June 30, 2017, the record date for the special meeting. As of the close of business on the record date, there were 4,750,136 outstanding shares of our common stock.

Q: What constitutes a quorum at the special meeting?

Holdings of a majority in voting power of the Company's common stock issued and outstanding and entitled to vote at the special meeting, present in person or represented by proxy, constitute a quorum. In the absence of a quorum, a majority of our stockholders, present in person or represented by proxy, will have the power to adjourn the special meeting. As of the record date for the special meeting, 2,375,069 shares of our common stock would be required to achieve a quorum.

Q: Why is the Company proposing the Charter Amendment proposal?

A: BHAC's charter provides for the return of the IPO proceeds held in trust to the holders of shares of common stock sold in the IPO if no qualifying business combinations are consummated on or before August 11, 2017. While we have entered into a Merger Agreement, dated May 12, 2017, with Oomba, Inc., the Company may not be able to complete the business combination by that date.

You are not being asked to vote on a business combination, including the transactions contemplated by the Merger Agreement, at this time. If the Extension is implemented and you do not elect to redeem your public shares, you will retain the right to vote on any proposed business combination when it is submitted to stockholders and the right to redeem your public shares for a pro rata portion of the trust account in the event such business combination is approved and completed by the Extended Date.

Q: Why should I vote for the Charter Amendment proposal?

A: BHAC's board of directors believes stockholders should have an opportunity to evaluate the potential business combination contemplated by the Merger Agreement. Accordingly, the Company's board is proposing the Charter Amendment to extend the date by which it has to complete a business combination until the Extended Termination Date and to allow for the Election. The Extension would give the Company the opportunity to hold a stockholder vote for the approval of the transactions contemplated by the Merger Agreement or another potential business combination.

Q: How do the Company's insiders intend to vote their shares?

A: All of the Company's directors, executive officers and their respective affiliates are expected to vote any common stock over which they have voting control (including any public shares owned by them) in favor of the Charter Amendment, and, if necessary, the Adjournment Proposal.

BHAC's directors, executive officers and their respective affiliates are not entitled to redeem their insider shares. With respect to shares purchased on the open market by the Company's directors, executive officers and their respective affiliates, such public shares may be redeemed. On the record date, the Company's directors, executive officers and their affiliates beneficially owned and were entitled to vote 1,073,267 insider shares, representing approximately 23% of BHAC's issued and outstanding common stock. The Company's directors, executive officers and their affiliates did not beneficially own any public shares as of such date.

Q: How are the Company's insiders' interests in the Charter Amendment and the Adjournment Proposal different from those of the public stockholders?

A: Our directors and officers will lose their entire investment in the Company if an initial business combination is not completed by the termination date set forth in the charter. If the Charter Amendment is approved, the Company will have more time to attain stockholder approval for a business combination and the insiders are less likely to lose their investment in the Company.

Q: What vote is required to adopt the Charter Amendment?

A: Approval of the Charter Amendment will require the affirmative vote of holders of a majority of the issued and outstanding shares of the Company's common stock entitled to vote thereon as of the record date.

Q: What vote is required to adopt the Adjournment Proposal?

A: Approval of the Adjournment Proposal will require the affirmative vote of holders of a majority of the issued and outstanding shares of the Company's common stock entitled to vote thereon as of the record date present in person or represented at the special meeting by proxy.

Q: What if I don't want to vote for the Charter Amendment or the Adjournment Proposal?

If you do not want the Charter Amendment or the Adjournment Proposal to be approved, you must abstain, not vote, or vote against the proposals. If the Charter Amendment is approved, and the Extension is implemented, the
A: Withdrawal Amount will be withdrawn from the trust account and paid to the redeeming public stockholders. If the Charter Amendment is approved, the Adjournment Proposal will not be presented for a vote.

Broker non-votes, abstentions or the failure to vote on the Charter Amendment will have the same effect as votes "AGAINST" the Charter Amendment. Broker "non-votes" and abstentions will have no effect with respect to the approval of the Adjournment Proposal.

Q: What happens if the Charter Amendment is not approved?

A: If the Charter Amendment is not approved at the special meeting, the Company will put the Adjournment Proposal to a vote in order to seek additional time to obtain sufficient votes in support of the Extension.

If the Charter Amendment is not approved at the special meeting or at any adjournment or postponement thereof and we have not consummated a business combination by August 11, 2017, we will (a) cease all operations except for the purpose of winding up, (b) as promptly as reasonably possible but not more than ten business days thereafter, subject to lawfully available funds therefor, redeem 100% of the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including interest income (net of taxes payable and any amounts released to us to fund our working capital requirements), divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (c) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

BHAC's initial stockholders waived their rights to participate in any liquidation distribution with respect to their insider shares. There will be no distribution from the trust account with respect to our rights and warrants which will expire worthless in the event we wind up. We will pay the costs of any liquidation from our remaining assets outside of the trust account and from the interest income on the balance of the trust account (net income and other tax obligations) that may be released to us to fund our working capital requirements. If such funds are insufficient, affiliates of Barington Capital Group, L.P. and Hilco Global have agreed to pay the funds necessary to complete such liquidation (in an amount not to exceed \$15,000) and have agreed not to seek repayment of such expenses.

Q: If the Charter Amendment is approved, what happens next?

If the Charter Amendment is approved at the special meeting or any adjournment or postponement thereof, the Company will file an amendment to the charter with the Secretary of State of the State of Delaware in the form of Annex A hereto and continue its efforts to obtain approval for the Merger Agreement or another initial business combination at a special meeting of its stockholders prior to the Extended Termination Date.

If the Charter Amendment is approved, the removal of the Withdrawal Amount from the trust account in respect of any redeemed public shares will reduce the amount remaining in the trust account and increase the percentage interest of BHAC's common stock held by the Company's initial stockholders through the insider shares.

If the Charter Amendment is approved but the Company does not complete a business combination by the Extended Termination Date, we will (a) cease all operations except for the purpose of winding up, (b) as promptly as reasonably possible but not more than ten business days thereafter, subject to lawfully available funds therefor, redeem 100% of the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the trust account, including interest income (net of taxes payable and any amounts released to us to fund our working capital requirements), divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (c) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our board of directors, dissolve and liquidate, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

BHAC's initial stockholders waived their rights to participate in any liquidation distribution with respect to their insider shares. There will be no distribution from the trust account with respect to our rights and warrants which will expire worthless in the event we wind up.

BHAC shall have no obligation to implement the Extension, even if the Charter Proposal is approved.

Q: As long as I vote, would I still be able to exercise my redemption rights if I vote against either of the proposals?

You may exercise your redemption rights whether you vote your shares of BHAC common stock for or against the Charter Amendment or the Adjournment Proposal. As a result, the proposals can be approved by stockholders who will redeem their shares and no longer remain stockholders, leaving stockholders who choose not to redeem their shares holding shares in a company with a less liquid trading market, fewer stockholders, less cash and the potential inability to meet the listing standards of NASDAQ.

Unless you elect to redeem all of your shares in connection with the special meeting, you will be able to vote on an initial business combination if and when one is submitted to stockholders. If you vote against an initial business combination, you will retain your right to redeem your public shares upon consummation of a business combination in connection with the stockholder vote to approve the business combination, subject to any limitations set forth in the Company's charter.

Q: How do I exercise my redemption rights?

A: In order to exercise your redemption rights, you must (i) check the box on the proxy card to elect redemption, (ii) affirmatively vote either for or against the Charter Amendment and (iii) prior to 5:00 p.m., Eastern time on July 27, 2017 (two business days before the special meeting), (x) submit a written request to our transfer agent that we redeem your public shares for cash, and (y) deliver your stock to our transfer agent physically or electronically through Depository Trust Company, or DTC. The address of Continental Stock Transfer & Trust Company, our

transfer agent, is listed under the question “Who can help answer my questions?” below.

Any demand for redemption, once made, may be withdrawn at any time until the deadline for exercising redemption requests and thereafter, with our consent, until the vote is taken with respect to the Charter Amendment. If you delivered your shares for redemption to our transfer agent and decide within the required timeframe not to exercise your redemption rights, you may request that our transfer agent return the shares (physically or electronically). You may make such request by contacting our transfer agent at the phone number or address listed under the question “Who can help answer my questions?” below.

Q: What are the federal income tax consequences of exercising my redemption rights?

A: BHAC stockholders who exercise their redemption rights to receive cash from the trust account in exchange for their shares of BHAC common stock generally will be required to treat the transaction as a sale of such shares and recognize gain or loss upon the redemption in an amount equal to the difference, if any, between the amount of cash received and the tax basis of the shares of BHAC common stock redeemed. Such gain or loss should be treated as capital gain or loss if such shares were held as a capital asset on the date of the redemption. The redemption, however, may be treated as a distribution if it does not effect a meaningful reduction in the redeeming stockholder’s percentage ownership in BHAC, taking into account certain attribution rules. Any such distribution will be treated as dividend income to the extent of our current or accumulated earnings and profits. Any distribution in excess of our earnings and profits will reduce the redeeming stockholders’ basis in the BHAC common stock, and any remaining excess will be treated as gain realized on the sale or other disposition of the BHAC common stock.

The above is not intended to constitute tax advice and stockholders are encouraged to consult with their own tax advisors.

Q: If I am a BHAC warrant holder or rightholder, can I exercise redemption rights with respect to my warrants or rights?

A: No. The holders of our warrants or rights have no redemption rights with respect to our warrants or rights.

Q: If I am a BHAC unit holder, can I exercise redemption rights with respect to my units?

A: No. Holders of outstanding units must separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares.

If you hold units registered in your own name, you must deliver the certificate for such units to Continental Stock Transfer & Trust Company, our transfer agent, with written instructions to separate such units into public shares, public rights and public warrants. This must be completed far enough in advance to permit the mailing of the public share certificates back to you so that you may then exercise your redemption rights with respect to the public shares upon the separation of the public shares from the units. See “How do I exercise my redemption rights?” above. The address of Continental Stock Transfer & Trust Company is listed under the question “Who can help answer my questions?” below.

If a broker, dealer, commercial bank, trust company or other nominee holds your units, you must instruct such nominee to separate your units. Your nominee must send written instructions by facsimile to Continental Stock Transfer & Trust Company, our transfer agent. Such written instructions must include the number of units to be split and the nominee holding such units. Your nominee must also initiate electronically, using DTC’s deposit withdrawal at custodian (DWAC) system, a withdrawal of the relevant units and a deposit of an equal number of public shares, public rights and public warrants. This must be completed far enough in advance to permit your nominee to exercise your redemption rights with respect to the public shares upon the separation of the public shares from the units. While this is typically done electronically the same business day, you should allow at least one full business day to accomplish the separation. If you fail to cause your public shares to be separated in a timely manner, you will likely not be able to exercise your redemption rights.

Q: What if I do not exercise my redemption rights?

A: The Company has agreed, if the Charter Amendment is approved and the Extension is implemented by BHAC, to deposit in the trust account established in connection with the Company’s public offering \$0.025 for each public share that is not converted in connection with the stockholder vote to approve the Extension, for each 30-day

period, or portion thereof, that is needed by BHAC to complete its initial business combination from August 11, 2017 (the date by which BHAC is currently required to complete its initial business combination) until the Extended Termination Date (each such deposit, a "Contribution"). Accordingly, if BHAC takes until October 11, 2017 to complete its initial business combination, which would represent two 30-day periods, the Company would make aggregate Contributions of approximately \$169,093 (assuming no public shares were converted). Each Contribution will be deposited in the trust account established in connection with BHAC's initial public offering at the beginning of such 30-day period (or portion thereof). Accordingly, if the Charter Amendment is approved and the Extension is implemented and BHAC takes the full time through the Extended Termination Date to complete the initial business combination, the conversion amount per share at the meeting for such business combination or BHAC's subsequent liquidation will be approximately \$10.48 per share, in comparison to the current conversion amount of \$10.36 per share. The Company will not make any Contribution unless the Charter Amendment is approved and the Extension is implemented by BHAC. The Contribution(s) will be paid from funds loaned to the Company by a third party. The Contribution(s) will not bear any interest and will be repayable by BHAC to the third party lender upon consummation of our initial business combination. The loans will be forgiven if BHAC's initial business combination is not completed.

Q: What do I need to do now?

You are urged to read carefully and consider the information contained in this proxy statement, including the annexes, and to consider how the Charter Amendment and the Adjournment Proposal will affect you as a stockholder. You should then vote as soon as possible in accordance with the instructions provided in this proxy statement and on the enclosed proxy card or, if you hold your shares through a brokerage firm, bank or other nominee, on the voting instruction form provided by the broker, bank or nominee.

Q: How do I vote?

If you were a holder of record of our common stock on June 30, 2017, the record date for the special meeting, you may vote with respect to the proposals in person at the special meeting, or by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided. If you hold your shares in “street name,” which means your shares are held of record by a broker, bank or other nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the record holder of your shares with instructions on how to vote your shares or, if you wish to attend the special meeting and vote in person, obtain a proxy from your broker, bank or nominee.

Q: What will happen if I abstain from voting or fail to vote at the special meeting?

A: At the special meeting, we will count a properly executed proxy marked “ABSTAIN” with respect to a particular proposal as present for purposes of determining whether a quorum is present. A failure to vote or an abstention will have the same effect as a vote “AGAINST” the Charter Amendment, but will have no effect on the Adjournment Proposal. Additionally, if you abstain from voting or fail to vote at the special meeting, you will not be able to exercise your redemption rights (as described above).

Q: What will happen if I sign and return my proxy card without indicating how I wish to vote?

A: Signed and dated proxies received by us without an indication of how the stockholder intends to vote on a proposal will be voted “FOR” each proposal described herein.

Q: If I am not going to attend the special meeting in person, should I return my proxy card instead?

Yes. Whether you plan to attend the special meeting or not, please read the enclosed proxy statement carefully, and vote your shares by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided.

Q: If my shares are held in “street name,” will my broker, bank or other nominee automatically vote my shares for me?

No. Under the rules of various national and regional securities exchanges, your broker, bank or other nominee cannot vote your shares with respect to non-discretionary matters unless you provide instructions on how to vote in accordance with the information and procedures provided to you by your broker, bank or nominee. We believe the proposals presented to the stockholders at the special meeting will be considered non-discretionary and therefore your broker, bank or other nominee cannot vote your shares without your instruction. If you do not provide instructions with your proxy, your broker, bank or other nominee may deliver a proxy card expressly indicating that it is NOT voting your shares this indication that a broker, bank or nominee is not voting your shares is referred to as a “broker non-vote.” Broker non-votes will not be counted for the purpose of determining the existence of a quorum or for purposes of determining the number of votes cast at the special meeting. Your broker, bank or other nominee can vote your shares only if you provide instructions on how to vote. You should instruct your nominee to vote your shares in accordance with directions you provide.

Q: May I change my vote after I have mailed my signed proxy card?

A: Yes. You may change your vote by sending a later-dated, signed proxy card to our secretary at the address listed below so that it is received by our secretary prior to the special meeting or by attending the special meeting in person and voting. You also may revoke your proxy by sending a notice of revocation to our secretary, which must be received by our secretary prior to the special meeting.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast your vote with respect to all of your shares.

Q: Who will solicit and pay the cost of soliciting proxies?

A: BHAC will pay the cost of soliciting proxies for the special meeting. BHAC has engaged Advantage Proxy, Inc. to assist in the solicitation of proxies for the special meeting. BHAC has agreed to pay Advantage Proxy, Inc. a fee of \$4,000, plus costs and expenses and a per call fee for any incoming or outgoing stockholder calls for such services, which fee also includes Advantage Proxy, Inc. acting as the inspector of elections at the special meeting. BHAC will reimburse Advantage Proxy, Inc. for reasonable out-of-pocket expenses and will indemnify Advantage Proxy, Inc. and its affiliates against certain claims, liabilities, losses, damages and expenses. BHAC will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of shares of BHAC's common stock for their expenses in forwarding soliciting materials to beneficial owners of BHAC's common stock and in obtaining voting instructions from those beneficial owners. Our directors and officers may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

Q: Who can help answer my questions?

SPECIAL MEETING OF BARINGTON/HILCO ACQUISITION CORP.

STOCKHOLDERS

General

We are furnishing this proxy statement to our stockholders as part of the solicitation of proxies by our board of directors for use at the special meeting of stockholders to be held on July 31, 2017, and at any adjournment or postponement thereof. This proxy statement is first being furnished to our stockholders on or about July 14, 2017. This proxy statement provides you with information you need to know to be able to vote or instruct your vote to be cast at the special meeting.

The Company reserves the right at any time to cancel the special meeting and not to submit to stockholders or implement the proposals.

Date, Time and Place of Special Meeting

The special meeting will be held at 10:00 a.m. Eastern time, on July 31, 2017, at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, New York 10036, or such other date, time and place to which such meeting may be adjourned or postponed, to consider and vote upon the proposals set forth in this proxy statement.

Voting Power Record Date

You will be entitled to vote or direct votes to be cast at the special meeting if you owned shares of our common stock at the close of business on June 30, 2017, which is the record date for the special meeting. You are entitled to one vote for each share of our common stock that you owned as of the close of business on the record date. If your shares are held in "street name" or are in a margin or similar account, you should contact your broker, bank or other nominee to ensure that votes related to the shares you beneficially own are properly counted. On the record date, there were 4,750,136 shares of BHAC common stock outstanding, of which 3,381,869 are public shares, 1,073,267 are shares held by our Sponsors and independent directors and affiliates and 295,000 are private units held by our sponsors and EarlyBirdCapital, Inc. ("EBC").

Quorum and Required Vote for Proposals for the Special Meeting

A quorum of our stockholders is necessary to hold a valid meeting. A quorum will be present at the special meeting if a majority of the common stock outstanding and entitled to vote at the special meeting is represented in person or by proxy. Abstentions will count as present for the purposes of establishing a quorum. Broker non-votes will not be counted for the purpose of determining the existence of a quorum.

The approval of the Charter Amendment requires the affirmative vote of the holders of a majority of the outstanding shares of our common stock. Accordingly, a BHAC stockholder's failure to vote by proxy or to vote in person at the special meeting, an abstention from voting, or a broker non-vote with regard to the Charter Amendment will have the same effect as a vote "AGAINST" the Charter Amendment.

The approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by stockholders present in person or represented by proxy at the special meeting.

Recommendation to BHAC Stockholders

Our board of directors believes that the Charter Amendment to be presented at the special meeting is in the best interests of the Company and our stockholders and unanimously recommends that its stockholders vote "FOR" the proposals. If the Charter Amendment is not approved, our board of directors believes that time to solicit additional votes for approval of the Charter Amendment is in the best interests of the Company and its stockholders and unanimously recommends that stockholders vote "FOR" the Adjournment Proposal.

Broker Non-Votes and Abstentions

Under the rules of various national and regional securities exchanges, your broker, bank or other nominee cannot vote your shares with respect to non-discretionary matters unless you provide instructions on how to vote in accordance with the information and procedures provided to you by your broker, bank or other nominee. We believe the proposals presented to our stockholders will be considered non-discretionary and therefore your broker, bank or other nominee cannot vote your shares without your instructions. If you do not provide instructions with your proxy, your broker, bank or other nominee may deliver a proxy card expressly indicating that it is NOT voting your shares this indication that a broker, bank or nominee is not voting your shares is referred to as a "broker non-vote."

Abstentions are considered present for the purposes of establishing a quorum but will have the same effect as a vote “AGAINST” the Charter Amendment. Broker non-votes will have the effect of a vote “AGAINST” the Charter Amendment and have no effect on the Adjournment Proposal.

Voting Your Shares

Each share of our common stock that you own in your name entitles you to one vote on each proposal for the special meeting. Your one or more proxy cards show the number of shares of our common stock that you own.

You can vote your shares in advance of the special meeting by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided. If you hold your shares in “street name” through a broker, bank or other nominee, you will need to follow the instructions provided to you by your broker, bank or other nominee to ensure that your shares are represented and voted at the special meeting. If you vote by proxy card, your “proxy,” whose name is listed on the proxy card, will vote your shares as you instruct on the proxy card. If you sign and return the proxy card but do not give instructions on how to vote your shares, your shares of our common stock will be voted as recommended by our board of directors. Our board of directors recommends voting “FOR” the Charter Amendment and, if presented for a vote, the Adjournment Proposal.

You can attend the special meeting and vote in person even if you have previously voted by submitting a proxy. You will be given a ballot when you arrive. However, if your shares of common stock are held in the name of your broker, bank or other nominee, you must get a proxy from the broker, bank or other nominee. That is the only way we can be sure that the broker, bank or nominee has not already voted your shares of common stock.
